preventative maintenance model of communication, steps for growth, couples, 54:7481
preventative mental health program of interpersonal skill training, empathy & self-disclosure, college dating couples, 53:3807
primary & secondary communications model of T. A. Lindner, sensitivity training system of K. W. Back, 54:9567
primary & secondary communications, group therapy, 54:10233
principles affecting communication, communication among professional helpers, 54:9753
principles of social perception & attribution, use of motivational concepts in everyday communication by "naive psychologists", 58:1051
prior assistance vs nonassistance & norms regarding assistance, transmission of valenced messages, college students, 56:685
prior information & behavioral predictability, accuracy in coding verbal interactions, paid female Os, 57:2517
prior information & communicator credibility, attitude change, college students, 54:3046
Prisoner's Dilemma game played with vs without, communication, cooperation & interaction & behavior predictions & intentions & role perceptions & willingness to resist temptation, primary vs secondary male psychopaths, 56:4264
process analysis, verbal innovative deviance during phases of group decision making, 54:9580
program implementation needs to promote interpersonal communication & counseling skills for staff, correctional institutions, 54:10340
programed machine training vs didactic-experiential leader-led group training, teaching counselor- or helper-offered communication skills, college students, 58:8110
progress in women's liberation in society, solicitation & acceptance of female opinions, 58:9428
psychiatric nursing problems, communication between female nurse & 29 yr old male paranoid-type schizophrenic patient, 54:3955
psychodrama techniques in inservice teacher programs, communication among educational personnel, 57:8994
psychodynamics, Marriage Encounter experience, marital communication, 54:5210
pupil size, attitudes & responses in communication, 55:9731
puppetry workshop, communication, withdrawn children, 54:4208
quantification & description method, clinical communicative interactions, aurally handicapped children, 53:3514
rabbit pets, interpersonal interaction & communication, male psychiatric patients, 55:10207
race relations communication skills training & selected life experiences, racial attitude change & anxiety reduction & facilitation of response ability, Black & White social fraternity pledges, 58:1943
race relations communications program, facilitative responding ability & racial attitude change & anxiety reduction, Black & White fraternity pledges, 58:7917
receptive styles of implicit communication, skilled vs naive Ss, 54:1000
reciprocal & uniform sentiment, F. Heider's theory of balance in dyads & evaluation of person, 53:7338
reciprocal disclosures & material & social commodity exchanges & knowledge of common past experience & 3rd person presence & reciprocity, self disclosure between strangers in naturalistic settings, college students & adults, methodological & ethical considerations, 57:1177
reflection of pluralistic values of society in contemporary theatre & role of theatre in expression & freedom & interpersonal relationships, 57:9925
relational-level measurement of combinatorial rules of interpersonal communication, 58:11668
relaxation & concentration & communication & meditation, creative choices as alternatives to drugs, adolescents, 55:9678
religion-based weekend program, marital communication & encounter, couples, 54:7459
rewards & risks of self disclosure, direction of interpersonal relationships, 58:11654
rhetorical elicitation of concession, persuasiveness in favorable vs unfavorable attitude conditions, college students, 53:9555
richness of communication mode, language structure during cooperative problem solving, male high school students, 57:5438
role playing & interpersonal feedback during academy training, attitude & value changes & communication, black & white police officers, 55:10314
role playing of happy vs angry moods followed by insult vs no insult & E sex, physical aggressiveness, female college students, 58:9525
rumor & gossip, social psychology of hearsay, book, 57:12728
safety & expertise & dynamism as dimensions of credibility, communication behaviors in organizational units, employees of private general medical care practices, 55:11170
satisfaction with & openness of communication & accuracy of perception & personality characteristics, marital satisfaction, spouses, 58:7353
school building design, informal verbal communication, 11th graders, 57:11673
school counseling workshop, facilitation of open communication & positive interpersonal school climate, teachers & high school students, 54:8323
school-based intervention with parents vs within-classroom praise of child for attendance & approving vs disapproving parent communication, modification of excessive absenteeism, 2nd & 3rd graders, 58:6327
seating position & length of acquaintance between Ss & sex of S & O bias toward experimental outcome, verbal interaction rates, college students, 56:7929
selective attention, accuracy in communicating personality impressions, college students, 56:2378
self actualization, dialogical communication, 55:11843
self concept & level of communication of facilitative interpersonal conditions & perceived effectiveness on direct service & consultation services, community mental health workers, 58:10157
self disclosure, development of intimacy & communication in families, 57:3094
self disclosure, social sensitivity & personality, deaf adolescents, 58:7768
self esteem & racial attitudes & academic & social status, cross-racial friendships & informal communications & interracial studying together, Black vs White 9th–12th graders, 58:4361
self evaluation of stress & communication capacity in varying marriage areas, identification of communication syndromes, 30–50 yr old spouses, 58:7351
self evaluation, verbal interaction patterns in classrooms, elementary school teachers, 55:10661
self validation model & application of developmental theory of interpersonal communication, speech communication in initial employment interview, 57:14070
self vs ideological advocacy, self esteem & endorsement of Black power ideology, Black college students, 57:10220
self-esteem, opinion leadership & interpersonal communication, married male college students, 55:7239
self-involvement & anticipation of interaction, F. Heider's theory of cognitive balance with triads, soldiers, 53:7293
semantic differential technique, semantic distance & job satisfaction in formal organizations, managers vs nonsupervisory employees of chain inns, 57:14119
seminar approach, parent–adolescent communication, drug education, 54:5134
sensitivity, communication & encounter, self-disclosure & self-actualization, 53:11458
sex & communication, cooperation & competition in 3-person mixed-motive game, 58:9487
sex & distance & orientation & position & visual regard, nonverbal communication during free play, triads of 4 & 5 yr olds, 53:915
sex & mode of group communication & Delphi differences, SPAN decision, 58:7451
sex differences & communication opportunities, cooperation & imitation during Prisoner's Dilemma game, college students, 53:1092
sex differences, group communication, research review, 58:1075
sex of S & degree of acquaintance, verbal & nonverbal interaction during parting, pairs of same-sex Ss, 58:11685
short term family therapy, interpersonal perception & communication, 58:7895
short term organizational development program, organizational climate & faculty & faculty-principal communications & student-teacher interaction & faculty morale & problem solving effectiveness, teachers in newly formed 6th grade centers, 57:11229
short term training in empathic communication, interpersonal communication ability & ability to discriminate interpersonally facilitative responses, 6th graders, 56:10794
silence & interpersonal communication, 55:2322
simple games & drawings, communication with chronic schizophrenic patient, nurses, 54:3273
simultaneous & inconsistent presentation of verbal & nonverbal cues in communication of anger, anger perception & cue discriminating ability, counselors, 58:10165
situational & relational aspects, interpersonal communication, female adults, 56:2322
small-group counseling program, sex education & interpersonal communication, engaged couples, 53:10249
social activity constant & communication uses, 62–89 yr old female public housing residents, 55:6652
social class, ability to communicate conditional information, 5th graders, 53:2840
social communication, 55:708
social communication of descriptions of designs, listener's determination of design, adult vs nursery school vs kindergarten speakers, 58:9280
social desirability & convergence of noncontent temporal speech, dyads of male & female college students, 54:7474
social desirability, convergence of mean vocal intensity in dyadic communication, college students, 55:7084
social desirability, speech interruption in dyadic communication, college students, 58:5425
social influences, verbal ability, poor Mexican American children, 55:11867
social information processing & nonverbal communication, interactive communication between deaf & hearing persons, 58:3657
social perceptions of & mood & behavioral responses to depressed patients, female college students, importance of environmental response in maintenance of depressed behavior, 57:5980

social psychological factors, prediction of interpersonal communication & personal influence interrelationships, family heads from agriculturally progressive vs nonprogressive Indian villages, 54:5178
social relationships, consensual rules & modes of interpersonal communication, 58:11670
socialization therapy, individual role changes & changes in group patterns of communication & interaction, day care geriatric patients, 54:12189

systematic training procedure based on Human Resource Development Problem Solving Model, problem solving & interpersonal skills, college students, 58:10326
systematic training program, interpersonal communicative skills development, hospital admission unit personnel, 53:9686
task & socio-emotional leadership roles, group attendance to task & communication of interpersonal skills, T group trainers, 55:12675
task expertise, group communication, college students, 56:2316
task information requirements & instructions & socioeconomic status, referential communicational task performance, 4th graders, 57:3208
team development training, change in leadership & decision making & expression of feelings & participation norms, work groups, 55:7086
technology for teaching interpersonal communications skills, application of J. Muma's communication game, 55:538
telephone vs face-to-face interviews, quantity & quality of historical information, informants of psychiatric patients, 53:5446
teletypewriter vs telephone vs closed circuit television communication, cooperative vs conflictive problem solving, male college students in 2-person teams, 56:9617
theme-centered group process, attitudes toward male-female dyadic relationships in areas of communication & freedom & trust, high school seniors, 57:3893
theoretical framework, communication & group performance efficiency, 57:10258
theoretical-formative training in psychological principles of communication & understanding, doctor-patient relationships, physicians, 53:11814
theory of communication & behavior, 58:728
therapeutic communication with depressed persons, 55:10263
therapist-like vs non-therapist-like vs neutral vs self critical & self praise social conversation, interpersonal attraction, females, 58:1073
threat vs nonthreat vs restored freedom implications, reactance toward future interpersonal communication, 53:9462
time of session & sender of feedback & variation of individual group, characteristics of & responses to interpersonal feedback in sensitivity training groups, group members, 57:3899
time requirements of verbal interaction techniques with delinquent youths, juvenile court workers, 55:12801
topical experience & attitude polarization & agreement & confrontation & consideration, opinion exchange in conversation, college students, 53:1079
total communication vs oralism, reading & mathematics & lipreading & general communicative abilities & parent/teacher impressions, deaf rubella 9 yr olds in 3rd grade, 57:2003
trainee-supervision value system similarity & level of communication effectiveness & satisfaction with relationship, counselor trainees & practicum supervisors, 57:11144
trainer methods & instructional difficulties in teaching distinction between unidirectional vs circular communication, medical students, 58:8102
training & communication, dealing with deaf hospital patients, nurses, 54:3960
training in behavioral exchange negotiation &/vs communication, marriage enrichment, spouses, 58:12074
training in communication & learning about self & others, police officers, 55:7599
training in communication skills & reality therapy & workshop & transactional analysis techniques & videotaping, prevention of student problem behavior, teachers as counselors in student help center , 54:8505
training in physical conditioning, acquisition of interpersonal skills for helping process, college students, 58:9815
training in specific communication skills, interpersonal interaction, spouses, 57:3886
training program in interpersonal communication skills, transfer of empathic behaviors to classroom situation, prospective elementary school teachers, 58:1977
training program to improve nurse-patient communication, patient improvement & patient care, nurses & patients at general hospital, 57:13419
training to develop & use communication & guidance skills, teachers, 58:8232
trait names as conveyers of social desirability & denotative behavioral information, college students, 55:7162
transactional analysis workshops, self esteem & concept & personal values & ability to examine hypothetical interpersonal relationships & communications, educators, 57:13270
transcriptions of language & paralanguage & body-motion behaviors, structure of speaker–auditor interaction during speaking turns in dyadic & face-to-face conversations, 53:11652
treatment strategy, interpersonal skills & psychological adjustment, emotionally disturbed 13–19 yr olds, 58:12085
treatment vs group counseling, discrimination & communication skills, junior high school students as peer counselors, 54:8485
trust in interpersonal communication, 54:2984
type A vs B status of psychiatric aides, communication of E expectancies to high & low social competence schizophrenics, 58:12346
types of touch & body locations touched, significance in interpersonal communication, male vs female college students, 58:9489
unassociated vs passive gazing vs calmly vs agitatedly conversing groups, perception of territorial boundary permeability, 19–23 yr old pedestrians, 56:687
understanding of teacher role & use of specific referral form & use of same theoretical approach to learning disabilities, successful communication, teachers & school psychologists, 56:6864
unwillingness to communicate & anomia & alienation & apprehension, prediction of small group interaction, college students, 53:5161
use of & reactions to negative vs rounded criticism in dyads, female college students, 55:12216
use of action-oriented techniques in family therapy, communication patterns, troubled but intact Black family, 58:3767
value communication & value similarity/dissimilarity, interpersonal attraction & influence & perception in counseling process, female college students, 57:3805
variables related to communications between high school principals & students, 55:7885
verbal behaviors of workers & suicidal callers, comparison of 3 crisis intervention centers, 58:8006
verbal communication in reaching agreements, group problem solving, college students, 53:11581
verbal prompts & letter writing instructions & inclusion of return envelope, personal mail & acquisition of new correspondence, 48 & 61 & 72 yr old nursing home residents, 57:1631
verbal vs spatial questioning & high vs low anxiety situation & face-to-face questioning, lateral eye movement direction, males, implications for trait & state approaches, 58:2587
videotape feedback & modeling, verbal & performance behavior, chronic schizophrenics, 55:12704
videotape playback in marital therapy, communication difficulties & faulty social perception & mutual attribution of blame & denial of responsibility, couples, literature review, 57:3889
visibility of speaker vs listener, response to requested self revelation, dyads, 57:1176
visual &/vs audio feedback from listener, communication accuracy, college student dyads, 53:11571
vocal &/vs content information of speech, perceived benevolence & social attractiveness & competence, college students, 54:9595
vocal vs typewritten communication with vs without interruption, interpersonal communication & team problem solving, college student pairs, 53:307
voice vs face-to-face vs handwriting vs teletypewriting communication mode, language structure used during cooperative problem solving of dyads, male high school students, 57:9910
war-related stress, family communication patterns, married females, Israel, 57:1080

Interpersonal Compatibility

birth order compatibility vs incompatibility, interpersonal conflict, dormitory roommate dyads, 53:1073
birth order, roommate compatibility of same-sex dyads, college students, replication of W. Toman's study, 57:6904
client-therapist compatibility, psychotherapeutic relationship & client vs therapist adjustment, 57:8669
cognitive differentiation & compatibility between members, social interaction in patient-therapist & student-teacher relationships & small community action discussion groups, 58:1081
compatibility of ego identity concerns, use of coping vs defense mechanisms during problem solving, dyads of college students, 56:4146
enuresis & firesetting & cruelty to animals & fighting & temper tantrums & school problems & truancy & interpersonal difficulties as childhood symptoms of serious emotional disturbance, early warning signs of adult violent behavior, 54:1362
expectancy of compatibility vs actual compatibility within problem solving context, interpersonal attraction, dyads, 57:8240
facilitativeness & compatibility, perceptions of members as positive vs negative significant others, counseling master's degree students in group process experience, 58:12321
Fundamental Interpersonal Relations Orientations Scales-Behavior as index of compatibility, interpersonal relations orientations in dyads, 53:11579
group composition & communication variables, group problem solving & satisfaction, 57:10272
group laboratory experience, self actualization & interpersonal compatibility, college students, 58:12548
husband–wife compatibility, management of occupational & life stress, husband–wife pairs, 53:9459
immediacy of confederate's self-disclosure & similarity of S's & confederate's levels of conceptual complexity, immediacy of self-disclosure, conceptually complex vs simple college students, 53:12112
instruction & research unit effectiveness, unit members compatibility & leader's behavior & perception of task structure, elementary school personnel, 56:2805
interpersonal compatibility, group productivity, teams of systems analysts, 54:7463
interpersonal compatibility, interaction process during team meetings, interdisciplinary psychiatric team members, 55:4525
interpersonal compatibility, prediction of stability in long term relationships, female college roommates, 55:9709
interpersonal incompatibility between teachers & students, process of referring 3rd–6th graders for special class placement in classes for children with behavior problems, 55:13461
intragroup compatibility, task-group productivity, female Ss, 58:7420
introversion-extraversion, interpersonal perception, interpersonal understanding & marital happiness, spouses, 55:4399
leadership & interpersonal need compatibilities in working situation, optometrists & optometric assistants, 57:11641
power motivation, anticipation of problems & satisfaction with & longitudinal stability of relationship, dating couples, 56:7932
reciprocal disclosures & material & social commodity exchanges & knowledge of common past experience & 3rd person presence & reciprocity, self disclosure between strangers in naturalistic settings, college students & adults, methodological & ethical considerations, 57:1177
sex & behaviors involved & social context, attributional conflict, married & dating & cohabitating couples, 58:1175
social density, perceptions of crowding & control over room activities & room ambience & interpersonal attitudes, groups of 2 vs 3 male college students residing in double occupancy dormitory rooms, 57:10274
student-teacher compatibility, achievement in algebra, high school students, 55:3073
student-teacher compatibility, achievement, 4th–6th graders, 55:3123
task organization as coordination vs collaboration & member interchange compatibility, leader-member relations, male college students, implications for Contingency Model of Leadership, 57:10257
teacher-student need compatibility & verbal ability, course grade & expressed course satisfaction, college students, 58:2121

Interpersonal Influences

cue validity & interpersonal vs individual learning condition & task change, acquisition of policies in interference tasks, college students, 58:6846
abilities & control features & interaction formats, dyadic social play, 3–5 yr olds, 54:9381
absence vs presence of parents, interview responses concerning family events & wider social issues, 15–29 yr olds, Hong Kong, 54:2920
absolute vs relative success criteria, relationship between expectancy of success & task difficulty, college students, 58:7533
achievement motivation & social environment, risk taking on motor task, male college students, 53:1215
active participation in surveillance & overtness of act, active vs inactive S ratings of nervousness & guilt & thrill arousal & impressions of target, male college students, 58:1063
activity group guidance, self concept & social power, 5th graders, 58:10367
adult presence & E instructions, reinforcement control of children's behavior, 57:9955
adult presence & evaluative reactions, individual differences in children's response, 57:9945
adult social cues controlling children's behavior, need for ecological validation of research, 57:9952
adult social stimulation vs unresponsive adult treatment as operant baseline condition, social behavior suppression, 3 mo olds, 58:5191
adult warmth, donation & rescue behavior, reflective vs impulsive 1st grade suburban males, 55:9755
affective arousal & personal evaluation, evaluation of laughter, college students, 55:7171
affective ties with conventional & deviant others & strength & direction of influence, self reported delinquency & delinquency involvement, male & female delinquents, 57:6067
age & sex & artistic & social prestige, peer influence in assigned figure drawing task, elementary school students, 55:8215
age & sex & occupational prestige level, channels & involvement in discussions of public affairs, 55:7053
alone condition vs presence of other & high vs low prosocial risk taking group, reaction to high risk emergency situation, males vs females, 58:1187
altered responsibility & cognitive set & aggressive modeling, physical aggression & internal deindividuation, male college students, support of P. G. Zimbardo's deindividuation theory, 53:11566
amount & type of information about own & peers' risk levels, subsequent risk taking, college students, 55:12253
anti- vs pro-drug attitudes & group discussion, verbally expressed drug attitudes, male college students, 58:7470
anti-Semitism & insult & dislike, interpersonal evaluations, prejudiced vs nonprejudiced college students, 55:6911
anxiety, next-in-line recall effect in group oral reading task, college students, 57:12760
apparent punishment vs reward vs anxiety-provocation vs relaxation, obedience to adult requests, preschool children, 53:9467
application of Fishbein Behavioral Intention Model to purchase intention situation, predictive ability & role of attitudes & group influences, 57:11691
arbitrariness of prescribed norms, norm formation & persistence & change over successive generations, male high school students, 57:12783
arousal model, explanation & prediction of reactive changes in expression of interpersonal intimacy, humans, 57:10264
aspects of position within group, leader's use of influence, male college students, 54:11675
attentiveness to situational & interpersonal guides to social appropriateness, situational control of behavior, college students, 56:699
attitude similarity between change agent & potential adopters of innovation, attendance to educational program as innovation adoption, application of balance theory, 57:5774
attitude similarity with defendant & locus of control, simulated jury decisions, 55:6986
attitude toward human organ transplantation & perceived consequences of act & position of others & death anxiety, behavioral commitment to sign organ donor card, technical institute students, 58:1047
attitudes toward & interpersonal influences on smoking behavior, high school students, 58:3270
attribution of coercion-reward & referent & legitimate-expert social power bases, dyadic influence, black vs white teachers & black vs white & middle vs lower class students, 55:3173
audience size, social facilitation in motor task performance using nervousness & activation level ratings, male college students, 57:3203
authoritarianism, rate of social change of arbitrary norms in laboratory societies, college students, 56:5976
authoritative labeling & consistent positive differentiation, construction of positive deviance, college students in laboratory setting, 58:9532
authority structure perceptions & authority figure presence & diffusion or psychological transfer of responsibility & time constraint & proximity of victim, subordinate's obedience to unlawful superior orders measured by simulated shock administration, soldiers, 58:5318
availability of situational knowledge & naive vs role playing vs prebriefed participation, prediction of own & other's conformity, male college students, 55:7177
awareness of marriage counseling facilities & goals & dynamics & role of others in referral process & values concerning marriage & divorce & marriage counseling, decision to seek vs not seek marriage counseling, married vs divorced college students, 57:8688

bidirectionality of influence in teacher-student interaction, junior & senior high school students & teachers, 55:8212
birth order, susceptibility to peer modeling influences, male kindergartners through 3rd graders, 58:3143
body image satisfaction, evaluations of social situations involving Blacks, White students at urban nonresidential college, 57:8174
causal attributions, conflict handling, college students, 55:7164
charity request technique implying acceptability but less desirability of small donations, compliance patterns among contributors, adult suburban residents, 58:1135
child observation & parental report factors, clinical judgments, normal 7 yr old boys & graduate psychology students, 55:10238
child's response in learning task in analog teaching situation, teaching behavior of reinforcing agent, implications for socialization theory, 56:634
classification of teacher-class & teacher-student interactions, identification of statements eliciting student aesthetic value clarification, intermediate grade art teachers, 55:8219
coaction, leveling effect on judgment vs retest effect, college students, 54:7460
co-actor's prediction, latency to predict & identify stimuli, male college students, 55:12212
cognitive & interactional aspects, shift from individual to group judgment of person perception & social judgment, high school students, 53:11618
commitment vs commitment with rational justification during group sessions & confederate's smoking behavior, subsequent smoking behavior, college student smokers, 57:8752
communication of enjoyment or dislike for humorous routines by confederate claques, mood development & change, 58:9531
communication variations & confederate strategies, cooperative & competitive & escaping decisional behavior in Prisoner's Dilemma type 2-person non-zero-sum simulation game, schizophrenics vs nonschizophrenic psychiatric vs nonclinical Ss, 57:10434
communications patterns & discussion topic importance, group engendered attitude change, 57:12754
communicator credibility & social power & similarity, attitude change, teachers, 56:6669
concept of alienation as detachment experiences by psychotic patient & subsequent estrangement experienced by others, 57:8418
conflict & policy inaccuracy & social pressure, policy change, college students, 53:7283
conflict situation, acceptance of peer's opinion, students, replication of Ash's conformity experiment, 53:9544
conformity to peer-sponsored misconduct, 3rd vs 6th vs 8th vs 11th graders, 56:7690
consensus information with vs following viewing of videotaped vignettes, use of consensus information in making causal attributions for actor's choice behavior, college students, 58:1144
consensus of "mathematicians" & "educators" reference groups attached to resolutions of projected classroom situations, resolution choice, preservice secondary school mathematics teachers, 56:2789
consensus-breaking & consensus-preempting partners, reduction of conformity, male college students, 54:7526
consistent behavior varying in distinctiveness via false feedback & O's consensual vs nonconsensual behavior, environmental vs personal attributions, actors & O's, 58:1151
conspicuous vs inconspicuous influence to play with less attractive toy & model playing with toys, identification with model, male 2nd & 3rd graders, test of self attribution theory of internalization & identification, 58:7444
constituent's affirmation of representative's personal effectiveness & opposing negotiator's self presentation, bargaining between unequal status groups, college students, 58:5343
constraint of freedom & presence of other & truncation of experimental procedure at point of consensus, abandonment of referent system & acceptance of judgment of others, 57:5806
contextual determinants, opinion judgments, college students, implications for social influence research & opinion poll interpretations, 55:9708
conventional ties & peer influence & fear of apprehension & self reported usage, patterns of marihuana use, high school youths, 55:9671
conversations in public places, role segmentation & compartmentalization of social discourse, pharmacy & beauty & barber shop owners & employees & customers, 58:1076
correct & incorrect dissenters from erroneous group concensus, conformity on visual & opinion stimuli under normative & informational social pressure, female college students, 56:4006
counseling viewpoint, coping vs manipulative styles of interaction, 57:10727
co-worker vs E awareness of reward allocations vs private allocations, equity & equality & self interest in reward allocation, male college students, 56:9842
daily drug usage & interpersonal influence on US soldiers, Thai females working near US military installations, 56:2273
decision rule & similarity of S's initial preference position to group & group members' preferences & preference strengths, computer simulation of triad decision making, 58:1098
decision theory, extension to analysis of social power in interpersonal influence studies, 55:9705
defendant attractiveness, sentence severity before vs after group discussion, college students in simulated jury setting, 53:5206
degree of informational power attributed to influencer & self & severity of influencer's threats & commonality vs conflict of interest situations, reliance on threats as informational source & influence in 2-person betting game, male college students, 57:12774
demographics & adult & peer pressure model, self reported delinquent behavior, high school students, 55:12462
development & validation, observational measure of teacher-student attempts to influence each other & responses, junior high school teachers & students, 56:3084
differences between own & admired & attributed choices, group induced shifts in choice, female college students, 53:3010
diffusion of responsibility & restaurant tipping behavior, criticism of study by S. Freeman et al, 57:1155
discrepancy among & level of & number of educational & occupational influence sources, interpersonal influence & stress, rural high school students, 54:7400
division into extravert & introvert & neurotic & stable groups based on Eysenck Personality Inventory, suggestibility of aesthetic preferences for TAT pictures following knowledge of group preferences, college students, 57:10372
dyads composed of strangers vs close friends, disclosure reciprocity, female college students, 58:1087
dynamic mathematical models, mutual influence in dyadic interaction based on information processing assumptions, 58:2497
electric shock administration & peer observation manipulation & instructions to pose shock anticipation & reception, nonverbal discomfort display & self report of pain & skin conductance levels, male college students, 57:7508
environmental stimuli or interpersonal events, discontinuous delusional processes, demonstration of intermittent psychoses, 57:8409
equity perceptions of pay & promotion & fringe benefits & recognition & choice of comparison others, manufacturing plant employees, 57:9240
escalation vs deescalation of influence strategy, compliance in 2-person mixed-motive game, 55:4497
essay writing & other's opinions of proposition, belief in logically related propositions, college students, 53:9553
exchange-theory variables of outcome alternatives & value, multistrategy evaluations in conflict setting, college students, 57:12780
expectation, problem solving tasks related to creative behavior, prospective teachers, 55:10702
expected responsibility for consequences & public vs private condition & personality correlates, decision making, 57:8231
experimental manipulation & mathematical model, informational influence in group-induced shift on choice dilemma items, college students, 53:2992
exposure to conforming influence of male vs female confederate, conformity behavior on series of perceptual judgments, male vs air force trainees, 56:9827
exposure to resisting peer model & availability & attractiveness of alternative activity during test, imitation of resistance to deviation, male 3rd–6th graders, 55:6843
expression by stimulus person of self vs other derogatory humor, impression formation, college students, 57:3286
eyewitness identification, accuracy of individual vs composite recollections of simulated crime, college students, 57:10218
factors affecting coalition formation & effects on majority & minority members following group decision, 58:5333
fairness of mediator's suggestion & loser/finder communication opportunity, prominence effect as determinant of bargaining outcome in lost money problem, males, 57:5786
family role emphasizing mother–child transactions, personality development, children, 54:2744
favorable vs unfavorable descriptions & modality of communication & relevance, acceptance of personality interpretations prior to & after receiving diagnostic feedback, college students, 55:9809
fear of power over feelings of other people, depressed mood, college students, 55:11504
field dependence & feedback concerning group majority, tendency to conform in judgments of tone duration, male vs female high school students, 57:1146
field dependence & sex & group size & composition, word productivity & recall in chain-association task performed alone or in groups & social facilitation, 6th graders, 57:8198
food visibility & social inhibition, eating behavior, obese vs normal Ss, 56:10176
foot-in-door effect, personal vs impersonal appeals involving controversial vs noncontroversial issues to sign petition, college students, 55:4523
formal & theoretical model of decision making processes & cognitive consistency approach, conformity, 55:4482
friendly vs not-friendly dyads, verbal & nonverbal expressive behavior, female pairs, 55:720
group composition including experts & nonexperts in field of work & minority & nonminority ethnic group members, influence among members of interview panel, candidate evaluation panels, 57:7035
group conformity influence, social relevance ratings of consumer products, 56:2307
group conformity pressures, individual attitudes & behavior, West German & Swiss & British & Austrian & Japanese managers, 53:5036
group discussion & group presence, individual & group risk taking in gambling task, college students, 54:1014
group discussion & influence, self disclosure, female college students, 56:644
group discussion & information about other's decisions & information relevant to task, choice shift phenomenon, group discussion members, 55:9752
group discussion concerning high vs low guilt cases in simulated jury setting, judgments of innocence & punishment recommendations, social psychology students, 56:4060
group discussion feedback & shifting cue validities, inference behavior in meaningful environment, male college students, 57:7410
group discussion on risk, shifts in subsequent race track betting, black vs white males, South Africa, 56:4040
group discussion vs individual situation, generosity concerning relief fund donation, female college students, 53:3007
group influence, risk taking in realistic casino setting using blackjack as criterion risk task, state trial judge volunteers, 54:7495
group influences & leadership characteristics, decision making, 8th & 11th graders, 58:5330
group interaction, perception of verbal transformation effect, 58:8754
group leader's self disclosure, self disclosure & self actualization, members of small theme-centered interaction group, 58:3791
group members' status, compliance with verbal diagnostic interpretations of Rorschach protocols, clinical psychology graduate students, 57:8927
group pressure & presence of male confederates, attitude change, Chinese & American females, 54:7522
group problem solving risky shift phenomenon, R. Brown's enhanced-salience-of-values & A. Vinokur's persuasive argumentation hypothesis, college student groups, 53:11587
groups of strangers vs friends & perceived risk & economic vs sociopsychological risks, individual choice shifts in consumer-related buying situations, female college students, 57:7099
Guttman facet theory analysis, race attitudes & religious foundations of attitudes & their impact on church members, Black vs White ministers, 58:953
honest vs deceitful & compliant vs defiant intentions of target, influence in Prisoner's Dilemma game, male college students, 53:9486
husband involvement vs partial involvement vs no involvement in behavioral treatment, weight loss, overweight wives, 57:1653
hypnotist presence vs absence & perceived competence, hypnotic induction, male college students, 57:5015
ignoring whispering of designated S vs whispering by all class members, disruptive whispering, 6th–8th graders, 55:10945
implementation of Scanlon Plan in small firm, causal connections between organizational climate & personal influence variables, 55:5805
impression management, behavior in prestige international restaurant as interpreted through passage theory, restaurant patrons & employees & employers, 55:753
impressions of compliance vs resistance to conformity pressures of stimulus persons, subsequent attributions, male college students, 54:11712
individual & social obstacles, career development, women, 54:956
influence & communication patterns & decision making processes & goal differentials & normative consensus & administrative support, interlevel conflict, mental hospital staff members, 55:13700
influence in purchase decision process for houses, husbands vs wives, 56:9767
influence message from coworker containing threat vs promise & choice/no choice compliance mode option assigned by coworker vs random event, compliance, female high school students, 57:12775
influence of males & females, psychophysical judgments, female college students, 54:9613
influence of peers vs adults & parents, moral beliefs, high school students, 56:7708
influence of significant others, decision making about drug use & other deviant behavior, 7–12th graders, 54:978
influence potential of information source & sensitivity to criticism & influence of source criticizing decision, information filtering by boundary role persons in simulated organizational decision making task, 57:7074
information amount & favorability, individual & group stereotype development within performance appraisal & interview contexts, college students, 57:2080
information transmitter vs receiver set & extremity of event outcome & information recipient/source expertise & behavior/attitude consonance of person administering shock outcome, cognitive-tuning & attribution of causality, male college students, 58:1053
information vs no information about potential ability on task & experience & good vs bad model influence, prediction of performance on novel task after model completion of task, 57:3181
initial habit strength differences, 4-choice modified RT performance in coaction vs alone conditions, female college students, 58:228
inspiration to emulate patients' outstanding traits, psychotherapeutic process, psychotherapists, 57:10738
instigative influence, gaining clients' compliance, social work practitioner, 56:2676
institutional controls vs interpersonal influences, determinants of occupational & educational opportunities, 20–21 yr old Israeli males & females, 55:5770
internal vs external moral orientation & external E pressure for compliance, violation of internalized norms in role playing variant of Milgram's paradigm, 57:1157
interpersonal environmental influences, posthospital adjustment, short-term psychiatric patients, 53:6062
interpersonal evaluation anxiety & situational control, alcohol consumption, college social drinkers, predictive utility of learning theories of alcoholism, 55:12177
interpersonal influence, norm formation & subsequent divergence, high-school-age Ss, 53:5176
interpersonal influences & academic performance & mental ability & socioeconomic status, educational aspirations, 7th grade Bolivian males, comparison with model of US educational aspirations, 56:4880
interpersonal influences & institutional treatment & policies & patient's demographic characteristics, use of family planning services during 1st 8 mo following childbirth, low income teenage mothers, 58:12183
interpersonal influences & school environment, self concept, junior high school students, US vs Bolivia, 58:11520
interpersonal influences & social processes based on interpersonal judgment & whole-parts model, dyadic interaction as formal system, 55:4495
interpersonal influences, syntactic & cognitive & emotional quality of verbal messages, dyads, 55:717
interpersonal relationships in heroin use, narcotics treatment program outcome, male & female heroin addicts in treatment program, 56:2703
interpersonal style & influence in dyadic interaction, 4th grade boys, 55:6822
interviewee intelligence & explicitness vs implications of interviewer's conclusions in counseling analogue, college students, implications for counseling, 55:7507
interviewer's locus of control, effectiveness of socially reinforcing interviewee's self-reference statements, college students, 53:11595
intimacy & perceived influence, correlational study of rated use of resource types & as bases of influence, heterosexual dyads of 3 intimacy levels, 57:8228
introduction of person previously paired with unpleasant event in conditioned emotional response paradigm, conditioned suppression as measured by task response decrements, female college students, 56:7922
judgment discrepancy between S & other group members & locus of control, public compliance vs private acceptance, 58:7453
knowledge of computer simulation of opponents, choice behavior in non zero sum game, students, 58:7440
knowledge of other S's opposite judgment after initial decision & 2 vs 3 response options, social choice decisions, evaluation of balancing vs utility maximizing mathematical models of decision making, 55:9690
knowledge of potential advantage & positive vs negative attitudes toward other, application of equity, 55:9718
knowledge of source's prior losses, compliance to threat, male Ss, 54:3032
leading crowd influence, attitudinal & behavioral changes of aspirants to leading crowd membership, high school students, 57:11465
length of time & troublemaking behavior in prison, perceptions of personal control vs control by chance vs by powerful others, prison inmates, 57:1422
levels of communication & contact with coworkers, allocation behavior with complete control of resources, 57:8211
levels of pressure to conform, reduction of smoking, smoking cessation groups, 55:12206
locus of control & affective relationship with peer model, imitative responses to most vs least liked peer, 7–15 yr old emotionally disturbed males, 55:4723
locus of control & presence vs absence of overt influence messages from E & complete vs partial knowledge of correct performance, electric dart game performance, male 5th graders, 57:11872
locus of control & social desirability & attitudes toward females, effects of male vs female communication sources supporting females' abilities under conformity pressure, females, 58:1093
locus of control, influence aspirations in school system, Black students in racially tense high schools, 58:10472
locus of control, use of threat to influence decisions of simulated opponent in Prisoner's Dilemma game, 55:722
Machiavellianism & experimental arousal of motivation to manipulate, level of motivation for self enhancement & toward altruistic needs, triads, 58:9509
majority influence as social verbal responses & minority influence as individual perceptive standards, group process, 15–18 yr olds, 55:2312
majority opinion in small groups, conforming & innovative responses of isolated individuals, female students, 58:5324
manifest & latent influence & interindividual relations, innovation & conformity in group situation, 57:8208
manipulation of expectations through provision of actors' ability & task information, performance evaluations, 3rd graders, analysis based on expectation states theory of J. B. Berger et al, 57:12797
mass media campaign, bystander intervention by witnesses to staged shoplifting in college bookstore, college students, 57:1194
mathematical models of informational influence process, changes in perceptual judgment, 58:1100
mathematical techniques & general influence theories, evaluation of political influences & influence structure in Shakespeare's "Julius Caesar", 58:7144
media & message & interpersonal influence, perception of political figures, college students, 55:12144
member ability, dyadic problem solving & interaction & emulation, 10–12 yr olds, 57:10269
minority response patterns, influence on majority, male high school students, 54:2983
model's generalized or differential behavior under generalized or differential reinforcement conditions, role of implicit instructions & social influences in imitative behavior, 1st graders, 57:10241
models mediating intent, attitudes toward school, students vs adults, 55:1500
moderately arbitrary judgment norm of collaborator in autokinetic vs shotgun vs pinball vs hex situations & degree of social pressure, degree of compliance, college students, 56:9841

morphogenic method application, conformity in interpersonal prediction & behavior of clinical psychologists in assessment task, application to psychodiagnostic practice, 54:7737
motivational orientation & reciprocal vs cooperative vs noncooperative strategy of other, behavior in social interdependence situation, 58:9485
multidimensional scale construction, perception of control in achievement & interpersonal situations., 56:1638
mutual dependency & dependency asymmetry, social exchange among dyads from game theoretic approach, college students, 57:12752
mutual influence processes in leader-follower relationship, 57:3194
natural group membership & group longevity, individual & group risk taking performance in complex war game, US Air Force officers, 57:10256
natural groups & length of existence & confederate's status in group judgment situations, consensual agreement time & norm formation & influence of member's status & ideal group choices, college women, 57:5805
negative vs positive feedback & warm vs neutral feedback delivery, feedback acceptance in small groups, 58:7438
nonverbal feedback legitimacy & necessity for learning, use of nonverbal feedback in teacher-learner dyads, college students, 56:7928
observer presence & sex & values, aggressive responding, male college students, 54:1015
observing mutually cooperative vs competitive modeled game, cooperation in Prisoner's Dilemma game, male college students, 56:661
open vs traditional classroom, teacher-pupil attraction & teacher-pupil influence & pupil-pupil attraction, elementary school students, 57:4326
ostensible review of responses by adults vs peers vs no review, response to moral dilemmas, male vs female 10–16 yr olds, Brazil, 57:12570
parent vs peer influences, decisions to continue education & participate in athletics, high school students, 57:12629
parental & nonfamily members' influence, career orientation, women, 54:856
parental & school & student influences, campus behavior problems, college students, 55:5627
parental vs children's characteristics & attitudes vs teacher-school influences, academic achievement, Anglo & Chicano & Black kindergartners through 3rd graders, 58:2100
partial vs total inter-S communication as contaminating factor, performance on perceptual identification task, 5–7 yr olds, 55:7101
past & expected intellectual behavior & personality characteristics & peer choices, intellectual commitment, college freshmen, 57:6838
peer attribution of outcome, attributions for success & failure, college students, 56:2358
peer group communication & church attendance norms & diversity of religious expressions & family training & background, religious beliefs & behavior, students at small religious liberal arts college & large public institution, 57:5647
peer group influence, prosocial vs antisocial behavior & homogeneity & diversity in group members' behavior in naturally existing friendship groups, male vs female 6th–12th graders, 57:3003
peer group influences, behavior modification, mentally retarded in vocational rehabilitation settings, 53:12322
peer helper influence & helper facilitative level, weight loss & psychosocial characteristics & academic achievement, overweight female adolescents in weight reduction program, 58:9831
peer vs parental vs importance of school fear of failure pressure, academic achievement, 6th–9th grade females, 55:13355
peer vs teacher vs mother pressure, developmental changes in conformity, elementary vs junior vs senior high school students, 57:10011
perceived faculty influence, college students, 56:4882
perceived O presence & status & knowledge, attitude change in forced compliance paradigm, discussion of cognitive dissonance vs impression management theory, 55:9780
perceived relative competence on informational task, conformity on perceptual task, college students, 58:3318
perceived similarity & actor's success vs failure, discrepancy between attributions of causality of actors' social influence by Os & actors, 56:9876
perception of influence source & causal attribution, informational influence on compliance, 53:9533
perceptions about relative influence in subdecision making, home purchasing decisions, husbands & wives, 54:4291
perceptions of significant others as sources of advice, self concept & educational & occupational goals, 9th–12th graders, 58:12670
personal characteristics & home & school environments & financial situation & military draft & peer & teachers' & guidance counselors' & administrators' influences, decisions concerning attendance vs nonattendance at post-high school educational institution, rural male high school graduates, 55:10643
personal involvement & communication discrepancy & source prestige, reactions to communications on separatism, college students, 56:2304
personality, physical attractiveness & self reported desire & likelihood of approaching females of differing levels of attractiveness, males & females, 55:9737
personality traits as part of role & emotional influences on athletes, trainers, 58:5435
physical & social context & level of relationship, interpersonal distance, male vs female college students, 58:3274
physical attractiveness stereotype, physical attributes & personality characteristics & social behavior, college students, 57:8263
positive & negative adult preference statements, control of children's behavior, 4 yr old boys, 57:2868
positive vs negative outcome & leader vs follower role & dyadic performance feedback, individual vs group decision concerning future leadership responsibility, implications for interpersonal accommodation approach, 58:3305
positive vs negative referents expressing favorable vs unfavorable feelings, helping, pedestrians, 58:9538
power & Machiavellianism & involvement, formal influence attempts, male psychology students in simulated industrial setting, 55:5804
power motive, power thematic behavior in bargaining game, 57:10238
powerholders' successful use of strong influence, attribution of targets' behavior & perceived worth of target & social distance & self esteem changes, married Ss & female employers of domestic maids, 57:1208
praise vs nonreaction vs E-initiated conversation & E's sex, performance of pursuit rotor tracking task, female college students, 56:657
presence of aggressive juror, assignment of guilty verdict, high school students on 6- vs 12-member juries, 57:5714
presence of coactor working on same vs different task & high vs low evaluative conditions, group task performance, college students, 58:9493
presence of companion, speed of escape from electric shock, 55:9721
presence of experienced deviate group member, social influence in perceptual judgments of ambiguous stimuli, female college students, 53:5211
presence of O, deviant behavior, mothers & their children, 55:6971
presence of other person in anxiety situation & self image, social affiliation motivation, high school students, 55:7229
presence of others, decrease in self reported anxiety, discussion of L. S. Wrightsman's article, 55:7062
presence of others, decrease in self reported anxiety, comments to W. S. Epley's conclusion, 55:7103
presence vs absence of E, verbalizations under demand for intimate self disclosure, schizophrenics, 58:9639
presence vs absence of others, mechanical vs arithmetical task performance, male students, India, test of social facilitation of performance, 58:1101
prior destructive behavior & anonymity & group presence, deindividuation & aggression, male college students, 56:5989
prior experience & transfer of training, resistance to conformity pressures, 55:9749
prior experience with task, subsequent conformity to different task, 14–30 yr olds, 54:3005
properties of influence attempt & its context, social interaction, 56:7899
psychoanalytic evaluation of coercion vs freedom, 54:1001
public & private evaluation, performance, ego-involved anxious Ss, 55:9750
public & private social support, conformity reduction, college students, 53:5190
public vs anonymous disclosure of reward allocations by team members, equality vs equity of distributions, male vs female college students, 58:3295
public vs private reactions & money rewards proportionate to electric shock, aggressivity manifestations, college students, 53:5187
public vs private setting, responses to offer of immediate vs larger delayed reward, Cree 8–13 yr olds, 58:5093
question wording, eyewitness reports, college students, 55:8916
questions requiring minimal vs extended reflection & external environment complexity, direction of 1st eye shift on question & ocular activity, overweight vs normal male college students, 58:3654
race of E & comparison norm & racial composition of dyad, social influence & interpersonal attraction during cooperative problem solving, black & white 7th & 8th grade males, 55:9735
racial attitudes, interpersonal choice behavior, Euro- & Afro-American 2nd graders in racially balanced vs unbalanced classrooms, 55:5610
racial group composition, racial-aggressive humor appreciation, Black & White male college students, test of reference group theory, 58:3307
rearing in family vs collective settings, reactions to social pressure, Israeli & Soviet 12 yr olds, 54:11473
reciprocal disclosures & material & social commodity exchanges & knowledge of common past experience & 3rd person presence & reciprocity, self disclosure between strangers in naturalistic settings, college students & adults, methodological & ethical considerations, 57:1177
reciprocal observation system development, teacher influence on decision making behaviors of young children, 3–5 yr olds, 55:13441
reinforcement schedules & peer behavior, temporal persistence & expectancy of success estimates, male 6th graders, 55:8984
relationship between mother's & child's general fearfulness & specific fears, middle class mothers & their 4 & 5 yr olds, 55:9623
relative nurturance & social power, observational learning & imitation, preschoolers, 55:2210
respect for law & nonconsideration of role partners on road & peer pressure for risk-taking behavior, proneness to accidents, male manual workers with vs without accident records, 57:2112
responsibility diffusion vs equity explanation of restaurant tipping behavior, criticism of study by S. Freeman et al, 57:1180
reward vs punishment in social context, modification of human behavior, literature review, 55:12269
role of others in suicide attempt, 22 yr old schizophrenic female, 57:3514
role of S & target person's initial performance & strength of agent's intervention & target person's outcome after influence, attributions of interpersonal influence, males, 55:12250
role of social comparison, Weiner's attributional analysis of achievement motivation, 9th graders, 55:12274
role perceptions & seminary socialization & peer influences, continuing in vs dropping out of seminary, theology students vs dropouts, 55:631
Russian vs Hebrew instructions, reaction to social pressure from adults vs peers, Russian-born adolescents recently immigrated to Israel, 56:7771
S perceptions of own & parents' & friends' value orientations & coplayer orientations in social simulation game of High School, pursuance of academic & athletic & social high school activities, college students, support for interactive behavior model, 57:11501
school psychologists' required efforts & expertise level & sex, compliance with recommendations, elementary school teachers, 53:3943
school type vs parent & peer & teacher influence vs educational aspirations vs related attitudes vs mental ability, academic achievement, working class 7th grade boys, Bolivia, 55:1458
self concept of academic ability & role strain & significant others, adults in general education program, 58:12681
self consciousness level & self awareness manipulation through exposure to mirror image, reaction to rejection by confederate, 57:10254
self disclosure by confederate & ability vs effort attributions for successful test performance, interpersonal consequences using distraction of actor as measure, college students, 57:1182
self esteem & anxiety & significant others, decisions to keep vs give up babies, white unmarried mothers, 55:655
self-designating vs sociometric vs key informant techniques, construct validity of opinion leadership in consumer products, 53:5260
sentence imposition in criminal cases before & after reading judge's sentence, measurement of direct & indirect influence, college students, 55:4572
severity of emergency & generalized competence manipulation & permission to leave room, helping behavior paradigm, female college students, test of J. A. Piliavin's theoretical approach, 57:1144
sex & age & socioeconomic status, orientation toward parents & peers, data analysis of 1960 survey sample of 7th–12th graders, 57:12474
sex & IQ & presence of authority figure, responses to group pressure, 20–50 yr old institutionalized retardates, 53:1505
sex & opposing representative's bargaining orientation, intergroup bargaining process, college students, 55:7099
sex of decision makers & Ss & decision maker–petitioner status relationship, estimation of stability or consistency of group vs individual decision making, college students, 54:999
sex of E, characterizations of imaginary individuals, college students, 55:4568
sex of S & audience, hand steadiness & manual dexterity, male vs female college students, 56:3996
sex of witness & wrongdoer & authority figure, bystander reactions to simulated petty crime, college students, 57:10279
signaled vs unsignaled escapable &/or avoidable slide presentations of negative interpersonal evaluations, performance, 57:8193
significance of influentials in social & interpersonal & educational & occupational influences, high school students, 55:2246
Significant Other Elicitor section of Wisconsin Significant Other Battery, agents of interpersonal influence, high school students, 57:11772
significant-other influence & residential variations, aspiration formation, rural vs urban white high school males, 56:4867
smoking behavior development & modification, analysis of reference group & cognitive dissonance & psychoanalytic interpretations, smokers & ex-smokers, 58:1023
social contact & personal adjustment, attitudes toward educable mentally retarded pupils, 3rd–6th graders, 53:1972
social exchange systems, interpersonal outcome predictions, male college students, experimental test of J. S. Coleman's social exchange theory, 57:3344
social influence attempt intensity & presence & likelihood of threatened retaliation, strength of oppositional behavior measured by petition signature, 56:7952
social influence effect on scale of judgments, subsequent influence on same & other task in different response modality, females, 53:5147
social mediation, acquisition of superstitious behavior, 3rd & 4th graders, 55:9729
social power restructuring of dyadic relationship, verbal communication, college students in counseling analog, 57:8199
social pressure of unanimous majority & self-esteem, conformity, replication of S. Asch's experiments, 53:9524
social psychological theory, charismatic social influence processes, speaker & audience, 54:5182
social support, protection from health consequences of life stress, 57:13045
sociometrically selected peer models, cognitive styles, impulsive 4th & 6th graders, 53:917
speaker's style, audience's perception of source credibility, college students, 55:7055
spectator presence, gymnastic performance in field situation, college students, 53:4387
sponsors' identity & attitude toward evaluation & respondent anonymity, instructor evaluations, college students, 56:2964
S's social expectations concerning data collector's stand on issue & enforcement potential as reward/punishment capability of data collectors for S's compliant/noncompliant opinion & behavior, opinion-behavior correspondence, college students, 58:4575
structure of conflict & sources of cognitive change & task characteristics, analysis of interpersonal conflicts caused by cognitive differences from social judgment theory basis, 58:1080
style of instructor influence & use of goal statements, information acquisition, adult learners, 55:1425
subgroup pressures, small group consensus processes, college students, 53:2994
supervisor's consideration & initiating structure moderated by incremental influence, job & supervision satisfaction & performance & turnover, air force trainees & state employees, 57:4547
switch from threat to promise influence mode during conflict-of-interest interaction & credibility of modes, target compliance, college students, 58:1182
task interruption & cooperative vs competitive vs individualistic relationship of S to task executor & resumption of task & ego-involving instructions, promotive tension using recall of uncompleted items, test of socially mediated Zeigarnik effects, 57:8206
task orientation & social-situational & person-perception factors, use of reward & punishment as methods of influence, 55:9691
teacher & student sex & grade level & students' race & social class & referenced behavior & classroom activity context, teacher influence strategies, 55:1486
teacher control strategy & achievement motivation, choice of educational objectives in quasi-simulation university career game, college students, 55:8213
teachers & counselors & parents & peer group influences & college preparatory program, commitment to seek admission to college, underachieving inner-city minority high school students, 56:3003
tendency for power & influence to be defined in terms of spatial boundaries, territoriality, 55:12192
theoretical model, ordering empirical results on status-undifferentiated dyads in J. Berger's standard experimental situation for studying influence process, 56:9838
theory of social comparison processes of L. Festinger, judgment of auditory stimuli with varying information & task difficulty levels, college students, 54:11727
thinking upon learning that own choice is different from others, persuasive-arguments explanation of choice shifts, male college students, 55:4541
time-out as nonreinforcement interval in marble drop task & reinforcement schedule contingent upon social situation of confederate's playing vs not playing, aggressive responding, retarded adults, 58:3608
trait variance, trait meaning in impression formation, college students, 56:4075
unanimous group error, individual judgment, female high school students, 53:7341
use of vertical vs horizontal social schema words, learning of social structure, male vs female college students, 56:654
value communication & value similarity/dissimilarity, interpersonal attraction & influence & perception in counseling process, female college students, 57:3805
verbal conditioning & suggestion & Hawthorne effects & cognitive dissonance & other nonverbal effects, contribution to efficacy of clinical & educational behavior modification, 57:13276
verbal teaching styles of cooperating teachers, changes in verbal teaching styles, special education student teachers, 55:10673
vicarious reinforcement & adult's presence vs absence, aggressive play activity, kindergartners, 54:11467
view of monadic vs dyadic aggression film & reactivity of other member of dyad, aggressive behavior, 1st & 2nd grade males, 56:9717
viewing entire emergency event vs emergency aftermath, likelihood of helping, college students, 57:1174
viewing simulated interviews & interviewee's medical expertise & primary vs secondary experience with intrauterine device & peer vs nonpeer relationship with Ss, persuasiveness of communication & changes in intrauterine device attitudes, male vs female college students, 57:5814
white vs black & male vs female Es, quality & quantity of speech elicited, black kindergartners, 55:707
women's liberation attitudes, chivalry measured by mixed sex game aggression behavior & authoritarianism & social desirability rating, male college students, 58:1126

Interpersonal Interaction [See Also Arguments, Assistance (Social Behavior), Bargaining, Charitable Behavior, Collective Behavior, Conflict, Conversation, Cooperation, Double Bind Interaction, Eye Contact, Friendship, Group Discussion, Group Participation, Group Performance, Interpersonal Attraction, Interpersonal Communication, Interpersonal Compatibility, Interpersonal Influences, Interviewing, Interviews, Job Applicant Interviews, Negotiation, Participation, Peer Relations, Persecution, Psychodiagnostic Interview, Riots, Social Dating, Violence, War]

A vs B therapist type police officer interviewer, elicitation of personal information from citizens, white police officers & black male ghetto citizens, 53:9485
ability & responsibility & S-counselor assistant interaction & type of counselor job description, perceptions of counselor assistants, Black high school juniors, 58:2153
abolishment of practice of untouchability, subsequent use of public places & educational & religious institutions, Bhangis, India, 57:10083
acceptance of American values & beliefs & ethnic trust & self esteem & affiliative desires & demographic & personal characteristics, attitudes toward & interaction with African students, Black college students, 57:1978
acceptance of disability, self esteem & satisfaction with social relationships, teenagers with oral-facial clefts, 58:11985
achievement vs interpersonal settings & consensus & distinctiveness & consistency information, causal inference, college students, 56:136

acquaintance & number of interactions, intimacy equilibrium & stability of immediacy behaviors & compensatory reaction to gaze changes, female college students, 58:11647
acquaintance with suicide attempter, tolerance toward suicide & acceptance of idea of suicide & thinking about committing suicide, college students, 57:8462
active participation in surveillance & overtness of act, active vs inactive S ratings of nervousness & guilt & thrill arousal & impressions of target, male college students, 58:1063
actively approaching vs being passively approached by other person, interpersonal space, 57:1164
active-treatment vs custodial ward vs combination, activity patterns & use of space, psychiatric hospital patients & staff, 54:12463
activity & size & member similarity of experimental social entities, pedestrian speed & distance & looking behavior, passersby, 57:12747
actor-O triadic interaction, divergence & personalization & mutual understanding, 58:7472
actual A-B client-therapist similarity vs perceived similarity, ratings of regard & empathy, male college students, 56:4404
adjustment & satisfaction & problem solving behavior, married vs living-together couples, 58:9384
administrative verbal behavior model for principal-student interaction, 55:2980
administrative verbal behavior model for principal-teacher interaction, 55:2985
adult presence & competing reinforcement contingencies, compliance with instructions, 2nd & 3rd graders, 56:7272
adult-child interaction during child's fantasy activities, clinic-referred children & young adults, implications for child psychotherapy & parent- & teacher-child relations, 58:3433
advisory group program, verbal interaction, high school students, 56:10795
affect simulation & interpersonal process recall techniques, client growth, college students, 55:7548
affective interpersonal reactions in waking life & to dream characters, graduate students, 55:3824
affective ties with conventional & deviant others & strength & direction of influence, self reported delinquency & delinquency involvement, male & female delinquents, 57:6067
affective training, interpersonal behavior changes, preservice elementary & secondary teachers, 55:10666
affective-humanistic educational experience, intra- & interpersonal growth at college level, college students, 55:8046
affiliative behavior in interpersonal relationships, suicidal vs nonsuicidal Ss, 55:12494
age & sex & birth order & family size, empathy & awareness of interpersonal responsibility & consideration for others, preschoolers vs 2nd graders, 55:9477
age & sex & birth order & social & situational variables, personal space in interpersonal interaction, 6th–8th graders, 57:8047
age & sex & body size relative to approacher, agonistic behavior & distance when responding to spatial encroachment, males vs females, 57:3182
age & sex & educational position & location of employment, social influence in small work group, school administrators, 55:12226
age & sex & outcomes afforded self & others, individualistic & cooperative & competitive behavior in 2-choice decomposed game, 5–8.5 yr olds, 58:1059
age & sex & setting, interpersonal distance preferences, 1st & 5th & 9th & 12th graders & college students, 54:11730
age & sex & social class & GPA & size of high school, humanistic awareness of values & interpersonal relationships, 9th vs 12th graders, 55:13360
age & verbal intelligence & sex & interpersonal competence, development of social intelligence, 6 & 8 & 10 yr olds, 55:6732
age, correlations between personal construct & equilibration models of interpersonal effectiveness, 14–26 yr old volunteers, 58:9228
age differences, ability to encode social interaction cues, 5 & 7 & 9 & 20 yr olds, 53:7096
age differences, development of mutuality & empathy, older males with young women & older women with young males, 55:4440
age, forms & functions of smiles during play, 2–5 yr olds, 57:10004
age of S & sex of approaching stranger, shape of personal space, college students, 56:2314
age, perception of self & other following brief interactions, 17–24 yr old females paired with 50–59 yr olds, 58:3313
aggressive & prosocial television program viewing, free play & interpersonal behavior, preschool age children, 53:5254
aide-resident ratio & ward population density, interpersonal interaction, institutionalized retarded children & their attendants, 53:10353
all male vs all female vs mixed groups, leadership & exercise of power & intimacy & openness as measures of interaction patterns, group members, implications for sex role pressures, 57:12738
altered interpersonal climate with E vs presence of mother, task performance, minimally brain damaged children, 55:4913
alternate approach to reciprocity as subset of exchange between partners in interaction, 55:4508
ambiguity & interchangeability in role attribution, college students, 58:3351
amount & proximity & length of contact, attitudes toward physically disabled, 55:7128
amount & type of evaluative information disclosed, group interpersonal relations & performance on simulated marketing game, males, implications for management, 55:12213
amount of seclusion & possibility for social interaction & territoriality & dominance behavior in shared space, design of reading carrels, 57:11671
anal concern character styles, Interpersonal Check List ratings of self & partner after interaction, 56:7998
analysis of forms of deception employed in dyadic conversations, 56:6015
analysis of verbal & nonverbal interactions using Differentiated Child Behavioral Observation System, lower vs middle income 5–8 yr olds in traditional vs open classroom schools, 57:9192
analysis technique, types of physician-patient interactions in small community general hospital, 57:11017
anticipated difficulty & intimacy of topic, self-disclosure, male college students, 53:9496
anticipated reaction, perception of other person & processes influencing perception, 55:4547
anticipated reward, interpersonal interaction & task performance in cross-age tutoring situation, 1st & 2nd graders as tutees & 5th & 6th graders as tutors, 54:11699
anticipation of cooperative vs competitive interaction, desire to see other & be seen by other, male college students, 53:3026
anticipation of future interaction with person or task, perception of interpersonal behavior, 57:3265
application & effectiveness of PLATO IV computer assisted instruction, interpersonal skills training, US Navy company commanders, 56:5024
application of laboratory research on race relations to organizations & integration, 53:12639
aptitude by treatment interaction, implications for higher order interactions & applicability of generalizations beyond laboratory in social sciences, 54:7285
Arica training. self actualization & interpersonal behavior, 58:4843
assertive & social skills training, chronic mental patients, literature review, 57:10830
assertive therapy group, interpersonal interaction, 18–50 yr old female outpatients vs 18–30 yr old hospitalized psychotics, 58:3785
assertiveness training & problem solving group techniques, assertive behavior development & overcoming interpersonal fears, college females, 58:7918
assessment of general & specific interpersonal functioning, development of stroking behavior profiles for self & others, transactional analysis group members, 54:5947
asymmetry of resources characterizing male vs female roles, relations between sexes, 56:7825
athletic experiences, interpersonal relations & risk taking scores, public recreation administrators, 55:13062
attending to cues & approaching &/or initiating skills in interpersonal training, friendship & interpersonal contacts, college students, 56:4991
attitude & personality similarity & group deviancy-nondeviancy & sex of confederate & spatial approach, personal space, female college students, 57:1158
attitude change & interpersonal associations, assumptions of persuasion research, 54:7517
attitude similarity & E's information about couple's similarity, amount of positive interpersonal reinforcements & interpersonal attraction & expectations for future experience, male-female couples, 58:7442
attitude similarity & possibility of stigma for S & presence vs absence of stigma of mental illness attached to other, willingness to interact with & evaluation of other, 55:12277
attitude similarity & stigma of mental illness, interpersonal & social distance & perceived similarity & comfort in interaction, male college students, 58:3341
attitude similarity–dissimilarity of confederate & interaction distance, perception of environmental aesthetic quality & crowdedness, college students, 53:5196
attitudes & perceptions of & ability to relate to minority secondary school principals, 9th–12th graders, 58:6291
attitudes of trust & intentions, trusting behavior in interpersonal situation, college students, 57:3287
attitudes toward colors "black" & "white" & interracial play behavior, Black & White 4–5 yr olds, 58:7292
attitudes toward confederates & participation in social interaction, confederate-ignored college students, 53:9475
attitudes toward cultural values & negative concomitants of old age & self reported intergenerational contact, prediction of devaluation of old age, 18–29 vs 30–59 yr olds vs senior citizens, 56:3871
attitudes toward cultural values & negative concomitants of old age & demographics & self reported intergenerational contact, prediction of devaluation of old age, 18–29 vs 30–59 yr olds vs senior citizens, 56:7695
attribution for causality of favor & importance of freedom, reciprocation of favor, female college students, 56:9884
audio vs face-to-face communication, personalization & orientation of conversation in negotiation-type task, college students, 57:1183
audiotape response interaction training, group assessment of interpersonal traits, middle-aged white female applicants for paraprofessional counseling training program, 55:10570
awareness of help-demanding situation in interacting vs noninteracting groups, focusing of responsibility & action, 54:2982
background & demographic characteristics & educational variables, social activity & relationships & attitudes, international students attending US university, 57:9121
backscratch contingency of reinforcement for table serving, social interaction, severely retarded 19–23 yr old females, 54:1716
basic concepts of graph theory, mathematical modeling of interpersonal relations existing in communications & sociometric structures, 58:8692
bedroom & group size & density, bedroom use & behavior patterns, child psychiatric facility patients, 55:1174
behavior analytic teaching tactics employing instructions & modeling & social praise, response generalization of smiling & sharing & positive physical contacting & verbal complimenting to adult-free setting, children, 57:9129
behavior modification technique involving participation in group therapy sessions, interpersonal relationship enhancement, severely retarded 12–19 yr olds, 58:3829
behavior problems & affectional relationships, institutionally-reared 4.5 yr olds vs home-reared vs adopted children, 54:6144
behavior rehearsal & modeling procedures vs social skills & assertiveness training, social competence, socially incompetent college students, 57:10883
behavior toward blacks in simulated interaction, biased vs nonbiased white female college students, 53:7161
behavioral analysis, affective & social & drinking behavior over 22 days, 38–50 yr old female alcoholics, 57:8472
behavioral contracting, interpersonal behavior, 55:10342
behavioral group counseling, interpersonal anxiety & increased social effectiveness, college students, 55:5075
behavioral interaction coding system based on T. Leary's circumplex, affection & status dimensions of maritally adjusted vs maladjusted couples, 55:2268
behavioral observations, pressure to conform to custodial oriented interactions, 22 yr old novice male attendant vs 43 yr old female aide employed at institution for mentally retarded, 56:10427
behavioral prescription treatment vs interpretive insight-oriented therapy, self concept & changes in social-sexual behavior problems, young adults, 58:7812
behavioral rehearsal of campus & classroom social skills, academic achievement, high risk college freshmen in summer remedial education program, 57:1940
behavioral rehearsal social skill training program with vs without extrasession tasks vs attention-placebo vs waiting list, social skill dating level, male college students, 54:8094
behavioral training by rehearsal & modeling & coaching, anxiety & skill & physiological responsivity during interaction with females, shy male college students, 54:5978
behavioral vs conceptual training formats, interpersonal interaction, college students rated high vs low for empathy & openness & acceptance/warmth, 57:3906
belief in just world & empathic vs nonempathic instructions, altruism & victim denigration, high school & college students, 58:1147
bias toward structural balance in interpersonal relations, demand characteristics in experimental setup, French & black African students, 55:12221
biofeedback for muscle relaxation & subsequent assertiveness training, eyelid closure reactions & social contacts, 34 yr old female unable to keep eyes open, 57:8751
bipersonal relationships, cyclothymic psychoses in patients less than 40 yrs old vs more than 50 yrs old, 54:7754
biracial interaction, black & white students in desegregated schools, 53:9344
black English dialect & interpersonal relationships & teacher expectations & teaching quality, reading remediation, black inner city students, 54:10612
black ingroup identification, outgroup attitudes & willingness to associate with outgroup members, black young adults, 55:12111
Black vs White examiner, expectations regarding level of interpersonal functioning & rewards & reward availability & interpersonal skill perceptions & relationship to supervisor ratings of ward interpersonal functioning, Black mental health therapy aides, 58:4128
black-white interaction, 55:4375
body image satisfaction, evaluations of social situations involving Blacks, White students at urban nonresidential college, 57:8174
Boolean algebra application, interpersonal perception method vs interpersonal perception technique vs family relationship test for study of interpersonal phenomenology, 54:9550
Boolean analysis, Interpersonal Perception Method, 55:4472
brief communications skills program using facilitative responding & self disclosure training, interpersonal effectiveness, student volunteers in college residence halls, 55:5725
brief psychotherapy vs behavior modification, social skill training, patients with interpersonal difficulties, 54:3724
building of dwelling & collective living, group cohesiveness & intimacy & intra- & interpersonal competence, college students, 56:7885
cancer as somatization of depression, therapeutic implications for satisfying need for close interpersonal relationships, 53:7809
capacity for adaptive ego regression & empathic ability in helping role interaction, students applying for employment, implications for personnel selection, 58:3402
card-cue sequences & contact with E, strategy choice in probability matching, female college students, 58:10954
"causal" human behavior program, personal & social attitudes, 1st–5th graders, 56:3040
center-based "relational" vs home-based "behavior modification" programs, intellectual development, 12–24 mo old children referred for social or verbal developmental lags or home-environment problems, 56:470
centrality & visible accessibility of seating position, group interaction in natural setting, college students & adults, 57:3204
certainty vs uncertainty concerning possession of given desirable trait, reactions to insulting vs complimentary evaluations by others, college females, 58:7490
cessation of vital interaction & reorientation & reintegration of personality, aspects of adult mourning, 54:5314
change in lower extremity orthosis, interpersonal & physical self perception & behavioral changes, physically handicapped, 57:6153
changes in interpersonal relations & social community factors vs personality changes, attitudes toward ways of prevention of own psychological dysfunction, psychiatric patients 10 yrs old & older, 56:800
characteristics of "declaring behavior," gaining control of interpersonal relationships, book, 54:11658
characteristics of pedophilic offenders with antisocial character disorders vs "ordinary" pedophilic offenders, 57:3612
children-sex control & category assessment scale, interaction patterns of British & immigrant children, reply to C. T. Turner and M. Sevinc's criticism, 53:1051
chlordiazepoxide hydrochloride, affective & behavioral hostility in social interactive setting, male volunteers, 53:4748
clarity vs ambiguity of victim's plight & appropriate remedy, interpretation of stare as stimulating approach vs avoidance behavior, 20–65 yr old unaccompanied female shoppers, 55:7061
classical Maxwell-Boltzman theory of molecular system, distribution of velocities found in movement of people & Henderson's sexual inhomogeneity conjecture, pedestrians, 55:4487
classroom behavioral styles, learning disabled vs non-learning-disabled 3rd & 4th graders, 58:8355 .
client expectations-perception discrepancy & structural characteristics of interaction & client & expert characteristics, client trust of expert in organizational environments, reseachers interacting with computer programing experts, 55:13712
client status role, behavior toward client, postal clerks in US vs Costa Rica, 56:6905
climate of opinion within social unit, opinions of individual within that unit, 55:9776
clinical manifestations, masochism in sexual & love & interpersonal relationships, 26 yr old female, 54:3102
coaching in social skills, peer acceptance during play, 3rd & 4th graders, 58:11672
coding scheme of perceived causality, application to causal attributions in social & academic situations, special education teachers, 56:2286
cognitive & affective development, smiling & laughter, infants, 57:10044
cognitive complexity, distortion of filmed episodes of incongruous interpersonal behavior, 2nd & 3rd & 5th & 6th graders, 57:5824
cognitive concreteness-abstractness, social competence measured by interpersonal self perception & ease in experimental situation, 58:3275
cognitive controls & defense mechanisms & interpersonal variables, personality integration development, adolescents, 55:4311
cognitive differentiation & compatibility between members, social interaction in patient-therapist & student-teacher relationships & small community action discussion groups, 58:1081
cognitive domain & structural properties of cognitive systems, cognitive integration styles, college students from US & Japan & New Zealand, 53:3154
cognitive rational therapy &/vs assertive training, production of assertive behaviors & reduction of interpersonal anxiety, college students, 57:3907
cognitive response styles & interpersonal competence level, behavioral response to emotional stress, college students, 56:9935
cognitive style, advice choice in task situations, volunteers from Stanford Executive Program, 55:8535
collaborative testing context creating egalitarian hypnotist-S relationship vs standard contractual context & varying suggestibility instructions, suggestibility scores & satisfaction & enjoyment & involvement in testing, college students, 57:5011
colleague interaction, teacher performance & staff development activities, teachers, 54:8267
Comfortable Interpersonal Distance Scale, male vs female 12–15 yr olds, Italy, 58:8664
commitment to war objectives & unit morale & preparedness & interpersonal relationships, combat performance, infantrymen, 57:7048
communication & interaction problems, inner-city student, addendum with teacher-aid instructional materials, 54:8277
communication & spatial relationships between individuals & within groups, review of French & English language literature, 58:11664
communication as reinforcing existing assumptions vs influencing new thoughts through mechanism of surprise, 54:7548
communication skills training using integrated Interpersonal Process Recall videotape feedback/affect simulation training model, incarcerated male felons, 58:12268
communication strategies & relationships & relational changes, 58:11680
communication training program, skills in observing interpersonal interactions & communication skills, couples, 57:8696
communication variations & confederate strategies, cooperative & competitive & escaping decisional behavior in Prisoner's Dilemma type 2-person non-zero-sum simulation game, schizophrenics vs nonschizophrenic psychiatric vs nonclinical Ss, 57:10434
communications media & partner's responsiveness, discussion rating & opinion change after dyadic interaction, college students, 57:1187
communicator vs listener roles in media training, interpersonal relationship skills, inmates, 57:1773
communicator's previous alcohol consumption as extreme vs similar to S's & personal vs impersonal message delivered by converts vs nonconverts, credibility of antialcohol communication, college students, 55:758

community relations training conducted by biracial staff, police recruits, 55:7598
community relations training program with role playing, police officers, 55:7591
companion's laughter & smiling & sex of S–companion pairs, humorous laughter & smiling & funniness ratings of material, 7 & 8 yr old children & 9 yr old companions, 54:994
"Companionship Therapy" with chronic hospitalized mental patients, self actualization & attitudes toward mental illness, college student volunteers, 58:10055
comparative feedback & interpersonal evaluation, teaching effectiveness, college professors, 55:2935
comparative validity, traditional vs stimulus–response inventories of interpersonal behavior, high school seniors, 53:4287
comparisons of multidimensional structures of interpersonal relations, paid college students, 57:1143
competence in interpersonal relations & social maturity, construct validity of interpersonal maturity level of California's Community Treatment Project, rehabilitation of neurotic male delinquents, 55:1177
competition, heart rate & task performance in mirror tracing task, female college students, 54:5258
components of assertive behavior, 21–63 yr old male psychiatric patients, 55:12209
components of platonic & romantic heterosexual relationships, male vs female college students, 55:7069
computer program, facilitation of analysis of interpersonal perception method of R. D. Laing et al, 57:11753
computer simulation of general model based on T. Leary's personality theory, dyadic interactions, 55:4511
concepts & principles of human behavior, increased self-understanding & positive interpersonal feelings, book, 53:9597
concepts of interpersonal vs intrapersonal, discussion of H. Bone's evaluation of Sullivan's theory, 54:5190
concepts of interpersonal vs intrapersonal, applications in psychology & evaluation of Sullivan's theory, 54:5304
conceptual & empirical framework, value of integration of handicapped & nonhandicapped preschoolers, 56:1474
conceptual structures & type of relationship & situational context, interpersonal communication, college students, 56:4014
confederate's inequitable division of group earnings & over- vs underpayment & S's supportive vs nonsupportive beliefs about payment norms, response to inequity, 58:5335
confederate's verbal & behavioral compliance vs disagreement with shock intensity setting & opponent provocation, level of shock suggested by S, female college students, 54:9562
configurations of self & trans-self of group members, individual interactions in structure & function of group processes, 55:2316
conflictive behavior in 3-person laboratory game, survival in multipolar power systems, 58:3294
conflicts in graduate experience, acquisition of interpersonal role-playing skills, graduate students in clinical psychology, 57:11108
conformism & presentation of self & enhancement of partner's value, interpersonal attractiveness, 58:5359
confrontation as core interpersonal skill, analysis of confrontation types & skill development suggestions, 58:1089
congruence & incongruence of verbal & nonverbal communication, perception by subordinate of superordinate-subordinate relationship, college students, 58:11715
congruence between leadership style & type of behavior of Ss led, leadership effectiveness in education, public school superintendents & interactors, 55:12973
consideration of dyadic relationship involving significant others as environment & choice & reciprocity environmental conditions & interpersonal psychological consequences & impact on learning, 58:7431
consistencies of psychomotor styles in interpersonal tasks, 55:7046
construct validity, observable activity of emotional intimacy & decreasing distance behavior, 57:3206
construction & validation of Interpersonal Style Inventory, differentiation between working adults vs college students vs outpatient neurotics vs prisoners, 57:113
construction of intersubjective world & self-actualization through interaction with another person, we-relation of A. Schutz, 53:8564
constructive criticism & positive evaluation, interpersonal attraction, Ss, 55:2331
contact styles, adjusted vs maladjusted kindergartners to 6th graders, implications for matching students & teachers, 55:5624
content & context of joking & historically friendly relationships & their exclusiveness, culturally prescribed friendly relationships, criticism of narrowness of Radcliffe-Brown's conclusions, northeastern Nigeria, 55:9594
content & process & passive types of 3rd party intervention, bargaining behavior of group representatives, college students, 55:4493
content & symptom expression & interpersonal effect of symptom, college students, 1955 vs 1970, 56:4152
content analysis of conversations, ending process of interpersonal interaction, 56:64
content analysis of natural language in dyadic interactions, A & B type dyads of male college students, 54:5195
content in communication during acquaintance & formation of friendships as information-based communication process, 58:11651
context of awareness & pathological process & psychosocial factors & interpersonal resources, response to illness in last stages of life, hospitalized females with terminal metastatic cancer, 58:11960
contingent adult attention, experimental analysis of social interaction with classroom peers, behaviorally disordered female preschooler, 53:10464
continuous vs withdrawn nurturance & S's verbalization frequency & sex, adult's social reinforcer effectiveness & S's perceptions of experience & reasons for adult's withdrawal, kindergartners & 2nd graders, 57:5581
contrasting styles of adult-child interaction, curiosity & exploratory behavior, nursery school children, 55:12028
contributions of Donald Winnicott & Martin Buber, theory of personal relationships, 54:5218
control dynamics between residents & visitors, behavior in own dormitory rooms vs visitor behavior, male college students, 54:9592
convergence among measures of interpersonal distance, 53:11583
conversation amount & degree of love, time spent in pure gazing, pairs of college students who were strongly in love vs strangers, 57:1161
conversational interaction between strangers in waiting situation, utterance sequencing structure & time spent talking & role structure in conversation, 57:10268
cooperation contingency vs noncooperation, individual & group behavior in continuous 3-person environment, male college students, 56:5991
cooperative interethnic learning experiences, cross-ethnic relations & attitudes, black & white & Mexican American high school students, 55:7604
coping behavior of individuals threatened by death & interaction with health care personnel, 54:12371
copresence vs coaction vs coexperience conditions, conversation depth & breadth between strangers, 57:5789
correlations between self concept & interpersonal expressed & desired need for inclusion & control & affection, 5th graders, 57:3349
correspondent vs noncorrespondent rulemaker–individual interaction & rule enforcement procedures, adherence to rules, college students, 53:9494
cost & no-cost situation & work input, reward distribution, male institutionalized severely retarded adults, 53:1481
counseling & problem solving skills based on human relations training, moral judgment & vocational development & interpersonal skills, disadvantaged male 18–25 yr old prisoners, 57:11052
counseling group interaction, level of interpersonal functioning over 32 sessions as developmental process variable, residents in psychiatry, 54:9778
counseling viewpoint, coping vs manipulative styles of interaction, 57:10727
counselor directed role playing sessions, self concept & interpersonal relationships, learning disabled students, 58:10627
counselor's race & level of functioning with client race & advantagement, self exploration during initial interview, Black vs White advantaged vs disadvantaged clients, 57:3812
counterfeit strokes as distortion of events in interpersonal interactions to fulfill stroke deficit, 54:5904
couple strains in urban communal households, 4-factor model of separation process, 56:5907
couple therapy utilizing "quid pro quo" strategy, 54:3763
creation of environment for stimulation of creative thinking abilities & activation of S's evaluative effort, academic achievement & social performances, learning disabled children, 57:13910
crisis intervention marathon group process treatment, self concept & anxiety & interpersonal relations & goals, nonachieving 2-yr college freshmen, 55:13618
cross-national interpersonal contact & family socioeconomic status, prejudice, US vs Taiwanese college students, 54:950
cross-situational consistency vs situational specificity in interpersonal interaction, 54:5192
cue intercorrelations, policy conflict & change, college students, 53:1050
cultural & social & interpersonal relationship change, health, 53:5439
cultural background & interpersonal relationship, personal space, Argentinian vs Iraqi vs Russian 16–17 yr old male students residing in Israel, 56:7914
darkness & proximity of victim, aggressive behavior, male college students, 57:5828
dating frequency, behavioral & self report & partner ratings of social competence & attractiveness, male & female college students, 55:791
day treatment & group process & therapy, anxiety & interpersonal relationships & independent living, 61–89 yr old geriatric patients, 56:8499
dealing with interpersonal conflicts, 18–55 yr old homosexual men & women, 56:2193
decreased teacher verbalizations & increased use of social primes, verbal peer interaction, preschoolers, 55:8259
definition & principles, axiotherapy as interpersonal encounter stressing clarification of values, 57:10769
definition of emotional support, professional nurses, 55:2727
definitions & distinctions between "attachment qua affective bond" & attachment behaviors, 54:7640
degree of acquaintance & situation & activity type, judgments of crowding, male & female college students, 54:11693
degree of cue simulation in implosive-like procedure & ability to visually imagine, reduction of anxiety in counselor-administrator relationships, counselor trainees, 57:11125
degrees of liking vs knowing, personal vs impersonal role played self disclosure, college students, 57:1151
deindividuation & removal of responsibility & coaction, impulsive & cyclical aggression, junior college students, 54:9611
delineation of interpersonal & organizational behaviors in formation & impact & management of romantic relationships in organizations, 58:8519
delivery of reward vs punishment at specified magnitude, consistency of subsequent free choice of reward vs punishment magnitude, college students, test of consistency vs guilt formulation of transgression-compliance effect, 57:10310
demographic & interrelationship factors, perceptions of teacher-teacher aide relationship in open education, primary teachers vs adult aides, implications for individualized instruction, 58:4187
demographic & religious & stratification & political & crime & delinquency characteristics & interpersonal relationships & personal evaluation characteristics, children with natural fathers vs stepfathers, 56:3921
demographic characteristics & motivation for & family participation in treatment & perceived life areas threatened by alcoholism & interpersonal variables & anxiety & depression & hostility, continuation in aftercare following inpatient treatment, alcoholics, 58:8083
density & group membership, deindividuation, 56:7904
description of interindividual relationships, 56:9833
description of refuser of good advice & advisors, attributions in personal & hierarchical contexts, South African college students, 58:7511
descriptive analysis, social interaction patterns & roles in slum hotel, aged tenants, 55:12086
descriptive analysis, social-emotional support system & presence of skills for independent survival & interaction with environment & others & activities, chronic long term psychiatric patients interviewed 4 days after discharge, 57:1388
development & evaluation, interpersonal-skill training program, male psychiatric inpatients, 53:10171
development & evaluation of social skills training program using contract management, changes in social activity & competence, socially withdrawn male college students, 55:12714
development & testing, Marriage Diagnostic Laboratory, marriage enrichment, 54:5217
development & validation of observational method, aide-resident interpersonal interactions, institutionalized retarded children, 56:6549
development of affiliative behaviors, noncombat soldiers during wartime, 58:9355
development of body concept & ways of interpersonal relating, grade school students, 56:2166
development of clustering & socially directed playgroup behaviors over 3-mo period, male 1st born 1 yr olds, 57:8037
development of Follower Maturity Index, categorization & quantification of follower behavior, implications for organization development & consulting & research, 58:164
development of instrument for measurement of teachers' perceptions of supervisory process & relationship to interpersonal relations orientations of supervisors, supervisors & teachers, 56:1315
development of instrument, measurement of ability to discriminate among interpersonal behaviors & phenomenological reports associated with personalities of mild pathology, counselor trainees, 55:2845
development of interpersonal roles & resulting conversion symptoms & dissociative reactions, etiology of hysteria, 57:10428
development of psychosocial identity, heterosexual relationships & future outlook, female college students, 58:7267
development of systematic human relations training, interpersonal skills, church members, 58:12081
development of taxonomy of triadic valence structures using concept of balance & algorithms for finding valence structures in sign adjacency matrices, 54:11659
developmental changes in egocentricity in social relations & age, peer acceptance & interpersonal adjustment, 2nd–6th graders, 57:12572
developmental group counseling vs human development program group vs placebo group, self concept & interpersonal relationships & school adjustment, 6th graders, 55:8431
developmental phases & models, encounter & related intensive groups, 55:2659
developmental stages in T groups, analysis of trainer & member-trainer & intermember behavior within 5-stage model, 57:10832
diagnosis of nonresectable lung cancer, attachments with others & intended goals, terminally ill patients, 58:9782
diagrams of ego state functions, definition of symbiotic boundaries in relationships to indicate potential problem areas & permit appropriate therapeutic intervention, 54:5966
didactic & experiential interpersonal skills training, identity status & interpersonal functioning level, clinical psychology graduate students, 54:9758
didactic structuring, self exploration during initial counseling sessions, high school students, 55:5680
different training methods & level of mental ability, human relations attitudes & decision making skills, 19–24 yr old male college business students, 55:13252
differential levels of salesman's expert & referent social power bases, trust & attitudes & behavioral intentions, male college students, 57:7095
direct &/or indirect priming & reinforcement, peer interaction, 4.5 yr old female who avoided peer contact, 54:10499
direct scaling method, measurement of concrete interaction between group members, 54:7462
discriminated avoidance technique, improvement in social interaction skills & stimulus & response generalization, 21 yr old male withdrawn chronic schizophrenic, 57:13289
discussion group, adaptation & social interaction, elderly convalescent hospital patients, 53:3902
discussion of doctor-patient relationship, concept of being a doctor, 1st-yr medical students, 57:4246
distance & S-E relationship, self disclosure in dyads, 57:5794
distilled spirits vs beer vs nonalcoholic beverages, interpersonal aggressive behavior, 25–50 yr old male social drinkers, 53:4695
distribution of cue validities of conflict task, policy conflict, undergraduates, 53:1049
dogmatism, reaction to & evaluation of unvalidated "authority" vs "anti-authority" partner, male college student dyads, 56:7892
dominant norms of freedom & privacy & utilitarianism & social interaction, single-room occupancy hotels, aged, 54:2801
double bind situation & use in interpersonal interactions, 56:4010
DPA Helsinki system, taxonomy for classification of interactions in instructional situations, 55:10921
dual-life-value theory & scientific ethics, book, 53:22
duration of friendly interactions, conformity in estimating length in autokinetic illusion, college students, 58:1111
dyad composition & topic intimacy, amount & depth of self disclosure & interpersonal attraction, orthopedically disabled vs nondisabled male college students, 56:9839
dyadic interaction, errors in decoding tone of voice, 20–35 yr old males, 54:1056
dyadic interchange analysis, imitation & social development in interpersonal interaction, adult-child dyads, 55:9502
dyadic relationship development & group encounters, decrease in sociometric responses & congruence & reciprocal ratings of extreme psychological closeness vs distance, 54:297
dyadic relationships & attitudes & family integration, reconstituted families, 55:9604
dynamic analysis, conflict between Moses & pharaoh, 53:3115
eclectic approaches to interpersonal relationships in nursing, nurses, 56:4539
educational achievements & social affiliations & satisfaction with relatedness needs, economic desires, part-time students & industrially employed respondents & college graduates & church-affiliated service group members, 56:7757
educational leadership training & awareness of inter- & intrapersonal behavior, middle school students, 55:12977
effective peer interacting, decentering in interpersonal areas, 3rd & 6th graders, 53:916
effectiveness evaluation of human development instruction, self actualization & self regard & self acceptance & existentiality & nature of man & capacity for intimate contacts & expressed development of academic objective & GPA & authoritarian attitude, male vs female community college students, 56:2863
effortful initiation & seniority in culture & disillusionment associated with poor performance & disconfirmation of expectancies, individual & group processes in perpetuation of culture, 55:11492
elementary school group co-counseling by disenchanted junior high school students, self concept & interpersonal relationships & attitude toward school & school performance, 8th & 9th graders, 55:13602
empathy & other-directedness & self acceptance & Machiavellianism, performance & feedback monitoring ability, salesmen, 55:13673
empathy & warmth & genuineness levels in therapeutic relationships, general practice physicians & nurses & mental health professionals & lawyers & clergymen, 56:8606
empathy level & ambient noise, body buffer zone, college students, 56:2509
empirical evaluation, Goffman's model of remedial interchanges in dyadic interactions, 58:3303
empirical evaluation of temporal stability & validity & dimensionality & situational generalizability of social skill measures, 55:5936
encounter group participation with vs without induced affect pretraining, negative experiences measured by neuroticism scores & interpersonal content level & interaction, college students, 56:8378
engagement in brief unstructured conversation vs conversation observation, external & situational & dispositional interpersonal causal attributions of behavior, male college students, 57:10333
enhanced personal responsibility & opportunity to make choices, alertness & participation & sense of well-being, 65–90 yr old nursing home residents, 56:8515
environmental noise level & social interaction stresses, anxiety, college students, 57:2126
error correction in natural talk as matters of competence in production of coherent speech & conduct of meaningful interaction, 53:11656
E–S interaction in ESP experimentation, 54:6533
ethnic homogeneity vs heterogeneity in dyads & minority group composition, analysis of ethnic relations using equity theory, Anglo & Black & Chicano male college students, 58:5297
ethnicity & personality patterns & intelligence correlates, interpersonal maturity, male delinquents, 55:12498
ethological investigation, mother-infant vs stranger-infant interactions & child's reaction to separation from mother & validity of attachment concept, 8 & 14 mo olds, 55:3155
evaluation of affective curriculum program, awareness & self-concept & social interaction, 1st graders, 55:10819
evaluation of helping skills training program for human service workers, verbal responses, college & graduate students in course on helping relationships, 56:2719
evaluation of R. Bales' & T. Leary's methods of scoring structured group interaction, 1st time incarcerates, 58:2528
examiner anxiety level & S's test anxiety level & examiner-S sex interaction, performance in group test-taking situation, 4th–6th graders, 55:13603
examiner-client mutual sharing, trust & openness during psychological assessment procedures, 55:11275

exchange & bargaining, 4–6 vs 7–10 vs 12–15 yr olds, 55:12027
expectation of meeting & time interval between interactions, sequential effects in attraction, female junior high school students, 58:3312
expectations for performing well or poorly on group task, self presentation, college students, 55:9804
expectations for treatment & evaluations & desired specialist in children's diagnostic clinic, professional–client interaction outcome, parents, 53:1591
expectations of future interaction, reward allocation, dyads, male college students, 54:5261
experience in axiotherapy, self esteem & acceptance of others & academic performance & disciplinary referrals, adolescent females, 56:8345
experience level, behavioral complementarity & relational distance in course in psychotherapy supervision, psychotherapy supervisor-supervisee dyads, 55:12896
experiential group training program, levels of interpersonal competence, unpaid paraprofessionals with community self help groups, 56:2740
experiential groups in teacher education, understanding own interpersonal relationships & personal growth, teacher trainees, 58:4203
experimental heroin addiction cycle, verbal interaction & role behavior in small group setting, heroin addicts, 57:1403
exposure to & reappraisal of facial expressions depicting affect, recognition of emotions & interpersonal behavior, adolescents, 55:12242
exposure to irritating experience & personality characteristics, attack or avoidance behavior in dyads, male & female college students, 55:7149
exposure to modeled nurturant interaction & social reward for imitation, imitation of task relevant vs irrelevant behaviors & negative set, kindergarten vs 2nd grade females, implications for Piaget's theory on developmental stages in imitation, 58:819
extended contact with "normals," social behavior, hard-of-hearing children, 54:3258
extended contact with normals in public school, personal space, hard-of-hearing 10–12 yr olds, 55:7448
extent of spinal lesion, level of interpersonal & sexual functioning, paraplegic & quadriplegic Ss, 54:5598
eye contact & facial expression, experience of time in social encounters, female college students, 54:2990
face-to-face dyadic interaction situation, responsiveness & communication medium, 56:655
face-to-face interaction vs Delphi method, development of consensus about relative priority of goals in student affairs organization, staff members of Student & University Affairs Division, 58:8220
face-to-face vs videotape interviewing, GSR responses & state & rated anxiety & speaking time, college students, 55:12199
facilitative interpersonal skills training, encounter group interaction, college students, 55:1595
facing questioner vs questioner sitting behind Ss & solving spatial vs verbal problems, conjugate lateral eye movements as index of hemispheric activation, right handed male college students, 55:2310
factor analysis of Means-Ends Problem-Solving procedure, psychiatric patients & delinquent male adolescents, 56:4158
factor analysis of Rotter's Interpersonal Trust Scale, political & paternal trust & trust of strangers as cross-validation factors, college students, 54:7490
factor analysis of self report instruments & rating scales, subordinate-superordinate interaction, male crew members & commanders of Titan II Missile Wing, 57:9246
factor structure of manifest psychological needs, heroin addicts, support for existence of intra- & interpersonal conflicts, 56:4234
failure in interpersonal competition & discrimination from members of same vs opposite sex, self evaluation, female college students, 55:12207
familial & nonfamilial symbolizations, authority relationships among individuals & groups & organizations & intergroup relations, Jewish synagogue members, 58:1042
familial vs nonfamilial interactions, dyadic gazing patterns, paranoid vs nonparanoid schizophrenic patient-parent dyads, 58:7662
familiar vs unfamiliar males vs females in role playing & required negative vs positive assertiveness, assertiveness in interpersonal behavior, 21–67 yr old male psychiatric patients, 54:5448
familiarity & type of relationship & positive cathexis & sex, perceptual distortion of partner vs stranger, married vs engaged vs steadily vs casually dating couples, 56:673
family & peer relations, identity & interdependence & adjustment to peers, 5 yr olds in day care center, 55:578
family & social & emotional experiences, expression of reactive behavior during sports activities, athletes, 58:5447
family interaction patterns, families with drug-abusing member, 54:3377
family psychopathological & interpersonal relationships, poltergeists, 54:50
family psychosomatic background & future orientation & human relations orientations, psychosomatic arthritic vs psychoneurotic male patient judged unsuitable vs suitable for psychotherapy, 57:8371
family relationships & personality characteristics & interpersonal relationships, homesickness, college males vs females, 57:4416
fantasy generation & analysis of present & desired supervisor-teacher relationships, improvement of interpersonal & organizational dynamics, 58:8182
favorable vs unfavorable reaction by communicatee & subsequent communication delivered to same vs different communicatee, communicator attribution of freedom to communicatee, female college students, 55:751
fear of failure, conformity behavior in Asch & Crutchfield situations, male college students, 53:1077
fear of success & sex, perception of interpersonal relationships, college students, 58:11633
fear of success as index of sex-role conflict & significance of male partner, performance on intellectual decision making task, female college students, 56:9788
feedback training in cross-race perception improvement, behavior toward opposite-race members, Black & White Upward Bound summer students, 57:8748
feelings of inadequacy in interpersonal relations & loss of defense mechanisms, people charged with murder or attempted murder, 58:7687
feminist attitudes, personal space in interaction with other females vs males, feminist vs nonfeminist female college students, 55:691
field dependence & A–B therapist type, dyadic communication & attraction, college students, 54:11684
field dependence, effectiveness of counselor training with interpersonal skills vs behavior modification orientation, counseling graduate students, 57:11134
field dependency & feedback following self disclosure to male interviewer & interviewer-S physical proximity during weight reduction counseling, nonverbal behaviors indicative of psychological distancing & attraction & dependency & affective reactions & compliance, weight clinic participants, 58:1764
field independence & physical proximity & evaluative feedback, affective reactions & compliance in dyadic interaction, 55:7135
fit between social setting & target person intimacy levels, attraction to target, college students, 57:12772
fixated vs flexible interpersonal style of interactants, complementary responses, college students, test of Carson's complementary hypothesis, 58:9483
Flanders System approach, cooperating teachers' effect on verbal behavior, student teachers, 57:8982
formal training intervention projection to improve interpersonal skills of student government leaders, evaluative reaction, community college students, 57:11383
frequency of contact & level of acceptability of groups & political alignments, ethnic stereotypes, US vs Indian college students, 58:7476
friendly-dominant & friendly-submissive & hostile-dominant & hostile-submissive interpersonal styles, interpersonal choice & social attraction, college students, 55:4500
friends vs strangers & high vs low intimate setting, mutual eye contact, extension of Argyle & Dean's equilibrium model, 55:9733
friendship, interpersonal feelings & distance in cooperative & competitive interactions in success & failure conditions, male college students, 57:10311
friendship with & sex of disclosee & negative vs positive self characteristics, degree of risk in self disclosure, male college students, 57:8210
frustration & aggressiveness & prior contact & opportunity for contact, interracial behavior & opinion change, Black & White high school students, 58:8352
frustration styles & defense mechanisms & social interaction & organization patterns, moderately & severely mentally retarded, 55:2520
Fundamental Interpersonal Relations Orientations Scales-Behavior as index of compatibility, interpersonal relations orientations in dyads, 53:11579
Fundamental Interpersonal Relations Orientation Behavior Questionnaire scores & age & grade level & education & teaching experience, rating cooperating teachers' degree of success, principals & college supervisors & student teachers, 55:10708
future interaction, distribution of rewards, college students, 57:5818
"game" vs "professional" model, police interaction with suspected criminals, 53:8430
gaze aversions & smiling rate & postural shifts & interaction distance as nonverbal indices of deception, institutionalized boys, 58:7628
gaze vs touch vs use of each other's name, evaluation of engaged couples on 10 polar adjective scales, male & female college students, 56:7909
gender stratification structure, interactions between single adults, 58:11603
general & social intelligence as measured by interpersonal understanding & use of strategies for maximal gain during game playing, Black vs White adolescent males, 58:7528
general fearfulness & locus of control, social activity, 64–96 yr old retirees, 58:11724
general framework & application of social judgment theory, analysis of interpersonal conflicts caused by cognitive differences, 55:715
generalizability of cognitive differentiation across 2 different consumer products & interpersonal relations, male business administration students, 57:12707
geriatric patient–physician interaction, care of aged, 53:6023
Gestalt vs behavioral treatments, reduction in social anxiety & shyness with women, male college students, 57:3752
gesticulation & eye contact & self manipulations as body language concomitants of persuasiveness & persuasibility in dyadic interaction, female college students, 54:2991
Glasser peer group counseling, academic performance & self satisfaction & esteem & personal worth & social interaction, low achieving female college freshmen, 55:11031
goodness of fit between patient's axis of interaction & axis adopted by therapist, therapeutic outcome, 55:10235
grammar of visual interaction, information provided by & accuracy & acuity of perception of looks vs stares, 58:11650
group art therapy techniques, intimate personal interaction, 55:1011
group behavioral rehearsal vs practice dating alone vs with cognitive restructuring, increased heterosexual social interaction & decreased heterosexual social anxiety, socially inhibited college students, 58:5889
group conflict situations, conformity behavior & dependence & compliance, affective vs nonaffective 9 & 10 yr olds, 54:5516
group counseling employing behavioral rehearsal & contingency contracting vs behavioral discussion, interpersonal skills improvement, 18–38 yr old clients, 57:3904
group discussion & interaction & information, systematic desensitization of test anxiety, test anxious college students, 56:8386
group discussions on female role in today's society & assertiveness training & career information, sex role attitudes & assertiveness & interaction modes & self concept & esteem, females, 58:12078
group dominance & cohesion & viewing aggressive vs neutral commercial movies, active & interaction behaviors & physical & verbal aggression, adolescent delinquent boys in residential facility, 57:3582
group interaction & therapist influence & patient preconceptions, norm formation, therapy group patients, 58:9890
group interaction techniques, awareness of religious holidays in classroom & development of appropriate holiday programs, school teachers & administrators, 57:11248
group interpersonal relations, sports group & individual performance, 55:2336
group leaders modeling high & low levels of concreteness, concreteness & self exploration, encounter group members, 55:2664
group sex composition, interaction patterns in acquaintance task, male vs female vs mixed-sex groups, 56:7888
group structure & importance of norms & situational thresholds to evangelistic contact, attitude-related commitment to evangelize, members of evangelistic campus religious group, 58:7418
group therapy using operant approaches, attention to tasks & social interaction, 5–6 yr old males with cerebral palsy or mental retardation in residential school, 55:5122
group vs individual methods of post-laboratory training support, development & transference & stabilization of skills, social work students, 58:10137
group work samples, measurement of interpersonal interaction in vocational evaluation, 54:10709
group-leader interaction & leaderless group, group & individual growth, professional therapists, 55:12672
growth/awareness group experience, interpersonal personality characteristics, volunteers, 57:13274
guided behavior rehearsal using peer modeling, improvement in interpersonal skills, 4 case reports, 55:10315
guilt level & approachability of sexually attractive female examiners, sexual responses to word association test, college students, 58:3277
helper-judged frequency & discomfort values for potentially challenging interaction with maladjusting school children, nonprofessional child aides, 55:1478
helping relationship, self concept, college students as volunteer helpers in face-to-face relationships with retarded children, 56:4004
hereditary disposition & early traumas & relationship problems, psychology of rape, 58:11879
high vs low dominance & eye contact avoidance vs steady gaze, personal space & approach rate & reciprocal eye contact & attitude toward cohort, male vs female college students, 53:1058
high vs low interpersonal control orientation, visual behavior in 1- & 2-way communication systems, males, 57:1154
high vs low life satisfaction, adaptation to widowhood, widows aged 45 yrs old & over, implications for therapeutic counseling, 55:7245
high vs low music listening, affective interactions, college students, 57:8212
high vs low scores on Paired Hands Test measuring interpersonal feelings on friendliness-hostility dimension, predictability of friendly cooperative behavior in group task assignment, 4th–6th graders, 57:10247
Hill Interaction Matrix scoring & analysis programs, quantitative evaluation of interactions within therapy groups & other group settings, 58:2480
horse vs random shape task & communication channels & age, egocentrism in communication & listener-appropriate behavior, 5 vs 7 vs 9 yr olds, 54:2761
human relations & creativity, 58:5400
human relations orientation, self concept & attitude & achievement & interpersonal relations & self motivation & professional growth, freshman Associate Degree nursing students, 55:12888
human relations training, empathy & respect & warmth & genuineness & concreteness & self disclosure & confrontation & immediacy as judged by students & Ss, houseparent couples at child care institution, 57:10833
human relations training, interpersonal skills, special education teachers, 58:10233
human relations training model, interpersonal perception & response & self concept, 9th grade language arts students, 57:6952
human relations training, problem analysis & locus of control & dogmatism & values & attitudes & interpersonal skills, policemen, 53:12638
human relations training, skill development & attitude change, graduate students in library school, 57:6743
human relations training using Gestalt therapy techniques, self actualization & interpersonal relations orientation & self concept & locus of control, rehabilitation clients, 58:1631
human relations workshops, locus of control & self esteem & interpersonal skills & behavior, adolescent delinquents, 58:7919
humorous material presented to 1 S vs dyads vs triads & eye contact, amount of laughter & smiling, 7 & 8 yr olds, 53:9469
hypnotherapy & self-hypnosis instruction, anxiety & antisocial attitudes & interpersonal relationships & self-control, 14-yr-old male delinquent, 53:3621
hypnotist presence vs absence & perceived competence, hypnotic induction, male college students, 57:5015
hypothetical social situations, balance & agreement & attraction, college students, 56:4058
identification of basic skills of friendship building & design of classroom exercises to facilitate their development, 55:8272
identification of human relations skills, occupational adjustment, beginning office workers in manufacturing firms, 55:8510
images of encounter as presented in 7 paperback novels, 57:3172
imitation during prolonged & intimate interracial contact, black & white 8–12 yr olds at summer camp, 55:7060
imitation vs counterimitation by adult, behavior, preschool children, 56:7898
implosive therapy, fear of interpersonal interaction & counseling effectiveness, counselor trainees, 58:8154
impression person wants to make on another & attractiveness of other, role enaction in interpersonal situation, male college students, 54:11723
inconsistent verbal instruction, resistance-to-temptation behavior, 2nd graders, 55:553
incorporation of 5 subbranches of interactionist perspective, social work interview, 54:8192
increased colleague interaction & visibility, range & commonality of teaching behaviors, teachers in open space vs conventional elementary school, teacher training implications, 57:13652
individual & interaction & measurement partner, measurement of conversational distances, young adult women, 56:5993
individual differences, ease of imagining faces of others, college students, 54:5331
individual vs organizational vs interpersonal variables, acquisition of system vs self expectancy beliefs about new reward system, blue collar workers vs managers, 57:7065
individual-contingent group-reinforcement classroom behavior modification, control of on-task behavior & peer interaction & popularity, 5th & 6th graders, 55:1466
inequity, distributing & cooperative behavior, 3rd grade children, 55:2204
infant-stranger interactive play & maternal absence, affiliative responses, 1 yr olds, 58:7256
inferred perceptual characteristics, discrimination between more & less interpersonally effective individuals, elected legislators & public school counselors, 58:3284
influence of noneconomic factors on negotiators, perceived equitability of contract & perceived achievement & nature of work & favorable recognition & interpersonal relationships among teammates, members of management of union negotiating teams in separate contract negotiations in 1970 & 1971, 53:12709
information load & specificity & group structure, task satisfaction & felt tension & assessment of group members' influence in simulation games, ROTC & US Air Force cadets, 58:1062
initial seating position & group & time & sex, behavioral response, members of peer-led counseling groups, 58:3795
inner- vs other-directed social orientation, consumer satisfaction, spouses, 58:6526
inservice education in interaction analysis, classroom behavior & self improvement, teachers, 57:8990
inservice education program, decision making skills & self concept & perceived interaction & collegiality & teacher openness, elementary & secondary school teacher vs administrator vs parent participants, 56:10547
instructional procedures, acquisition of telephone related social skills, severely retarded 12–16 yr old students, 57:4444
instructional set & interpersonal style, verbal & nonverbal encoding of ingratiation, college students, 56:7912
instructions to imitate vs attend vs to engage in joint vs isolated play, subsequent imitation during same E behavior, 1st graders, 55:6844
instructions to record other S's behavior within dyadic interactions, changes in O's response rate & reciprocal reactivity, female college students, 58:3290
integrated vs segregated summer camps, social interaction, physically handicapped children, 55:908
integration into regular elementary school vs attendance at school for retarded, patterns & frequency of social interactions, trainable mentally retarded students, 56:4937
intelligence & ability to establish contact & control of affect & impulses, multivariable-multimethod analysis of clinical psychologists' ratings of mental hygiene clinic patients based on Rorschach & Thematic Apperception Test & Sentence Completion Test, 54:5781
inter- & intragroup processes, social bond creation & growth, 53:1063
interaction & curriculum planning & perceived influence in decision making, teachers from open- vs closed-plan schools, 54:10451
interaction & literature in jointly conducted English class, student personal growth experience, teachers & guidance counselors, 54:8501
interaction analysis, assessment of communication skills during initial interviews with patients, occupational therapists with 1–18 years of clinical experience, 58:4100
interaction analysis, group problem solving, deaf 6–9 yr olds vs 11–13 yr olds, 56:6276
interaction analysis, police–black relations, 53:8423
interaction anticipation & experience as victim, aggressive behavior, college students, 55:7113

interaction between authority holders & psychiatric residents & psychiatrist turnover, suicide, hospitalized psychiatric patients, 58:8036
interaction distance & density & pictures on walls as attribution inhibitors, experience of crowding, college students, 56:6017
interaction distance & quality, attraction, female college students, implications for research on crowding, 56:6057
interaction distance of same sex stranger pairs, conversational intimacy & interpersonal attraction, 57:10328
interaction distances & counselor ethnicity, preferences in dyadic counseling interaction, male Anglo & Puerto Rican 5th–8th graders, 58:12753
interaction frequency theory & participant observation, research teams at university chemistry laboratories, 56:7896
interaction in home vs clinic setting, family behaviors, normal vs deviant families, 55:952
interaction in own territory vs other territory vs neutral territory, perception of dominance by self vs other S vs naive Observer, dyads, 56:7871
interaction opportunity, task-oriented small groups, 55:7067
interaction patterns with kin & friends & neighbors & housing satisfaction, Ss over age 55 living in retirement hotel, 57:12597
interaction problems & strategies to handle conversations with dying patients, nurses, 58:10139
interaction process analysis, ethnic vs dominant culture group counseling, 6th grade inner city Puerto Rican students, 55:3235
interaction rules for encounters within & outside community & ethnicity, Japanese & Caucasians, Hawaii, 55:12101
interaction situations involving personal danger vs nondangerous situations, cue preferences utilized in interpreting citizen behavior, experienced police officers, 54:7529
interaction training & action therapy & video feedback, high vs low self directed development group members, 54:8104
interaction with & attitude toward shoplifter, crime reporting, supermarket shoppers, 55:743
interaction with ethnic vs nonethnic members, ethnic identification, 3rd generation Japanese, 55:620
interaction with family with retarded member in course on developmental disabilities, attitude & behavior change toward mentally retarded, social work students, 58:6091
interaction with females, social behaviors important in initiating heterosocial relationship, socially attractive White & Black high school & college males vs heterosocially inadequate male patients, 58:9467
interaction with peers & school staff on personal-social basis, students with vs without program of interpersonal relations, 55:5595
interaction with therapeutically sophisticated others, likelihood of being accepted for & remaining in psychotherapy, college students applying for psychotherapy in student psychiatric clinic, 54:10131
interactional approach using group & family therapy, alcoholism, 53:1725
interactive & instructional relationships during tutoring, skill acquisition & problem solving, 3–5 yr olds, 56:4805
interactive-contact method, self reported & observed depression, depressed geriatric patients in homes for aged, 54:3622
interest in personal activities, degree of perceived implications between own personal constructs, male college students, 54:1107
interests & attitudes concerning issue of cross-generation contact between elderly & children, retirement home residents & parents of nursery school children, 57:5620
intergroup classroom sessions, interracial experiences & understanding of group interaction principles & facilitation of classroom learning through group participation, black & white college students from separate colleges, 55:1382
internal standards of equity, distribution of rewards, critical review of I. Lane & L. A. Messe's study, 53:1081
interpersonal & family relations of prisoners, book, 54:5522
interpersonal & personal construct systems, primary & secondary psychopaths, 56:8198
interpersonal affect, analysis of interpersonal distance & human figure & expressive line drawings as intuitive indices of social cognition, 58:5301
interpersonal aggression & competition outcome, developmental differences in sharing behavior, male kindergartners & 1st–4th graders, 58:915
interpersonal anxiety reduction & self evaluation reinforcement & overt self reinforcement availability, subsequent self evaluation & self reinforcement responses, male college students, 55:13599
interpersonal attraction & interaction & job status & race & sex & parents' & S's education, positive attitudes & behavior in therapeutic community, 57:6551
interpersonal attraction & publicness of interaction & deception vs truthfulness, nonverbal behavior, females, 58:1145
interpersonal attraction toward & liking vs disliking of patient, assessment of & interaction with & discharge & transfer of patient, mental hospital staff, 57:13429
interpersonal bargaining situations, amount of parotid salivary secretion as correlate of stress arousal, adults, 55:11673
interpersonal behavior constructs as revised approach to defining dyadic interaction styles, videotapes of cerebral palsied & nonhandicapped children in play & therapeutic sessions with their mothers, 54:10051
interpersonal behavior in videotaped episodes, perceptions of affective responses, 2–5 yr old females, 53:2886
interpersonal behavior styles, regular vs alternative school teachers, 58:8210
interpersonal boundaries, model for dyadic interaction, 58:1125
interpersonal challenge, experiential interpersonal style learning, 54:7441
interpersonal compatibility, interaction process during team meetings, interdisciplinary psychiatric team members, 55:4525
interpersonal conflict & crisis management, role of police, 54:2852
interpersonal conflict & symptom distress & social setting, prognostic factors in attempted suicide, psychiatric patients, 53:3389
interpersonal conflict types, group cohesiveness, female college roommates, 53:5152
interpersonal coping courses, higher self esteem & increased ability to perceive & interpret & express nonverbal communication & feeling, junior high school students, 58:4271
interpersonal correlates based on teachers' ratings of classroom adjustment & peers' sociometric preferences, cognitive impulsivity, male vs female 4th graders, implications for adjustment & remediation, 57:4391
interpersonal distance & eye contact, intimacy of self disclosure, college students, 55:9719
interpersonal distance while performing pleasant vs unpleasant task, evaluation of pleasantness of experiment & appropriateness rating of interpersonal distance, males, 56:9832
interpersonal encounter, perception of communication style, college student dyads, 54:3038
interpersonal experiences, development of vicarious emotional responsiveness, children, test of classical conditioning explanation, 55:7050
interpersonal functional unit & physics, theory of victimization, 54:1399
interpersonal game & confinement, personal space, male junior college students, 53:9488
interpersonal influences & social processes based on interpersonal judgment & whole-parts model, dyadic interaction as formal system, 55:4495
interpersonal interactions involved in divisional program development for American Psychological Association's annual meeting, program chairperson, 54:9760
interpersonal interactive behaviors, hearing impaired vs nonhandicapped 1st–4th graders in regular classrooms, 57:6931
interpersonal knowledge or understanding & communication strategies & knowledge-gaining processes, interpersonal communication, 58:11641
interpersonal manipulativeness & self concept & perceived role expectations & adjustment, federal prisoners at correctional facility vs pre-release offenders at community treatment center, 58:7715
interpersonal need structure, leadership orientation, 1st- & 2nd-level supervisors, 53:12727
interpersonal needs, leader behavior perceptions, college athletic directors, 55:7890
interpersonal needs on inclusion & control & affection variables, learning disabled 2nd–6th graders, 57:6098
interpersonal networks, density of similar behaviors, college students, 55:737
interpersonal problem solving skills training, problem solving improvement, psychiatric patients, 55:5060
interpersonal problem solving technique of G. Spivack & M. B. Shure, mastering cognitive aspects of interpersonal problem solving, chronic psychiatric patients, 56:1091
interpersonal problem-solving skills, adolescent psychiatric patients vs normals, 53:9806
interpersonal relations & adjustment & environmental perception, previously institutionalized vs noninstitutionalized aged residents, 55:9564
interpersonal relationships & childrearing practices & background factors & personality characteristics & social class, parents of battered children, 55:7369
interpersonal relationships & personal space, theoretical model & research review, 56:9848
interpersonal relationships experienced during infant dependency state, genesis of psychotic states, 55:12423
interpersonal relationships in heroin use, narcotics treatment program outcome, male & female heroin addicts in treatment program, 56:2703
interpersonal relationships in school administration, school superintendents & graduate students, 55:2982
interpersonal relationships, work behavior & motivation, small groups of construction workers, 53:12687
interpersonal relationships within residential treatment facility, positive treatment effects, autistic 4 1/2 yr old boy, 55:10516
interpersonal simulation game, attitudes toward team teaching, teachers, 58:8176

interpersonal skills workshop, integration of human relations training & microcounseling skills, college students, 54:6367
interpersonal spatial relations & concept of personal space, literature review, 58:11661
interpersonal stress, physical complaints, college students, 53:9967
interpersonal style & influence in dyadic interaction, 4th grade boys, 55:6822
interpersonal theory of psychoanalysis, understanding of processes in analytic group psychotherapy, 54:1662
interpersonal training, improvement in patient & staff interaction in dentistry, 54:7701
interpersonal trust & status & sex, development of early acquaintance impressions, college students, 55:9717
interpersonal values & behaviors, short term positive change during encounter groups, participants, 55:5061
interracial contact & attitudes, black & white college students, 53:978
interrelationships among psychiatric resident physicians vs medical student clerks vs inpatients as measured by degree of rapport & ascribed role, 54:12457
interview training program, nonpossessive warmth, employment interviewers, 55:1628
interviewer effect in 2 person interaction, male & female college students, 55:714
interviews by telephone vs in person, quality of responses to complex attitudinal & knowledge & personal items & field performance, 57:12727
intimacy & process of relationships with husband & children & mother & peers during 1st decade of marriage, females, Japan, 57:12651
intimacy, process of knowing, married vs unmarried pairs, 57:1104
intra- & extrafamilial structure of social contacts, depressed psychiatric vs physically sick patients, 58:5480
introductory course in family therapy, attitude toward family therapy & problem solving during interaction with partner, 57:6295
invasion of personal space, observational study of reactions, 55:747
involvement in healthy vs unhealthy relationships with others & personal characteristics, distinction between toxic & nourishing persons in context of emotional adjustment & nourishment from relationships, 57:1249
irrational beliefs, likelihood of becoming emotionally aroused in examination & interpersonal & public speaking situations, college students, 54:6824
isolation experience & behavioral program characteristics, individual & social performances in small groups, male dyads, 53:11577
Jungian personality correlates, interpersonal conflict-handling behavior, male graduate students, 55:12306
justice & human interaction, book, 53:7288
kinesthetic oriented group therapy using body talk, interpersonal interaction, patients, 57:13224
knowledge about remote social events, prosocial behavior & social conception & mood, college students, 55:9784
knowledge of computer simulation of opponents, choice behavior in non zero sum game, students, 58:7440
knowledge of potential advantage & positive vs negative attitudes toward other, application of equity, 55:9718
laboratory induction of mood states, cognitive & social behavior, female college students, 56:1830
laboratory training, interpersonal need orientations, 26–40 yr old male technical supervisors, 55:13663
language code usages, choice of aggressive interpersonal tactics, 6th grade males, 55:4530
language development for interaction sequences, 55:4517
large vs small initial request & compliance vs noncompliance, compliance with 2nd request, test of self-perception theory of "foot-in-the-door" phenomena, 53:9546
lateral interaction orientation & leadership, supervisory & nonsupervisory personnel, 55:13686
leader & group esteem for least preferred coworker & intergroup competition, adjustment & interpersonal relations & task performance effectiveness, US Army recruit squads, 53:6356
leader self disclosure & experiencing, group interaction ratings, college students in personal growth groups, 58:12082
leader style & group member goal choice, self esteem & attitudes toward people & interpersonal coping style, T-group participants, 58:1638
leader-coworker relations & task structure & power position of leader, leadership effectiveness, 54:12730
leaderless groups in an organization development maintenance program, attitudes & process, staff members of a model cities agency, 55:4531
leadership involvement & subordinate's perception of task importance, subordinate's performance & satisfaction & commitment & perceptions of leader, male college students, significance of management decision making, 58:1109
learning paradigms in individual learning, dynamic stability of relationships, 58:1099
lecture & discussion vs experiential learning vs outside class T group experience in management education, self concept & interpersonal relations & cognitive test performance, college students, 57:11352
leisure activities patterns, adjustment to retirement, retired males, 57:5922
level of ambiguity tolerance & possession of complete vs incomplete information, collective bargaining task performance & postnegotiation attitudes, students, 58:5328
level of deindividuation in presence of aggression vs compassion eliciting cues, level of shock administered to stranger for error performance, female college students, 58:11628
level of differentiation as measured by field dependence-independence, dyadic conflict resolution & interpersonal attraction, female college students, 57:3207
levels of interpersonal functioning & locus of control, prisoners vs alcoholics in rehabilitation vs successful Ss, 56:4099
levels of stress experienced in dealing with life events & family & interpersonal interactions, acute vs chronic schizophrenics vs normal Ss, 56:10055
light vs heavy drinking vs no model & model emotional quality during prior social interaction, social drinking behavior, male college student heavy social drinkers, 54:5173
limited living space, interpersonal relationships, pairs of roommates in men's dormitories, 54:5212
linguistic style, selection & evaluation of interpersonal distances, college students, implications for E. T. Hall's proxemic model, 56:7913
listener's age & command vs request situations, politeness in directive speech, 4–5 yr olds, 58:9480
living & working conditions & relationships, development of neurasthenic neurosis, patients, Yugoslavia, 57:10461
locomotion & gaze direction, perceptions of interacting persons, college students, 56:2355
locomotion vs gaze direction & aversion, interpersonal judgments, persons engaged in face-to-face interaction, 55:4481
locus of control & frustration as contrived expectations of adequacy of confederate's performance & attack as confederate's critical comments, aggressive shock administration behavior to teach mental maze task to confederate, 57:10276
locus of control & individual vs dyadic condition & sex, creative thinking, junior college students, 58:11723
locus of control & style of 3rd party intervention, bargaining behavior, male college students, 56:641
locus of control, causal attribution & defensiveness & mood in interpersonal situation, 57:8281
locus of control orientation, interpersonal interaction, college students, 56:4109
Lorr's Interpersonal Behavior Inventory, rating of well-liked others & selves, college students, partial replication of M. Lorr & A. Suziedelis's study, 53:11573
loss of spouse & life dissatisfaction & lack of morale, patterns of social participation & disengagement, Ss aged 55 yrs & older, 55:600
low level of affect in interpersonal relationships, socialization, Sebei of Uganda, 55:6917
low-level counselor functioning, interpersonal functioning levels, high- & low-level clients, 54:10269
Machiavellianism & interpersonal construct systems, 58:3367
magnitude of events, causal attribution for interpersonal events, college students, 54:1023
managerial approaches, interorganizational human relationships, 55:8530
manifest & latent influence & interindividual relations, innovation & conformity in group situation, 57:8208
manipulated anger level & fear of confederate administration of shock, aggressive response level to confederate vs confederate friend vs nonassociated person, support for conflict theory of aggression displacement, 57:10295
marathon encounter group, self reported behavior in interpersonal contexts, 55:10308
marathon encounter groups, changes in self actualization & interaction patterns, college students rated for high vs low vs average self actualization, 57:3898
marathon vs time-extended encounter groups, self-perception & interpersonal behavior, college students, 53:2999
marital roles & group interaction & leader role, marital counseling, 53:3721
Marxian-oriented theory of microstratification phenomena, interpersonal interaction & alienating effects of class & status & power divisions, 57:12737
mathematical model based on cognitive dissonance theory, changes in interaction in closed human groups, 56:7907
matrix algebra application, correlations of indices of group cohesion as measured by interpersonal ratings of empathy & warmth & genuineness with therapeutic outcomes of interpersonal relations & self concept, college students, 56:1025
mediational role, child's interpersonal relationships, school psychologist, 53:4071
medium of exchange & content of message, amount & content of information exchanged in interpersonal disclosure, male college students, 56:4002
membership network analysis, empirical analysis of interpersonal & intergroup networks, women, 53:11574
mental retardation labeling, social competence & interpersonal attractiveness ratings of retarded vs nonretarded children & social distance placements, clinical practicum graduate students & mothers, 58:5634
method for surveying & analyzing time spent in activities such as interpersonal relationships, psychiatric patients, 57:7164
method of measuring stability of person's rules of relating to specific other person, homeostasis & change in dyadic relationships in learning, counselor effectiveness, counselor trainees, 56:6614
methods for using Black traditions & values in group counseling & guidance, improvements in achievement motivation & interpersonal relations & behavioral responsibility & pride in Black leaders & artists & problems of color, 57:14028
methods of & reasons for termination of patient-practitioner relationship, urban Chicano patients, 56:6468
microcounseling paradigm using video models & self observation & cue discrimination & reinforcement, attending behavior & interviewing effectiveness, 9th graders, implications for school guidance & human relations training, 55:3226
microlab experiences, interpersonal behavior & self actualization, college students, 56:2603
model characteristics of stigma & friendliness & affect, imitation & acquisition of neutral model behaviors, 58:1092
model for genotypic diagnosis of Johari Awareness, interpersonal processes & communication practices, managers & subordinates of managers, 55:7071
model of male-female interaction, female forms of power & myth of male dominance, peasant society, 55:7005
model office simulation, interpersonal relations development, high school business students, 55:8131
modeling & guided role playing vs relaxation & guided fantasy, socialization training, young male psychiatric inpatients, 55:7623

modeling with vs without cognitive rehearsal, interpersonal behavior, college females with high vs low social skills, 57:3196
model's behavior & attraction toward model, aggressive behavior in interpersonal bargaining, adults, 55:9714
modification of adult attitudes & knowledge, enhancement of child's speech & social development during adult-child interaction, nurses & children, 58:9222
modified Interpersonal Process Recall technique, level & unconditionality of regard & empathic understanding & congruence, counseling graduate students, 53:3171
modified microcounseling paradigm, teaching attending behaviors, female hospital clerks, 57:8694
moral judgment & role taking & social participation, educable retarded 6–11 yr olds in special education classes, curricular implications, 58:9731
mother interactions with own & other 2.5 yr olds, 53:7098
mother-father relationship, daughter-father & daughter-male partner relationships, mothers & pregnant daughters, 56:3950
mother–stranger modes of social interaction, sensitivity to social contexts, 18 mo olds in unfamiliar semipublic place, 55:6826
multidimensional scaling analysis of similarity ratings, development of interpersonal perceptions in T group, college students, 53:7298
multimedia group treatment, interpersonal skill proficiencies, male 18–19 yr olds in residential therapeutic community, 57:10814
multimodal approach, personality theory & interpersonal processes, 54:3133
multivariable-multimethod design, convergence of sets of variables in domain of interpersonal behavior, high school seniors, 55:7066
multivariate stepwise discriminant analysis, activity preference & interpersonal interaction, depressed vs nondepressed female college students, 54:6419
music during training in workshop setting, work production & off-task & self injurious behavior & yelling out & social interaction, mentally retarded 26–46 yr olds, 58:4022
mutuality & accuracy of perception & general relationships, interpersonal feelings, literature review, 53:5175
mystification vs double bind, effectiveness as interpersonal defenses, psychotherapy outpatients, 57:12817
Naikan method of introspection, interpersonal relationships, 56:762
name-calling by conveying negative judgment, willingness to comply & actual compliance with request for help, housewives, 53:11628
need & relationship of story characters, resource distribution to characters whose performances were unequal, college students, 54:3041
neighborhood socioeconomic status & interracial mix, amount of interracial contact & aspiration similarity, Black & White homemakers, 57:10073
news broadcasts, discriminatory behavior toward similar & dissimilar others, 58:7507
noise & social interaction stress, group behavior & simulation game performance, college students, 57:5785
noncontingent warmth from adult & impulsivity-reflectivity, imitative donation & rescue effort behavior, male 1st graders, 56:7987
nonverbal communication of values & context of anticipated interaction, interpersonal attraction, college students, 56:663
nonverbal correlates of persuasiveness in social interaction, female dyads, 58:9494
nonverbal dissimulation in social interaction, emotional experience & autonomic arousal, college students, 56:3978
number & patterns & functions of close friendships, students in professional counseling vs students with high vs low personal or social adjustment, 58:1256
number of friends & age & socioeconomic status, social skills & interaction in classroom, 3rd vs 4th graders, 57:9099
number of Thai friends & enrollment in university departments with higher percentage of Thai students, psychological assimilation, Chinese college students, Thailand, 55:12114
observation, family interaction in triads, normal vs dysfunctional families, 55:4388
observational analysis, cigarette smoking activities & accompanying interaction behaviors in social settings, smokers & nonsmokers, 57:12741
observational analysis, speech behavior during interracial contact & communicative interference due to differing dialects, children at interracial summer camp, 58:738
observational learning techniques, social interactive skills improvement, cerebral palsied children, 57:6919
observational study during period of 1 day, intrafamilial interaction analysis, 55:12129
open- & closed-mindedness & leadership-communication styles & supervisory categories, decisional responses to written messages, elementary school teachers, 55:13054
open environment individualized instruction format, classroom communicative interaction patterns, deaf high school students, 57:6920
open vs closed style of adaptation to aversive maternal control, social approach-withdrawal in response to actress "mother" & physical distancing & coping style, male college students, investigation of Heilbrun's theory of schizophrenic development, 56:722
open-minded listening & objective inquiry & consideration of feelings, persuasion on job & at home, book, 56:6006
operant-interpersonal treatment procedure employing token reinforcement, modification & generalization of talking & smiling & attending interactive behaviors, chronically withdrawn patients, 57:13279
opponent's concession rate & similarity of opponents, bargaining behavior in bilateral monopoly situation & expectations, 8th grade boys, 57:10225
opposite-sex interpersonal distancing, spatial relationships in actual vs schematic social distance, male vs female 5–11 yr olds, 54:11456
ordinal position of siblings, popularity in friendship & play & schoolwork situations, kindergartners to 6th graders, 56:648
organization interaction patterns in rehabilitation programs for physically handicapped young adults, treatment success rate, 55:2795
organizational image questionnaire technique, diagnostic approach in development of interface relationships, members of organizational development program, 58:10722
outdoor social behavior in old ghetto neighborhood of low-rise tenements vs traditional low-income high-rise housing vs innovative high-rise housing with creative outdoor design, 56:7866
Parent Effectiveness Training, interpersonal distance within family & manifest anxiety & child enuretic behavior & self concept, enuretic 6–16 yr olds & their parents, 58:3691
parental transactional style deviance, identification of disturbed nonpsychotic adolescents at high risk for developing schizophreniform psychopathology, families, 58:3468
parent-child interactions & parent attitudes toward children, number of social behaviors & positive vs negative responses & commands & responsivity to deviant behavior, orthopedically handicapped children vs normal siblings & their parents, 57:8516
parent's interpersonal response styles, child's emotional development, parents of schizophrenic vs antisocial vs neurotic vs normal son, 58:1287
participation in growth group with leader directed vs group centered approach vs topically-oriented discussion group, personal & interpersonal growth, college students, 58:5868
participation in human relations-type course in personal growth, similarities & differences in personal orientations & interpersonal styles, advanced graduate students, 57:13704
participation in interactive activities, enjoyment & learning & self confidence & interpersonal skills, 13–15 yr old delinquents & students, 54:6296
participation in program stressing interpersonal relationships in etiology & treatment of psychopathology, attitude change & self evaluation & self concept & perceived relationships with supervisors & patients, female nurses, 57:13524
participation in small group sessions teaching transactional analysis principles, self image & interpersonal relations, male delinquents on probation, 58:3764
participation in weekly team staff meetings, psychiatric hospital staff-intern relations, psychoanalytic student interns, 58:8033
participative leadership pattern variation across natural & ongoing role relationships, men who are managers & churchleaders & husbands & fathers, 57:8062
partner's sexual orientation & attitude toward homosexuality & sex of partner, personal space as reaction to threat of interaction with homosexual, male medical students, 57:8186
patient-centered approach, program for improvement of veteran–employee relations, 53:10345
pattern of dominance in dyadic interaction & completion rate of learning task, 1st graders in individualized learning program classroom, 58:4336
patterns of individual personality scores & intramarital personality score interaction using California Psychological Inventory, functionally vs dysfunctionally married individuals, 58:7350
patterns of interaction & stabilized social relationships & similar vs dissimilar images of other, appraisal of ambiguous stimulus in processes of normalization, 56:6000
peer group structure & interaction, developmental goals of adolescence, 55:4322
peers' perceptions of Ss' interpersonal effectiveness as teachers, affective responses to early recollections, male vs female prospective secondary teachers, 58:10230
perceived ability & intentionality & dyadic relationship, interpersonal trust, 55:12259
perceived empathic understanding from & relationship with parents & significant others & age & sex, self actualization, college students, 58:7257
perceived prejudice, affective & self evaluation reactions to failure in interpersonal situation, Jewish male college students, 55:4548
perceptions & expectations in intercultural transactions, Mormon missionaries vs Chinese citizens, Taiwan & Hong Kong, 56:3891
perceptions of black-white & American-Vietnamese relations in Vietnam, black & white returned soldiers from Vietnam, 56:555
perceptions of curriculum change & interpersonal skill development in occupational therapy training, graduated occupational therapists, 54:9749
perceptions of guidance counselor role & improvement of professional status & teacher-counselor relationship, elementary school teachers, 55:7929
perceptions of learning of task, college students as actors vs Os, 54:3033
perceptions of their relationship & staff-patient adaptation, staff & patients in community hospital kidney center, 58:8041
perceptions regarding internal work-related activities & human interactions, Caucasian & Mexican American & Negro police officers in large metropolitan law enforcement agency, 57:7023
perceptual accuracy of rewarding effects of marital behaviors, maritally adjusted couples & couples seeking divorce & couples in counseling, 57:10116
perceptual motor program involving cognitive & motor & recreational activities, development of positive self concept & increased socializing, autistic children, 57:3769
perceptual-judgmental & activity-interpersonal relationship preferences, prediction of ratings by peers & expert judges on empathy & genuineness & warmth, college student volunteers in telephone crisis center, 58:8483
performance curriculum in human relations, improved interpersonal skills, beginning educational counselor trainees, 57:11097
performance on interpersonal & administrative behaviors, undergraduate vs professionally trained head residents, 58:1966
performance style, discomfort in heterosexual dyad, male vs female college students, 55:12170
persecutory delusion & primitive decentering, male patients, 57:6034
person perception & interaction, understanding people, book, 55:9774
persona-identification, stated satisfaction as means of maintaining distance in parole agent-parolee relationship, 57:6535
personal & interpersonal behavior patterns, mothers of adolescent drug abuse patients, 53:7651
personal & interpersonal problems, model of personal growth & career development within school curriculum, adolescents, 56:10618
personal & professional relationship between S. Freud & V. Tausk, reply to K. R. Eissler's criticism, 53:9707
personal & psychosocial interactions, general & developmental aspects of human sexuality, book, 54:974
personal competence & interpersonal agreement vs disagreement, GSR & evaluation of partner, male college students, 55:12237
personal evaluations vs perceived encouragement of significant others & its congruence or incongruence vs interpersonal relationships & time length in the situational setting & residential environments effects, activity & evaluation, college students participating in extracurricular activities, 55:4474
personal interactions & setting, subjective drug responses to secobarbital & meprobamate in small groups, medical students, 55:6633
personal orientations & perceived structure & alienation, organizational membership in school setting, high school students, 55:10956
personal space & sex composition in dyads in focused vs unfocused interactions, visual behavior & eye contact, college students, 53:11576
personal space under conditions of perceived threat in interpersonal transactions, body image boundary definiteness, college students, 58:1068
personal space variables, approach & attitudes toward other in Prisoner's Dilemma game, college students, 56:2313
personal vs impersonal participant models, interpersonal openness in same vs mixed sex groups, males vs females, 55:12214
personality & attitude & interaction factors, interpersonal attraction, 55:9713
personality & demographic & social characteristics, interaction with victim, sex offenders with vs without recommendation for specialized treatment, 53:5635
personality & expectations & situational variables, self disclosure, female college students, 54:1129
personality characteristics & free association responses & communication behaviors, professional communication receivers & senders in interview, 55:4175
personality characteristics & interpersonal styles, juvenile probation officers, implications of findings for relationship between officers & their delinquent clientele, 57:1756
personality characteristics & interpersonal interactions & sexual performance, monogamous vs nonmonogamous married couples, 58:7345
personality factors & companionship therapy participation & race, attitudes toward mental illness, Black male vs female college students in abnormal psychology courses, 57:6751
personality factors & interpersonal relationships & adjustment patterns, male peptic ulcer patients, 53:5748
personality, physical attractiveness & self reported desire & likelihood of approaching females of differing levels of attractiveness, males & females, 55:9737
personality traits & dogmatism & sex & educational background & birth order & age, interaction effectiveness, male vs female residence hall assistants, 57:9004
personality traits & perceived peer personality, prediction of social role participation & involvement, aged, 57:12603
personality traits attributed to self, subsequent verbal interaction in encounter group, college students, 55:1018
personality types, cognitive & sociometric & behavioral measures of social intelligence, Catholic seminary males, 58:3426
personnel workshop to increase ability to relate to clients & understand patient problems, behavior toward new psychiatric outpatients, support employees, 57:1720
person-perception, personal relationship, 53:3002
perspective model of attitude judgment, interpersonal conflict predictions, male college students, 55:711
photographic sociometric technique vs reality-oriented methods, interracial/interethnic choice & rejection patterns, Black vs Anglo vs Spanish-speaking 3rd & 4th graders, 57:5672
physical & educational & marital & vocational & social status & experiences perceived necessary for social & vocational development, former student-patients at crippled children's hospital & school, followup study, 57:13963
physical & fantasy expressions of aggression & friendly interaction, subsequent aggressive responding, college males, 58:11705
physical & social context & level of relationship, interpersonal distance, male vs female college students, 58:3274
physical attractiveness & intense vs no social interaction, rated sociometric status vs social acceptance judged from photographs, male 9–14 yr olds, 57:3251
physical attractiveness & personality style & social contact, peer ratings of social acceptance, college students, 53:11611
physical contact exercises, self concept & disclosure & touching behavior, college students in marathon encounter leaderless groups, 58:9894
physical distance between residences & amount of face-to-face contact, choice of friends & enemies & strength of liking & disliking, townhouse residents, 57:12769
physical environment, affiliation, strangers, 55:3391
physical proximity, eye contact & laughter & smiling while listening to humor, 7 yr olds, examination of equilibrium model of social intimacy, 56:3998
physical setting & psychological demands of situation & situational characteristics of social learning vs milieu treatment, consistency of social interaction & cognitive dysfunction, institutionalized chronic psychiatric patients, 58:1789
physical stigma, interview interaction & compliance, female student interviewers of middle-class housewives, 53:3003
physician-patient interaction & placebo effect & patient negativism & conceptual model of anticipated drug effect, extrapharmacological variables in drug intervention, 55:2694
PLATO IV computer-assisted instruction system, interpersonal skills training, 54:6471
play group counseling utilizing model reinforcement vs discussion group, behavioral changes in interpersonal relations, low vs medium vs high socially chosen 2nd graders, 57:8758
play materials, social behavior & interaction, 18 mo olds in peer playgroup, 57:8019
policy consistency levels, questions asked about others policies & interpersonal understanding, college students, 54:993
popularity, amount of reinforcement given to others in interpersonal situation, college students, 54:11665
positive & negative adult-child interactions, social preference, 5 & 11 yr olds, 54:2776
positive interactions with strangers, subsequent effectiveness of social reinforcers from strangers on persistence task, 2nd graders, 56:7875
positive reinforcement & avoidance behavior & contingency schedules, environmental maintenance of retarded behavior, children, 57:10583
positive vs negative content of interviewer's self disclosure, verbal behavior & relationship components of initial interviews, female college students, 57:5810
positive vs negative options & number of options available, perceived choice in selecting partners to work with on subsequent task, college students, 56:2351
positive vs negative peer modeling, imitation of socially approved & disapproved behavior, 14–17 yr old delinquent vs nondelinquent boys, 56:10109
power & status differences & interpersonal trust, reciprocity in self disclosure in social interaction situation, 57:3213
power motive, power thematic behavior in bargaining game, 57:10238
power of stimulus person & interaction expectations & affective style, person perception, college students, 57:3247
practical psychology for interpersonal skills, textbook, 56:7860
practice in programed video simulation of counseling, communication skills, college students, 56:4744
practicum supervisor levels of empathy & respect & genuineness, self exploration, graduate counseling students, 55:1222
praise conditions & status orientation, projected social distance & comparison with physical interpersonal spacing in laboratory, college students, 55:7106
praxiological division process, probability of different social behaviors, 4 partners, 58:6725
prediction of in-group verbal behavior from characteristic style of interaction, implications for group therapy, 56:4447
predictive validity of model, frequency & pattern of life events, coping with interpersonal conflicts during & after hospitalization, male psychiatric patients, 57:3448
preexperiment interview & facilitative level of E & contingency of reinforcement, verbal conditioning, Ss, replication of R. A. Vitalo's study, 55:7052
preexposure to task related stimuli, dyadic task response & reinforcement rates as reflected in value of slope in regression equation, college students, implications for social law of effect, 57:3170
preference for interacting with people vs objects, intellectual abilities & social behavior, 4–5 yr olds, 54:5038
preferred vs less preferred leader & structured vs unstructured task, group atmosphere as measure of leader-member relationship, high school boys, 58:1122
presence of favorable vs unfavorable contact conditions & sex & culture & age & locus of control, interpersonal distance, Israeli Arab vs Israeli Jewish elementary vs secondary vs college students, 55:9764
present- vs future-oriented perceptions of supervisor-teacher interaction, science supervisors vs supervisory interns vs teachers, implications for educational planners, 58:1976
pretest interaction & low- vs high-demand-for-improvement posttest instructions, evaluation of anxiety on self-report & behavioral & heart-rate measures & physiological arousal, socially anxious & nonanxious male college students, application to analog therapy research, 53:432
previous vs no affiliative interaction with model, classification of geometric figures, 2nd graders, 55:1843
previously encountered interpersonal associations, formation & rigidity of first impressions, college students, 56:2373
primary vs secondary school principals' concept of education welfare officer's role & desire for 2-way relationship with parents, ability to

function effectively as social worker, education welfare officers, 58:8198
prior contact with E & task complexity & social reward conditions, task performance, children, 56:7973
prior contact with E, performance on simple & complex tasks, college students, 54:3043
prior cross- & inter-racial contact in grade school & other social contexts & home racial attitudes, interracial perception & behaviors, Black vs White high school students, 58:2124
prior reinforcement for compliance-noncompliance with adult instructions, subsequent nonreinforced imitation, kindergartners, 58:5208
Prisoner's Dilemma game, interpersonal conflict & cooperation, primary vs secondary psychopaths vs normals, 55:10045
problem solving training, generation of alternative solutions to interpersonal problems, 14–17 yr old youth organization members, 58:9499
problems in differential diagnosis of object constancy & interpersonal relationship disturbances, patient-therapist relationship in psychotherapy, 56:2575
processes of definition at individual level & disclosure at interpersonal level in couples research, unintended couples counseling in facilitation or dissolution of relationship, 56:4444
process-oriented task vs T groups, performance & satisfaction on interpersonal & rational problem solving tasks, college students, 55:10305
professional's affective behavior, client satisfaction, Israeli General Practitioners & clients, implications for revised social interactional model, 56:6462
programatic & architectural openness of schools, teacher attitudes & interpersonal relations & student achievement & initiative & responsibility & autonomy, 54:1888
programed instruction in transactional analysis vs human relations training, modification of interpersonal orientations, counselor trainees, 57:6577
prompting & praise & disapproval, social interaction, 13 yr old male legally blind special education student, 57:11527
properties of influence attempt & its context, social interaction, 56:7899
proximity & similarity, frequency of interaction, class of naval recruits, 57:5835
proximity, acquaintance links in high rise residence measured by small world method, residents, 58:1078
psychodrama inter- & intrapersonal issues & role conflict, homosexuals, 55:2625
psychological & philosophical issues, cognitive social behavior, book, 53:2983
psychological analysis of inter-human interactions & individual & group interactions, 56:7933
psychological development & social adjustment & paedopsychiatric diagnosis & prognosis, neglected adolescents, long term followup studies, 58:11495
psychological differentiation, interpersonal attraction & conflict resolution in dyads, female college students, 56:2375
psychological differentiation, projected utilization of interpersonal distance, 9th graders, 56:758
psychological overview, attorney–client relationship, 53:11553
psychosocial problems & psychiatric morbidity & staff-patient relationship, hemodialysis patients, literature review, 57:13032
pupil relationship enhancement program & counselor guidance, development of speaking & listening skills in dyadic interactions, 56:8780
quality of adolescent-adult interaction, peer group involvement, male high school seniors, 58:5199
quality of client-consultant relationship in context of theory of advice, effectiveness of instructional development & evaluation as systematic intervention into on-going organizational system, 53:9471
quantity & type of interaction, multidisciplinary & single-discipline groups of college students in community mental health course, 54:5376
quiet vs intermediate vs crowded conditions in city supermarket, adherence to vs transgression of behavioral norms, males vs females, 54:1053
rabbit pets, interpersonal interaction & communication, male psychiatric patients, 55:10207
race & attributed personality traits & beliefs of target person, behavioral intentions related to friendship & social distance & interaction, white college students, 56:2334
race & modeling cues, play patterns of dyads, 5th grade boys, 55:4532
race & setting & type of approach, interpersonal distance preferences, Black & White female college students, 57:10270
race & sex & affiliation & age & racial interaction, use of personal space, black vs white 6th graders, 55:12200
race & sex & age & income status & interpersonal relations, interpersonal relationships of juvenile offenders & their victims, 57:10556
race & sex & interaction group experiences, self regard & regard for others, college students, 55:10997
race & sex differences, interpersonal & self control behaviors, characters on interracial television programs, 56:3876
race & sex of other, negative affect & physical avoidance during interaction, white female college students, 56:2354
race relations communication skills training & selected life experiences, racial attitude change & anxiety reduction & facilitation of response ability, Black & White social fraternity pledges, 58:1943
race relations communications program, facilitative responding ability & racial attitude change & anxiety reduction, Black & White fraternity pledges, 58:7917
racial & sexual differences, interpersonal relations in integrated setting, black & white faculty at traditional black state institution, 54:7329
rank & sex & family constellation variables, relational involvement in pastoral work with male vs female parishioners of various ages, male Episcopal clergy, 58:922
rates of offers to share, controlling sharing, preschoolers, 57:12735
rating hypothetical triads with negative P–O bond, intermediate level of tension in nonbalanced P-O-X triads, high & low conformist college students, 53:5181
ratings of feelings during actual dyadic interaction, recalled affect during televised self confrontation, college students, implications for counselor training & treatment settings, 58:5791
rational encounter vs basic encounter groups, facilitative changes in self perception & interpersonal sensitivity, community college students, 56:10280
rational-emotive therapy vs attention-placebo groups, interpersonal anxiety, college students, 58:7842
reading vs discussion methods of exposure to rational-emotive concepts, cognitive & attitudinal & affective & behavioral reactions, high vs low anxiety college students, 57:9167
realistic expectations concerning interpersonal intimacy with therapist & others, clients, 55:12613
reciprocity in interactions with 5 yr olds, 12 yr old tutors vs mothers, implications for intervention programs for disadvantaged, 58:2052
re-evaluation counseling training, personal feelings & interpersonal skills, staff personnel of state hospital penal wards, 56:8596
reinforcement as evaluative feedback concerning social interaction behavior, subsequent viewer judgments utilizing multidimensional unipolar response measures, college students, support for symmetry of evaluation hypothesis, 57:12714
relational & intrapersonal immediacy workshops, therapeutic focus & self concept & interpersonal behavior change, college students, 55:12646
relational-level measurement of combinatorial rules of interpersonal communication, 58:11668
relationship awareness theory, development of interpersonal relationships through understanding self & others, 58:1264
relationship between co-facilitators, self concept & self actualization, male vs female college student encounter group members, 58:7929
relationship between formal interaction with & perceptions of their students, faculty members & freshmen & seniors, 54:6204
relationship between happiness & social participation, 62–89 yr old females, 4-yr longitudinal study, 55:7068
relationship between role taking ability & interpersonal competencies, retarded children with mean age of 12.96 yrs, 55:10046
relationship dynamics, abortion decision making process, 2 case reports, 58:5216
relationship of A. W. Combs' hypotheses of perceptual organization & R. R. Carkhuff's scales of interpersonal functioning, paraprofessional helper candidates, 58:6084
relationships with accused & lawyers & judge & jury, practical functioning of psychiatric expert witness in criminal court cases, 58:7384
reliability & reactivity of videotape recording technique, ratings of dimensions of aide-resident interaction on ward for retarded children, college student Os, 56:10446
reliability & validity, Test of Attention & Interpersonal Style, review, 57:9383
reliability, modified Interpersonal Perception Method scale, internal vs external 6th graders, 53:1174
reliability of contextual cues for praise & goal orientations, compliance measured by task responsiveness & physical distance & affiliative helping response, support for informational properties of cues mediating social influence processes, 58:7414
religious dedication & self concept & interpersonal relationships, prediction of prejudice, 56:5881
remotivation program using 6th graders in group process format, interpersonal relationship development & renewed interest in living, chronically ill geriatric patients, 53:6079
reported pain inflicted vs learning help & insult vs no insult conditions, aggressive responses to peer teaching using shock feedback, male college students, 53:3042
requirement to use balance rule, classification of descriptions of triadic social situations, test of F. Heider's structural balance principle, 55:2342
residential setting, daily life activities, spinal cord injured young adults, 55:12788
residential ward environment, verbal behavior, institutionalized severely mentally retarded children, 55:2767
residing in vs visiting territory, interrelationships between territoriality & personal control & interpersonal distance & crowding, humans, 55:12190
resource similarity, satisfaction with interpersonal resource exchange, female college students, 56:6062
response moods to interpersonal situations, preferred instrumental & terminal values, job applicants & engineering students, 54:7653
responsiveness & sex of child, praise & helping & attention during adult-child interactions, female adults & 7–10 yr olds, 58:7430
reward & punishment, interpersonal relationships, 7th graders, 58:11674
reward distribution inequity, distributing behavior in game-playing situation, 5-yr-olds, 53:3024
rewards & risks of self disclosure, direction of interpersonal relationships, 58:11654
rigidity & interpersonal interaction, psychological analysis of 3 modern plays, 57:868
role conflict & psychological growth & pastor/associate interpersonal relationship & satisfaction in priesthood, Roman Catholic priests, 58:7331
role expectations, interaction performance, blind adolescents, 53:5729
role of Oedipus phase in patriarchal & matriarchal societies & choice of love object, 54:9372
role of psychiatric care worker, interactions with adolescents in residential treatment, 58:8145
role patterns & behavior & self concept & degree of success & permanence of gay marriage, male homosexual couples, 58:9434
role play of positive & negative sentiments, pleasantness & tension ratings, college females & firemen, implications for figure-ground model of cognitive balance, 58:9445
role taking ability, development of interpersonal competence, mentally retarded children in private residential school, 58:9714
role-playing responses to simulated patient disclosures, amount of time allocated to listening to patients vs preparing medication & amount of information relayed to next nurse, nurses, 56:6627
roles of persecutor & rescuer & victim, transactional analysis concepts, police–citizen encounters, 54:9500
room size & interpersonal interaction level & acquaintance, mediation of density effects in perception of crowding & stress, college students, 56:6003
room size & intrusion & goal blocking, nonverbal behaviors associated with affiliation & stress & self disclosed & self reported stress, male college students, 57:3215
room size & status & sex, interpersonal distance, college students, 54:2994
Rorschach test, assessment of interpersonal relations, 54:2979
satisfaction with interpersonal relations, consumer dissatisfaction, 53:6299
scale development, measurement of human relatedness in Rorschach test responses, patients in psychotherapy research project & college students, 57:11786
scaled-projective measure of interpersonal values, description of Kilmann Insight Test, 54:1130
seating arrangement preferences, Swedish vs Englisĥ Ss, 53:9480
seating patterns of group members & patterns of verbal participation in discussion, family regulation of interaction with nonmembers, multiple family groups, 58:1623
seating position, group interaction, research review, 58:1096
selection of applicants for expedition to Mongolian taiga, followup of possible stressors & interpersonal relations, 55:1637
self analytic group with class discussions, interpersonal behavior in conflict involvement & personality, college students, 57:1173
self concept & interpersonal relationship, Black college students on predominantly Black vs White campus, 58:10469
self control desensitization vs systematic rational restructuring, interpersonal anxiety reduction, community residents, 58:9818
self disclosure & proxemic distance parameters, recidivist vs nonrecidivist Black vs White vs Chicano inmates, 57:10516
self esteem & expected duration of interaction, liking for highly rewarding partner, female college students, 56:6032
self esteem & social participation, integration into family, 9th–11th graders, 58:3207
self esteem & verbal behavior & fear & heart rate, social avoider vs socially skilled male college students, therapeutic considerations, 57:12813
self judged physical attractiveness, heterosexual social competence & anxiety & avoidance tendencies, college students, 57:8246
self monitoring of weight & E contact, weight loss, overweight mildly retarded institutionalized adults, 56:1067
self perceived & mutually perceived interpersonal values, college freshmen & their parents, 55:2264
self presentation, psychological deficit as measured by RT, good vs poor premorbid schizophrenia patients, 58:5519
self recording & charting of productivity & decision making & emotion & social behavior, self management of growth during senior year in high school, 57:11461
self report measures of social anxiety & peer ratings & social performance task, behavioral assessment of heterosexual social competence, high- vs low-frequency male college student daters, 54:991
self report of interpersonal transactions translated into viability & economic exchange & cohesiveness categories of community transaction analysis, interactional pattern differences, urban vs rural Alaskans, 55:6884
self vs other perceived dimensions of interpersonal relations, married vs unmarried Ss, 56:7989
semantic scale ratings of slides depicting interpersonal interaction, receptivity to nonverbal implicit communication, student actors vs student clinicians vs naive Ss, 57:8287
semistructured approach with standardized control of variables & retention of spontaneity, evaluation of infants' reactions to strangers, 56:8959
sensitivity, communication & encounter, self-disclosure & self-actualization, 53:11458
sensitivity training experience, belief about locus of control of interpersonal relationships, college students, 54:5199
sensitivity training, personality & attitude change over 1-yr period within educational milieu, college students, 58:1635
sensitivity training with vs without structured exercises, verbalisms reflecting self disclosure & confrontation & dependency on leader & stability of changes in interpersonal relations & self actualization, college students, 58:1634
sensory awareness training, interpersonal social distance, 4th graders, 58:9916
sentence completion technique, measurement of Level IV behavior with interpersonal checklist, males, 55:4529
sequence & context, nonverbal behaviors in outdoor free play interactions, 24–36 mo olds, 58:11521
series of computer programs, analysis of coded statements describing interactive behavior between parents & children, 58:2485
seriousness of interaction outcome & identification with victim vs perpetrator, attribution of responsibility, high school females, 56:6019
setting & significant other & sex & personality variables, tactual behavior, college students, 55:9812
sex & affiliative tendency of S & stranger's physical attractiveness, cross-sexual interaction with strangers, college students, 58:9444
sex & age & degree of acquaintance between individuals, facial behavior during spontaneous interaction & attribution of social distinctions to unseen interactor by viewer, 57:12764
sex & body region & staff status & physical impairment in patient, differences in touching behavior with patients, nurses vs nurses' aides vs orderlies in home for elderly, 58:10059
sex & interest in quasi-counseling position, self disclosure to parents vs best friend vs stranger, college students, 56:9837
sex & marital status & number of children & income & flexibility & independent achievement & interpersonal attitudes, career change after age 31, adults, 55:13646
sex & personal contact with homosexuals & parental influence, attitudes toward homosexuality, college students, 58:9419
sex & professional training, long term career objectives & working environment preferences & interpersonal relationships, male vs female business majors vs female psychology majors, 56:1526
sex & similarity of personal constructs of S & stimulus person, consistency of behavior in gambling situation, 58:7455
sex & spatial invasion degree, compensatory behaviors, college students, 53:5213
sex & status & interpersonal attraction & location of encounter, concepts of interpersonal distance using simulation with dolls & doll furniture, female college students, 58:1104
sex & status of interacting dyads, pedestrian invasion of shared space, 56:4013
sex composition of group, sex role awareness & self presentation & sex related responses, review of studies, 57:5807
sex composition, reactions in unbalanced situations, unlike- vs same-sex dyads, 53:7294
sex differences & personal consistency & development of reciprocity, pattern of self disclosure exchange & amount of disclosures in opposite-sex interaction, college student dyads, 54:11667
sex differences & personality traits, personal space & approach distance, college students, 55:9751
sex differences, dominance behavior, young children in day care centers, comparison with data on nonhuman primates, 55:6700
sex differences, impersonal-individualism & interpersonal orientations in conceptions of autonomy, male & female college students, 58:1229
sex differences, influence of subjective public esteem in interpersonal relationships on self esteem, college students, 56:2417
sex, interaction with classmates & age & race of friends, male vs female 8–10 yr olds, 55:8206
sex, interpersonal gaze, college student triads, implications for group size influence, 58:9491
sex of interviewer & interviewee & audiotape vs face-to-face encounter, GSR & state & rated anxiety & temporal speech characteristics & seriousness of response to initial interview item, college students, 57:1186
sex of role models & Ss' sex & self acceptance & psychological femininity/masculinity, self perception of self esteem & interpersonal contactfulness & supportiveness & aggressiveness, participants in T group laboratory experience, 58:9918
sex of S & degree of acquaintance, verbal & nonverbal interaction during parting, pairs of same-sex Ss, 58:11685
sex of S & E & E's formal vs informal interaction style & explicitly sexual stimuli, self reported physiological arousal & affective changes, male & female single college students, 54:8899
sex of S & worker & worker type & locus of control of S, use of supervisory sanctions, 58:7424
sex of S &/or intruder, reaction to personal space intrusion, white college-aged students, 56:5996
sex role expectations, interpersonal behavior in task-oriented groups, 58:3298
sex structure of consciousness raising workshop & theme-centered interactional method of group-leading, self concept & liking-respect for others, 58:7904
sex typing & androgyny, independence & nurturance in interpersonal situations, college students, replication of S. L. Bem's study, 57:10174
sex-related perceptual-cognitive skills, effectiveness in enactment of instrumental & expressive roles, 55:7244
sexual interests & stimuli & interpersonal & social & psychological factors, homosexual groups receiving vs not receiving psychiatric treatments vs heterosexuals, 53:11502
sharing, integration of intimate economies, 54:9575
short term program for training as small group discussion leaders with rehabilitation clients, level of interpersonal functioning, paraprofessional rehabilitation personnel, 57:13494
short term stability of responses to strangers, 8 vs 10 vs 12 mo olds, implications for infant social & emotional development, 57:10043
short term training utilizing programed instruction with general relationship improvement program vs traditional subject matter lectures vs on-the-job experience only, helping relationship response modes, rehabilitation workshop paraprofessionals, 58:1892

sibling structure & older sibling's aid, conceptual style during sorting task, younger 2–4 yr old siblings, 53:4969
similarities & differences, firearms use & interpersonal relationships, homicide offenders & victims, 54:1406
similarity & compatibility of attitudes & perceived fulfillment of attitudes, interpersonal choice, college students, 58:7458
simulated competitive-cooperative game, interpersonal attitudes, college students, 55:12261
simulated physical disability, distance of approach & time spent in encounter when asked for directions in airport lobby, 53:11631
simulated prison experience, interpersonal relationships & reaction to confinement, students as prisoners & prison guard, 54:1358
simulation game situation, relationship behavior, alcoholic couples vs nonalcoholic couples, 55:7347
situational & relational aspects, interpersonal communication, female adults, 56:2322
situational antecedents of anger vs loss of temper & perceptions of anger frequency & intensity, college students, 57:1266
size of S in relation to confederate & S's sex, aggressive & submissive response patterns to approach of tall large male confederates, 58:3306
small group experience, perceptions of personal growth & interpersonal functioning, beginning nursing students, 58:10121
small group situation vs naturalistic observation, developmental aspects of interpersonal behavior, 15–16 yr olds, 58:11508
small groups using discussion & role playing & modeling & social reinforcement, social anxiety, 6th graders, 57:6290
social activity constant & communication uses, 62–89 yr old female public housing residents, 55:6652
social adequacy, use of interpersonal space, reactive vs process schizophrenia, 53:11843
social anxiety level, expectations & perception of negative interpersonal feedback, college students, 54:7534
social competence, humor responses, alcoholic & nonalcoholic male patients, 58:11877
social competence, interpersonal interaction & antisocial behavior & life stress & readmission rates, acute vs chronic schizophrenics, 56:10056
social deprivation & satiation, social reinforcement receptivity, children, 53:3055
social dominance vs submissiveness, eye contact during interaction, male college students, 56:9834
social dysfunction & depression differences, depressed patients that did vs did not attempt suicide, 53:11855
social exchange systems, interpersonal outcome predictions, male college students, experimental test of J. S. Coleman's social exchange theory, 57:3344
social functions & types of play, Janken play, Japanese 3–5 yr olds, 54:2781
social modeling & rehearsal, assertive training, college students, 55:10309
social participation & shared values & alienation, suicidal behavior, psychiatric patients, 58:7692
social perceptiveness & empathy, interpersonal relationships, 54:1006
social problem solving training techniques integrated into regular curriculum, alternative solutions or elaborations & response effectiveness, 3rd & 4th graders, 57:4337
social psychological conditions productive of status inconsistency effects, test of social certitude & distributive justice models in group discussion situation, 55:2315
social psychological factors, prediction of interpersonal communication & personal influence interrelationships, family heads from agriculturally progressive vs nonprogressive Indian villages, 54:5178
social psychology of small groups, interaction in cooperative & mixed-motive & competitive relationships, literature review, 57:1152
social reinforcement, mental test performance & social motivation, institutionalized vs noninstitutionalized mentally retarded, 58:11933
social relatedness, perceptual performance in shifting mental sets & detecting film sequence changes, 60–80 yr olds, 58:3061
social relationships, successful aging as measured by self perceived morale, aged widows, 55:2248
social roles & values & interpersonal relations, affective & ideological commitment to society, Israeli kibbutz, 54:5078
social role-taking ability & preference for interpersonal control tactics, mentally retarded children, 56:4266
social sensitivity & interpersonal competence & accurate empathy interrelationships, 4th & 6th grade males, 55:4299
social services of experimental hospital for drug addicts, patients' personal & interpersonal relationships in & outside hospital & aftercare & job placement, 57:13469
social skill acquisition & psychosocial development, pre-alcoholics & alcoholics, review, 58:11886
social skill training approaches, heterosexual-social anxiety treatment effectiveness & methodological & procedural problems in research, literature review, 57:13268
social skills assessment, nondating college males, 55:12202
social skills curriculum in vocational rehabilitation, developmentally disabled, 58:1815
social skills training, generalization of commendatory or hostile assertion behaviors to novel interactions, chronic schizophrenics, 57:10839
social support, amelioration of consequences of job termination, 40–59 yr old males, 55:9525
social-emotional variables, perceived pain during prepared childbirth, husbands vs wives vs course teachers vs physicians, 58:5958
socioeconomic status, environmental force in home lives, 3 yr olds, 55:9510
socioeconomic status, interaction with kin & friends, black & white urban adults, 56:577
sociogram technique, graphic depiction & analysis of S's collective social relationship, 57:8661
sociometric analysis, interactions in prisons, 55:2792
sociometric application, Comfortable Interpersonal Distance Scale, 58:8626
sociometric based on rank-ordered data from all group members to represent communication & structure of interaction between any 2 members, Catij technique, 53:11582
sociometric status, spontaneous body movements, 12–16 yr old males, 53:2287
sociopsychological skills training, management trainees, East Germany, 58:2363
sources of awe & unquestioning dependency & need for patient assertiveness, patient-doctor communication & relationship, 57:13367
space availability & sex of targets occupying space, personal space violation in elevator, male vs female office building occupants, 57:3184
spatial intrusion in library, compensatory reactions, criticism of E. R. Mahoney's study & reply to M. L. Patterson, 54:11713
spatial proximity, interpersonal conflict & friendship formation, patients in intermediate-care nursing homes, 54:3948
stability of situational specificity of behavior across classroom situations varying in constraint, 3–6 yr olds, 57:4409
stabilized form of procaine, interpersonal functioning & cognitive ability & psychiatric symptoms & urine & blood chemical findings, geriatric psychiatric patients, 54:10199
stage of social relationship & topical intimacy & situational & group composition considerations, interpersonal exchange, 53:5155
standardized admissions variables, interpersonal skills, counseling students, 53:3200
standards of normality for happiness vs individuality & change & honest communication, rhetorical visions in popular magazines concerning interpersonal relationships, 54:2976
statistical analysis & parameter estimation & goodness of fit & model adequacy, small world studies by J. Travers & S. Milgram & by C. Korte & S. Milgram, 57:4791
status congruence & associativeness, college students, test of J. Galtung's theory, 58:9475
status congruency in small groups, interpersonal conflict, 54:5220
status consistency & reciprocity & sex roles, strategy bases for organization of interpersonal interaction, 56:7916
status differences between subordinates & face-to-face coalition negotiations, insurgent coalition action, triads of male college students, 55:730
status discrepancy of interacting dyads, proxemic behavior, male supervisors & nonsupervisory personnel in utility firm, 55:9786
status equating characteristics, performance expectations in face-to-face interaction, high school students, 58:9500
"step-wise" mutual hypnosis, shared guided fantasy & interpersonal rapport, psychology interns in clinical training, 57:2521
stereotyped characteristics & interracial interaction in liberal environment, white & black Ss, 56:7919
stigmatizing labels of mental illness & sexual orientation, perceptions of deviance & disabled individuals' self perception & homosexuals' cognitive performance & interpersonal effects, female college students & gay liberation members, 56:693
stimulus–response interactional model, process of eruption of violent acts, 53:11592
stranger's approach style & duration of mother's stay, distress & pleasure responses to stranger before vs after mother's departure, infants, 58:7297
structural & interpersonal & intrapersonal constructs as models for educational choice, high school students, longitudinal study, 55:5573
structural & speech therapy, body image & human relationships, 3.5 yr old autistic female outpatient, 53:7878
structural analysis & proposed models, interpersonal behavior, literature review, 53:2991
structure & function & theoretical framework, spontaneous evasions constructed by individuals in conflict over choice during focused interactions, 55:9757
structured group counseling &/vs feedback from multiple assessment instrument, self concept & perceived self & group interactive problems & teacher rating of social & personal adjustment, isolate-rejectee 5th & 6th graders, 58:4447
structured learning exercises in initiating group work, group development, college students in interpersonal growth groups, 56:1029
structured procedures for expressing feeling-cause relations, ability to make more & better feeling-cause statements & locus of control & flexibility & openmindedness & interpersonal manipulativeness, college education majors, 57:6663
structured vs nonstructured small group experience, self concept & interpersonal orientation & perceptions of group experience & attitudes toward trainers, graduate students in counselor education, 55:12891
structured vs unstructured feedback, effective participation in group psychotherapy, short term milieu therapy psychiatric inpatients, 54:3590
student & teacher attitudes toward school environment & academic achievement, assessment of principal competencies & interaction with principal, 4th & 6th & 8th & 11th graders, 58:10484
student teams & learning games, cross-race & cross-sex interaction in classroom, black & white 7th graders, 53:8272
students' personal characteristics & behavior during play & parent & teacher perception of child behavior, process & outcome of play encounters with clinic-referred 4–8 yr olds, trained vs untrained college students, 58:5817
styles of adult reactive behavior, avoidance of social interactions, autistic children, 55:7315
subsequent depression & primary family constellation & self esteem & psychosexual development & interpersonal relationships & treatment adjustment problems, 26 yr old male with familial polyposis, 57:3742
substitutions of socially relevant communication activities, social disengagement, female 62–89 yr olds in housing project, 57:10012
superimposition of diagrams of ego state functions, visual approach to understanding relationships in transactional analysis groups, 54:5934
supernatural & communal & cultural & interpersonal orientations, religious involvement typologies, Jewish adults, Chicago, 54:7314
supervision process & emphasis on effective interaction, counselor education, 53:1290
surveillance, social exchange & psychological reactance in simulated superior–subordinate relationships, male business students, 53:3001
symbolic modeling & therapeutic expectancy & social reinforcement & social stimuli, social interaction behavior in hospital, withdrawn chronic schizophrenics, 55:9930
Synanon "game" verbal attack therapy vs conventional group therapy, interpersonal relationships, male alcoholic patients, 56:8359
systematic desensitization to fears of public speaking & interpersonal relations, anxiety reduction, 54:12318
systematic desensitization vs skills training, dating anxiety & interpersonal skills, college students, 55:1023
systematic development & evaluation, behavioral program for training in interpersonal skills, psychiatric inpatients, 55:7741
systematic human relations training, ability to discriminate & communicate facilitative responses & demonstrate gross interpersonal facilitative functioning, newly employed practicing rehabilitation counselors, 58:10149
systematic human relations training, improvement in perceiving & responding skills & personal orientation stability, adult members of Christian churches, 58:3793
systematic human relations training, interpersonal functioning, dental students, 55:7814
systematic vs monosystematic reinforcement of preferred vs nonpreferred counterresponses, autonomic concomitants of aggressive behavior, male college student repressors vs sensitizers, 53:9540
systematically planned interpersonal skill training program, development of affective communication skills & democratic problem solving methods, student teachers, 58:8195
"systems of relatedness" theory, functional adequacy in patterns of interaction, implications for psychotherapy, 56:753
talking time & successful interruptions & decision measure & attribution of power measure & revealed & unrevealed difference techniques, relationships among family power measures evaluating interactions of 3-member families, 57:10124
tangible &/vs vocal vs subvocal self reinforcement, acquisition of written reflection of feeling responses & attitudes toward interpersonal skills as learned phenomena, college students, 58:7960
tape- vs counselor-directed encounter groups, social perceptions & verbal interactions, black & white college students, 55:2660
target age & race, invasion of personal space, male vs female White vs Black Ss, 57:3192
task difficulty & praise & status orientation & partner sex, interpersonal distance, male vs female college students & dyads, 53:9460
task organization as coordination vs collaboration & member interchange compatibility, leader-member relations, male college students, implications for Contingency Model of Leadership, 57:10257
task orientation & social-situational & person-perception factors, use of reward & punishment as methods of influence, 55:9691
task vs affective imbalance & interpersonal vs task-related intragroup conflicts, instrumental vs expressive leadership & effectiveness, 55:9736
Tavistock type human relations conference, perceptions of group behavior & effectiveness in group & authority relationships, conference participants vs nonparticipants, 58:5870
taxonomy & dynamics, engagement between social scientists & clients in organizations, 57:14112
taxonomy for behavioral outcomes, interpersonal learning in group settings, 54:3988
teacher absence vs presence, peer interaction during snack time, preschool girls at child development center, 58:4342
teaching orientation, social interaction during free play, 4–5 yr olds in traditional vs Montessori nursery schools, 57:11377
temporal cuing of coverant emission, self evaluations, 21 yr old male college student with interpersonal anxiety & depression, 56:8429
test items structured to incur vicious-circle reasoning & test evaluation apprehension & abstract reasoning level, test responses, male schizophrenics vs alcoholics vs normals, analysis of double-bind concept, 58:7620
theoretical basis & workshop application, creativity in human relations, 55:10310
theories on proxemics, 55:729
theory development, leadership & organization & interpersonal relations in medical care institution, outgrowth of S. E. Seashore & D. G. Bowers' research, 55:10447
therapeutic objectives & postgroup evaluation & special techniques, interactional therapeutic groups, 57:13240
therapeutic value, extended patient bedside visits, physicians, 54:6103
threat vs nonthreat vs restored freedom implications, reactance toward future interpersonal communication, 53:9462
time-series analysis, effects of family therapy on family interaction, 57:6293
tip-off vs situational cues as information source, admission of suspicion of fake opponent, male college students, 57:1215
token economy program using poker chips, interpersonal interaction, 17–52 yr old regressed & withdrawn female chronic schizophrenic patients, 55:1034
token reinforcement in operant conditioning technique, therapeutic style of verbal interaction, chronic hospitalized psychiatric patients, 58:3854
tokens in group therapy, patient-to-patient therapeutic interactions, severely disturbed outpatients, 56:8363
traditional role playing vs audiovisual modeling & feedback approaches, conflict resolution skill learning, teacher trainees, 57:8996
Train Game, diagnosis of problems of intimate relationships, book, 53:7979
training in behavioral components of police–youth interaction, preparation for encounters with police officers, court-adjudicated delinquent youths & police officers, 54:3916
training in behavioral exchange negotiation &/vs communication, marriage enrichment, spouses, 58:12074
training in Flanders' System of Interaction Analysis, agreement on classification of verbal behaviors, Ss in role of O vs teacher vs student in peer-microteaching lessons, 55:13442
training method, enhancement of interpersonal relationship skills, 1st-yr medical students, 57:11154
transactional analysis workshops, self esteem & concept & personal values & ability to examine hypothetical interpersonal relationships & communications, educators, 57:13270
transactions occurring in specific situations, doctor-patient relationship, 57:3791
treatment approaches & self-perception & problems & interpersonal relations, homosexual women, literature review, 53:11505
triad as instructional mode employing predetermined roles in small group, interaction & responsibility for group maintenance & task performance, college students, 57:6759
triadic interaction, performance & perseverance on construction task, male vs female disadvantaged 5 yr olds in day care center, 56:1458
type A vs B behavior, group activity level & feelings & task orientation, college students, implications for therapeutic intervention, 56:3995
type classification based on interpersonal styles, outpatient neurotics & prison inmates, 53:5523
type of contingency interaction between actor & O, attributions of personality, 55:7126
type of international contact, changes in attitudes toward other nations, 17–23 yr olds, 54:11719
types & frequency, interactions between residents & staff, institutionalized retarded children, 55:5245
types of interactions & relationships & women in male homosexual community, male homosexuals & lesbians & female heterosexuals, 56:3952
unassociated vs passive gazing vs calmly vs agitatedly conversing groups, perception of territorial boundary permeability, 19–23 yr old pedestrians, 56:687
unilateral & mixed structure & bilateral power systems, operation of power & conflict & cooperation & trust, 58:1040
university community & municipal police department's endeavor in social psychology & organizational change, interpersonal violence in police–citizen contacts, book, 54:2941
unstructured group interaction & verbalization & expression of feelings, therapeutic treatment program, 6–12 yr old psychotic children, 56:989
urban activity group counseling, behavior & self concept & interpersonal orientation, continuation high school students, 56:3048
use of architectural scale-models in spatial-behavioral research, 58:12847
use of vertical vs horizontal social schema words, learning of social structure, male vs female college students, 56:654
utilization of facilities & activities & interpersonal relationships & geronto-psychiatric examination, institutionalized patients aged 60 yrs & older, 57:1765
validity of interpersonal maturity theory as represented in behavior checklist as delinquent typology, male delinquents, 58:7695
value clarification teaching strategy, self concept & classroom coping & interacting, 5th graders, 55:3016
values & facilitativeness, group member interactions as determinants of significant others, group members, 56:2593
values related to interpersonal relationships, college students in baccalaureate nursing programs vs other curricular fields, 56:6793
variations in relatedness need satisfaction created in role playing situation, relatedness desires, managers, 53:10607
various classroom physical seating arrangements, attitudinal & interactional impacts, senior high school social studies students, 55:3163
verbal immediacy as indicator of specificity & directness in dyadic communication, male college students, 56:7891
verbal interaction patterns of advisors, achievement, visually handicapped special students, 55:10969
verbal interactions with infants during 1st 3 months, fathers, 53:7113
verbal staring, defensive responses in conversation, college students, 56:5987
verbal vs nonverbal behavioral reinforcers, conditioned verbal speech production in dyadic social interaction, females, 56:9817
verbal &/vs nonverbal procedures in 1st group meeting, interaction process, 58:5344
video-mediated visual contact vs visual isolation from confederate & feedback indicating confederate's cooperative vs competitive game behavior, attributions of causality, female college students, 58:1142

videotape feedback of group participation, changes in decision making & apathy & aggression & relationship orientation, 54:5197
videotaped modeling & instructions & feedback, peer interaction skill training, developmentally disabled 20–27 yr olds, 58:5619
videotaped observations, patterns & processes & facilitating & disrupting conditions & toy preferences of play interaction, 3 yr olds in dyads, 54:861
viewing aggressive film model & situation vs interpersonal pre-experience, imitative behavior, middle & working class 1st grade males, 55:7077
viewing of videotaped conversations between male & female, attributions from nonverbal behavior of gain & loss in attraction, college students, 55:745
viewing of videotaped social interactions of child with 1st vs 3rd person narration, social behavior, preschoolers with low levels of social responsiveness, 57:8733
viewing photographs of & interacting with handicapped or pregnant vs physically normal people & staring sanctions & reduction of stimulus novelty, staring & avoidance response patterns, college students & business people, 56:9865
viewing positive interaction between whites & blacks in commercially-produced films, attitudes toward blacks, development of instrument to measure attitudes, white 10th & 12 graders, 55:613
viewing real vs fantasy violence following attack by confederate, interpersonal aggression, male college students, 53:5233
viewing scene depicting interpersonal relationship precipitating asthmatic attack in experimental S, respiratory functioning, asthmatic patients, 57:10632
viewing slides of human faces, identification of average faces & attractiveness & companion choices for social interaction situations, Blacks vs Whites, 57:3248
village communications & interpersonal relations, satisfaction with community as adequate family rearing environment, leaders in Wisconsin communities, 57:12641
voluntary vs involuntary retirement, emotional stability & satisfaction & usefulness & self image & interpersonal relationships, aged males, 55:2407
volunteer experience, social perception & interpersonal interaction skills, college student volunteers at day school for emotionally disturbed children, 58:1936
warm & neutral adult models, attention of observational learners, female preschoolers & 3rd graders, 55:4295
white vs black target person, completion of interracial acquaintance chains started by whites, criticism of C. Korte & S. Milgram's study, 53:5037
White vs Black vs Indian recipients & value of shared items & situations varying in social distance, sharing behavior, White preschoolers vs 2nd graders, 57:10337
Whitehorn-Betz A-B variable & personality correlates, success rate with juvenile offenders, correctional personnel, 58:12309
winning vs losing in game & leadership status, justice & generosity in social exchange, male 12–13 yr olds, 53:7340
withdrawal from dangerous relationships, individualism, 55:4626
wives' employment status, wife & pair life & marriage & job satisfaction & performance, spouses, 56:7791
women pretending inferiority in dating situations, female vs male college students, replication & assessment of M. Komarovsky & P. Wallin's hypotheses, 55:681
women's liberation attitudes, chivalry measured by mixed sex game aggression behavior & authoritarianism & social desirability rating, male college students, 58:1126
word associations, socially isolated vs nonisolated high school students, implications for model of etiology of adult schizophrenia, 58:1337
work vs recreation vs social vs interpersonal situations, perception of self vs others, adolescents, 53:11621
worry as creating bad feelings in self & others, 54:5909
3-dimensional model of emotional response as alternative to approach-avoidance model, affective relationship between speaker & listener, 56:5965

Interpersonal Perception [See Social Perception]

Interpretation (Psychoanalytic) [See Psychoanalytic Interpretation]

Interracial Marriage
analysis of attitude organization, interracial marriage & approaches to racial equality as dimensions of verbal racial attitudes, White college students, 57:1053
genetic & environmental factors, IQ & achievement test performance, Black & interracial children adopted by advantaged White families, 57:7996
occupational & socioeconomic status, Blacks & Whites in interracial marriages, 58:984

Interresponse Time
amphetamine sulfate vs sodium pentobarbital vs imipramine hydrochloride, dose-related effects on FR performance, pigeons, 55:6644
associative effects of noise signals & shocks, temporal properties of avoidance responding, rats, 58:449
cocaine iv dosages, response & interresponse times in food maintained keypressing, monkeys, 58:5033
cocaine self administration, temporal aspects using interresponse time, rats, 55:6557
component durations of multiple VI schedule of reinforcement, performance, rats, 55:9028
concurrent & multiple schedules, maintenance of local patterns of responding, pigeons, 54:4914
corrective feedback & temporal interval, immediate & delayed retention for 5 test-taking methods, college students, 55:8962
delay-reinforcement procedure under differential-reinforcement-of-other-behavior, leverpressing & associated water presentation, water-deprived male rats, 57:5054
dextro- & levoamphetamine, FI & FR behavior, male rats, 55:2118
differential reinforcement of long interresponse times, sensitivity of keypeck, pigeons, 57:2577
error-contingent time out, spaced responding, male rats, 54:4891
fixed ratio schedules of token reinforcement, response rate, retarded adults in simulated work setting, 55:10064
FR sequences & selectivity differentiating temporal properties, pigeons, 57:490
free recall task using categorized word lists, item exposure durations & interresponse times & recall accuracy & category output size, temporal flow of information through human information processing system, 55:8890
frequency of reinforcement in multiple variable-interval schedules, magnitude of response rate changes, pigeons, 53:6943
instrumental response chains & timing behavior, rats, 55:3877
interresponse time as stimulus, discrimination & emission of interresponse time & establishment of stimulus control, pigeons, 58:463
low frequency weak electric fields, schedule-controlled leverpressing behavior, female monkeys, 56:3655
lowering of reinforcement density in presence of 1 stimulus following barpressing on multiple VI schedule, response rates to both stimuli & interresponse times, children, discussion of behavioral contrast & frustration effect, 55:191
mathematical model of learning under schedule of interresponse time reinforcement, 56:7071
meaningful & nonmeaningful Go game patterns, pattern reproduction & pauses in recall using interresponse time distributions, skilled vs beginner player, 56:7237
multiple VI VI baseline training & shift to multiple extinction VI schedule, positive & negative behavioral contrast, female rats, 54:4898
multiple-schedule discrimination training, interresponse time distributions of responding to discriminative stimuli associated with VI & DRL reinforcement, male pigeons, 57:2587
no visual input with & without secondary classification tasks during delay period, short term motor memory, 55:8929
omission schedules derived by factorially combining interreinforcement intervals with postresponse intervals, elimination & key reversal & durability conditions, 17–45 yr old students in vocational rehabilitation, 54:1762
presentation of real point reinforcement vs instructions to imagine same point reinforcement contingent upon certain class of interresponse times, occurrence of target interresponse times in keypressing task, 58:8838
psychotropic drugs, interresponse time on DRL schedule, male rats, 55:11758
reinforcement magnitude, interresponse time & reinforcement rate in temporally spaced responding, small rats, 56:1872
reinforcement rate & differential reinforcement of interresponse times, control of interresponse time response distributions, pigeons, 58:444
relative amount of time in interreinforcement intervals on FI & conjunctive fixed time FR1 schedules, postreinforcement pause distribution, pigeons, applicability of relative proximity principle, 56:5413
relative reinforcement duration, responding on short-component multiple schedules, male pigeons, 55:11567
response to sound stimulus with vs without warning signal vs self-initiated trial, difference in time between left & right arms in initiation of bilateral simultaneous flexion of elbows as synchronization error, left- vs right-handed 20–43 yr olds, 54:9036
response-shock interval, temporal gradients of avoidance in unsignaled shuttlebox task, male Norway rats, 53:6927
signalled reinforcement in differential reinforcement of low rate schedules, response rate, male rats, 53:2756
simultaneous vs successive visual presentation of letters & number of letters, response latency & content of immediate memory, college students, 57:12020
spatial preferences to amphetamine using barpressing task, timing behavior, female rats, 55:4107
temporal matching schedule of reinforcement, temporal control of responding, 8–35 yr olds, 58:8829
temporal pattern of terminal keypecking on periodic schedules, pigeons, 55:6307
time intervals of 1 hr vs 1 wk, stability of attitude similarity-interpersonal attraction relationship & information retention, 55:719
time-correlated stimuli or "added clock" with avoidance & FI schedules, performance efficiency in part-time job with payment dependent on performance, female college students, 57:4956
time-out locus during FR reinforcement, pause duration in keypecking response, male pigeons, 56:5363
timeout, performance on VI schedule of electric shock presentation, monkeys, 54:4893
timing of interresponse intervals, tandem process vs associative element chaining model, 57:9423
values of differential reinforcement of low rates, keypecking response rate, goldfish, 54:7131
visuokinetic units in dorsolateral prefrontal neurons, role in delayed-response performance, macaque monkeys, 53:11018
water deprivation & dextro- or levoamphetamine, interresponse time distributions in 3 schedules of water reinforcement, rats, 56:3692

Interstimulus Interval
advance informational signals indicating required reaction, reaction time in simple & disjunctive experiments, students, 53:4385
age & interstimulus interval, sequential integration of visual stimuli, 18–28 vs 51–62 yr olds, implications for stimulus persistence model, 57:12522
alcohol dosage & interstimulus interval & masking stimulus, short term memory, 21–32 yr old males, 56:5692
amount of interaural time delay, intelligibility of speech in noise, 17–50 yr olds, 57:309
array size & interarray interval, developmental change in tachistoscopic recognition task performance, 5 vs 9 yr olds vs college students, 58:5119
associative & nonassociative stimuli & interstimulus delay & emphasis & number of items, visual sequential recall, aphasic vs nonaphasic unilaterally brain damaged adults vs normal adults, 57:3741
attention switching, detection of temporal gaps within & between perceptual tone groups, college students, 53:10808
auditory anchors & interpolated delays, duration of echoic memory, 56:124
background stimuli & interstimulus interval, Pavlovian conditioning, male rats, 54:11296
blackout interval separating successive stimuli, temporal integration of disparate stimulus elements, pigeons, 53:11318
changeover period duration, changeover responding to signaled from unsignaled avoidance, rats, 58:6928
classical nictitating membrane conditioning under single-CS dual-interstimulus interval paradigm, double responding, rabbits, 57:7575
complex visual stimuli, psychological refractory period, 55:3648
concrete word &/or picture pairs & interstimulus interval & identical vs mirror-image pairs, same-different RT for physical & semantic matches, 57:353
congruent vs incongruent outline drawing-word pairings & irrelevant stimulus onset, analysis of naming & reading & comparison performance in terms of Stroop interference effect, 57:7398
critical delay time, foveal size of Panum's area, 53:260
CS-UCS interval, conditioned inhibition of nictitating membrane response, rabbits, 56:3505
cue signal-respond signal reaction time task interval, respiration pattern alteration, college students, 53:11052
dark interval duration, threshold determination in successive stereo & vernier position discrimination, interpretation in terms of movement & memory loss, 57:4872
delay interval between original & new discriminative stimulus, cross-modal transfer of stimulus control, rats, 57:5060
delay of reinforcement & time-associated reinforcement probabilities, interval schedule performance, pigeons, 58:2758
delay times & noise fields, pattern recognition of sequential inputs, 55:3640
delays between shock releasing motor response & UCS shock, anticipatory & unconditioned skin conductance responses within S-controlled paradigm, 55:3942
development & constraints in infant classical conditioning, 56:7634
dichoptic & binocular 2-part stimulus presentation & interstimulus interval, stimulus integration thresholds, 8–12 yr old dyslexics vs normals, 55:12538
diotic vs dichotic forward vs backward recognition masking & mask & target duration & phonetic feature composition & interstimulus intervals, consonant processing, college students, 56:9172
discrimination of brief empty time intervals bounded by brief auditory markers, 57:7310
discriminative cues & time interval, tolerance of pain as measure of fear, male rats, 56:219
dosage level & interstimulus interval, formation of 1 trial poison-based aversions, male rats, 55:6242
duration & intensity of auditory signals & interstimulus interval, incidental serial RT latencies, 27–58 yr old chronic schizophrenics vs normal 21–63 yr olds, 56:10027
duration of access to saccharin following lithium injection & percentage of saccharin in solution, lithium-induced backward taste aversion conditioning, rats, 58:8882
duration of interpresentation time, recognition memory for similar nonsense form pairs, 55:3749
duration of intersignal interval, period of stabilization of conditioned food getting reflexes, rabbits, 55:11542
duty cycle & off time of comparison tone pulse trains to 1 ear, perstimulatory loudness adaptation in other ear, 55:11399
ECS pulse energy & width & number & interpulse interval amounts, quality of convulsive response, rats, 54:6975
emotional response vs intrastimulus brightness contrast, pupil size changes to picture slide stimuli, college students, 55:123
empty passive vs speech-filled passive vs speech-filled active conditions, time estimation, normal hearing college students, 56:84
event & time & quality certainty of UCS presentation, anticipatory & unconditioned electrodermal responses, college students, 56:5215
feedback intermittency, compensatory tracking task performance, right handed college students, 58:2596
flash rate & interflash interval, differential attraction toward intermittent light, chicks, 56:9340
frequency of exposure to nonsense syllables followed by delay vs no delay, pleasantness judgments & recall, college students, 58:4827
frequency theory & feature analysis models of verbal discrimination learning & interstimulus intervals, differential eyelid conditioning to related words, college students, 56:5318
functional decortication due to cortical spreading depression in conditioned stimulus–unconditioned stimulus interval, efficiency of taste aversion learning, male rats, 53:6772
information sequencing & interstimulus interval, response latency & search rate in metered-memory search task, college students, 56:9161
infrequent & unexpected signals, capacity to interrupt highly practiced ongoing repetitive work cycles, females, 54:6629
inhibitory effect of 2nd stimulus, RT to primary visual stimulus, college students, 55:5991
input modality & presentation rate, primary & secondary memory components in free recall, 20–39 vs 40–59 vs 60–80 yr olds, 55:6179
instructions to study silently & associative ability & presentation rate, associative encoding & RT in free recall, college students, 58:10978
intellectual ability & stimulus uncertainty & attention & interstimulus interval & time in experimental situation, average auditory evoked potential, male 19–29 yr olds, 53:458
intensity & frequency & interval of initial tone burst, loudness level of 2nd tone burst, 53:2237
intensity & interval rhythms, perception of auditory & visual temporal patterns, college students, 54:167
interactive effects of dry food reinforcement & fixed time reinforcement schedules with interpellet intervals, schedule-induced licking & drinking behavior, food deprived female rats, 56:1860
interaural interstimulus interval & frequency separation, detectability of complex auditory images, 55:6083
interaural time delay & intensity, lateralization of speech stimuli, 24–30 yr olds, 58:271
interaural time vs interaural intensity, lateralization judgments, 56:1749
inter-click interval, discrimination between single- & dual-click stimulus, pigeons & finches & humans, implications for birdsong communication & individual recognition, 56:1855
inter-frame interval & number of signals in target sequence, apparent motion quality & target detection on visually time-compressed display, 58:10907
interitem interval, recognition performance in instructed forgetting, 18–19 yr olds, 57:9520
internal contours & intercontour distance & interstimulus intervals, metacontrast, college students, 53:6557
interpresentation interval of repeated items & number of repetitions, lag effect in free recall & study time & differential encoding vs differential rehearsal analysis, 57:7446
interpresentation lag & rehearsal mode, recognition memory, college students, 53:6646
interpresentation lag & retention interval & relationship of retrieval cue to encoded information, monotonicity in lag effect, 57:2419
inter-repetition interval in short term motor memory, right-handed male college students, 54:8888
intershock interval, choice of signalled vs unsignalled variable-time shock schedule, male rats, 56:5393
intershock intervals, para-chlorophenylalanine effects on shock-elicited aggression, male rats, 57:814
interstimulus interval & age differences, identical visual & same name matching, kindergartners & 3rd graders & college students, 53:4912
interstimulus interval & amphetamine & barbiturate, frequency spectra of EEG background activity during foreperiod of RT tasks, 20–30 yr olds, 58:9118
interstimulus interval & feedback, time-order effects in duration comparison task, male college students, 56:9067
interstimulus interval & on-time off-time ratio, inhibition & disinhibition of sequential blanking, 55:3630
interstimulus interval & socioeconomic level & reading, vigilance performance, 2nd graders, 55:9366
interstimulus interval & stimulus frequency & intensity difference between 2 stimuli of pair, enhancement & summation in auditory & vibrotactile perception, trained Ss, 55:109
interstimulus interval & 2nd word length, semantic encoding measured by RT in same-different judgments of meanings of adjective pairs, college students, 56:1774
interstimulus interval, amplitude of evoked response to 2nd of pair of somatosensory stimuli, 16–21 yr old slow learners vs college students, 54:9981
interstimulus interval between subthreshold tone & following paired light, backward learning during classical conditioning, 57:7426
interstimulus interval, coding process in matching visually or acoustically confusable letter pairs, college students, 56:3325
interstimulus interval, discriminative conditioning of GSR under masking conditions without awareness, 18–30 yr old students, 54:31
interstimulus interval duration, conditioned suppression, male rats, 53:2811
interstimulus interval, interference measure of category access time in long term memory, college students, 54:378
interstimulus interval length & variability, habituation of heart-rate & skin-conductance responses, 53:4581
interstimulus interval length of discrete trains of click stimuli, habituated auditory evoked responses & EEG & RT, adults, 55:6383
interstimulus interval length, high order sequential effects & negative gradient of RT-interstimulus interval relationship, 54:8913
interstimulus interval length, short & long term habituation of autonomic components of orienting response, male college students, 55:187
interstimulus interval, memory processes in pitch identification, college students, 53:167
interstimulus interval, reaction time of temporal integration & spatial organization of form, college students, 53:10851
interstimulus interval, reaction time to identical vs mirror image vs physically different with same name-match pairs of pictures, college students, 53:4369
interstimulus interval, RT & latency of average evoked potentials to auditory detection task, male college students, 58:2658

interstimulus interval, RT to clicks & psychological refractory period, 8–11 yr olds vs college students, proposed single channel model of information processing, 57:12546
interstimulus interval, stimulus duration discrimination, college students, 53:149
interstimulus intervals & stimulus preexposure, discrimination learning, domestic chicks, 53:2729
interstimulus intervals between tone & shock & signal offset contingencies, free choice of signaled vs unsignaled scrambled electric shock, male rats, 55:6256
interstimulus intervals, discrimination between left–right & right–left paired clicks, albino rats, 53:791
interstimulus intervals, extracellular spike neurons of cerebellar cortex during electrical stimulation of forelimbs, cats, 58:9058
interstimulus water mouthrinses with vs without pretrial molar salt mouthrinse-induced adaptation level increase, sodium chloride detection & recognition thresholds, college students, 53:10783
intervals between cue & test & masking stimuli, visual stores & processing operations in tachistoscopic partial report, college students, 56:5248
intervals between noxious heat pulses to hand, peripheral suppression of 1st pain & central summation of 2nd pain, 22–33 yr olds, 58:10874
intonation & speaker change & interstimulus delay, same-different word RT for successive auditory stimuli, college students, implications for auditory analogy with visual physical & name codes, 57:2335
intrapair interval of stimulating pulse pairs, refractory period of fibers involved in eliciting escape & approach responses by medial hypothalamic or central gray stimulation, male rats, 56:5601
item presentation time & interitem interval & pictures vs words as items, processing rate measured on recognition test, college students, 53:386
lag & retention interval in continuous paired associate task, encoding variability theory & spacing effect, college students, 57:7376
lag between presentations, detection of repetitions in letter sequences & short term recall of repeated items, young adults, 55:8914
lag interval in repeated word task, developmental changes in free recall performance, 4th vs 8th graders vs college students, test & modification of differential encoding hypothesis, 57:998
lead stimulation, cardiac orienting & blink reflexes, college students, 54:11112
learned safety & conditioned stimulus–unconditioned stimulus delay gradient, taste-aversion learning, male rats, 53:6908
left vs right visual field presentation of facial photograph or caricature pairs & interstimulus interval & field masking, perceptual asymmetries in recognition RT to pair members, college students, 57:272
length of silent intervals between tones & tone frequency & spatial location, tone counting accuracy, college students, 57:318
light stimulation, cross modal facilitatory effects upon average evoked responses to auditory clicks presented shortly after light onset, 57:5142
linguistic complexity & rate of speech presentation & interphase pause time, auditory-verbal comprehension performance, 19–75 yr old aphasic patients, 56:10193
long interstimulus interval conditioning paradigm, electrodermal responses & subjective estimates of UCS probability, 56:3615
loud noise stressor & interstimulus intervals, psychological refractory period, college students, 58:8843
luminance & stimulus onset asynchrony with suprathreshold double-light pulses, RT & temporal summation, 56:7157
masking of target tone duration & intertone interval & feedback, perceived target duration in backward recognition masking paradigm, college students, implications for D. Massaro's model of duration perception, 57:11948
masking task during interstimulus & intertrial intervals, differential conditioning of electrodermal responses, college students, comparison with M. J. Fuhrer & P. E. Baer's findings, 53:2366
meaningful vs meaningless CVC units & interphonemic interval size, auditory assembly ability of CVCs, 6–9 yr olds with articulation disorders vs normal Ss, implications for speech & language therapy, 58:1413
menstrual cycle & contraceptive hormonal effects, discrimination of temporally paired flashes, 18–26 yr old females taking medication vs nonmedicated Ss, 56:1951
model interstimulus intervals, mean response latency in pseudoconditioning, college students, 56:9214
multiple image presentation rate & GPA & lateral dominance & speed reading & sex, image recognition, college students, implications for design of instructional media, 55:3026
multiple vs selected retrieval processes, spacing effect in free recall, college students, 58:10986
music-like sounds & interstimulus interval & stimulus duration & adapting stimuli, categorical perception & selective adaptation in sound discrimination, normally hearing adults, implications for speech perception, 57:2336
noun concreteness & presentation rate, forward & backward paired associate recall, college students, 58:10974
number of alternatives, psychological refractoriness of extended movement, male college students, 54:2308
number of lights & interstimulus interval & locus of fixation point & common stimulus elements, disjunctive RT, implications for neurophysiological mechanism of perceptual image invariance, 54:4530
number of preexposures & presence of 2nd stimulus & interstimulus interval, inhibition, Israeli 2nd graders & college students, 54:332
number of sequentially activated electromechanical stimulators & stimulus duration & interstimulus onset intervals, tactile apparent movement perception & judgments of successiveness or simultaneity, college students, 54:2228
number of stimulus features & 1st-stimulus components & interstimulus interval, integration of features in comparing multifeature stimuli, college students, 56:1762
observational angle & stimulus duration & interstimulus interval, spatial & temporal thresholds in apparent movement perception, 55:11374
paired acoustic stimuli & interstimulus interval, recovery cycles of primary & short-latency suprasylvian responses, unanaesthetized cats, 54:8959
pairs of dot patterns forming recognizable bigrams during superimposition & simultanous vs successive presentation & practice, iconic memory & visual processing, 58:10975
pairs of equal area geometrical forms & interstimulus interval, backward & forward masking effects in identification of 1st & 2nd forms, college students, 57:214
pattern complexity & pattern movement & masking & interstimulus interval, same–different reaction time for patterns, college staff & students, evidence for sensory storage & short-term visual memory, 53:8824
pattern part presentation over brief time intervals, visual pattern perception, 53:6550
photopic & scotopic luminance levels & interstimulus intervals, masking functions for paracontrast & metacontrast & target detectability, college students, 58:257
practice & priming & time interval between prime & stimulus, facilitation or inhibition of responses, college students, implications of cognitive representations generated by color names, 55:6181
practice & time-on-task & signal intensity & foreperiod duration, RT, 55:5993
preceding reinforcement magnitude & interreinforcement interval, FI performance, pigeons, 56:9314
preparatory interval length, basal heart rate & heart rate deceleration prior to signal onset & RT during fixed performance, normal vs mentally retarded noninstitutionalized adult males, 54:7894
presence & degree of inducing grating stimuli in adaptation interval & length of interstimulus interval between inducing & adapting grating stimuli, RT to stimulus detection, 57:7334
presentation of irrelevant noise during visual RT task & quiet vs noisy task conditions & interstimulus interval duration & digit orientation & hemiretina presentation, same-different RT, college students, 57:11932
presentation order effects, duration discrimination, adult students, 54:169
presentation rate & incidental vs intentional learning instructions & retention interval & type of orienting task, immediate vs delayed recall of word list, college students, 58:11004
presentation rate & retention test interaction, negative recency effect, 55:6151
presentation time & interitem interval, intentional & incidental learning of paired associates, 53:6600
prior presentation of upper- vs lowercase letter & interval between prior & test letters, test letter classification accuracy, female college students, support for internal image generation, 57:9495
pulse durations of interaural time difference cues, onset & offset transient disparity, 53:186
pulsed sinusoids from 250 to 4000 Hz & interaural phase delays, lateral discrimination, Os, 53:195
rate of presentation, lack of effect at recency end of free-recall serial position curve, college students, discussion of problem for 2-stage memory theories, 53:10922
rate of ready signals, numeric-monitoring task performance, 18–32 yr old males, 58:226
reaction signal & reflex stimulus presented at varying intervals, RT of left foot plantar flexion & spinal excitability, 18–40 yr old volunteers, 56:88
registration interval & self paced study, recall of paired associate lists, senior citizens vs college freshmen & high school students, 57:5543
reinforcing properties of rates of intermittent light, newly hatched chicks, 55:3894
relationship between interstimulus interval & stimulus intensity, backward masking in photoreceptors, 56:3573
relative stimulus contiguity, temporal responding, 57:2472
repetition effects & interstimulus interval, choice reaction time to multidimensional visual stimuli, adults, 53:120
retention interval length, recognition of black & white matrices differing in brightness, 14–16 yr olds, 57:12072
retention interval, same-different judgments of orally presented plastic forms, female college students, 58:223
retinal location & target size & interstimulus interval, metacontrast in fovea, college students, 55:126
reward expectancy & prechoice delays & domesticity, 2-choice conditioned discrimination performance, pigeons, 57:7555
right vs left field CS signaling differential interstimulus intervals, eyelid response topography & latency, right handed college students, 58:10996
room illumination & stimulus size & peripheral angle of viewing & latency between 2 flashes & flash wavelength, double-flash phenomena from single light pulses, 56:1732
selective preparation affecting choice reaction time, nonsensitivity of temporal order judgments, students, 53:10972
self- vs E-controlled selection of repetition lags, acquisition & long term retention of nonsense trigrams, college students, 56:9187
semantics & sentence voice & presentation order of sentences & pictures & interstimulus interval, processing strategies in picture-sentence verification tasks & stages in processing sequence, 55:11437
sensory & associative & criterion effects with variations in interstimulus interval, eyelid conditioning, female college students, 58:6859
sensory dimension variation, perception of melodic & rhythmic auditory patterns, college students, 53:6528
sequential effects of foreperiod duration, conditioned probability of stimulus arrival in choice RT task, college students, 55:1783
sequential letter position & inter-letter interval, spatial localization, college students, 55:8761
sex & age & anticipation & presentation intervals & imagery instructions, paired associate learning, 25–35 yr olds vs Ss aged 60 yrs & over, 55:11999
sex & exposure & interitem interval length, learning connected discourse, male vs female college students, 55:190
sex & verbal ability & stimulus presentation rate, serial rote learning, 60–79 yr olds, 58:879
shock intensity & interstimulus interval & lever position, defensive jumping & rearing & leverpressing, rats, 58:8885
shock train duration & intershock interval & chamber size, fighting elicited by subdermal electric shock, male rats, 54:4738
short sound burst pairs, loudness enhancement & summation, 53:2238
signal detection analysis, determination of interstimulus interval threshold for discrimination of succession, institutionalized educable mentally retarded males with mean age of 12.7 yrs vs nonretarded males with mean age of 13.01 yrs, 55:10074
signal-shock interval, rapid acquisition of discrete-trial leverpress avoidance, female rats, 55:11544
simultaneous vs successive presentations of 2 halves of ambiguous figure at differing time intervals, object character nature of visual perception, college students, 57:254
S-initiated trials in classical GSR conditioning & interstimulus interval & pseudoconditioning & hypothesis testing instructions, response magnitude & percentages with vs without probe stimulus & arousal level, 58:2885
size of print & loudness of sound & presentation rate modifications at input level, learning rate of task simulating word learning, 1st graders, implications for classroom learning, 58:10979
spacing interval in incidental vs intentional learning, free recall, college students, 56:7220
spatial & temporal displacements, detection of coherence in moving random-dot patterns, male college students, 56:104
spatial frequency content of masking noise & stimulus onset asynchronies, threshold detectability of briefly presented target, 56:7125
spectrum & intensity of brief acoustic pulses, discrimination of marked time intervals, 16–21 yr olds, implications for time discrimination model, 58:6765
speed-accuracy tradeoff strategy in double stimulation paradigm, psychological refractory period effect & 2nd response, college students, 57:11874
stimulus & interstimulus interval duration, picture recognition, college students, 53:4519
stimulus complexity & type of match & retention interval, form matching performance, college & graduate students, 58:2688
stimulus delivery rate, selective attention & auditory vertex potential, 56:3565
stimulus disparity, temporal gap detection with intra- & cross-modal stimuli, college & graduate students, 53:2199
stimulus duration & interstimulus interval, recognition & recall of pictures, college students, 53:10970
stimulus duration & interstimulus interval & dot intensity & letter field, iconic memory of dot patterns, college students, 55:3727
stimulus duration & measurement using method of constant stimulus differences alone vs combined with multiplicative methods, temporal tone differentiation for intervals of 50–700 msec, 57:4902
stimulus intensity & interstimulus interval & training trials & stimulus omission, recovery of skin conductance response & finger pulse volume response of orienting response, college students, 56:289
stimulus intensity & length of adaptation period & interstimulus interval & tone vs music stimulus, primacy effect in orienting responses, college students, 56:9142
stimulus linguistic content & temporal organization, auditory short term memory, learning disabled children, 55:7402
stimulus pairing & interstimulus intervals, estimation of stimulus duration, 55:98
stimulus range & interstimulus interval, time-order errors in comparisons of 300 msec duration stimuli, 55:3601
supplementary auditory stimulation prior to startle elicitation & interpulse interval, startle reflex modulation, rats, 57:5079
surprising vs expected UCS & interstimulus interval, short term memory, rats, 54:719
systematic variation of tone intensity & interstimulus interval & direction of attention, auditory evoked potentials, 56:3563
target duration & interstimulus interval & forward vs backward masking & target-mask combination & mask duration, recognition of synthetic speech under diotic vs dichotic presentation, implications for consonant processing in natural listening setting, 58:6818
target internal contours & intercontour space & interstimulus intervals & target detectability, metacontrast, college students, 57:256
technique & device, measurement of perceptions of intervals between notes or beats in speech or musical rhythms, 53:2226
temporal contiguity, intentional & incidental paired-associate learning, college students, 53:4445
temporal contingency & percentage of pairing, conditioned reinforcement, pigeons, 55:1916
temporal cortex ablation, time interval count in alimentary conditioning, dogs, 55:2053
temporal effects & signality, leverpress escape training, rats, 56:213
temporal factors, acquisition & maintenance of autoshaped keypeck, male pigeons, 53:11314
temporal intervals, comparative judgments of pitch, right- & left handed Ss, 54:4517
temporal limitation for response reinforcement & interstimulus interval & antecedent stimuli, response latencies in group matching-to-sample game, preschoolers, 58:2586
temporal order, auditory perception, 54:199
temporal properties of stimulus pattern, sequencing task performance, educable mentally retarded 9–14 yr olds in special classes, 55:3222
temporal pulse-count coding of electrical stimuli applied to eye, perception of color, 55:8784
temporal relations, control of backward masking of pure tones, adults, 55:144
temporal relationships & stimulus sequences & quantity of prior stimuli & intertrial interval, delayed matching-to-sample performance, monkeys, 55:11581
temporal separation & presentation modality, frequency estimations for words appearing in 1 vs both of 2 successive lists, college students, test of multiple-trace hypothesis, 54:8886
temporally distorted sentential approximations of varying length, recall accuracy, 2nd vs 4th graders, 57:5456
time between training & test stimuli presentation & size vs brightness dimension & distance between training & test stimuli, transposition, rats, 54:7090
tone duration & tone pair interstimulus interval, memory performance defined as pitch discrimination among tone pairs, 20–27 yr olds, 57:9526
total presentation time, total learning time in connected discourse learning, 53:4430
trace interval & CS duration & interreinforcement interval, keypecking, pigeons, 58:11075
trials per session & interstimulus & intertrial intervals, conditioning of nictitating membrane response, rabbits, 55:6299
trials per session & interstimulus intervals & intersession interval, nictitating membrane response, rabbits, 56:5410
type of viewing & interstimulus interval & alternation of multielement stimulus frames or 2 different stimulus displays, apparent movement, 57:277
UCS intensity & number of & intervals between successive CS-UCS pairings, acquired drive strength as measured by hurdle-jump response latency, male rats, 57:7566
UCS-CS interval, conditioned inhibition in backward conditioning design, male rats, 57:9600
variation in temporal locus of vicarious & directly experienced punishment, resistance, 5–8 yr old boys, 54:8901
ventromedial hypothalamus lesions, facilitation of baitshyness in acquisition of single trial long CS–UCS interval conditioning task, rats, 55:6523
verbal discrimination task with mixed-list manipulations of implicit associative responses & rate of presentation, strategies, college students, 54:4557
vicarious vs direct instigation, conditioning of skin conductance response in successive component long interstimulus interval paradigm, college students, 57:7685
video sampling apparatus, measurement of maximum visual temporal integration time as critical duration at various background intensities, 53:8754
visual & auditory stimuli & cross stimulation of opposite side receptors & interstimulus interval, perception of temporal order, 57:4852
visual & verbal coding of stimuli & interstimulus interval, memory for drawings vs sentences, 53:364
visual aspects of letter stimuli & cue reliability & information load & interstimulus intervals, same-different judgments of letters, 55:8865
visual cued observation interval, high-confidence decision-related cortical evoked potentials during auditory signal detection, young adults, 55:332
visual perception load task manipulating interstimulus interval, response & involuntary hand movements, train drivers, 57:9433
visual vs auditory warning stimulus & interstimulus intervals of prolonged simple RT task, contingent negative variation of EEG, 24–28 yr old males, 56:5541
voluntary attention, spacing effect in judged frequency of words & pictures, college students, 54:11020
word lag & delay & availability of semantic information, dual vs single encoding in recognition memory, college students, assessment of C. Winograd & S. R. Raines's view, 57:7382

Intertrial Interval

activity between successive trials & post-knowledge-of-results delay intervals, motor learning, college students, test of J. A. Adams' closed loop theory, 58:4715
attention & recall delay, retention & reproduction of passive movement, 17–18 yr olds, 53:8827
aversive schedule change, behavioral contrast, children, 55:8694
circadian placement & sleep vs wakefulness during retention interval, long term verbal & visual memory, college students, 58:2694
contextual change produced during intertrial interval as release from proactive interference, short term memory, 55:6156
CS & UCS presented in random temporal order & with random intertrial intervals, activity & excitability to electrical current of cortical auditory receptive neurons, naive vs blink-conditioned vs "randomization" cats, 57:12348
CS-UCS & intertrial interval & temperature & natural appearing escape route, avoidance conditioning, desert iguanas, 56:7334

delay between trial segments, frustration effect in post-reward & post-nonreward performance, 55:11572
discrete-trial & continual stimulation, evoked potentials in auditory cortex, cats, 57:5990
distinctive stimulus associated with onset of acquisition of reinforced trials & elimination of rest period, spontaneous recovery, pigeons, 57:7585
ethanol, acquisition & retention of avoidance learning as function of intertrial time on grid floor, rats, 53:608
feedback & intertrial white noise & task difficulty & intertrial intervals, intertrial dependence in detection & recognition tasks, college students, 53:5209
fixed vs variable intertrial interval, classical conditioning of shock-induced aggression, rats, 58:11083
food deprivation, overnight decrement in maze performance for food reward, mice, 55:3862
high-deprivation runs, long term increment in low-deprivation performance, rats, 55:9033
imagery–concreteness pairing & instruction strategies & test delay, cued vs noncued recall, college students, 53:376
intermittent reinforcement & intertrial interval, shuttlebox avoidance, male gerbils, 54:2606
interpolation of secondary task during intertrial interval, concept identification problem performance, college students, 55:11439
interproblem delay & age, intra- & extradimensional shift performance, younger vs older elementary school children, 55:9405
intersession interval, ability to reduce frontalis EMG during biofeedback, 20–39 yr old college students & employees, 58:2883
intersession interval, physostigmine effects during avoidance behavior acquisition, male rats, 53:2622
intertrial interval & deprivation length, running speed for water reinforcement, male rats, 53:2746
intertrial interval & foreperiod duration, acquisition of conditioned emotional response, male rats, 57:2592
intertrial interval & foreperiod lengths of target trial & trial preceding, reaction times, institutionalized retarded 14–20 yr old males, 53:3436
intertrial interval & memory & memory retrieval, reward schedule effects on extinction, rats, 53:6905
intertrial interval & stimulus intensity during nonreinforced preexposure & latent inhibition in escape-avoidance & conditioned emotional response tasks, rats, 57:12171
intertrial interval, acquisition & maintenance of simultaneous discrimination using free operant response, rats, 58:11096
intertrial interval, acquisition rate in Y-maze learning task, C57BR vs C57BL/6 vs BALB/c male mice, 56:7371
intertrial interval, avoidance learning tasks, female rats, 54:4886
intertrial interval between nonreinforced & following reinforced trials, resistance to extinction, male rats, 56:9313
intertrial interval, contrast effects in discrete-trial discrimination learning, pigeons, 53:708
intertrial interval duration & variation, classical conditioning of directed motor behavior, pigeons & rats, 58:456
intertrial interval duration, discriminated 1-way avoidance responding, male rats, 54:702
intertrial interval, passive avoidance conditioning, young chicks, 57:7586
intertrial interval, passive avoidance learning, octopuses, 53:671
intertrial intervals & discrete conditioned stimulus & situational cues, conditioned fear, female rats, 53:2758
intertrial intervals in differential conditioning with large & small food rewards in predetermined trials, time-dependent reward-produced & response-produced cues & discrimination learning performance, rats, 57:2562
intertrial intervals, keypecking in negative automaintenance, pigeons, 58:489
intertrial responses & confinement in apparatus, avoidance performance in heterogeneous black–white shuttlebox, female rats, replication of findings of R. G. Weissman et al, 53:9170
intertrial reward & rat nonreward goalbox placements during 20-sec intertrial interval, performance on single alternation runway, rats, 58:45
interval between stimulus presentations & test & number of sounds & nonverbal self mediated verbal descriptions & cuing, recognition memory for common sounds, 58:339
intra- & interstimulus interval & brightness similarity of alternatives & free-choice 2-trial exposures, alternation behavior, cockroaches, 58:483
intralist interference task, pattern discrimination & Y maze performance, hippocampally sham lesioned rats, 53:555
irrelevant letter color & case changes, visual recognition speed for letter names, following short retention intervals, college students, 53:379
issue in 1 day period between lesson parts, primacy effect in attribution of ability to student observed in tutoring session, 5th–6th graders, 54:7606
length of & interpolated activity during post-knowledge of results interval, acquisition of serial-motor task, males, 57:9438
length of nonserial prevention task & lag between successive repetitions, free recall of object phrases, college students, 58:360
magnitude & schedule of reinforcement & level of training, acquisition & resistance to extinction in instrumental escape learning at 24-hr intertrial interval, rats, 57:5066
marking task during intertrials & intertrial intervals, differential conditioning of electrodermal responses, college students, comparison with M. J. Fuhrer & P. E. Baer's findings, 55:2366
masculine & stress & intertrial interval, multitrial passive avoidance, male rats, 55:6638
nonspecific stimulus & target characteristic change & intersession interval, multiple determinants, rats, 55:6346
note taking vs underlining only during lecture & review & immediate vs delayed testing, retention of information, college students, 55:6139
orienting response & electrodermal response increase & electrodermal response to US aftereffect period, 8–32 yr old males, 58:9026
performance & performance of eyeblink responses, initiation of response to conditioned & unconditioned stimuli, rats vs gerbils, 57:9605
pictures vs words & retention interval, recognition memory, female college students, 55:446
practice & overlearning & retention interval, recognition memory for names & surnames of classmates, high school graduates, 54:360
prior list number & manner vs letter lists & intertrial interval, release from proactive inhibition in memory scanning paradigm, college students, 55:10497
proactive inhibition amount, proactive inhibition time release, undergraduates, 58:204
punishment lengths & nonreinforcement lengths, resistance to punished extinction, rats, 55:248
recall trial duration vs demand characteristics of experimental situation, item organization as intertrial forgetting & spontaneous recovery, college students, 53:4504
reinforcement magnitude & omission, responding on VR schedules, male rats, 56:5406
reinforcement probability & intertrial interval length, behavioral patterns & short term memory effects, pigeons, 58:472
reinstatement of retrieval cues & reward amount & intertrial interval partial reinforcement & N– length effects & alternation patterning, 58:8896
relative amount of time in nonreinforcement intervals on FI & conjunctive fixed time FR1 schedules, postreinforcement pause distribution, pigeons, applicability of relative proximity principle, 56:5413
REM sleep time vs REM-absent condition, amount & kind of material recalled, college students, 55:154
rest interval length, oscillation effect induced by unilateral amygdaloid stimulation, male rats, 58:636
rest vs sorting task vs meditation, reaction time, college students, 53:262
retention interval & information load, short term recognition memory, institutionalized 14 & 15 yr old retardates, 54:3424
retention interval, monotonic vs nonmonotonic lag, in paired associate learning & cued vs uncued recall in recognition, humans, 56:3415
retention interval, recall of presentation mode, 54:397
retention intervals, recognition memory for words vs pictures, college students, 56:3413
retention intervals, short-term recall of word triads, preschoolers, 53:401
retention of appetitive pre-exposure, performance of passive avoidance task across 24-hr period, rats, 58:8895
reward outcome of preceding trial & long intertrial interval, black–white discrimination learning, female rats, 53:9176
schedules of rewarded vs nonrewarded trials & acquisition intertrial interval, resistance to extinction, male rats, 57:7559
scopolamine & intertrial interval duration, variable intertrial interval spatial alternation & memory, male rats, 58:11277
septal lesions, active avoidance in shuttle box & running wheel tasks under punishment vs nonpunishment of intertrial responses, rats, 56:5604
sequences of sucrose reward magnitudes & intertrial interval, aftereffect learning, rats, 58:421
serial reversal learning with subsequent percentage reinforcement of correct trials & duration between rewarded vs nonrewarded correct trials, short term retention of preceding response outcome, pigeons, 57:527
short vs long recovery intervals & high vs low drive, spontaneous recovery, rats, 53:722
spacing interval & intervening task difficulty & retention intervals, short term memory, support for E. Saltz's boundary strength hypothesis, 55:3763
stimuli arising from goal & response events, control of instrumental behavior, male rats, 53:11268
suspension of avoidance sessions for 1–4 wks, improvement of leverpress avoidance, rats, 53:709
temporal factors, acquisition & maintenance of autoshaped keypeck, male pigeons, 53:11314
temporal relationships & stimulus sequences & quantity of prior stimuli & intertrial interval, delayed matching-to-sample performance, monkeys, 55:11581
temporal separation between trials, double alternation learning, monkeys, 54:7132
time between 2 readings & typography & basis of classification, memory for sentences, college students, 53:8817
time interval between 1st & 2nd learning of semantic material, proactive interference & semantic transfer, students, 56:7211
timeout from avoidance, sequential response reacquisition, rats, 56:5411
timeout, performance on VI schedule of electric shock presentation, monkeys, 54:4893
titration of intertrial interval, matching-to-sample accuracy, pigeons, 57:12146
trial & intertrial interval durations, acquisition & maintenance of autoshaped keypeck, pigeons, 58:8865
trial with vs without reward & short vs long intertrial time, response latency, rats & goldfish, 53:734
trials per session & interstimulus & intertrial intervals, conditioning of nictitating membrane response, rabbits, 55:6299
trials per session & interstimulus intervals & intersession interval, nictitating membrane response, rabbits, 56:5410
variable-duration rest period, partially conditioned eyeblink response, male rabbits, role of fatigue factors in incubation effect, 54:710
vocal & manual response & intertrial interval & interfering information, Stroop color word effects, 58:215
within-trial interval, recall vs anticipation methods of paired associate learning, college students, 55:183

Interval Reinforcement [See Fixed Interval Reinforcement, Variable Interval Reinforcement]

Intervals (Stimulus) [See Stimulus Intervals]

Interviewing
admission policies & procedures, American medical schools, 54:2199
affective vs behavioral counselor interview styles, client environmental contingency & goal-related & action-step-related & self reference affect & time-oriented statements, female clients, 58:12214
agency counselor-interviewer training program, 53:6319
ambiguity tolerance & exposure to videotape model interview behavior, counselor trainees, 57:11111
amount of information & types of explanations for drug abuse, teenaged vs adult interviews eliciting drug information from youth, 55:2319
amount of participation & presentation order of material & interviewees' self esteem & authoritarianism & independence need, effectiveness of microteaching appraisal interviews, 55:13672
analysis of audiotaped interviews with clients, maintenance of specific counseling skills over time, counseling trainees, 57:13556
appraisal interviewing styles, anxiety & defensiveness & style preference, interviewees, 56:1611
attitudes toward use of authority in interviewing & rigidity, selection for mental health counselor training, Catholic nuns, 53:9698
attraction to news source & topic importance & reporter-source topic orientation similarity, 'information seeking' behavior in interview format, journalism reporting students, 58:557
behavior techniques, communication in interview with abusing parent, social workers, 54:6165
body lean & status of interviewer, nonverbal behavior of interviewees, Japanese students, 53:9496
change in interviewer, code elaboration during conversation & relationship to social class, 6th graders, 55:11849
classroom approaches & forms of homework in interviewing skills training, interview performance, law students, 58:6092
client-rated counselor characteristics, novice vs professional counselors & college students, 53:5611
cognitive & behavioral dimensions of interviewer disclosure, frequency & level of interviewee self disclosure, 57:6240
collaborative interviewing & interaction research, research technique in study of family process, 56:5104
communication skills course dealing with interviewing patients & medical history taking, 54:8095
coping model using vicarious behavior induction vs mastery model using expert models, tolerance for ambiguity & anxiety & interview performance, counseling graduate students, 58:1646
counselor affective vs behavioral interview styles, within-interview verbal behavior & perceptions of interview in simulated crisis situation, female clients, 57:13183
counselor affective vs behavioral interview styles, verbal behavior & perceptions of interviews & action steps after interviews, female clients, 57:13189
counselor philosophy & coached-client role behavior, range of verbal behavior, counseling practicum students, 56:2576
direct questioning vs phenomenal thematic interviewing, responses concerning ideal family size & son preference & birth control, spouses, China, 55:9637
ethnographic evaluation based on participant observation & field interviewing in education, 58:4409
exposure to high vs low self disclosing model in laboratory vs nonlaboratory interview settings, willingness to engage in self disclosure, college students, 57:12795
face-to-face vs videotape interviewing, GSR responses & state & rated anxiety & speaking time, college students, 55:12199
free imagery vs nondirective interviewing vs dextroamphetamine vs amobarbital vs meprobamate vs alcohol, lifting of posthypnotic repression, male Ss, 58:3693
frustrative nonreward, verbal productivity in interview, college students, 55:12186
goal-demand conditions & topics in interpersonal clinical situation, paranoid & nonparanoid schizophrenics & nonpsychotic psychiatric inpatients, 57:1573
group composition including experts & nonexperts in field of work & minority & nonminority ethnic group members, influence among members of interview panel, candidate evaluation panels, 57:7035
high vs low creativity, imitation of videotaped clinical interviewing questions with compulsive handwasher, college students, 53:1095
individualized study vs group training with vs without instructor microtraining, teaching interviewing skills, counselor trainees, 55:7821
information about interviewer, perceptions of interviewer & self disclosure, interviewees, implications for client-counselor relationship, 56:1004
initial counseling techniques, 54:3843
instructional package, learning job interview skills, predelinquent boys in behavior modification treatment program, 55:10323
instructions & modeling, reflection-of-feeling responses & level of empathic communication in interviewing, males & females low in interpersonal communication skills, 57:6314
instructions & verbal modeling interviewing procedures, reporting of health information, 18–64 yr old white females, 53:9569
instructions & verbal modeling, health information reporting in household interviews, 55:9699
interaction analysis, assessment of communication skills during initial interviews with patients, occupational therapists with 1–18 years of clinical experience, 58:4100
interaction analysis vs global faculty ratings, measurement of changes in ability to relate to patients during interviews, medical students observed during sophomore & senior years, 57:4254
Interpersonal Process Recall method using film & videotape & developmental task strategy, counselor & interview training, college students, 55:2850
interview approaches, Ss in 80's & 90's, 56:7000
interview techniques, interviewing reluctant bureaucrats, 54:5180
interview training program, nonpossessive warmth, employment interviewers, 55:1628
interviewee described as job applicant vs patient, perceptions of interviewee's problem as person-based vs situation-based, psychodynamically vs behaviorally trained clinicians, analysis of E. J. Langer & R. P. Abelson's data, 58:1911
interviewee intelligence & explicitness vs implications of interviewer's conclusions in counseling analogue, college students, implications for counseling, 55:7507
interviewer attractiveness & gaze & reinforcement of S's gaze, evaluation of interviewer, male college students, 53:9522
interviewer disclosure & modeling & model disclosure level, subsequent self disclosure in initial interview in psychotherapy analog, female college students, 55:10257
interviewer self disclosure & sex of Ss & seating arrangement, self disclosure in initial psychological interview, male vs female college students, 57:13167
interviewer self disclosure & visual concentration vs avoidance, verbal & affective & postural & visual responses & attraction to interviewer, male college students, 56:2389
interviewer self disclosure vs verbal reinforcement of self referent behaviors vs direct instructions to self disclose, self disclosure & anxiety on personality traits, male vs female college students, 58:3356
interviewer sex pairing & use of positive vs negative self disclosure, perceptions of interviewer & own behavior, college students, implications for counseling, 58:12213
interviewer status & anticipated evaluation & interview topic & question specificity & interview segment, interviewee verbal productivity & disfluency & lexical diversity, college students, 58:1079
interviewer vs office coding, measurement & coding of occupational status in family planning attitudes & practices survey, 53:6270
interviewer-emitted nonverbal cues, nonverbal responses, autonomous vs dependent college students, 53:5164
interviewer interviewee similarity, liking for vs bias toward applicants, college admissions officers, 54:4018
interviewing laboratory, development of interviewing skills, social work students, 54:7727
interviewing, psychiatric field surveys, 54:21
interviewing style & seating arrangement & sex of S & temporal sequence of interview, reciprocity in self disclosure, college students in psychological interview, 58:5778
interviewing style, self disclosure in dyadic interaction, females, 58:11640
interviews by telephone vs in person, quality of responses to complex attitudinal & knowledge & personal items & field performance, 57:12727
method of direct interviewing vs use of medical sources, prevalence of mental disorders, adult vs total populations of 2 differing communities in southern France, 57:1305
methodological problems, error in interviewing, book, 54:6536
methods of interviewing, acutely upset or disturbed or psychotic or irrational or uncooperative or disinterested or unmotivated offenders, 53:8089
microcounseling as training model, teaching interviewer responses to client cues in rehabilitation initial interview, college students in rehabilitation, 55:2875
microcounseling paradigm using video models & self observation & cue discrimination & reinforcement, attending behavior & interviewing effectiveness, 9th graders, implications for school guidance & human relations training, 55:3226
microcounseling variations using videotape modeling & reinforcement feedback, training to respond to client cues in rehabilitation initial interview, female college students, 57:13530
micro-interviewing skills training, counselor-client relationship & increase in behavioral count of skills taught & potential client preference, preprofessional counselor trainees, 55:7841
modeling vs differentiated practice & level of alertness, acquisition & retention of verbal & nonverbal interviewing skills, dental health paraprofessionals, 57:11180
multiphasic & self confidence & client type, verbal & interview behavior, counselor trainees, 55:2866
need for approval & modeling & perception of models' adjustment, behavior during interview following role training, female college students, 57:6184
nonjudgment interviewer "mm-hmmms", facilitation of interviewee verbal productivity, college students as interviewers, 56:9845
nonobtrusive interview technique for drug abuse program followup, paraprofessional street workers, 56:8551
nonrepeating exercises to conduct leaderless group discussions & peer interview procedure, interplanetary simulation, 56:10812
objectivity scored interviewing, behavior, psychiatrists vs medical students, implications for interviewing skills course, 57:6580

observation & interviewing techniques, 2 yr course in field methods in social science research, 54:6272
outside O presence, social distance & interview bias during cross-cultural surveys, 53:5150
perceived interviewer expertness & attractiveness & interviewer attire & professional vs casual interview setting, evaluation of interview, college students, 57:12779
persistence of communications skills during interviewing & in written data, college students in special vs regular personality course vs 1st-yr graduate students in fundamentals of counseling course, 6–9 mo followup studies, 56:10499
personality characteristics & relevance of characteristics to effectiveness as therapist, prospective clinical psychology students selected by group interview method for advanced psychological studies, 56:10512
persuading applicants to accept job offers, employment interviewing procedures, 53:12653
physical attractiveness & sex of target, target–S distance in laboratory & interviewing situations, male vs female college students & pedestrians, 57:10266
position effects, interview responses, Ss aged 65 yrs & older, 53:1052
preceding interviewees' performance, contrast effect in assessment of 3rd candidate's interview using mock applicants for medical school, 55:11093
preservice training alone vs with delayed vs immediate supervision, pattern & timing of interventions & self evaluation of interviewing performance & client satisfaction with treatment, nonprofessional crisis intervention counselors, 57:13498
problematic approach, reassessment of interview, 54:7457
professional vs interpersonal interview styles, accuracy & amount of reporting about automobile accidents in survey interview, adults previously involved in automobile accidents, 56:9818
programed instruction vs cued-videotape modeling vs behavioral feedback, interview skills acquisition, field independent vs dependent trainees, 58:12347
question phrasing, reports of & memory for events, eyewitnesses, 54:4601
sex & status of interviewer, sex differences in self disclosure, college students in counseling analogue situation, 55:7051
sex of interviewer & interviewee & audiotape vs face-to-face encounter, GSR & state & rated anxiety & temporal speech characteristics & seriousness of response to initial interview item, college students, 57:1186
smartness of clothing style of interviewer, willingness to answer questions, Ss in railway station, 56:6040
specificity of instructions & demonstration of "good client" behavior, emission of positive self-references & affect statements in quasi-counseling interview, college students, 55:10572
state affect & sex of S & counselor's interview behavior, client attraction to counselor, college students, 57:13190
structured interview form for state hospital entrance evaluation, supervision of subdoctoral students' interviews & evaluations, 56:4682
structured learning techniques, attraction enhancing interviewee skills, lower socioeconomic emotionally disturbed children & adolescents in psychotherapy, 58:12103
success indicators of vocational placement, number of contacts with disadvantaged applicants, employment service interviewers, 53:6323
supervised vs nonsupervised microcounseling instruction method, acquisition of interviewing skills, female registered & licensed practical nurses, 57:8907
supportive interview following threatening instructional set, reduction of social desirability response set on personality tests, college students, 55:7220
systematic desensitization vs behavioral rehearsal programs, state anxiety during videotaped counseling interview, counselor trainees, 58:10107
systematic focused interview schedule, interviewing, recently bereaved Ss, 55:7505
technique & coding procedure, training & supervision & evaluation of interviewer performance, book, 54:7448
timing & number of interviewer disclosures, number of S's disclosures & perceptions of interviewer, female college students, 54:5201
tolerance for ambiguity, verbal behavior in counseling interviews, counselors, followup of Riewald's study, 58:1883
training in model of T. N. Rusk & focal therapy, response patterns in crisis intervention, clinical psychology graduate students, 56:1241
training over 3 yrs, interviewee rated warmth & genuineness & skills, novice vs professional interviewers, implications for use of nonprofessional mental health interviewers, 57:8938
type of questions used for interrogation, later recollections of complex incident, college students as witnesses, 55:668
using indigenous vs middle class interviewers & interviewer education & experience, performance in interviewing low-income populations, researchers, 54:9619
value-oriented interviewing technique, selection of humanistically-oriented teachers & determination of success in innovative value-oriented curriculum, teacher candidates, 55:1283
verbal diversification, repression-sensitization defensive style & self disclosure in neutral & anxiety interview content, female interviewees, 55:12644

Interviews [See Also Job Applicant Interviews, Psychodiagnostic Interview]
absence vs presence of parents, interview responses concerning family events & wider social issues, 15–29 yr olds, Hong Kong, 54:2920
advice from chest physician to stop smoking & extra motivating interview & wearing of white coat by interviewing psychologist, smoking level, smokers, 56:4484
age & expectations regarding interviewer, seating distance from interviewer, 49–81 yr old county home residents vs 18–26 yr olds, 57:3168
age & sex & socioeconomic status & social mobility of interviewer & respondent of interviewer ratings, interviewer variance in survey responses, 57:12712
anonymous group-administered questionnaires vs anonymous interviews vs nonanonymous interviews, expressed attitudes toward drugs & self reported use of legal vs illegal drugs, college & graduate students, 56:7838
applicant's nonverbal videotaped behavior, judgments in simulated structured loan interview, college student evaluators, 54:7542
appraisal interview style & goal setting & differential feedback, satisfaction & motivation & test performance, college students, 58:12359
audiovisual interview with patient, medical education management tool for perception of performance & service of student physicians & physicians, 58:10174
audiovisual self confrontation and/vs supportive nondirective interviews, facilitation of personality change, college students, 57:8574
behavioral measurement of social competence in context of structured interview vs Social Experience Inventory Scores, adolescents, 58:9319
body movements & voice pitch during deceptive vs honest interviews, student nurses, 58:3292
business vs psychotherapeutic vs sexual setting & intimacy depth of disclosure probe, interviewer attractiveness & attitude change, male college students, 53:7318
certainty of career choice at 1st interview & frequency of career advisory interviews, early career decision making, college graduates, 57:9168
client orientation toward counseling, interview behavior & self exploration & self referrals, 7th graders, 56:3039
client type & stage of student's training, responses to simulated initial counseling interviews, counseling trainees, 57:11155
cognitive & behavioral dimensions of interviewer disclosure, frequency & level of interviewee self disclosure, 57:6242
collection of interviews, contemporary psychologists & anthropologists & biologists & social theorists, book, 53:7475
computer-based content analysis of interview data, numerical description & multivariate analysis, 58:4559
construct & predictive validity of structured interview, identification of successful college football players based on motivational traits, utilization of Fear's interview model, 57:7189
counseling techniques of interpretation & restatement, differential reinforcing power on client production of affect in low-structured interview, college student counselees, 55:957
counselor verbal response styles, verbal behavior & perceptions of counseling interview, clients, 55:2626
cursory vs supportive interviews & anxiety measured by Skin Conductance Anxiety Test, preoperative anxiety level, patients admitted for therapeutic abortions, 54:10308
descriptive vs modeling instructions & exposure time, interview self disclosure, male college students, 54:5203
development & usefulness of Life-meanings Survey, interview for assessment of outcomes of humanistically oriented educational projects, high school students & medical students & school administrators, 57:722
developmental profile, measurement of adaptive development from birth to 12 yrs using interviews, 54:9304
developmental tests vs interviewing, assessment of intellectual development by psychiatric residents & psychologists, 13–30 mo olds, 56:9670
direct verbal intervention to reinforce positive vs negative self references, generalization of verbal conditioning within personal interview context, male & female college students, 54:9572
door position & interviewer & S sex & hemispheric dominance & self esteem, eye contact & direction of gaze aversion & smiling & other nonverbal behaviors during embarrassing situation resembling clinical interview, 58:3299
effectiveness in giving performance feedback & generating decisions & producing favorable attitude toward appraisal, comparison of appraisal interviews, 54:2061
evaluation by polygraph, detection of deception by field techniques, "guilty" vs "innocent" Ss, 54:6844
evaluation of negotiated vs traditional diagnostic approach in initial interview based on own vs patient perspective, clinicians in hospital walk-in clinic, 58:1725
extension of construct validity of ego identity status & ego identity interview format to alternative repgrid procedure & relationship to individual styles of temporal perspective, college students, 55:7232
extraversion–introversion, reciprocity of interviewer disclosures, college students, 54:7493
false feedback about response lengths, perception of interview, female college students, discussion of D. Bem's self perception theory, 54:3021
followup attitude questionnaires vs company vs consultant exit interviews, measurement of reasons for resignation, manufacturing company professional employees, 54:8595
forced choice vs multiple-alternative technique vs open-ended interview, measurement of racial attitudes, white kindergartners, 55:4373
gain-loss principle of interpersonal attraction, interviewer-interviewee interaction, male college students, 56:2386
incorporation of 5 subbranches of interactionist perspective, social work interview, 54:8192
individual interview vs group-administered written questionnaire, preparation for group counseling, 9th–12th graders, 57:4473
individual therapy preparation interview, reduction of premature therapy termination & therapist/parent ratings of client improvement & problems & therapist's liking for client, children referred to community mental health centers, 58:3750
induced mood states of elation or depression using autosuggestion technique, verbal behavior in initial interview, 17–23 yr old females, 58:385
induced self disclosure & positive interviewer feedback, compliance & liking, college students, 55:4514
initial client statement & approach & avoidance of therapist response & client IQ & client continuation of topic, behavioral aspects of counseling process, mentally retarded adolescents, 53:10234
initial interview techniques, couples therapy, 53:8033
interview as illustrative model, pitfalls in research, 56:20
interview behavior, baseline & biofeedback EEG correlates, male psychiatric inpatients, 56:6158
interview behavior, systolic & diastolic pressure & digital pulse volume & heart rate & forearm blood flow, normal volunteers, 54:8985
interview method, religious history & significant experiences, development of self-concept & world view & ultimate concern & religious commitment, case histories, 53:2825
interview vs questionnaire methods, evaluation of attitudes toward obstetric nursing care, prenatal patients, 54:8233
interviewer effect in 2 person interaction, male & female college students, 55:714
interviewer nationality, questionnaire & interview item responses to nationality-related subject of Vietnam War, Vietnamese female graduate students & female freshmen, 54:9449
interviewer self disclosure & sex of Ss & seating arrangement, self disclosure in initial psychological interview, male vs female college students, 57:13167
interviewer self-disclosure level, interviewee self-disclosure & interviewer preferences, college students, 53:7287
interviewer status & anticipated evaluation & interview topic & question specificity & interview segment, interviewee verbal productivity & disfluency & lexical diversity, college students, 58:1079
interviewer–interviewee similarity, liking for vs bias toward applicants, college admissions officers, 54:4018
interviewers' body lean & status, nonverbal behavior of interviewees, 54:2963
interviewer's locus of control, effectiveness of socially reinforcing interviewee's self-reference statements, college students, 53:11595
interviewer/S physical proximity & touch, heart rate & skin conductance responses & interpersonal attraction in initial psychological interview, 18–28 yr old females, 58:2728
interviewer's religious status & attire, length of interview & depth & nature of disclosures & impression of interviewer, college student interviewees, 57:3259
interviewer's representation, survey completion rate, salesmen, 53:8422
interviews in vs outside hospital setting, verbal behavior, schizophrenic patients vs normals, 57:3475
interviews vs adult intelligence tests vs advanced-level examinations as selection tools, degree class, psychology undergraduates, 57:1890
interviews with personnel or supervisors, development of job task inventory questionnaires for job analysis, 57:14042
introductory remarks vs prior letter, telephone interview refusal rates, 57:12706
linguistic & perceptual & attitudinal & assumptive aspects of interview as communication-in-depth, sinology, 54:9652
locus of control & interpersonal distance, self disclosure in dyadic interview, male vs female college students, 57:8201
mailed questionnaire vs personal vs telephone interviews as followup study methods, cost & rate of response & nature of information obtained, former secondary school students of career development center, 58:8598
methodology for unstructured interview analysis in Piaget-type problem situations & documentation of scheme sets or frameworks, 4 yr olds, 57:10002
model characteristics of mastery vs coping behavior, modification of interview anxiety & performance & model attraction, psychiatric inpatients, 54:5905
modeling & culturally similar vs dissimilar counselor, self referent talk in initial interview, Mexican American 6th grade girls, 58:10608
model's self disclosure & professional vs ex-addict status, self disclosure during interview, Black male drug addicts, 58:8086
nondirective interviews vs projective vignettes & preference scale on work milieu as research techniques in work psychology, young factory workers, 54:12686
nonverbal behavior, perceived level of empathy in role-played counseling interview, counselor candidates as judges, 57:10736
nonverbal indicators of affect & deception in interview setting, male & female college students, 54:5283
objective phenomenological experience during interview, 53:2984
observation of success model vs failure model with adequate coping, maintenance of self esteem when faced with interview failure, female college students, 57:1135
open ended interview vs checklist, measurement of sociopolitical values, voters, 56:9733
origin & purpose & efficacy & circumstances of use, Rogerian interview, 54:3842
paraphrasing vs modeling interview techniques & cuing, self referent affect statements, chronic schizophrenics, therapeutic implications, 58:7829
peer modeling & self disclosure instructions, self disclosure in counseling interview analog, internally vs externally controlled male college students, 58:11683
pencil-&-paper & physiological measures of emotional responses to initial counseling-interview stress, counselor trainees, 57:11148
perceived interviewer expertness & attractiveness & interviewer attire & professional vs casual interview setting, evaluation of interview, college students, 57:12779
perceptions of & preference for clinical vs phenomenological vs social learning role model of psychologist-teacher interview style, teachers vs principals vs school psychologists, 56:6680
personal interview, realization of resident rights, 7–46 yr old severely retarded multiply handicapped residents, 58:1794
personal interview vs anonymous & other questionnaires, reported drug usage rates, Army personnel, 53:7180
Personal Satisfaction Form, semistructured interview procedure for psychotherapeutic outcome evaluation, 17–18 yr old outpatients, 54:10059
personality characteristics & free association responses & communication behaviors, professional communication receivers & senders in interview, 55:4175
physical distance between interviewer & S & topic discussed, verbal productivity during interview in analog study, female college students, 57:3214
physical stigma, interview interaction & compliance, female student interviewers of middle-class housewives, 53:3003
positive vs negative content of interviewer's self disclosure, verbal behavior & relationship components of initial interviews, female college students, 57:5810
prediction of success of new foster parents, tape-recorded interviews with applicants for foster children, 54:10328
preexperiment interview & facilitative level of E & contingency of reinforcement, verbal conditioning, Ss, replication of R. A. Vitalo's study, 55:7052
preinterview exposure to modeled interviewee or interviewer disclosure & personal or demographic disclosure content, social reward & communication of warmth aspects & S interview disclosure patterns, 57:10251
preinterview vicarious vs direct reinforcement, modeled behavior of self disclosure in interview situation, male college students, implications for counseling practice, 57:10324
preparation for initial counseling interview based on audiotape vs written transcript vs minimal instruction mode & mastery vs coping model type, interviewee self disclosure, 58:12210
prior contact & individual interview with citizens' lobby groups, formation of impression about group, incumbent state legislators, 58:1150
prior vs no prior attitude supporting interview & ascribed status of S, ability to change attitudes of how college students view themselves, PhD psychologist vs psychology graduate student interviewers, counseling analog study, 57:8185
problematic approach, reassessment of interview, 54:7457
psycholinguistic model & theoretical & psychometrical problems, development of computer-based analysis of interview texts, 57:2171
psychotherapeutic-type interviews, clinical skills assessment, Psychology Learning Center students, longitudinal study, 58:8118
question length & sequency & ambiguity, answer length in bias-reduced interview situation, male college students, 58:3280
questionnaires vs interviews, objectivity & validity & reliability, 54:10831
race & sex of interviewer, noncontent verbal behavior in automated interviewers, college students, 55:7091
race differences, nonverbal behavior in interview setting, black & white female college students, 54:2970
rating instrument reliability & effectiveness of Psychology Learning Center, evaluation & acquisition of clinical skills, college student interviewers, 53:9685
ratings of nonverbal behavior as response to stress in counseling interview, master's degree students in counselor education & psychology, 55:7730
reducing emotional distance, new method for teaching interviewing skills to psychiatric residents emphasizing process, 55:1236
relationship & verbal & visual conceptions of likes & dislikes in own homes as reflected in interviews & drawings, 5 yr old black preschoolers, Florida, 56:468
reliability & consistency across partners & resistance to methodologic bias, interview assessment of marriage relationships, 58:5254
reliability, self-report interview data on extent of heroin usage, heroin addicts, 53:1432
response-contingent vs noncontingent experiences in treatment history & prompt for impression management, interview behavior, chronic mental patients, 55:10360
role induction modeling &/or reward to model, mood states & expectancies & interviewer attraction in initial intake interview, male lower socioeconomic status alcoholic outpatients, 57:4168
scale development & internal consistency, measurement by interview of functional distance vision loss, visually handicapped Ss, 54:1457
seating arrangement & sex & personality variables, initial interview behavior, 56:689
self confrontation with videotapes & A. Blumberg's 15-Category System, analysis of verbal interactions of supervisory conferences, doctoral candidates, 58:10197
sex & academic goal & job responsibility & dogmatism, proxemic behavior measured by preferences for seating arrangements during interviews, community college administrators & counselors & faculty & students, 57:13568
sex & interpersonal trust & task modeling & interviewer self-disclosure, interviewee disclosure, high- vs low-trust college students, 54:7472

sexual experience & sex guilt, prediction of self disclosure in interview situation, male college students, 56:7851
sociolinguistic analysis of doctor-patient interview, information seeking & control patterns, 58:9995
spatial intrusion & observation anxiety, nonverbal & cognitive responses during interviews, female college students, Japan, 57:10221
speech measures & eye behavior & head activity & protective & nonprotective arm & hand behavior & trunk rotation & foot activity, nonverbal expression in simulated police investigative interview under crowding conditions, male college students, 54:7443
structured interview, assessment of work-related attitudes, 18–55 yr old psychotic patients unemployed for 12 mo, 53:7561
subordinate participation in appraisal interview, reactions to appraisal & subordinate satisfaction, managers & employees, 55:1656
symptom-context analysis, relationship between emotional responses & recorded blood pressure & EKG & respiratory rate during interviews, 28 yr old male hypertensive, 57:3657
TAT & Rorschach responses during stressful interview, gestural behavior, 57:5000
teacher response style in preteaching student interview, achievement & ratings of interviewer, college students, 58:2142
telephone vs face-to-face interviews, quantity & quality of historical information, informants of psychiatric patients, 53:5446
theoretical frame of reference & strategies, educational & psychological research policies in research planning project & design of interview study & its implementation, 54:8645
topical-structured autobiography &/vs interview, counselor prediction of S's self concept, freshman community college students, 57:11575
traditional test scores & undergraduate GPA & letters of recommendation & interview ratings & biographical information, applied psychology subdoctoral program success prediction, 54:6382
training to conduct facilitative interviews with peers, high school students, 55:1546
untruthful vs truthful answers in interview situation, eye contact with male vs female listener, male vs female college students, 57:1148
upward vs downward vs no shift in speech style or accent to accommodate interviewer, judgments of perceived shifts & speakers, French-Canadian 12th graders & Welsh 12–13 & 17–18 yr olds, 56:7561
use of standardized psychological reports based on structured interview, prediction of adaptation to prison environment, inmates at beginning of sentence, 58:10815
use of videotapes & audiotapes & psychological interview models depicting patient–physician interaction, medical education, medical students, 55:1230
verbal operant conditioning paradigm, racial effects on verbal behavior in counseling interview, Black & White female college students, 57:10781
veridicality of self reports obtained through interviews in comparison with official records, drug addicts, 58:5554
win & lose interview outcome, stability & change in strategies during quasi-therapeutic interviews, psychiatric inpatients, implications for therapeutic approaches, 54:1526
written questionnaire vs oral interview, F. Herzberg's 2-factor theory, systems analysts & engineers, 53:6337
written statement vs videotaped explanation vs interview modes of preparation for psychotherapy, duration of treatment, mental health center clients, 58:3746
written vs audio vs audiovisual tape presentation of interviews & training & sex of rater, attraction & self disclosure ratings of targets during interviews & rater confidence, 58:9477

Intestines
bilateral cingulum ablation, distal ileum motility during chronic avoidance conditioning, monkeys, 58:9087
biochemical & physiological processes of energy metabolism in intestines & adipose tissue & liver, hunger & satiety, 58:559
cholecystokinin, elicitation of behavioral sequence of satiety, intact male rats & Ss with chronic gastric fistulas, 54:11156
chronic morphine & challenging large dose of morphine, time course of morphine tolerance & decrease of inhibitory effect of challenging dose on electrical stimulation of ileum, guinea pigs, 54:11229
delta-9-tetrahydrocannabinol, hyperthermia & depression of intestinal motility & locomotor activity, female mice, 54:9130
duodenal infusions of liquid food & chemical &/or colligative load, inhibition of sham feeding due to elicitation of satiety, male rats, role of cholecystokinin, 55:371
electrical stimulation vs self stimulation of posterior lateral hypothalamus, intestinal motor activity, cats, 58:11206
intestinal hormone cholecystokinin, satiety elicitation & food intake inhibition, rats & monkeys, 55:2000
jejuno-ileal bypass surgery, subsequent weight loss & eating behavior changes, obese 21–54 yr olds, 56:1159
morphine, electrical activity of myenteric plexus ganglion cells & vas deferens smooth muscle cells, guinea pigs & mice, 54:11251
physiological signals arising in jejunum of other member of rat pair, hunger satiation, parabiotic rat pairs, 54:9019
serotonin vs nicotine vs morphine vs levorphanol vs dextrorphan vs norepinephrine vs naloxone vs hexamethonium & dosages, myenteric plexus neuron electrical activity, guinea pigs, 54:11228
supersensitivity to acetylcholine, production of tolerance to morphine in stimulated ileum, guinea pigs, 54:2488
tricyclic antidepressants, in vitro binding potency to muscarinic acetylcholine brain & ileum receptor sites, rats & guinea pigs, implications for drug therapy, 58:9167
5-hydroxytryptamine & nicotine & caerulein, electrical activity of Auerbach's plexus in abstinence syndrome, morphine-dependent guinea pigs, 53:2688

Intimacy
acquaintance & number of interactions, intimacy equilibrium & stability of immediacy behaviors & compensatory reaction to gaze changes, female college students, 58:11647
adjustment & satisfaction & problem solving behavior, married vs living-together couples, 58:9384
adolescent intimacy, 58:11504
age & courtship stage, male-female congruence of intimacy expectations, 17–19 vs 20–24 vs 25–30 yr olds, 56:5810
all male vs all female vs mixed groups, leadership & exercise of power & intimacy & openness as measures of interaction patterns, group members, implications for sex role pressures, 57:12738
amount of structure in brief encounter group & locus of control, intermember attraction & self disclosure & interaction intimacy & satisfaction with group functioning, 58:7922
antecedents to & effects & importance of sexual intercourse in premarital relationship, recently married spouses, 57:10186
arousal model, explanation & prediction of reactive changes in expression of interpersonal intimacy, humans, 57:10264
assessment of categories of time & space with variables of age & perimeters of intimacy & relationship to health & fuller functioning, nature of healthy consciousness, Ss varying in commitment to transcendent & religious & spiritual disciplines, 55:7247
attitudinal similarity & intimacy level of self disclosure, interpersonal attraction, 55:9798
building of dwelling & collective living, group cohesiveness & intimacy & intra- & interpersonal competence, college students, 56:7885
business vs psychotherapeutic vs sexual setting & intimacy depth of disclosure probe, interviewer attractiveness & attitude change, male college students, 53:7318
category ratings vs Thurstone pair-comparison procedures vs magnitude estimation, intimacy of discussion topics, college students, 55:7090
choice vs no choice in intimacy of self disclosure essay, sender/receiver interpersonal attraction & trust, test of disclosure as social reward, 57:10320
communication about interpersonal process, evolution of self disclosure in same sex dyads, college students, 58:5327
concepts of intimacy & active interaction between patient & therapist, 53:7847
constant vs contingent vs aversion of direct gaze, intimacy in delivering personally revealing monologue, male vs female college students, 55:12210
construct validity, observable activity of emotional intimacy & decreasing distance behavior, 57:3206
copresence vs coaction vs coexperience conditions, conversation depth & breadth between strangers, 57:5789
counseling procedure with circular view of sexual interaction, sexual problems of goal-directed intimacy, couples, 57:4099
counselor-client hand-holding, client-rated effectiveness of Eliminating Self Defeating Behavior workshop, counselors & clients, 57:8623
couple & parent-child relationships in presence of others, urban communal households, 56:2219
cross cultural differences, sharing bedroom, husbands & wives, 55:6972
cultural attitudes, wish to be held, groups of Asian women, Malaysia, 56:646
cultural sex role stereotypes, wish to be held & to hold, male vs female 18–54 yr old psychiatric patients, 56:645
dating stage, communication patterns & organizational aspects of internal structure & boundaries & constraints, premarital dyads, 55:728
demographic characteristics, nature & predominance of intimate friendships, aged males vs females, 57:12567
development of affiliative behaviors, noncombat soldiers during wartime, 58:9355
development of psychosocial identity, heterosexual relationships & future outlook, female college students, 58:7267
disclosure vs facilitator role & high vs low intimacy of discussion & sensitivity to rejection & affiliative tendency, emotional state & social behavior & self disclosure & social judgments, 57:12749
dyad composition & topic intimacy, amount & depth of self disclosure & interpersonal attraction, orthopedically disabled vs nondisabled male college students, 56:9839
ego perception & social intimacy of closest friendships & friendship group structural characteristics, male & female Black college students, 57:10265
Enriching Intimacy skills training program vs traditional experiential didactic program, acquisition of behavioral components of empathy & respect-warmth & genuineness in dealing with psychiatric patients, freshman medical students, 58:6089
father absence in early vs middle childhood vs adolescence & reason for absence & presence of surrogate father & sex, ego identity & femininity & intimacy & isolation & Scholastic Aptitude Test performance, college students, 58:3340
fit between social setting & target person intimacy levels, attraction to target, college students, 57:12772
friends vs strangers & high vs low intimate setting, mutual eye contact, extension of Argyle & Dean's equilibrium model, 55:9733
incest wound, split between love & sex, 53:7258
instructions to silently maintain eye contact vs hand contact vs maintain silence alone & expressed affection & anxiety proneness, expression of intimacy, females, psychotherapeutic implications, 57:8217
interaction distance of same sex stranger pairs, conversational intimacy & interpersonal attraction, 57:10328
interpersonal distance & eye contact, intimacy of self disclosure, college students, 55:9719
interpersonal distances, visual responsiveness during conversation, male vs female college students, test of equilibrium theory of social intimacy, 58:7421
interpersonal factors, acceptable levels of sexual intimacy in dating & friendship, college students, 56:7889
interviewer self disclosure & sex of Ss & seating arrangement, self disclosure in initial psychological interview, male vs female college students, 57:13167
interviewing style, self disclosure in dyadic interaction, females, 58:11640
intimacy & perceived influence, correlational study of rated use of resource types & as bases of influence, heterosexual dyads of 3 intimacy levels, 57:8228
intimacy & process of relationships with husband & children & mother & peers during 1st decade of marriage, females, Japan, 57:12651
intimacy & temporal orientation of helper self disclosure in therapy analog, helping process, female college students, 58:9868
intimacy of room environment, self disclosure in counseling analog, college students, 57:3792
intimacy of self disclosure, development of heterosexual relationship, males vs females, 58:9429
intimacy, process of knowing, married vs unmarried pairs, 57:1104
intimacy status & partner perception & resolution of previous developmental crises, college males, 57:3001
intimate edge as maximum acknowledged contact in relationship, application to psychotherapeutic process, 54:3577
intimate friendship, kibbutz vs city children, 56:7722
intimate in vivo vs intimate videotape modeling condition vs superficial videotape modeling condition, self disclosure, college students, 58:9484
intimate social relationship, severity of tiredness & anxiety & depression & irritability & backache & headache & palpitations & dizziness & breathlessness, women, implications for onset of depressive illness, 56:6164
intimate vs nonintimate self disclosure vs no disclosure, level of friendship rating, male vs female same-sex dyads, 56:9881
introversion-extraversion & confederate's high vs low intimacy disclosure, heart rate & GSR changes, male students, 57:9753
involvement in courtship, romanticism, male vs female students, 54:2969
jealousy, conflict acts & verbal interaction & labeling of jealousy, intimate dating couples, 57:3216
life stage & sex differences, interpersonal intimacy & psychosocial change in adulthood, 57:10026
locus of control & self esteem & dogmatism & approval seeking & vulnerability to situational pressures & S-victim intimacy, willingness to administer shock, college students, 56:7911
male vs female voice making high vs low intensity disclosure, perceived intimacy of self disclosures & perceptions of discloser, males vs females, 57:1214
need for affiliation & sex & intimacy & conversational topic, eye contact, male vs female college students, 55:12227
number of encounters during dyadic acquaintance exercise & self disclosure level, role differentiation for assumption of respsonsibility for intimacy level of self disclosure & intimacy increases, college students, 56:5988
perception of relationship with woman & support from significant others & sociocultural factors, anxiety on day of abortion, single males, 58:7985
personalistic self disclosure of partner to S & previous disclosure vs nondisclosure of stigmatizing information to others, liking of & self disclosure to partner, male college students, 56:4048
physical contact, outcomes in brief encounter group, male & female college students, 56:1031
physical proximity, eye contact & laughter & smiling while listening to humor, 7 yr olds, examination of equilibrium model of social intimacy, 56:3998
practice of sexually open marriage, development of intimate friendship, upper middle class respondents, 56:2228
precounseling orientation program for potential clients, willingness to discuss personal problems with counselor, Black & White secondary school students, 57:3804
presence vs absence of confidant, self concept & life satisfaction & happiness & anxiety, aged, 56:9940
psychological intimacy, Jews of North Metropolitan Chicago & Sephardic Jews of Istanbul, Turkey, 55:6915
race & sex, interpersonal touching & self segregation, Black vs White high school students from integrated vs segregated schools, developmental considerations, 58:1072
realistic expectations concerning interpersonal intimacy with therapist & others, clients, 55:12613
reciprocity & its limits, self disclosure to strangers in airport lounges, male & female adults, 54:7479
redefinition of conflict to achieve intimacy, marital conflict resolution model, 55:12138
relationship level, self disclosure, male vs female college students, 58:5326
rewards & risks of self disclosure, direction of interpersonal relationships, 58:11654
search for alternate forms of marriage as part of search for more intimate relatedness, intimate self knowledge as precondition, 55:2372

separation-individuation derivation, closeness in adult love relationships, couples, 58:9325
sex & target differences, amount & intimacy & rate & affective presentation & flexibility of self disclosure, young adults, 57:3187
sex & willingness to disclose & topic intimacy, eye contact during dyadic discussion, replication & extension of study by R. Exline et al, 58:1074
sex knowledge & exposure to eroticism & dating frequency & intimacy, premarital sexual behavior, college students, 56:5951
sex role traditionality, romantic attraction & verbal communication, dating couples, 58:9472
sex roles & E-S distance & E's sex & topic intimacy, self disclosure, female college students with various femininity scores, 57:1184
sexual & intimacy needs, elderly parkinsonian patient in counseling, consideration of levodopa effects on libido, 58:1438
social intimacy between closest friends of same vs opposite sex, Black single college students, 58:1113
stages of courtship & changes in premarital relationships, married couples, 57:10193
timing of ultimate disclosure & assignment of responsibility for event disclosed, interpersonal attraction, male college students, 56:705
Train Game, diagnosis of problems of intimate relationships, book, 53:7979
verbal reinforcement in operant conditioning, rapport defined as willingness to self disclose on high intimacy value items & positive attitude toward experiment & E, male college students, 55:7105

Intoxication [See Toxic Disorders]

Intoxication (Alcohol) [See Alcohol Intoxication]

Intramuscular Injections
fluphenazine decanoate, 22–60 yr old chronic schizophrenics, 54:12276
intramuscular injections of vitamin B preparation Princo-B 5000, acute & subacute & chronic male alcoholic patients with psychopathic personality & neurosis & deficiency states, 57:3975
intramuscular vs intravaginal injections of progesterone, sexual interaction, monkeys, 57:5297
intramuscularly injected diprenorphine vs naltrexone vs naloxone, rate-decreasing effects of morphine on fixed-ratio & fixed-internal schedule-controlled behavior, male White Carneaux pigeons, 53:6818
intramuscularly injected physostigmine, reversing acute brain syndromes following toxic doses of drugs with anticholinergic properties, psychiatric patients, 53:5861
responsivity to intramuscularly injected fluphenazine decanoate following nonabsorption of orally-administered chlorpromazine, inpatient schizophrenics, 53:5842

Intraperitoneal Injections
delta-9-tetrahydrocannabinol in 2 vehicles for ip administration, social behavior, male mice, 58:11250
intracerebral vs intraperitoneal injections of brain homogenate supernatant, shock-induced clonic convulsions, rats, 55:6445
intraperitoneal injections of supernatant fractions of brains from donor rats kindled to clonic-convulsion stage, negative transfer of kindling effect, rats, 53:4603
intraperitoneal vs intraventricular diallyl-nor-morphinium-bromide vs levallorphan vs nalorphine vs SH-254, morphine withdrawal, male rats, 57:765
intraperitoneal vs parenteral vs intracerebroventricular administration, antinociceptive action of alpha-sympathomimetic agents, rats & mice, 53:2680
intraperitoneally injected chloralose, feeding latency in satiated cross-bred male albino rats, 53:6806
intraperitoneally injected dextroamphetamine vs cocaine vs levodopa vs desipramine vs apomorphine, catecholaminergic mechanisms in alpha-methyl-para-tyrosine precipitated morphine withdrawal syndrome, medium- & highly-dependent male rats, 53:6829
morphine pretreatment & periaqueductal gray vs intraperitoneal injection, analgesia & tolerance, male rats, 56:2035
tetraethyl lead dosages & intragastric intubation vs ip injection, food & water intake, male rats, implications for lead poisoning research methodology, 58:676

Intrauterine Devices
attitudes toward intrauterine device, college female users, 54:11547
contraceptive protection continuation, female hospitalized psychiatric patients, followup study, 55:9928
intrauterine contraceptive loop insertion, psychosexual complications, females, 53:9815
prescription of intrauterine devices vs birth control pills, girls under 17 yrs old, 53:7226
religion & caste, acceptance of vasectomy or intrauterine devices as family planning alternatives, India, 54:5158
sex differences, preference ratings of contraceptive methods, family planning physicians, Philippines, 53:11615
viewing simulated interviews & interviewee's medical expertise & primary vs secondary experience with intrauterine device & peer vs nonpeer relationship with Ss, persuasiveness of communication & changes in intrauterine device attitudes, male vs female college students, 57:5814

Intravenous Injections
chlorprothixine steady-state blood levels following single iv & oral dose, male adults, 54:9189
chronic intraventricular vs iv dextroamphetamine self administration doses, drug intake rate, rats, 57:2751
drug dependence & length of usage, sexual perversions & diminished functioning, intravenous narcotics vs oral amphetamine users, 53:1436

drug policy changes, spread of iv drug abuse, 1965–70, Sweden, 55:2301
intracranial vs intravenous vs subcutaneous injections of 3-H-levofucose, incorporation into brain glycoproteins during environmental stimulation, male mice, 53:8950
intravenous methylphenidate, severe dyskinetic reaction, psychiatric patient, 53:3684
iv addiction schedule, narcotic dependence, male rats, 55:4140
iv catheterization, plasma cortisol & growth hormone responses, 18–38 yr old males, 54:4722
iv followed by oral administration of increasing daily doses of clomipramine & nightly doses of diazepam or propericiazine or levomepromazine, nondepressive psychotic patients, 57:4002
iv infusion system for chronic drug administration, unrestrained rats, 56:8937
iv infusions & intragastric injections of glucose vs nonglucose solutions, flavor preferences, rats, 55:4022
iv ludiomil, depressive states, patients with depressions of varying kinds, 57:8792
iv parenteral hyperalimentation via central venous catheter, hunger & satiety, 53:480
leverpressing for iv self injection of liquid diet, regulation of energy balance, male rats, 58:2919
morphine tolerance, iv morphine self administration behavior, male rats, 57:821
peripheral & central administration of angiotensin II, drinking response, chicks, 57:2797
preparations for iv self administration of drugs, animals, 57:802
sex & iv vs oral drug dependence, self esteem, in- vs outpatient drug dependent vs normal Ss, 58:5568
signs of overdosage, toxicity of iv marihuana usage, 55:2099
subcutaneous vs iv administration of dipropylacetic acid, protection from bemigride-induced seizures, alert cat, 54:7068
techniques for acute iv infusion through sagittal & transverse sin uses, freely moving male rats, 56:6986

Intrinsic Motivation
adult surveillance & expected vs not expected extrinsic reward, subsequent interest in activity, 4–5 yr olds, 54:1035
advisor attractiveness & S's sex & locus of control & intrinsic & extrinsic motivations, freedom attributions in job choice situation, 57:12767
affective-cognitive processes interaction, theoretical model for development of intrinsic altruistic motivation, 55:559
age & seniority, need achievement & satisfaction & self image & job involvement & intrinsic motivation & perceived performance & effort, professional engineers & scientists, 54:2066
anticipated reward, effectiveness & attitudes of tutors in cross-age tutoring, female 5th & 6th grade tutors & 1st & 2nd grade tutees, 55:12243
anticipated suffering, choosing to suffer, college students, 54:6822
anxiety & ego involvement, pursuit rotor performance, female college students, 56:2405
application of extrinsic reinforcement, intrinsically motivated play activity, moderately retarded 10–12 yr olds in play therapy, 58:7961
behavior recalled under linguistically manipulated intrinsic vs extrinsic cognitive context, inference of attitude, college students, 53:3043
causality for task participation, causal attributions of task outcomes & task motivation & attitudes, educational implications, 57:12789
classification of work motivation research outcomes, lack of agreement on definition of intrinsic & extrinsic dichotomy, 54:8590
component analysis of job satisfaction responses, examination of dichotomies approach to job satisfaction research, health managers, 56:8880
content-specific work activities, extrinsic outcome expectancy & intrinsic pleasure predictions of work effort, US Army enlisted personnel, 58:2356
contingent monetary rewards, intrinsic motivation in boring vs nonboring task, college students, replications of E. L. Deci's study, 55:8972
decision task design & intrinsic vs extrinsic work values, job satisfaction & performance, college students, 53:6353
defensiveness & self actualization, F. Herzberg's motivator-hygiene theory of job satisfaction, male teachers & clergymen, 55:13729
distinction between endogenous-exogenous partition, attribution theory, 55:4564
distinctiveness of justice of need & of humanitarian norms, 55:9748
embarrassment, compliance behavior & motivation to help others, male college students, 54:5226
evaluation of theories & research, intrinsic motivation, book, 55:11500
expectancy theory framework, extrinsic & intrinsic motivation, department store managers, 54:2079
extensive work experience, vocational identity & education & motivation in career selection, adult males, 56:1530
external vs internal cues, smoking behavior, light vs heavy smokers, 55:3802
external vs internal smoking cues, determinants of smoking behavior, light vs heavy smoking male college students, 53:7207
externally imposed deadlines, subsequent intrinsic motivation, male college students, 56:5334
extrinsic monetary rewards & task performance feedback, feelings of competence & strength of intrinsic motivation, college students, 58:369
extrinsic positive reinforcement, intrinsic interest decrement, children, test of overjustification hypothesis, 58:9223
extrinsic reinforcement, intrinsic interest in play activity, 2nd graders, implications for classroom token economies, 54:11054
extrinsic reinforcers, intrinsically motivated behavior in organizations, 56:10879
extrinsic rewards, intrinsic motivation, reply to criticism of W. E. Scott, 56:10869
extrinsic rewards, subsequent intrinsic interest in drawing activity, 4–7 yr olds, 58:11040
extrinsic vs intrinsic motivation & attribution within just world paradigm, devaluation of innocent victims, female college students, 54:6823
goal setting & performance, levels of satisfaction in competitively structured interdependent bargaining, male college students, 53:5199
individual differences in need satisfaction & job involvement & intrinsic motivation & values & locus of control, predicted satisfaction with & volunteering for job enlargement, electronic assembly line personnel, 57:9212
interaction between intrinsic & extrinsic motivation, work motivation, review, 55:5825
internal vs external evaluation with vs without choice, task performance & motivation & attitude & personal feelings while doing task, high school students, Thailand, 55:11511
internality vs externality of decision related to family size & level of monetary extrinsic reward, subsequent attractiveness of initial decision, spouses, 55:9615
intrinsic & extrinsic job characteristics & demographic & personality variables, organizational choice at different academic levels, 55:13659
intrinsic & extrinsic job factors & relationship to job performance & satisfaction, comparison of Herzberg's 2-factor model to Vroom's expectancy model, 55:8513
intrinsic & extrinsic job factors rank ordered by importance, white collar middle class employees, 55:5819
intrinsic & extrinsic motivation & ability & task difficulty, performance variability, college students, reevaluation of Vroom's multiplicative performance model, 55:5789
intrinsic & extrinsic motivation, task satisfaction, male college students, test of self perception theory, 54:11777
intrinsic & extrinsic rewards, motivation, kibbutz workers, implications for applied settings, 57:2042
intrinsic & extrinsic value orientation, college students, 55:12313
intrinsic drive measured by anxiety test performance & extrinsic drive & pronouncing responses, simultaneous incidental & intentional learning performance, students, 57:12027
intrinsic motivation & monetary reward levels &/vs activation of "doer" self percept through message, actual donation of blood, recruited blood donors, 55:9815
intrinsic motivation, play, criticism of M. Csikszentmihalyi's formulations, 58:882
intrinsic reinforcement, learned behavioral regulation, rats, 54:722
intrinsic vs extrinsic disposition to learn, perceptions of faculty & peer reinforcements for autonomous learning, college students, 56:4856
intrinsic vs extrinsic mode of task motivation, hypnotic susceptibility, 54:3107
intrinsic vs extrinsic religious orientation, purpose in life, college students, 54:11496
intrinsic–extrinsic motivation interaction, critical analysis of methodology of R. deCharms's theory & E. L. Deci's studies, 53:8834
intrinsic–extrinsic motivation interaction, reply to B. J. Calder's & B. M. Staw's criticism, 53:8835
intrinsic–extrinsic value orientation & organizational rewards, job satisfaction, salesmen, 53:2054
job attitudes of satisfaction & involvement & intrinsic motivation, male blue collar workers, extension of E. Lawler & D. Hall's factor analytic study, 56:10884
locus of control & intrinsic vs extrinsic motivation & sex & grade, coding task performance, 4th & 5th graders, 54:11838
locus of control & monetary rewards, causal attribution & intrinsic motivation & performance & satisfaction, college students, implications for organizational settings, 58:11702
Machiavellianism & experimental arousal of motivation to manipulate, level of motivation for self enhancement & toward altruistic needs, triads, 58:9509
management & nonmanagement job levels, intrinsic-extrinsic motivation & masculinity-femininity & leadership ability, male vs female Ss, 57:9241
message interestingness & extrinsic incentives, listening achievement test scores, college students, 55:494
monetary payments, intrinsic motivation toward task, male 14–16 yr olds, test of content-consequence hypothesis, 55:1894
money or award vs positive verbal reinforcement & E presence vs absence, intrinsic motivation as measured by amount of time performing target activity, lower socioeconomic preschoolers, test of overjustification effect, 57:9554
motivational instruction types, resistance to temptation, 4- vs 6- vs 8-yr-old females, 53:4977
motivational orientation, behavior maintenance capability of self-monitored & externally imposed reinforcement, 2nd–5th graders, 53:1223
multi-frame of reference, leisure time motivation, 55:794
need for definition & research, intrinsic satisfaction in job tasks, 58:2382
open vs traditional education, intrinsic motivation model for identification of behavioral indicators & feelings of competency, 7th & 8th graders, 54:1862
overjustification & competing response hypotheses, reply to M. R. Lepper & D. Greene's criticism, 56:1595
overjustification & competing responses, acquisition of intrinsic interest, kindergartners & 1st graders, 54:8914
payment for performance of interesting task, self perception of intrinsic motivation, male college students, 54:7660
performer's output & reward level, attribution of intrinsic & extrinsic motivation, college students, 53:9505
personal intrinsic & extrinsic motivational dispositions, GPA in courses rated as most or least challenging, college students, 54:4157
personality & situational variables, autonomous vs social comparison vs external achievement orientations, college students, 55:2389
reinforcement contingent upon time spent with classroom target activity & target designation based on initial interest level in activity, subsequent activity patterns & intrinsic motivation, elementary school students, 57:11338
reward saliency & allocation criteria, intrinsic motivation level, 3–9 yr olds, implications for discounting principle from attribution theory, 58:1180
salient reward cues & reward concentration vs distraction instructions, intrinsic motivation & play activity choices, preschoolers, discussion of attribution & frustration theory, 57:2501
school racial composition, intrinsic & extrinsic motivational orientation, primary grade boys, 55:3145
second order motivational factors, college students & US Air Force personnel, 55:4596
self perception of intrinsic vs extrinsic motivation, task persistence during free play period, institutionalized mentally retarded adolescents, 58:5628
self vs externally determined schedules of reinforcement, resistance to extinction, 2nd–4th graders, 54:6778
task characteristics & monetary reward contingency, productivity & intrinsic motivation defined as volunteering for nonrewarded work session, college students, 57:2073
task choice & monetary & verbal reward & participative management, intrinsic motivation, implications for Deci's cognitive evaluation theory, 57:7509
task intrinsic rewards, extrinsic & intrinsic motivation toward task, 6th–7th graders & college students, attributional analysis, 55:210
task- vs wait-contingent reward conditions, intrinsic motivation, 1st–3rd graders, test of delay of gratification hypothesis, 56:7265
unconscious urge to lose money in stock market, male patient, 54:9876
value of achievement incentive & expectations of success, college students, 57:7515
worker orientation defined as manual dexterity, relationship between contingent vs noncontingent reward systems & intrinsic motivation & productivity, high school & college students, 58:6444

Intrinsic Rewards [See Internal Rewards]

Introjection
concept of introjection, critical analysis of S. Ferenczi's work, 55:12341
ego psychological aspect of autism involving introjection & projection, 56:6166
imitative social learning, introjection & identification, 54:3144
interplay of projection-introjection, depression & separation from parents & maturity, children, 58:3134
introjection process in which feelings of despair & helplessness generated by loss of loved parent are projected in later life onto other persons, salvation fantasies, case histories, 54:5438
semantic distinctions & definitions, Freud's terms of incorporation & introjection & identification, 54:1182
therapeutic technique using externalization, patients who have incorporated toxic introjects , 55:4968

Introspection
authoritarianism & introspection, alpha wave biofeedback training, 18–39 yr olds, 58:2876
conduciveness of experimental setting for introspection & generation of successive images, visualization of friends' vs acquaintances' faces & imagery ratings, college students, 55:11495
current trends in reevaluation of religion & preoccupation with events of inner life, views of Jung & D. T. Suzuki, 57:10077
empirical & theoretical study relating M. Rokeach's concept of dogmatism & C. Roger's concept of intrapersonal exploration, 58:5420
film depiction of stressful event, intrusive & repetitive cognitive representations of event, male & female college students & Navy hospital corpsmen, 53:6690
hypotheses relating consciousness & physical reality, 58:4850
introspective analysis of control of voluntary initiation of urination, problems during biofeedback training, 58:4957
introspective sensitization, elicitation of unusual subjective reports, college students, test of psychedelic model of altered states of consciousness, 56:7280
linguistic feature analysis of verbal protocols associated with responses to standardized measures of reading comprehension, 7th graders, 55:8384
Naikan method of introspection, interpersonal relationships, 56:762
reports of introspective information as evidence about underlying thinking processes, criticism of G. Quinton & B. J. Fellows' conclusion, 58:285
self-psychotherapy based on spontaneous introspection technique, book, 53:1632
training & participation as peer group counselors, peer group members' & leaders' involvement with others & introspectiveness & personal growth orientation, college students, 56:6859
3,4 methylenedioxyamphetamine as adjunct to brief intensive psychotherapy, defensiveness & emotionality & introspection, neurotic outpatients, 57:4015

Introversion
active vs passive internal vs passive external personality-decision making style, openmindedness & locus of control & extraversion-introversion, Ss in US Air Force transition counseling program, 58:1246
age & introversion/extraversion, reactive inhibition during finger tapping task performance, male 65–91 yr olds, 57:5867
amount & depth of interviewer's disclosures, disclosure levels, extraverted vs introverted college students, 58:9468
auditory presentation of affective & taboo & neutral words, pupil size, introverts vs ambiverts vs extraverts, 55:11674
behavior modification, expansion of social behavior, passive young female with low IQ & character disorder, 58:3796
birth order, extraversion–introversion & neuroticism, female college students of 2 sibling families, 54:3115
chlorpromazine & dextroamphetamine sulfate, visual stimulation preferences, introverted vs extraverted college females, 54:9132
color preference, color perception on inkblots, endogenous depressives & hypomanics & introverts & extraverts, 54:5475
color preferences, introverted vs extraverted college students, 54:9723
competitive & cooperative groups, memorized story recall, introverted & extraverted high school students, 53:2998
convergent validity, Extraversion-Introversion scales of Eysenck Personality Questionnaire & Myers-Briggs Type Indicator, college students, 56:7058
correlations between intermodality transfer & intelligence & tolerance of ambiguity & rigidity & extraversion-introversion, college students, 57:5930
cross cultural differences, academic success in primary school associated with extraversion & in university associated with introversion, Black & White adolescents & college students brought up in Western vs non-Western cultures, 57:4369
day vs night work shifts, extraversion-introversion & adjustment & job & shift satisfaction, nurses, 58:10155
discriminability & criterion point setting ability in signal detection task, extraverted vs introverted female college students, 55:12299
distraction task, psychomotor efficiency, introverted vs extroverted college students, 53:11707
division into extravert & introvert & neurotic & stable groups based on Eysenck Personality Inventory, suggestibility of aesthetic preferences for TAT pictures following knowledge of group preferences, college students, 57:10372
Draw-A-Person Test & Personal Preference Scale & TAT & Eysenck's Personality Inventory, sexual identification & relationship with mother & extraversion-introversion dimension, 18–26 yr old heroin dependent males, 56:851
dream workshop & psychological differentiation & extraversion-introversion & defensiveness, dream experience level, 58:8845
drive level & anxiety & introversion-extraversion, paired associate learning of competitive vs noncompetitive pairs, 16–18 yr old 6th formers, 56:1784
E-behavior & S's neuroticism & extroversion, ability to induce hypnotic suggestion & responsiveness, female college students, 53:3135
electroaversive therapy, correlation between neuroticism/introversion & treatment success & time interval between end of treatment & 1st relapse, male chronic alcoholics, 56:4478
EMG feedback training, State-Trait Anxiety Inventory scores, anxious introverted vs extraverted nursing students, 58:7804
enrollment in arts vs science course & extraversion–introversion scores on Eysenck Personality Inventory, Watson-Glaser Critical Thinking Appraisal scores, male vs female college students, 54:6421
E's imitation of S & S's awareness of being imitated & extinction, imitation, introverted & extraverted preadolescents, 57:1246
extraversion & introversion & neuroticism, brand loyalty in purchasing behavior, 56:3148
extraversion & introversion & rigidity & neuroticism, skin resistance during approach or avoidance motor tasks, students, 57:7694
extraversion & introversion, accuracy of self estimation of reading skills, college engineering students, 58:12674
extraversion vs introversion, pursuit rotor learning using positive vs negative reinforcment of hit-miss dimension of performance, male 14–15 yr olds, 55:7238
extraversion vs introversion, reading comprehension & creative thinking abilities, black 5th & 6th graders, 55:13269
extraversion-introversion & external internal locus of control, prediction of individual differences in responsivity to specific organizational molar response contingency, graduate students, 54:4294
extraversion-introversion & neuroticism & self esteem, primacy in impression formation, college students, 55:12239
extraversion-introversion & neuroticism & feelings & attitudes as result of deprivation, betel-leaf chewers vs nonchewers, 56:7847
extraversion-introversion & neuroticism, stimulus complexity preferences under stress & nonstress conditions, orienting responses & dexedrine & thorazine effects on rating patterns, 55:4591
extraversion-introversion & neuroticism, intended & actual social science vs engineering majors, 55:10916
extraversion-introversion & neuroticism, end-of-day moods on work vs leisure days & daily activity variation, 57:12802
extraversion-introversion & neuroticism, EEG index of strength of nervous system, college students, 58:581
extraversion–introversion & neuroticism–emotionality dimensions of Eysenck Personality Inventory, relationship to psychomotor performance, 53:5348
extraversion–introversion & trait favorability & set size, impression formation, college students, 54:5242
extraversion-introversion, accuracy of social perception, college students, 56:7960
extraversion-introversion, conceptual recall & behaviorally-defined tasks, 6th graders, 55:12291
extraversion-introversion, learning English as 2nd language, 12th graders from Spanish-speaking countries, 57:6852

extraversion-introversion, pain thresholds & pain tolerance, 55:7184
extraversion–introversion, reciprocity of interviewer disclosures, college students, 54:7493
feedback, disjunctive RT, introverted vs extraverted delinquent vs nondelinquent males, 58:3563
fetal activity, introversion-extraversion, preschoolers, 55:9479
field dependence & introversion vs extraversion, psychological health & self actualization, extension of B. Fine's study, 56:9904
general semantics training & introversion-extraversion, social adjustment, graduate students vs senior citizens, 58:5080
Greek god Hephaistos & Marxist worker, archetypal background of introversion, 53:7381
group size & neuroticism-stability & introversion-extraversion, quantitative aspects of conversation in group context, 57:1230
heredity, anxiety & introversion–extraversion, attitude toward & consumption of alcohol & cigarettes & coffee, 16–31 yr old monozygotic & dizygotic twins, 53:512
highly vs partially structured vs nonstructured human relations training, marital communication & adjustment & extraversion/introversion & stability/instability, married couples, 58:7912
horizontal direction of approach & light vs darkness & introversion–extraversion, personal space, male college students, 53:7336
hyperkinesis vs hypokinesis, learning disabilities involving psycholinguistic abilities & visual perceptual processes & social introversion-extraversion, 6–10 yr olds with minimal brain dysfunctions, 57:13068
individual differences in cognitive style & anxiety level & extraversion-introversion, susceptibility to distraction, 55:8702
individuation-transcendance of Jungian types & life change & health status, college students, 58:5381
infrequent regular signals, reaction time & inhibitory potential, extraverted vs introverted college students, 53:6682
intelligence & attitudes toward authority & introversion–extraversion & neuroticism, recidivist vs nonrecidivist prisoners, 54:3163
internally- vs externally-oriented fantasizing & ego closeness & field dependence & introversion-extraversion & daydreaming frequency & external stimulation needs, intellectual performance following perceptual isolation vs overload, male 18–26 yr old enlisted naval hospital staff, 56:8003
introversion & extraversion & neuroticism & stability, GSR conditioning, males, 55:9148
introversion & visual imagery occurrence & vividness & emission & control of GSR & perception of somatic activity, experiential focusing ability, 55:3591
introversion, perceptual & motor accuracy, male college students, 58:3410
introversion vs extraversion & helper's nonverbal attending behavior, ratings of helper, male college students, 58:5782
introversion vs extraversion & supportive vs nonsupportive supervision, rating of own counseling performance, graduate students, 57:1862
introversion vs extraversion & time stress & caffeine, verbal performance, college students, 56:2426
introversion vs extraversion, pain tolerance, male college students, 57:5845
introversion/extraversion & caffeine & provocation, affective aggressive behavior in Prisoner's Dilemma strategic choice situation & semantic differential ratings & pulse rate, 57:5380
introversion-extraversion & confederate's high vs low intimacy disclosure, heart rate & GSR changes, male students, 57:9753
introversion–extraversion & distraction & stimulus distortion, efficiency of work output, adult males, implications for personnel placement, 53:2060
introversion-extraversion & field dependence-independence & attention, autokinesis, 55:9875
introversion-extraversion & field dependence, accuracy of visual target detection, soldiers, 56:8014
introversion–extraversion & field dependence, Rod & Frame Test performance, soldiers, 54:9688
introversion-extraversion & neuroticism levels & stress during testing, performance on intelligence & cognitive tests as measured by mental speed & accuracy & persistence, college students, 55:11014
introversion-extraversion & neuroticism, telephone vs face-to-face counseling, female college students as interviewees, 55:7727
introversion-extraversion & neuroticism, supervisors' vs self ratings of job performance, systems analysts vs their managers, 57:4519
introversion-extraversion & other personality traits, drug response, literature review, 57:2734
introversion-extraversion & reducing-augmenting & repressing-sensitizing & manifest anxiety & field dependence-independence & overcontrol of hostility & Sheldonian temperaments, college students, 56:736
introversion-extraversion & simultaneous presentation of visual &/or auditory noise as stress agent, target detection & autonomic arousal, 57:7683
introversion-extraversion & skin conductance, performance under social stress vs no stress, college students, 56:7431
introversion-extraversion & stimulus barrier, cardiac & psychiatric patients, 55:9917
introversion-extraversion & task interest levels, time perception of reading intervals, female college students, 55:11351
introversion-extraversion & thinking- vs feeling-orientation & intuitive- vs sensation-orientation & anxiety level, cognitive controls, college students, 58:1204
introversion-extraversion, contingent negative variation, medical students, 54:11843
introversion-extraversion, evaluation of severity of stuttering, 18–30 yr old stutterers, 56:4304
introversion-extraversion, hysterics & dysthymics, 55:9943
introversion-extraversion, integration of contrasexual characteristics as measured by recognition time & emotional distance levels in microgenetic perceptual paradigm, 57:3338
introversion-extraversion, interpersonal perception, interpersonal understanding & marital happiness, spouses, 55:4399
introversion-extraversion, learning to communicate empathic understanding, college students, 56:9890
introversion-extraversion, memory for verbal & visual material, college students, 57:9550
introversion-extraversion, Raven's Standard Progressive Matrices performance, male vs female college students, 56:9934
introversion–extraversion, salivation & rated levels of physical stimulus at different levels of acid stimulation, college students, 53:7449
introversion-extraversion scores, differential diagnosis, neurotic vs psychopathic inpatients, 56:8117
introversion–extraversion, speed of retrieval from semantic memory, college students, 53:11702
introversion-extraversion, success in methadone treatment, heroin addicts, 56:1227
introversion–extraversion, time perception, 10–48 yr old psychiatric patients & college students, 53:2197
introversion-extraversion, 18–33 yr old male heroin addicts vs college students, 57:3556
Jungian theory of introverted & extraverted drives in drug usage, 55:801
Jung's concept & empirical studies & phenomenological approach, introversion, book, 54:3159
law of initial values of J. Wilder, applicability to Pavlov's theory of CNS excitation-inhibition & H. J. Eysenck's personality theory of extraversion-introversion, 56:4105
massed vs spaced practice & anxiety & intelligence levels & introversion–extraversion, learning of nonsense syllables, adolescent females, 54:1115
neurotic & stable introversion & extraversion & intermittent noise distraction vs no distraction, time & rate of fluctuation of attention, female 16–20 yr olds, 58:1258
neuroticism & introversion & anxiety, correlation with clarity & controllability & associated affect of visual imagery, male & female college students, 54:9686
neuroticism & introversion-extraversion & self esteem & life characteristics, college male activist vs nonactivist homosexuals vs heterosexuals, 55:2297
Pain Apperception Test, validity as predictive measure of pain tolerance & response to painful stimuli & assessment of relationship to neuroticism & introversion & extraversion, college students & staff, 56:5176
peer ratings of aggressiveness & extraversion & introversion & anxiety, social skills, 14 yr old boys, 57:1175
personality traits & achievement motivation & personal adjustment & introversion-extraversion, male vs female high vs low achieving Japanese American Sanseis, 58:2103
physiological arousal & habituation as measured by GSR & heart rate, extraverts vs introverts, 55:9168
practice of transcendental meditation, psychoticism & extraversion-introversion & neuroticism, males vs females, 57:12850
relationship between Y chromosome length & extraversion–introversion & neuroticism, medical students, 54:9673
reliability & validation of SVIB Occupational Introversion-Extraversion scale, correlation with Omnibus Personality Inventory Social Extraversion scale & relationship to ability measures & grades, college students, 58:6680
role playing self vs introvert vs extravert as math teacher & self monitoring level, leakage of dispositional introversion-extraversion during role playing, college students, 58:3387
Rorschach & Draw-A-Man tests, identification of extraversion & introversion, 15 vs 18 yr old Belgian students, 58:6645
seating arrangement & sex & personality variables, initial interview behavior, 56:689
self esteem & thinking introversion-extraversion, self awareness seeking behavior, 55:12325
self estimated IQ scores, correlations with liberalism-conservatism & birth order & locus of control & parent-child ideological agreement & introversion & GPA, college students & adults, implications for validity of self estimated IQs & intelligence testing, 58:1236
semantic differential scale, measurement of extraversion-introversion & neuroticism, school age children, 54:9714
sensory awareness vs verbal cognitive T group styles, introvert & extrovert graduate counseling students, 53:10231
sex & introversion-extraversion & punishment vs reward for response, stimulus detection errors & task-irrelevant thought, 55:11522
sex & personality measures of extraversion-introversion & neuroticism & rigidity & test-defensiveness, relationship to Watson-Glaser Critical Thinking Appraisal, college students, 55:11302
sex & race & advantages & introversion/extraversion based student-teacher pairings, mathematics & language achievement & task orientation, 5 yr old Black vs White kindergarten students & teachers, 57:13794
similarity of extraversion & need, interpersonal attraction to extraverted vs introverted & nurturant vs succorant strangers, 55:4515
socioeconomic status & personality, disparity between occupational preference & value choices, high school students, 55:5763
Ss in quiet vs listening situations vs while performing computations, relationship between EEGs & H. J. Eysenck's personality dimensions, male Ss, 55:11672
stimulus intensity & task complexity & introversion-extraversion auditory stimulation effects on visual tracking, students, 55:106
substantial lunch consumption & unstable introversion/stable extraversion, palmar skin potential level & mood & heart rate, 20–50 yr old males, implications for application in industrial environments, 58:577
systematic desensitization vs assertive training, emotional control, extraverted vs introverted vs ambiverted college students, 57:6318
teacher-dominant vs student-dominant teaching methods, class performance, introverted vs extroverted high school students, 55:7983
time of day, circadian rhythm in extraversion-introversion & salivation, 18–25 yr olds, 56:301
topological representations of self & others on personal space measure, relation to introversion-extraversion, college students, 56:6104
trait adjective descriptions of extravert & introvert characters & explicit identification of character types, operation of personality traits as conceptual prototypes using recognition memory paradigm, college students, 58:5296
variety-seeking in monotonous task performance, introverts vs extraverts, 54:5315

Intuition
analytic & intuitive dimensions of cognitive functioning, selection of college major, college students, 55:10841
averaging processes, intuitive statistical judgments, college students, 53:2338
bias due to intuitive concept of randomness, spatial distribution & numerical assignation, 54:2318
brief exposures to sample mean & size & variance & mean difference & importance differences between sample pairs, numerical judgments & ratings & choices, college students, 54:330
college experiences, analytic-intuitive dimension in thinking orientation toward career planning, college students, 55:8341
creativity & task complexity, intuitive vs analytical problem solving, college students, 55:3710
data source reliability & diagnosticity, intuitive inference, 54:293
distribution characteristics as predictors of error, intuitive estimation of means, college students, 54:6749
empirical analysis of 5 descriptive models, prediction of cascaded odds in probabilistic inference task based on unreliable reports of binomial events, male naval aviation trainees, 55:3690
estimation of exponential growth in numerical series & graphs in intuitive extrapolation task, misperception effect, college students & professional decision makers, 56:1778
functional & structural aspects of visual components, intuition in problem solving, 53:10878
intuition & feeling orientations & O/target similarity, predictive empathy, females, 58:3309
intuitive correlation in 2 by 2 paradigm, quantitative data from prediction behavior & qualitative data from inquiries about probability concept, college students, 56:9155
intuitive judgments of frequency of mental translation & memory for communication language, bilingual information processing, high school & college students, Puerto Rico, 54:10971
intuitive preference & arousal conditions & their interaction, intuitive problem solving, college students, 55:8825
intuitive processes, problem solving, 53:8781
lateralization for perception of consonant-vowel syllables, hemispheric specialization for contextual inferences from content altered speech, male vs female college students, implications for communication theory & intuition, 57:7302
reason & intuition as approaches to knowledge & consciousness, book, 55:9002
repeated exposure to role-playing vs mere exposure experiments, affect & intuition, college students, 53:6702
verbal & nonverbal cues & intuitive perception & sensitization, utilization of incongruent communication & rated "client" anxiety, 57:3174
3-cue inference task, E. Brunswik's propositions concerning intuitive vs analytic thinking, young adults, 53:2354

Inventories [See Also Biographical Inventories, Interest Inventories]
affective correlates of systematically-derived work dimensions, validation of Occupation Analysis Inventory, 53:12613
assessment of sexual adjustment & satisfaction, validity & reliability of Sexual Interaction Inventory, heterosexual couples, 53:9415
comparative validity, traditional vs stimulus–response inventories of interpersonal behavior, high school seniors, 53:4287
Conceptual Congruence Inventory, assessment of degree of overinclusion & underinclusion of common affective concepts, college students, 56:7023
construction & reliability & validity, inventory to distinguish administrative & organizational problem solving modes, innovators vs adaptors, England, 57:7044
convergent & discriminant validity of job satisfaction inventory, Indian technological institution teachers & English university teachers, 54:10834
convergent & discriminant validity, Barclay Classroom Climate Inventory, 53:4119
cross-validation, short & long forms of Beck's Depression Inventory & clinician's ratings, hospitalized & general medical outpatients, 53:1326
development & application, College Experience Inventory, college student, implications for counseling & placement, 54:8243
development of inventory of group counseling leader behaviors thought to promote effective group counseling, counselor education faculty, 58:12069
development of self report Sexual Arousability Inventory, female college students, 56:9787
evaluation & improvements, job inventory approach in analyzing US Air Force officer utilization fields, 56:10851
factor analysis & varimax & oblique rotations, dimensions of Interpersonal Communication Inventory, 17–64 yr olds, 56:3207
factor analysis, items of Bem Sex-Role Inventory on independent masculinity & femininity dimensions, college students, 58:4666
factor analysis of Sexual Interaction Inventory, former clients of sexual dysfunction clinic, 58:2564
human attribute requirements of work elements, development of Occupational Analysis Inventory, 53:12603
Institutional Goals Inventory, institutional goals & curriculum planning of California state colleges, 53:12382
inventories based on rational vs empirical item selection, criterion validity for instructional evaluation, college students, 58:6657
inventory for identification of achievement potential, minority group college students, 53:12549
life events inventory, measurement of life change & stress caused by life events, urban Ss, Australia, 56:5194
Marketable Skills Inventory, assessment of educational needs for educational & vocational guidance & career maturity facilitation, 57:11553
multidimensional inventory using general nondrinking & drinking criteria, treatment outcome evaluation, successfully vs nonsuccessfully treated alcoholics, 58:1823
neuroticism & extraversion, principal components of Coopersmith Self-esteem Inventory, English adolescents, 54:7608
prediction of suicide risk, validity of W. J. Poldinger's 35-item inventory, patients with functional psychoses, 57:10509
Premarital Communication Inventory, measuring poor vs good communication interaction, college-age premarital couples, 54:2962
procedures for constructing simultaneous confidence intervals for multinomial populations, inventory of occupational & educational plans & goals, male & female black & white 8th graders, 56:5196
relevance of Theological School Inventory, changes in seminary students over 10 yrs, 55:1553
selected questions from Symptom-Sign Inventory, differential diagnosis, 37–86 yr old long-stay psychiatric inpatients, 56:10013
social desirability, Thorne's Sex Inventory item responses, college students, 53:9389
validity & reliability for clinical & research settings, Assertion Inventory as self report measure of assertiveness, 18–53 yr olds, 55:46
validity & standardization, Athletic Motivation Inventory, female college athletes vs nonathletes, 58:155
work dimensions derived through systematic job analysis, test of Occupational Analysis Inventory, 53:12608

Inventories (Attitude) [See Attitude Measures]

Inventories (Personality) [See Personality Measures]

Inventories (Preference) [See Preference Measures]

Invertebrates [See Also Ants, Arachnida, Arthropoda, Bees, Beetles, Butterflies, Cockroaches, Crabs, Crayfish, Crustacea, Diptera, Drosophila, Earthworms, Echinodermata, Grasshoppers, Insects, Larvae, Mantis, Mollusca, Moths, Octopus, Planarians, Protozoa, Snails, Worms]
biology & behavior, cephalopods & echinoderms, book, 55:11547
circadian rhythms, swimming activity, nocturnal plankton, 57:5099
Dugesia gonocephala model, testing drug action on dopaminergic or cholinergic transmission, 58:11233
general morphology & behavior, gastrozoids & dactylozoids in 2 species, 56:182
genetic & physiological & biochemical & behavioral techniques, defective stimulus-response pathways & molecular mechanisms of membrane excitation & behavior, mutant Paramecium aurelia, 54:6839
habituation of contraction response & food-related behavioral inhibition, sea anemones, 56:7328
habituation to water-stream stimulation, topographic changes in responding, sea anemones, 54:4911
increased vs decreased conductance excitatory postsynaptic potentials for motor cells, synaptic augmentation & electrotonic coupling, sponges, 56:1916
injection of egg laying hormone, egg-laying behavior, Aplysia californica, 58:5008
learning & behavioral plasticity & modification of learning through environmental interaction, protozoa & coelenterates & turbellarians & annelids, book, 56:202
leptazol & eserine & scopolamine & oxotremorine, sensitivity of acetylcholine concentration in ganglia, leeches, 55:458
locomotor behavior, membrane noise, Paramecium, 56:1929
neurons & behavior, invertebrates, book, 56:7413
neurophysiology of learning, review of electrophysiological studies of invertebrates or simple vertebrate preparations, 54:2381
phylogenetic distribution, enkephalin activity & opiate receptor binding, vertebrate & invertebrate species, 56:7409
presynaptic electrical coupling in large cholinergic interneuron in abdominal ganglion, postsynaptic chemical transmission, Aplysia, 58:4959
presynaptic facilitation, sensitization of gill-withdrawal reflex in abdominal ganglion, Aplysia, 57:12238
prolonged excitatory & inhibitory synaptic modulation of bursting pacemaker neuron, number & frequency of spikes in each burst, Aplysia californica sponges, 53:576
rhinophores & tentacles, behavioral localization of distance chemoreceptors used in food finding, Aplysia californica, 55:223
rhythmic changes in membranes, Gonyaulax polyedra, 56:5504

serotonin & octopamine & dopamine & cyclic adenosine monophosphate, synaptic facilitation between sensory neurons & motor cells & sensitization of gill-withdrawal reflex, Aplysia, 57:12369
sex specific cannibalism, Asplanchna sieboldi, 57:7616
sinusoidal analysis, electroretinogram for small signal intensity-modulated stationary spots of light, isolated eye or eye plus optic lobe preparation from squid & octopus, 58:2827

Investigation [See Experimentation]

Involutional Depression
historical study, involutional melancholia, 55:12434
lithium carbonate, plasma & erythrocyte lithium concentrations & EMG & EEG charges, unipolar & involutive depressed patients, 56:6452
memory deficits & intelligence, 56–70 yr olds with involutional depression, 58:11838
premorbid personality, involutional & manic depressive & neurotic depression, critical review, 53:7533
presence of involutional melancholia, males, 54:3263
senile deterioration & slight arteriosclerosis & premorbid characteristics, metabolic delirium & rigid involutional depression, 64 yr old male, 57:1317
thyrotropin-releasing hormone, 24–61 yr old severely depressed inpatients, 55:10420

Involvement
A-B Therapist scale, creativity & personal involvement & femininity & verbal orientation, college males, 54:1167
actual & preferred parental involvement in kindergarten program, school administrators vs teachers vs parents of kindergartners, 56:8671
amount of involvement in project planning, behavioral commitment to environmental change project, maximum security prison inmates, 57:9270
amount of parental involvement in programs & attendance in Project Head Start only vs Head Start & Project Follow Through, academic achievement, 1st vs 2nd sibling 2nd graders, 57:11360
attitudes toward community participation in school affairs, prospective teachers, 56:4728
attitudes toward education, desired & actual involvement in educational decision making, teachers, 56:2793
behaviorally oriented scale, measurement of job involvement defined as commitment to work, female elementary school teachers, 58:10733
choice & costs, observers' attributions, male college students, 54:9615
choice & degree of involvement with issue & anonymity of commitment, strength of attitude statement following commitment to proattitudinal action, female students, 56:4070
choice of symbol set & shuffling of symbol deck & discussion of technique, sender & receiver belief in personal success at mental telepathy, college students, 56:7274
cognitive complexity & interpersonal attraction & passive vs active involvement & actor's positive vs negative action during dyadic problem solving, causal attribution of actor's behavior & communication strategies, college students, 58:3342
collaborative testing context creating egalitarian hypnotist-S relationship vs standard contractual context & varying suggestibility instructions, suggestibility scores & satisfaction & enjoyment & involvement in testing, college students, 57:5011
continuity of lesson's signal system, task involvement, preschool age children, 54:10511
direct involvement scale, measurement of personal participation level, implications for social studies education, 55:8372
disengagement or involvement in family & work & community & leisure role sets, positive reinforcement received or expected, nursing home & elderly community residents, 57:7888
ego involvement, prediction of attitude change as result of viewing 1 or more persuasive films on controversial issue, 10th graders, 58:10491
employee-based task force to plan organization development project, collaboration & commitment processes, bank employees, 58:8523
graduate educational program participation, job performance & involvement & need satisfaction, US Air Force missile launch control officers holding low intrinsic satisfaction jobs, 55:13676
group structure & importance of norms & situational thresholds to evangelistic contact, attitude-related commitment to evangelize, members of evangelistic campus religious group, 58:7418
incongruity & task demand & induced involvement, physiological measures of arousal, 6th graders, 56:9257
increased S involvement, conservation of number & liquid, 2nd graders, 53:7044
instructional levels of involvement, teacher education from undergraduate to classroom teacher, 53:6128
instructional team approach utilizing staff & parent participation, academic achievement, kindergartners through 3rd graders, 58:12479
intrinsic job motivation & needs for quality job design & job involvement & Protestant ethic orientation, relationship between job design quality & job satisfaction, 57:9245
introduction of skill related factors of competition & choice & stimulus & response & familiarity involvement into chance situations, illusion of control or inappropriate success expectations, adults, implications for risk taking, 57:2492
involvement & communication discrepancy & presentation order, attitude change & communication displacement & communicator evaluation, 55:9759
involvement & empathy & recognized authority, resolution of preference conflict in family automobile purchasing, husbands & wives, 58:4520
involvement & perceived importance of pollution & negative consequences, antipollution group members vs nonmembers, 53:1005
involvement & response language categorization, attitudinal judgment processes, college students, 53:5224
involvement, integrative complexity & creativity relationship, females, 55:9849
issue relevance & source credibility of communication, retention, college students, 54:6804
job & life stresses & job involvement, prediction of job-related strain, male vs female government employees, 58:10728
job attitudes of satisfaction & involvement & intrinsic motivation, male blue collar workers, extension of E. Lawler & D. Hall's factor analytic study, 56:10884
job involvement, job satisfaction & perceived importance of job factors representing Maslow's hierarchical needs categories & need strength & satisfaction, industrial employees, 54:12719
job involvement level, job satisfaction-performance relationship & intrinsic vs extrinsic sources of satisfaction, managerial & professional public agency employees, 57:4556
leadership involvement & subordinate's perception of task importance, subordinate's performance & satisfaction & commitment & perceptions of leader, male college students, significance of management decision making, 58:1109
manning levels, group involvement & subjective experiences relating to group size & crowding & performance & verbal interaction in groups, male college students, 58:1124
mental health & personal time devoted to work, job involvement & satisfaction, female elementary school teachers, 54:8275
motivational factors, involvement in decision making & social organizations, college students, 58:10504
organizational research on job involvement, literature review, 58:6493
parent involvement in schools, development of public understanding, parents, 57:11195
participant involvement, expectational influence, college students, investigation of E bias, 58:9496
participation in antipollution activities, complexity of judgments about environmental degradation, replication of C. Hovland & M. Sherif's research, 53:5101
participation in interactive activities, enjoyment & learning & self confidence & interpersonal skills, 13–15 yr old delinquents & students, 54:6296
perceived instructional quality & attitudinal & cognitive entry variables, student involvement in learning process, 54:12590
perceptions of involvement in & attitudes toward educational accountability, teachers, Colorado, 56:1349
personal involvement & communication context & situational arousal of own attitude, social judgment of controversial issue, adults, 58:11701
personal involvement & communication discrepancy & source prestige, reactions to communications on separatism, college students, 56:2304
political involvement vs uninvolvement, emotional responses to personally vs intellectually relevant political issues, male vs female college students, 58:9406
power & Machiavellianism & involvement, formal influence attempts, male psychology students in simulated industrial setting, 55:5804
principles & methods, delegation, 53:4227
prior attitude intensity & importance & involvement & source competence & sociability & composure & extraversion, prediction of attitude change, college students, 54:3050
psychological needs & college press & college environment perception, student activities involvement & satisfaction, college students, 58:10463
public vs private commitment & reactance, action-taking, females, 56:5981
rating scale development, work attitudes & job involvement, male myocardial infarction patients, 55:7471
role analysis, parents as indigenous paraprofessional community workers in child care/child development program, 55:7710
role conflict & role ambiguity, job involvement variables, high-level managers, 53:6364
role of person's investment in activity & outcome & assimilation & contrast processes, analysis of social comparisons within framework of social judgment & equity model theory, male college students, 58:5361
school board dogmatism & principal's age & sex & level of responsibility & training & perceived & actual participation in policy formation, morale, elementary school principals, 54:6200
script-case method of role playing, increased emotional involvement & spontaneity & participation, 58:1606
self actualization & educational background & occupational experience, involvement in social organizations & activities, members of Catholic women's organizations, 55:6862
self actualization, engagement & involvement in reading, 11th graders, 55:13407
sex role identification & political knowledge & attitudinal system & personality traits & demographic variables, politically vs nonpolitically involved women, 57:3306
skill building course, educational & social survival, urban Black students attending predominately White middle class high school, 57:6789
structured vs informal parental instruction & degree of involvement, academic performance, learning disabled elementary school students, 58:4379
student characteristics & involvement in learning & mastery vs nonmastery learning strategies, arithmetic achievement, 8th graders, 54:6298
student involvement, successful integration of schools, principals, 55:7950
task interruption & cooperative vs competitive vs individualistic relationship of S to task executor & resumption of task & ego-involving instructions, promotive tension using recall of uncompleted items, test of socially mediated Zeigarnik effects, 57:8206
teacher involvement in school board elections, description & evaluation of political education program by California Teachers Association, 57:11230
teacher–administrator–parent groups, educational process, 53:12394
teacher-guided vs small group vs individual-oriented open teaching styles, involvement in learning process & inquiry activity, elementary school students, 55:3099
teacher's school management involvement, pupil attitudes toward learning & school & self concept, 6th grade teachers & their students, 57:13572
temporal distance, estimation of involvement in potential future events, Swedish high school students, 54:5248
temporal distance from present, intensity of emotional involvement, college students, 53:8648
test anxiety & level of adult supportiveness, task performance accuracy & level of active task involvement in simulated teaching situation, male vs female 3rd & 4th graders, 57:13858
threat & defensiveness & involvement, acceptance of fear-arousing communications, 55:12196
trainer's liking of members & members' participation & emotional involvement & quality & quantity of received feedback, effects of T groups, trainers & female college students, 58:3787
videotape vs audiotape vs slides of printed transcript vs slides plus audiotape presentation of news broadcast, recall & perceived involvement ratings, college students, 58:5055
willingness & capacity for active involvement in imagining & suggestibility, individual differences in response to hypnotic dream suggestions, 58:400

Ions [See Electrolytes]

Iowa Tests of Basic Skills
canonical analysis, Iowa Tests of Basic Skills & Prescriptive Reading Inventory, 6th graders, 54:8519
construct validity of Wallach-Kogan Tests of Creativity, factor structure of creativity tests & Primary Mental Abilities Test & subtests from Iowa Tests of Basic Skills, 2nd graders, 58:4636
socioeconomic status & intelligence & race & sex, performance & improvement of arithmetic achievement on Iowa Tests of Basic Skills, 10 & 11 yr olds, 54:10676

Iproniazid
dextro-LSD & pargyline & proniazid & 5-hydroxytryptophan & parachlorophenylalanine & atropine, monoaminergic system, tonic immobility, chickens, 54:7028
dihydroxyphenylalanine & iprazid & 5-hydroxytryptamine, play behavior & serotonin level in brainstem, hamsters, 55:2101
iproniazid vs systematic desensitization with vs without methohexitone, severe agoraphobia, outpatients, 57:6210
tetrabenazine vs iproniazid vs iproniazid & ethinyloestradiol vs iproniazid & progesterone, noradrenaline & 5-hydroxytryptamine concentrations as monoamine synthesis in forebrain & middle- & hind-brain, ovariectomized albino mice, 53:6825
tryptamine, conditioned avoidance response, trained & iproniazid-pretreated rats, 58:3039

Iran
applicability of Manson Evaluation Scale, personality characteristics, hospitalized male addicts vs nonaddicts, Iran, 58:5558
attitudes toward modern status & equal rights for women, male vs female college students, Iran, 58:7397
biographical information & prior knowledge of US culture & higher education & happiness & adjustment & success & attitudes toward US people & self & other Iranian students, Iranian students at US university, 57:6895
cognitive-developmental analysis, causal attribution & evaluation in achievement & moral situations, 7–18 yr olds, Iran vs US, 56:3843
commitment & admission to psychiatric facilities & psychopathic & sociopathic behavior & criminal acts & drug addiction & suicide & juvenile delinquency, legal rights of mentally ill, Iran, 54:7783
conflict between government's acculturative goals of education & enculturative function of suburban elementary schools, Tehran, 58:9371
educational & community resources, scholastic outcome, rural primary education, Iran, 55:13338
guidance & counseling, solution of educational problems, Iran, 55:3281
incidence of phobia & relationship to different diagnostic categories, psychiatric outpatients, Iran, 57:12878
lithium therapy, depressive patients, Iran, 54:8050
neuropsychiatric disorders, residents of low & middle socioeconomic status areas in Iran, 53:7511
orientation to life & religious beliefs & values & psychological orientation, psychologists, Iran, 58:6086
perceptions of Prime Minister A. Hovayda & ideal self, male vs female college students, Iran, 57:5928
population & exchange & early state formation, Southwestern Iran, 54:7348
programed instruction vs traditional method, functional literacy, Persian sugar beet farmers, 54:12540
religious symbol target shapes, autokinetic movement, 18–32 old American vs Chinese vs Iranian male students, 56:7123
sex & age differences, Raven's Progressive Matrices scores, school children, Iran, 54:6357
sex & socioeconomic status & GPA, development of moral & achievement judgment patterns, 4–18 yr olds, Iran, 58:7165
sociocultural change, religious symbolism in Shi'a Muslim community, Iran, 55:9596
teacher vs peer vs self evaluation, performance & continuing motivation, Iranian 5th graders, comparison with US students, 58:8324
validity & reliability, Iranian adaptation of Guilford-Zimmerman Temperament Survey for military use, air force cadets & trainees, Iran, 58:6715

Ireland
changes in level of attainment in English reading comprehension, 11 yr old Dublin city school children, 1964–69, 55:8170
design & implementation, self-survey of unemployment, Belfast, 53:2975
development of guidance & counseling services in schools since 1960's, Ireland, 58:8408
epidemiological study of alcoholism & schizophrenia, Irish immigrants in London, 54:11899
epidemiology of attempted suicide, Irish immigrants in Birmingham, England, 56:10082
group dynamics workshop, Belfast community leaders, critique of L. W. Doob & W. J. Foltz's articles, 53:5157
high 1st admission rates & diagnosis for schizophrenia, mental hospitals in London vs west of Ireland, 54:3314
hostile & violent environment, social attitudes & cognitive functioning, Catholic & Protestant 6–10 yr old males, Ireland, 56:3878
listening to Northern vs Southern Irish vs standard English accents, retention scores, Catholic vs Protestant school children, Northern Ireland, 58:3190
modified Tavistock National Training Laboratory Workshop, perceived personal impact, Belfast community leaders, 53:5163
neurosis scores on Cornell Medical Index & Present State Examination & Leyton Obsessional Inventory, Irish vs British female vs male psychiatric patients, 53:1363
rationale & research & role relations, group dynamics workshop for Belfast community leaders, 53:5154
reasons for increase in admissions diagnosed as alcoholic, alcoholic admissions to Ireland vs New York vs London mental hospitals, 55:7786
relaxation training, reduction of aggression, females in borstal serving Scotland & Northern Ireland, 56:1082
scholastic attainment, disadvantaged 8 & 9 yr olds, Ireland, 54:1913
social & sociopsychological & personal factors, farm management, farmers, Ireland, 55:6866
value orientations, college-bound students, Ireland vs US, 58:12651
violence in Northern Ireland, encouragement of psychopaths & of aggressive tendencies in young, 56:856
WAIS subtest performance, intellectual impairment & recovery rates, hospitalized heavy drinkers vs normals, 1-yr longitudinal study, Ireland, 56:10088

Iris (Eye)
dark vs light eye color, physiological responses to neutral vs arousing auditory stimuli & neutral or violent or sexual visual stimuli, male vs female college students, 57:5214
eye color, determination of field dependence-independence, college football players, 58:9597
eye color, ease of emotional arousal as measured by color & form responses on Rorschach, light- vs dark-eyed white male college students, 55:12310
eye color, prediction of individual differences in motor behavior along self paced/reactive dimension, 55:8732
eye color, temporary auditory threshold shift, 16–59 yr olds, 57:4900
fundus pigmentation & illumination level & red/white vs blue/yellow block conditions, color form perception, Black vs White college students, replication of N. B. Mitchell & R. H. Pollack's study, 58:6793
iris pigmentation, auditory fatigue, normal hearing young adults, 54:2251
iris pigmentation, reactive motor performance & evaluation of M. Worthy's hypothesis, college students, support for neuro-pigmentation explanation, 57:9435
sex & iris color & iris value & fundus value & age & refractive error, true & apparent pupillary diameters at vertical & horizontal meridians & varying brightness levels, 56:7418

Iron
ferric ions located in hippocampal subfields, behavioral deficits in avoidance task performance, mice, 55:6441

Irradiation [See Radiation]

Ischemia [See Also Cerebral Ischemia]
alcohol & barbiturates, frequency of atrial & ventricular premature beats during sleep, Ss with ischemic heart disease vs healthy control, 54:9998
feedback-mediated heart rate modification, male college students vs patients with ischemic heart disease vs healthy age-matched Ss, 55:5109
ischemic nerve block technique, blocking afferent information in investigation of movement control under sensory loss conditions, male college students, 54:2217
life change patterns prior to ischemic heart disease caused death, male death-discordant mono- vs dizygotic twins, 57:6181
nerve compression block technique in study of movement control, criticism of study by J. A. Kelso et al, 57:558
nerve compression block technique in study of motor performance, reply to P. J. Bairstow & J. I. Laszlo's criticism, 57:574

repression-sensitization & compatibility with anxiety reducing techniques, ischemic muscle pain tolerance, college students, 58:9018
systematic desensitization vs information & reassurance about pain, tolerance for ischemic pain & associated anxiety, paid male volunteers, 55:10348
transient cerebral ischemic attacks & completed strokes & other neurological disorders, survey of elderly living at home, 56:6246

Islam
authoritarianism & anxiety & caste status, religious prejudices, Hindu vs Muslim college students, 57:8070
cultural differences in childrearing practices, perceptual articulation, 19–26 yr old male Israelis of Western vs Middle East origin vs Moslem Arabs vs Iranians, Middle East, 56:3890
differential diagnosis of inspirational spells of Muhammad the Prophet of Islam, historical & modern misconceptions about epilepsy, 58:3633
ethnocentrism, causal attribution of desirable vs undesirable acts, Hindus vs Muslims, India, 53:5049
flag preferences as measure of patriotism & attitudes toward world powers, Arab Christian vs Moslem vs Jewish Orthodox vs non-Orthodox 2nd–12th graders, Israel, 56:3896
Islamic family system, application to modern family problems, 54:2746
monetary reward & punishment, perceptual organization under perceptual learning conditions, Indian Hindu vs Muslim vs American white 8–12 yr olds, 54:2811
religious affiliation, attitudes & behavior & woman's role, Christian vs Muslim students in Middle Eastern Arab society, 54:2819

Isocarboxazid
amitriptyline & isocarboxazid, 5-hydroxytryptophan-induced head twitches, male mice, 58:9151
cerebral ventricles, injections of dextroamphetamine & desmethylimipramine & isocarboxazid vs morphine & cyclazocine & naloxone, body temperature & locomotor activity & reserpine- or tetrabenazine-induced depression, mice, 54:9096
pharmacological dissociation, vocalization & biting induced by imipramine & isocarboxazid combination, male rats, 56:2096
pretreatment with dextroamphetamine & desmethylimipramine & isocarboxazid & morphine & cyclazocine & naloxone, interaction with 5-hydroxytryptamine, mice, 54:596

Isolation (Defense Mechanism)
interrelationships among creativity & daydreaming & ego activity & perceptual isolation behavior, college students, 58:7612

Isolation (Social) [See Social Isolation]

Isolation Effect
classroom lecture simulation, serial position & isolation effects in learning, graduate students, 56:2866
direction of presentation of elements, production of isolation effect in trigram learning & memory, college students, 57:4970
field dependence/independence, effects of perceptual isolation on recall, college students, 58:3354
immediate vs delayed free recall, isolation effect, college students, 53:371
increasing heterogeneity of isolated item & retroactive interference, von Restorff effect, high school students , 54:11032
isolated items, free recall & recognition, college students, 54:394
isolated vs nonisolated words & word meaningfulness vs nonsense syllables, serial verbal learning, college students, 56:152
"isolation effect" as teaching technique with vs without distraction, pegboard performance, community-based vs institutionalized mongoloid vs nonmongoloid retardates, 57:9151
isolation of meaningfulness & color information, word list learning, 9–12 yr old learning disabled children, 57:6103
unrelated words & isolation effects & selective attention, free recall, humans, 56:5284
Von Restorff phenomenon, temporal positions in free learning & memorization, college students, 55:1847
Von Restorff phenomenon, temporal positions in serial learning, college students, 55:1848

Isoniazid
intentional isoniazid overdosage, self destructive behavior during tuberculosis therapy & prophylaxis, southwestern American Indians, 54:8072
isoniazid, social behavior & responses & separation & antagonism of alpha-methylparatyrosine effects & body weight, monkeys, 57:760
isoniazid, 21–64 yr old depressed patients, 56:1116

Isoproterenol
adrenergic agonists & antagonists, neural activity within hypothalamus, male rats, 55:11772
angiotensin antagonist & isoproterenol & bilateral nephrectomy angiotensin-induced drinking, rats, 58:7051
antipsychotic drugs, responses of noradrenergic & adenosine dependent systems in limbic forebrain, rats, in vitro study, 56:9539
beta-adrenergic active agents during induced compensatory growth, feeding response, female rats, 53:9102
carbachol vs histamine vs isoproterenol application to medial septal area, drinking & eating & brightness discrimination task performance, rats, 53:4645
epinephrine vs norepinephrine vs isoproterenol vs dopamine, self stimulation behavior, male rats, 56:7513
hypertonic saline vs isoproterenol, thirst & feeding interaction, rats with preoptic brain lesions, 54:6943
hypothalamic adrenergic stimulation, ingestion during satiation & role of alpha & beta receptors, male rats, 54:11199
intra- & extracellular thirst stimuli before & after chronic diisopropyl fluorophosphate treatment, water intake, rats, 56:2062
norepinephrine & methoxamine & isoprenaline & piperoxane & propranolol & amphetamine, cycloheximide-resistant memory, day old chickens, 57:2746
operant conditioning vs exercise & beta-adrenergic stimulation with isoproterenol vs atropine, increased ventricular heart rate, 22 & 70 & 80 yr olds with complete heart block, 54:6916
rearing in enriched vs impoverished environments, altered brain cyclic adenosine monophosphate responses to norepinephrine vs isoproterenol vs adenosine vs prostaglandin vs histamine, male weanling rats, 58:2904

Israel
abstract-impersonal–concrete-behavioral continuum, attitude-behaviors toward retardation, mothers of retarded vs nonretarded, US vs Germany vs Israel vs Yugoslavia, 53:1411
acculturation & social networks, American immigrants in Israel, 57:10070
age & sex & ethnicity & education & consumer status, emotional disorders, 6 Israeli villages, 57:3472
age & socialization milieu, internal–external locus of control, 9–14 yr olds reared in different kibbutz movements, Israel, 53:910
analysis & categorization, group processes, 1–4 yr olds in Israeli kibbutz & US preschools & day care centers & neighborhood playgrounds, 55:9492
analysis in terms of culture-conflict, criminality of rural Arabs, Israel, 55:4382
analysis of community mental health clinic, border settlements in Israel, 57:8848
analysis of interrogative speech types in mother–child interaction, US vs Israeli 2 yr olds & their mothers, 56:5771
analysis of objectives & methodology & data sources, psychiatric community surveys in Israel, literature review, 55:10456
applicability of modified Ramak & Courses interest inventories based on Roe's occupational classification for negative respondents, 9–21 yr old male Israeli Army personnel, 55:5760
attitudes & experiences, females in Israeli kibbutz, book, 55:4359
attitudes toward mental illness & role conceptions,psychiatric hospitals patients vs nurses vs professional staff vs occupational therapists vs medical students, Israel, 56:8138
attitudes toward self & family & community, 11th & 12th grade Americans vs Israelis, 57:10047
attitudinal orientations & socioeconomic background, cognitive functioning, Israeli 7th graders, 55:6752
authoritarianism & prejudice, Israeli married couples with similar vs different ethnic origin, 55:659
authoritarianism & religiosity, Israeli male high school & college students, 54:3173
behavioral criterion consisting of letter ordering student to appear for testing, validity of 3 subscales of California F Scale, Israeli college students, 55:60
birth order & age of emigration, later college acceptance, brothers who separated upon emigrating from Morocco to Israel or France vs Rumanian immigrants in Israel, replication of M. Martan's study, 57:4277
birth order, marital adjustment, Israel, 55:12140
capacity sharing & refractoriness, successive reactions, male Israeli college students & Air Force flight cadets, 58:8721
cerebral dominance & reading habits, errors in questions relating to left-right orientation, right handed Israeli & non-Israeli high school & college students, 56:1681
cerebral functioning in offspring of schizophrenics, Israeli school age children, 55:851
changes in life pattern 1 yr after injury & symptoms of low mood, wives of brain injured vs paraplegic vs uninjured husbands who fought in Yom Kippur War, Israel, 58:3655
changes in political & economic environment of Arab villages & Israeli regime policy, corporate- to faction-based intracommunity conflict, 54:11516
cognitive styles, Israeli male adolescents, 53:3131
community attitudes towards home treatment of mental patients, Tel Aviv residents, 55:6882
comparison of J. L. Holland's & A. Roe's occupational classification systems using interest inventories based on each classification, 9th graders, Israel, significance for vocational counseling, 56:5166
country of origin & parents' social class & child's level of retardation, parental guilt feelings & perception of retardation & acceptance of child, Israeli Jews of European vs Eastern descent, 53:9911
creative thinking & performance, high school seniors, Israel, 56:2949
criminality patterns, aged, Israel, 57:12943
cross cultural analysis, psychometric properties of 16PF, Israeli university applicants vs original US samples, 58:2576
cross cultural differences, manifest anxiety, children, Mexico & Japan & Israel & US, 56:2211
cross cultural differences, value systems, Israeli Jews vs Arabs, comparison with previous study of Australian & German & American & Canadian Ss, 57:8081
cultural background & native wise men practices, Yemenite mori, 53:11792
cultural conformity & superego development in Israeli kibbutz, 54:9450
cultural differences in childrearing practices, perceptual articulation, 19–26 yr old male Israelis of Western vs Middle East origin vs Moslem Arabs vs Iranians, Middle East, 56:3890
culture & linguistic background & Hebrew translation of Lorge-Thorndike Intelligence Test, factor structure of intelligence & test & item validity, Israeli 4th–6th graders, 55:3531
depression & anxiety & life experience differences, females with benign vs cancerous breast lesions, Israel, 57:8555
developmental differences, cooperative & competitive behavior during game playing in dyads, 4–11 yr old kibbutz vs urban Israelis, 56:2171
developmental trends, directionality of drawing during copying task, Jewish vs Arab kindergartners to 8th graders, Israel, 56:3831
developments & major trends in statistical data, juvenile delinquency, Israel, 57:3543
diagnostic categories & degrees of impairment, assessment of psychiatric disability, Israeli physicians, 54:5712
differentiation between worry vs fear vs concern behaviors & relationship to coping with stress, high school students before & adults after Yom Kippur War, Israel, 57:12584
dogmatism & locus of control & creativity, 12–14 yr olds educated in US vs USSR vs Israel, 58:5373
drug usage frequency & knowledge of drugs & attitudes toward drug use & demographic variables, Israeli 14–19 yr olds, 54:5156
education & ethnic & religious background, attitudes toward hospitalized & ambulatory psychiatric patients, adolescents, Israel, 57:3030
educational & occupational level & motivations, return migrants from US to Israel, 56:9744
educational level & ethnicity, differential validity of intelligence test for prediction of military attainment, male Israel, Army personnel born in Israel vs Western vs Eastern countries, 56:1537
educational problems & policy, Israel, book of readings, 54:1822
educational system within & attitude changes toward kibbutz & social values & ideas, 18 yr old graduates of secondary-type schools, Israel, book, 56:10522
emotional & attitudinal complications & psychotherapeutic considerations, preparation for therapeutic abortion, Israel, 57:13126
emotional development, institutionalized infants & preschool children with institutionalized psychotic vs maternally deficient vs motivationally atrophied vs other psychiatrically disordered mothers, Israel, 54:5510
emotional status, number of visits to rural general practice clinic, Israel, implications for working relationship between psychiatry & primary care givers, 56:6471
encopresis, 2–13 yr olds raised on Israeli kibbutz, 53:3317
enuresis, toilet-training by multiple caretakers, kibbutz-reared 4–18 yr olds, 53:3305
equivalence of Extraversion & Neuroticism & Lie scales of Hebrew version of Junior Eysenck Personality Inventory for age groups & internal consistency & intercorrelations of scales & factors, Israeli 7th–11th grade boys, 57:7213
ethnic background & religion & parental education, attitudes toward parents, 16–18 yr old male high school students, Israel, 57:3110
ethnic differences, reactions to absurd humor, Israeli Jews of Eastern vs Western descent, 56:5888
etiology & dynamics & therapy, somnambulism from trauma following injury of father, Israeli 11 yr old, 53:9779
expectancy theory model, prediction of preference to remain employed or retire, 57–64 yr old male workers, Israel, 57:7013
factor analysis, Israeli Fear Survey Schedule adapted from American models, 54:6585
factorial structure of intelligence, socially disadvantaged vs high socioeconomic status 4th–6th graders of Western vs Eastern origin, Israel, 57:7975
familiarity with Western testing materials & English language exposure, extreme response styles, Bedouin vs Moroccan male adolescents, Israel, 57:5669
family background & educational attainment & work experiences & work content & rewards & work attitudes & expectations, workplace mobility, 15–17 yr old male Israeli workers, 53:4222
family relationships & social class, male juvenile delinquents, Israel, 57:10551
fear & American vs Israeli fear survey inventory, Israeli vs American college students, 55:6916
flag preferences as measure of patriotism & attitudes toward world powers, Arab Christian vs Moslem vs Jewish Orthodox vs non-Orthodox 2nd–12th graders, Israel, 56:3896
grief stages & coping model, war widows in Israel, implications for professional caregiver, 55:5231
Hebrew version of College Self-Expression Scale, female & male Israeli college students, comparison with US data, 58:6690
historical & political & organizational reasons, limited role in social planning & social action, social workers, Israel, 57:11142
husband's educational level, family functioning & size & attitudes toward sexual equality, immigrants from Africa vs Asia vs Europe, Israel, 57:12656
inclination to reimmigrate, experiences abroad & future expectations, Israelis residing in France & in US, 57:12579
individual & social modernization, interviews with 6000 men in Argentina & Chile & India & Israel & Nigeria & Bangladesh, book, 53:5087
institutional controls vs interpersonal influences, determinants of occupational & educational opportunities, 20–21 yr old Israeli males & females, 55:5770
intellectual ability, Jewish & Arab kindergartners & 1st graders, Israel, 53:5038
intelligence & creativity, self concept, gifted 4th–8th graders, Israel, 56:6091
Israeli labor & ethnic conflicts, patterns of conflict generation & conflict absorption, 55:584
Israeli physician's role, disability assessment & rehabilitation prospects of workers, 54:6055
judgments of male vs female Oriental vs Western Israelis, male vs female 18–30 yr old Western Israelis, 57:3076
language history & attitudes, prediction of use of Hebrew vs non-Hebrew terminology, Israeli psychologists & graduate psychology students, 54:5377
laws & enforcement, drug addiction, Israel, 53:2977
left–right vs right–left reading–writing habits, directionality in drawing Bender-Gestalt figures, Austrian vs Israeli right-handed 1st–9th graders, 54:9324
lithium therapy, manic depressive patients in psychiatric centers, Israel, 58:1686
maintenance of freedom & dignity in psychotherapeutic experience in conditions of stress due to threatening aspects of war, Israelis, 55:2573
Mazra psychiatric work village settlement effectiveness, chronic deteriorated psychotics, Israel, 53:12281
mental health attitudes in flux during acculturation proccess, immigrants from Europe vs North Africa, 56:2198
modernization, causal relationships between family orientations & ideal & actual fertility, male workers, Argentina vs Chile vs India vs Israel vs Nigeria vs East Pakistan, 57:5696
modernization, extended family, Arabs in Israel, 55:6962
moral judgment, male vs female adolescents educated in Israel vs Soviet Union, 54:2845
moshav vs kibbutz vs village, comparison of rural settings, Israel, 54:2809
nonrepresentational drawings, aesthetic quality vs action level vs uniqueness preferences, Navaho Indian vs suburban US vs Israeli vs Costa Rican 11–12 yr olds, 56:7780
occupational group, work-role centrality & job rewards & satisfaction, 21–65 yr old Israeli males, 54:12722
parental fear reactions & denial of facts of war, small children, Israel, 53:9296
parent-child relations & coping behaviors, adolescent offspring of parents who were Holocaust survivors, Israel, 58:7151
pathological patterns of identification in families of concentration camp survivors, Israeli soldiers in psychiatric outpatient clinic, 56:791
patterns of semideviance such as emigration from Israel & favoritism & ultilization of public office for private pecuniary gains, Israel, 57:10052
perceived importance & attractiveness of national & civic & religious & familial & occupational subidentities, conflicted social identity, Arab high school & college students in Israel, 56:8026
perceived socialization & childrearing practices of parents vs teachers vs peers vs care givers, 5th & 6th graders from kibbutzim vs urban 6th graders, Israel, 57:3050
perception of relations with parents, high school students of Yemenite vs Ashkenite descent, Israel, 58:3214
personal & social adjustment & self concept & locus of control & anxiety, gifted vs nongifted 4th–8th graders, Israel, 58:3392
personality characteristics, Israeli & American soldiers hospitalized for psychiatric vs medical reasons, 55:9920
political & economic factors, perceptions of role of Israeli women & resultant attitudes toward feminist movement, 58:1017
predictability of biographical information, military success in Israeli Army, male 21–26 yr olds vs female 20–25 yr olds, 55:11123
prior reward experiences & future reward expectation levels, sharing behavior of dyads, 6–7 vs 9–10 vs 12–13 yr old male Israelis, 56:7697
psychiatric problems, burn patients & Israeli soldiers during war, 56:6111
psychohistorical analysis of personality dynamics, 2 generations in Israeli kibbutz, 55:12074
psychological & social forces, intellectual development as measured by Raven & Bender Gestalt & Draw-A-Person tests, Samaritan communities of Shchem & Holon, 56:5874
psychological involvement, knowledge & cognitive & emotional attitudes toward 6-Day War, Jewish 7th & 8th graders in US vs Israel, 53:2952
rating scale vs traditional ranking method, score results on Hebrew version of Rokeach Value Survey, college students, Israel, 58:2517
rearing in family vs collective settings, reactions to social pressure, Israeli & Soviet 12 yr olds, 54:11473
recall of radio & newspaper advertisements as indicator of media effectiveness, Israel, implications for measurement bias, 58:6525
residential treatment centers, treatment of behavior difficulties & psychic diseases, children, US & Israel & Denmark, 58:1780
role in establishment of family planning service, social workers, Israel, 53:8124
Russian vs Hebrew instructions, reaction to social pressure from adults vs peers, Russian-born adolescents recently immigrated to Israel, 56:7771
sex & achievement & major field of study & career expectations, cognitive style preference in science, college freshmen, Canada vs Israel, 58:12699
sex & school environment & curriculum & teacher attitude toward inquiry-oriented curriculum, cognitive preference & biology achievement, high school students, Israel, 57:1970
sex & self concept & socioeconomic status & war-related stress & peace time anxiety level, effect of Yom Kippur War on anxiety level, 5th & 6th graders, Israel, 57:10062
sex education programs for adolescents & teacher training, 10-yr review, Israel, 57:4320
social context of personal violence, community of Moroccan immigrants in new town 1964–66, Israel, book, 58:924
social desirability responses, Jewish vs Arab students in grades 4 & 6 & 8 & 10 & 12, Israel, 57:5670

social differentiation & perceptual organization on Rorschach & Bieri Test of Cognitive Complexity, fatherless & nonorphaned 9–14 yr olds, Israel, 56:3914
social networks, political party choice & voting behavior, Jewish urban males, Israel, 56:5931
social roles & values & interpersonal relations, affective & ideological commitment to society, Israeli kibbutz, 54:5078
socialization in Israeli kibbutz, bibliography, 53:11460
socioeconomic background & ethnic origin intelligence test performance, Israeli 8th grade boys, 57:5634
Soviet propaganda, case study of Middle East conflict, book, 57:5622
speech therapy in Hebrew, home language communication skills, bilingual & polyglot adult aphasics, Israel, 54:5677
street corner society, Israel, book, 56:9739
stress experiences during Yom Kippur war of 1973, combat fatigue as adjustive reaction, soldiers, Israel, 56:4162
structural aspects of role transformation, professional socialization, medical students in Israel, 56:1282
structure of ethnic identity & self esteem, Arab-Israeli conflict, Arab-Israeli college students, 56:2217
syntactic & articulatory abilities, kibbutz vs city 3–4 yr olds, Israel, 57:875
systematic construction of ability-test distractors for cross cultural comparisons, guessing behavior on multiple choice test, Israeli college students with parents of North African vs Eastern European origin, 56:2213
theoretical framework for considering origins & functions of self labelling of & by deviants, schizophrenics, Israel, 56:10048
therapeutic community within Israeli mental hospital, democracy within community, 54:8229
thing- vs person-oriented & emotional stability & interaction- vs self- vs task-oriented, difficulties experienced in encountering others from different social groups, English middle school students & 18–22 yr old male candidates for Israel Institute of Technology, 54:5211
training & service opportunities, clinical child psychologists, Israel, 55:2886
translation adequacy & preliminary validation, Hebrew translation of MMPI, Hebrew–English bilingual students & professionals & Israeli college students & US normals, 53:4281
translation into Hebrew & validation & preliminary standardization & cross cultural comparison, MMPI, Hebrew-speaking Israelis vs Americans, 56:7041
TV vs radio vs newspapers, contributions to fulfillment of cognitive & affective & social-integrative & escapist needs, housewives during vs following 1973 Middle East war, Israel, 57:7838
validity, Hebrew version of Wechsler Preschool & Primary Scale of Intelligence prediction of school achievement, Israeli 1st graders, 54:12647
verbal & behavioral aspects, commitment in conflict situation, Jewish vs Arab 8th graders in Middle East, 57:1047
verbal elaboration productivity & memory, 5 yr olds, Israel, comparison with American children, 58:6851
volunteer work during community crisis of 1973 war in Israel, mental implications of volunteering & utilization of volunteers during crises, 53:3817
war-related stress, family communication patterns, married females, Israel, 57:1080
watching President Nixon's arrival at Israeli airport on TV vs seeing motorcade on street, evaluation of visit outcome & positive image of manner & ability to assess Nixon's personality & resultant polarization, male vs female respondents, Israel, 54:7554
WISC test patterns, clinical interpretation of WISC score profiles, Jewish 5–15 yr olds, Israel, 54:1109

Italy
antipsychiatry movement, Great Britain & Italy & France, 53:3550
attitudes toward abortion, Italian vs British vs American females, 57:5750
attitudes toward aspects of work & social environment, young industrial workers, Italy, 54:12723
Comfortable Interpersonal Distance Scale, male vs female 12–15 yr olds, Italy, 58:8664
contemporary historiography of psychology, Italy, 58:4535
cross cultural study, communication of extra-verbal meaning by gestures, English vs Italian male college students, 55:4164
cross validation, social maturity index based on California Psychological Inventory subscales, delinquent & nondelinquent males, Italy & Japan & US, 53:4285
cultural & sex differences, attitudes toward contraception & abortion & family planning & population management & modernity & number of children wanted & expected, American vs Swiss vs Italian college students, 57:12581
cultural immersion & school programs in intercultural education, attitudes toward Italian people, 6th grade American dependents in Italy, 55:6934
economic & political & cultural factors, working class politics, Chile vs France vs Italy, 53:11560
films varying in aggressive vs sexual vs neutral content & arousal potential, altruism & punitiveness, male movie goers in London vs Philadelphia vs Rome vs Toronto, 55:7134
history & current status, clinical child psychology, Italy, 55:5346
institutional setting, industrial conflict & aggregate strike activity, France vs Italy vs US, 54:12753
intercultural study, worldmindedness value orientation, Neapolitan teenagers, 57:3047
interpersonal relationships & patronage & religious tradition as power determinants, archpriest in small Italian village, 53:7142
intoxicants used & user age & usage reasons, nonalcoholic addiction, Italy, 53:7648
magical healers & paranormal, Italy, 53:2923
mental & physical status & health care problems, sociomedical services planning, Ss 60 yrs & older in urban Italian community, 58:7980
methods used in diagnosis & treatment of depressed patients, nonpsychiatrist physicians, Tuscany, Italy, 57:3753
nationality of offending vehicle & S, latency of honking as unobtrusive measure of reaction to national stereotypes, Ss in Germany & France & Spain & Italy, 56:7765
normative & developmental data, cognitive styles & differentiation, 4.5–10.5 yr olds, Italy, 53:7039
outpatient psychiatry service, clinical records, disturbed university students, Italy, 55:12601
participation in Catholic church rituals, Italian Communists, 54:7324
percentage of psychiatric hospitalizations of elderly, 1954 vs 1974, Cuneo province, Italy, 58:12220
personality training, physician-patient relationship comprehension, physicians specializing in neuropsychiatry, Italy, 58:6114
place of origin, communication by gestures, Italian college students, 57:5425
prevalence of epilepsy & school experience & subsequent adult social integration, 6–14 yr old epileptics, Italy, 58:3649
Project Talent, identification of latent talent & educational & manpower planning & development of psychological measures, youth, Sicily, longitudinal study, 56:5002
social & cultural change, new childrearing practices, Italy, 57:12628
social status & satisfactions, cross cultural study of attitudes toward foreign nations, American college students in Italy & Italians in US, 55:9536
status comparability, attitudes toward foreign country visited, Americans & Italians, 54:971
tendency for association of positive evaluation to color white & negative to color black, 5–6 yr olds, France & Italy, 56:3892
villages of high vs low social conformity, field dependence, male & female 10 & 13 yr olds from Holland & Italy & Mexico, 53:9658
visibility of all of screen vs face only vs rest of body, communication of emotions & intensity of emotion from facial & gestural cues, English vs Southern vs Northern Italian college students, 56:7901
15-item version of California F Scale, cross-cultural application, Italian & American college students, 53:4284

Itching [See Pruritus]

Item Analysis (Statistical)
ALICE, program for S- & item-based analyses of randomly ordered sets of data, 58:6630
analysis of unique item variance, development of statistically parallel tests, 58:10830
clustering model, item analysis of psychological instrument with missing data, 54:4450
computer program for item selection based on maximum internal consistency, 57:7162
construct validity patterns, undependability for tests & items, 57:4743
cross cultural item analysis of Columbia Mental Maturity Scale scores, Black & White 4 & 5 yr olds, implications for use by language clinician, 58:12762
estimation of latent ability & item parameters with omitted responses, 53:102
extended version of Hamilton Rating Scale for Depression, item & factor analyses & reliability & analysis of symptom frequency & influence of sex, psychiatric patients, 58:6654
factor analyses of dichotomous items with endorsement proportions markedly different from .50 model & procedure to identify difficulty factors, 58:2536
factor definition vs clarity vs structure, factor analyses of ipsative scores for removal of linear dependency & forced negative intercorrelation with reference to Edwards Personal Preference Schedule, 55:5940
GUIDCOUN, item & test analyses & standard scores distribution, 58:8613
identification & assessment procedures, conditional states of item mastery found among items from different item domains, 55:3561
item analysis computer programs, comparative analysis of run characteristics & limitations & analysis features & options, 57:155
item analysis of Eysenck Personality Inventory, college students, 56:8041
item tree analysis, goodness-of-fit & interpretation of procedural outcomes, 53:8628
measure of reliability using qualitative data, expansion of L. A. Goodman & W. H. Kruskal's equation, 55:8679
radical parcel double factoring design, solution of item vs parcel controversy, 54:8698
sample-free item analysis, adequacy & bias & accuracy of conditional vs unconditional procedures, 58:8703
smallest space analysis & related multidimensional scaling vs factor analysis, common-item effects & item overlap on interscale structure, 53:4283

Item Analysis (Test)
age & sex differences reliability & validity of semantic differential evaluation & potency & activity markers for American English, adults, 55:66
age differences, item analyses for discrimination of brain dysfunction on Canter Background Interference Procedure, children, 54:1439
analysis of graphic test items as relating to ego functions, 53:6466
analytical model, selection of item & determination of item weights in G analysis in differential diagnosis, 54:3308
application of Rasch model, analogy test items, high school & college students, 54:8712
application of Rasch model of item analysis to Vocational Preference Inventory, male & female Ss, 55:8638
application of scaling procedure based on G. Rasch's model to FS 5-10 & KAT anxiety scales & discussion of scale construction strategies, 58:2544
assessment of job components & job & fellow workers & supervision & company policy & support & pay & promotion & customers, norms & reliability & construct validity & factor structure of job satisfaction measure designed for industrial salesmen, 53:8470
bipolarity within each item pair & unidimensionality of overall construct, assumptions about dimensionality of Rotter's Internal External Control Scale, college students, 54:11808
comparative racial analysis of enlisted advancement exams, item differentiation, Black vs White US Naval personnel in 6 occupational specialties, 58:6706
comparative validity, personality scales by naive item writers vs California Psychological Inventory vs Jackson Psychological Inventory, college psychology students, 54:8701
comprehensive method, analysis of test item variance, 57:149
computer FORTRAN program, item evaluation & reliability estimation & test scoring, 57:87
computer program for item selection based on maximum internal consistency, 57:7162
computer program ITEMAN, test & questionnaire & scale item analysis, 57:83
computer program, Likert format questionnaire analysis, 58:6583
concrete vs formal operations demands, difficulty of mathematics pretest items, 53:4102
construct validity patterns, undependability for tests & items, 57:4743
construction & item analysis & validation & other problems, personality questionnaires, 54:103
content & task dimensions analysis, mathematics items designed to measure concept attainment level, 56:2139
context effect in item sampling, scores on English & mathematics tests, high school students, 53:1991
criterion- vs norm-referenced measurement in education, application & reliability & validity & item analysis & usability, 58:6403
cross cultural analysis, psychometric properties of 16PF, Israeli university applicants vs original US samples, 58:2576
culture & linguistic background & Hebrew translation of Lorge-Thorndike Intelligence Test, factor structure of intelligence & test & item validity, Israeli 4th–6th graders, 55:3531
date of adopted tasks, Stanford-Binet Intelligence Scale of 1960 & amount of unmodified historical content in intelligence tests, 53:8586
development of Air Force Occupational Attitude Inventory, job satisfaction, 55:65
discriminant construct validity & confounding by social desirability, items & scales of Jackson's Personality Research Form, 55:41
discrimination index as statistical measure, objective test item rejection or acceptance, 55:71
distribution of item difficulties & reliability, cassette-recorded group test of rhythm, 7–12 yr olds, 56:7055
easy-to-difficult vs difficult-to-easy item order, mathematics test performance & heart rate measures of stress, high vs low test-anxious 11th graders, 53:6239
efficiency in item anlysis, 55:3521
empirical item analysis techniques vs approach using a priori developed scale, development of short-forms of tests based on Rokeach Dogmatism Scale, college students, 56:36
endorsements & content & desirability ratings, rationally generated autonomy items, implications for processes involved in answering personality items, 56:1661
facet design in construction of nonverbal classification test items, analysis of item difficulty & correlation between subtests & measures of perceptual speed & induction & classification & flexibility of closure & verbal comprehension, 11th & 12th graders, 58:4652
factor & item analysis, French version of Devereux Elementary School Behavior rating scale, elementary school students, 53:2153
factor analysis & item validity, revised Illinois Test of Psycholinguistic Abilities, disadvantaged Black & middle class White kindergartners & White middle class 1st graders, 57:11788
factor analysis of Life Style Analysis inventory & item analysis across normal & clinical groups, incarcerated felons & alcoholics & college students & chronic undifferentiated schizophrenics, support for Adlerian & Horneyan theory, 56:8980
factor analysis, Raven's Coloured Progressive Matrices item responses, Spanish- vs English-speaking children, 54:4441
factor analysis, Trustworthiness subscale of Wrightsman's Philosophies of Human Nature Scale, college students, 55:782
factor analysis using item intercorrelations, Group Personality Projective Test, psychiatric in- & outpatients & 16–57 yr old high school & college students, 53:9602
factor analysis vs item analysis using G. Rasch's individual-centered approach, evaluation of questionnaire items, significance for scale construction & item selection, 56:3206
factor structure & method effects, personality inventory item properties, 55:3518
factor study, B. J. Cratty's body perception test, children classified as educable mentally retarded or developmentally disabled, 58:5626
functions, identification responses in projective testing situations, 53:6444
individual scaling model, scaling pairs of Rorschach inkblots for perceived similarity, college students & short term psychiatric & schizophrenic patients, 56:63
internal consistency of social isolation items vs cross-correlation between social isolation & life satisfaction items, Life Satisfaction Scale & Social Isolation Scale & Willingness to Live Scale, 53:8597
intransitivity of multidimensional item responses, comment on H. K. Rodewald & J. L. Carroll's study, 53:8606
ITANA–III program, computation of psychometric characteristics of multiple choice tests including test statistics & item statistics, 55:3491
item & factor analysis of psychometric properties of Eysenck Personality Inventory's Extraversion & Neuroticism scales, 56:33
item & factor reliability & scale validity, Raven Standard Progressive Matrices, male adults, 58:6669
item & test variance for criterion-referenced tests, criticism of M. I. Woodson's paper, 53:62
item & test variance for criterion-referenced tests, reply to J. Millman and W. J. Popham's criticism, 53:67
item analysis & optimization, constructing tests with high reliability & minimum mutual redundancy, 57:76
item analysis & reliability of Self-Esteem Scale, measure of self esteem designed for college & adult populations, college students, 55:1769
item analysis for empirical dimensionality, questionnaire assessment of self actualization, 55:1765
item analysis for posttests in classroom individualized instruction, 54:6397
item analysis for racial bias, Navy enlisted advancement examinations, 55:1645
item analysis, mathematics subtest of Peabody Individual Achievement Test, 3rd graders, 58:10648
item analysis of California Psychological Inventory, development of counselor selection scale for use in counselor training programs, 55:3529
item analysis, R. L. Figert's elementary school form of Rokeach Dogmatism Scale, 53:2159
item analysis, teacher-made mastery tests, junior & senior high school teachers, 55:13542
item bias on Peabody Picture Vocabulary & Raven's Progressive Matrices tests, Anglo- vs black vs Mexican-American kindergartners through 8th graders, 53:11719
item characteristics of ability tests as selection instruments, test fairness, 58:4643
item difficulty of Michill General Ability Test, logical vs empirical estimates, college students, 58:8668
item factor structure, 16 Personality Factor Questionnaire, college students, 53:9604
item position in questionnaire, opinion survey responses, industrial employees, 55:3488
item reliability, Self-Inventory measurement of irrational attitudes & behavior based on A. Ellis' "Reason and Emotion in Psychotherapy", 57:7226
item selection & analysis & reliability & validity of Hindi inventory, measurement of academic motivation, students, 53:4077
item stratification in matrix sampling, estimation of test score distribution mean & variance, 57:4725
item validity indices, selection of criterion referenced test items for reading measurement, 3rd graders, 57:9384
ITEMA computer program, item analysis & test scoring procedure, 57:112
item-overlap effect, interscale structure of California Psychological Inventory, 55:11288
Kohs Modified Cubes Test, cube difficulty & administration & evaluation guidelines, 53:6446
marker variable analysis application, factor structure & scoring of Psychological Screening Inventory, 53:6465
matching response time & error consistency & correlation with intelligence measure, Matching Familiar Figures Test, 2nd & 3rd & 5th graders, Japan, 57:11770
methods for analysis of tri-fold questionnaire items, 57:11765
MMPI item analysis & validity as creativity measure, 54:10843
Monte Carlo investigation, validity of conventional vs logistic vs maximum likelihood vs Bayes modal test score as estimate of latent ability, 56:7019
nonlinear vs linear item characteristic curves, difficulty factors, 53:6498
null hypothesis application to rank order of item difficulty & probability of correctly answering different items, comparability of test performance by individuals of deviant groups, 54:6426
ordered vs unordered data, typological analysis designed to group Ss into compact clusters, 56:1637
perceived & objective item difficulty, perception of logical principles in reasoning ability test, 16–49 yr olds, 53:6626
Rasch item analysis model, arithmetic computation subtest of Comprehension Tests of Basic Skills & word knowledge subtest in Metropolitan Achievement Tests, black & white 8th graders, 55:8654
rating scale of student classroom behavior characteristics with 5 vs 7 vs 9 categories, extreme responses in ratings of item importance in behavior judgments, elementary school teachers, 54:10432
rational–theoretical vs criterion group approach to MMPI item pool, validity & reliability of short form MMPI content scales, female psychiatric patients, 53:8593
reliability & validity, personality scales constructed by external strategy vs intuitively constructed by nonprofessional item writers, college students, 55:8629
reliability, German version of Denver Developmental Screening Test, 6 & 18 mo olds & 3 yr olds, 53:829
samples of mastery & nonmastery examinees, item & test characteristics of criterion-referenced tests, 53:58

scale construction & reliability & item intercorrelations, measurement of effect of suggestion types on tactual & auditory & visual perception, 11th & 12th graders, 54:8700
scalogram analysis vs ordering theory, scaling of attitude items, 55:8611
scoring using rank order test model vs Lord's binary latent trait test theory model, item reliability & validity for items of varying difficulty & discrimination, 58:94
single stimulus form of Thorndike Dimensions of Temperament, dimensions & constructs of temperament, college students, 56:8039
social desirability, Thorne's Sex Inventory item responses, college students, 53:9389
spherical analysis of Vocational Interest Profile items, circularity of vocational interests, 53:2030
Stanford-Binet Intelligence Scale, comparison of item responses, 1932 vs 1972 preschool samples, 58:8650
strategies for adaptation of ability test items to individual differences in testees' ability level, 54:109
Survey of Study Habits & Attitudes, analysis of responses to test a priori classification of items into scales & hierarchical structure of scales, high school & college students, implications for counseling, 55:11022
test context, influence on item difficulty, 57:7297
test items with given estimates of difficulty & discrimination, program system for estimation of characteristics of test scores distribution, 55:3495
verification of task-oriented vs distractibility & extraversion vs introversion & considerateness vs hostility factors, Classroom Behavior Inventory, 2nd graders, 53:8400
Wechsler Preschool & Primary Scale of Intelligence, difficulty order of subtest questions, 4–6 yr old private school students, 58:4588

Item Content (Test)
absence of associated paragraphs & general vs extensive instructions, passage dependence of items designed to measure ability to identify main ideas of paragraphs, graduate students & high school students, 53:2161
administration & scoring & item content, Stanford Hypnotic Susceptibility Scale, 53:8594
anxiety type & item-difficulty sequencing, mathematics test performance & anxiety arousal, college students, 55:13617
cognitive level of test items, achievement in mathematics, 6th & 9th graders of varying ability levels, 58:10607
content & task dimensions analysis, mathematics items designed to measure concept attainment level, 56:2139
development of Air Force Occupational Attitude Inventory, job satisfaction, 55:65
Differential Aptitude Tests Form M, similarity of various item discrimination indices, 10th graders, 57:14007
discrimination index as statistical measure, objective test item rejection or acceptance, 55:71
item stratification in matrix sampling, estimation of test score distribution mean & variance, 57:4725
question format, educational differences in minority group stereotyping, 54:11489
reliability & validity, ambiguous item scale vs standard Thurstone scale as attitude measure & influence of social desirability, 57:2217
revision of Test Anxiety Scale for Children, factor structure of School Anxiety Scale, male & female college students, 53:10560
test length & item difficulty & discrimination, standard errors of estimate for mean & variance in item-examinee sampling, 53:2137
type of content score, response inconsistency in comparison measures of preference, 53:2136
validity & reliability, revised Rokeach Opinionation Scale items, 15–56 yr olds, 53:51
wording of item-stems, mean differences in endorsement rate in attitude questionnaires, college students, 53:6448

J

Jails [See Prisons]

Jamaica
community psychiatric service establishment, mental hospital admissions & bed usage, Jamaica, 58:12197
early availability of sex information, later coital & reproductive behavior, female 16–47 yr old working class Jamaicans, 57:1115
home visiting intervention program, interaction with & stimulation of mental development of their 3 yr olds, Jamaican mothers, 55:10464
medical beliefs & practices, Maroons of Moore Town, Jamaica, 55:9573
parent-child separation experience, psychopatholgy, Jamaican children attending hospital psychiatry clinic, 58:11860
spatial training & previous spatial ability, development of perceptual skills relevant to application of mathematics to 3-dimensional problems, elementary through college students, Jamaica, 58:851

Japan
acceptance of "Barnum" personality statements, Japanese & Japanese-American & Caucasian American college students, 53:5314
adolescent sexual development & behavior & adult sex behavior, Japanese, 54:7246
age & sex, social attitudes of conservatism & radicalism & social conformity, junior & senior high school students, Japan, 58:9333
analysis of prescription patterns & psychotropic drug consumption, US & foreign countries, 57:10958
apparent possession of characteristics antithetical to own liberal or conservative values, conceptions of harmful groups & attribution of characteristics, adults in Colorado & New Zealand & Japan, 54:9614
attitudes toward childrearing & teaching strategies with children, Japanese mothers, 58:3221
attitudes toward twins, Japanese parents, 54:843
attitudes toward vs behavior in extramarital sexual relations, middle class American vs Japanese middle aged females, 57:12677
behavior descriptions of person perception, Japanese vs US Filipino college students, 55:12071
behavioral attributions to pictures of male endomorphs vs mesomorphs vs ectomorphs, body build behavior stereotypes, Japanese vs American 18–21 yr old males & females, 53:5204
body lean & status of interviewer, nonverbal behavior of interviewees, Japanese students, 53:9466
career & achievements in psychology, Matatara Matsumoto, Japan, 57:2158
causes for outbreak of neuroses & application of Morita therapy, 54:3640
childrearing attitudes, "Japanese" mothers from 3 cultural backgrounds, 54:882
classification on basis of hospitalization duration, schizophrenics at Hizen National Mental Hospital, Japan, 55:10511
coding method for diagnostic symptoms, unification of diagnostic classifications & facilitation of statistical analysis of outpatient symptoms, Japan, 57:10414
cognitive domain & structural properties of cognitive systems, cognitive integration styles, college students from US & Japan & New Zealand, 53:3154
computer generation of letter sequences varying in approximation to Japanese, 53:1134
conception of speed & duration of moving objects, kindergartners vs elementary students, Japan vs Thailand, 58:7220
conflict resolution & social control, support for adversary system, Japan vs US, 54:5099
congruence of marital role perceptions, traditionally vs emergently married Japanese couples, 55:12124
cross cultural & intercultural differences, body build stereotypes, male vs female Japanese vs American adolescents & adults, 57:3057
cross cultural analysis, attitudinal factor structure of body build stereotypes, Japanese vs US adolescents, 55:4625
cross cultural differences, manifest anxiety, children, Mexico & Japan & Israel & US, 56:2211
cross cultural differences, moral development, 13 & 15 & 17 & 19 yr olds from Zambia & US & Hong Kong & Japan & England, 55:6831
cross cultural differences, validity of expectancy model of work motivation, female life insurance sales representatives, Japan, comparison of results from American sample, 54:2070
cross cultural education, attitudes & personality, Japanese male graduate students, longitudinal study, 58:8340
cross cultural study, mother-infant interaction patterns, Japan & US, 55:12137
cross cultural validity, femininity scale of California Psychological Inventory, female college students, Japan, 56:3253
cross cultural variations, subjective experience of depression as measured by word association task, Japanese nationals vs Japanese Americans vs Caucasian American college students, 57:12846
cross validation, social maturity index based on California Psychological Inventory subscales, delinquent & nondelinquent males, Italy & Japan & US, 53:4285
cross-national analysis, occupational values, upper lower & upper middle class 10 & 14 yr olds, Japan, 54:2828
cultural & psychological & medical problems in Western Japan, 4th Neuropsychiatric Symposium, 1972, 53:7452
cultural differences, aggressive content in fairy tales, US vs Japan vs India, 55:11856
current status of Morita therapy, Japan, 54:3615
dealing with applied problems, international trends in psychology, 20th International Congress of Psychology, Tokyo, Japan, 1972, 54:10794
death certificates & mental hospital discharge records, causes & rate of death, psychiatric inpatients vs general population, Japan, 57:1382
denominations of Christianity & Buddhism, ego functioning factors from California F Scale scores, religion major college students, Japan, 54:11822
dependency & fear of rejection in psychotherapeutic relationships, Japan, 54:5808
development of psychiatry, Japan, 19th century to present, 53:2102
development of translation of Tennessee Self Concept Scale, test norms, college students, Japan, comparison with US college student sample, 57:9380
diagnostic classifications & demographic characteristics & monthly admission rates, new patients in Japanese psychiatric hospital, 1970, 53:3542
diagnostic classifications & demographic characteristics & admission rates, new patients in Japanese psychiatric hospital, 1969, 53:3543
diagnostic classifications, neuropsychiatric patients, Kyushu University Hospital, 1970, 53:3306
dogma & rituals & interactional characteristics of ego & environment & suffering, religious healing in Japanese cult, 54:2830
drinking habits, divers on isolated island in Nagasaki, need for methods for prevention & treatment of chronic alcoholism, 54:9534
economic development, belief on locus of control, factory workers, US vs Japan vs Mexico vs Thailand, 53:7436
Emotions Profile Index Scores, Japanese college students, comparison with US college student norms, 56:724
environmental psychology education at American universities, implications for introduction of programs into Japanese educational institutions, 56:8670
errors & recovery of comprehension of sentence forms expressing "before" & "after" temporal order of events, 19–74 yr old aphasic patients, Japan, 57:8509
E's hypotheses, influence on S's response, person perception, Japan, 54:64
establishment of screening model, psychological impairment, Japanese junior high school students, 54:1306
factor analysis of Purpose in Life Test scores, US vs Japanese normal & psychiatric groups, 54:5336
family planning research, Asia, 53:7234
feasibility of measuring self disclosure intensity with Guttman's scalogram analysis & Kendall's rank order correlation coefficient test, high school & college students & adults, US vs Japan, 58:8634
final examination failure, "graduation phobia," Japanese college students, 54:1290
generality & topic specificity, cognitive styles, US vs Japanese college students, 55:12326
Goodenough-Harris Drawing Test performance, male vs female Ainu vs Japanese 6 yr olds, implications for analysis of intellectual differences, 58:5146
group conformity pressures, individual attitudes & behavior, West German & Swiss & British & Austrian & Japanese managers, 53:5036
group standards, review of Japanese studies, 54:2988
group work in community & convalescent home, rehabilitation & resocialization, aged blind Japanese clients, 54:3820
historical overview & current trends, organizational development, Japan, 56:1548
historical social structure of family & community, vocational choice, Japanese adolescents, 53:8442
history & current status, clinical child psychology, Japan, 55:2838
horizontal vs vertical letter arrangement & sex differences, recognition of Hiragana vs Kanji Japanese written symbols, 5–14 yr olds, 53:897
influence of C. R. Rogers & other practitioners, development of counseling movement, Japan, 56:963
intelligence test performance over 18-yr period, Japanese elementary school students, 53:12571
intergenerational continuity & discontinuity in moral values, Japanese, 54:885
intimacy & process of relationships with husband & children & mother & peers during 1st decade of marriage, females, Japan, 57:12651
Japanese practices in maintaining status & integration of aged, implications for US, 54:5149
Kendo practices & beliefs, Japan, 58:11543
"Kumiai," development of community mental health services, Japanese rural areas, 53:8089
length of verbalization, rated complexity of line drawings, college students, Japan, 56:4012
life histories & literary contributions & suicidal behaviors, Y. Kawabata & Y. Mishima, 55:2152
linkage of school & curriculum to local communities, 1945 to early 1950's, Japan, 58:10208
locus of control fostered by culture & national suicide rate, New Zealand & Israel & US & Italy & Canada & Australia & West Germany & France & Japan & Sweden, 57:10080
locus of control, Japanese translation of Levenson IPC Scale, US vs Japanese college students, 53:11729
long & short term psychological effects of exposure to Hiroshima's atomic bomb, book, 57:3406
management of change, America vs Japan, 55:11153
matching response time & error consistency & correlation with intelligence measure, Matching Familiar Figures Test, 2nd & 3rd & 5th graders, Japan, 57:11770
maternal age at birth & sex ratio & number of siblings & birth order & age interval between S & closest younger sibling, incidence of disorders, preschoolers with autism vs cerebral palsy vs mongolism vs normal Ss, Japan, 57:1283
maternal care & infant behavior, Japanese-American vs American vs Japanese families, 54:878
maternal closeness & family ties & suppression of sexuality, Japanese & Japanese American families, 58:970
mechanism of enrollment expansion in higher education, Japan, 58:10184
methodology using 3-mode factor analysis, differentiation of affective & denotative meaning systems in personality ratings using semantic differential scales from Great Britain & Finland & Japan, cross cultural analysis, 55:4176
MMPI, Chinese & Japanese vs non-Asian student users of university psychiatric clinic, 53:3355
multiplicative effect of negative "nai," positively evaluative & negatively evaluative adjectives in Japanese, Japanese students, 54:5295
neurosis in Michizane Sugahara, implications for Morita therapists, 54:3339
obligation attached to monetary aid & perception of donor resources, attraction to donor & desire for coalition & repayment, US vs Japanese vs Swedish male college students, 54:1025
oral education, hearing impaired children, Japan, 54:6342
oxygen intake, work intensity & efficiency, suburban vs city dwelling, Japanese 11–14 yr olds, 54:11136
parental Machiavellianism, cheating, preschool age children, Japan, 53:7091
personal & environmental variables, happiness in school, 5th & 8th & 11th graders, Japan, 56:4863
personal values, job success prediction, American vs Australian vs Indian vs Japanese managers, 53:6315
personality patterns, failure to recognize patient's mental illness by other family members & interpersonal phobia, Japan, 57:3515
political culture structure, Japan, 53:5084
population growth, high school education, Japan, 58:10209
population growth of industrial sections of diminishing population in rural mountain villages, mental illnesses, young adults & aged, Japan, 57:3409
prior inter- & intraorganizational mobility & cultural influences, organizational commitment, factory employees, Japan, 58:8517
processing of phonetic symbols for syllables & nonphonetic logographic symbols, Japanese aphasics, 54:12145
provincial special educational facilities & programs & joint education of handicapped & normal children, Japan, 58:10564
psychodiagnosis, revolting youth in Japan, 54:911
psychoeducational viewpoint, teaching of children with learning disabilities, Japan, 55:8305
psycholinguistic approaches to language & thought, 1972 Tokyo symposium, 55:6663
psychological & social significance, "Janken" behavior in deciding winner, Japanese kindergartners, 53:11384
psychological functions & aspects of Japanese language, 58:5059
punishment & medical application, moxacautery use as discriminant of personality differences, Japanese children, 53:2627
race & sex, aesthetic judgments of designs & devices made by English students, Japanese college students, 54:7557
random partial vs total reinforcement, imitation of "Jan Ken" behavior, 6-yr-olds, Japan, 53:2843
religious influences, fictive parent–child relations in Japanese rites of passage & secular "oyabun-kobun" relations, adults in Japanese farming community, 54:2777
resocialization after industrial change, unemployed coal miners, Japan, 56:3880
role crises, psychoanalytically trained psychiatrists, Japan, 53:7483
role playing & personal space theories, attitude change, college students in Japan, 55:2340
selection of subject matters based on child's development through teaching-learning process, 9 & 10 yr olds, Japan, test of J. S. Bruner's claim, 58:10368
self esteem, male & female Brazilian born adolescents with Japanese parents, 55:811
sensitivity training, self actualization, Ss in United Kingdom & Turkey & Japan, 58:5231
sensitivity training, team development in banking corporation, Japan, 56:1533
sentence completion test & different living conditions & age differences, attitudes toward life & people, 60 yr old & over Japanese females living with families & in homes for aged, 55:2250
sex differences, bureaucratic values, Pakistani vs American vs Japanese education students, 53:6380
sex, hand preference, Japanese college students & office workers, comparison to results from Anglo-Saxon samples & implications for role of sociocultural factors, 58:4723
sexual behavior & development, male & female 16–21 yr olds, 1952 vs 60 vs 74, Japan, 57:12665
social change & cultural structure, human behavior, Japan, 53:9340
social change & industrialization, psychosomatic mechanisms, Japan, 53:3300
social change, psychosomatic problems, Japan, 53:7574
social desirability & temperamental factors in personality inventory, Japanese college students, 55:2421
social disintegration, psychopathology prevalence measured by marital problems & adolescent emotional problems requiring professional care, American community in Thailand vs Japan, 53:5096
social functions & types of play, Janken play, Japanese 3–5 yr olds, 54:2781
sociocultural factors, patterns of major crimes, Tokyo vs New York City, 54:5133
sociohistorical context, Morita therapy, Japan, 54:3596
sociospatial environment, personality need structure changes measured by EPPS, urban vs rural Japanese vs Hawaiian high school students, 55:4604
source credibility & locus of control, persuasibility, Australian vs Japanese vs Swedish vs New Zealand vs US college students, 53:3033
spatial intrusion & observation anxiety, nonverbal & cognitive responses during interviews, female college students, Japan, 57:10221
target's sex & body type, spatial approach/withdrawal responses, kindergartners vs 2nd vs 3rd graders, Japan, cross cultural comparison with study of Americans, 57:1013
theory of cognitive dissonance, reactions to unfulfilled prophecies, Japanese prophet sect & members vs US cases, 55:12108
torture & execution of surrogate kinsmen, Ainu of northern Japan vs Tupinamba of Brazil, 54:2841
transactional analysis, US vs Japan, 58:1571
vocational role & status in adjustment to retirement & old age, aged males in Japanese fishing village, 56:3889
World War II stress in Japan & massive immigration of refugees from mainland China into Taiwan, suicide rate in late 1950s in Japan & early 1960s in Taiwan, young adults, 53:7689

Jaundice
serum bilirubin level & congenital jaundice, behavioral disturbances in 2-way shuttlebox avoidance performance, male rats, 57:12288

Jaw
biofeedback treatment, muscle pain associated with temporomandibulum joint, 59 yr old female, 58:3809
jaw mechanics during release of stuttering moment, adult male stutterers & normal talkers, 58:3615
jaw responses of tridentate & ophiocephalous pedicellariae, 5 species of sea urchin, 54:2423
laterality, mandibular & manual performance of dichoptic visual pursuit tracking, right vs left handed college students, 55:8731
lesions of prefrontal cortex, voluntary motor control of jaw movements, male monkeys, 54:2507
mandibular movement patterns & jaw muscle activity during mastication & chewing rates for different foods, adolescent rhesus monkeys, 53:4837
psychological principles & clinical research, maxillofacial prosthetics, implications for dental treatment, 57:6450

Jealousy
classification & syndromes & etiology & diagnosis & management, jealousy as symptom of psychiatric disorder, 56:6152
early male envy of female sex characteristics & reproductive capacity & other significant determinants, devaluation of women, 54:3134
evolution of relationship between voracity & envy & jealousy & narcissism, envious character, 57:1293
folkloric psychiatry, fright & jealousy & epileptic seizures & agitation & depression & alcoholic deprivation, inpatients, Chile, 54:5678
gossip, relationship to isolation & self esteem & envy & voyeurism & empathy & role in practice of psychotherapy, 57:8636
integrative personality characteristics, theoretical & empirical analysis of phenomenon of jealousy, jealous vs nonjealous adults, 56:8008
jealousy & envy & vision, 55:4606
jealousy, conflict acts & verbal interaction & labeling of jealousy, intimate dating couples, 57:3216
jealousy, psychoanalytic interpretation of Leontes in "The Winter's Tale", 53:3102
male participation in birth & reproduction rituals & vagina envy, cross cultural study of menstrual taboos, 53:9353
phenomenological approach, jealousy as fear of possible loss vs obsessive certainty that loved object will be lost, 53:9651
primacy of female gender, woman envy of males, 53:1228
rational-emotive therapy, rational & irrational jealousy, 56:8318
research history & definitions & stages, jealousy, 53:4528
witnessing of mother engaging in extramarital sexual activity, etiology of morbid jealousy, husbands, implications for treatment, 56:6142

Job Analysis
ability correlates, systematically derived occupational variables, workers & graduate trainees in various occupations, 56:10805
accession quality, TOPCAP objective force structure, 54:10727
additions to Comprehensive Occupational Data Analysis Programs, assignment of training priorities based on task factor information, 58:8580
affective correlates of systematically-derived work dimensions, validation of Occupation Analysis Inventory, 53:12613
age & education & training, work patterns, village level workers, 54:8594
age & locus of control & job & work group factors, relationships of expectancy theory measure of motivation with effort & performance, managerial rank & support staff personnel, 58:2354
amount of manual labor vs educational/intellectual requirements, occupational prestige, 15–19 yr olds, Afghanistan, 56:6891
analysis of work flow & operations processes & occupational stress, job performance & labor productivity, 57:14096
application of 9-variable equation, determination of grades for officer positions, US Air Force, 55:13671
assessment of developmental potential & diagnostic support for aiding improvement & promotion capacities, considerations for personnel psychology, 54:12739
assessment of job components & job & fellow workers & supervision & company policy & support & pay & promotion & customers, norms & reliability & construct validity & factor structure of job satisfaction measure designed for industrial salesmen, 53:8470
assessment phase as part of job analysis, educational planning, principals in compulsory school, 56:10537
assessment-classification model, matching individuals with jobs, college students, 53:6328
behavioral taxonomy, pilot training tasks & skills, undergraduate pilots, 55:11096
business criteria vs conventional self concept & biographical & job analysis variables, assessment of professional managerial behavior, successful vs failing store managers, 58:4491
comparative analysis of relative validity for subjective time rating scales derived from job description data, air force basic trainees, 56:3095
Comprehensive Occupational Data Analysis Programs & Ordering of Hierarchically Grouped Case Data & Print KPATH programs, analysis & retrieval of occupational survey information, US Air Force, 55:8462
content analysis of job application forms, relevance to job performance & job requirements, 54:2048
content-specific work activities, extrinsic outcome expectancy & intrinsic pleasure predictions of work effort, US Army enlisted personnel, 58:2356
convergent vs divergent validity of satisfaction scales pertaining to pay & promotion & supervision & coworkers of Job Descriptive Index & Minnesota Satisfaction Questionnaire, male & female production workers, 54:6475
coordination of career advice & identification of job opportunities, occupational classification system, 54:2033
credit hours & contact hours & level of instruction & academic rank, prediction of faculty teaching effort & assigning teaching loads, 56:6670
critical incident method, investigation of nursing education & training & job analysis, nurses, 57:6625
critical incident technique, bibliography, 53:12636
critical incident technique, determination of critical job requirements, school psychologists, 55:5451
critical incident technique vs Position Analysis Questionnaire, job performance evaluation, nurses & nursing aides, 53:12672
daily services performed, school psychologists in urban area, implications for training programs, 53:10391
description of decision process in form of discrimination net, prediction of job choice, graduate business students, 57:2060
descriptive analysis, functions & role in mental health agencies, indigenous paraprofessionals, 57:4230
development & application to training objectives, behavioral taxonomy of flying abilities, 54:4321
development & applications, Occupation Analysis Inventory, 53:12589
development & tryout of criterion referenced Job Task Performance Tests, evaluation of electronic maintenance performance, 54:4356
development of Management Position Description Questionnaire, description & classification & evaluation of job context of executive & management positions, position incumbents, 57:2089
development of objective index of job variety, employees in various organization jobs, applicability for prediction of worker preferences, 58:2351
development of occupational cluster structure based on work dimensions derived from Occupation Analysis Inventory, 56:10818
development of unidimensional scales for dimensions derived from multidimensional scale analysis of job of naval aviation electronics technician, posttraining performance criterion development & application, 56:8863
dimensionality of measures of perceived job characteristics, retail personnel, 57:2094
dimensions of middle & senior management positions, discrimination between middle & senior management positions & job type membership, middle & top level management personnel, 54:8613
direct observation, use of time, high school counselors, 54:6187
display of behavioral analysis table & flow chart, aircraft controlling behavior, aircraft pilots, 55:1659
domain sampling approach for obtaining job analysis information to meet Equal Employment Opportunity Coordinating Council guidelines, 57:14074
educational level & time allocated to direct & indirect services & personal/professional role activism & role discrepancy, community mental health ideology, mental health center staff, 57:6619
electronic maintenance variables, job complexity, US Navy journeymen technicians, 56:3118
evaluation & improvements, job inventory approach in analyzing US Air Force officer utilization fields, 56:10851
evaluation of demands & expectations made on class & teachers in relation to importance for teacher's occupation & to adequacy of present day teacher education, school leaders & teacher-trainers, 55:5430
evaluation of job inventory approach, analysis of US Air Force officer utilization fields, 55:1658
evaluation of Position Analysis Questionnaire & possible analyst sources for gathering job analysis information, ramifications for other structured questionnaires, 57:7007
experimental changes in work organization introduced to loom sheds of Indian textile mill in 1953–54, 1970 followup study, 54:12749
expressive vs instrumental work orientation & job challenge, job attitudes & performance, US Navy enlisted personnel in lowest pay grades, 58:6443
extraversion & neuroticism & intelligence & age & length of service & work variety, reported occupational boredom, 53:12597
factor analysis of questionnaire from school system officials, structure of occupational functions, teachers, 54:1829
factor analysis of task-analysis data, dimensions of US Army officer positions, 57:14043
factor ranking method, classification of federal white collar jobs, 54:4310
favorable vs unfavorable job information presentation, job acceptance & turnover rate, applicants for telephone operator, 58:10692
framework development, factor-ranking system of job evaluation, 53:12581
framework of F. Herzberg et al, perceived desired job characteristics in terms of self & co-workers, male vs female professionals vs nonprofessionals, 58:10724
functional area, personality traits, Indian personnel vs bank vs general managers, 55:8500
functions & types of work activities, ward attendants in state institutions for mentally retarded, 55:7738
German form of Position Analysis Questionnaire as structured job analysis procedure, 53:8452
group structures theory & application of model predicting administrator response to authority-task problem, administrators, 57:14103
growth needs & job richness & management style, job satisfactions & motivations, employees of professional service organization & small manufacturing plant, 58:10735
human attribute requirements of work elements, development of Occupational Analysis Inventory, 53:12603
human work dimensions derived through factor analysis of work elements in Occupation Analysis Inventory, workers in major occupational categories, 56:3094
identification & classification of traits of conceptual design trade studies, human resource requirements of weapons system, Air Force, 55:11193
identification of cues & responses necessary for novice & apprentice personnel, fully proceduralized job performance aids, Air Force maintenance personnel, 55:11129
impending crisis in research on job redesign, literature review, 58:12815
individual differences in need satisfaction & job involvement & intrinsic motivation & values & locus of control, predicted satisfaction with & volunteering for job enlargement, electronic assembly line personnel, 57:9212
individual differences, job characteristics & worker responses, 58:8525
individual differences, job design, 53:8484
instrumental model of relationships between motivational variables & performance, 58:4490
interactive graphics, performance-structure-oriented computer-assisted instruction, 53:4196
interoccupational comparisons, occupational wage differentials, university-educated technical personnel in Sao Paulo's manufacturing industries, 55:5745
interviews with personnel or supervisors, development of job task inventory questionnaires for job analysis, 57:14042
intrinsic & extrinsic job characteristics & demographic & personality variables, organizational choice at different academic levels, 55:13659
intrinsic & extrinsic job factors & membership in occupations classified as blue collar vs white collar, job satisfaction, blue & white collar workers, 55:10954
intrinsic job motivation & needs for quality job design & job involvement & Protestant ethic orientation, relationship between job design quality & job satisfaction, 57:9245
job & task analysis & interjurisdictional validation of selection procedures, clerical & related personnel in Minnesota state government, 57:14085
Job Analysis & Interest Measurement, identification of behavioral styles indicative of successful job performance, superior vs weak performing residence hall student assistants, 57:6692
job analysis & selection strategy, entry-level professionals, 57:14075
job analysis & trait profiles, computer programers & systems analysts, 56:1538
job analysis, registered occupational therapists & assistants, 53:9719
job analysis, use in design of selection procedures, 56:8847
job attributes, airmen vs civilian personnel with similar job types, 54:2063
job behavior & attitudes, college counselors, 56:10551
job challenge, job-related self esteem & depression, workers, 58:10658
job characteristics, employee affective reactions, replication of J. R. Hackman & E. E. Lawler's conceptual model, 54:2057
job characteristics, job attitudes, telephone company employees, 53:12708
job characteristics of discretion & variety & unpredictability & work interdependence, search activity in problem solving, managers, 57:14099
job clustering based on job requirements, training program planning, 58:12797
job description survey, specific maintenance tasks performances, US Army helicopter mechanics, 55:8490
job design & productivity, unskilled female workers, 53:6343
Job Diagnostic Survey, job diagnosis & redesign to improve employee productivity & satisfaction, 53:12692
Job Diagnostic Survey, reliability & validity for job reassignment & job change effects evaluation, 54:2031
job duties & interests, prediction of intrinsic & extrinsic job satisfaction, US Navy personnel, 57:11660
job enrichment experience, clerical personnel, 54:4312
job performance regulations, reasons for work fluctuation, distillery machine workers, 58:8499
job requirements & functions & achievement, job satisfaction, Canadian Armed Forces officers, 57:4567
job requirements, G2 Air & image-interpretation personnel, 53:10583
job task analysis, reactions to program content of rehabilitation counseling program, employed rehabilitation counselors, 55:7856
job task perceptions of aviation electronics technician, supervisory & subordinate naval personnel, 56:3128
load size, feeling of fatigue & measurement with physiological & subjective indices, 58:2396
maintenance-related human factors technologies & topics, reduction of life cycle costs of hardware systems, 57:4576
methodological analysis of personnel evaluation, 54:8577
methodological problems of creative activities, work rationalization, 58:2292
methods of organizing work, productivity & job satisfaction, book, 56:1522
middle class work norms & values, job scope & job satisfaction relationship, nonmanagerial employees, 56:8887
modified behavioral expectation scale procedures, evaluation of performance & training program development & assessment of organizational policy agreement & communication, 53:6273
monotony in industrial work, 54:12710
multidimensional scaling analysis of civil defense director & administration, establishment of performance criteria, 57:11643
myoelectric signal power spectrum changes during light & heavy labor, evaluation of objective method for assessment of localized muscle fatigue, 54:8532
need deficiency vs job description measures, assessment of job satisfaction, high level vs low level managers vs managerial level technical personnel, 56:8822
need for job structuring & work organization changes, business & commercial organizations & experts, Europe, 58:12843
New Careers projects, analysis of jobs & tasks & career ladders & costs & training characteristics, 56:8807
new occupational data analysis programs, analysis of occupational task factor data, 57:14035
non-job-specific behaviorally based rating scales, hospital environment, 54:4313
nonreactive method of job behavior assessment, measurement of lost work time, telephone & public utilities employees working outside the office, 57:2081
objective content of activity analysis, electrical power plant operators, 54:12728
occupation & race & sex, psychological needs & occupational values & concerns about work traits & job characteristics, Ss in social work & radiological technology & secondary social studies teaching, 57:9224
occupational analysis, manpower standards for US Air Force management engineering teams, 53:8433
Officer Grade Requirements procedure, determination of grade requirements for officer positions, US Air Force management engineering teams, 55:8478
on-the-job criterion behavior measurement, review of validity coefficients of motor & verbal work sample tests, 55:1650
organizational diagnostic survey & implementation of active intervention to improve problem areas, job satisfaction & productivity, US Army personnel, 57:14113
organizational factors, worker responses to task design, merchandising corporation middle level executives in various functional specialty groups, 58:6489
organizational function, affective responses to task characteristics, middle level executives, 58:12832
pencil & paper employment test validation, black & Spanish-surnamed & white telephone operators, 54:8555
perception of work as excessively complex or simple, mental & physical health, male Canadian employees, 54:8587
Performance-Structure Oriented computer-assisted instruction, naval training, 53:4195
personal & educational & occupational characteristics & leadership behavior, adult education leaders, 56:10568
personal & job characteristics & work experience, organizational commitment & subsequent attendance & turnover & job performance, scientists & engineers & hospital personnel, 58:8522
personnel selection & occupational success prediction, discussion of K. E. Gardner & P. O. Williams's 25-yr followup study, naval officers, 54:2024
phases & work focus actions of client-consultant relationship, 54:12702
policy capturing approach using Position Analysis Questionnaire, salary rate prediction, 53:6325
Position Analysis Questionnaire use for assignment of rank & salary & comparison of civilian & naval jobs, 55:13637
Position Analysis Questionnaire, analysis of homemaker job, female homemakers, 54:8582
Predictive Ability Test, standardization & effects of formal education & sex & race & occupation & rank in service & geographic origin on scores, US Army personnel, 58:4650
preferred & perceived job responsibilities, congruency, job satisfaction measurement, college administrators, 54:4358
preventive mental health performance, elementary school nurse-teachers, 58:6149
prework vocational need-reinforcer correspondence & perceived work environment reinforcer characteristics, prediction of job tenure, new telephone operators, 57:4528
problems & solutions, position-classification system, US Civil Service Commission, 54:4331
production & quality & cost & job satisfaction of operatives & supervisors & work anxiety & accidents & absence & labor turnover & industrial unrest, interrelationships between organizational variables, 55:3373
psychological aspects, job analysis, nurses from medical & surgical clinics, 55:5750
psychological state & individual attributes & job characteristics in internally motivated effective job performance, development & application of model, blue & white collar & professional personnel, 57:2075
psychometrically-based work analysis, application to occupationally-related education & guidance, 53:12625
psychophysical relationship between perceived & objective measure of circuit complexity, implications for model of job of naval avionics technician, 56:3099
quantification of value dimensions of work, research into effects of work on quality of life, book, 56:8814
questionnaire vs interviewing method, identification & constancy over time of job characteristics providing job satisfaction & motivation & job attitudes, textile mill supervisors, 57:14100
ranking importance of behavioral competencies for vocational education curriculum coordinators, directors of vocational education vs curriculum coordinators, 58:12458
rating job ability requirements by workers & relationship between worker ratings vs worker characteristics, workers & supervisors, 55:5754
rating of physical characteristics & lifting requirements based on physical demand present in job, development of physical demand profiles for career ladders, first-term vs careerist airmen, 56:3122

ratings of job facet importance, prediction of job satisfaction & work tension, employees from 5 countries, 55:5818
readability of directions & questions in Position Analysis Questionnaire, 55:3474
role & function & job descriptions of vocational evaluator, 57:11184
role conflict & ambiguity indices, correlation to affective & behavioral responses & task dimensions & moderating role of higher order need strength, nursing aides & assistants, 56:10882
scapular restriction, manual work space, 54:8536
screening procedure development based on ground training devices, selection for pilot training, 55:11094
self actualization need strength & locus of control & occupational level, relationships among perceptions of job characteristics & employee satisfaction & performance & expectancies, medical center employees, 58:2304
self-report job analysis questionnaire, factor dimensions associated with work activities, psychiatric attendants & aides, 53:12591
sensitivity of group job descriptions, time-spent inaccuracies in individual job descriptions, 53:12587
sex & job class & potential, career development correlates, insurance company employees, 58:10668
social background & training & job analysis, women police personnel, India, 57:11639
sources of feedback, "informativeness" as providers of information about job requirements, students holding full-time jobs, 54:4344
specification & development & use, task identification & analyses for task oriented training & job performance aids, 57:6999
standardized job observations, utility for measuring nature of job, 54:2012
strategies in canonical correlation, analysis of skilled factory worker job value & perceived job characteristic responses to work referent items, 57:11835
subjective & objective job correlates, perceived circuit complexity using magnitude estimation judgments, journeymen avionics maintenance personnel, 56:3127
supervisory & managerial personnel selection & consulting services guidelines, 55:5780
survey & inventory of operational aircraft & system selection & identification of major task requirements & new developments in system design & survey of present maintenance practices, feasibility & desirability of developing generalized training equipment for use in avionics systems maintenance training, 54:6467
synthetically derived job profiles & personality inventory profile, 1st line supervisors, 55:8494
system for ranking major job criteria categories, evaluation & prediction of job satisfaction, employees, 58:8524
systematic analysis of performance discrepancy, case history application of process described in Mager & Pipe's "Analyzing Performance Problems", 54:6460
systematic procedure for estimating human attribute requirements of occupations in cognitive & psychomotor & affective domains, 56:10817
systematically derived interests & needs & satisfaction estimates of occupations & job incumbents, 56:10803
systems-oriented evaluation of methodological approaches, establishment of aptitude requirements for US Air Force jobs, 56:3117
task analysis, principals in people's high schools vs compulsory schools, 56:1305
task strategies & principles implicit in job activities of highly proficient performers, job performance training, 53:4191
tasks performed & task difficulty & job interest & use of talents, job attributes, airmen vs civil service personnel with similar job types, 53:8472
taxonomy of fundamental flying abilities as training objectives, pilot training, 55:11097
teacher training & closed-circuit TV & video recorders as feedback & methods of self-evaluation & job analysis, teacher role in education, 53:12368
technological change, classification of job of operator, 55:8448
theoretical framework of tasks & roles & techniques for achieving objectives, child care workers, 54:5401
training & job analysis, systems programer, 55:3318
training on task analysis technology & professional role, reallocation of job tasks in simulated game of family planning job design, professional & nonprofessional personnel in family planning services, 55:10578
type of job contact & work pattern & behavioral demands, differences in demands of managerial job, police inspector vs hospital administrator vs branch bank manager vs retail chain store manager, 57:4548
urban vs rural background vs belief in Protestant work ethic vs desire for need satisfaction as measures of individual differences, reaction to job characteristics, telephone operators, 53:6355
use of informants for quantitative data collection & measurement error control in organization analysis, authority conflict in US Catholic dioceses, 54:6450
utility of job dimensions based on Position Analysis Questionnaires, establishment of valid selection batteries using job component validation model, 56:8841
validity of psychological measurement & job relatedness in view of Federal equal employment regulations, 55:2842
validity of work samples as predictors of vocational outcome, 54:6445
varimax rotation, factor structure of meaning of work, 54:2006
victimizing crime & emergency & regulation & community service, police task categorizations, 54:8545
vocational exploration group experience, knowledge of job functions & interests & skills & satisfaction from available work, male Mexican American 9th graders, 55:11001
work & pedagogical aspects describing forestry operation & use in educational planning, forestry teachers, 57:9223
work dimensions derived from Occupation Analysis Inventory, development of occupational clusters, 58:2302
work dimensions derived through systematic job analysis, test of Occupational Analysis Inventory, 53:12608
work environment & job content & personal factors, absenteeism, female hard-core unemployed who had completed training program, 2 yr longitudinal study, 54:8584
Work Environment Scale, assessment of psychosocial characteristics of occupational training environment, enlisted US Navy personnel, 58:12795
work factors of decision making & interpersonal competence & time & energy resources, rating job difficulty, employees in 5 occupations, 57:9242
work identification with employing organizations & occupation, delineation of boundaries of occupational groups, data processing workers, 54:8560
work patterns & interaction among teachers in open area vs quasi-open area traditional elementary schools, teachers, 54:12482
working day, matron in hospital's psychiatric department, 55:2865
working day, psychiatrist in hospital's psychiatric department, 55:2819
work-related values, moderating effect on job scope-job satisfaction relationship, nonmanagerial workers, 56:6937

Job Applicant Attitudes

favorable vs unfavorable job information presentation, job acceptance & turnover rate, applicants for telephone operator, 58:10692
manpower policies & job search strategies, unemployed workers of defense industry, 55:13645
preapplication attitudes toward firm attractiveness, job application & choice behavior & postdecision dissonance, accounting students, 57:11615
preference ranks of organizational attributes, selection of employer, graduate administration students, 53:12632

Job Applicant Interviews

adult education training program, acquisition of employment interviewing skills, welfare recipients, 57:11609
assertion training program for job interviews, awareness of career goals & anxiety reduction & enhancement of communication skills, college students & faculty & administrators, 57:10834
attitudes & practices toward physically handicapped applicants for receptionist-typist position, counselors in private employment agencies, 56:5001
biographical similarity & race of applicant & prejudice & need for affiliation of interviewers, attraction to & evaluation of job applicants in simulated employment interview, white college students, 55:13662
brief behavior change program, employment interview behavior, disadvantaged minority job trainees, 53:2042
business vs psychotherapeutic vs sexual setting & intimacy depth of disclosure probe, interviewer attractiveness & attitude change, male college students, 53:7318
cognitively complex vs simple judges in simulated employment interview procedure, perceptions & evaluations of attitude similarity-dissimilarity in applicants, college students, 57:1211
conjoint measurement analysis, rank order preferences for hypothetical job applicants, college students, 53:2313
decision making, employment interviews, college students vs interviewers, implications for generalizability of results based on college student samples, 54:2025
demographic & educational & research information, male vs female applicants for positions as assistant professors of social psychology, 56:4654
eye contact of job applicants, evaluation of job applicants & decision to hire, job interviewers, 58:12794
favorability of information by its normativity & by its relevancy, evaluation of job applicant, students, 58:7487
favorable vs unfavorable job information presentation, job acceptance & turnover rate, applicants for telephone operator, 58:10692
goals & skills, effective interviewing, 53:4172
group social skills training program based on S-defined problem areas & response alternatives, assertion & heterosexual & job interview skills, psychiatrically hospitalized Vietnam veterans, 57:10792
hiring college graduates through off-campus selection interviewing, interviewers, 54:4317
information amount & favorability, individual & group stereotype development within performance appraisal & interview contexts, college students, 57:2080
informational order & frequency of applicant evaluation, information processing competence, employment interviewers, 54:8562
informational order & frequency of applicant evaluation, linear information processing competence in employment interview, employment interviewers, 56:1532
instructional package, learning job interview skills, predelinquent boys in behavior modification treatment program, 55:10323
interview process development, selection of successful life insurance sales managers, 57:11683
interview ratings of job applicants, relationship between characteristics & behaviors & interview outcome, university placement office registrants, 53:10594
interview skills training program, social behaviors & personal appearance & information volunteering & posture, 12–16 yr old males with behavior problems, 53:6027
interview structure & biographical data & interviewee order, interviewer validity, college students in personnel management & social worker supervisors, 55:5775
interview training program, nonpossessive warmth, employment interviewers, 55:1628
interviewee's sex & self presentation style & qualifications, evaluation of candidates, male college recruiters, 58:10688
interviewer cognitive complexity & attitude similarity, interpersonal attraction & delineation of boundary conditions, college students, significance for potential personnel bias, 56:3115
interviewer's nonverbal behavior, candidates' impression in mock employment interview, college students, 58:12800
irrelevant vs relevant selection requirements, interrater agreement, college students as simulated employment interviewers, 53:2044
job information, employment decision criteria, experienced vs inexperienced job interviewers, 53:8464
job-interview skills workshop, employment status, clients from drug abuse treatment program, 6-mo followup, 57:13457
judgmental vs mechanical prediction & probationary service & abilities associated with success, principal components analysis of extended interviews, 25 yr followup of selected naval officers, 54:2030
magnitude of agreement between polygraph examiners, identification of physiological responses in polygraph interview cases obtained from job applicant screening interviews, 55:1633
modeled mastery vs coping & affect behaviors, anxiety reduction & model attraction in simulated job interview, psychiatric patients, 56:8384
nonverbal behavior of interviewers, candidates' performance in mock selection interviews, 58:12801
normativity & relevancy of information, evaluation of favorable & unfavorable interview information & ratings of applicant, college students, 57:14073
perceptions of employment interviewer, subsequent job acceptance decision, college students, 57:2069
personal characteristics influencing hiring & promotion & discharge of females in clerical & sales & operative & service occupations, employers, 57:14071
persuading applicants to accept job offers, employment interviewing procedures, 53:12653
preceding interviewees' performance, contrast effect in assessment of 3rd candidate's interview using mock applicants for medical school, 55:11093
pre-interview success prediction based on test & biographical information vs employment interview-based predictions for Royal Australian Navy candidates, psychologists, 53:12681
racial prejudice & affiliation need & interviewer/applicant biographical similarity & applicant's race, interpersonal attraction & hiring decisions in simulated selection interviews, white interviewers, 56:8846
reliability of selection interview data, rater agreement & reliability & random error in ratings of recorded job applicant situations, 57:11624
selection interview validity, prediction of on-the-street job performance, police officer applicants, 57:2079
self validation model & application of developmental theory of interpersonal communication, speech communication in initial employment interview, 57:14070
semantic differential scales of speech characteristics, employability judgments, employment interviewers, 53:4184
workshop vs group discussion vs control group, training toward elimination of rating errors in performance appraisal & selection interviews, managers in large corporation, 55:1674
written instructions alone vs combined with behavior rehearsal & videotape feedback, assertive behaviors appropriate to job interview, teacher candidates, 57:6969

Job Applicant Screening

achievement & aptitude tests translated into Arabic, selection for pilot training, applicants, Yemen Arab Republic, 55:13660
amount of information & presentation order of favorable & unfavorable information & number of judgments, recruitment decisions concerning job applicants, corporate recruiters, 55:11089
applicant sex & attractiveness & scholastic standing, evaluation of job applicant resumes, college students & professional interviewers, 53:12628
applicant's sex & job difficulty, personnel evaluation, managerial candidates, 53:6326
applicant's sex & race & performance, rater evaluation under established performance standards, white male college students in personnel management course, 55:11114
biographical similarity & race of applicant & prejudice & need for affiliation of interviewers, attraction to & evaluation of job applicant in simulated employment interview, white college students, 55:13662
Boolean switching circuit theory, analysis of relations between performance & patterns of decision criteria for test battery, 58:4489
Brief Vestibular Disorientation Test, screening tool, potential naval flight officers, 54:2023
claimed vs calculated cue-weighting systems, employee screening, job applicants, 55:13656
competency-based evaluation by faculty & students, selection of counselor educator, 57:11186
content analysis of job application forms, relevance to job performance & job requirements, 54:2048
current selection process for entry jobs as selection by discrimination, alternative self selection method, 56:8833
decision style, job selection in computer industry, 57:9227
definitions of test bias & taxonomy & illustration of Rasch's alternate measurement model, Black vs White candidates for government positions, test construction implications, 58:8646
delay between initial application & 1st selection procedure, differential dropout rates, white & black & Indian civil service job applicants, 55:11086
delegating to assistant transmission of bad vs good news to job applicants, college students as managers, 53:6371
development & application to basic training, human volunteer screening questionnaire, Air Force pilots, 54:4304
development of Bayesian Expected Utility Model, optimal selection strategies for test fairness, 56:1633
development of content-oriented test of individual reading, industrial plant applicants, applicability to screening applicants, 57:4770
effectiveness of California Psychological Inventory as screening device, selection & success prediction of resident hall assistants, college students, 56:1323
emotional stability & task motivation & social compatibility, prediction of individual & group adjustment during Antarctica winter, US Navy & civilian personnel, 55:13709
employee drug abuse screening & treatment in municipal government, 54:3383
ethical standards in industrial selection, Netherlands, 58:10689
evaluation of job candidate identified as mental patient vs ex-mental patient vs relative of patient vs ex-patient, college students, 55:7282
factor structure of McCann Entrance Policeman Test, measurement of learning ability & police aptitude, applicants for patrolman position, 58:10691
factor structure of personality trait ratings of male & female job applicants, sexism, college students, 55:11095
favorability of information by its normativity & by its relevancy, evaluation of job applicant, students, 58:7487
ground training devices, job sample approach to undergraduate pilot training selection & screening, 54:10702
group composition including experts & nonexperts in field of work & minority & nonminority ethnic group members, influence among members of interview panel, candidate evaluation panels, 57:7032
information concerning work experience & aptitude & skills test scores & interview rating, relative weights & subjective values in job applicant rating task, college students, implications for linear judgment model, 56:8843
informational order & frequency of applicant evaluation, information processing competence, employment interviewers, 54:8562
informational order & frequency of applicant evaluation, linear information processing competence in employment interview, employment interviewers, 56:1532
job placement quality vs quantity, tendency of manpower administration to view human services in mechanistic terms, 53:6322
MMPI assessment of personality patterns, urban police applicants, implications for screening & selection, 58:12799
MMPI profiles, applicants for child care position at children's residential treatment center, 55:2414
motivational distortion on 16 PF, college students in job applicant roles, 55:5777
perceived importance of selected variables, evaluation of male vs female job applicants, college & graduate students, 53:6312
perceptions of qualities prospective candidates for superintendency for community college should exhibit, board of trustee members vs faculty, 57:11238
personality patterns, correctional officer applicants vs inmates, implications for adaptive & maladaptive occupational behavior, 58:3381
positive vs negative out-of-role biographical information on teacher application, assessment of personality traits & interest in interviewing teacher, administrators, 55:5462
pre-employment test scores & biographical information & performance in production training school, prediction of success, production workers, 55:8484
provision of minimal information concerning job responsibilities or explicit instructions to alter responses, faking on Rotter's Internal External Locus of Control Scale in employment situation, female camp counselor job applicants, 56:10830
psychological test battery & psychiatric interview, development of performance criteria, law enforcement officer applicants, implications for role as community caretakers, 54:6465
reduced number of sentence transformations, test performance measured by original & revised versions of state civil service examination of reasoning ability, black vs white adults, 55:8476
reliability, judgments of letters of recommendation for job applicants or staff member promotions, college teachers, 58:6180
screening procedure development based on ground training devices, selection for pilot training, 55:11094
self-peer ratings of need to achieve at job application, prediction of job performance, life insurance agents, 55:11088
survey of characteristics of applicants for academic psychology jobs & employers & search procedures used, 56:1261
test validity, Guilford-Zimmerman Temperament Survey & Kuder Occupational Interest Survey, Mexican-American college students, implications for employment testing, 53:12680
weighted application blank design, prediction of application falsification & employee theft, applicants for executive & sales & office positions, 57:4515
weighted application blanks, predictability of employee theft at large retailers, 55:11101
wooden vs plastic peg apparatus, reliability of General Aptitude Test Battery Manual Dexterity scale, state employment office applicants over 18 yrs old, replication of J. T. Kapes & N. W. Sievert's study, 53:4292

Job Applicant Testing [See Job Applicant Screening]

Job Corps
achievement & personality measures, prediction of length of stay in Job Corps, female 16–21 yr old trainees, implications for guidance, 57:14086
comprehensive training program, lay-personnel demonstration of group communication skills & personal growth & affective measurement, male staff members in Job Corps setting, 55:11106
evaluation of Job Corps & Neighborhood Youth Corps programs, 54:12370
knowledge of & attitudes toward & contacts with Manpower vs vocational rehabilitation vs Job Corps vs Youth Corps, black low-income urban households, 53:12633
length of stay in residential manpower training center, selection of educational & psychosocial variables & predictive validity, Job Corps enrollees, 58:6439
mental health intervention programs, adjustment phases, Job Corps enrollees, 54:6024
organizational goals & personnel selection & responsiveness to population served, preventive mental health programing for non-health federal agency, Job Corps, 54:1741
reasons for decline in Job Corps counseling programs, 54:4306

Job Descriptions [See Job Analysis]

Job Enrichment
age, levels of satisfaction from enriched job, manufacturing firm & public employees, 54:12709
contingency factors, response to job enrichment programs, employees, 54:12705
employee growth need strength & job context satisfaction, responses to enriched work, bank employees, 57:2102
failure of job enrichment project, employees of bank stock transfer department, 55:8522
innovations in work organization & job content & worker votes, production & service industries, book, 55:11162
internalization of Protestant Ethic, relationship between job scope & satisfaction, US Navy enlisted men, 55:11175
job design & compensation & employee selection & leadership & work hours, job performance & satisfaction, 54:4349
job enrichment & goal setting, satisfaction & productivity, part time workers, implications for job design, 57:2106
job enrichment concepts for classroom instruction, motivation, college students, 53:6147
job enrichment experience, clerical personnel, 54:4312
job enrichment program, productivity & absences & attitude changes, federal agency clerical workers, 57:14121
job pay & enrichment, analysis of self initiated intraplant job shift behavior, nonsupervisory employees, 56:8886
job specialization & degrees of job enlargement & Western vs tribal values, job satisfaction, Black workers in mechanized vs automated vs craft production systems, South Africa, 57:14124
managerial expectations of job change & enrichment innovations, increased plant production, 58:2362
methodology, job enrichment implementation strategies, 53:4175
middle class work norms & values, job scope & job satisfaction relationship, nonmanagerial employees, 56:8887
misconceptions & method, job enrichment, 53:4165
reactions to job characteristics, data based argument for job enlargement, correctional employees, 57:11627
systems-designed job enrichment program, job satisfaction & morale & productivity, maintenance mechanics, 58:6465
updating & midcareer development & changes in personal & organizational objectives, professionals, 53:12630

Job Experience Level
ability grouping & allocation of teachers in high school classrooms, high school students & teachers, 55:13026
academic discipline & exposure to career education & age & sex & work experience & number of yrs of teaching & educational attainment level, attitudes toward career education, high school teachers, 56:8642
age & experience & status, vocational interest & personality patterns, diploma students vs registered vs licensed vs student practical nurses, 58:10662
age & experience, information processing & decision making performance, 23–57 yr old male industrial line managers, 54:2092
age & formal training & experience of administrator & income of school district residents & expenditure per pupil & pupil enrollment size, perceived leader behavior of chief school administrators, members of administrator's staff, 58:1957
age & grade taught & years of teaching experience & credit hours of academic experience & expressed counselor contact & counselor orientation, attitudes toward elementary counseling & guidance programs, elementary school teachers, 55:13053
age & sex & employment & marital status & teaching experience & school size & length of service with principal, reactions to effective & ineffective administrative behavior of principals, high school teachers, 58:6177
age & sex & experience level, attitudes toward & mental health standards for men vs women, clinical psychologists engaged in practice of psychotherapy, 56:8575
age & sex & position & teaching experience & inservice seminar experience, attitudes toward inquiry-approach for science teaching, elementary school teachers, Argentina, 56:1321
age & sex & years in administrative position & college size & department organization & values, attitudes toward educational innovations, physical education administrators, 57:13687
age & shift & preceding hospital experience & work during program & hospital size, job satisfaction & satisfactoriness, newly licensed nurses, 57:1849
age & socioeconomic status & teaching experience, nonverbal communication, bilingual early childhood teachers & assistants, 57:9008
age & teaching experience & bilingual experience, attitudes & behaviors toward Mexican American students, Mexican American vs Anglo teachers, 57:8978
age & teaching experience & level & primary recreational outlet & major area of concentration, religious attitudes, elementary vs secondary preservice & inservice teachers, 58:1949
age & years of training & experience, expectations for role of elementary school principals in educational administration, elementary school teachers vs principals, 57:13677
age & yrs of administrative experience & geographic location & ethnic background & school size & percentage of Mexican American student enrollment, perceptions of need for special instructional programs & services & materials for disadvantaged Mexican American students, elementary school principals, 56:10539
amounts of professional training & experience, prediction of drug usage attitudes of freshmen, guidance personnel workers at Montreal college, 57:4299
application of 9-variable equation, determination of grades for officer positions, US Air Force, 55:13671
attitudes toward teacher control techniques, experienced special education teachers vs special education students with vs without teaching experience, 56:4739
authoritarianism & risk taking & interpersonal trust & level & length of teaching & staff size & school location & job satisfaction & bureaucracy, need for involvement in decision making, elementary & secondary school teachers, 58:12433
background variables, dual client-organizational commitments & professional orientation, American Personnel & Guidance Association members, 57:4233
basic training course, personality & attitudes, police rookies vs officers with up to 10 mo vs 10 mo to 5 yrs experience, 58:8485
brief time-limited psychotherapy & therapist experience, parent & therapist satisfaction with therapeutic outcome & symptom reduction & parental mood states, parents & their emotionally disturbed children, 58:12071
brief training in behavioral exchange negotiation mediated by novice vs experienced paraprofessionals vs graduate students in clinical psychology, marital satisfaction, couples, 58:3875
CA & subjective conditions of resistance to stress, decline of resistance to load, 26–40 yr old electric train-drivers with varying yrs of experience, 56:5339
caller-worker value orientation congruency, worker's empathy & warmth & genuineness & techniques & use of referral sources, untrained vs newly trained vs veteran lay volunteer crisis telephone workers, 58:10016
career experience & academic records & information processing strategy & results, prediction of tactical military decision quality in SIMTOS environment, Army officers, 53:10615
career experience, sources of job stress & effects on performance & career development, new public professionals, 57:13492
career stage, change in scientific attitudes, psychology graduate students & faculty members, 56:5009
certification examination scores & field work experience ratings, prediction of job performance & satisfaction, occupational therapists, 56:8593
classroom verbal behavior & yrs of teaching experience & theoretical attitudes, descriptions of ideal teaching relationship, elementary school teachers, 55:13000
clinical experience level & qualitative & quantitative information, clinical judgment accuracy, clinical psychologists vs clinical psychology graduate students trained vs untrained in statistical decision theory, 56:8592
colleague ratings based on classroom observation, tenure & promotion decisions, 54:8262
confidence ratings in accuracy of personality assessments on psychiatric outpatients, clinical psychologists vs graduate students in clinical psychology, 56:1278
congruence between leadership & personal status & status consensus within team, team teacher satisfaction, teachers in open plan schools, 56:2784
content analysis, concrete vs nonconcrete verbal statements in initial psychiatric residents vs staff psychologists & psychiatrists, 56:10493
content area responsibility & teaching experience & instructional level, attitudes & perceptions of competency in reading instruction, secondary teachers, 58:12407
counselor formality & perceived experience & value & life style similarity, relationship- vs problem-centered satisfaction in initial interview, female freshman hypothetical clients, 54:5810
counselor's sex & age & number of courses in counselor training program & counseling experience, counselor effectiveness, volunteer counselors, 58:10145
course in speech remediation & age & teaching experience & access to speech pathologist, understanding of speech disorders, teachers, 58:12438
cumulative GPA & preservice practical experience & presence of handicapped relative in family & sibling rank & sex & marital status, observed classroom performance, student teachers, 56:2819
degree of consensus & aide's training & experience & age & economic status, perceived role definitions, teacher-coordinators vs teacher aides in career opportunities program, 56:10570
delayed irregular feedback, keying performance, skilled vs unskilled teletype operators, 56:5020
demographic & military status & clinical variables, hospital discharge disposition decisions & posthospital adjustment, US Navy enlisted men with diagnosed psychophysiological reaction, 4-yr followup, 58:3641
demographic characteristics & teaching experience & interpersonal orientation, perceptions of principals' leadership behavior, elementary & secondary school teachers, 58:10213
demographics & education & work experience, willingness to assume extended role, 20–65 yr old psychiatric staff nurses, 56:1256
demography, job attitudes, policemen, 53:6346
descriptive survey, self rated competence & relation to professional experiences & on-the-job characteristics, special education directors, 58:10254
diagrammatical model of critique learning, competence training, managers, 58:8503
differential behavioral descriptions of students & teacher experience, teacher control behavior, 4th–8th grade teachers & teachers in training, 58:12703
education & employment, emotional problems as reported on Mooney Problem Check List, unemployed & underemployed Ss in work evaluation setting, 55:13665
education & experience, empathic understanding & stereotype accuracy, rehabilitation counselors, 55:5390
education & experience level & age, number of arrests, police officers, 53:4209
educational & experience background, simulated patient care performance, registered nurses vs senior students in baccalaureate nursing program vs nonparticipating registered nurses, 57:4221
educational background & age & sex & job experience & salary use & grade taught, morale, elementary & middle & secondary school teachers, 57:13667
educational background & tenure & prior work experience & age & sex, role perceptions of adult educators, adult educators vs administrators of higher education of traditionally Black public colleges & universities, 58:4191
educational qualifications & experience & services of school psychologists at Alabama public schools & superintendents' perceptions of school psychologists, school superintendents, 55:1270
employment status & educational background, engineering aptitude using Mechanical Reasoning & Space Relations tests, engineers, 55:8491
entry age & aptitude & educational levels & aviation-related experience, prediction of retention in air traffic control, air traffic control trainees, 53:8449
equal & unequal military rank, interaction distances among pairs at initiation of conversation, US Navy active duty personnel, 57:3190
ethnic & socioeconomic background & past academic achievement & sex & job experience & career preference & high school diploma type & attitudes & personality traits, academic success, college students enrolled in SEEK program, 55:8133
experience & amount of information, clinical judgments of audiotapes of therapy, psychotherapists & graduate students & new PhDs, 57:4196
experience & discipline area & hospital atmosphere, mental hospital staff attitudes, 53:3187
experience & feedback training, accuracy & appropriateness of clinical judgment, 55:10595
experience level & A-B therapist variable, stylistic differences in psychotherapy, psychotherapists, 58:5783
experience level & behavior modification inservice training, confidence levels in choice of using behavior formation vs elimination strategies in classroom management of acting-out vs withdrawn students, elementary school teachers vs student teachers, 56:6806
experience level & personality characteristics, expectations about individual counseling supervision, counselors & trainees, 58:4089
experience level, behavioral complementarity & relational distance in course in psychotherapy supervision, psychotherapy supervisor-supervisee dyads, 55:12896
experience, teacher experience, college teachers, 54:1831
experimental vs traditional approach to 1-exposure inservice workshops & personality & age & teaching experience & social origin, asking of values-clarifying questions in classroom, teachers, 57:8993
extensive work experience, vocational identity & education & motivation in career selection, adult males, 56:1530
extraversion & neuroticism & intelligence & age & length of service & work variety, reported occupational boredom, 53:12597
factor determination & cluster analysis of Group Therapy Questionnaire, identification of small group leadership behavior factors & determination of styles, professionally experienced vs inexperienced leaders, 57:3302
factory experience & urban residence & mass media exposure vs early schooling experience, adult scholastic achievement, factory & nonindustrial workers & cultivators in Argentina & Bangladesh & Chile & India & Israel & Nigeria, 56:7742
faculty age & teaching experience & school size & organizational climate, preference for & use of mental health resources, elementary school faculty, 58:8207
favorable vs neutral vs unfavorable fictitious psychological report of student, expectations for grades in academic subject areas, Ss with varying levels of teaching experience, 58:4190
flying experience & flight tasks, automated GAT-1 performance measurement development, pilots, 53:4214
Fundamental Interpersonal Relations Orientation Behavior Questionnaire scores & age & grade level & education & teaching experience, rating cooperating teachers' degree of success, principals & college supervisors & student teachers, 55:10708
immediate vs secondary supervisory position, knowledge & evaluation of employees' job, US Air Force supply airmen supervisors, 55:8509
industrial psychological experience, Differential Knowledge Test scores, government inspectors & regional foresters & leaders of rising generation & candidates for commercial education & technical practicum, 57:4512
industrial work experience & academic preparation & teaching experience of teacher, achievement, 11th & 12th graders in industrial education vs vocational education programs, 57:13802
initial counseling time-limited interviews & counselor level of experience, S-perceived therapeutic conditions, clients at university counseling center, 56:6344
interaction situations involving personal danger vs nondangerous situations, cue preferences utilized in interpreting citizen behavior, experienced police officers, 54:7529
job experience & opportunity for involvement in decision making, attitudes toward worker participation in management decision making, British Rail employees, 57:9236
job experience, rod & frame test performance, experienced vs student US Navy pilots, 55:13640
job level & alienation & field independence, prediction of job satisfaction, nurses, 58:10721
job level & education & sex & occupation, job satisfaction & motivation, Vietnamese vs Americans, cross cultural test of Herzberg motivation-hygiene theory, 56:8888
job position & length of service & sex & salary, perceived opportunities for job satisfaction, college student personnel workers, 57:11271
job rotation & succession & reassignment in organizational leadership, leadership effectiveness, relationship vs task-motivated infantry squad leaders, 57:7051
knowledge of retardation & personal values & contact with retarded & length of employment & work performance quality, attitudes toward mentally retarded, ward attendants in institutions for retarded, 58:6019
learning projects & activities during 1st 26 wks of teaching, elementary school teachers, 57:11234
length of experience in community colleges & preservice training, perceptions of inservice faculty development programs, community college administrators vs division chairpersons vs faculty, 57:13649
length of residency, job expectations & personal qualities & administrative skills, incoming chief residents in psychiatry, 56:4681
length of time on job & type of program & sex & socioeconomic status & related life experience & level of professional preparation, attitudes toward narcotic addicts in rehabilitation program, professional & paraprofessional rehabilitation workers, 55:10552
level of administration & black-white racial composition of school & personal & professional background, role & status self perceptions, black public community college administrators, 56:1330
levels of academic training & experience in rehabilitation counseling, accuracy of person perception, employed rehabilitation counselors vs student volunteers in training, 55:12860
levels of training & experience, college students' rating of counselor's expertness & willingness to refer friends to male & female counselors, 56:2720
long term experience on psychiatric ward, opinions about mental illness, nursing students vs experienced psychiatric vs medical-surgical nurses, 57:1840
measurement of acquisition of different maintenance skills needed in steel works, validation of 2 test batteries, men just completing training vs men with 2 yrs experience on job, 54:2068
model based on life cycle labor force participation, relationship between work experience & male & female wage differences, 58:8459
number of yrs teaching experience & racial composition of college attended & special education certification & Title I teacher membership & professional preparation & socioeconomic origin, knowledge of disadvantaged pupils, elementary school teachers, 56:10579
nursing experience & death attitudes & personality traits, student nurses & registered nurses, 58:12310
objectivity scored interviewing, behavior, psychiatrists vs medical students, implications for interviewing skills course, 57:6580
open concept vs traditional schools & experience & position & degree earned & school size, perceptions of changing roles & responsibilities of principals, elementary school superintendents & principals & teachers, 56:10542
organizational level, leadership behavior within hospital environment, nurses, 56:10518
participation in project physics institute & teaching experience, attitudes about teaching process & profession & changes in teaching strategies, high school physics teachers, 57:13651
past experience & age & education & sex & race & income & religious preference, attitudes toward mentally retarded, Black vs White professional vs paraprofessional employees of state institution, 58:1902
past work experience & pointers for vocational counselors responding to employers' objections, vocational placement, aged blind, 54:7933
perceived importance of supervisor knowing how to perform journeyman-level tasks & actual task experience, US Air Force accounting & finance supervisors, 55:8507
perceived level of interpersonal communication & identity as religious & coping with celibacy & years in religious life & loneliness & friendship, retention in religious institute, Roman Catholic priests, 57:9219

perceived participation & job level, perceived influence & work attitudes, general hospital mental health workers, 53:10620
personal & job characteristics & work experience, organizational commitment & subsequent attendance & turnover & job performance, scientists & engineers & hospital personnel, 58:8522
personal characteristics & experience & preparation & working conditions & administrative & organizational characteristics, elementary school principals, 56:10584
personal variables, vocational need profiles, school & college counselors, 55:5417
personality as measured by Cattell 16PF & education & experience & views on selected education issues, US Dependents Schools European Area high school principals, 55:10694
personality factors & college GPA & age & possession of teaching certificate & years of teaching experience & sex, case study analysis, intern school psychologists, 57:13588
personality traits, job satisfaction, male vs female & experienced vs less experienced & elementary vs secondary teachers, 55:10690
physical attractiveness of mentally retarded program candidates, evaluation for program placement, work-study coordinators vs speech therapists vs counseling trainees, 58:12705
police experience, attribution of personal responsibility, police veterans vs recruits, 56:5003
previous work experience, manifest anxiety level & self concept, social work graduate students, 54:7685
primary methods in helping process with group of socially deprived adolescent males, inexperienced social work student, 58:8029
principal's skills & sex & age & ethnicity & experience as teachers, attitudes toward program of integration of mildly handicapped students, elementary school teachers, 57:9154
prior occupational socialization, selection of recovering alcoholics as counselors, alcoholism rehabilitation counselors & supervisors, 57:6542
professional background & educational setting & personality characteristics, prediction of teaching effectiveness, teachers of deaf students, 57:13679
professional identification & area of expertise & educational background & sex & years of experience, consultation practices, school psychologists employed in schools vs community mental health centers, 57:6611
professional identity & experience & amount of information, diagnostic accuracy & confidence, advanced students in or practitioners of psychiatry or psychology or counseling or social work, 58:12341
psychodiagnostic labels & pupils' sex and teachers' sex & length of teaching experience, perception of pupils' mental health, teachers, 55:3158
race & teaching experience & educational level, knowledge of & attitudes toward Black English & classroom verbal behavior toward Black English speakers, Black vs White 3rd & 4th grade female teachers, 57:6687
salary & work experience, job motivations, male vs female industrial employees, 54:8607
scale development of validation, attitudes toward women as managers & relationship of personal & organizational data to stereotypes, college students & business employees, 58:4660
school average daily attendance & geographic location & assessed valuation of system & S's years of experience with federal aid, attitudes toward federal aid to education, school administrators, 57:13675
school board dogmatism & principal's age & sex & level of responsibility & training & perceived & actual participation in policy formation, morale, elementary school principals, 54:6200
school district expenditure levels & age & teaching & administrative experience, role perceptions, elementary school principals vs teachers, 58:12452
school size & per pupil cost & years of experience & number of teachers in business department & teaching load of department chairmen, perceptions of role & responsibilities of business department chairman, secondary school principals vs business department chairmen, 56:1324
self actualization & educational background & occupational experience, involvement in social organizations & activities, members of Catholic women's organizations, 55:6862
senior community service project, work experience & training, lower income elderly in public service jobs, 54:8548
sex & age & educational & family background & socioeconomic status & family size, process of occupational status attainment, 30–44 yr old working males vs females, extended model of female status attainment, 56:6874
sex & age & educational background & teaching & industrial experience & subject area, preferred environment & job satisfaction, high school vocational arts faculty, 58:4199
sex & age & experience, attitudes toward self orientation in boys vs girls & sexist attitudes & awareness of attitudes, school counselors, 58:4186
sex & age & level of teaching & years of experience, self concept & motivation, teachers, 58:10214
sex & age & tenure & job & education level, predictors of actual salary & satisfaction with pay, management & supervisory & salaried nonsupervisory & hourly personnel, 53:12703
sex & coaching experience, personality traits, interscholastic vs intercollegiate athletic coaches, comparison with general population, 58:10253
sex & education & job level & salary, job satisfaction based on A. Maslow's need hierarchy, bank employees, 53:8469
sex & educational background & experiential variables, attitudes toward measurement & measurement competencies, counselors at elementary & secondary school levels, implications for inservice training programs, 58:10235
sex & experience & grade level taught & stability of teaching behavior & inservice training aimed at reducing learner inattention, effectiveness in reduction of inattentive behavior & responsiveness to training, elementary vs secondary teachers, 57:1900
sex & organizational level & age & education, rankings of importance for job outcomes, employees of large manufacturing organization, 56:6935
sex & race & age & education & administrative & regional board experience & knowledge of Public Acts 244 & 48, opinions & attitudes & expectations & perceived role & influence of regional boards in decision making, regional board members of school system, 57:13659
sex & school type & location & administrative experience & number of counselors in program, perceptions of value & importance of secondary school guidance programs, principals, 57:13623
sex of client & sex & experience level of counselor, behaviors in counseling, 53:7836
stability & time & information & experience level, clinical judgment, psychology graduate students, 55:5381
static-dynamic & simple-complex environmental attributes & cognitive processes & organizational expectations & managerial experience, individual variation in uncertainty perception, corporate division managers, 58:10699
subject area taught & recency of research participation or educational course work & sex & teaching experience & grade level taught, knowledge of & attitudes toward educational research, secondary school teachers, 53:6129
supervisor's feedback & counselor training & experience & sex, anxiety level, counselors in drug abuse counseling agencies, 57:4211
teacher background & classroom procedures, student evaluation of teacher performance, college students & teachers, 55:13438
teacher training & experience & educational level, learning principle sophistication & performance, elementary vs secondary school teachers vs noneducators, 55:13088
teaching experience & age & school size & attendance at workshop &/or university classes, attitudes toward use of behavioral objectives, teachers, 56:6691
teaching experience & preparation, student ratings of teaching performance, community junior college faculty, 58:12440
teaching experience & selected psychological needs, internal-external causal attribution, elementary school teachers with no vs varying levels of experience, 55:13033
traditional attitudes & age & experience, teacher consistency in producing student learning gains, elementary school teachers, 57:4311
training & experience level, behavioral observation skills, speech pathologists, 55:10616
training & experience levels, characteristics of diagnostic decision making behaviors, pre- vs postpracticum vs experienced school psychologists, 58:8215
training & experience levels, clinical behavior during articulation therapy, student vs practicing speech clinicians, 56:8576
type of instructional method in inservice education program & concurrent activities & background characteristics, achievement in & attitudes toward electric motors, teachers, 57:13616
type of pretest information or referral, scoring of WISC, intern vs experienced school psychologists, 58:4417
type of work & position & yrs of employment & urban vs rural campus orientation, attitudes toward employment, non-academic college employees, 56:10883
understanding of high vs low utility phonic generalizations, pre- vs inservice teachers, 56:8633
using indigenous vs middle class interviewers & interviewer education & experience, performance in interviewing low-income populations, researchers, 54:9619
verbal behavior & theoretical attitude & teaching experience, descriptions of ideal teaching relationship, elementary school teachers, 55:13001
visual & auditory discrimination skills & subsequent client depth of self exploration & perception of counseling relationship, experienced professional counselors vs nonexperienced counselor students, 57:8950
work experience & age & employment position & intelligence & education & salary & time in position, MMPI profiles, male Mexican federal government employees, 58:7592
work experience, perception of occupations & formulation of occupational self concept, 54:2067
work experience, vocational maturity, college freshman, 55:3329

Job Mobility [See Occupational Mobility]

Job Performance [See Also Employee Efficiency, Employee Productivity]
ability & effort & role perceptions & task difficulty, performance prediction, Ss with mean age of 17.4 yrs, validation & extension of individual differences model of work performance, 58:6476
ability level, job performance & satisfaction, clerical employees, 55:5829
academic & nonacademic college success, success as officer 6 & 10 yrs after graduation, US Military Academy graduates, 58:2350
academic functioning & cooperativeness selection criteria & human resource development training, effectiveness within residence hall environment, college student resident hall assistants employed at university, 57:6710
achievement motivation training workshop, hours worked at school & job performance & attendance & school grades & attitudes, adolescents from poverty level income families, 57:7030
across-organization study, manager characteristics & performance, 58:10700
actual vs described task deadlines, rate of performance & task completion & time allotted to others to perform same task, applicability to organizational setting, 57:11638
actual vs ideal organizational climates, performance & job satisfaction & independence of climate & job satisfaction constructs, manufacturing firm employees, 57:9239
acute alcoholic intoxication, performance with reference to work safety, 55:2126
adaptation to expectations & pressures of bureaucratic environment & job performance conflicts, psychiatrists employed by US Army, 2-yr longitudinal study, 57:4264
adaptation to new position as patrol officer, policewomen in traditionally female positions in police department, 58:8492
adaptive computer aiding, dynamic decision processes for tactical operations, US Air National Guard reservists, 58:8493
age & locus of control & job & work group factors, relationships of expectancy theory measure of motivation with effort & performance, managerial rank & support staff personnel, 58:2354
age & race & sex & work & educational history, success in job training & on the job, White vs Negro vs American Indian job trainees, 58:2337
age & seniority, need achievement & satisfaction & self image & job involvement & intrinsic motivation & perceived performance & effort, professional engineers & scientists, 54:2066
age & sex & job satisfaction & effectiveness, perceptions of corporate social responsibility, bank employees, 56:6927
age, levels of satisfaction derived from skill variety & task identity & significance & autonomy & job feedback, 18–64 yr old employees of manufacturing company & public sector service agency, 57:7057
aircraft vs ground trainer instruction, flying proficiency & anxiety & heart rate & oxygen consumption & metabolite excretion, Ss training for private pilots license, 57:7032
alcoholism workshop, alcoholism attitudes & job performance & satisfaction, secretaries of agencies dealing with alcohol-related problems, 53:10595
algorithmical & heuristical methods, analysis of operator activity, 58:2307
amount of participation & presentation order of material & interviewees' self esteem & authoritarianism & independence need, effectiveness of microteaching appraisal interviews, 55:13672
analysis of evaluation from data, qualities related to managerial skill, middle managers, 57:4544
analysis of work flow & operations processes & occupational stress, job performance & labor productivity, 57:14096
application & effectiveness of PLATO IV computer assisted instruction, interpersonal skills training, US Navy company commanders, 56:5024
application of multidimensional scaling to performance evaluation, ROTC Rangers, 55:13678
aptitude & educational level & Air Force performance, cannabis only vs multiple drug user Air Force trainees, 53:9086
assembly task performance with intrinsic &/or extrinsic incentives, additivity vs nonadditivity effects, male high school & college students, implications for work motivation & performance & attitudes, 57:14047
attitudes about forestry & professional improvement & environmental problems & issues, job performance evaluation, foresters, 55:8480
attitudes toward employment & work performance & reintegration of ex-psychiatric patients, work group leaders, 53:11891
attitudes toward goal setting & feedback of performance & organization's performance appraisal & development system, supervisor 55:11183
attributional theory perspective, performance appraisal, 56:10858
automated GAT-1 performance measures development, pilot proficiency, 53:12647
avionic design characteristics, technical training requirements & job performance, US Air Force instructors & students, 54:8567
battery of criterion referenced job task performance tests, measureme of technical proficiency in maintenance activities, Air Force perso nel, 55:11117
behavior modification training with vs without problem solving sk instruction during low vs high company productivity, train responses & employee behavior change & job performance, 1st-li supervisors, 58:6483
behavioral analyses of tasks method as supplement to fully procedura ized job performance aids, identification of cues & directions responses necessary for task performance, US Air Force novice apprentice maintenance personnel, 55:5790
behavioral contingency management training, participant reaction employee & organizational performance, industrial supervisor 57:7055
behavioral effects of infectious diseases, performance efficiency decr ment, 53:11983
behaviorally-anchored vs company-specific behavioral motivation effo rating scales, accuracy of expectancy theory predictions, supervisor team & regular engineers, 57:2076
behavioristic vs humanistic counseling approaches, achievement work goals in production & higher supervisor ratings & j satisfaction, sheltered workshop clients, 56:4604
biographical & psychological & attitudinal variables, successful poli performance prediction, deputy sheriffs in Los Angeles County, 20- longitudinal study, 53:4206
biographically-based subgroup-specific moderators, 2nd-order su group predictions of job performance & career classification, offi products salesmen, 56:8862
Boolean switching circuit theory, analysis of relations between perfo mance & patterns of decision criteria for test battery, 58:4489
business criteria vs conventional self concept & biographical & j analysis variables, assessment of professional managerial behavio successful vs failing store managers, 58:4491
California Psychological Inventory & Rokeach Dogmatism Scale Hidden Figures Test scores & biographical inventory characteristic job performance, highway patrolmen vs other police groups vs colle students, 55:13682
capabilities & stereotypes, middle aged & aged workers, literatu review, 57:2083
career experience, sources of job stress & effects on performance career development, new public professionals, 57:13492
career patterns & attitudes toward effective organizational strategies f improvement of women's chances to perform & advance managers, female managers, 57:11650
causal analysis of relationship between job performance & satisfactio air force occupational specialists, 56:3097
certification examination scores & field work experience rating prediction of job performance & satisfaction, occupational therapis 56:8593
challenges to creativity & work & rehabilitation concepts of psycholog cally based psychiatry, 58:7810
characteristics & acceptance of compensation plans based on perfo mance effectiveness, school administrators & superintendents principals, 56:1308
characteristics & rating of "extrarequired" work behavior, blue coll workers, implications for understanding counterproductive behavio 57:4559
child socialization process, antisocial behavior & ineffective educatio & occupational attainment, blacks, refutation of Moynihan repo findings, 54:9430
circadian rhythm changes, work & nonwork activities, Ss in isolatio inside submarine, 55:3345
classroom therapy offering scheduled academic courses, preparation f adjustment to schedules & information processing for return to jo psychiatric patients, 55:966
client status role, behavior toward client, postal clerks in US vs Cos Rica, 56:6905
closeness of supervisor & type of assistance provided by supervisc organization-level research outcomes, scientists, 55:8511
cluster analysis of California Psychological Inventory scores, typologic prediction of performance rating, staff nurses, 53:7497
cognitive & noncognitive assessment tests & prior exposure to te results & supervisor-employee work acquaintance, supervisor ratings of test behavior traits & judgment certainty & trait-jo essentialness, mixed sex/race/function Ss from national compan 57:7201
commitment to war objectives & unit morale & preparedness interpersonal relationships, combat performance, infantryme 57:7048
communication processes, organizational work group cohesiveness bank employees, 55:8515
community-based residential program characteristics & implementa tion, recidivism & return to families & attitudes toward female se role & work or academic achievement, female delinquents, 58:80
competition for monetary reward & knowledge of results & goal settin repetitive assembly task performance, male college students, implica tions for motivational & management consideration, 57:7036
computer implementation & application of psychosocial model f digitally simulating crew performance, submarine crews, 56:3142
computerized tests, prediction of job performance, naval trainee 53:2055
condensation & dual-level presentation & promotion of learning entry by malfunction symptoms, improvement of job performan aids, Air Force technicians, 53:12650
congruent vs spurious vs no motion, static & dynamic simulate tracking efficiency, airline pilots, 53:6333
construct definition, sources of job performance feedback, cross sectio of working people & utility company foremen & managers employed community college & business students & research development employees, 58:6473
content & flow of communications within team during simulated attac team performance, antisubmarine warfare helicopter teams, 55:111
content analysis, productive & unproductive work incidents, black gol miners, South Africa, 56:6906
content-specific work activities, extrinsic outcome expectancy intrinsic pleasure predictions of work effort, US Army enliste personnel, 58:2356
contingency & participative management & performance counselin developing subordinates' leadership ability & initiative & permittir active role in battalion management, Army officer as performan manager, 53:8492
continuous broadband noise, detrimental vs sound masking effec during work, 57:2130
continuous vs internal payment schedule with vs without partial bon with vs without knowledge of results, repetitive task performanc college students, 56:8852
counselor's role conflict & resolution, employment-related attitudes job performance, counselors vs other community-based correction staff & work releasees, 58:6042

credit hours & contact hours & level of instruction & academic rank, prediction of faculty teaching effort & assigning teaching loads, 56:6670
critical incident questionnaire, reliability & relevance of behavioral vs cost related criteria, pulpwood producers, 56:3241
critical incident technique, bibliography, 53:12636
critical incident technique vs Position Analysis Questionnaire, job performance evaluation, nurses & nursing aides, 53:12672
critical incidents, presidential effectiveness, new & experienced college presidents, 54:4036
crossed-lagged correlation design using longitudinal data, causal relationships between job satisfaction & work performance, managers & machine operators, 55:5831
decision task design & intrinsic vs extrinsic work values, job satisfaction & performance, college students, 53:6353
defective human relationships & improperly used professional skills, employee performance & morale, 55:3372
demographic & health & attitude survey responses, correlation with pass–fail performance criterion, Naval scuba trainees, 53:6334
demographic characteristics & job organization & psychophysical factory conditions, causes of maladjustment, industrial workers, 58:12778
demographic characteristics & psychosocial perceptions & performance, US Navy enlistees entering paramedical training from Recruit Training Command vs other Navy jobs, 57:11625
demographic characteristics & 16PF traits, task performance & supervisory & personal skills & coping behavior under occupational stress, Royal Air Force personnel on isolated island bases, 58:2373
demographic variables, perceptions & expectations concerning school psychologist's job performances & professional participations & personal attributes, school superintendents & school psychologists & psychologist trainees, Virginia, 57:6701
descriptive survey, self rated competence & relation to professional experiences & on-the-job characteristics, special education directors, 58:10254
development & application of absolute scales, job performance evaluation, naval avionics technicians, 56:8866
development & application of fleet posttraining performance evaluation system, navy electronic maintenance personnel, 56:8865
development & content & predictive validity, measure of individual sense of competence in work environment, employees in various work settings, 54:6608
development & evaluation of behaviorally anchored rating scales, job performance evaluation, police patrolmen, 57:9367
development & evaluation of job performance appraisal system, clerical personnel, 55:11116
development & field testing, 2 sets of behaviorally anchored rating scales for job performance evaluation, police personnel, 56:8858
development & tryout of criterion referenced Job Task Performance Tests, evaluation of electronic maintenance performance, 54:4356
development & use of assessment instruments, determination of effectiveness in working with low income families in nutrition education program, paraprofessionals, 55:2913
development & use of criterion measures, management performance, 54:4378
development & use of criterion-referenced job task performance tests, US Air Force electronic maintenance personnel, 56:10855
development & validation of evaluation instrument for teachers' use, assessment of job performance of school principals, 56:1313
development of behaviorally anchored scales, performance evaluation of police officers, 57:14094
development of candidate pilot performance measures for 5 contact training maneuvers flown in T-37B aircraft, undergraduate pilot trainees, 54:12695
development of employee turnover model & test of relationships of job performance & search behavior & rewards & employee attitudes to turnover, accountants with current & former firm affiliation, 57:9243
development of forced choice instruments evaluating firefighter & paramedic work performance & relationship to job satisfaction & internality, current & former line officers & paramedics & firefighters & physician, 57:7228
development of graphic symbolic substitutes for criterion referenced job task performance tests, evaluation of electronic maintenance performance, maintenance personnel, 54:4357
development of graphic symbolic substitutes, solution of administrative problems of criterion-referenced job task performance tests for electronic maintenance, 56:10854
development of job rating scale, psychiatric rehabilitation program, 56:10440
development of ongoing feedback system, organizational effectiveness & performance & attitudes, bank tellers & desk personnel, implications for managers, 57:4526
development of system of automated decision aids, application to decision making in Department of Defense, 58:8497
development of unidimensional scales for dimensions derived from multidimensional scale analysis of job of naval aviation electronics technician, posttraining performance criterion development & application, 56:8863
Differential Officer Battery, combat & technical/managerial leadership performance prediction, US Army officers, 53:12645
differential reward structures, task performance & satisfaction, male & female college student dyads, 54:4352
dimensions of appropriate socially responsible behaviors & identification of characteristics predictive of levels of acceptance & performance of these behaviors, dietitians, 57:14090
diversity of role relationships & personality & demographic characteristics & job performance, perception of role strain, salesmen, 55:3336
dogmatism & conservatism & values & personality & self actualization & years in nursing education, successful job & training performance, high vs low ability student nurses, 57:11174
dual-task situation using visual decision & auditory short term memory, concurrent validation of test & routine flying & simulator performance, military equipment operators, implications for aircrew selection, 57:7000
duty hours, work quality & efficiency, junior & senior house doctors, England & Scotland & Wales, 58:12814
education & work performance as related to group therapy, mental health workers, 54:3243
educational & experience background, simulated patient care performance, registered nurses vs senior students in baccalaureate nursing program vs nonparticipating registered nurses, 57:4221
educational level & recency & college major, training attribution & job success prediction, air traffic controller trainees, 58:2287
effective job performance criteria & stereotypes of appropriate outlook & behavior, management selection, 54:4364
effectiveness & leadership ratings of college presidents, college faculty & trustees & academic administrators, 53:10392
effectiveness & role perception & locus of control & demographic characteristics, indigenous vs nonindigenous paraprofessionals in government manpower agencies, 55:8488
effectiveness in giving performance feedback & generating decisions & producing favorable attitude toward appraisal, comparison of appraisal interviews, 54:2061
effectiveness of data survey & feedback as technique of organizational development, individual satisfaction & team performance in complex management simulation game, business students, 55:5814
ego involvement, quantity & quality of job performance, 58:2349
emotional coping mechanisms & inverted-U-shaped relationship between stress & performance, owner managers of small businesses damaged by floods, 55:11137
empathy & other-directedness & self acceptance & Machiavellianism, performance & feedback monitoring ability, salesmen, 55:13673
employee ability & organizational level, relationship of role perceptions to employee satisfaction & performance, 58:6445
employee expectations at time of hire & attitudes after being on job, moderators between ability & job performance, 55:5787
employee performance evaluation & review, literature review, 56:10852
employee sex & performance, allocation of organizational rewards & performance expectations, college students & librarians, 56:1534
employee's task goals & individual need strengths, supervisory performance, 1st level supervisors, 55:11151
employer's recognition & appraisal of performance, employee's perception of organization morale & client opinion, law enforcement personnel, 53:4151
employment & performance of individuals with changed working ability, 58:2303
equity theory & social exchange, application to employee performance, 53:4223
ethnic group membership, job attitudes, job performance, black vs Mexican American vs white blue collar employees of food processing plant, 55:5786
evaluation & improvement of job performance & managerial communications, employee motivation, 58:8450
evaluation criteria, technical occupational competence, administrative personnel, 55:1654
evaluation of inservice training programs & performance, prediction of early job success, black vs white psychiatric attendants, 56:10831
evaluation of performance appraisal systems & linkage with pay, female operative employees, 53:12689
evaluation of subordinate job performance, immediate vs secondary supervisors, 55:11135
evaluation, policewomen on patrol in suburban police department, 56:8864
expanded expectancy model of job performance, desire & perceived ability to excel & reward expectancy & relationship to superior's ratings of performance & effort, government employees, 57:11640
expectancies & instrumentalities, work effort beyond effort needed for task completion, 57:4527
expectancy theory model, attitudes & performance in high vs low performing environment, managers, 57:2108
expectancy theory of motivation & situational correlates of motivational constructs, job performance prediction, salesmen, 55:3349
expectancy theory of V. H. Vroom, applicability to 6-mo production volume & goal attainment criterion from actual & estimated production, life insurance salesmen, 53:8479
expectancy theory of work motivation, review, 56:10846
expectancy theory predictions of work motivation & job performance, design & development engineers, longitudinal study, 57:4523
expectancy theory, relationship between job relevant attitudes & behaviors, insurance salesmen, 57:14089
expectancy theory vs operant conditioning predictions, performance under variable ratio & continuous schedules of monetary reinforcement, 18–32 yr old females, implications for work behavior, 55:3795
expectancy-valence incentive motivation techniques, job performance & attitudes, 17–20 yr old Air Force technical trainees, 56:6909
experience, teacher experience, college teachers, 54:1831
experimental evaluation program, salespeople's performance with prospects who are not customers, 53:8497
expressive vs instrumental work orientation & job challenge, job attitudes & performance, US Navy enlisted personnel in lowest pay grades, 58:6443
factor analysis of Differential Officer Battery responses, development of scales for prediction of officer performance, 56:8835
failure or exhaustion due to excessive demands on energy or strength or resources, staff of self help institutions, 55:10574
feedback defined as status or task changes & supervisor expressions & co-worker comparisons & task performance revelations, self ratings of performance & job satisfaction & desire to learn, organizational employees, 58:10657
feedback, job satisfaction & performance, industrial organization employees, 58:8453
financial reinforcement schedules in organizational simulation setting, task performance, 17–19 yr old males, 57:2084
fit between expectations for & realities of organizational climate, job success, life-insurance salesmen, 54:8604
flying experience & flight tasks, automated GAT-1 performance measurement development, pilots, 53:4214
foremen's leadership attitudes, skill level of foremen's work groups, manufacturing plant foremen & general foremen, 53:8496
generalizability of intrinsic position error, performance rankings of subordinate staff, industrial supervisors, 55:13679
goal setting & monetary incentives, motivation measures & performance in 1-wk job in simulated company, 17–19 yr olds, 57:7008
goal setting, job performance measured by net weight of trucks in logging operations, 53:12699
graduate educational program participation, job performance & involvement & need satisfaction, US Air Force missile launch control officers holding low intrinsic satisfaction jobs, 55:13676
ground training devices, job sample approach to undergraduate pilot training selection & screening, 54:10702
group vocational counseling, work attitudes & work performance, emotionally disturbed & educable retarded adolescents, 57:4461
group vs individual methods of post-laboratory training support, development & transference & stabilization of skills, social work students, 58:10137
group work samples, measurement of interpersonal interaction in vocational evaluation, 54:10709
heart activity changes, estimation of applied effort in job performance, 58:2352
high achievement motivation & power needs, entrepreneurial behavior, black businessmen, 2-yr followup, 55:13706
high school grades & other correlates, occupational stability & change, 25–35 yr old males, 57:14093
high temperature conditions & self-selected work-rest cycles, vigilance performance & time estimation, male college students, 53:6352
hours of work, performance, card-coding clerks, 54:12714
identification of cues & responses necessary for novice & apprentice personnel, fully proceduralized job performance aids, Air Force maintenance personnel, 55:11129
identification with community & program structure, influence & effectiveness within community, paraprofessional health guides in inner city Buffalo, 56:6511
immediate vs secondary supervisory position, knowledge & evaluation of employees' job, US Air Force supply airmen supervisors, 55:8509
impact of on-going feedback system, performance & behavior & attitudes, bank employees, 58:10697
improved categories in maintenance technical orders, maintenance & fully proceduralized job performance aids & training & personnel, 57:2074
indicator feedback system, attitudes & motivation & job performance, management personnel, 56:10866
indices of instructional productivity, teachers in open enrollment colleges, 54:12513
individual & organizational & community structure, police behavior, 57:7041
individual differences, job characteristics & worker responses, 58:8525
individual needs & organizational climate, job satisfaction & performance, managers in industrial firm, 54:2081
individual vs group achievement motivation, on-the-job performance success, 54:4362
industrial mental fatigue & studies of vigilance, 58:8495
information feedback on system performance, worker performance, male Canadian Armed Forces helicopter technicians, 58:6470
initial of surname, success in German academic career, tenured professors, 56:3125
instructions heard & information seen vs information heard & instructions seen vs both seen vs both heard vs mixed, task performance, 19–27 yr olds, 55:8481
instructors' personality traits & job effectiveness & students' personality changes & prediction of potential dropouts, Outward Bound instructors & 16–19 yr old students, 58:10324
instructors' prediction of success or failure on specific tasks vs actual work performance, assessment of work needs & performance, mentally retarded adults, 53:8118
instrumental model of relationships between motivational variables & performance, 58:4490
instrumentality-expectancy theory of work motivation, employment success, disadvantaged Black females in job training programs, 58:8496
interaction frequency between staff member & supervisor & consensus of both on expectations of supervisor's behavior, evaluations of task performance of colleague supervisors, hospital physicians, 57:4256
internal work motivation & job performance & growth-need strength & co-workers & supervisory satisfaction & job characteristics, accounting employees & supervisors, 57:7047
internal-external control, work motivation & performance in expectancy model, officer & enlisted naval personnel, 53:12686
international transfer or extensive travel or job change, interactions between organizational & family life, managers in large multinational corporation & their families, 58:4502
interpretation & operationality of expectancy-valence theory in work situation, 55:13680
intrinsic & extrinsic job factors & relationship to job performance & satisfaction, comparison of Herzberg's 2-factor model to Vroom's expectancy model, 55:8513
intrinsic & extrinsic motivation & ability & task difficulty, performance variability, college students, reevaluation of Vroom's multiplicative performance model, 55:5789
introversion-extraversion & neuroticism, supervisors' vs self ratings of job performance, systems analysts vs their managers, 57:4519
Job Analysis & Interest Measurement, identification of behavioral styles indicative of successful job performance, superior vs weak performing residence hall student assistants, 57:6692
job attitude & behavior prediction, female manual workers, 53:8485
job content specialization & work flow & blue vs white collar work values, job attitudes & performance in routine decision task, Ss in production management course, 55:13681
job description survey, specific maintenance tasks performances, US Army helicopter mechanics, 55:8490
job design & compensation & employee selection & leadership & work hours, job performance & satisfaction, 54:4349
job involvement level, job satisfaction-performance relationship & intrinsic vs extrinsic sources of satisfaction, managerial & professional public agency employees, 57:4556
job performance & career potential appraisals as nonbeneficial rituals of employment, 54:2072
job performance & satisfaction, severely disabled vs nondisabled employees, 56:923
job performance, employee satisfaction in stimulating vs nonstimulating jobs, state agency employees, 57:14109
job performance feedback, appraisal interviews, government employees, 58:12809
job performance measures, evaluation of ability to perform electronic maintenance tasks for personnel selection for training, 54:4342
job performance regulations, reasons for work fluctuation, distillery machine workers, 58:8499
job performance, satisfaction relationship, enlisted US Air Force airmen in 8 occupational specialties, longitudinal study, 56:5028
job rotation & succession & reassignment in organizational leadership, leadership effectiveness, relationship vs task-motivated infantry squad leaders, 57:7051
job satisfaction & attitudes & performance ratings, Nebraska Cooperative Extension Service home agents, 58:4473
job satisfaction & performance, structure of role conception, police officers, 55:10955
job satisfaction, job attendance & dependability & general efficiency, mentally retarded females, 54:7912
job satisfaction, locus of control & ego strength & job performance, Negro & Caucasian & Puerto Rican policemen, 55:8531
job satisfaction, prediction of job performance as measured by Employee Aptitude Survey scores, 21–59 yr old technicians, 57:2077
job-related behavior training utilizing points & loss of pay consequences & feedback, job & training performance, females attending juvenile rehabilitation program, 57:13440
knowledge of group performance, attribution of causes of performance, college students, general alternative interpretation of cross-sectional research on organizations, 54:8609
knowledge of product & maintaining contact with prospect & working with resistance & flexibility & constant awareness, Gestalt concepts approach to training salespeople, 53:8456
knowledge of results, performance of repetitive handwork, female industrial workers, 53:10601
knowledge of retardation & personal values & contact with retarded & length of employment & work performance quality, attitudes toward mentally retarded, ward attendants in institutions for retarded, 58:6019
Lawler's expanded model of expectancy & self esteem & internal-external control, job performance predictions, 55:11118
leader & group esteem for least preferred coworker & intergroup competition, adjustment & interpersonal relations & task performance effectiveness, US Army recruit squads, 53:6356
leader behavior & subordinate's role ambiguity, subordinate satisfaction & performance, administrative & professional & technical & service personnel in hospital, support for path-goal theory, 53:10606
leader consideration & initiating structure & subordinate performance & satisfaction, direction of causal relationship, 1st-line managers & subordinates, 54:2083
leader tolerance for freedom & subordinate authoritarianism attitudes & performance of subordinate, retail finance office managers & personnel, 53:6377
leaderless group discussion method & job performance & social interaction, selection procedures, residence hall assistants, 55:7919
leader's ability to differentiate, subordinate's performance & perception of leader, public utility workers, 53:6361
leadership dimensions of company commanders, morale & performance, US Navy recruits, 58:2345
leadership effectiveness & leader-subordinate-task causality relationships, males, 57:4550
leadership of official & worker-perceived leader, job performance & satisfaction, mental health employees, 55:5747
leadership style & subordinate dogmatism & task type, group performance & satisfaction with supervision, college students, 55:11180

level in organization, role conflict & ambiguity's negative relationship to job satisfaction & performance, employees, 55:5830
level of agreement with criteria for performance evaluation, rehabilitation counselors, 54:3192
level of coercion & type of referral, perceptions & reactions to choice concerning participation in industrial alcoholism programs & self evaluation of work performance, alcoholic employees in industry, 57:4177
levels of white noise vs awareness of noise, reaction task performance, office workers, 55:13670
licensing examination scores & college academic achievement & age & marital status, prediction of on-the-job performance, nurses, 58:1842
life changes, absenteeism & transfer requests & continued education & grading distribution, high school teachers, 53:1866
locus of control, performance-to-reward subjective probability & personnel across multiple occupational levels in hospital setting, 54:12726
logic & techniques, measurement of achieved avionics maintenance personnel subsystem reliability, 55:11132
long vs short term psychiatric hospitalization, subsequent job performance & work adjustment, US military service men at naval academy center, implications for crisis intervention, 57:1770
man machine systems design, performance implications of various degrees of automation in surveillance systems, 55:11195
management dimensions determining overall rating, prediction of subsequent performance effectiveness, Black vs White female supervisors, 57:4538
management leadership style, performance of junior achievement companies, adult advisors & teenage company officers, application of contingency model, 58:10730
management-by-objectives, production & marketing performance, managers & subordinates, 53:10610
managerial effectiveness, divergence in perception of situational elements, 1st-line managers in service oriented organization, 58:4495
managerial expectations of subordinates' ability, performance, male managers & female subordinates, 55:8492
managerial grid, prediction of conflict resolution method & managerial effectiveness, supervisory personnel & subordinates of manufacturing firm, 56:6911
managerial grid, prediction of conflict resolution method & managerial effectiveness, supervisory personnel & subordinates of manufacturing firm, criticism of H. J. Bernardin & K. M. Alvape's study, 56:6912
managers' estimates of others' pay & attitudes toward pay & job performance, manufacturing company staff & line managers, 58:10707
map display location & orientations, manual piloting performance, pilots, 53:8467
masculine vs feminine sex-typed work settings, leadership behavior & need press measures, male vs female supervisors, 58:12824
measurement methods, individual differences in on-the-job performance, 55:11127
measurement of acquisition of different maintenance skills needed in steel works, validation of 2 test batteries, men just completing training vs men with 2 yrs experience on job, 54:2068
measurement of behavior characteristics, elementary school principals identified as successful, 55:7894
measurement of nonoperational employee performance, development & evaluation of behavioral criteria, supervisors in state department of labor, 58:6474
measurement of time norms of job performance by calorimeter, 58:2357
mechanical aptitude & reading ability & presence of audience, maintenance task performance & troubleshooting on radar set & its computer, Air Force personnel, 54:4353
met & unmet expectations, subsequent job performance, 16–22 yr old female trainees in Job Corps YWCA extension residence program, 56:10860
methodological problems, investigation of mental load & application to work setting, 58:2289
methods for evaluation of maintenance performance, review, implications for development of US Air Force evaluation methods, 56:10848
misdirected incentives, employee performance, 54:12717
MMPI, prediction of conscientiousness, hotline volunteers, 57:4521
model & empirical evaluation, static & dynamic determinants of organizational functioning, work groups from various organizations, 57:4561
model development, organizational leadership & technological conditions & effective performance of industrial supervisors, foremen & their superiors & subordinates, 58:8449
moderating effects of job involvement & pro-Protestant ethic attitudes, perceived leader behavior-subordinate job satisfaction relationships, production workers, 58:8510
modification of management control system to function as feedback system, performance efficiency & cost reduction, automotive plant departments, 57:4534
monotonous activities, working behavior & RT & attention & concentration, students operating plastics-injection press, 58:2390
monotonous task performance under social & solitary conditions, fatigue & boredom, assembly line workers, 53:8483
motivation & expectancy variables, performance rated by supervisors, engineers under vs over 41 yrs old, 56:6904
motivational & perceptual & attitudinal variables, job performance, insurance agents & trainees & managers & underwriters, application for job selection process, 55:13664
motivational determinants, job performance, incentive workers in steel fabricating plant, test of V. Vroom's expectancy theory, 53:12706
motivator-hygiene factors, job performance & satisfaction, volunteers in suicide & crisis intervention service, 56:6929
multidimensional approach, job performance & satisfaction, industrial employees, 55:13636
multidimensional scaling analysis, similarity judgments by supervisory personnel of circuit types repaired, US Naval Aviation electronics technicians, 56:3126
multidimensional scaling approach, analysis of managerial performance, 56:6914
multitrait–multirater analysis, rating of individuals in organizations, secretaries & university instructors, 53:4208
multivariate analysis of situational variables, prediction of supervisory job performance, lower level managerial personnel, 55:11140
multivariate total environment approach, occupational performance & satisfaction, US Air Force research & development scientist-engineers, 58:6497
music during training in workshop setting, work production & off-task & self injurious behavior & yelling out & social interaction, mentally retarded 26–46 yr olds, 58:4022
narrative method, recording client behavior or performance, vocational evaluators & work adjustors, 53:10316
need for achievement & trait anxiety, job complexity & tension & performance & satisfaction & workers' potential, subordinates & supervisors in life insurance companies, 57:2097
need for achievement, job performance-job attitude relationship, 1st level supervisors, 55:5832
need for help in supervision & job performance among mental health professionals, 55:7859
needs & personality traits & management styles, effective supervision in health care agencies, supervisors, 58:1730
neuroticism, fatigue & vulnerability to stress, electric power plant operators & supervisors, 57:7043
neuroticism, fatigue, Ss working at thermal power plant, 58:8494
noise exposure criteria, tactical performance, soldiers, 55:11196
nonreactive method of job behavior assessment, measurement of lost work time, telephone & public utilities employees working outside the office, 57:2081
nonverbal & culture-fair performance prediction following on-the-job training, cross validation by 18 mo follow-up study, 54:6469
nutrition attitudes & knowledge & personality traits, nutrition-related behavior, nutrition education assistants, 58:6150
objective rating scale, job performance evaluation, campus police officers, 55:8485
objectives & methods, performance assessment, law enforcement agents, 53:8477
observation & categorization of behaviors as on-task & off-task & comparison with shop norms, "best" vs "worst" male retarded workshop clients, 58:10066
Officer Training School, stress & coping style & military performance, candidates, 53:6317
on-the-job characteristics, mentally retarded employees judged to be good or bad by their immediate supervisors, implications for vocational education & rehabilitation, 58:8055
on-the-job work performance & validity of in-basket scoring categories, foremen in manufacturing firm, 57:7037
operant conditioning techniques in special training program, work habits & task performance, severely retarded 19–27 yr olds in sheltered workshops, 58:10070
operator's knowledge of functional relationships, monitoring & control of production processes, plant or machine operators, 57:14091
organization of defense mechanisms under stress, prediction of adaptive behavior in flight & relationship to training success, Swedish Air Force pilots, 56:5019
organizational climate, leadership motivation & performance relationship, US Army stewards, test of F. E. Fiedler's situational favorableness dimension, 54:2098
organizational climate, relationship between job satisfaction & job performance, 55:13720
organizational control policy based on concept of "legal compliance," established organizational norms on absenteeism & performance & satisfaction, college students, 55:5803
organizational development, organizational performance, 54:10740
organizational diagnostic survey & implementation of active intervention to improve problem areas, job satisfaction & productivity, US Army personnel, 57:14113
organizational goal setting & constant evaluation of changing conditions, performance & production & attainment of routine sales goals, salaried salespeople, 53:8482
organizational identification, employee effectiveness & creativity & occupational & internal group identification, scientific & engineering personnel in research & development environment, 57:14127
organizational level & decision making participation, role perceptions & employee satisfaction & performance, 58:6446
organizational role expectations, police officer behavior, patrolmen & police department supervisors & administrators, 58:6441
organizational socialization procedure in training & initial field assignment, academic & psychological & job performance concomitants, police cadets, 58:8447
organizational structure, employee satisfaction & other attitudes & job performance, 57:14114
organizational structure, job satisfaction & performance & anxiety stress, 54:10739
organizational structures, sex differences in work behavior & attitudes, 57:9214
"paired-choice" system, performance rating systems, police, 53:8466
partial order scalogram analysis, worries about job security & stability & proficiency & interest following computerization, skilled employees of government accounting departments, 57:14049
participation & productivity & morale & communications, workers in self managed enterprises, Yugoslavia, 56:5025
participative & power-equalized organizational systems, satisfaction & effectiveness prediction, 3 levels of management, 58:4501
participative vs assigned goal setting, 1-yr followup on performance & job satisfaction, sales personnel, 57:7066
participative vs assigned goal setting, job performance & satisfaction, female typists, 58:10702
path-goal approach, relationships among leader behavior & subordinate job performance & satisfaction, 55:3367
path-goal instrumentality & external & internal pressure, prediction of performance & satisfaction, managers, replication & modification of Graen's instrumentality theory of work motivation, 55:3360
peer perception of leader behavior, performance proficiency, US Air Force instructor pilots, 54:2075
perceived importance of role behavior & pre- & posttraining performance ability & class standing, female trainees at US Officer Training School, 58:10655
perceived importance of supervisor knowing how to perform journeyman-level tasks & actual task experience, US Air Force accounting & finance supervisors, 55:8507
perceived instrumentality, relationship between valence of pay & job performance, factory supervisors in South Africa, 56:3123
perceived job climate, relationship between achievement motivation & job performance, managers, 58:12818
perceived job structure & influence of immediate supervisor & leadership style, performance & personal factors as perceived determinants of pay, personnel at financial institution, 57:7045
perceived performance differences between male vs female supervisors, managers & workers, implications for training of women supervisors, 58:4496
perception of effectiveness of school psychologists, elementary school teachers & psychologists & trainers, 55:7947
perception of own performance in relation to others & cognitive complexity, assimilation & contrast in evaluation of own performance, college students, implications for use of appraisal interview, 58:4493
perceptions of characteristics for successful performance, elementary teachers in self contained classrooms, implications for teacher training & selection, 58:1994
perceptions of principal leadership style, teacher performance, high school teachers, US vs Greece, 57:13640
perceptions of work environment, rated effectiveness from subordinates & supervisors, middle managers, 55:11133
performance & career progression, high school graduate vs nongraduate airmen, 56:8857
performance & review & potential & organization reviews in performance appraisal, 54:2073
performance counseling with written goal setting, patient-care scores, staff nurses, 54:5364
performance criteria & ranking job reinforcers, engineers & scientists in industry, 56:8860
performance feedback & goal setting, job performance & satisfaction, 40–60 yr old blue collar unionized workers, 55:11167
performance feedback & instructions to maintain equity vs instructions to motivate & use of threats & promises, allocation of monetary rewards to improving & declining performers in supervisory role playing situation, college students, 57:7042
performance on interpersonal & administrative behaviors, undergraduate vs professionally trained head residents, 58:1966
performance on structure of intellect tests & Civil Service subtests & job performance criterion, black vs white groups, 55:8493
performance-contingent rewards, job satisfaction, employees, 57:4560
personal & job characteristics & work experience, organization commitment & subsequent attendance & turnover & job performance, scientists & engineers & hospital personnel, 58:8522
personal characteristics, prediction of employment stability, 18–26 old male parolees & probationers, 54:12425
personal development laboratory training, job performance, colle resident hall assistants, 56:2834
personal factors & working conditions & rest periods, workers' behavi & performance, factory workers, 58:12811
personal qualities & administrative skills & leadership style, perfo mance, mental health managers, 53:8505
personality & authority relationships & sociocultural factors & ag organizational behavior patterns, India, book, 54:2069
personality characteristics & vocational interest patterns, ministeri effectiveness, parish priests, 58:9367
personality correlates, persistence & effectiveness in police wor policemen, 55:8483
personality traits & prediction of attrition, low vs high ability stude nurses, New Zealand, 58:8152
personality traits measured through group tasks at selection, jo performance, graduate management students, 53:6313
personnel policy, job satisfaction & relationship to performanc 57:7038
pleasantness of setting & task difficulty, desire to work, college student 54:8602
positive & negative leader reward behavior, subordinate satisfaction performance, administrative vs professional vs technical vs servi employees in hospital environment, 55:11174
posttraining performance criterion development & application, multid mensional scaling analysis of job performance, naval aviatio electronics technicians, 56:10853
poverty, work habits & attitudes, urban blacks & Mexican Americans Anglos, 54:9432
practical mindedness vs achievement vs variety vs decisiveness orderliness vs goal orientation values, job achievement, high scho students enrolled in cooperative vocational educational progra 56:1415
precise definition of personal & organizational goals, improvement employee performance, 54:12721
prediction of psychiatric residents' performance, supervisors, 3- followup, 55:10584
predictive validity of pulse rate & skin temperature & visual acuity dynamic efforts, performance of man-machine operators, 54:8585
predictor display, carrier landing performance, laboratory mechaniz tion, 54:2104
predictor display, carrier landing performance, experimental evaluatio 54:2125
pre-employment test scores & biographical information & performanc in production training school, prediction of success, productio workers, 55:8484
preferences for type of escort protection & comfort in job performanc in presence of protector, community staff nurses vs nursing student 57:1842
preservice drug abuse, prediction of inservice drug abuse & milita performance, US Navy enlisted men, 54:944
primary groups among dissatisfied participants in organization, partic pant compliance or effectiveness, draftees serving in Nationali Chinese Air Police company, 56:6938
principals' professional leadership & teachers' perception of th leadership, teacher morale & performance & pupil learning, eleme tary school teachers & principals, Philippines, 55:2933
procedures of faculty evaluation & perceived factors important instruction excellence, administrators in accredited community junior colleges, 57:13686
programed learning procedures, aircraft engine preparation, Canadia Armed Forces aircraft technician trainees, 58:6464
prolonged exposure to continuous & intermittent noise, individual small-group performance in work situation, Navy & Air Force ROT cadets, 55:8489
Protestant Ethic Scale, prediction of repetitive work performanc college students, 53:11732
psychodiagnosis & MMPI characteristics & prior job satisfaction success, male psychiatric patients with disorders varying in severity 58:1339
psychological state & individual attributes & job characteristics i internally motivated effective job performance, development application of model, blue & white collar & professional personne 57:2075
psychological test battery & psychiatric interview, development performance criteria, law enforcement officer applicants, implication for role as community caretakers, 54:6465
psychosocial correlates, occupational performance, trainable mentall retarded in sheltered workshop, 56:2688
psychotherapy alone followed by wife joining sessions, depression marital & sexual discord & poor work performance & self esteem social situation avoidance, 40 yr old male with severe narcolepsy, mo followup, 58:7874
qualifications & effort of co-workers & order of co-worker presentatio levels of effort exerted, college students, support for J. S. Adam equity theory, 56:6908
quality of working life, performance & productivity of worker methods for achieving improvement, 58:6485
questionnaire vs interviewing method, identification & constancy ove time of job characteristics providing job satisfaction & motivation job attitudes, textile mill supervisors, 57:14100
race & sex & socioeconomic status, expectancy theory predictions motivation, 55:11124
race & sex of rater & ratee, simulated work-sampling task performanc assessment by potential employers, college students, 53:8474
racial composition, attitudes & behavior in simulated work groups black vs white supervisors & subordinates & racially mixed super vised dyads, 55:5788
racial differences, job motivation & performance & satisfaction, Black v White white collar workers, 55:3320
racial discrimination, job performance criterion measures, black v white bank tellers, 53:4207
rating job ability requirements by workers & relationship betwee worker ratings vs worker characteristics, workers & supervisors 55:5754
rating scales, job performance evaluation, 53:2074
ratings of traits considered important for successful job performance b nonsupervisory personnel, managers in public employment, 56:885
ratings of 1st-term airmen on supervisory potential & technica competence & desirability as reenlistee, supervisors, 56:1540
reactivity, activity style & productivity in occupations, taxidrivers foundrymen, 56:5021
reinforcement contracts, charting performance, medical center nurse 56:1284
relationships among personal characteristics & job setting & perceive job climate & self estimate of job performance & rewards, publi school speech & language & hearing clinicians, 57:6721
relationships between work evaluation ratings & attitudes toward pupi & job satisfaction & personal characteristics, teacher trainee 56:1332
relationships of perceptual measures of job satisfaction & performanc & organizational climate & practices, large medical center, 55:1363
reliability & validity, critical incident technique & resulting behavior indices of job performance, businessmen, 53:2063

reliability & validity of scoring procedures based on confidence testing rationale applied to objective achievement examination & relationship to job performance & personality construct measures, male police officers, 57:4716
reliability, J. Misumi's Performance-Maintenance Leadership Scale, industrial employees, Japan, 57:9382
reward contingencies of work incentives, job satisfaction & performance, factory workers, 54:4355
role conflict & ambiguity indices, correlation to affective & behavioral responses & task dimensions & moderating role of higher order need strength, nursing aides & assistants, 56:10882
role conflict, satisfaction & effectiveness, community college chairpersons, 58:12399
role expectations vs pupil personnel worker behavior, public school educators, 55:2974
role perceptions & performance & professional characteristics & biographical data & perceptions of involvement in decision making process, Black administrators in state aided & owned & related colleges, 58:1967
role stresses, individually & organizationally valued psychological states moderated by higher order need strength, white collar union members in manufacturing company, 55:11156
Rotter's Internal-External Locus of Control Scale, prediction of work motivation & performance, navy personnel, 55:11286
sales & earnings, responses to financial incentives, salesmen, 53:12690
satisfaction with minister & session & church performance, concurrence of group norms & values & image, United Presbyterian Church ministers vs members of sessions, implications for minister selection & process consultation, 58:11546
scale continuity & behavioral anchor specificity, psychometric properties of performance rating scales using evaluations of store managers, supervisors, 57:7040
schedule parameter manipulations, work distributions during multiple alternation with transfer, high- vs low-work Ss, 56:9250
scholastic ability & clerical skills & self esteem, job success following training program, female hard-core unemployed clerical workers, 55:11113
screening procedure development based on ground training devices, selection for pilot training, 55:11094
security & social & esteem & autonomy & self realization needs, performance ratings, educational project managers, 56:10585
self actualization need strength & locus of control & occupational level, relationships among perceptions of job characteristics & employee satisfaction & performance & expectancies, medical center employees, 58:2304
self concept & level of communication of facilitative interpersonal conditions & perceived effectiveness on direct service & consultation services, community mental health workers, 58:10157
self concept, job performance as perceived by their teacher & themselves, curriculum directors, 57:11293
self esteem & perceived job complexity, job performance & satisfaction, registered nurses, 54:8599
self esteem, relationship between job ability & job performance, female steno-clerks, 56:1551
self esteem, relationship between job performance & satisfaction, accountants, 57:14120
self vs supervisor evaluation of work performance, psychiatric patients in manual assembly vs clerical section, 54:9856
self-evaluation of training & functioning & work relationships, psychological techniques, 53:9677
self-peer ratings of need to achieve at job application, prediction of job performance, life insurance agents, 55:11088
self-ratings vs superior ratings, managerial performance, 53:6365
sense of competence, managerial performance, managers, 56:8871
sensitivity orientation vs conventional employment orientation sessions, employee turnover & progress within organization over 4 yrs, previously chronically unemployed Black males vs regular hires, 57:4516
sex & job class & potential, career development correlates, insurance company employees, 58:10668
sex & marital status bias, job performance & promotability ratings & promotion decisions concerning women in management, male department store managers, 58:10706
sex differences & noise & task pacing, visual inspection performance using simulated printed circuits varying in complexity, 56:8861
sex differences, reasons for attrition, female & male air traffic controllers, 55:13719
sex of S & competitive vs cooperative vs observed interaction & sex & competency of others, discrimination against competent women, male vs female college students, 57:1162
signal detection theory model of O decision making, evaluation of industrial quality control job performance, inspectors, 54:4337
signal detection theory, use in clarifying problems of performance evaluation in industry, 54:8583
similarities of job-oriented problem solving & creative behaviors, 54:6484
similarity between supervisor-subordinate job role perceptions, subordinate job performance, caseworkers & immediate supervisors, 55:13669
simulation model, decision making process, automobile insurance underwriters, 55:3350
simulator vs operational training, diagnosis of plant failures from control panels, college students, 55:8466
single-group validity, white vs black Ss, confirmation of results of F. L. Schmidt et al, 54:4354
sleep loss & 48 hrs of continuous work, sustained performance using synthetic-work approach, college students, 53:12701
social incentives in Air Force technical training, performance & attitudes, 55:11090
social intelligence & IQ & age & sex, vocational success evaluation, trainable mentally retarded 21–56 yr olds in work activity center, 58:10064
social psychology approach, work, book, 53:2012
specification & development & use, task identification & analyses for task oriented training & job performance aids, 57:6999
speech style & ethnicity, perceptions of job competence, college students, 55:7119
staff & self perceptions of leader behavior as adaptable or dominant, perceived leader effectiveness, school principals, 57:11272
staff reinforcement program manipulating unit structure & staff-resident assignments, work behavior, attendants in residential facility for multiply handicapped retarded, 58:1870
status consistency vs inconsistency, expectations & perceptions of role performance, nurses, 58:8097
stereotypes toward older workers & actual job performance, 56:6907
stimulus control treatments of persuasive influence & announcement of pay contingency vs reinforcement control emphasizing quality or quantity, stable performance change in simulated quality control program, male college students, 55:11119
structured experience approach to training, modification of verbal behavior with supervisors & employability, multiply handicapped sheltered workshop employees, 57:4150
subjective & objective job correlates, perceived circuit complexity using magnitude estimation judgments, journeymen avionics maintenance personnel, 56:3127
successful vocational rehabilitation, job performance & satisfaction, disabled employees, 54:10364
supervisor vs trait ratings, job performance prediction over time, airman administrators & mechanics, 53:12683
supervisor's consideration & initiating structure moderated by incremental influence, job & supervision satisfaction & performance & turnover, air force trainees & state employees, 57:4547
supervisors' ratings of job performance, 2-yr follow-up study, Air Force administration specialists & aircraft mechanics, 53:8486
supervisor-subordinate job attitude similarity, mutual attraction & supportive communication & supervisor rating of performance & remaining together, dyads of professionals & executives, 55:5833
supervisory motivation, supervisory behavior with respect to consideration & emphasis on quality of work, 1st-line supervisors, 54:8614
susceptibility to boredom, patrolmen & sheriff's deputies vs jailers, 54:8597
symbolic troubleshooting tests, job performance measurement, descriptive & methodological review, 56:8855
symptomatic chemotherapy, sustained performance, Ss with phlebotomus fever, 53:12157
systematic analysis of performance discrepancy, case history application of process described in Mager & Pipe's "Analyzing Performance Problems", 54:6460
task & load difficulties in directing & regulating complex technical system, convenience & validity of EKG as worker adjustment indicator, railway train dispatchers, 58:7024
task characteristics & individual differences in abilities & preferences & values, work satisfaction & quantity & quality in simulated electronics maintenance work, college students, 57:7069
task interest as intrinsic reinforcement & pay conditions as extrinsic reinforcement, job performance & satisfaction, 57:9213
task strategies & principles implicit in job activities of highly proficient performers, job performance training, 53:4191
task structure & autonomy & repetitiveness, leader behavior & satisfaction & role clarity variables, 23–60 yr old military officers & Civil Service personnel & project engineers, partial test of path-goal theory, 55:3382
teacher evaluation practices & perception of & attitudes toward procedures, high school teachers & principals, 55:13007
technical knowledge & intelligence & interests & needs, variance in job performance, promoter industrial salesmen, 55:13674
test measures obtained in employment situation, past managerial achievement, top & middle managers, 55:11144
Test Subject's Instructions & Test Administrator's Handbook for battery of criterion-referenced Job Task Performance Tests, evaluation of electronic maintenance, 55:11130
theories & applications & research in organizational behavior, selected readings, 58:12835
theory & structure & implementation, computer assisted techniques for operator performance measures, 55:13666
time constant learning curve model describing performance improvement in repetitive tasks, transfer function models, 58:2305
time limitations & age, creative activity & group problem solving, constructors & designers, 58:2300
time-correlated stimuli or "added clock" with avoidance & FI schedules, performance efficiency in part-time job with payment dependent on performance, female college students, 57:4956
time-series method in implementation of critical incidents technique, evaluation of job performance, workers in organizations, 56:10847
token system & behavior modification in sheltered workshop, visual inattendance–verbal prompt as work performance, severely retarded 16–19 yr olds, 53:10520
traditional vs experimental measures of empathy, selection of leaders & salesmen, 54:4302
training program, changes in job related functioning, alcoholism counselor trainees, 55:5388
transactional analysis, job performance, salespersons, 55:8479
type of employment & work efficiency & factors influencing job adjustment & performance, adult epileptics, 58:3621
type of reinforcement set, leader's reinforcement behavior for performance, Ss acting as supervisors, 55:8506
use of psychological tests for executive selection, prediction of job performance of executives, 57:4525
utilization of positive reinforcement & verbal feedback by manager, job performance, employees, implication for application of behavior modification principles, 57:4522
valence & instrumentality beliefs, job performance, factory assembly line workers, 54:12724
valence perceptions of continuing in active duty work role vs leaving to assume anticipated retirement role, Navy officers, test of expectancy theory as within-personnel behavioral choice model, 55:5744
validity & factor structure, R. J. House & J. R. Rizzo's work unit effectiveness scales, professional & managerial & technical & clerical employees in large industries, 58:4639
validity of alternative models of expectancy theory, prediction of effort & job performance & satisfaction, sales representatives from industrial organizations, 58:4492
validity of J. J. McConnell & T. C. Parker's assessment procedures for identification of supervisory potential, male 1st-line supervisors from engineering & production & construction, 55:3543
validity of measures of cultural exposure as moderator variables, prediction of job performance, chemical process operators, 56:10857
validity of psychological tests, prediction of on-the-job performance, 58:10696
variables affecting high need for achievement on-the-job, salesmen, 55:11120
variations in workers' performance, supervisory ratings of workers' ability & motivation & overall performance, college students, 55:11128
video approach to symbolic testing, evaluation of electronic maintenance performance, 55:11131
videotaped modeling alone vs with discussion-reinforcement, work performance, educable mentally retarded young adults, 58:10080
visual vs kinesthetic-tactual compensatory displays, inflight performance, pilots, 53:8473
vocational evaluation, preparation program for community work experience, visually handicapped, 58:10069
Weighted Airman Screening System, definition of promotion policy, Air Reserve personnel, 53:12641
work activities & job performance adequacy & job satisfaction, 20–55 yr old graduates of associate degree mental health & human service programs, 55:12930
work adjustment & performance & satisfaction, methadone-maintained skilled laborers & office workers, 58:12780
work analysis, employee productivity & health & protection, machine workers, application to predicting performance before transfer from simple to complex or multiple machines, 54:6483
work attitudes, job performance, black vs white blue-collar airline employees, 54:6462
work capacity & activity patterns, circumpolar Eskimo & Ainu groups, 53:2296
work completion price rate system, work performance, 22-yr-old workers, 53:10603
work environment structure & climate, individual & organization effectiveness, 54:8621
work evaluation & adult adjustment to working world, 54:8598
work performance evaluation, business employees, 54:8592
work performance impairment thresholds, 50 drug compounds, 54:9159
work role concept & expectations of superiors, role behavior, government department heads & subordinates, 58:8500
work unit size & role clarity & consideration & stress, relationships between leader behavior & subordinate satisfaction & job performance, Black counselors & people-helping workers, 57:7071
worker orientation defined as manual dexterity, relationship between contingent vs noncontingent reward systems & intrinsic motivation & productivity, high school & college students, 58:6444
worker performance levels & task complexity in simulated leadership situation, leader behavior style & flexibilty, male college students, 56:10863
workshops as inservice education delivery system, job behavior change, school administrators, 55:2966
4-day & 40-hr workweek, job satisfaction & performance & anxiety-stress, steelworkers' union members, 53:8475
48-hr period of continuous work & sleep loss, work efficiency, college students, 53:6348

Job Performance Evaluation [See Job Performance, Personnel Evaluation]

Job Requirements [See Job Analysis]

Job Satisfaction
ability level, job performance & satisfaction, clerical employees, 55:5829
access to job & life self fulfillment, college-educated vs noncollege-educated young people, 54:5350
active participation by employees in development & administration of pay plans, job motivation & satisfaction, 56:8748
actual vs ideal organizational climates, performance & job satisfaction & independence of climate & job satisfaction constructs, manufacturing firm employees, 57:9239
administration's leadership style & role model & reward ability, research professor's satisfaction & productivity, college personnel, 58:6153
adolescent vocational maturity, prediction of early adult vocational behavior, 53:6284
age & marital status & educational attainment & occupational level, work & environmental components of job satisfaction & their importance in ideal job situation, full- & part-time female university employees, 57:7061
age & sex & job satisfaction & effectiveness, perceptions of corporate social responsibility, bank employees, 56:6927
age & sex & time on job & traffic violations & supervision & job satisfaction & physical environment characteristics, injury rate, naval ammunition depot personnel, 54:2108
age & shift & preceding hospital experience & work during program & hospital size, job satisfaction & satisfactoriness, newly licensed nurses, 57:1849
age & yrs of state employment & hierarchical level & salary & career speed & job security & challenge & opportunity to serve public & political interference & self-determination, job satisfaction, state & federal government & private industry executives, 54:10711
age, levels of satisfaction derived from skill variety & task identity & significance & autonomy & job feedback, 18–64 yr old employees of manufacturing company & public sector service agency, 57:7057
age, levels of satisfaction from enriched job, manufacturing firm & public employees, 54:12709
alcoholism workshop, alcoholism attitudes & job performance & satisfaction, secretaries of agencies dealing with alcohol-related problems, 53:10595
analysis of critical studies on motivation-hygiene theory of job satisfaction, 54:8593
antecedent variables, dropping out of high school, educational attainment & aspirations & self esteem & occupational attainment & work satisfaction, 55:13363
applicability of 2-factor theory of job satisfaction, college & university professors, 55:13716
application of Herzberg's 2-factor theory, job satisfaction-dissatisfaction, 2-yr college teachers of music, 55:5470
application of Holland's theory of careers, career orientations & job satisfaction, female college graduates, 57:7016
appropriateness of employment to training & education, perceptions of factors & difficulties relating to their employment, Latin American business graduates living in US, 58:4478
aptitude & background & personality characteristics, satisfaction & academic performance in Field Medical Service School, US Navy hospital corpsmen, 57:11654
aptitude & occupational aspirations & satisfaction & year of birth & year of hiring & social status, career patterns & acceleration, railroad chiefs of security, 1952–1958, 54:8610

demographic & sociocultural & psychological characteristics & modes of adjustment, Jewish alcoholics, Canada, 57:3606
development of obsessional paranoid delusion about Jews, A. Hitler, 55:812
enriched vs restricted school experience & sex & socioeconomic status, conservation attainment, Orthodox Jewish 1st graders, 57:6791
environmental factors, well-being, elderly Jewish residents of high-crime black slums, 53:9326
ethnic differences, reactions to absurd humor, Israeli Jews of Eastern vs Western descent, 56:5888
ethnic identification & interethnic contact & ethnocentrism & cosmopolitan-local typology, ambivalence toward ethnic integration, 35–65 yr old white Protestant & Jewish members of civil rights organization, 56:9753
evolution of personal & family styles of handling conflict, urban Jewish-American families, 55:9612
factor structure of mental abilities on Comparative Guidance & Placement Program battery, cross ethnic construct validity of battery & discussion of test bias, Black & Spanish & Jewish & Caucasian-Gentile community college students, 57:10092
familial & social factors in depressive illness, Jewish & Protestant depressives, 54:11955
fear of failure motivation, dynamic motivational structure, Jewish vs non-Jewish American adolescent males, 56:9909
flag preferences as measure of patriotism & attitudes toward world powers, Arab Christian vs Moslem vs Jewish Orthodox vs non-Orthodox 2nd–12th graders, Israel, 56:3896
Freudian perspective, analysis of biblical themes & origin of Judaism, 57:12615
geographic relocation & migration, intergenerational relations, Jewish refugee community of 20–60 yr old adults & their 60–88 yr old parents, 54:7279
guilt & anxiety, development of penitence as described in Hebrew Talmud, 58:7338
historical & psychological aspects, myth of eternal Jew in figure of Ahasver, 55:9350
intellectual ability, Jewish & Arab kindergartners & 1st graders, Israel, 53:5038
Jewish concentration camp survivors, Norway, discussion of practical & theoretical implications of findings, 56:553
Jewish identification, academic achievement, college students, 55:1434
Jewish schools varying in socioeconomic level & degree of orthodoxy, L. Kohlberg's stage theory of moral development, 4th–6th graders, 55:2220
Jewish values from Old Testament & Talmud & religious holidays, family life, 54:2838
Jewish version & psychological aspects of Abraham story, 58:943
liberal & humanistic political attitudes, prosocial & constraint-oriented moral reasoning, 7th–12th graders from Presbyterian church & Jewish camp, 57:10008
minority group status & bias in college admissions criteria, analysis of T. A. Cleary's & R. L. Thorndike's definitions, Black vs White vs Jewish students, 57:8557
origin & culture & history of treatment in Europe, Gypsies, comparison with Jews, 58:963
perceived prejudice, affective & self evaluation reactions to failure in interpersonal situation, Jewish male college students, 55:4548
personal & family background & current status & attitudes & interests & self concept, elderly using Jewish Community Center resources vs living alone vs living with families, 54:2798
personal religious orientation, positive mental health & dogmatism & self actualization & attitudes toward religion, Catholics & Jews & Protestants, 56:9752
preparation for death, acceptance of death in Judaic tradition, 53:11489
present & recalled perceptions of Judaic community &/or extended family support, clients of Jewish family service agency, 58:7310
psychoanalytic interpretation, Freud's Jewish identity, 56:5078
psychoanalytic review of intellectual development of Maimonides, 54:5097
psychological intimacy, Jews of North Metropolitan Chicago & Sephardic Jews of Istanbul, Turkey, 55:6915
psychological involvement, knowledge & cognitive & emotional attitudes toward 6-Day War, Jewish 7th & 8th graders in US vs Israel, 53:2952
psychological values & needs & vocational role preferences, Jewish seminarians of Orthodox vs Conservative vs Reform denominations, 58:3189
rabbinic role expectation, Reform rabbis vs board members vs congregants, 58:7333
relationships between Freud's Jewish background & his understanding of sociopolitical conditions of European Jews & his theory of psychoanalysis, 58:2443
religion & age & sex, development of concept of God & scientific concept of rain, 4 & 7 & 11 yr old Roman Catholic & Protestant & Conservative Jewish boys & girls, 55:6765
religiosity & interfaith dating behavior, Jewish college students, 58:7303
religious beliefs & practices, premarital sexual activities, Jewish female college students, 55:6938
role commitment, satisfaction with religious role, recreational vs occupational Jewish cantors, 55:8517
scientific & geographical & Jewish-background, attitudes toward Jensen's genetic thesis of genetic basis for Negro–Caucasian intelligence difference, American Psychological Association members, 53:3188
sex & age & parent's income & parent's education & occupation & religious observance & religious education, minority group identity, Jewish college students, 55:622
sex & ethnic origin & victim–offender relationship & motives & type of homicide & previous pathologies of offenders, criminal homicide, Oriental & Western Jewish & non-Jewish Israelis, 54:12048
small group counseling, religious attitudes & verbal behaviors, women members of conservative synagogue, 56:2587
social desirability responses, Jewish vs Arab students in grades 4 & 6 & 8 & 10 & 12, Israel, 57:5670
sociocultural & demographic correlates, diagnosis of affective disorder, Jews admitted to psychiatric hospitals, 54:7782
subcultural religious affiliation & practice, personality traits & dogmatism, male Orthodox Jews, 56:4107
subcultural religious affiliation, personality & dogmatism, Orthodox Jewish male high school graduates, 55:4615
supernatural & communal & cultural & interpersonal orientations, religious involvement typologies, Jewish adults, Chicago, 54:7314
symbolism, Jewish history, 55:9552
Talmudic & logotherapeutic affirmations, role of death in life, 54:2133
transmitted factors, morbid risk of affective disorders, Jewish patients with primary affective disorders & their 1st-degree relatives & spouses, 57:12894
values from Talmud reflected in Jewish family behavior, 58:5239
WISC test patterns, clinical interpretation of WISC score profiles, Jewish 5–15 yr olds, Israel, 54:1109

Judgment
ability & effort information, integration process of achievement outcome prediction, 6–11 yr olds vs college students, 53:2865
ability to judge whether paintings are by same artist, measurement of aesthetic sensitivity, art vs psychology major, 56:9629
ability to use information about relative validity of cues in multiple-cue judgment tasks, college students, 58:10928
ability-based vs random within-team order of athletes for competition, gymnastic performance scores, nationally certified gymnastics judges, 56:4068
accuracy of judgment of position & cardiac deceleration, male college students, 58:9017
accuracy of readability judgments, implications for use of formula & selection & training of judges, 55:12953
adaptation level model vs information integration model vs similarity classification model, psychophysical judgments, 5–24 yr olds, 56:7686
aesthetic judgment ability, Art Judgment Test, male & female amateur artists vs nonartists, 54:11825
algebraic models derived from equity theory, equity judgments as information integration, college students, 55:151
ambiguous & uncertain experience without operation of strong experimental sets, judgmental movement in direction of stabilization & orderliness, college students, reply to paper of C. H. Alexander & L. G. Zucker & C. L. Brody, 54:10966
amount & kind of information available, consensus among judges, 53:287
amounts & units of information, judgment accuracy of predicted class rankings, male college students, 58:293
analysis of causal perceptions based on naive analysis of action, rules for judgment of another's outcome & ability inferences, 58:3332
anchoring, absolute judgments of cognitive stimuli using social prestige judgments of job titles, college students, 56:7197
apparent movement judgments & judgment change in ambiguous situation, 18–22 yr old vs 60–80 yr old females, 54:9407
apparent weight of evidence & decision criteria & confidence ratings in juror decision making, 57:10244
assessment using language & intelligence measures, problem solving vs judgment making abilities, 9–12 yr old learning disabled vs normal children, 55:4868
attitude & end defined vs generally defined vs S-defined rating scale format, polarization in social judgments, college students, 57:10224
attitude labeling & perspective theory, critique of methodology in study by D. R. Kinder et al, 58:129
attribution theory analysis, moral judgment, 55:9801
attribution theory vs judgment under uncertainty, characteristic research & mutually relevant studies & paradigmatic assumptions & future research directions, 58:1146
behavioral decision theory, literature review, 58:8777
brief exposures to sample mean & size & variance & mean difference & importance differences between sample pairs, numerical judgments & ratings & choices, college students, 54:330
calculation method, construction of differential category systems to overcome category errors in teacher judgment, 55:3265
category judgments vs magnitude estimations vs graphic ratings of favorableness of offers to buy lottery tickets varied in time & probability & outcome value , 55:170
causal attribution & role of situational cues of situation competitiveness & social content, development of evaluative judgments, 5–14 yr olds, 55:9376
coaction, leveling effect on judgment vs retest effect, college students, 54:7460
cognitive development, attributional judgment of ability & task difficulty, preschoolers vs kindergartners vs 2nd graders, 58:867
cognitive limitations & motivational ascriptions, attitudinal conflicts concerning Vietnam War & human potential assessment, 58:11527
cognitive skills, optimal performance in judgment tasks, 58:6820
cognitive vs outcome feedback, improvement of judgmental accuracy, implications for clinical judgment & interpersonal learning, 58:8770
comparative judgments, locus of semantic congruity effect, college students, 53:10868
computer program, univariate & multivariate judgment analysis, 58:8606
congruity vs range adjustment models & extremity effects in combination judgments, research review, 57:3183
consistency mechanisms & control of evaluation of reliable information, 54:10956
contemporary issues in speech perception & judgment & models of short term memory & cognitive structures, book, 55:3588
convergence & divergence of weighing criteria of evaluative direction & extremity & ambiguity, impression formation, college students, 57:5839
correct vs incorrect previous classification of information, subsequent judgment accuracy, 54:10957
creative thinking ability vs religious training, moral judgment, Jewish 12th graders, 55:13238
critical thinking & empathy & social interest, moral judgment, adults & students & paraprofessionals, 57:8280
cue consistency & individual differences in cognitive complexity & intelligence, judgmental processes, college students, 58:9553
cue intercorrelation & task predictability, confidence in multiple cue judgments, college students, 54:6751
cue utilization, expert judgments, independent auditors, 53:6268
cue-criterion correlations & cue intercorrelation & sign of cue intercorrelation, confidence in multiple cue probability learning, college students, 54:6750
decomposed vs direct form of problem, judgment accuracy, college & graduate students, 55:6093
Delphi anonymous estimation & feedback preceding vs following estimation & required written explanations, accuracy of judgments by self-rated experts vs nonexperts in marketing, 53:11638
Delphi Technique, variability & central tendency of group factual & value judgment, industrial education faculty & undergraduates & recent graduates & school administrators & employers of graduates, 55:3461
description polarity & set size, confidence in reports of marriage & employment behavioral intentions, college students, 53:5221
dimensional vs holistic evaluation strategies, eye fixation analysis of choice & judgment with multiattribute stimuli, college students, 57:11992
direct measures of availability, judgments of category frequency, Hebrew-speaking college students, 58:8761
direction of relational judgment, speed of judgment with remembered stimuli, college students, 56:1687
dominance of individuating information & neglect of base rates, probability estimation, college students & research institute staff, 54:6735
double-reference-point context effects, verbal descriptions of numerical frequencies, college students, 54:299
duration of friendly interactions, conformity in estimating length in autokinetic illusion, college students, 58:1111
empirical evaluation of "interactive scaling with individual Ss", 55:3499
equity vs equality of distribution, moral judgments of thefts & charity & 3rd party transfers, 5th & 6th graders, 57:12765
ethnocentrism–authoritarianism differences, extreme responding & relative weighting of combined items, college students, 53:7450
evaluation of interactive scaling with individual Ss, reduction of number of similarity judgments required in scaling experiment, 58:2453
evaluator's experience & tape's verification & criminal's truthfulness/deceptiveness & type of crime, accuracy & reliability & judgment of truth & deception on polygraph recordings, police polygraphic examiners, 58:2295
explicit moral judgment training, moral judgment stage scores, educable mentally retarded adolescents, 55:13497
exposure to conforming influence of male vs female confederate, conformity behavior on series of perceptual judgments, male vs air force trainees, 56:9827
feedback, weights & subjective values in information integration model, college students, 58:302
films presented to right vs left hemisphere only, ratings of films on emotional dimensions, 18–24 yr old right-handed students, 57:442
formal characteristics of judgment tasks, clinical inference, 57:8909
frequency judgments in word discrimination learning task, retarded vs nonretarded Ss, 58:5629
functional measurement analysis, equisection using bisection & trisection & quadrisection of grayness intervals, 56:118
functional measurement, role of context effects in psychophysical judgment, 55:3473
general salience & importance-in-context & evaluative direction, sequential process of judgments about people, 58:9547
goodness of fit of multiplicative vs additive model, preference & similarity judgments, 24–29 yr olds, 54:2319
graphical rating method, judging similarity applied to activation words, 57:130
group identification, anchoring effects on judgmental positivity & certainty, Indian students in US, 54:9724
haloperidol vs trifluoperazine vs thioridazine, judgment task performance, 25–64 yr old chronic schizophrenic inpatients, 58:7972
heuristics & biases, judgment under uncertainty, 53:10914
high vs low cannabis vs alcohol doses, moral judgments, adult males, 57:2781
historical event dates & proportions & people's ages & seriousness of disease & life events & monetary values, role of task characteristics & number magnitudes in subjective equivalence judgments, college staff & students, 57:9478
historical outcome knowledge, awareness of effect on perceived probability of occurrence of events, college students, 55:159
human judgment, adequacy of regression paradigm, 58:4695
identification of notes & intervals, judgment reliability & independence of contextual cues, musicians, 58:6817
improvement of complex human judgments, stock analyst, 55:8850
individual cognitive styles, judgment of document relevance, graduate students, significance for document retrieval systems, 58:281
individual differences multidimensional scaling paradigm, study of utility of facial physical regions in judgment of pleasure & anger, 58:379
individual vs group discussion, norm formation or internalization in convergence & divergence of autokinetic judgments, Ss, 55:2338
influence of males & females, psychophysical judgments, female college students, 54:9613
information concerning work experience & aptitude & skills test scores & interview rating, relative weights & subjective values in job applicant rating task, college students, implications for linear judgment model, 56:8843
information transmission & response stereotypy, effect of mid-series anchor on absolute judgments of duration, schizophrenic vs neurologically impaired 21–50 yr old males, 54:9816
injury case summary followed by viewing color slides of victim, effect of emotional arousal on "objective" judgments, college students, 57:12725
input & equity summation in multiple cue judgments, college students, 55:158
instructional effects, frequency judgments, college students, 55:6153
integration of scientific information & social values in public policy formation, application of scientific analysis to human judgment situations, 57:12582
integration theory approach & functional measurement, attractiveness judgments of pairs of toys, 5–13 yr olds, 53:808
intention of actor & value of outcome of action to recipient, moral judgment, college students, advantages of information integration theory approach, 56:2362
interviewers enacting vs not enacting expected appropriate professional interest in interviewee, mental illness judgments concerning interviewee, college student Os, support for attribution model, 58:1610
Judgment Analysis Technique, identification of pornography, psychology & guidance & counseling doctoral students as judges, 54:7391
judgment of adjectives & adverbs on 6 polarities, students, test of N. Cliff's law of adverbs, 53:7379
judgment of generosity & gift size & income of stimulus person based on information about remaining dimensions, cognitive algebra of judgment, college students, 53:4394
judgments about surface of still water, improvement of drawings & forced-choice judgments among alternative water levels & verbal statements of principle governing water level, male & female college students, 54:4560

judgments of age & linguistic community of Chinese vs US infants' vocalizations, college students, 57:855
judgments of effects of motivation & ability on performance, 53:7303
judgments of synonymy of interpretations of proverbs & set of original proverbs, college students, discussion of semantic infinity hypothesis, 56:5726
language competence & teacher judgment & age, prediction of reading readiness, kindergartners, 58:2229
lens-model & outcome feedback, judging category designations of human-like figures, college students, 53:10879
linear model, judgments & decisions based on time of outcome, 55:171
magnitude production method, measurement of subjective probabilities, college students, 55:8847
mathematical model, ratios as decision functions in judgment of stimuli intensity differences, 58:6646
mathematical models of informational influence process, changes in perceptual judgment, 58:1100
measure of uncertainty used & type of response required, assessments of subjective probability distributions on continuous variables, college students, 58:218
method of eliciting true/false judgments, 3–5 yr olds, 58:8605
methodology of protocol analysis to assess judgment process in management students' evaluation of learning experience, graduate business students, 55:3684
model-based decision & judgment in stud poker, 56:7184
moderately arbitrary judgment norm of collaborator in autokinetic vs shotgun vs pinball vs hex situations & degree of social pressure, degree of compliance, college students, 56:9841
Monte Carlo evaluation, computer-interactive extended transitivity dominance scaling model, 57:9396
Monte Carlo evaluation, interactive multidimensional scaling, 55:8619
Multi-Area Review Interview & Examination Evaluation profile, assessment of sociolegal judgment ability, 16–21 yr old male offenders, 57:89
multidimensional analogy to Thurstone's law of comparative judgment, statistical & psychological implications for multidimensional scaling, 56:27
multidimensional scaling, similarity & paired comparisons of preference judgments of social science disciplines & political parties, college students, 57:158
multidimensional similarity analysis, judgment of informativeness of picture sections, college students, 54:9624
multidimensional similarity, experimental & theoretical comparison of vector & distance & set models, 58:6639
multiple regression analysis, sequential effects in magnitude estimation of loudness, implications for response ratio hypothesis, 58:2647
multiple-cue judgments using fictitious medical-diagnosis task, information integration & subjective weights, college students, 57:4915
multivariate analog of Judgment Analysis & numerical illustration, 58:8695
natural groups & length of existence & confederate's status in group judgment situations, consensual agreement time & norm formation & influence of member's status & ideal group choices, college women, 57:5805
non-normal distributions, Thurstone's comparative judgment model, 54:4453
normalization vs pooling algorithms, prediction of absolute judgment of bidimensional stimuli, 58:8696
normative judgment analysis technique, capturing policies of pornographic pictorial representations, lawyers & police officers & psychology doctoral students as judges, 56:75
number & location & kinds of elements in pairs of pictures, judgment of nonidentity, 4–6 yr olds, 56:7611
numerical distance between digit pair members, semantic congruity effects in comparative judgments of magnitudes of digits, college students, 57:182
object flight variation & experience in different sports, speed & accuracy of ball trajectory prediction in 3-dimensional space, male 16–29 yr old volleyball players & swimmers, 55:11347
observation training & practice, accuracy of judgment of children's behavior change, teachers, implications for inservice teacher education, 57:4314
oculomotor response of stimulus fixation & perceptual judgment of stimulus position, localization of visual structure, college students, 54:8793
operative intentionality concept of M. Merleau-Ponty, 56:5100
order effects & display persistence, probabilistic opinion revision, Air Force personnel, 54:288
order of swimmer appearance, objectivity in judging synchronized swimming meets, judges, 58:8716
outcome knowledge, judgment under uncertainty & perceptions, college students, 54:4552
overt actions, inference of evaluations, support for active internal information processing, 54:2310
passive viewing vs sorting vs concept formation task experiences & experience with complex stimuli, preference & complexity judgments for random shapes & test of complexity-based model of intellectual growth, college students, 57:341
personal involvement & communication context & situational arousal of own attitude, social judgment of controversial issue, adults, 58:11701
perspective model of attitude judgment, interpersonal conflict predictions, male college students, 55:711
perspective theory of attitudes, reply to H. S. Upshaw's criticisms, 58:127
phonetic judgments vs electropalatographic measurements, articulatory place of production, 58:8709
physical appearance & interpersonal attraction & judgment of guilt & severity of recommended punishment, simulated jury of college students, 53:1055
predictive accuracy & correspondence with statistical descriptions, methodology used in obtaining subjective descriptions of judgmental policy for 3- & 7-cue tasks, college staff & students, 57:11965
presence of experienced deviate group member, social influence in perceptual judgments of ambiguous stimuli, female college students, 53:5211
prison sentence judgments, transfer of influence effects across judgments as measures of direct & indirect social influence, 3rd–4th graders, 57:9994
process descriptiveness of linear vs decision net models of human judgment, predictiveness in clinical judgment task & form of task information in multiple cue probability learning task, clinical trainees, 58:2660
process-trace & mathematical model approaches to human judgmental processes, cognitive process as multistage discrimination procedure model, 53:4395
psychometric criteria indicative of expert judgment with multidimensional information, 53:4410
psychophysical-experimental approach to spatial behavior, trout stream choice as function of number of trout & driving time to stream, fishermen, 55:8703
qualitatively ascending vs descending stimuli sequence & postseries stimuli, adaptation level & judgment, college students, 53:3041
quality of group judgment, discussion of judgment evaluation with 4 baseline models & statistical procedures for baseline model selection, 57:12744
rank ordering vs profile rating vs regression analysis, judgments of value levels, college students, 56:5207
rape cases varying victim provocativeness & resistance & pregnancy outcome, severity of penalties awarded to rapist by reader-judges, male vs female college students vs parents vs grandparents, 58:1183
relative & subjective & absolute judgments for natural world evaluations, 54:4396
representativeness & availability of instances & adjustment from an anchor as heuristics, bias in judgments & decisions, 53:6433
representativeness heuristic in human judgment, apparent violations of theory predictions & relationship to Piaget's concrete thinking, college students, 57:4935
response tendency to maximally differentiate among judged stimuli, contrast effects in impression formation at cognitive representation level, college students, 58:1189
role of person's investment in activity & outcome & assimilation & contrast processes, analysis of social comparisons within framework of social judgment & equity model theory, male college students, 58:5361
scaling interindividual differences in judgment, J. D. Carroll & J. J. Chang's INDSCAL model vs L. R. Tucker & S. Messick's "Points of view" analysis, 57:9402
similarity & preference judgments of Western paintings, Indian villagers vs college students vs Canadian college students, 58:7139
snap vs thoughtful judgments & valence of stimulus person, extremity of person impression ratings, college students, 55:7170
social influence effect on scale of judgments, subsequent influence on same & other task in different response modality, females, 53:5147
source credibility, information integration, college students, implications for understanding social judgment, 56:3372
SPAN III computer program, addition of confidence weighting to collecting participants' judgments & synthesizing group decisions, 57:4690
specific information effect, probability estimation, college students, 55:6108
S's consistency with judges' consensus, skillfulness in judging facial expressions in snapshots, college students, development & application of taxonomic model of emotions, 56:9875
stimuli multidimensional structure, uncertainty of comparative judgments in preferences for silhouette drawings of nude females, male college students, 54:8827
stimulus context, time required for choosing larger vs smaller of 2 digits, college students, discussion in terms of adaptation level theory, 54:285
stimulus dimensionality, comparative judgment performance utilizing identification vs discrimination vs match-to-sample paradigms, college students, implications for memorial demand rule, 58:10858
structure of conflict & sources of cognitive change & task characteristics, analysis of interpersonal conflicts caused by cognitive differences from social judgment theory basis, 58:1080
study-analysis of crucial issues in child development & education, dogmatism & expression of moral & ethical judgments, female college students, 57:13780
styles of decision making & probability judgment, obsessional vs phobic patients vs normals, 57:8433
subjective probability distribution, direct estimation of posterior probabilities vs likelihoods & subsequent aggregation, 58:304
subjective worth assessment methods, procedures & requirements & problems & checking accuracy & information sources, 53:10739
teacher skill, judgments of reading level, urban vs suburban elementary school teachers, 54:6190
temporal setting, likelihood judgments of past & future events, college students, 54:6718
temporal setting of event, judgments of likelihood, college students, implication for "sure past" hypothesis, 56:5251
temporal vs numerical judgment contexts laboratory vs field setting magnitude & proportionality of solutions to coordination problems, college students, 56:9872
tilted textured plane patterns of black dots & dot density, slant judgments & perceptual psychophysics, 58:8745
time of judgment & test anticipation, learner-generated mastery judgments, 55:5713
training using cognitive feedback & discussion & reflection training, sensitivity to relevance of information sources in judgments & subsequent judgmental tasks, female college students, implications for teacher decision making & training programs, 55:13044
trait adjective & adverb combinations, analysis of "favorability" judgments & comparison of models of psychological processing of evaluative meaning, college students, 58:7514
unanimous group error, individual judgment, female high school students, 53:7341
viewing taped segments of bad vs good behavior followed by bad vs good outcomes, judgments of moral behavior & actress's attractiveness & relationship between just world & immanent justice phenomena, 6 & 9 yr olds, 58:5087
viewing tapes in which target's affective response was congruent vs noncongruent with situational context, judgment of target's affective state & facial expression & degree of judgment certainty, 1st vs 3rd graders, 57:8025
visual stimuli in individual & group testing situation, judgment congruence & accuracy in estimations, acute schizophrenics & neurotics, 57:1334

Judgment Disturbances

affect & mood & judgment & hallucination disturbances, prediction of perceptual motor abnormalities using Bender Gestalt, 21–50 yr old newly hospitalized & acute paranoid schizophrenics, 57:1365
expansive vs restrictive errors in object sorting, drug free vs medicated schizophrenics vs nonpsychotics, 53:3281
validation of instruments for measurement of irrationality, implications for rational-emotive therapy research, 58:4646

Judo

hatha yoga & judo classes, personality & self concept profiles, college students, 55:8013
judo, movement therapy, educable mentally retarded, 53:10067

Jumping

alpha-naphthyloxyacetic acid, elicitation of repetitive jumping, mice, 55:475
amphetamine & subsequent neuroleptic drugs, levodopa-induced jumping, male mice, 57:9850
anesthetisation of sulcal prefrontal cortex, flinch & jump responses to aversive footshock, rats, 56:5644
attitudes toward & involvement in physical activity & running & jumping & throwing proficiency, 4th–6th graders, 58:5111
isokinetic training program speed, vertical jump performance, female intercollegiate volleyball players, 56:4801

Jung (Carl)

Adjective Check List, assessment of personality characteristics of S. Freud & C. Jung, psychology students, 54:3174
analogy to Jung's way of thinking, Henze opera "Il Re Cervo" of Heing von Cramer, 55:9349
analysis in terms of Jung's concept of "shadow," teachings of Jesus & apostle Paul, 54:7596
analytic exploration based on Jung's psychological types, teacher-student perception & cognition, college students & teachers, 55:8253
anti-Semitic statements & ethics & influences of C. G. Jung, 58:4538
basic theories & concepts in historical framework, C. G. Jung, 54:9
complementarity between S. Kierkegaard's theology & Jung's psychology of self, 54:7666
concepts of C. Jung vs transactional analysis, 54:12230
convergent patterns of concepts of W. B. Yeats & C. Jung, 54:757
counseling model based on analytical psychology of Jung, 55:12620
current trends in reevaluation of religion & preoccupation with events o inner life, views of Jung & D. T. Suzuki, 57:10077
development of artistic creativity during Jungian analysis, 54:8132
dialogue between J. Mousseau & R. Cahen concerning the work o Jung, 55:9836
drawings & paintings in Jungian psychotherapy & their qualification a works of art, 57:13179
dynamic interpretation emphasizing Jungian theory, neurosis & schizo phrenia, 57:1313
ego functioning, emotion, Jungian interpretation, 55:9821
extrapersonal factors, ontogeny of fetish for wetting women's canva shoes, 15 yr old male, 56:4246
Freud vs Jung's psychology of the unconscious, book, 53:9618
Freudian & Jungian & anthropological elements in act of dismember ment murder, 54:5531
Freudian & Jungian & existential psychotherapeutic perspectives daimonic hallucinations of Ivan Karamazov & Christoph Haitzmann 54:5292
Freudian & Jungian descriptive analysis, symbols & myths, 57:123
Freud's vs Jung's theories of dream interpretation, 58:2450
group composition based on Jungian personality typology, task performance, small groups of community college students, 58:949
historical reflections, Freud & Jung & Paracelsus, 54:10804
influence of C. Jung on works of C. Levi-Strauss, 54:2137

academic aptitude, logical reasoning with general vs singular propositions, 5th vs 7th vs 9th graders, 55:13291
accountability in responding to classroom questions, student achievement, 9th & 10th graders, 58:12614
accuracy in naive production of pathology from human figure drawings of emotionally maladjusted vs normal 7–9 yr olds, elementary school administrators & secretaries & teachers & 7th graders & trained personnel in interpretation, 56:6833
achievement motivation scale validity, junior & senior high school students, 55:62
achievement motivation training, academic achievement in language arts vs science vs mathematics vs social studies & need achievement & academic average, 9th graders, 53:12416
achievement motivation training, low-achieving 8th & 10th grade males, 56:2902
achievement responsibility & self concept of academic ability, male 7th grade achieving vs nonachieving readers with difficulty in comprehension vs word recognition, 58:8348
achievement vs approval needs, academic achievement, 6th vs 9th vs 12th grade boys vs girls, 55:10839
action-oriented urban environmental studies program, attitude change toward school, inner-city 7th & 8th graders, 55:8107
"Adictos de la lectura" program, language skills & attitude toward reading & reading vocabulary & comprehension, 7th graders who had participated in program for 3 yrs, Puerto Rico, 56:2901
adjunct questions inserted into prose passages & topic of passage & question placement & relevance, retention, 8th graders, 58:8323
admission status & type of educational intervention, reading achievement 3–5 yrs later, reading disabled 7–14 yr olds referred to medical clinic, 56:1473
advance organizers & reading ability, learning topically different prose passages, 8th graders, 58:12553
aerobics vs anaerobics conditioning exercises, personality characteristics, 7th–8th grade girls, 56:2879
affect toward & perceived future importance of task, actual task performance, high vs low test anxious junior high school students, 57:6874
affective assessment utilizing idiographic ratings of WISC subtest items as liked vs disliked, prorating of IQs on basis of liked vs disliked subscales & differential responding by race & social class, Black & White middle & lower class junior high school students, 58:10632
age & grade level & sex differences & geographic location, political knowledge & attitudes, 3rd–8th graders in Iowa vs New York, 55:13374
age & intelligence & socioeconomic status & scholastic characteristics, self concept & academic achievement, learning disabled 1st–9th graders in educationally handicapped program, 58:8389
age & sex & IQ, self esteem & reading achievement, 2nd–8th graders, 57:6823
age & sex & socioeconomic status, preferences for photographs & films & television programs & similarity to teacher preferences, secondary school students, implications for curriculum, 57:13575
age & sex differences, knowledge of & attitudes toward law, urban vs suburban vs rural 6th vs 9th vs 12th graders, 55:8236
age & sex differences, self-perception of scholastic ability, 4th & 8th & 12th graders & college students, 53:1936
age & sex, mathematics achievement, preschool age children & elementary through high school students, 56:4820
age & sex, personal value differences, 7th–9th graders in American-sponsored schools in Ghana & Saudi Arabia & Malaysia & Indonesia & Oregon, 58:12693
age of entrance into 1st grade, cognitive style of reflection-impulsivity, 2nd & 3rd vs 6th & 7th graders, 57:5850
altering schedules of reinforcement, attending & study behaviors during communicative skills period, 7–13 yr old males with behavior disorders, 57:11512
alternative schools, patterns of hierarchy & formality & press to achieve & students' assumptions about means & ends of education & behavior, junior high school students, 55:5522
amount of idioms used, reading comprehension, 8th graders, 54:5275
analysis of uses & results of standardized tests, 1st–8th grade students & teachers & administrators, 58:2243
anxiety & extraversion, academic achievement, 6th & 7th graders, longitudinal study, 53:8329
anxiety & problem areas of adjustment interrelationships, 4th–8th graders, 55:5637
anxiety & risk & socioeconomic class & relationship to occupational preference, junior high & high school students, 58:2310
art promotion programs, attitudes & behavioral intents toward art as elective course & art activity & high school art enrollment behavior, 8th graders, 56:10649
assessment of & attitudes toward career display boards & career guidance program, junior & senior high school students vs parents vs community representatives, 56:8797
attendance at Catholic vs public elementary school, descriptive-comparative study of values, 6th & 8th & 10th graders, 55:8279
attendance at summer community college mathematics courses, academic achievement & educational facilitation, mathematically gifted 8th graders, 58:2109
attitudes & demographic data, drug use, 7th–12th graders, 53:7197
attitudes toward & knowledge & use of drugs, 2nd–12th graders, implications for drug education programs, 55:7019
attitudes toward & physical discomfort experienced during school transportation over long distances, 9th graders, 54:12511
attitudes toward aging process & retirement years, creative use of aged in educational process, junior high school students, 55:13160
attitudes toward college education, low socioeconomic status Mexican American 9th & 11th graders & parents, 57:1976
attitudes toward counselors & discrepancy between cognitions of ideal vs real counselor, 9th graders & teaching faculty, 55:13587
attitudes toward discussing death in classroom, Black inner city vs White suburban 8–12 yr olds, implications for death education, 57:4378
attitudes toward labeling process & teacher's reactions to deviant acts, 9th graders, 53:6094
attitudes toward learning & age & sex & race & intelligence & perceptions of organizational climate, academic achievement, junior high school students, 53:4027
attitudes toward math & algebraic skills & critical thinking & translation & problem analysis, ability to solve algebraic word problems, 8th & 9th graders, 54:6320
attitudes toward physical education as school subject, 7th–9th graders, 55:5629
attitudes toward primary goals & role of school in drug education, school administrators vs teachers vs 9th & 11th graders, 58:4236
attitudes toward programed instruction as teaching method for geography, 8th graders, 55:5518
attitudes toward special placement & classes, junior high school mental retardates & nonretarded students, 53:6209
auditory instruction, 8th grade girls vs boys with good vs poor reading ability, 55:13142
behavior modification & social group work skills, behavior problems, junior high school students enrolled in Opportunity Hall, 55:8325
behavioral & biochemical correlates, performance on Illinois Test of Psycholinguistic Abilities, 7th & 8th grade Southwest Indian students, 57:13991
behavioral contracting vs behavior rehearsal & self evaluation training, classroom behavior, 7th & 8th graders with school & family or community adjustment problems, 58:10640
behavioral objectives in teaching poetry, cognitive & affective learning outcomes, 9th graders, 55:10815
behavioral rigidity measured by modified WISC-R & Coding B subtest & Raven Standard Progressive Matrices, normal vs learning disabled 6th & 8th graders, 57:6122
Bender Gestalt Test performance & word recognition skills, disadvantaged white 6–14 yr olds, 56:6754
bidirectionality of influence in teacher-student interaction, junior & senior high school students & teachers, 55:8212
biobehavioral correlates of WISC subtest performance, diagnosis & prescription in learning situation, disadvantaged southwest Indian junior high school students, 55:11002
birth order & sex of sibling, vocational choice, 8th graders, 58:10487
birth order, reading ability, Black vs White vs Puerto Rican 9th graders in urban junior high school, 57:13819
born to German vs American mothers, academic achievement, 7th graders at USDESEA, 56:4816
broad-scale school-based psychotherapeutic intervention, academic achievement & attendance & behavior, 7th graders with low academic motivation & family & discipline problems, 58:8405
broken home, academic achievement, junior high school students, 55:3124
California Personality Inventory performance & attitude toward physical education & school grades, athletic vs nonathletic junior high school boys, 56:10715
career attitudes & self esteem, male 6th vs 9th–10th graders with & without specific learning disabilities, significance for career education, 58:4364
Career Awareness & Decision-making & Self concept & Attitude program, self concept & career attitude maturity, 8th grade girls, 56:3092
career education program, career maturity, 6th & 8th graders, 55:11079
career orientation program, career interests & choices & self concept, disadvantaged 8th graders, 57:9045
chain-like schedule of reinforcement, academic achievement, 7th graders, 57:9071
change in classroom attendance policies & subsequent attendance responsibility, academic achievement, junior & senior high school students, 56:1422
Class Atmosphere Scale, assessment of classroom psychosocial environment, junior & senior high school students & teachers, 57:11582
class organization by ability grouping, teacher communication & end-of-year achievement test scores, French students in 2nd year of secondary school, 53:4018
classroom discussion & interaction activities, group development, junior high school students, 55:10949
classroom environment, self concept of academic ability, 9th grade mathematics students, 55:3159
classroom intervention training in assuming academic leadership roles, self concept of problem solving ability & classroom performance, 8th graders, 58:4257
classroom organization, quality of school life measured by satisfaction & general well-being & classwork commitment & reactions to teachers, elementary & middle & high school students, 58:8330
classroom structure & locus of control, satisfaction, 4th & 6th & 8th graders, 54:10473
classroom utilization of values-clarification strategies, self esteem & value priority changes, secondary school students, 58:6207
client orientation toward counseling, interview behavior & self exploration & self referrals, 7th graders, 56:3039
client-centered vs behavioral group counseling, classroom behavior & self concept, disruptive junior high school students, 58:4405
clique membership, academic achievement & self concept & school attitude & social acceptance of other students, 9th graders, 57:1977
cloze procedure deletion patterns, conveyance of information in narrative science material, 8th graders, 55:7986
cloze tests vs questions, comprehension of original reading passage & versions reduced by deletion of function words, 7th graders, 54:10672
cognitive behavior on selected mathematics tasks, 4th & 6th & 8th graders, 55:5556
cognitive level of test items, achievement in mathematics, 6th & 9th graders of varying ability levels, 58:10607
concentrated learning program, work-habit skills & work attitudes & psychomotor achievement, 8th graders, 55:13236
concept formation, arithmetic achievement, emotionally disturbed 7th–9th graders, 55:13462
conceptual complexity, teacher-student interaction, 7th graders in inner city vs suburban vs alternative classrooms, 56:3004
conceptual learning & development & concept & educational achievement & selected cognitive abilities, 4th vs 7th graders, 58:12622
conceptualizations of mathematical terms, 8th grade Navajos attending all-Indian vs mixed school vs Caucasians in Southwest US, 55:13293
conservation capability, academic achievement as measured by Iowa Tests of Basic Skills, 5th & 7th graders, 58:4312
considerateness & attractiveness & resourcefulness of classmates perceived by other classmates, 7th graders, 54:5255
construct validity, Coopersmith Self-Esteem Inventory, 4th–8th graders, 55:5932

construction & administration & validation of test measuring degree of minimum acquisition of mathematical competencies & skills as recommended by National Council of Teachers of Mathematics, 7th vs 8th vs 9th graders, 55:13592
construction of environmental attitudes instrument, relationship to residence & sex & scholastic ability & socioeconomic status, 7th graders, educational implications, 58:12739
contiguity, achievement of informational content & psychomotor task performance, 5th–7th graders, 55:1440
contingency contracting techniques, reading performance & vocabulary & mathematics & spelling & general information, junior high school students in educable mentally retarded classes, 58:6379
contingent reinforcement, attitudes & achievement, disadvantaged junior high school students using individualized learning packages, 55:8119
contract vs traditional grading method, changes in knowledge of venereal disease & attitudes toward classroom & learning, 9th grade health education students, 54:10558
contract vs traditional grading method, venereal disease knowledge acquisition & attitudes toward classroom & learning activities, health class 9th graders, 55:5740
controlled reading program & basal reading program, reading achievement, 5th–8th graders, 55:8099
conventional & experimental measures, prediction of achievement in unified modern mathematics program, 7th graders, 57:11563
convergent divergent thinking interrelationship in science, 6th & 7th graders, 54:8396
cooperative social structure in classroom, class participation & activity level & academic self concept & achievement & consensus of academic "goodness," 8th graders with poor achievement records, 55:1373
correlations between measures of academic risk taking & reading achievement & attitudes toward school & risk, male vs female 8th graders, 56:4948
correlations between self esteem & general & test anxiety measures, 4th–8th graders, implications for anxiety reduction, 55:13584
counseling intervention, self concept & achievement in reading & mathematics, junior high school low achievers, 55:1418
counseling interviews in educational orientation procedure, perception of self & studies & future career plans, 9th graders, 53:4104
counseling program, decision making skills for life planning, inner city junior high school students, 58:2023
counselor as collaborative consultant, school counseling program, black inner-city 9th graders, 54:1986
counselor level of facilitative functioning, sociometric status & attitudes toward school & school adjustment, 4th–8th grade students in parochial school, 55:11043
counselor reputation & previous performance, interaction & attitude concerning group counseling experience, counselors & junior high school student counselees, 55:1572
counselor self disclosure during counseling services orientation, services usage & diagnosis, 9th graders, 55:8399
counselor-student relationship level, achievement & IQ test performance, underachieving elementary & junior & senior high school students, 57:4482
creation of small school focusing on holistic development, 9–13 yr old students, 58:12511
creative activities in social studies classroom, development of creative potential, low achieving 9th graders, 56:1381
creative thinking stimulation, junior high school science teaching, Iraq, 55:2997
creativity & intelligence, achievement motivation, 9th graders, 58:2140
criterion-related & construct validity, Competence Test of Career Maturity Inventory, 9th graders, 58:192
critical thinking level & prior ecological knowledge & advance organizer vs historical passage, biology unit achievement, 9th graders, 58:8288
curricula in industrial arts classes, attitudes toward work, 6th vs 7th vs 8th graders in public vs parochial schools, 57:13750
curriculum & applications & evaluation & role of adults as supervisor trainers, peer counseling program, junior high & high school students, 54:4275
curriculum evaluation using models of individual trajectories, prediction of student progress in computer assisted instruction, deaf 1st–7th graders, 56:3035
curriculum for alternative education, student motivation without extrinsic rewards & punishment, 10–15 yr olds, 54:10555
daily interaction & intelligence & grade & sex & parental education attainment, attitudes toward educable mentally retarded peers, nonretarded 5th–8th graders, 55:3214
death education unit, reduction of fear of death, lower class Mexican American 8th graders, 57:11374
decision making curriculum, application of skills to personal & educational & vocational choices, 7th & 8th & 10th graders, 55:8074
definition of listening comprehension levels based on reading comprehension levels, male vs female 5th vs 6th vs 7th vs 8th graders, 57:13974
degree of selectivity vs ability to resist distraction vs capacity for voluntary shifting as aspects of paying attention, academic aptitude & achievement, 8th grade upper middle class public school students, 55:5580
degree of visual impairment & school setting, involvement in career planning & exploratory occupational experiences & career maturity & locus of control, male vs female 8th–12th graders, 58:8410
deletion level of telegraphic prose, reading rate & comprehension, blind braille-reading vs sighted 7th–12th graders, 56:10901
demonstrated interest of parent & teacher in child's achievement, algebra achievement, 9th graders, 58:6270
description of innovative educational program, disruptive junior high school students, 58:10325
development & computer implementation & evaluation, algorithmic approach for identifying instructional content sequences in curriculum construction, 7th graders, 57:9058
development & validation & standardization, Student Behavior Inventory for identification & categorization of academic underachievement by observation, 4th–8th graders, 58:135
development & validation, observational measure of teacher-student attempts to influence each other & responses, junior high school teachers & students, 56:3084
development & validation of game based on historical data & model for historical simulation, 12–17 yr old students, 57:11330
development & validation, 3 forms of Dimensions of Self-Concept emphasizing school related activities, elementary & junior high school students, 57:7224
development of instructional package for teaching negative base numeration systems, attitude & transfer, junior & senior high school students, 55:13191
development of instrument for assessment of sense of career future & program for generating career future sense, 9th graders, 55:13590
development of norms & sex & grade level differences in scores, Coopersmith Self Esteem Inventory, 4th–8th graders, 55:3264
development of peer counseling prototype for career advising, urban junior & senior high school students, 58:12773
development of Wickless Test of Spatial Perception for measurement of spatial perception ability, 8th–10th graders, 55:13625
developmental & sex differences, school anxiety & worry-emotionality relationships, 3rd–8th graders, 56:2992
developmental analysis, nature of linguistic knowledge revealed in spelling during yrs of formal schooling, 2nd & 4th & 6th & 9th & 12th graders, 55:1433
developmental changes in objects & modes of dependent behavior, female junior high & high school & college students, 55:819
Differential Aptitude Test scores & vocational training program choice, male vs female 8th–10th graders, 57:14012
differential gains in reading & language & arithmetic achievement, interschool comparisons of 4th & 6th & 7th & 10th grades, 53:8330
differential reading performance on Comprehensive Tests of Basic Skills, analysis of interaction of reading skills subtest content areas & prediction of reading comprehension success, 8th graders, 57:13982
discovery teaching climate, self actualization & science achievement, 14–20 yr old secondary science students in residential schools for deaf, 58:10555
discovery vs reception teaching method & operational learning stage, achievement & retention of social studies material, 4th vs 8th graders, 58:8251
discrimination between appropriate & inappropriate classroom behavior, well vs poorly behaved male 5th–7th graders, 53:12363
distributed practice & daily testing, weekly spelling tests, 4th & 5th & 7th graders, 53:10460
distributed vs mass practice, learning & retention of introductory algebra topics, 9th graders, 55:3010
dogmatism of students & teachers, perception of teacher effectiveness & achievement gains, 7th–9th graders, 55:8195
double session scheduling, student & parental attitudes toward school & student use of nonschool time, 8th graders, 58:12401
drug abuse education, attitudes toward glue & marihuana & barbiturates & heroin & LSD & amphetamines, 7th graders, 55:1364
drug education program emphasizing affective approaches, attitudes, junior high school students & teachers, 55:3034
drug usage & life purpose interrelationship, junior & senior high school students, 55:2302
drug use, attitudes toward marihuana use & marihuana laws, secondary school students, Texas, 54:7386
early admission to 1st grade, academic achievement & affective development & physical characteristics & attitudinal & social aspects, mentally advanced 2nd–9th graders vs regularly admitted peers, 55:13394
early vs later remedial education placement vs regular class placement, academic aptitude & achievement & marks & attendance & behavior, urban Black junior high school educable retarded males, 58:10522
Earthquake Displacement Program, school grades & attendance & suspension, minority inner city junior high school students bussed to middle class suburban schools, 58:4289
educational & behavioral & psychological characteristics of teachers, relationship to motivation for creativity in 4th–7th graders, 55:2944
educational environment of home, achievement, 5th vs 7th graders, 55:1448
educational experiences, adjustment to school environment, elementary & junior high & high school foster children, 54:6301
educational integration, attitudes toward handicapped peers, nonhandicapped 5th & 9th graders, 55:3211
educational program based on rational emotive therapy, content acquisition & neuroticism & trait anxiety & teacher ratings of classroom behavior, 4th vs 8th graders, 58:10305
educational ritual & balance, corporal punishment, school masters & 13–17 yr old male students, New Zealand, 53:6160
effectiveness of dimensions of therapeutic response, Rogerian therapists & counselors of junior high school students, 53:4122
elementary school group co-counseling by disenchanted junior high school students, self concept & interpersonal relationships & attitude toward school & school performance, 8th & 9th graders, 55:13602
environmental education program, environmental attitudes & knowledge, 4th–6th & 8th grade teachers & students, 58:10388
ethnic background & moral beliefs, academic achievement & school attendance, black & white & Spanish American lower class 8th graders from Catholic elementary school, 55:8187
ethnic membership & D-48 Test vs Cultural Fair Intelligence Test, prediction of Science Research Associates Achievement Test scores, 8th & 9th graders, 57:9161
evaluation of moral profile & relationship to personality development in pedagogical process, 8th–10th graders, 56:4695
evaluation of self esteem as 2-dimensional construct in open vs traditional classroom schools, 7th & 8th graders, 57:5909
evaluative thinking game, classroom interaction, gifted junior high school students, 56:3008
expectation training vs learning center treatments & classroom experience with cooperative curriculum, equal-status behavior, black vs white junior high school students in summer school program, 56:4751
experiences in & knowledge of career planning & occupational activities, career guidance status, 8th–11th graders, 54:4262
experimental curriculum, reading & arithmetic achievement & school dropout characteristics & occupational interests, rural educable mentally retarded junior high school students, 12-mo followup, 56:3028
experimental validation, reading ability on graded word list, educable mentally retarded intermediate & junior & senior high school students, 54:6344
exposure to stimuli portraying counseling interviews with counselor-client racial similarity & disparity, degree of ability-to-relate, black & white junior high school students, 55:5688
extrinsic incentives, academic achievement, disadvantaged 6th–8th graders, 55:10881
factor analysis & construct validity, Ohio Work Values Inventory, 5th–8th graders, 54:4241
family background & childrearing practices, sex differences in mathematical & scientific precocity, 7th & 8th graders, analysis of D. P. Keating's study, 56:4812
family social class, effects of open schools on achievement, elementary & middle & high school students, 54:8414
favorableness of teaching situation, ratings of person- vs task-oriented teachers in terms of effectiveness & encouragement & interest & amount learned & actual achievement, 8th grade males, test of F. Fiedler's contingency model of leadership, 56:2999
fear of academic success, male vs female 8th–12th graders, 55:10844
FII & FIII silent reading tests performance, 3rd–7th graders, comparison with 1962 norms, 55:3519
flexible vs traditional school programs, achievement & attitudes, 8th graders, 55:13138
foreign language instruction in elementary school, foreign language proficiency, Japanese 7th & 9th & 11th graders, 53:3999
formal techniques of equation solving, intuitive equation solving skills, 7th graders, 58:10386
formative evaluation & remediation, mastery of intellectual skills, 8th graders, 54:4078
free association anxiety & hostility, junior high school students referred vs not referred by school guidance personnel for counseling, 55:4325
frequency of group counseling, self esteem & classroom behavior, male 7th graders, 58:8444
geometry used as aid in teaching factoring of 2nd-degree polynomials, retention & problem solving ability, 8th graders, 55:3007
goal setting instructions as compensation for fear of success, academic achievement, junior high school females, 55:1488
GPA & IQ & attendance & self concept of academic ability & sex & race & age & classroom racial composition, interracial peer acceptance, black & white junior high school students, 54:10569
grade & sex & socioeconomic status & scholastic aptitude & schoo achievement, formal operations attainment, 7th–9th graders, 55:219
grade contract vs traditional grading method, retention of knowledge i venereal disease unit, junior high school health class student 53:6267
grade level & age & sex & area of residence, attitudes towar environment & pollution as measured by modified semantic differer tial instrument, 4th & 6th & 8th & 10th & 12th graders, 57:1388
grade level & material difficulty, relation between channel of commun cation & verbal learning, 2nd & 4th & 6th & 8th graders, 57:906
grade level & sex & self concept, self assessment of language ability, 7t vs 10th graders, 56:2988
grade level & sex & socioeconomic status, reading interests, Black v White 4th–8th graders, 58:12644
grade level & socioeconomic status & race, interracial attitudes towar other races & school integration, black vs white junior high schoo students in newly desegregated school, 55:5622
grade level & years enrolled in consumer/homemaking program attitudes toward home economics curriculum concepts, 8th vs 11t grade boys vs girls, 56:10704
grade level, cross sectional similarity of factor structure of affective cognitive classroom environment variables, 8th & 11th graden 56:10720
grade level, perceptions of priority guidance & counseling needs, 8th v 10th vs 12th graders, 57:13980
group approach to teaching social education dealing with drug abuse sex & racial prejudice, 7th–11th graders, book, 56:4809
group counseling methods, black junior high school students, 55:325
group counseling program & counselor dogmatism, anxiety & attitude toward others & academic achievement & attendance & citizenship secondary school students, 58:8415
group counseling varying size of group, academic achievement attendance & study habits & attitudes & conduct, junior high schoo students in academic difficulty, 58:10588
group counseling vs videotape feedback vs interrogation, self concept 9th graders with high vs medium vs low self concept, 58:12752
group counseling with models vs relationship counseling vs simulatio in game playing, development of vocational attitude maturity decision making skills, 9th graders, 57:11587
group discussion, moral judgment statements, junior high schoo students, 55:1592
group systematic desensitization with therapeutic homework assign ments, test anxiety, junior high school students, 57:11562
group therapy during school hours, school adaptability, 7th graders wit behavior problems, 53:10564
group therapy program, elementary & junior high school students wit school adjustment difficulties, 55:1563
group therapy, rural junior high school behavior problem children 54:10252
guided listening, music enjoyment, 7th graders, 53:6166
health education program, knowledge & attitudes & behavior abou tobacco use, 7th–9th graders, 53:12459
height, teacher & peer & self perceptions of academic & socia performance, 7th & 8th & 9th grade males, 58:2156
helping process discrimination level of teacher, perceptions of teache student interaction quality, 7th–9th graders, 55:13414
Hensen-Moore Test of Visual Processing Skills, effectiveness fo classroom group screening, 1st–9th graders, 55:1589
home relationships & peer affinities & achievement & behavior proble duration & vocational education enrollment & drug usage discipline measures & behavior types, success vs failure of behavio modification, deviant secondary school students, 56:10625
hope of success vs fear of failure & positive vs negative arousal positive vs negative feedback, paired associate learning, 6th & 7t graders, implications for academic achievement, 55:13320
humanistic approach to inservice teacher training & curriculu development, drug abuse education & prevention, elementary junior high school teachers, 58:4149
ideational & formal & actual motivation levels, academic achievemen & ability, Slovenian 7th graders, 53:12501
identification & arrangement of predictors of self concept, 9th grade 55:8364
ignoring whispering of designated S vs whispering by all class member disruptive whispering, 6th–8th graders, 55:10945
immediate knowledge of results & goal setting instructions, performan on multiple choice test, 7th graders, 55:3294
immediate knowledge of results provided by electric response bo system, training for tracking musical form, musically unsophisticate grade 7 children, 54:4129
improved textbooks, comprehension & retention, 7th & 8th grade 55:10807
incentive motivation & social class, problem solving, 8th grade implications for educational incentives, 55:8045
Indian culture program, self-esteem & self-concept & ethnic identity, 14 yr old Miccosukees, 53:3992
individual interview vs group-administered written questionnair preparation for group counseling, 9th–12th graders, 57:4473
individual vs group token reinforcement contingencies, control classroom behavior & motivation to complete assignments & amou of token & social reinforcement received, 4th–10th graders, 55:108
individualized self-paced audio-tutorial vs group music education & u of popular music, ability to aurally perceive & identify music concepts, 7th graders, 58:8287
individualized vs traditional methods of instruction & sex & readi ability, mathematics achievement & attitudes, 7th & 8th grade 55:13125
Individually Guided Education, self esteem, male vs female midd school students, 57:9035
initial standards, residential secondary schools for emotionally di turbed students, 55:3202
instructed test practice & academic standing, performance improveme on Draw-A-Man test, 2nd–7th graders, Uganda, 56:8791
instruction in sentential logic, growth of logical thinking abilities, juni high school students, 55:1335
instruction in tactual-visual perception, visual imagery & mechanic reasoning & spatial relations abilities, male vs female 9th grade 55:13193
instruction with vs without computer-managed instruction & sex grade & ethnic origin, anxiety & self esteem, 4th–8th graders, 57:68
instructional procedure based on flow chart strategy model for teachi detection of interactive patterns in data, acquisition of scientif reasoning skill, 10 & 13 yr olds, 56:8699
instructional strategy of structured overviews & leveled reading guid & vocabulary exercises, attitudes toward & achievement in soci studies & reading comprehension & critical thinking skills, 7th–9 graders, 56:6720
instructional technique clusters of prescription & diagnosis & remedi tion & individualization & grouping & oral competency & vocabula & cognitive skill acquisition & reinforcement, achievement predicted reading expectancy, disadvantaged 8th graders, 58:4280
instructional technique involving student team approach & learni games vs individualized instruction, interpersonal attraction & pe tutoring & time on task, 7th & 8th & 9th graders experienci problems with interpersonal relationships & academic tasks, 58:62
instructional TV, school learning, 7th–9th graders in El Salvad 55:1361
integration into core curriculum program, learning disabled junior hi school students, 58:6387

integration of vocational development materials into existing curricula by regular teachers of required subjects in lieu of special courses & personnel, facilitation of vocational maturity, 7th graders, 57:11334
intelligence & ability & curriculum choice & anticipatory goal deflection & stability of choice, idealist vs realistic levels of occupational aspiration, black 7th graders, 55:8434
intelligence & achievement factors, academic achievement grades, developmentally & functionally retarded low income black 7th graders, 55:4864
intelligence & personality measurement, prediction of school achievement, 9th graders, 58:4460
interaction distances & counselor ethnicity, preferences in dyadic counseling interaction, male Anglo & Puerto Rican 5th–8th graders, 58:12753
interaction exercises, classroom discussion quality, junior high school students, 55:8271
interest patterns, 7th graders & their parents, 57:4387
intergroup relations curriculum, favorability & prejudice scores toward Latins & Jews & Orientals & Blacks, junior high school students attending nearly all-White suburban school, 57:6766
Intermediate Science Curriculum Study materials, inquiry behavior, 7th–9th graders, 55:1402
interpersonal coping courses, higher self esteem & increased ability to perceive & interpret & express nonverbal communication & feeling, junior high school students, 58:4271
interpersonal influences & academic performance & mental ability & socioeconomic status, educational aspirations, 7th grade Bolivian males, comparison with model of US educational aspirations, 56:4880
interracial simulation game, attitudes toward Blacks & self perceived social relations of Whites & Blacks within classroom, White 9th graders in desegregated junior high school, 58:12529
interscholastic athletic participation, academic achievement & absenteeism & antisocial behavior, 8th grade athletes vs nonathletes, 57:13699
intervening conditions, psychomotor performance after experiencing initial failure, 7th & 8th grade industrial arts students with varying intelligence levels, 58:4301
intervention program using tutorial reading program with tokens & group counseling with cash reinforcement for attendance & cultural enrichment, reading achievement & social behavior, delinquent & predelinquent adolescent black 7th & 8th graders, 55:1334
item factor analysis, STS Junior Inventory Form G, 4th–8th graders, 55:8424
Junior Index of Motivation Scale, prediction of future college attendance, 7th graders, 55:5686
knowledge of value clarification, reading comprehension, 8th graders, 56:2952
labeling of retarded education students, perceptions of contact vs noncontact peers, 7th & 8th graders, 56:6778
laboratory instruction, mathematics achievement & attitudes, middle school students, 55:8104
large vs small group administration, scores on self concept & attitude & locus of control scales, 7th vs 9th graders, 56:4967
learning environment & academic self concept, prediction of mathematics achievement, 9th graders, 58:10423
left vs right hand, tactile–verbal braille paired-associate learning, male vs female right-handed 2nd & 4th & 6th & 8th graders, 53:4063
left–right vs right–left reading–writing habits, directionality in drawing Bender-Gestalt figures, Austrian vs Israeli right-handed 1st–9th graders, 54:9324
letter grades vs evaluative comments vs combination of both, academic performance, 5th & 7th graders in spelling & mathematics classes, replication of E. B. Page's study, 56:8730
letter grades vs written teacher's comments, objective test performance, 5th vs 7th graders with varying previous academic achievement, 57:13767
level of acceptance of sex role stereotyping & attitudes toward mathematics, mathematics achievement, male vs female 7th & 11th graders, 55:13306
limited racial/socioeconomic desegregation & age & sex, racial attitudes & perception of school environment & achievement, White suburban 3rd–8th graders, 58:8333
linguistic feature analysis of verbal protocols associated with responses to standardized measures of reading comprehension, 7th graders, 55:8384
locus of control & expository vs discovery teaching method, retention & transfer of science principles, 9th graders, 55:13129
locus of control & impulsivity-reflectivity & questions interspersed before vs after each paragraph, learning from text, elementary & junior high school students, 57:11428
locus of control, delinquent & predelinquent 8th graders, 55:8245
locus of control, effect of achievement motivation preference for & performance on achievement tasks, male 9th graders, 57:1969
Machiavellianism, vocational attitudes, 3rd–12th graders, implications for career education & guidance, 56:3103
magnitude & stability of individual differences, amount of time required to achieve criterion level of performance, 8th graders, 56:8710
manipulative teaching methods, arithmetic achievement & retention, 7th graders, 56:8650
matching mode of content presentation to figural vs symbolic vs semantic aptitudes, lesson performance, 8th graders, 55:13260
math ability & modern vs traditional teaching methods, abstract reasoning problem solving, 7th graders, 54:12578
mathematics & science precocity, 7th & 8th graders, evaluation of papers by D. P. Keating & L. H. Fox & J. C. Stanley & H. S. Astin, 56:4811
mathematics achievement, assessment of disjunctive syllogisms with positively vs negatively worded premise statements, 8th & 9th graders, 54:4151
mathematics laboratory program, spoken & unspoken pupil-teacher behaviors, inner city underachieving junior high students, 56:10624
mathematics teachers' use of conditional logic language, conditional reasoning ability, 7th graders, 56:2939
mayoral election simulation game, political efficacy of junior high school students, 54:7282
media presentation mode & learner personality, performance of factual learning task, 8th graders, 58:10280
mental health, junior high vs high school vs college students, Taiwan, 58:11777
mental practice vs conventional vs videotape vs conventional/videotape feedback, perception & performance during early learning of gross motor skill, 7th graders, 55:8122
middle school vs conventional instruction, academic achievement & self concept, 7th graders, 58:6251
model school experimental program vs traditional junior high schools, inducement of failure-threatened & success-oriented achievement motivation, junior high students, 55:8054
modeling procedures & vicarious reinforcement, self referrals to counseling department, junior high school students, 56:3071
motive-to-succeed vs motive-to-avoid-failure preference, probability of success on academic tasks, male 9th graders, 53:1955
multisensory active learning games technique, reading skills, 6–14 yr old slow readers, 55:8333
multivariate study of 3 computerized adaptive testing models, measurement of attitude toward teaching effectiveness, 9th & 10th graders, 55:8427
neuropsychological techniques, use of left hemisphere in learning to read, learning disabled adolescents, 58:4396
non-native speech & intelligence level, reading achievement & ability to use syntactic clues to meaning in reading English, Spanish-speaking 8th graders, 55:8137
nonverbal ability tests, prediction of future achievement, 5th & 7th grade low achievers, 54:1912
occupational & educational aspirations & expectations, preschoolers to 12th graders, empirical literature review, 56:3133
occupational goals & aspiration levels & career maturity, gifted 8th grade boys, implications for development of career awareness curriculum, 58:4449
Ohlsen model of group counseling, school behaviors & self concept & idiosyncratic goal & academic achievement, disruptive 7th–10th graders, 58:10586
open vs closed classroom & teachers' anxiety level, test anxiety level of student, 6th & 7th grade teachers & students, 53:10463
open vs closed organizational climate, self concept & attitude toward school, male vs female junior high school students, 57:11499
open vs closed space school design, proximal & cooperative responses & locus of control, 8th graders, 57:6866
open vs traditional education, intrinsic motivation model for identification of behavioral indicators & feelings of competency, 7th & 8th graders, 54:1862
open vs traditional school, self identification, American Indian 7th & 8th graders, 56:1363
open-concept vs self-contained elementary school attendance, achievement & attitudes, junior high school students, 55:8251
openness of school environment, creativity, 6th–8th graders, 54:1863
openness of school program, achievement & self-reliance & reactions to school & college aspirations, 5th–7th & 9th & 12th graders, 54:8335
option, positive & negative effects on academic performance & attitudes, 5th & 6th graders, 54:12572
order of comprehension & rote methods of mathematical instruction & mathematics related abilities, mathematic concept acquisition & transfer, learning disabled 7th & 8th graders, 57:13921
origins & trends & problems, adolescent education in residential settings, Israel, 57:4330
paraprofessional & indigenous high school student administering social reinforcement procedures, improvement of school attendance, truant disadvantaged Chicano junior high school students, 55:13552
parent & child mathematics expectations, mathematical aptitude & achievement, 8th & 9th grade mathematics students & their parents, 58:10431
parent group education program in behavior management & communication skills, academic achievement & personal & social adjustment & school absenteeism of children, parents of 7th & 8th grade underachieving & socially maladjusted students, 58:10329
parent involvement in counseling vs peer group counseling, adjustment, 7th & 8th graders, 55:1574
parent involvement in school, achievement & locus of control & perception of parental influence, 5th–8th graders in school involved in community control, 57:9086
parent oriented community education mathematics workshop, mathematics achievement & attitudes, junior high & high school students, 56:1391
parental affection & control, academic achievement, 7th grade boys vs girls, 56:10672
parental attitudes towards their children & parents' socioeconomic status & degree of deafness & age of onset, reading & mathematics & spelling achievement, acoustically handicapped 6–13 yr olds in special vs regular schools, 55:8319
parental guidelines & activities for use of household literature in reinforcing secondary school reading instruction, vocabulary & word recognition & reading rate & comprehension, secondary school students 1 to 3 grades behind in reading, 57:13702
parental involvement, academic achievement, 4th & 8th graders, 55:5583
parental involvement in school activities, school failure, ethnically mixed lower middle-class urban junior high school students, 53:1935
partial reinforcement & attribution retraining, reading persistence, 5th–7th graders with reading difficulties, 57:4424
participation in accelerated algebra program, investigative career interests & career aspirations & expressed liking for mathematics & self perception in class, 7th grade females, followup in 8th grade, 57:1926
participation in commercial mathematics & strategy games, cognitive abilities & attitudes toward mathematics, 7th graders, 55:8039
participation in Intermediate Science Curriculum Study vs nonindividualized class, attitudes toward science & achievement & self concept, 7th graders, 55:8068
participation in unstructured mathematics option program, attitudes & mathematics achievement, regular program junior high school students, 55:10767
passages of contemporary fiction focusing on violent incidents, attitudes toward reading of fiction & violence measured by semantic differentials & interview responses, junior high & high school students, 57:865
peer relations & self perception of ability & academic achievement & aspiration & other school related variables, self esteem, black vs white vs Spanish background junior high school students, 55:13385
peer tutoring & individualized skill kits & achievement level, arithmetic achievement & attitudes, 7th graders, 56:2850
peer vs parental vs importance of school fear of failure pressure, academic achievement, 6th–9th grade females, 55:13355
perceived classroom environment, critical thinking ability & attitudes toward education & higher thought process emphasis, 7th & 8th graders, 57:11467
perceived problems, junior & senior high school students & parents, implications for helping marginal children using teacher-counselor program, 55:8405
perception of adolescent school behavior patterns, teachers & school personnel, 53:6122
perception of causes of disruptive behavior & conception of appropriate intervention strategies, junior high school students vs teachers, 58:1629
perception of school counseling services, junior high school students, 58:4412
perceptions of custodial teacher pupil control behavior, attitudes toward school, junior and senior high school students, 55:1501
perceptions of family & peers & future self & work & school experience & school & town data, selection process & evaluation of vocational choice, suburban working class 9th & 12th graders, 57:7019
perceptions of friendly relations with classmates & teachers, aggressive modeling, male 8th graders & teachers, 54:5236
perceptions of high school governance, practice of civic education, junior & senior high school students, 55:8256
perceptions of pupils based on behavioral rating scales & personality traits, junior high school teachers, 58:6168
perceptions of self & parental behavior, teacher-rated aggressive & passive & withdrawn & prosocial behaviors, educable mentally retarded 12–29 yr olds in special classes, 58:8369
perceptions of social role of video taped speaker & personal experience with drugs, recall of presented drug information & opinions & attitudes about drugs, 8th graders, 56:625
perceptions of students' problems in living, 8th grade disadvantaged males vs school counselors vs principals, 55:13402
perceptions of teacher pupil control behavior & attitudes toward teachers, attitudes toward school, senior vs junior high school students, 56:1460
perceptions of use of drugs, junior high vs high school students vs teachers vs parents vs college students vs faculty, 58:11620
perceptual functioning, severity of reading & adjustment problems, 7th graders, 54:1929
performance contracting program, reading & mathematics achievement, educationally deprived 7th–12 graders, 55:8056
performance objectives & dependency & intelligence & sex, social science achievement, 8th graders, 55:5564
personal & environmental factors, career exploration course choices, 7th graders, 58:6423
personal & environmental variables, happiness in school, 5th & 8th & 11th graders, Japan, 56:4863
personality & work motivation profiles, 7th–11th grade potential vs actual high school dropouts vs nondropouts vs graduates, 55:3185
personality orientations, stated occupational choice & vocational maturity & self concept, junior high & high school students, 55:5701
personal-social counseling intervention & school counselor race & sex, problem behaviors, Black 8th & 9th graders, 57:11573
phrase-marked & nonphrase-marked cloze scores, Detroit Tests of Learning Aptitude performance, 2nd–4th vs 5th–6th vs 7th–8th graders, 58:6392
physical nonverbal components of interaction, social-emotional classroom climate, self directed learning, home economics teachers & junior high school students, 55:8242
placement in special classes, teacher ratings of behavior on behavior problem checklist & frequency counts of deviant behaviors, emotionally disturbed 6–14 yr olds, 58:2167
positive & negative student teacher experiences, female student teacher of 8th grade class, 54:8278
positive vs fearful persuasive communication & feedback from behavioral measures, dental hygiene behavior change, junior high school students, 55:1353
positive vs negative feedback to parents, absenteeism, 8th graders, 58:12655
praise & reasons & reproofs, effects & generalized effects on academic behavior, 8th graders with learning problems, 58:10529
preferences for content of printed material & study method, comprehension, 8th–10th graders, 54:10572
preschool education, achievement in regular public school classes, 6–16 yr old hearing impaired children, 54:6345
presence of white vs Negro counselors & task complexity & labeling, performance on digit symbol task & incentive & expectancy & defensiveness & hostility & anxiety & task satisfaction, black 7th & 8th grade males, 53:12504
presentation form vs presentation grouping, acquisition & retention & transfer in mathematical rule learning, 8th graders, 57:6765
prevalence & factor structure of behavior symptoms, 1st–7th graders in regular vs special education classes for emotionally & learning disabled, 56:6818
primary education in Spanish vs English language, academic achievement, Spanish speaking junior high school students, 57:13822
principal's attempt to understand & help behaviorally maladjusted 9th grade male, 58:12761
profile types from analysis of cognitive abilities & vocational preference & interests & education attitudes & achievement & aspirations, guidance tool for educational decision making, 8th graders, 58:2236
programed text vs traditional teaching methods, acquisition of concepts relevant to map representation, 7th graders, 54:12520
programed vs conventional instruction, attitudes toward programed instruction & achievement in geography, 14 yr old students, Nigeria, 56:8692
psycholinguistic analysis, oral reading, 7th graders at different reading levels, 55:13301
psychological knowledge, 9th graders, Latvia, implications for vocational guidance, 54:12651
psychosocial dimensions of sex differences, school achievement, 7th–12th graders, 58:12574
pupil ability & self image & level of questioning, teacher-student verbal interaction, 7th graders, 55:13420
questioning in science & questioning skill & related abilities, 7th & 9th graders, 55:2998
questionnaire development, measurement of perceptions of student teacher's competence, junior & senior high school students, 58:10821
race & sex & bias recognition program, ethnocentric & religious & political & sexist & racial bias perception levels, 8th grade social studies students, 58:10296
race & sex & grade level, expressed vs inventoried vocational interests, Black vs White 8th vs 9th graders in Title I inner city junior high school, 57:13973
race & sex & school classification, perceptions of change due to desegregation, junior high school students & teachers, 57:11206
race & sex, consistency between occupational & educational aspirations, Black vs White 8th graders, 57:13903
race & social class & dialectical differences, judgments of academic ability & school behavior, black vs white junior high school teachers, 56:2829
race of E, WISC scores, black vs white 2nd & 3rd & 7th & 8th graders, 55:1606
rapid reading series for CBS-TV, teaching to read & skim nonfiction material, 5th–9th graders, 54:10541
Rasch item analysis model, arithmetic computation subtest of Comprehension Tests of Basic Skills & word knowledge subtest in Metropolitan Achievement Tests, black & white 8th graders, 55:8654
ratings on checklist of desirable characteristics & relationship to characteristic behaviors of creative individuals, teachers & parents of gifted children & elementary & junior high students in classes for gifted, 57:11460
Raven Standard Progressive Matrices & California Tests of Mental Maturity & California Achievement Tests & teacher nominations & WISC & Advanced Progressive Matrices, identification of gifted disadvantaged, 8th grade students, 54:4235
reading & reading-listening & listening, eye movements & comprehension, 7th grade remedial readers, 55:3204
reading achievement level & classroom discussion vs tutorial approach to literature, ego identity development, 9th & 10th graders, 58:10360
reading comprehension & science achievement measured by 1968–69 Intermediate Science Curriculum Study test & revised version, handicapped readers vs nonhandicapped 7th graders, 57:11543
reading comprehension skills & aspects of Rorschach Inkblot Test & vocabulary development, 5th & 7th graders, usefulness for remedial reading, 55:13479
reading expectancy formulas' effectiveness, identification of underachievers in reading, 1st & 3rd & 5th & 7th graders, 55:3256
reality therapy oriented group counseling, delinquent behavior disordered male 8th graders, 55:11048
recent school desegregation, attitudes toward desegregation, 6th & 7th graders, 58:2161
reduction in minimum legal drinking age, monthly shipments of alcoholic beverages to stores & junior & senior high school vice principals' observations & alcohol usage among high school & college students & attitudes toward law, junior & senior high school students & college students & vice principals, Canada, 57:3157
regional mathematics & science competition employing aptitude measures, identification of precocious talent, 7th & 8th graders, 56:4969
reinforcement for appropriate classroom behavior only vs academic performance only, changes in behavior & arithmetic performance, disruptive male 9–12 yr olds in psychiatric hospital school, 57:2007

relation between subtests & measures of special aptitudes & temperament traits, Stanford Achievement Test, 8th graders, 58:163
relationship among measures of cognitive development & learning proficiency & reading & mathematics & spelling achievement & IQ, low socioeconomic status Black male 7th graders, 58:4456
relationship between teacher's ability to identify pupil problems & students' perceptions of teacher's counseling acceptability, 7th & 8th grade teachers & students, 58:2276
relationship counseling & systematic desensitization, test anxiety, 5th–8th graders, 55:3269
relationship counseling vs modeling vs Life Career Game, aptitude & attitude dimensions of vocational development, male & female 9th graders, 55:8426
relationship of self concept to reading achievement, school attendance behavior & leisure reading, 7th graders reading below grade level, 57:4373
reliability & validity & age changes, sentence preference test as measure of readiness to use abstraction & generalization in thinking, 12 & 14 & 16 yr olds, 54:10660
reliability & validity, Gilmore Oral Reading Test, 1st–8th graders, 54:6424
reliability & validity, Quality of School Life scale, elementary & middle & high school students, 58:2230
reliability & validity, revision of School Attitude Inventory, 4th & 6th & 8th & 10th graders, 55:8395
remedial perceptual-motor activity program, academic performance, junior high school retardates, 55:5644
remedial therapy, language arts & reading & arithmetic achievement, learning disabled 4th & 5th & 7th graders, 57:4438
remediation of psycholinguistic disabilities, 6–14 yr old severely emotionally disturbed students, 55:5648
repeated administrations of Henmon-Nelson Test of Mental Ability, homoscedasticity & rectilinearity & regression toward mean, 8th graders, 56:3070
residential & school change, academic performance, 3rd–8th graders, 53:12505
response cost vs reward vs no consequence conditions, academically oriented puzzle solving performance, high vs low ability 6th & 7th graders, 57:9087
response style & dissimulation on true-false tests, junior high school educable mentally retarded students, 58:10535
restandardization based on word difficulty, Burt-Vernon Graded Word Reading Test, 1st–12th graders, 53:12577
retention of language & composition skills during summer between 7th & 8th grade, junior high school students, 55:13288
revised WISC vs 1949 edition of WISC, IQs & subtest scaled scores, 1st–8th graders, 58:10634
risk taking & deductive reasoning & time using of testwiseness, standardized achievement test performance, 8th graders, 57:4364
role modeling through videotape, evaluation of counselors & development of counselor-client interpersonal relationships, black 9th graders & white counselors, 55:8380
rural vs urban background & institutionalization, attitudes toward physical activity, delinquent & nondelinquent junior high school girls, 53:1455
satisfaction & dissatisfaction & motivational systems, junior & senior high school students, 58:10456
scholastic & intellectual determinants, self-evaluation of performance on vocabulary task, male secondary school students in regular scholastic regime vs "transition" class vs specialized class male secondary school students, 53:4020
scholastic standing & mental level, vocational aspiration, 8th graders, 58:6316
school & district size, attitudes & student achievement & educational fund expenditures, junior high school students vs their parents, 55:13451
school personnel direct intervention, habitual tardiness, 9th grade students, 53:4121
school program for gifted, attitudes & motivation, junior high & high school students, 55:13482
school type vs parent & peer & teacher influence vs educational aspirations vs related attitudes vs mental ability, academic achievement, working class 7th grade boys, Bolivia, 55:1458
school-controlled conformity of dress for teenagers, behavior & security-insecurity, 8th–11th graders, 55:2952
schools with different organization & teaching concepts, cognitive development, 7th–9th graders in comprehensive school, 56:8723
science textbook illustrations, predicted vs actual contribution to reading comprehension, elementary school teachers & 7th graders, 58:4281
scoring procedures, assessment of partial knowledge in multiple choice tests, 9th graders, 55:13572
secondary school treatment intervention model, students with moderate to severe learning & behavioral handicaps, 58:4380
self concept & acculturation levels & academic achievement, Mexican American 6th & 8th & 10th grade participants vs nonparticipants in Federal lunch program, 55:13334
self concept & personality traits, drug attitudes & usage, elementary & junior high & high school students, 58:4335
self concept components, relationship to specific reading skills, 7th graders reading on & below grade level, 55:8188
self concept, variability of academic achievement, culturally disadvantaged 7th graders, 55:13298
self control techniques & social reinforcement, study behavior, junior & senior high school students, 58:7945
self directed groups program on motivation, self concept & achievement motivation & role differentiation, Black male junior high school students enrolled in Title I school summer session, 57:11321
self directed search of J. L. Holland, impact of cultural influences & work value orientations, 7th & 8th grade Chinese Americans & white Americans in Catholic schools, 56:10798
self enhancement vs skill development models, causal predominance of academic achievement over self concept of ability & perceived evaluation of others, 8th–12th graders, 58:12584
self esteem & achievement responsibility & intellectual maturity, reading achievement, lower class Black vs White vs Hispanic 7th grade males, 57:13810
self esteem & self knowledge, career planning, 12 & 13 yr olds, 55:5703
self esteem, enthusiasm toward school, 7th graders perceived as having vs not having behavior problems, 58:2137
self esteem, test anxiety, black inner city junior high school students, 57:1999
self growth & self educative attitudes, identification of factors & developmental trends, 5th vs 8th vs 11th graders, 57:9104
self management & group discussion techniques, study habits & GPAs, 7th–9th graders, 55:5498
self pacing vs setting of deadlines & pairing vs working alone & intelligence, learning rate, junior high school students in individualized science program, 58:2024
self perceived position on continuum between childhood & adulthood, school's classification & placement of S, 8th graders, 56:1302
self selected level of illumination, reading speed & comprehension, visually impaired vs normally sighted 7th–8th graders, 56:3026
self vs teacher pacing of study, attitudes toward & mastery of learning package containing consumer education material, 8th graders, 57:1933
self-concept & visual perception, reading disabilities, 7th & 9th graders, 53:1466
self–family oriented sex role course, sex role perceptions, male vs female junior high school students, 54:4132
sensation seeking behavior, retention & transfer of problem solving skills following instructional treatments with high vs low arousal potential, 7th graders, 58:10316
sensory modality of information presentation, learning to spell nonsense words, 8th graders, implications for classroom teaching, 58:4253
sentence completion method, use as personality assessment technique in schools, junior high school students, 55:1575
sentence syntactic structure complexity, hierarchical reading abilities, 3rd vs 5th vs 7th graders, 55:10877
sequential testing model, classification into instructional groups, 8th & 10th & 11th & 12th graders, 55:11051
seriation & projective Piaget-type tasks, developmental performance differences & task relationships, 7–13 yr old males vs females, implications for curriculum design & teacher education & school administration, 57:7981
sex & academic ability & need for social approval & participation in extracurricular activities & parental support, relationship between academic achievement & self esteem, 9th graders, 57:13815
sex & economic level analysis of variance, responses to "What I Live to Do" interest inventory, urban disadvantaged vs middle class 4th–7th grade boys & girls, 54:9678
sex & grade level & school attended & mobility of school attendance & family type & achievement level, attitudes toward school & self & school staff & peers, 7th & 9th graders, 58:2120
sex & grade level & teachers' self concept, initial self concept & change over school year, 3rd–8th graders, 55:8210
sex & post high school plans, perceptions of counselor services, junior vs senior high school students, 55:3276
sex & predominant socioeconomic class school climate, expectations of success, black 5th–8th graders, 54:4049
sex & race & socioeconomic status & grade in school & school/grade cohort & school's racial composition, occupational & educational aspirations, junior high & high school students, 58:10482
sex & race & socioeconomic status & locus of control & classroom behavior, junior high school students, 56:6774
sex & race, self esteem & academic achievement, tri-racial isolate & Negro vs Caucasian elementary & middle school students, 57:1984
sex & urban vs rural environment, interrelationship of self concept & academic achievement, Kenyan 7th graders, 55:3125
sex, attitudes toward & achievement in mathematics, 9th graders, 56:2944
sex differences & peer pressure & risk perception, marihuana & drug use, 9th graders, 54:11630
sex differences, language arts & social studies & mathematics & science achievement, male vs female 7th & 8th graders, 55:13352
sex education course, self-perception & ideal-self perception & self-orientation, white upper middle-class male vs female 8th graders, 53:8217
sex education program, changes in attitudes toward sex & sex education, 7th & 8th graders & their parents, 57:13712
sex role curriculum & sex grouping, self esteem, male vs female 7th graders, 58:10357
short term group counseling, reading & arithmetic achievement & listening & self concept, mentally retarded junior high school students, 55:5659
similarity & attraction as function of prejudice, reactions to stimulus persons of same & different ethnic background, Mexican-American vs Anglo-American 9th graders, 54:9437
simple technical training, improvement in spelling, 4th–7th graders with low spelling achievement, 55:10820
simulation games, teaching decision making skills for use in career planning, 8th & 9th graders, 58:2281
simulation gaming technique & supplementary activities, modification of occupational interests toward congruence with aptitudes, 9th graders, 55:8423
slide rule instruction, mathematics interest & computation & reasoning, male 7th graders, 57:11302
social acceptance & personal & social adjustment, bussed vs nonbussed Black vs White elementary & junior high school students in integrated schools, 57:11478
social rejection, 3rd vs 6th vs 9th vs 12th grade regular class vs educable mentally retarded students, 57:13850
social status & educational styles of mothers & teachers, achievement motivation & anxiety, 12–15 yr old students, 58:6292
social vs candy vs token rewards, Peabody Picture Vocabulary Test IQ score change, students of above average intelligence, 58:6399
socioeconomic environment & school facilities & teacher characteristics & preschool influences, academic achievement, 7th graders in urban districts, Uganda, comparison with more industrialized societies, 57:4365
socioeconomic factors & family size, measured intelligence, junior high school students, 54:4253
socioeconomic status & ability & parental encouragement & sex roles, educational aspirations, adolescents in junior middle schools, Taiwan, 58:12688
socioeconomic status & drug attitudes & academic achievement & participation in school-related activities & demographic characteristics, drug usage, Mexican American junior & senior high school students, 55:4456
socioeconomic status, convergent & divergent thinking ability, black vs white 8th graders, 54:9735
socioeconomic status, interests on Ohio Vocational Interest Survey, disadvantaged vs nondisadvantaged male & female 9th graders, implications for counseling, 53:4108
Socratic dialogue vs behavioral practice, development of coping skills, 7th–9th grade males, 56:1384
spaced vs massed vs summary treatments as review strategies for instructional television production, subject knowledge & attitudes, 7th graders, 55:10740
specified written comments, achievement in & attitudes toward algebra & geometry, 8th & 9th graders, 55:2898
stable vs unstable & adequate vs inadequate self esteem, school performance, 5th–8th graders, 58:2101
stage of departure from school, vocational maturity & realism of vocational choice, 7th–12th graders, 55:5759
stress & perception of classroom environment, academic achievement, 6th & 9th graders, 58:2096
"stretchers & shrinkers" textbooks, correction of arithmetic deficiency, 7th grade underachievers, 55:10773
structural & transformational & stylistic linguistic factors, reading difficulty of varying science classroom materials, 7th graders, 58:8244
structured laboratory for achievement motivation, self esteem & willingness to assume responsibility for academic achievement & failure & social & personal security, 8th graders, 56:10657
structured teaching sequence, achievement on proportional thinking tasks, 6th & 8th graders, 55:5496
student & teacher attitudes toward school environment & academic achievement, assessment of principal competencies & interaction with principal, 4th & 6th & 8th & 11th graders, 58:10484
student analyses of motivation & school learning, 7th & 11th graders, 54:12576
student characteristics, prediction of success in academic functioning & peer & authority figure relationships, high risk junior high school students, 58:8169
student contracting for achievement grades, attitudes toward & achievement in mathematics, 9th graders, 55:1328
student participation in curriculum development & revision, student attitudes toward school subjects, junior high school teachers & students & their parents, 55:13244
student race & potential & teacher's level of dogmatism, teacher behavior toward 7th & 8th graders, 53:8248
student sensitivity training vs Adlerian parent training, self esteem & academic achievement & parental attitudes toward childrearing, 9th–11th grade males, 57:6801
student teams & learning games, cross-race & cross-sex interaction in classroom, black & white 7th graders, 53:8272
student vs teacher measurement of student's self concept-as-learner, disruptive vs nondisruptive middle school students, 58:6393
student-aide experience, self concept & reading skills, students as tutors, 56:6785
student-teacher behavioral contracts vs teacher proclamations of appropriate behavior, social conduct & academic achievement, lower middle class 9th graders, 54:1855
summer school reading programs, reading ability, male 9th graders, 58:12710
symbolic features, picture drawings, Amish vs non-Amish 6th & 7th & 8th graders, 54:9445
syntactic maturity in oral & written language, reading comprehension of materials of varying syntactic complexity, 4th & 8th & 12th graders, 55:10874
systematic desensitization vs rational-emotive therapy vs study-skills counseling, test anxiety, elementary & junior high school students, 56:10793
systematic errors in 4 vertical algorithms in arithmetic, primary through junior high school students who were handicapped in special classes vs normal Ss in regular classes, 2-yr longitudinal study, 58:10519
taped affective vs perfunctory test administration procedures, achievement test performance, disadvantaged vs nondisadvantaged 7th graders, 56:6843
task complexity & feedback type, comprehension of proportionality, 7th graders, 57:11408
task sessions on learning, attitudes toward school & learning, 7th & 8th grade inner city cross-age tutors, 56:1365
task- vs approval-focused discipline techniques, personality trait inferences, 8th graders, 55:13430
teacher & student expectancies, verbal & mathematics performance in summer enrichment program, 6th–8th graders, 54:8426
teacher- and self-determined token reinforcement, control of disruptive & on-task behavior, junior high school students in special education classroom, 54:12601
teacher effort, reading achievement, elementary & junior high school students & teachers, 58:2072
teacher expectancy pressure vs no pressure & locus of control & intelligence, overt lying prediction, 9–13 yr olds, 58:12691
teacher nonverbal behavior, teacher-pupil attitudes & behaviors, 4th–8th grade teachers & students, 58:2123
teacher personality traits, attitudes toward Intermediate Science Curriculum Study & classroom verbal behavior patterns, 7th & 8th grade science teachers & their students, 57:13888
teacher practice, learning & attitudes in small group instruction, junior high school students, 57:9061
teacher ratings of behavior & personality disorders & academic achievement, 4th–8th graders with cleft palate &/or lip, 55:5621
teacher ratings of personality of 7th–10th graders, correlation with grades, 55:3305
teacher sex, academic achievement & school conduct ratings & self concept & masculinity-femininity of interest patterns, 7th graders, 55:5636
teacher training program & curriculum unit, attitudes on global conflict & conflict resolution, 8th graders, 55:13245
teacher use of behavior modification vs information processing vs social interactions vs person teaching models & analytic vs nonanalytic subject matter, self concept of academic ability & attitudes toward teacher, junior vs senior high school students, 57:13775
teacher-pupil proximity, academic task performance, normal vs behaviorally deviant male 6th–8th graders, 58:2158
teacher's age & teacher-pupil sex interaction, perception of teacher behavior, junior & senior high school students, 55:10962
teacher's esteem for students & directiveness & intelligibility & information, preferences for & attitudes toward teacher, 4th–9th graders, 57:11477
teacher's interpersonal skills, achievement & anxiety, junior high school students, 55:13364
teachers' judgments of students' instructional needs & mode of instruction, academic achievement, 8th grade students & teachers, 55:2912
teachers' views of how antismoking campaign influenced preschool & junior high school pupils' motivation, 57:6762
teacher-student attitude similarity, attraction to teacher & lesson & teaching technique, 7th–12th graders, discussion within classical conditioning model of attraction, 56:1442
teacher-student attitude similarity, information retention, junior high & high school students, 55:10900
teacher-student personality type similarity, achievement & satisfaction, 9th & 10th graders, 58:8361
teaching mathematics concept via positive vs negative vs alternate positive & negative instances, concept attainment, high vs low IQ 8th graders, 55:8040
teaching methods & cognitive levels, acquisition of complex concepts, 8th graders identified as concrete vs abstract thinkers, 55:13151
teaching methods emphasizing mathematical structural properties & reflective intelligence, mathematics learning, 8th graders, 55:10760
teaching style & verbal value-clarification, health knowledge & health values, junior high school student teachers & their students, 58:6240
teaching with UMT project's study material, foreign language teaching, 9th graders, 55:5495
teaching with UMT project's study material, German language learning, 8th graders, 55:8065
team vs individual competition & practice modes, relationship between academic performance & sociometric status, 7th graders, 54:1883
team vs individual competition & practice sessions in Team-Game Tournament instructional technique, academic achievement & attitudes toward game success, 7th graders, 56:4766
Teams-Games-Tournament teaching method vs individualized instruction, social connectedness & time on task & peer tutoring frequency & pro-academic peer norms, 7th–9th graders with academic & human relationship problems, 55:10813
television image definition level, affective & cognitive learning, 8th graders, 55:13126
test & general anxiety & self esteem, male vs female 4th–8th graders, 55:3169
test anxiety, relationship between intelligence & reading achievement, suburban 7th graders, 56:6765
testing procedures, assessment of partial knowledge in multiple choice tests, 9th graders, 55:13561
textbook treatment of occupations in selected subjects, career influences, 6th–8th graders, 55:10777
token economy program, bringing material to class & completing assignments & being in seat as target behaviors, junior high school special education students, 54:10623
token reinforcement & modeling & traditional teaching techniques, levels of achievement & self concept, 7th grade underachievers, 55:8098

token reinforcement system, attending to work behavior, junior high school students, 53:6171
traditional vs nontraditional instructional methods, self concept & English/Language Arts achievement, black vs white 7th vs 8th graders, 56:10597
traditional vs open classroom, figural & verbal creativity, 1st & 4th & 8th graders, 57:4344
traditional–open schools, student influence, 7th & 8th graders & teachers, 53:10415
training for cognitive & affective complexity, development of self perception & interpersonal perception, inner city black 7th graders, 55:13123
training in syntax, reading comprehension & ability to identify related synthetic structures, 7th graders at below grade reading level, 57:4352
training program for mothers in contingency management, homework completed & turned in, 7th graders in mathematics course, 55:10789
training selected members in development of accurate empathy, interpersonal quality of classroom, socially-liked secondary school students, 58:10496
transactional analysis training as affective education technique, self concept & use of adult statements, 7th graders, 58:10298
treatment vs group counseling, discrimination & communication skills, junior high school students as peer counselors, 54:8485
treatments at different scientific verbal levels, conceptual development in science education, male vs female Anglo Saxon vs Negro vs Mexican American 8th graders, 55:13132
tutorial program, reading achievement & attitudes toward self & reading, 7th graders tutoring 2nd graders, 56:1377
tutoring, modification of associative response style, 5th & 7th graders, 57:4349
tutoring of emotionally disturbed children, reading & personal & social adjustment, underachieving 9th graders, 55:5506
use of moderator variables, identification of potential school dropouts, 8th–10th graders, 57:9163
validity & factor structure of scholastic traits, 1st–9th grade high vs average vs low achievers, 53:1950
validity & reliability of cloze procedure as measure of comprehensibility & difficulty of mathematical language, 7th–10th graders, 56:3063
validity of Perkins-Binet Tests of Intelligence for Blind Children & verbal section of WISC, prediction of academic achievement, 3rd–7th grade visually handicapped students, 55:8352
various grammatical form class deletions & reader's linguistic ability & content area, comprehension of mutilated reading material, 7th graders, 55:13106
verbally-rich vs visually-rich mathematics instruction, preference modality grouping using learning performance vs Differential Aptitude Test scores, 8th graders, 57:6775
vicarious visual vs imaginal stimuli in group systematic desensitization, test anxiety reduction & academic achievement, 7th & 8th graders, 58:8420
violent juvenile gang interaction patterns & normative structure, relationship to school attendance & achievement, inner city 13–19 yr old black male gang members, 55:13314
visual dominance & manual & tactile & pedal & auditory lateral dominance, high vs low achieving 4th & 8th & 12th graders, 57:11443
visual feedback from chart, self directed change in academic performance rate, 9th & 10th grade typing & 11th grade accounting students, 55:5523
vocational decision making ability & thinking ability interrelationship, 6th vs 9th graders, 55:3258
vocational exploration group experience, knowledge of job functions & interests & skills & satisfaction from available work, male Mexican American 9th graders, 55:11001
vocational exploration group program, career maturity attitudes & employability perceptions & exploratory career behaviors, 8th & 10th & 12th graders, 57:6955
vocational exploration unit, vocational maturity, 9th graders rated for high vs low dogmatism, 57:4455
vocational needs & extent of extracurriculur activities & vocational need stability, 8th & 10th graders, 1970–73, 57:13853
volunteer adult companion characteristics, school adjustment & classroom behavior & peer acceptance, 8–12 yr olds, 57:4496
ways of recording answers & workspace arrangements, achievement on teacher-made mathematics test of computational skills, 7th & 8th graders, 55:13580
weekly classroom rational-emotive mental health program, emotional adjustment, 4th & 8th graders, 57:6959
WISC & Wide Range Achievement Test scores & differences between subtest scores, Negro & white 6–15 yr olds referred for school work difficulties, 55:5726
WISC-R scores & profile scatter, learning disabled 6–15.5 yr olds, diagnostic implications, 57:9156
work-study curriculum development, vocational training, mildly retarded intermediate & high school age students in suburban school, 56:8771
youth center community-based intervention program characteristics & techniques, junior high school students with school or community adjustment problems, 57:13391

Junior High School Teachers

ability level & content area of class, rates of managerial vs instructional verbal approvals & disapprovals, junior high school teachers, 56:10705
analysis of uses & results of standardized tests, 1st–8th grade students & teachers & administrators, 58:2243
anticipation game participation, understanding of educable mentally retarded children, junior & senior high school special class teachers, 58:8180
attitudes toward & perceptions of incorporation of career education goals into curriculum, elementary & secondary school teachers, 55:13205
attitudes toward counselors & discrepancy between cognitions of ideal vs real counselor, 9th graders & teaching faculty, 55:13587
behaviorally based training program, group leadership skills, middle school teachers, 57:6665
bidirectionality of influence in teacher-student interaction, junior & senior high school students & teachers, 55:8212
Class Atmosphere Scale, assessment of classroom psychosocial environment, junior & senior high school students & teachers, 57:11582
climate-setting & immediate feedback & motivating & control & discipline behaviors, "best" vs 1st-yr vs typical inner city junior high school teachers, 1-yr longitudinal study, replication & expansion of G. Moskowitz & J. L. Hayman's study, 56:1339
conceptual complexity, teacher-student interaction, 7th graders in inner city vs suburban vs alternative classrooms, 56:3004
construction of teacher attitude scale, measurement of attitudes toward Program for Learning in Accordance with Needs plan & underlying dimensions, elementary & junior high school teachers, 55:2992
contingent vs noncontingent individual feedback assistance, classroom appropriate behavior, 6th–8th grade teachers, 55:13060
creative thinking stimulation, junior high school science teaching, Iraq, 55:2997
cultural & progressive educational background, educational attitudes, prospective teachers of high vs low dogmatism, 53:3930
demographic & job characteristics & education, attitudes toward accountability & minimal performance objectives for science education, junior high school science teachers, 57:13664
demographic characteristics, job satisfaction, secondary school industrial arts teachers, 55:5447
development & validation, observational measure of teacher-student attempts to influence each other & responses, junior high school teachers & students, 56:3084
drug education program emphasizing affective approaches, attitudes, junior high school students & teachers, 55:3034
educational background & age & sex & job experience & salary use & grade taught, morale, elementary & middle & secondary school teachers, 57:13667
environmental education program, environmental attitudes & knowledge, 4th–6th & 8th grade teachers & students, 58:10388
favorableness of teaching situation, ratings of person- vs task-oriented teachers in terms of effectiveness & encouragement & interest & amount learned & actual achievement, 8th grade males, test of F. Fiedler's contingency model of leadership, 56:2999
helping process discrimination level of teacher, perceptions of teacher-student interaction quality, 7th–9th graders, 55:13414
high vs low ability class, rates of verbal approval & disapproval, inner city junior high school social studies & mathematics teachers, 55:8227
Hilda Taba inservice training program, attitudes & behavior, junior high school teachers, 55:7924
humanistic approach to inservice teacher training & curriculum development, drug abuse education & prevention, elementary & junior high school teachers, 58:4149
implementation of selected innovative teaching practices, opinions about potential success of practices & attitudes about open concept school facilities & learning process, high & middle & elementary open concept school teachers, 57:11219
implicit values in physical education, male vs female physical education teachers in urban vs suburban secondary schools, 58:8178
innovative hiring technique & teacher performance ratings, newly hired 7th–12th grade teachers, 58:6184
inservice teacher training, attitudes toward students & positive self regard & personal meaning, elementary & junior high school teachers, 57:4309
instruction in contingent teacher attention vs self monitoring vs self reinforcement, approval & disapproval to disruptive classroom students, junior high school teachers, 58:4161
instrument for identification of implicit values in physical education programs, secondary school physical education teachers, 58:6195
interreligious & interracial contact, racial prejudice & anti-Semitism, American 8th & 10th & 12th graders & teachers, book, 55:12099
item analysis, teacher-made mastery tests, junior & senior high school teachers, 55:13542
mathematics teachers' use of conditional logic language, conditional reasoning ability, 7th graders, 56:2939
nature of judging Ss & grade level of students, reinforcement preferences, elementary & middle & high school teachers, 53:8235
organizational control strategies, instructional role & resistance to innovation, junior high school teachers, 56:6653
participation in career education programs, attitudes toward career education in schools, elementary & junior high & high school teachers from rural environment, 58:10270
perception of causes of disruptive behavior & conception of appropriate intervention strategies, junior high school students vs teachers, 58:1629
perception of functions & learning foci of school for pre- & early adolescents, junior high & middle school teachers, 55:2927
perceptions of pupils based on behavioral rating scales & personality traits, junior high school teachers, 58:6168
perceptions of school district organization, educational administration vs school district central office staff vs elementary & secondary principals vs teachers, 55:13079
perceptions of use of drugs, junior high vs high school students vs teachers vs parents vs college students vs faculty, 58:11620
personal values & relationship to reinforcement preferences, 6th–8th grade teachers, 56:1336
personality orientation, discussion group teaching style, junior & senior high school home economics teachers, 57:8969
physical nonverbal components of interaction, social-emotional classroom climate, self directed learning, home economics teachers & junior high school students, 55:8242
pupil ability & self image & level of questioning, teacher-student verbal interaction, 7th graders, 55:13420
pupil control ideology, self acceptance & acceptance of others, elementary & middle & high school teachers, 55:12984
race & sex & school classification, perceptions of change due to desegregation, junior high school students & teachers, 57:11206
race & social class & dialectical differences, judgments of academic ability & school behavior, black vs white junior high school teachers, 56:2829
recognition of & reaction to early adolescent social & psychological needs, elementary & junior high & high school teachers, 58:8201
relationship between teacher's ability to identify pupil problems & students' perceptions of teacher's counseling acceptability, 7th & 8th grade teachers & students, 58:2276
school organizational plans, instructional modes employed in classroom, teachers in middle school & graded junior high school, 55:2949
self acceptance & acceptance of others, humanism in pupil control ideology, elementary vs middle vs high school teachers, 57:13593
self actualization, prediction of teaching success, principals & teachers in middle vs elementary individually guided education schools, 57:6664
self assessment & judgments of others of classroom attitudes & instructional strategies, 7th–9th grade teachers, 57:13590
self concept & philosophic orientation, black vs white elementary & secondary school teachers, 55:2988
self improvement program, attitudes toward teacher-student interaction, junior high vs elementary school teachers, 55:5449
social origins & career commitment during college & occupational attitudes, Norwegian academic secondary school teachers, 55:1294
socially incompetent behavior of students, re-identification & behavior descriptions, junior vs senior high school teachers, followup study, 58:10252
student participation in curriculum development & revision, student attitudes toward school subjects, junior high school teachers & students & their parents, 55:13244
supportive/collaborative consultations with principals, school climate, elementary & junior high school faculty & principals, 58:4175
teacher characteristics, practice of giving failing grades, junior high school teachers in United States Dependents Schools, European area, 56:6660
teacher diagnostic & assessment practices & use of data in instructional programing & classroom decision making, 1st–8th grade special education teachers, 57:13928
teacher effort, reading achievement, elementary & junior high school students & teachers, 58:2072
teacher nonverbal behavior, teacher-pupil attitudes & behaviors, 4th–8th grade teachers & students, 58:2123
teacher personality traits, attitudes toward Intermediate Science Curriculum Study & classroom verbal behavior patterns, 7th & 8th grade science teachers & their students, 57:13888
teacher practice, learning & attitudes in small group instruction, junior high school students, 57:9061
teacher self actualization & pupil control ideology, elementary vs secondary school teachers, 56:1451
teachers' judgments of students' instructional needs & mode of instruction, academic achievement, 8th grade students & teachers, 55:2912
team selection & leadership & planning & facilities for team teaching, morale & need satisfaction, 5th–8th grade team teachers , 55:7937
tenure status & closed-mindedness, resistance to educational innovation, junior high school teachers, 57:13650
tobacco smoking history, attitudes & behavior toward students' smoking practices & attitudes toward smoking education, elementary & junior & senior high school teachers, 58:1953
types of mental health consultation, teacher-student interaction & perception of emotionally disturbed adolescents, junior high school teachers, 58:8416
verbal responding behaviors while interacting with students in simulated vs real classroom problem solving situations, junior high school mathematics teachers, 58:8353
viewing familiar vs novel motor prototype, movement analysis proficiency, college physical education teachers vs junior high school teachers vs college students enrolled in biomechanics course, 58:8160

Junior High Schools

case study in leadership situations, leader behavior & leadership styles, principals in independent secondary schools, 56:10561
conflict reduction model, use by junior high school counselors, 56:3073
development of alternate inner-city junior high school & social work follow-up services, 54:6180
effectiveness evaluation, 7th–9th grade career development program, 54:10661
emotional stability & trusting & conservativeness, attitudes toward delegation of authority, principals of large junior high schools, 57:11291
forms of secondary school grade organization, effectiveness with respect to growth of academic achievement variables, 10th graders, 55:1436
middle school vs conventional instruction, academic achievement & self concept, 7th graders, 58:6251
organizational behavior & change as explanation for success or failure of educational change projects, junior high school in Bedford-Stuyvesant, 55:7945
perception of counselor's role, counselors & teachers & principals of junior high schools, 58:4183
perceptions of principals & knowledge about educational programs & beliefs about parental involvement in curriculum development at middle & junior high school level, parents, 58:4215
readability, junior high school health textbooks, 54:10531
student interpersonal violence & status maximization & anonymity, staff control in potentially explosive desegregating public junior high schools, 58:4322

Jury [See Adjudication]

Justice

adult models, peace & justice education for children, 54:9393
age & sex & confederate seen as responsible vs not responsible for own fate, application of equity justice & bias in reward & punishment of male vs female confederate, 7 yr olds & college students, developmental extension of just world hypothesis, 57:10021
attitudes toward crime & punishment, psychological basis of legal system, 56:595
black judges, progressive change in judiciary system, 53:2939
collaborative programs between community mental health centers & criminal justice system, resolution of problems in criminal justice system, 57:11005
conflict & interactionist & organizational perspectives on criminal justice, presentencing process, 55:6980
criminal justice in US, annotated & indexed description of films, 57:10165
description of student attitudes toward home & school & criminal justice system, identification of motivational incentives promoting self confidence, middle school students & residents of youth home, 56:3001
development of concept of justice, children, implications for social studies curriculum, 55:6829
developmental stages of conceptions of justice & age, development of operational reasoning, 4–8 yr olds, 57:872
differential definitions & responses to previously unrecognized states of injustice, 55:2345
diversion & situation-centered & person-centered theoretical orientations, juvenile justice system vs youth service bureau staff members in counseling roles, 58:1812
economic conditions & crime & administration of criminal justice system, book, 58:9356
equity & equality & need values, justice, 55:9551
equity theory & equality–proportionality controversy, social justice, 55:9543
experience with justice system, attitudes toward police & juvenile probation & juvenile court, 14–18 yr old clients of justice system vs nonclient 14–15 yr olds, 56:6196
failure of justice system & diversion as alternative to entry into criminal justice system, book, 56:6555
forensic psychology training, need for applied professional psychological services in criminal & civil justice systems, 55:7819
historical development & recent trends, law & psychology relationship, review, 56:9779
human relationship situations characterized by injustice, self rating of helplessness, neurotic outpatients vs normal male medical students, 56:8133
inception & development & expansion of forensic psychology & criminal justice program, training of doctoral-level psychologists, 57:13511
inputs of age & education & effort & ethnic background & experience & intelligence & sex & skill & social class & training, inequity perceptions in hypothetical work situations, insurance company employees, 57:10330
just vs unjust pay with vs without opportunity to help needy victim, amount of time volunteered, male college students, test of M. J. Lerner's "justice motive", 58:3283
justice & human interaction, book, 53:7288
justice motivation & presentation of victim, willingness to extend help to innocent victim, college students, 58:9530
knowledge of potential advantage & positive vs negative attitudes toward other, application of equity, 55:9718
learning theory & psychoanalysis & cognitive developmental theory, concepts of justice, 55:9546
legal principle of discretion as basis of interaction of social psychology in criminal justice system, selective review, 56:3931
need & relationship of story characters, resource distribution to characters whose performances were unequal, college students, 54:3041
official labeling of juvenile justice processing, self & perceived labeling of significant others, juvenile delinquents, 58:7387
payment equity & opportunity to voice opinion about equity & constant vs improving payments, perceived fairness, 6th graders in worker-manager analog, 58:7495
perception of justice system, black vs white parolees, 56:3922
personal deserving vs justice for others, exploration of justice motive, 58:9529
principle of decreasing marginal utility & interpersonal comparisons, reconciliation of utilitarianism with goal of destructive justice, 57:10046
psychoanalytic approach to plea bargaining & confessions & guilt, implications for criminal justice, 56:597
role of psychologists in justice system, 58:4104

self government project, conception of legal justice & perceptions of moral atmosphere & postrelease life adjustment, inmates, 56:8540
sex of S & pretrial publicity & judge's instructions, judicial decisions, college students vs nonstudents over 18 yrs old, 53:9443
social psychological analysis, individual & group aspects of decisions made by simulated trial juries, significance for criminal justice system, 57:10156
social psychological research & theory, equity theory, justice, 55:9537
socialization & early childhood & development, belief in just world, 55:9567
sociological origins of diversion programs from juvenile justice system, delinquent behavior & recidivism, 57:4151
viewing taped segments of bad vs good behavior followed by bad vs good outcomes, judgments of moral behavior & actress's attractiveness & relationship between just world & immanent justice phenomena, 6 & 9 yr olds, 58:5087
war model, criminal justice system, 53:7185
willingness to give up immediate gratifications for later more desirable ones, sensitivity to considerations of "deserving" & justice, 4th & 5th graders, 56:2329

Juvenile Court [See Adjudication]

Juvenile Delinquency
affective ties with conventional & deviant others & strength & direction of influence, self reported delinquency & delinquency involvement, male & female delinquents, 57:6067
anomie & alienation & self actualization & self acceptance, delinquents vs nondelinquents with above average vs average vs below average IQ, 58:3553
antecedent response-independent reinforcement, response-dependent reinforced behavior, predelinquent males, 58:6888
application of law of effect & differential association to prediction of legal & illegal earnings, models of classification & treatment of delinquency, 54:12053
arrest histories & family characteristics, juvenile delinquency patterns, black urban-born males & their 17 yr old & older children, 54:3395
attitudes toward levels of deviant student behavior & attitudinal agreement with research on behaviors predictive of juvenile delinquency, 5th grade vs special education teachers vs child psychiatrists, 56:4699
behavior contracts, modification of parent- & teacher-child behavior, predelinquent 6th–12th graders, 56:4490
behavior modification techniques for modification of educational & program & delinquent behavior, delinquent youth, literature review, 53:8115
broken homes, delinquency, female delinquents, 54:7840
calculation methods, estimation of prevalence of delinquency, correction of prevalence estimates of T. P. Monahan, 53:86
categorization & organizational typing, juvenile delinquency, 54:1336
causal vs diagnostic typologies of criminal behavior, 54:12033
changing patterns in self reported delinquent activities, male & female high school students, 55:867
characteristics of Behavioral Programs in Learning Activities for Youth employing behaviorally managed leisure time activities, minimization of juvenile problem behavior & redirection of energies into socially acceptable & rewarding activities, 12–17 yr olds, 57:13393
children's hearings replacing juvenile courts, juvenile delinquents, Scotland, 54:3891
children's hearings system replacing juvenile courts in Scotland, feasibility in America, 54:3878
commitment & admission to psychiatric facilities & psychopathic & sociopathic behavior & criminal acts & drug addiction & suicide & juvenile delinquency, legal rights of mentally ill, Iran, 54:7783
commitment & labeling theories, causation & analysis of juvenile delinquency, 55:10000
community psychology & behavior modification, prevention & treatment of juvenile delinquency, graduates & nongraduates of program, 54:10036
community solutions to problems of disturbance & delinquency in children & use & misuse of residential care, 57:1743
conceptual & theoretical & methodological problems, study of deviant & delinquent behavior, 55:24
conceptual framework, running away & schizophrenia & delinquency in adolescence, book, 53:1319
conflict resolution model for delinquency management & motivational variables in delinquency analysis, 57:10534
continuities in delinquency & riot patterns, Black youth & adults in low income residential areas, 57:3575
convergences in labeling & behavior, protest & unrest & dissent vs delinquency, 54:1346
creation & application of delinquent labels in juvenile justice system, Manchester, New Hampshire, 55:12464
criminal incidence, sinusoidal pattern analysis of juvenile delinquency, 57:9393
cross cultural aspects, delinquent & criminal behavior, 54:1352
cultural-psychological contraindications, group psychotherapy, adolescent Indians referred by school counselors for delinquency or truancy, 54:5933
delinquency & academic achievement, male suburban high school students, 54:9949
delinquency & family structure & atmosphere interrelationship, implications for therapy, 53:3735
delinquency & institutionalization, range of future time perspective, 17–21 yr old prison inmates vs soldiers vs delinquents on probation vs vocational students, 54:3381
delinquency as manifestation of destructuration of society, 57:6052
delinquency prevention & treatment through participatory democracy in schools & institutions, 54:3518
delinquency rate, Asians vs half-Asians in England, 55:12458
delinquency vs nondelinquency, WISC subtest scores, male retardates, 56:8206
delinquent psychosocial profile & completion of organized sports program, male 11 yr olds, 58:5596
demographic & religious & stratification & political & crime & delinquency characteristics & interpersonal relationships & personal evaluation characteristics, children with natural fathers vs stepfathers, 56:3921
demographic & sociocultural & socialization & personality factors, incidence & types of delinquency, middle class youth, 58:1376
demographics & adult & peer pressure model, self reported delinquent behavior, high school students, 55:12462
development of community-based peer operated automotive repair business, reduction of juvenile delinquency, 57:11009
developments & major trends in statistical data, juvenile delinquency, Israel, 57:3543
diagnosis & intervention in school, changing attitudes & behaviors, delinquent & delinquency-prone children, 55:10472
dropout prevention program within school guidance department using paraprofessionals, maintenance of school attendance or full-time employment & court referral, 10th grade Appalachian & Black & Puerto Rican & White potential dropouts, 57:6960
dyslexia screening test, prevention of juvenile delinquency, 56:2496
early childhood hospital admissions, later childhood emotional & behavioral disturbances & delinquency, 10 yr olds from Isle of Wight & inner London borough, replication of J. W. Douglas's findings, 57:6078
early identification of prosocial or aggressive-disruptive behavior in school, prediction & development of delinquency, 3rd & 6th & 9th graders, longitudinal study, 54:5525
early socialization in family, baseline for measuring later development of delinquency, 55:870
ecological correlations of demographic characteristics, juvenile delinquency, Sydney, Australia, 55:7349
ecological theory of social satisfaction, alienation & delinquency as negative socialization outcomes, 57:6049
educational aspirations & religiosity & alienation from parents & involvement with peers & dyadic involvement & participation in delinquent activities, sexual experimentation & incidence of coitus, 14–17 yr old white adolescents, 54:9501
educational track position, self report delinquent involvement, male & female high shool seniors, 55:1444
examination of factors influencing decision making processes at initial police contact vs juvenile probation department vs juvenile court levels of juvenile justice system, 58:1002
experimental analysis of aggression & application of learning principles to delinquency prevention & modification, book, 57:12975
extended vs conventional school year program enrollment, juvenile delinquency rate, 58:9705
failure of justice system & diversion as alternative to entry into criminal justice system, book, 56:6555
family background & relationships, anomia & father identification & perceptions of fathers, 9th–12th grade male delinquents vs nondelinquents, implications for etiology of juvenile delinquency, 57:12983
family relationships & reference others & differential identification, prediction of delinquent behavior, 9th–12th graders, 55:12465
family size & structure & rate of child return, families of persistent & incidental multidelinquents, Canada, 53:9855
family-centered consultation program of court clinic to juvenile court, 57:11008
format of child advocacy approach, treatment of juvenile delinquency, 56:2690
group interaction therapy, juvenile law violation, book, 53:7991
group therapy, predelinquent school age children in Taipei, 54:1649
history & administration, Red Hill School for delinquents, book, 53:4064
home & school & community environmental factors, delinquency & antisocial behavior, affluent adolescents, 54:1400
human figure drawings, 14–19 yr olds incarcerated at training schools, 54:9940
hyperkinesis in childhood as precursor to juvenile delinquency, 54:5518
identification of dangerous juveniles & prediction of recidivism among assaultive boys, usefulness of psychiatric evaluations & psychiatric diagnoses & recommendations based on ego functioning categories, 53:7662
illegitimacy, juvenile delinquency, illegitimate institutionalized male juvenile delinquents, 55:2493
impulsivity as defining characteristic of adolescent offenders, novel stimuli & behavior shaping & emotional response sequences in intervention & applications of electropsychoecology & psychotechnology, 57:12979
incidence of delinquency, English & Welsh 8 yr old males, 54:12074
information contained in cumulative school records, juvenile delinquents vs nondelinquents, implications for unobtrusive detection of signs of potential delinquency, 57:8446
integrated theoretical framework, role relationships & structural level of society in youth crime, 58:1359
interorganizational influence on social service & educational & legal-criminal subsystems, evaluation of community youth service bureaus, 56:6489
interpersonal maturity, recidivist vs non-recidivist Indian-Metis vs white male delinquents, Canada, 57:1415
Interpersonal Maturity system level as moderate variable in use of Wechsler psychodiagnostic sign, diagnosis of delinquency, 10–37 yr old probationers, 56:4219
item factor analysis, Mooney Problem Check List, 12–18 yr old delinquent vs emotionally disturbed vs normals, 57:7234
juvenile criminal record vs no record, behavioral & personality & demographic characteristics, prison inmates, 53:1450
juvenile delinquency & drug abuse & current rehabilitation practices, book, 54:6071
juvenile delinquency, analysis of legal codes in US, 53:5625
juvenile delinquency rates, social & economic correlates, Canada, 53:7664
juvenile delinquent label, teacher expectations for student behavior, black vs white students & teachers, 55:8233
learning disabilities & delinquency & evaluation of intervention programs sponsored by schools & community agencies & other institutions, 58:9634
legal & illegal behavior, male delinquents vs nondelinquents, 58:7706
legal & medical & psychological & social & psychotherapeutic aspects, juvenile delinquency, 54:5548
living conditions & juvenile delinquency, Polish families in municipal housing project, 53:934
long range & immediate goal discrepancy, postulates of delinquency, 54:9945
low self esteem & powerlessness, delinquency, 14–17 yr olds, 55:9999
marriage & psychiatric hospital admissions & recidivism & gaining of passes & length of longest job & attendence in school for delinquents, prediction of treatment success, male psychopaths, 57:11046
material shortages in home & poor environmental conditions, parental childrearing methods, inoperability of middle-class child-centered behavior applications & family cohesiveness to delinquency prevention in milieu of poverty, 53:9454
medico-social indices of health & social problems, relationship to delinquency, neighborhoods in Australian city, 55:12497
MMPI, diagnosis of juvenile delinquency, 17–18 yr old male prisoners vs inmates of youth home vs professional students, 56:4261
model demonstration program providing prejudicial referral & assessment & preventative intervention at point of police contact, diversion from justice system, 55:12820
multiple discriminant analysis of MMPI profiles, empirical typology of youthful offenders, 55:12485
nature & severity of disturbances in id & ego & superego, recidivism & crime & delinquency, 56:6206
occupational therapy, integration into multidisciplinary consultative clinic in state juvenile correctional system, 53:8174
on-line computer systems, development of optimal juvenile investigation, 54:2947
operant behavior modification programs, crime & delinquency, 55:7756
organism-environment relationship & psychic- & schedule-dependence in human aggression, illustrations with animal study data & modification of human aggression, 57:12960
outside threat from deviant, group cohesiveness & moral boundaries, male college students reviewing case histories of delinquents, 57:3200
parental absence, sex role development & academic achievement & intellectual development & delinquency, children, review & criticism of methodologies, 57:3106
parental care deprivation, juvenile delinquency, 54:1360
personality & environment & enforcement aspects, delinquent & criminal behavior, book, 54:1382
personality & need traits & sociodemographics based typology, preventive system for treatment of juvenile delinquency, 54:12185
personality structure of delinquents, criticism of J. M. Deusinger's investigation, 57:8451
personality structure of delinquents, reply to H. Hacker's criticisms, 57:8445
personality traits & perseveration & sociometric ratings, young offenders, 53:11927
police contact & official labelling, orientation toward delinquency, youth, 54:9914
population density & building type & social allowance, social pathology & juvenile delinquency prediction, 53:11918
practical problems in description & assessment efforts, delinquency prevention, 58:5753
pre-Army juvenile delinquency records, adaptive behavior in Army, inductees, 53:9852
prediction & identification of causes of juvenile delinquency & prediction of youth contacts with law enforcement agencies over 8-yr period, 3rd & 6th & 9th graders identified as having aggressive-disruptive vs socially approved behavior, 57:6055
programs of police intervention in schools, police–youth relations & delinquency prevention, 55:10459
proportion of 1st-born children & parental attitudes immediately following World War II, adolescent delinquency rates among children born in 1946 & 1947, Scotland, 53:9858
psychiatric description groupings & family patterns of delinquency, characteristics, adolescent delinquents & their parents, 57:10560
psychiatric evaluation in relation to delinquency, epileptics, 57:8364
psychiatric morbidity, drug use & alcoholism & suicidal behavior & delinquency & car accidents, Australian adolescents, 53:1405
psychoanalytic theories & observations on boundary between intrapsychic & interactional processes & family's interactional process, etiology of antisocial behavior in adolescence, 57:1435
psychological evaluation methods, prediction of juvenile delinquency, 53:3406
Psychopathic Deviate & Lie & Correction scale scores on Minnesota Multiphasic Personality Inventory, moral maturity scores on Kohlberg's Moral Judgment Situations, institutionalized adolescent delinquents & college students & therapy collective members, 53:1438
psychosocial functioning, delinquent behavior, Taipei & Cantonese American youth & their families, 54:1332
public school organization, juvenile delinquency, application of A. Etzioni's compliance theory, 58:7718
reducer & augmenter concepts & identification of stimulus-governed person & neurophysiological correlates, criticism of study of A. H. Baker concerning perceptual characteristics of delinquents, 56:9436
rehabilitation vs incarceration & behavior modification during probationary period & ambivalence toward counseling, semantic differential assessment of attitudes toward concepts regarding delinquency, juvenile court officers, 54:1765
religious involvement, juvenile delinquency, high school students, replication of T. Hirschi & R. Stark's findings, 54:7297
school delinquency rate, perceptions of peers & teachers, 9th–12th grade males in high vs low delinquency schools, 57:4388
school experience, juvenile delinquency, adolescent males, 55:10034
school status & affect toward school & social class, deviant subgroup involvement & deviant behavior, high school boys, examination of A. Cohen's general theory of subcultures, 57:6075
school structure vs social class origins, adolescent deviance & delinquency, 57:12989
self concept & delinquent types as delineated by H. Quay, 13–17 yr old delinquents incarcerated for 1st time, 56:10092
self concepts, self evaluations by well adjusted vs maladjusted vs delinquent secondary school students, 55:1509
self-administered checklists vs personal interview & personal appearance of investigator, self-report of amount of delinquent behavior, college students, 54:5537
sex differences in self reported delinquent activity, popular sociological explanations, black & white adolescents, 56:4239
social & demographic variables, establishing homogeneous groups based on self reported delinquent behavior, junior & senior high school students, 56:8179
social characteristics & legal factors, court disposition & conferring delinquent label, juvenile court dispositions, 57:6530
social control vs social learning models of delinquent behavior, 7th grade males & nonblack junior & senior high school males, 56:6191
social processes involved in labeling persons delinquent or emotionally ill, 54:3247
social worker & counselor appointment to secondary schools, child social adjustment & delinquency incidence, book, 54:4270
socially disadvantaged & parental criminality & school performance, juvenile delinquency, 6–10 yr old boys, 55:4849
sociological origins of diversion programs from juvenile justice system, delinquent behavior & recidivism, 57:4151
specific reading retardation & hyperactivity, proneness to juvenile delinquency, male adolescents, 57:6084
stereotyped beliefs about delinquents, differential treatment of offenders in legal processing system, 58:12266
stimulant medication of hyperkinetic children, prevention of juvenile delinquent & adult criminal behavior, 55:2706
stimulation seeking level measured by Sensation-Seeking Scale, test of arousal theory of delinquency, delinquent vs nondelinquent Black adolescents, 58:3565
street experience & theories of delinquency causation, images of delinquency & estimates of delinquent involvment of males from different social class backgrounds & predictions of individual males subsequently repeating, police from midwestern industrial city vs suburb vs western city, 57:10525
structural & associational & attitudinal variables, self reported delinquency, 9th graders, 55:10015
subculture theories & self concept & labeling theory, sociological research in delinquency & deviance, 54:7858
teacher's age & race & sex & certification & experience, verbal & nonverbal behavior toward adjudicated delinquents, teachers in public schools vs correctional institutions, 56:6812
theoretical & practical & ethical implications, medical model for delinquency, 56:4221
theoretical sociological perspectives, parole decision making in juvenile system, 56:3925
Thersites complex, neurotic delinquency, juvenile patients, 53:7629
track position, self-report delinquent involvement, high school students, 53:5617
training in engaging in youth-preferred social behaviors, behavior change & youth ratings of trainee/youth social interactions, teaching-parents for delinquent youth in family style residential treatment group home, 58:4036
treatment & prevention, juvenile delinquency, India, 53:3546
treatment program, youth corrections unit of psychiatric clinic, delinquents, 53:3843
trilevel computerized system, psychodiagnosis of juvenile delinquency, 53:1442
trust, implication in etiology & treatment of psychopathic youths, 57:12978
uniformity of juvenile arrest definitions & operations, police chiefs & clerks & officers from rural & suburban & urban police stations, 54:7397
variables not of direct legal relevance, analysis of juvenile court's dispositional process, 54:5164
violence & aggression in fantasy, delinquency, American vs Japanese lower class youth, 54:1350

youth center community-based intervention program characteristics & techniques, junior high school students with school or community adjustment problems, 57:13391

Juvenile Delinquents [See Also Female Delinquents, Male Delinquents]
aftercare contacts & quality of parental relationships & reconviction status, male juvenile delinquents released from "approved" school, 54:12184
age & amount of illicit drug involvement, outcome of brief program of individual psychotherapy, pre-adult drug involved ex-offenders, 58:10084
age variations, frequency of property crimes, 15 & 16 yr olds, 54:5539
aggression & need for approval & socialization, psychopathic & neurotic & subcultural delinquents, 55:4680
analysis of demographic characteristics, juvenile delinquents who drew tree of House-Tree-Person with hole vs adolescents who did vs did not draw tree with hole, 57:3309
antecedent & process variables, differential performances in stress-challenge program in wilderness, adjudicated delinquents, 55:12798
assaultive & troublesome behavior, adolescent homosexual prison inmates, 56:10085
assessment & treatment plan & primary counseling in open-residential therapeutic environment, postrehabilitation success, 12–18 yr old offenders & predelinquents, 55:10213
attitude changes, juvenile delinquents in reception & evaluation center, 55:2779
attitudes toward police & police image, high school students & juvenile delinquents, 58:7389
attitudes toward police, adolescent delinquent group members, 54:7871
beginnings of & current practices, behavior therapy with delinquents, 58:12128
behavior modification approaches, treatment of delinquent youth & their families, 53:12172
behavior modification, delinquent offender, 53:7933
behavior modification vs transactional analysis treatment programs, 15–17 yr old delinquents, 55:10529
behavior rating correlates, 16 Personality Factor Questionnaire, juvenile offenders, 53:11929
behavioral approach, systematic mobilization of community for academic & social behavior change, community-based residential program, adjudicated female adolescents, 55:1183
behavioral decision making model, delinquent & predelinquent adolescents, implications for counseling, 58:11891
Bringing It All Back Home project, regional adaptation of Teaching-Family Model group home for adolescents with emotional & behavior problems & delinquents, 58:3955
career orientation program, state anxiety & life goal changes, anxious institutionalized delinquent youth, 57:6532
characteristics of crimes committed & peer relations & family background & income level, temporary vs continuing delinquent 18–19 yr old males, 55:12481
checklist developed by J. S. Stumphauzer, evaluation of tension tolerance, 14–21 yr old juvenile delinquents, 55:12474
children's hearings system, recommendation for child-family intervention to correct child's behavior, delinquents under 16 yrs of age, Scotland, 56:9777
children's hearings system replacing juvenile courts in Scotland, feasibility in America, 54:3878
civil liberties vs mental health care, imposing treatment & punishment in court clinic setting, juvenile delinquents, 54:3876
clarification of immediate reality & combination of interpretation & limit-setting in treatment program, delinquent children & young adults with personality disorders in residential setting, 55:2765
cognitive complexity & impulsivity-reflectivity & present-future time perspective & cheating behavior, predictions of subtype differences of "I" level classification system, institutionalized delinquent girls, 55:7350
college education, youth in correctional institutions, 55:3206
color choice, male Caucasian adolescent psychotics vs delinquents vs drug users, 55:7261
community treatment, young adult offenders, 54:3864
community-based behavioral intervention, 10–17 yr old delinquents, 55:1027
constructive group activities program as pretherapy experience, juvenile offenders, 55:7576
contingency contracting & communication skills training & videotape feedback, school attendance & compliance with curfew & chores & verbal abusiveness to parents, recidivist delinquent 14–17 yr olds & their parents, 54:12351
contingency contracts, work rate, juveniles on probation & under court order to pay fines, 53:8116
contingent vs noncontingent structured environment, behaviors & perceptions of institutional environment, inmates of federal youth institution, 57:13459
counseling & career development, rehabilitation, youthful offender, 54:10333
covert sensitization & negative reinforcement, treatment of disruptive classroom behavior, male adolescent hospitalized delinquents, 55:10381
criminal & drug usage histories & social characteristics, adolescent heroin users vs juvenile offenders vs nondelinquents, 56:10105
criminal behavior & intelligence & personality traits & psychological characteristics, juvenile delinquents, 54:12047
crisis intervention counseling, rearrests & use of probation services & days detained & costs & family satisfaction, 1st & 2nd time juvenile offenders, 57:1758
criterion-referenced measurement focusing on educational objectives, shaping & differential reinforcement for motivation in acquisition of psychomotor skill, 13 yr old male & 16–17 yr old male juvenile delinquents, 58:10544
delayed vs immediate vs no feedback & level of aspiration statements, motivation on learning tasks, adolescent delinquents, 56:4582
delinquency & institutionalization, range of future time perspective, 17–21 yr old prison inmates vs soldiers vs delinquents on probation vs vocational students, 54:3381
delinquency intensity & type of commitment, variance in deviance label, juveniles, 56:3923
demographic & family interaction characteristics, juvenile delinquents, 54:3368
demographic factors, patterns of cognitive control functioning, adolescent delinquents, 58:3551
demography, heroin addiction, youthful offenders, 56:863
derivation & use of new conversions for Mini-Mult, juvenile delinquents & college students, 57:111
description of student attitudes toward home & school & criminal justice system, identification of motivational incentives promoting self confidence, middle school students & residents of youth home, 56:3001
development of evaluation model using case studies, application to treatment program of community-based home for juvenile delinquents, 57:4140
development of neighborhood-based child placement program, assistance for troubled youth & their families, 54:10276
developmental patterns, moral judgment, delinquent children, 58:7690
diagnosis & intervention in school, changing attitudes & behaviors, delinquent & delinquency-prone children, 55:10472
diagnostic interviewing method, youthful offenders, 53:8077
diagnostic relevance & predictive validity of WISC scores & relationship with sex & race, 13–16 yr old black vs white sociopaths, 56:8188
differential behavior classification system, differentiation between probation successes & failures, juvenile offenders, 58:12251
differential characteristics, runaways & runaway attemptees vs nonrunaways at maximum security institution, 54:12418
differential modulation of stimulus intensity, kinesthetic aftereffects, institutionalized 13–17 yr old delinquents vs nondelinquents, reanalysis of A. Petrie's data, 56:10078
differential WISC patterns, identification of specific personality types, male vs female Black vs White incarcerated delinquents, 58:5575
differing expectations of administrators & staff & residents, problems for social workers in juvenile training school, 55:5225
dimensions of vocational interests in Ohio Vocational Interest Survey, male juvenile delinquents, 54:12075
drug usage prevalence & attitudes toward drugs, secondary school students & college students & student nurses & patients attending outpatient clinics & hospitalized patients & young offenders in Glasgow, Scotland, 54:11561
ear asymmetry, screening for congenital central nervous system defects, mentally retarded & learning disabled & delinquent children, 53:7698
effectiveness of various reinforcement schedules by staff & peers in educational rehabilitation setting, 15–17 yr old delinquents, 55:2788
ego defenses, treatment procedures & techniques aimed at acting-out character disorders, juvenile delinquents, 58:8071
elements of diagnostic evaluation, clarification of overlooked psychopathology, juvenile delinquents, 57:6066
emotional distance & overcloseness in family process, hostile Rorschach responses, juvenile delinquents, 58:11887
evaluation of Patuxent Institution, institution for modern psychiatric treatment of "defective delinquents", 58:1810
experience with justice system, attitudes toward police & juvenile probation & juvenile court, 14–18 yr old clients of justice system vs nonclient 14–15 yr olds, 56:6196
experiential learning model in group counseling, self concept & ego scale performance, male & female incarcerated delinquents, 57:6529
family background & relations & personality traits, juvenile delinquents with history of public drunkenness, 57:10550
family history & self concept & sports interests, Mexican American vs Caucasian male juvenile delinquents, 55:12478
family therapy, families with delinquent offspring, 55:5040
feedback, disjunctive RT, delinquents vs nondelinquents, 56:4262
form analysis of action expressed in narratives, identification of frontal lobe system immaturity, normal vs delinquent vs emotionally disturbed 9–16 yr olds, 58:3437
functional & dysfunctional aspects of school, recidivism rate, black & white 15–19 yr old juvenile delinquents, 55:12484
group discussion of moral dilemmas, moral development test scores, male & female juvenile delinquents, 58:8063
group transactional analysis alone vs with perceptual motor training, locus of control & classroom behavior & self concept, imprisoned juvenile delinquents, 57:13223
high vs low police department juvenile diversion rates, recidivism & labeling & deterrence, 1st & multiple juvenile offenders, 54:9934
highly structured school program using token economy system, academic achievement & offense rate, juvenile delinquent school dropouts on probation, 57:11048
history & development of Family Court Clinic, psychiatric services to delinquent youths & their families, Canada, 58:4023
history & orientation of psychologists vs social workers vs law enforcement agencies, diagnosis & rehabilitation of juvenile & adult offenders, 58:1827
humanistic behavior therapy, individual treatment of behavior problems, case study of juvenile delinquent, 56:10339
identification & imitation, therapeutic process, therapist & juvenile offender client, 54:5743
illegitimacy, juvenile delinquency, illegitimate institutionalized male juvenile delinquents, 55:2493
imprisonment & enforced passivity, ego regression, federal & juvenile prisoners & hospital patients, 53:9809
incarceration, MMPI personality changes, youthful offenders, 55:12489
incidence & causes & identification & treatment & preventative programs, juvenile delinquents, India, 53:9839
incidence and psychological & psychopathological nature & epidemiological aspects, suicidal tendencies & relation to violence, adolescent delinquents, 53:1443
informal organization, educational control in correctional institution, young offender, 54:10403
information contained in cumulative school records, juvenile delinquents vs nondelinquents, implications for unobtrusive detection of signs of potential delinquency, 57:8446
insertion/diversion/referral decision for juveniles contacted by police, juvenile police officers, 58:9408
inservice counselor training, counseling ability, juvenile probation officers, 56:2752
institutionalization, value systems, young offenders in training school, 54:3930
instructions & feedback & model-imitation procedures, modifying parental social behaviors, husband-wife teams who operate community-based group homes for predelinquent & delinquent youths, 55:10469
instructions & feedback & modeling as training methods, interpersonal parenting behaviors, staff in group homes for juvenile delinquents, 55:5370
intelligence, frustration reaction, juvenile delinquents, 54:12062
intelligence tests, family court placement, mentally retarded juvenile offenders, 57:1112
interdisciplinary treatment approach & similarities & differences, learning disabled & juvenile delinquents, 54:3605
intervention program using tutorial reading program with tokens & group counseling with cash reinforcement for attendance & cultural enrichment, reading achievement & social behavior, delinquent & predelinquent adolescent black 7th & 8th graders, 55:1334
IQ and age, social situation comprehension, 12–15 yr old delinquents & nondelinquents from low income families, 58:3564
jailing & detention & characteristics of facilities, juveniles, 54:8237
juvenile court alcohol education program, alcohol offense recidivism & attitudes & knowledge about alcohol, juvenile alcohol offenders & their parents, 58:12271
juvenile referral system, prevention of recidivism & diversion from court, referred vs nonreferred juveniles apprehended by police, 58:8076
knowledge & attitudes regarding juvenile justice system & law-abiding behavior, incarcerated delinquent youth vs nondelinquent 7th & 9th & 11th graders, recommendations for law-related curriculum in elementary school education, 57:8463
legal & medical & psychological & social & psychotherapeutic aspects, juvenile delinquency, 54:5548
legal processing, perceptions of delinquent's public identity, high school juniors & seniors, 58:9403
lithium, aggression, male prisoners & 16–23 yr old delinquents, 54:5885
lithium carbonate vs placebo, aggressive behavior modification, nonpsychotic incarcerated 16–21 yr old delinquents, 56:10381
locus of control & achievement motivation, delinquent vs nondelinquent Black adolescents, 58:3532
locus of control, delinquent & predelinquent 8th graders, 55:8245
Maudsley Personality Inventory, extraversion & neuroticism, delinquent vs nondelinquent youths, 54:9943
Minnesota youth-advocate delinquency-rehabilitation program, school & community adjustment, delinquents returning to school from correctional institution, 56:10450
MMPI profiles, juvenile delinquents vs nondelinquents, 55:12488
modeling & behavior modification techniques, rehabilitation of juvenile offender, 53:12320
multidimensional comparative survey, juvenile correctional programs, book, 58:6044
musical distortions paired with sine wave signal, loud work-related noise in workshop task & pedaling exercise bicycle, retarded young adult delinquents & institutionalized retarded 22 yr old male, 54:10213
need for locked wards, youths who chronically escape from training schools, 57:4116
negative aspects of juvenile detention centers, self esteem, juvenile delinquents, 54:3934
neuroticism & intellectual aptitude & family environment, psychological classification, 17–21 yr old prisoners, 58:11892
noninterpretation & nonconfrontation intervention techniques, psychotherapeutic resistance, delinquents, 53:10044
official labeling of juvenile justice processing, self & perceived labeling of significant others, juvenile delinquents, 58:7387
open education approach & behavior modification techniques, working with adolescent offenders in nonresidential community-based day centers, 55:12812
overcoming obstacles to family therapy, involuntary families in juvenile court setting, 54:3742
overprotective & overpossessive & authoritarian attitudes, mothers of neurotic & schizophrenic & delinquent & physically defective children, 57:12862
parental marital status, Cognitive Vocational Maturity Test scores, delinquents with parents living together vs divorced, 54:5559
participation in interactive activities, enjoyment & learning & self confidence & interpersonal skills, 13–15 yr old delinquents & students, 54:6296
Peabody Picture Vocabulary Test, estimation of WISC scores, black vs white delinquents with WISC IQs in 80–89 vs 70–79 vs below 70 ranges, 56:3209
perception of father's childrearing attitudes & practices, juvenile delinquents vs normal adolescents, 55:2502
perception of parent-child relations, delinquent vs non-delinquent adolescents, 56:2491
perceptions of parental educational methods, 16–18 yr old institutionalized delinquents vs normal controls, 57:8461
personal & demographic data & MMPI data, prediction of subsequent institutional adjustment, juvenile offenders in training school, 55:5282
personal characteristics & attitudes, discretion in petty theft & malicious mischief dispositions with juvenile offenders, police personnel, 55:665
personal life history & self perception & school problems, delinquent vs non delinquent 13–17 yr olds, 55:883
personality & self concept characteristics, Negro aggressive antisocial behavior, lower class Negro vs white & delinquent vs non-delinquent 9th grade boys, 55:4852
personality & sociodemographic characteristics & treatment program adjustment & structure, recidivism, delinquent youths treated in rehabilitation programs, 58:6030
personality characteristics & interpersonal styles, juvenile probation officers, implications of findings for relationship between officers & their delinquent clientele, 57:1756
personality traits, behavioral change, 13 yr old delinquents, New Zealand, 54:1345
personality traits, white male heroin addicts vs psychiatric patients vs incarcerated delinquents vs college student marihuana users vs police officers, 53:9853
pilot work-study program, school adjustment & self concept, delinquent male adolescents returning from correctional institutions, 55:3140
police decision to prosecute juvenile, support for labelling theory predictions, New Zealand, 56:7814
postrelease circumstances & behavior, parole outcome, youthful heroin offenders, 57:13453
pre-court family therapy intervention, cases terminated or referred without court action, juvenile status offender, 58:6025
probation vs detention, recidivism, male juvenile offenders, 53:6036
procedure for increasing therapeutic effectiveness of timeout from reinforcement, juvenile delinquents, 55:2679
programs using behavioral techniques & effectiveness evaluation, juvenile delinquents, 55:2678
psychiatric description groupings & family patterns of delinquency, characteristics, adolescent delinquents & their parents, 57:10560
psychiatric history & intelligence & social desirability & mental state, drug usage, Borstal boys, 57:8447
psychological differences, underachieving institutionalized male delinquents vs nondelinquents, 55:10028
psychomotor epileptic symptoms & paranoid symptoms, delinquent children referred to juvenile court, 57:10538
psychosocial differences, male vs female delinquent drug dependents, 57:1437
psychotherapeutic processes, juvenile delinquents, case reports, 54:10138
psychoticism, 18–25 yr old recidivist prisoners vs manual laborers vs handball players, Czechoslovakia, 57:10554
Q analysis for refinement of diagnostic effectiveness, Holtzman Inkblot Technique, normal vs delinquent & retarded black male adolescents in low socioeconomic neighborhood, 56:3220
questioning & interviewing of children & adolescents by police & legal authorities, interviewee reactions & impressions & improvement of techniques, 58:7390
questioning of children & adolescents by police, anxiety-creating aspects & formulation of code of ethics, 58:7381
questioning of children & adolescents by police & legal authorities, types of situations & status & rights & age of interviewees & selection & training & specialization of interviewers & procedural methods, 58:7391
race & demographic characteristics & parental drug & alcohol use, alcohol & drug use, juvenile drug offenders, 53:5647
race & sex & age & income status & interpersonal relations, interpersonal relationships of juvenile offenders & their victims, 57:10556
race & sex differences, WISC subtest patterns, white vs black delinquent vs nondelinquent 9–17 yr old retardates, 56:892
ranking of values for self & mother & father, parental & generational discrepancies in value systems, 12–17 yr old delinquents & nondelinquents, 54:9928
ratings of important factors, satisfaction with self government system, delinquent in family style group home treatment program, 58:10071
reality therapy oriented group counseling, delinquent behavior disordered male 8th graders, 55:11048
recidivism in Poland, value as criteria in assessing effectiveness of penal measures, 54:3913
recreational facilities in detention center, 12–17 yr old juvenile delinquents, 56:4596
relationship valence, measurement of probation officer–delinquent relationship, 53:10319
relationship with youthful offenders & critical areas for effective intervention, correctional counselors, 55:2798
research expectancy, peer interactions & activity level, institutionalized 16–19 yr old delinquents, 53:1440

role of criminologist in diagnosis & prognosis & education of young offender, 54:7860
role of generalization training, transfer of prosocial behavior to extra-training settings, male & female delinquent adolescents in residential treatment center, 56:10304
role of volunteers, innovative drug programs for youthful offenders, 54:8201
running away from aftercare placement, 14–17 yr olds, 55:4806
selective bias by official decision-makers & social control, delinquency recidivism, juvenile offender records, 53:5630
self concept & delinquent types as delineated by H. Quay, 13–17 yr old delinquents incarcerated for 1st time, 56:10092
self evaluation & social structural variables of age & sex & race & socioeconomic background & broken homes & delinquency involvement or vulnerability, delinquents vs normal junior & senior high school students, 58:9703
self report measurement of "delinquent orientation," institutionalized delinquents vs high school students, 55:10033
separation from parents during incarceration in reception center, anxiety & fright & rejection, delinquent children, 58:8060
sequential role changes of probation officer, positive & responsible behavior changes, adolescent offenders, 53:6026
sex & race & census area family socioeconomic achievement & previous delinquent behaviors in area, severity of 1st offense of delinquent behavior, violent vs nonviolent youth offenders, 58:1345
short term treatment based on conceptualization of delinquency as manifestation of hidden depression, 14–18 yr old delinquent inpatients, 57:13114
similarities & differences in 3 residential treatment programs, delinquent & delinquency-prone adolescents, 54:10379
situational & experiential parameters during release & community reentry from state reformatory, youthful offenders, 55:5292
social censure & personality & demographics, performance, male black & white delinquents & nondelinquents & probationers, 55:10020
social characteristics & legal factors, court disposition & conferring delinquent label, juvenile court dispositions, 57:6530
social class, socialization history & mental health status & personal adjustment, young adult schizophrenics & juvenile delinquents, Santiago, Chile, 56:4166
social work department, local groups providing community care systems for juvenile delinquents, Scotland, 54:3846
socioeconomic & personality characteristics, juvenile delinquent drug users, 55:12454
socioeconomic status & self esteem & perceived parental esteem, delinquents vs nondelinquents, implications for production of probability of delinquency, 57:8473
socioeconomic status, self-descriptions of "real" vs "ideal" self, normal 16–18 yr olds vs juvenile delinquents, 53:11766
specificity of information in regard to being fined for forbidden behavior, number of fines received subsequent to initial fine, delinquent students at state reformatory school, 57:6533
spontaneous & defensive movements & perceptual maturity & difficulty & conflict areas & content analysis for scoring & interpretation, Children's Object Relations Technique, normal & psychotic & subnormal & delinquent & phobic children, 55:1775
staff assessments & offense background, accuracy of prediction of recidivism rates for Black & White court-adjudicated male adolescents from residential correctional institutions, staff, 2-yr followup, 57:13446
stereotyped beliefs about delinquents, differential treatment of offenders in legal processing system, 58:12266
stimulation seeking level measured by Sensation-Seeking Scale, test of arousal theory of delinquency, delinquent vs nondelinquent Black adolescents, 58:3565
structured & theme-centered group interaction model, attempt to overcome difficulties in group counseling setting, juvenile probationers & probation officers, 55:7565
structured group discussion of moral dilemmas, moral development test scores, juvenile delinquents, 57:3564
teaching program in special education classroom, writing biographic information for application forms, delinquent or mildly mentally retarded 14–16 yr olds, 54:4184
therapeutic approach used by juvenile court clinic, emotional-cognitive structuralism & general systems theory basis, 57:13447
therapeutic camping program, changes in social behavior & court contacts, delinquent adolescents, 56:2698
therapist characteristics & therapist & family process, outcome of short term systems-behavioral model of family intervention, families of delinquents, 56:8358
therapy intervention models & role assessment, parents of chronic delinquents, 53:3767
time orientation & delay of gratification, males vs females & black vs white & younger vs older juvenile delinquents institutionalized in 1974 vs 1959, 54:9924
time requirements of verbal interaction techniques with delinquent youths, juvenile court workers, 55:12801
time sense, heavy vs light drug users 15 yrs old or over, 56:8156
token economy program replicated from Achievement Place, modification of savings & conversational interruptions & table-setting at Welcome Home residence, male juvenile delinquents, 54:12449
training in behavioral components of police–youth interaction, preparation for encounters with police officers, court-adjudicated delinquent youths & police officers, 54:3916
training to generate negotiated consequences to conflict situations, communication skills with authority figures, predelinquent parolees in token system, 57:13451
transactional analysis, self concept, noninstitutionalized adjudicated delinquents, 58:7869
transcendental meditation, self actualization & anxiety & happiness & drug usage & interpersonal relations & social behavior, juvenile offenders, 55:7758
treatment effectiveness evaluation research, Police Diversion Program, recidivism & school behavior, juvenile delinquents, 55:10538
treatment modalities at Kansas Boys Industrial School residential treatment program, juvenile delinquents, 57:8895
uniformity of juvenile arrest definitions & operations, police chiefs & clerks & officers from rural & suburban & urban police stations, 54:7397
utilization of crisis state in therapy, juvenile delinquents in detention center, 54:10101
validity of interpersonal maturity theory as represented in behavior checklist as delinquent typology, male delinquents, 58:7695
validity of Jesness Inventory, discrimination between delinquency levels & prediction of recidivism, juvenile delinquents, Great Britain, 57:2247
videotape & peer-group process support, antisocial attitude change, delinquent adolescents, 53:3753
videotaped models & role playing of problem situations in group home & school settings, interpersonal adjustment, 12–16 yr old male delinquents, 56:1097
violent crime extent & degree, male & female delinquent adolescents, implications for community treatment & evaluation & diagnostic procedures, 53:5599
Whitehorn-Betz A-B variable & personality correlates, success rate with juvenile offenders, correctional personnel, 58:12309
WISC subtest scores & IQ, incarcerated juvenile delinquents vs alleged delinquents living at home, 55:4839
WISC vs WISC-R subtest & IQ scores, juvenile delinquents, 57:10557
workshop proceedings, legal problems of correctional & mental health & juvenile detention facilities, attorneys in mental health field, 54:5683

Juvenile Gangs
attitudes, male gang members attending an innovative alternative high school, 55:10917
attitudes toward police, adolescent delinquent group members, 54:7871
gang affiliation vs nonaffiliation, victimization by gangs, 15–18 yr old males from correctional institutions & job-training program & inner city high school, 58:3533
gang membership & uncertainty absorption, family interaction patterns, nuclear vs companionship families, 55:656
local juvenile gangs, organization & status of individual members & delinquent activities & nature of other associated groups, 13–16 yr old offenders, Great Britain, 57:8466
personality patterns & similarity to male gangs & crime incidence, delinquent female gang vs nongang members, 58:7719
political attitudes & activities of black youth gangs, 21–35 yr olds, followup study, 56:5937
profile of street gang affiliation, 15–28 yr old Black & White disadvantaged males from correctional facilities & job training program & Youth Corps & inner city high school, 57:10524
race & parental absence & pathologies in family life during childhood, sex role conflicts, male gang delinquents, 55:10039
survival, gang behavior, 18–23 yr old black gang leaders, 53:1002
violent juvenile gang interaction patterns & normative structure, relationship to school attendance & achievement, inner city 13–19 yr old black male gang members, 55:13314

Keypunch Operators [See Clerical Personnel]

Kibbutz
age & kibbutz vs Bedouin vs middle vs lower class environments, rate of mother provided social stimulation, 2 vs 4 vs 7 vs 11 mo olds, implications for studying cultural differences & age trends & profiles of behavior in infancy, 57:1010
age & socialization milieu, internal–external locus of control, 9–14 yr olds reared in different kibbutz movements, Israel, 53:910
analysis & categorization, group processes, 1–4 yr olds in Israeli kibbutz & US preschools & day care centers & neighborhood playgrounds, 55:9492
attitudes & experiences, females in Israeli kibbutz, book, 55:4359
birth order, child psychiatric referrals, 6–14 yr olds from kibbutz vs Israeli urban clinic, 54:11614
birth order, risk taking behavior, 14–18 yr old urban vs kibbutz dwellers, 57:3284
changes & trends & sociocultural factors, kibbutz adolescents, 57:2862
cultural conformity & superego development in Israeli kibbutz, 54:9450
developmental differences, cooperative & competitive behavior during game playing in dyads, 4–11 yr old kibbutz vs urban Israelis, 56:2171
differentiation of self concept & ability to step outside immediate frame of reference, Kibbutz vs Moshav adolescents, 55:4412
educational system within & attitude changes toward kibbutz & social values & ideas, 18 yr old graduates of secondary-type schools, Israel, book, 56:10522
encopresis, 2–13 yr olds raised on Israeli kibbutz, 53:3317
enuresis, toilet-training by multiple caretakers, kibbutz-reared 4–18 yr olds, 53:3305
heart rate & finger sweat before & after injections, usefulness of psychophysiological measures of fear, kibbutz & urban 12 yr old females, 54:10066
intimate friendship, kibbutz vs city children, 56:7722
intrinsic & extrinsic rewards, motivation, kibbutz workers, implications for applied settings, 57:2042
kibbutz, relationship between socialization & personality & theoretical aspects, 55:2334
kibbutz system, behavioral & emotional problems of adopted children, 6–13 yr olds, 55:607
moshav vs kibbutz vs village, comparison of rural settings, Israel, 54:2809
parental degree of socially perceived similarity, adjustment, 10–13 yr old kibbutz children, 54:11464
perceived socialization & childrearing practices of parents vs teachers vs peers vs care givers, 5th & 6th graders from kibbutzim vs urban 6th graders, Israel, 57:3050
psychohistorical analysis of personality dynamics, 2 generations in Israeli kibbutz, 55:12074
rearing in family vs collective settings, reactions to social pressure, Israeli & Soviet 12 yr olds, 54:11473
social roles & values & interpersonal relations, affective & ideological commitment to society, Israeli kibbutz, 54:5078
socialization in Israeli kibbutz, bibliography, 53:11460
structure of kibbutz educational systems, psychological characteristics, kibbutzim children, 55:10769
syntactic & articulatory abilities, kibbutz vs city 3–4 yr olds, Israel, 57:875

Kidney Transplants [See Organ Transplantation]

Kidneys
encounters with male intruders, body weight & renal pathology & collapse, captive wild rats, 54:6878
grief stages following kidney failure, patients with renal failure, 58:9763
inability of kidneys to respond to exogenous & endogenous antidiuretic hormone, polydipsia & polyuria, SWR/J mice, 54:11169
neuroleptics & tricyclic antidepressants & sedatives & anti-epileptics, transport adenosine triphosphatase in renal tubules, guinea pigs, 58:696
neuroleptics vs tricyclic antidepressives vs sedatives vs anti-epileptics, conformant transition in transport adenosine triphosphatase from renal tubules, guinea pigs, 58:710
personality & motivation for donation & psychological risks in decision, 16–20 yr old potential & actual kidney donors, 53:10290
psychoanalytic interpretation, response to kidney transplants, patients, 54:7965
vasopressin administered to Ss with lithium-polyuria, inhibition of vasopressin response & osmolality of renal medullary tissue & antidiuretic response & urine flow, male rats, 56:2013

Kindergarten Students
academic readiness & sex & sibling position in family, self vs mother vs teacher perceptions of S, kindergartners & mothers & teachers, 55:13400
achievement characteristics on pattern recognition tasks, high & low performers in preschool & kindergarten & 1st grade, 55:13346
acquisition of rules of behavior, development of eating habits, kindergartners, 54:11422
actual & preferred parental involvement in kindergarten program, school administrators vs teachers vs parents of kindergartners, 56:8671
administration during first & last month of school year, stability of Peabody Picture Vocabulary Test, kindergartners, 55:1557
affective education, cognitive performance on intelligence & reading readiness measures, kindergartners, 55:3004
age & school experience, performance on visual perception tests, kindergartners & 1st graders, 55:13628
age & sex & IQ & maternal employment & classroom instruction, sex role stereotyping of occupations, 4–5 yr olds attending private day school, 56:10596
age & sex, recall ability & identification of basic color terms, Head Start & kindergarten students, 58:10366
age, reproduction & identification & extension of linear patterns in enactive & iconic & symbolic cognitive modes, disadvantaged 4–7 yr olds with below normal mental ability, 56:9655
alternative school program, selected cognitive & affective areas of growth, non-urban kindergartners to 6th graders, 58:4228
anxiety-free vs anxiety-provoked test conditions & impulsive vs reflective vs incisive vs withdrawn cognitive styles, intelligence & reading & arithmetic achievement & visual motor development & auditory discrimination & classroom behavior, kindergartners & 1st–4th graders, 58:4314
approval & disapproval reactions of others, level of aspiration & physical self concept, kindergarten vs 2nd vs 4th grade boys, 58:2122
articulation with teachers vs listening quietly during lessons, foreign language learning, kindergartners, Munich, 57:9075
association learning & visual recognition memory & auditory recall, performance on beginning reading tasks involving paired associate learning, kindergartners, 58:2075
associational learning approach vs basal reader approach, transfer & retention of learned words, nonreading kindergartners, 57:6748
attendance in regular vs special education classes, rating on Behavior Problem Checklist, White & Mexican American kindergarten through 5th graders, 56:4974
attitude toward & proficiency in reading & understanding of reading purposes & functions & literary concepts & writing ability & Piagetian task performance, kindergarten vs 1st grade readers vs nonreaders, 57:13814
auditory training program, auditory functioning & reading readiness & self concept, kindergartners, 57:13727
autistic developmental scale performance & age, adjustment to groups, autistic children participating in kindergarten & elementary school groups, 58:9654
behavior modification using "game," "charging" to front of line, kindergartners, 54:10518
behavioral approach by teacher, self concept, kindergartners, 1st–4th graders, 56:2862
behavioral vs aptitude based instruments, 1st-grade achievement prediction, educationally high risk & high potential kindergartners, 58:12765
Bender Resisted Exercises, symmetric tonic neck reflexes & achievement test scores, kindergartners & 1st graders, 56:4785
child's nonverbal social behavior, social system of physical contact in kindergarten classroom, 55:5601
classroom instruction in formation of superordinate classes in union of sets, Piagetian class inclusion task performance, kindergartners, 54:6323
classroom noise & presentation methods, learning rate of dissimilar words, male & female kindergartners, 55:5618
classroom observation by teachers, identification of educationally high-risk children, kindergartners, 56:4958
classroom operant conditioning interventions, social consequences & behavior of nontarget children & changes in their perceptions of target Ss & peer interactions, aggressive kindergarten male & withdrawn 1st grade female, 56:4854
classroom structure, job-related attitudes & opinions, kindergarten teachers, 58:10267
cluster analysis, patterns of observable behavior, high-risk kindergartners, 54:10640
cognitive styles of field dependence & reflectivity-impulsivity & reading readiness interrelationship, kindergartners, 55:5587
color coding & fading, initial discrimination on sight word reading task, kindergartners, 55:10794
comprehensive vocabulary development, readiness-to-read vocabulary development, male vs female Black vs White kindergartners, 58:10409
conservation training, school readiness, kindergartners, 53:12413
construct validity & test-retest reliability, Primary Self Concept Scale, Spanish-surnamed kindergartners & 1st–4th graders, 55:54
construct validity of Devereux Elementary School Behavior Rating Scale, kindergartners, 58:6717
contact styles, adjusted vs maladjusted kindergartners to 6th graders, implications for matching students & teachers, 55:5624
contingent vs noncontingent social reinforcement & practice, ball-striking performance, kindergartners, 55:10726
continuous-progress systems approach to individualized reading instruction, acquisition of word-attack skills, kindergartners, 55:3090
convergent validity, Arthur Adaptation of Leiter International Performance Scale & Raven Coloured Progressive Matrices & WISC performance section, 5–8 yr olds with mild to moderate hearing impairments, 57:9189
convergent validity, Draw-a-Person Test & Peabody Picture Vocabulary Test & Stanford Binet (L-M) estimations of intelligence, kindergartners, 54:1995
copying vs tracing practice exercises, teaching handwriting, kindergartners & 2nd graders, 55:7982
correlation of age of entrance into kindergarten & dysfunctional problems of early & middle elementary grades, 4th & 8th graders, 55:10951
cost-effectiveness, preschool assessment & reading readiness intervention programs, kindergarten high-risk learners, 55:8288
creative free play program, creativity & divergent thinking & achievement & readiness, kindergartners, 57:13757
creativity enrichment program effectiveness, 6 yr old kindergartners, 54:3986
criterion-referenced test development, measurement of fundamental musical listening skills attainment, kindergartners through 3rd graders, 58:6709
criticism in learning situation, avoidance & aggressive behavior, nursery & kindergarten students, 57:6875
daily vs weekly collective kindergarten attendance, speech & intellectual development, 3–5 yr olds, 55:9431
design & development & validation of broad screening procedures, identification of high divergent thinking ability, kindergartners, 58:12745
development & implementation of early intervention motor-language program, identification & remediation of potential language disabilities, kindergartners, 55:10803
development & pretest of visual perception screening test for use in preschool education, kindergartners, 55:13626
development & validation, listening comprehension tests, kindergartners & beginning 1st graders, 53:4123
development changes, word recognition strategies, kindergartners vs 1st–6th graders vs college students, 56:2148
development of diagnostic-prescriptive program to identify early learning disabilities, kindergartners, 57:4469

development of scheduling model, matching teaching style with learning style, teachers & kindergartners, 56:2977
development of temporal order, ability to learn to read, 5–6 yr old kindergartners, 55:5582
development of vocabulary list, development of curricular materials for Spanish/English bilingual classrooms, Mexican American kindergartners to 3rd graders, 56:4806
developmental-interactional educational program, learning problems & related emotional factors, socioeconomically deprived "vulnerable" 4 & 5 yr olds, 54:8449
diagnostic-prescriptive reading readiness program vs teacher administered program, reading readiness, disadvantaged kindergarten high risk readers, 55:1516
direct vs vicarious feedback, acquisition of novel language concept, kindergartners vs 1st vs 4th graders, 54:8865
discovery vs verbal cue vs response vs motor response instructional modes, volume & tempo & pitch & duration musical concept task performance, kindergartners & 1st & 2nd graders, 54:6286
distinctive feature training using 3- vs 2-dimensional letter-like forms, confusion errors in visual form discrimination, kindergartners, 54:8421
Draw-A-Person Test performance, screening for emotional disturbances, kindergartners, 57:6966
Dreikurs Parent Study Group Method, parental attitudes toward & behavioral interaction with school, parents of kindergartners through 3rd graders, 55:11024
E biasing information, tutor teaching behavior & children's learning performance, kindergartners & female college students as tutors, test of self fulfilling prophecy, 55:1399
early identification of potential learning problems & determination of need for modifications in curriculum, kindergartners, 56:4684
early identification program, potential learning difficulties, kindergartners & 1st graders, 53:1988
ecological demands, cognitive structures, psycholinguistic profiles of kindergartners & 1st graders from isolated coastal communities, Labrador, 53:11427
Education Development Center vs Learning & Research & Development Center Follow Through instructional models, promotion of language development & school adjustment & academic achievement, Ss in Head Start & kindergarten & 1st grade, 55:13199
eidetic imagery, kindergartners & 2nd & 3rd graders with "subnormal" vs normal language skills, 56:8716
English proficiency, prediction of achievement, Mexican American beginning elementary & kindergarten students, 56:1501
environmental context cues, word recognition in pre-reading education, post-kindergartners in summer school readiness program, 55:13251
ethnicity & desegregation, correlational validity of IQ for prediction of school performance, kindergartners to 3rd graders, 56:6858
evaluation of Distar Language I Program & Beginning Pictures & Patterns Program, development of visual-motor & language readiness skills, disadvantaged kindergartens, 56:10635
experimenter bias, training effects on Draw-A-Man Test performance, kindergartners, experimental replication, 55:5696
exposure to schooling & participation in summer program, achievement growth during summer months vs school year, poor vs nonpoor kindergartners vs 1st vs 2nd graders, based on data from national Follow Through evaluation, 58:4238
factor analysis & item validity, revised Illinois Test of Psycholinguistic Abilities, disadvantaged Black & middle class White kindergartners & White middle class 1st graders, 57:11788
familiarity & cognitive synthesis tasks, reading achievement, kindergartners, 56:6772
family structure & socioeconomic status & sex, reading scores, kindergartners, 58:10402
form class & defining contexts, word learning, beginning readers & prereaders in kindergarten & 1st grade, implications for teaching of sight vocabulary words, 57:11325
form perception vs spatial orientation vs combination visual programs, school readiness, kindergartners, 55:8047
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Ottawa, Canada, 57:4316
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Toronto, Canada, 57:4317
gross-motor vs fine-motor skill training programs, intelligence scores & perceptual motor skills, kindergartners, 57:6797
Hayes Early Identification Listening Response Test, prediction of school readiness & early grade achievement by classroom teachers, kindergartners, 57:9159
home & background cultural differences, concepts of reading & writing, non-Indian vs Indian Canadian kindergartners, 55:9408
home environment, cognitive & affective performance, educationally disadvantaged kindergartners, 56:3805
home visit parent education program, information processing ability & attitude toward learning, academically disadvantaged kindergartners & their parents, 55:13217
identification models, high risk of reading failure, kindergartners, 53:10549
identification of educational risk in kindergarten & predictive validity of observable classroom behavior, teacher ratings & achievement, 1st graders, 56:6844
identity & measurement & real-phenomenal hierarchically ordered training, acquisition of conservation by transfer, kindergartners, 57:4319
Illinois Test of Psycholinguistic Abilities & Concept Assessment Kit—Conservation, psycholinguistic & conservation abilities, 5 yr olds entering kindergarten, 55:1608
incidence & profile of learning disability, kindergartners & 2nd & 4th & 6th graders from suburban school vs referred to clinic, 56:4277
individual progression vs traditional curriculum organization, achievement & adjustment & attitudes, kindergartners & 1st graders, 55:3037
individualized instruction strategy for 1 vs 2 years, academic achievement, kindergartners & 1st graders, 57:13776
individually prescribed instruction program, academic achievement, kindergartners to 4th graders, 57:1925
inservice education program evaluation, recognition & accommodation of children with learning problems, kindergarten to 3rd grade teachers & students, 55:5471
instruction using matching geometric patterns vs letters & words, English orthography discrimination, kindergartners, implications for development of reading readiness activities, 58:6216
instructional play media vs structured discussion group counseling, self image & peer status & teacher-related behavior & concept of "emotional expansiveness," 4–6 yr old kindergartners, 56:3052
instructional team approach utilizing staff & parent participation, academic achievement, kindergartners through 3rd graders, 58:12479
instrument construction & reliability & validity, attitudes toward reading, kindergartners vs 1st vs 2nd graders, 57:9188
intellectual & language development, reading readiness, kindergartners, 55:10799
interethnic curriculum in kindergarten & 1st grade, racial prejudice, 1st graders, 56:6747
interrelated functions of family & preschool classes, preschool education, 6 yr olds, 54:8287
intervention program & maternal interaction behavior at entry & end of program, subsequent achievement & psycholinguistic ability at end of 1st yr of formal education, culturally disadvantaged 4 yr olds, 58:2067
IQ, performance on group or individual Bender Visual Motor Gestalt Test & subsequent performance on alternate administration of same test, kindergartners, 55:8348
Kindergarten Auditory Screening Test, prediction of reading disability in 1st grade, kindergartners, 57:9180
kindergarten teacher as resource in providing visual-motor & academic & behavioral information, identification of learning disabled children, 57:13943
Knoxville Initial Detection Screening inventory & teacher & parent ratings & demographic data evaluated by social worker, earlier detection of Ss at risk for learning handicaps, rural Appalachian kindergartners, 58:8440
language competence & teacher judgment & age, prediction of reading readiness, kindergartners, 58:2229
language used for verbalization & grade level & bilingual vs monolingual classroom instruction, learning rate of 2-stimulus transposition task, kindergarten through 3rd grade native Spanish speakers with conversational knowledge of Spanish & English, 56:4765
length of removal from classroom following aggressiveness, aggressive behavior, kindergarten males, 55:10895
letter naming & visual & auditory discrimination & oral language & CA & MA & sex & environmental & developmental characteristics, reading ability, beginning kindergartners, 58:12605
letter shapes & meaningfulness of vocabulary, word recognition using simultaneous vs successive visual discrimination procedures, kindergartners at different reading readiness levels, 58:10428
letter-name training using 2 vs 3 dimensional stimuli, transfer effects on word reading task, kindergartners, 55:10763
linguistic analysis, verbal responses to teachers' questions, disadvantaged kindergartners, 56:10725
listening comprehension of experience stories presented in standard English vs Negro nonstandard English, kindergarten & 1st grade speakers of Negro nonstandard English, 55:10736
listening skills training program, development of reading readiness skills, kindergartners, 55:8011
Marianne Frostig Developmental Test of Visual-Motor Integration vs Goodenough Draw-A-Man Test, prediction of academic achievement, kindergartners, 57:7173
maternal attitudes toward individuation, behavior upon entry into kindergarten, kindergartners, 57:8026
meaningfulness & familiarization in associative learning task performance, paired associate learning ability as predictor of 1st grade reading achievement, kindergartners, 57:13820
mental health education preschool program focusing on social problem solving behaviors, social skills & kindergarten classroom performance, 4–5 yr olds identified at risk for poor school adjustment, 58:6214
mixed-age grouping, standard conservation task performance, British vs American 5–7 yr olds, implications for organization of classrooms & schools, 57:6745
mothers teaching home lessons of readiness skills to other mothers & kindergartners, school readiness, 55:13171
motor & discrimination training procedure, subsequent Bender-Gestalt performance, kindergartners, implications for reading achievement, 53:12474
multigrade grouping, self concept & social-emotional development & readiness & achievement, kindergartners, 56:2985
music education method, creativity & reasoning skills, preschool & elementary school students, 55:8100
musical stimuli tones & rhythms & melodies, same-different auditory discrimination & verbal descriptions & comprehension of terminology, male vs female kindergartners with varying socioeconomic status, 58:6256
normal vs impaired auditory discrimination ability & age & sentence construction, sentence imitation differences, 5 vs 6 yr old learning disabled vs normal Ss, 58:8381
object-form & paper-pencil forms of Lee-Clark Reading Readiness Test items, test scores in assessment of prereading ability, kindergartners, 58:10593
observational study, communicative behavior in science & notebook activities, 5 & 6 yr olds, 55:5607
occupational & educational aspirations & expectations, preschoolers to 12th graders, empirical literature review, 56:3133
open vs traditional classroom environment & sex role preferences, gender classification of school subjects, kindergartners & 1st graders, 58:10501
open vs traditional classrooms, self concept & attitudes toward school, kindergartners & 1st & 2nd graders, 55:3051
open vs traditional school setting, student achievement & attendance & health & impulsivity & classroom characteristics, kindergartners through 6th graders & school staff, 58:10350
operant conditioning vs reactive therapy in school setting, language disorders, kindergartners & 1st graders, 55:5173
optimized vs nonoptimized grapheme set feature distribution & perceptual pretraining & stimulus vs response oriented training, initial grapheme/phoneme association learning & reading novel words aloud, kindergarten students, 55:5570
oral language performance & syntactical structure, reading readiness, black vs white inner-city kindergartners, 55:3129
organic fitness vs motor perceptual vs supervised free play programs, academic achievement, kindergartners, 55:13169
Otis-Lennon Intelligence Test vs California Test of Mental Maturity vs Teacher Judgment Form vs Kaufmann Critical Observation Scale, identification of gifted children, kindergarten students, 55:5702
parental vs children's characteristics & attitudes vs teacher-school influences, academic achievement, Anglo & Chicano & Black kindergartners through 3rd graders, 58:2100
parents' preschool report, prediction of reading success, kindergartners, 57:2021
peer reporting of cooperative or friendly vs unfriendly behavior; cooperative play & aggression, kindergartners, 58:4340
peer teaching & Toy Talk program, creativity & self concept of teacher & student self concept, kindergartners & their teachers, 55:13180
peer teaching using toys, creativity & self concepts & verbal comprehension & child-teacher preparation program, 4th grade & kindergarten Mexican American students, 55:3027
perceptual motor training, self concept & academic ability & perceptual motor development, kindergartners, 56:4800
perceptual-cognitive tests, prediction of reading achievement in 1st grade, kindergartners, 55:1605
perceptually-oriented physical education, perceptual motor ability & academic ability, kindergartners vs 1st graders, 55:13131
perceptual-motor ability & self concept & academic achievement, kindergarten to 2nd graders, 55:8144
perceptual-motor intervention with individualized vs group vs Distar approaches, development of space & time & quantity concepts, kindergartners & 1st graders, 58:4259
perceptual-motor training, reading readiness, kindergartners, 55:13221
perceptual-motor training, short & long term gains in skills, kindergartners, 57:9048
performance on differentiated presentation of word identification task & relationship to intelligence & reading readiness & age & delayed recall test scores, reading achievement, kindergartners vs 1st graders, 58:2084
performance on grammatic closure subtest of Illinois Test of Psycholinguistic Abilities, Black vs White kindergartners vs 2nd vs 4th graders, 57:13971
phonemic training stressing acoustic & articulatory features of words with 3 units, analyzation of words into phonemic units & location of phonemes in succession, kindergartners in Oslo, 55:3083
phonic vs kinesthetic vs meaningful context instructional methods, word frequency & rank order of learning difficulty of beginning reading vocabulary, kindergartners, 56:2867
phonics vs sight recognition teaching method & positive vs negative verbal feedback on performance, reading acquisition, kindergartners, 54:6319
physical education program, perceptual development & reading readiness, kindergartners, 55:8075
play instruction with kindergarten partners, creativity & self concept, 4th graders, 58:6254
practice with electronic directional training device, learning directional orientation & sentence tracking skills used in reading & writing Western languages, preschool & kindergarten children, implications for prereading instruction, 58:4276
predictive validity & factor structure, ABC Inventory vs Metropolitan Readiness Test, kindergartners, 54:2002
predictive validity & reliability, large group administration of Bender Gestalt Test, 5–9 yr olds, 55:3275
predictive validity & test-retest reliability, Basic School Skills Inventory, kindergartners, 58:2555
predictive validity of Kindergarten Achievement Test & subtests, reading comprehension & total reading success at beginning of 2nd & 3rd grades, kindergartners, 56:3065
prekindergarten screening device, assessment of school readiness & academic achievement prediction & teachers' ratings of social & emotional adjustment in 1st grade, kindergartners, 55:13569
preparation for writing instruction in kindergarten, prevention of developmental writing disorders, kindergartners, 56:4773
preschool attendance vs nonattendance & sex & age, cognitive & social development, kindergartners, 57:5487
preschool Head Start experience, reflectivity-impulsivity, disadvantaged kindergartners, 53:12365
prescreening inventory & Metropolitan Readiness Test & sex & CA & Primary Mental Abilities intelligence score, prediction of 1st & 3rd grade reading achievement, kindergartners, 58:6427
prestructured music program, disadvantaged kindergarten-age Ss in Headstart schools, 54:12564
principal implemented techniques, achievement & attendance, kindergarten & elementary school students, 55:8005
psychoeducationally oriented day treatment program, emotionally disturbed, 55:5697
race of characters in picture story book, ability to recall story & identification with story characters & themes, black & white kindergartners & 3rd graders, 55:13100
reading achievement, self concept, male vs female kindergartners through 6th graders, 58:4316
reading achievement through grades 1–4, children who participated in 2-yr preschool language arts program vs kindergartners, 6-yr study, 54:1903
recommendations concerning advanced development, kindergarten students & teachers, 53:4059
regular preschool education, hearing-handicapped kindergarten & nursery school students receiving hearing therapy, 53:4070
relationships among perceptual-motor measures & between these measures & academic tests, prediction of academic readiness, kindergartners, 56:10765
retention of visual & auditory discrimination reading skills over summer vacation, kindergartners, 53:12503
reversal & problem diagnosis training, inducement of weight conservation, kindergarten boys, 55:5511
role playing &/vs modeling in affective education program, development of helping behavior, kindergartners & 1st graders, 55:13170
Rutgers Drawing Test, midyear prediction of end-of-year readiness for 1st grade, kindergartners, 54:6378
Sapir Developmental Scale, extension of normative data, 3 yrs 7 mo to 6 yrs 6 mo old kindergartners, 54:8705
Screening Index validity, prediction of reading disorders, kindergartners, 54:4249
seating arrangements & active vs inactive sessions, disruptive classroom behavior, Black kindergartners, 57:13865
seating placement in language experience setting, verbal behavior, disadvantaged kindergartners, 57:13932
selected anxiety-processing indicators observed in human figures drawing, elementary school academic achievement, kindergartners, longitudinal study, implications for detection of Ss needing remedial assistance, 57:6858
selected readiness tests, prediction of 1st grade success, kindergartners, 54:10670
selection of measurement battery, & correlation with prereading measures, identification of perceptual abilities, kindergarten boys vs girls, 57:9184
self concept & language age & readiness & socioeconomic status & sex & family size & achievement, kindergartners, 58:12620
self concept & locus of control, kindergartners to 4th graders with learning-related problems, implications for special education placement & evaluation, 58:6386
self esteem & self differentiation, Black vs White kindergartners in vs not in Follow Through classes, 57:11335
self generated category or category supplied through cuing, effective organization of material, kindergartners & 1st graders, 54:2727
self instructional vs direct training in printing with contingent social reinforcement, kindergartners with writing deficiencies, 54:1880
self-concepts, low-income Chicano vs Anglo kindergartners through 4th graders, 53:1212
sensory hierarchical organization, viability approach for assessing response styles in reading, 5–7 yr old public school students, 58:10436
sequence of training in letter name & letter sound & whole word learning, retention & transfer, kindergartners, 57:9029
sequential differences in test scores on general ability test, kindergartners & 1st & 4th–6th & 10th–12th graders, Puerto Rico, 55:8432
sequentially planned program to elicit positive self assertive statement & positive social reinforcement, self concept, kindergartners to 4th graders, 55:8198
Sesame Street viewing, achievement of behavioral goals, kindergartners, 53:6146
sex & ethnic group, constructs measured by Kindergarten Screening Inventory, male vs female Anglo vs Negro vs Mexican kindergartners, 55:8335
sex & language background & language instruction method, school readiness & auditory discrimination & psycholinguistic ability, disadvantaged kindergartners, 53:1954
sex & race & advantages & introversion/extraversion based student-teacher pairings, mathematics & language achievement & task orientation, 5 yr old Black vs White kindergarten students & teachers, 57:13794
sex differences, probability & nature of teacher response to aggression & dependency & problem behaviors, preschool students & teachers, 55:5625
sex of S & E & teacher modeling task behavior during instruction, Draw-A-Man Test performance, kindergartners, 57:13864
sex typing of reading, reading comprehension & achievement & reading choice behavior, 3rd grade & kindergarten males, 55:13340

verbal instructions & peer modeling & rehearsal & reinforcement sequences, acquisition & generalization of academic skills, kindergarteners & 1st graders, 55:10340
social class & teacher-student interaction, reading grouping & academic performance, kindergarteners & elementary school students & female teachers, 55:10847
social class, acquisition of school language, lower vs middle class Caucasian kindergarten students, 54:10566
social vs cognitive interaction, strategies, motivation to achieve, kindergarten students, 55:5586
social vs objective feedback & content, self concept & achievement test scores, high vs low dependency kindergarteners, implications for classroom situation, 55:5598
socioeconomic status & intelligence & psycholinguistic abilities measures, 3rd grade academic achievement prediction, culturally disadvantaged kindergarteners, 56:4993
socioeconomic status & school readiness & educational elaboration method, teaching basic sight vocabulary words, kindergarteners, 56:5693
socioeconomic status, school readiness, kindergarteners, 53:10497
Spanish immersion program, academic achievement & attitudes toward Spanish & English cultures & self concept, kindergarten & primary school students, 58:10350
Spanish language & Mexican culture milieu, validity of McCarthy Scales of Children's Abilities, southwestern rural 5–6 yr old kindergarteners, 58:4618
stability of pupil behavior in short term classroom observations, kindergarteners, 55:10408
staff utilization method, arithmetic & visual-motor integration achievement, kindergarteners, 58:12508
structure & interrelationship of self-concept, kindergarteners to 3rd graders & their mothers & parent educators & teachers, 55:5695
structured tutorial program vs traditional preschool techniques, individual tutoring disadvantaged kindergarteners, 53:3954
student & teacher types, teacher effectiveness, kindergarteners & teachers, 54:10427
student socioeconomic status & grade & sex, teacher perceptions of student's classroom behavior, kindergarteners vs 1st vs 2nd vs 3rd graders & their teachers, 57:5700
study & discussion vs study & discussion & games for mothers' training, gain in readiness skill, kindergarteners 6–18 mo deficient in readiness skill, 56:2853
superior intelligence performance, measurement by Stanford-Binet Intelligence Scale vs Illinois Test of Psycholinguistic Abilities, kindergarten children, 58:5400
Synectics problem solving seminar, mother's self esteem & problem solving activities & childrearing practices & child's classroom behavior problems, mothers & their kindergarten children, 57:11555
syntactic & semantic complexity of instructions & cognitive development, Piagetian sensation task performance, normal-language vs delayed-language nursery schoolers vs kindergarteners vs 1st vs 2nd graders, 58:10662
syntactic & semantic utilization & phonetic application, oral reading, kindergarteners who were early readers, 58:10406
task complexity & instructions, ability to regulate conceptual tempo as predictor of school success, kindergarteners, implications for early detection of learning problems, 57:6808
task complexity levels & sets of instructions, ability to modify conceptual tempo educationally high risk kindergarteners, 55:10460
teacher & student types & teacher–student pairings, school related task motivation, kindergarteners & teachers, 54:10424
teacher aide training, academic achievement, learning disabled kindergarten through 6th grade students, 58:12723
teacher aversion, absent & completed academic activities, kindergarten vs open education classroom, 53:10474
teacher in-service training in values clarification, attitudes toward self & school & teacher, kindergarteners to 6th graders, 57:13845
teacher ratings & reading readiness & reading achievement test scores, predictors of 1st grade reading achievement, kindergarteners, implications for early identification of potential learning disabilities, 58:4423
teacher style, dependency behavior, kindergarteners, 57:9105
teacher-contract versus & associated token delivery for written & oral accuracy, programmed text reading response rate & accuracy, kindergarten children, 54:4282
teachers' & professional child aides' ratings of knowing & liking & judged problem severity, referral & outcome, kindergartners through 3rd graders in school-based mental health intervention program, 56:4847
teaching discrimination of shape orientation & sequence, male kindergartners, 56:10659
Teaching English Early Program vs traditional instruction of English as second language oral English proficiency & self concept & scholastic achievement, Mexican American kindergartners, 55:12220
teaching in nonstandard dialect vs standard English, reading comprehension & visual discrimination & word knowledge, Black kindergartners who speak nonstandard English, 57:13705
teaching machine procedure using operant learning principles vs play with curriculum procedure & teacher race, modification of pro-Euro American & anti-Afro American racial bias, kindergarteners, 55:7488
teaching using tapedelay modality, alone vs combined with auditory & visual & kinesthetic modalities, beginning reading education, poverty level kindergartners & 1st graders, 53:12444
test-retest reliability & concurrent & predictive validity, Watson-Pumpelly Group Developmental Learning Abilities Test, kindergartners, 55:3940
token economy based on attempted positive interactions & social reinforcement, based on teacher & peer praise & modeling, social interactions in classrooms, kindergartners low in social status, 58:2105
token economy program, classroom behavior modification & self esteem, institutionalized 5 yr old emotionally disturbed kindergartners, 57:1650
traditional reading readiness program vs kindergarten science curriculum, acquisition of reading readiness skills, kindergarteners, 55:13268
traditional visual & auditory word presentation with or without additional olfaction, manual acquisition of word recognition skills, kindergarteners, 58:3930
training in conservation of number, arithmetic & number conservation task performance, kindergarteners, 56:4624
training in one-to-one correspondence, ability to conserve numerousness, kindergarteners, 56:10965
training in sound blending, learning to read, 4–6 yr old males vs females, 57:3024
use of auditory perceptual technique & auditory reversals, prediction of later reading success, kindergarteners vs 1st graders, 55:13520
utility of material & peer & teacher social reinforcement, improvement of school attendance, kindergarten to 5th grade Mexican Americans, 55:4307
validation of D. Jansky's Kindergarten Screening Indices, prediction of reading failure kindergartners, 54:4274
validity & reliability & prediction norms, Metropolitan Readiness Tests, kindergarteners of 1st graders, 55:4110
validity & reliability of Haven Early Identification Response Test, screening for school readiness, kindergartners, 54:12635
validity, IQ scores derived from Screening Test of Academic Readiness, kindergartners, 57:7236
validity of Peabody Picture Vocabulary Test, measurement of linguistic & intellectual ability, kindergartners & 1st graders in Newfoundland & Labrador, 55:11320
validity study, Metropolitan Readiness Test, students tested upon kindergarten & 1st grade completion, 53:4098
Vane Kindergarten Test, kindergarten & 1st grade academic achievement predictive validity, 54:6416
Vane Kindergarten Test, temporal stability & ability to predict behavioral criteria, prekindergartners & kindergartners, implications for early detection of learning handicaps, 58:4648
various teacher contact ratios, rate of responding & amount of uninterrupted reading time, teacher & teacher's aides & kindergartners, 55:8118
videotape feedback &/vs small group processes in inservice program, verbal interaction skills, elementary school teachers & kindergartners to 6th graders, 58:1974
viewing of "Sesame Street" in early childhood, readiness skills & achievement measured by standardized tests, kindergartners to 2nd graders, 55:8129
viewing of 4th grade models explaining &/vs performing task, cooperation during hanging of picture, male vs female kindergartners, educational implications, 57:12733
visual motor perception training in regular classroom curriculum, kindergartners & low achieving 1st–6th graders, 55:10818
visual motor programs vs language experience approach vs basal approach, reading readiness, kindergartners, 56:10629
visual tracking training, reading readiness scores, kindergartners, 56:10600
visual/auditory perceptual test performance in kindergarten, prediction of 1st-grade reading achievement, kindergartners & 1st graders, 58:6431
VR schedule of coin reinforcement, early morning dawdling behavior & school preparation, kindergarten female, 54:10212
word length, learning difficulty of words in beginning reading materials & effectiveness of vocabulary instruction methods, kindergartners, 57:11315

Kindergartens
attitudes & behavior in traditional kindergarten vs nonauthoritarian preschools, teachers, 57:4306
construction & initial validity testing, empirical rating scale of pedagogical behavior, kindergarten teachers, 54:12510
cooperation between preschools & primary schools, report from 2 conferences, 57:4296
developmental & neuropsychological measures, prediction of reading disability, male kindergartners, 3 yr followup, 55:12523
diagnostically & developmentally oriented kindergarten program, early identification & programing of children with learning problems, 53:10443
elaborative vs directive communication style of teacher, performance on matrix tasks, female kindergartners, 55:1413
kindergarten attendance, school readiness, 54:12587
kindergarten goal perceptions, principals vs teachers vs parents in Kentucky's pilot kindergarten units, 56:1360
kindergarten programs, achievement, elementary school students from high to low socioeconomic backgrounds, 55:8089
kindergarten vs nursery school experience & social class & intelligence level, performance, elementary school students, 56:1426
preterm familiarization sessions, easing S's entry into kindergarten, kindergartners, 56:2841
program for use in child assessment & individualizing instruction, kindergarten teachers, book, 57:4305
public school kindergarten experience vs no experience, readiness & basic skills & personality development & mental ability, 1st graders, 55:10833
public school kindergarten experience, readiness for 1st grade learning, disadvantaged vs nondisadvantaged students, 55:13218
teacher style, dependency behavior, kindergartners, 57:9105

Kinesthetic Perception
acoustic stimulation & simultaneous mirror drawing, relationship between Rorschach performance & bioelectric skin reactivity, 18–20.3 yr old graduates of middle industrial school, 56:5532
allocation of attention to visual vs proprioceptive modality, locus of adaptation to prism-induced visual displacement, college students & volunteers, 55:124
amplitude estimates of hand movements without visual guidance in active vs passive conditions vs production of E designated amplitude, task accuracy, male vs female college students, 57:211
attention demand, short term kinesthetic memory, significance for limited capacity model of forgetting, 58:6868
attention, memory for & processing of visual vs kinesthetic information, 58:238
audition & auditive & kinesthetic-proprioceptive cues & interference in kinesthetic rhythm & temporal relations, spatial orientation & mastery of spatial locomotion patterns, congenitally vs accidentally blind vs sighted Ss, 55:7445
auditory deprivation, key-tapping as tactual-kinesthetic modality, prelingually deaf 9–11.5 yr olds, 55:7453
auditory vs visual vs kinesthetic vs no sensory feedback & field articulation, adjustment of rod to visual-kinesthetic position while blindfolded, college students with high vs low field articulation, 54:8762
bilateral lesions in cerebral peduncle & subsequent overtraining, acquisition of horizontal-vertical visual discrimination problem vs inclines-plane kinesthetic discrimination problem, rats, 56:9511
bilateral lesions in cerebral peduncle, acquisition of visual & kinesthetic discrimination, rats, 54:535
computerized kinesthetic simulator, pilot training, US Air Force trainees, 55:8472
course in sensory awareness, college students, incorporation into psychotherapy, 55:4969
development of laterality & directionality perception & learning disabilities, 54:7900
digital block by anesthetization of mid-interphalangeal finger joint, proprioceptive space perception, college students, 56:9056
distance vs location variations in movement information & delay & reproduction & kinesthetic vs visual interference tasks, retention & coding in motor short term memory for location & distance, male right handed college students, 55:5981
E- vs S-determined standards, codability of kinesthetic extent cues, college students, 55:105
erect vs supine positions, visual field dependency–independency, females vs male pilots vs nonpilots, 53:4370
factor analysis, composition of visual & kinesthetic & cognitive modes of information handling, 55:11416
film exploring relationship of kinesthetic conceptualizing to working & thinking & communicating & school experiences, 58:12476
form set & answer type & retention time, oral stereognosis, young adults, 54:6645
haptic process with tactual & kinesthetic modalities, perceptual disturbances, learning disabled children, 54:4214
hypnotic anesthesia of entire arm vs arm portions to reduce sensation, adaptation to prism displacement, college students, support for D. A. Wilkinson's component additive model, 57:4853
informational analysis, capacity of kinesthetic system to transmit information derived from inducement of torque, male college students, 53:10786
input conditions, intramodal & crossmodal visual & kinesthet matches, 5.5 & 10 yr olds, 54:2677
interpolated movements, short term retention of individual distance location cues associated with discrete motor execution, 58:10867
intra- & intersensory haptic & auditory & visual processing tasks & ag reading disabled vs normal reading vs visually impaired 12–14 olds, 57:8367
ischemic nerve block technique, blocking afferent information investigation of movement control under sensory loss condition male college students, 54:2217
kinesthetic & visual modality effects, short-term motor memory same-different recognition task, male college students, 53:4496
kinesthetic aftereffect measurement, differential diagnosis, schizophre ics vs organics, 57:1291
kinesthetic aftereffect task as personality index, issues involved construct validation, 56:6068
kinesthetic aftereffects, college students, 53:2221
kinesthetic figural aftereffects & need for stimulation, choice amphetamine or barbiturates as primary illicit drug, 57:10196
Kinesthetic Figural Aftereffect test, styles of stimulus processing, acu schizophrenics, 55:7299
kinesthetic imagination, learning of motor skills, 5–6 yr olds, 54:45
kinesthetic information only vs additional visual &/or verbal inform tion during linear movements, motor short term memory, rig handed college students, 56:9059
kinesthetic memory load, memory for end location of criteri movement, US Navy personnel, analysis of structural & capaci interference, 58:239
kinesthetic vs kinesthetic plus visual reproduction modalities movement length & kinesthetic-visual correspondence, reproducti of distance information using short term motor memory paradig college students, 57:212
kinesthetically-guided judgments of bar verticality with vs witho visual exposure to tilted room, alterations in kinesthetically-guide judgments, college students, 57:4854
kinetic depth perception research guided by J. J. Gibson's approac cognitive psychology, 54:297
knowledge of results, kinesthetic skill learning, 58:8717
lack of vocabulary & use of tactile-kinesthetic & tactile-motor means communication, learning behavior, deaf-blind children, 54:6330
learning instructions, immediate recall of kinesthetic distance-location-cue information, college students, 54:11019
location & distance estimates of arm movement, blindfolded normal autistic & congenitally blind children, 54:7740
manual dexterity & kinesthetic discrimination, early-blinded vs norma ly sighted adults, implications for occupational therapy, 58:3630
measurement of kinesthetic discrimination, application of sign detection theory, male college students, 57:9427
motor short term memory cues, retention characteristics, criticism of G. Marteniuk's study, 54:11027
motor short term memory cues, retention characteristics, reply to G. Laabs' criticism, 54:11031
motor vs verbal interpolated activities, short term kinesthetic memor 55:6131
nerve compression block, sensory & motor impairment, male colle students, 54:144
nerve-compression block, movement control in absence of kinesthe information, male college students, 53:2290
orientations in picture plane & presentation of palm or back of eith hand, mental transformations in identification of left & right hand college students, 53:10772
passive vs active horizontal adductive movement of right ar kinesthetic perception of arm position, male blindfolded Ss, 54:87
physical growth & agility & RT performance & kinesthetics, perfo mance & learning of balance type task, 3rd vs 5th graders, 58:114
posture of body & correct vs false feedback on positional imag projection of positional image of specific body part through pointin blindfolded Ss, 55:3603
preexposure practice & visual feedback, visual & proprioceptiv adaptation to prismatic displacement, 58:10870
pretest hand resting time & induction duration, kinesthetic aftereffe college students, 57:4850
preview &/or voluntary movement, accuracy & consistency in discre motor response timing, college students, 57:187
previous limb positions, differential errors of kinesthesis, studen 54:2221
proprioceptive vs efference models, acquisition of knowledge direction & own movement without exteroceptive feedback, reply J. Notterman's criticism, 55:3602
proprioceptive vs efference models, acquisition of knowledge direction & own movement without exteroceptive feedback, rebut to B. Jones' criticism, 55:3607
reduction of peripheral sensory feedback by use of pressure cu sequential movement rate & distance estimation & complex mov ment pattern & force reproduction using wrist & hand & finge college students, 55:11350
sensory deprivation of oral cavity induced by nerve-block injectio stuttering, adult male stutterers, 57:13022
supplementary auditory vs visual feedback, retention of kinesthe positioning response, 55:8718
tactile & kinesthetic feedback presence vs absence, open-loop pointi accuracy, 56:1700
tactile & kinesthetic senses, pushbutton design & layout for nonvist identification, 53:2094
teaching methods emphasizing visual vs auditory vs kinesthe strengths vs weaknesses, word recognition & reading achieve children with visual vs auditory vs kinesthetic strengths vs weakne es, 53:12471
teaching methods using cross-modal transfer vs visual vs tacti kinesthetic intramodal methods alone, discrimination traini children with visual perceptual deficiencies, 55:3215
training method using kinesthetic cues, learning & retention reproduction of graphic forms, 1st vs 5th grade male good vs p readers, 58:12495
use of location & distance, reproduction of different amplitudes movement, right-handed housewives, 54:10941
validation, construct of body awareness in space as reflected throu ability to discriminate directions & levels & pathways in moveme 1st & 3rd graders, 55:99
visual & kinesthetic control in 2-handed graphic activity, 5 & 6 yr ol 58:2599
visual & kinesthetic feedback, pursuit-tracking performance, colle students, 53:2297
visual inspection vs verbal orientation to physical properties vs hap play & tactile-kinesthetic training, concept acquisition, 3 vs 5 yr ol 55:9449
visual vs kinesthetic training program under feedback conditions, let discrimination, learning disabled children, 55:1519
visual vs kinesthetic-tactual compensatory displays, inflight perf mance, pilots, 53:8473
visuo-motor adjustment, critical factors of movement, humans, 58:67

Kinship Structure
active participation in make-believe families, adult & juvenile inmates female penal institutions, literature review, 55:1181
age & cultural experience, comprehension of kinship concepts relational thinking, 4–14 yr old rural Hawaiians, comparison with A. Levine & D. R. Price-William's African sample, 56:3841

birth order, need for achievement, tribal vs nontribal college students, 58:9608
collective representation of kinship, urban middle class families, Jamaica, 57:1075
cross-sex patterns of kin behavior, comment on G. P. Murdock's study, 54:2759
cultural & structural & organizational & current theoretical developments in study of Latin American compadrazgo, 54:11514
cultural analysis, Navajo kinship patterns, 56:2207
distance & intensity & kinship as dimensions of social interaction, suburban England, 55:7075
extended kinship vs nuclear family & family networks & communes & affiliated family as alternatives, 56:581
genetic & environmental & covariance & measurement error components, kinship correlational structure additive model, 54:11153
infibulation & marriage practices & fertility control & women's roles & family honor & patrilineage, Sudanese females, 55:6961
kinship & social order, Anggor of New Guinea, 56:9735
kinship interaction, divorced people & consanguines & affines, 55:653
love match vs arranged marriages & marital homogamy, mate selection, Ankara population, 55:638
migration, kinship & social networks & integration, Ozark residents & out-migrants, 57:1043
mother-daughter dyadic dominance in black American kinship, 56:2199
obligations & sanctions, perceptions of kinship role, parents of 3rd graders, 54:2850
psychosocial kinship model, family therapy, 55:10291
semantic representation of kinship systems, 54:7603
structural balance & clustering, social & kinship relations at group level, G/wi Bushmen, 57:3054
themes & variations in role of grandparents, Black families, 58:7371

Kleptomania
behavior therapy, kleptomania, 39 yr old female, 57:6361

Klinefelters Syndrome
behavioral stereotypes & psychopathology of Klinefelter's 47,XXY & 47,XYY & Turner's syndromes, review of psychohormonal research, 55:4927
EEG & endocrine abnormalities & psychiatric status, military Klinefelter syndrome patients, 58:9759
EEG examination, males with XYY vs Klinefelter's syndrome, 53:7760
interaction of familial & individual psychological factors, abnormal behavior, case of Klinefelter's syndrome, 57:8537
mental state, Klinefelter's Syndrome, literature review, 54:5594

Knee
conditioning of knee-jerks, college students, 53:6634
muscle fatigue localized in knee & hip flexors & extensors, dynamic balance, male 19–25 yr olds, 56:9074
muscle vs articular receptors, knee joint angle signals, cats, 55:6370
static conditions, awareness of knee joint angle, 55:6379

Knowledge of Results
absence of postresponse knowledge of results during practice, motor learning using linear positioning task while blindfolded, 55:3612
achievement needs & task difficulty preference & perception of positive effect & information gain at that difficulty level & self concept & level of task difficulty at which performance feedback is wanted, college students & police trainees & 15–16 yr olds, 58:382
activity between successive trials & post-knowledge-of-results delay intervals, motor learning, college students, test of J. A. Adams' closed loop theory, 58:4715
advance informational signals indicating required reaction, reaction time in simple & disjunctive experiments, students, 53:4385
anonymity & information about response consequences & sex, self assessment of fear, college students, 56:9259
attainment value for sports or language arts activity & tangible reinforcement vs verbal praise vs knowledge of results, continuing motivation & activity performance, 6th graders, 58:12697
attribute isolation of inquisitory instances & knowledge of results, transfer effects in classification of unencountered instances, 58:277
blank with overt feedback, response strategies & transfer, 55:3731
categorization & graphically plotting errors by categories on multiple choice examination, subsequent test performance, advanced college students & graduate students, 56:3090
communication &/vs feedback information on level of performance, group productivity, 16–18 yr old female students, 55:738
competition & outcome feedback, altruism, 2nd & 5th grade males, 53:4965
competition for monetary reward & knowledge of results & goal setting, repetitive assembly task performance, male college students, implications for motivational & management consideration, 57:7036
completion questions with vs without knowledge of results vs informational statements, retention of prose material, 54:8885
computer assisted instructional strategies varying in information content of correctional feedback & mathematical ability & prerequisite knowledge & anxiety, acquisition of introductory calculus concept, preservice elementary school teachers, 55:13181
continuous vs internal payment schedule with vs without partial bonus with vs without knowledge of results, repetitive task performance, college students, 56:8852
controllability of task, motivational effect on performance, 8th graders, 58:11029
corrective & signal feedback, academic performance, students, 55:5472
corrective feedback & temporal interval, immediate & delayed retention for 5 test-taking methods, college students, 55:8962
delayed vs immediate knowledge of results, recall of responses & performance, college students, 53:4405
development of recognition mechanism through visual vs auditory observation of E, motor learning performance without knowledge of results, 57:9443
different post knowledge of results intervals & interpolated verbal activity, performance & retention, 55:11490
equal & unequal outcome distributions in skill vs chance situations, satisfaction ratings, 4-person groups of college students, adaptation level theory analysis, 57:3227
false feedback conditions of child performance, permissive vs restrictive command frequencies, foster grandmothers & retarded children, 53:1480
fear of success & fear of failure & competition against male vs female vs no opponent & success vs failure feedback, alpha-numeric substitution task performance, female college students, 58:378
feedback & tangible reward, WAIS scores, college students, 56:8983
feedback from previous objective tests, risk taking on subsequent essay tests, male vs female college students, 54:2001
feedback modes & number of teaching cycles in microteaching program, teaching skills, student teachers, 57:4291
feedback of incorrect answers, linguistic strategies used for interpretation of complex comparative questions, 3–6 yr olds, 55:11998
feedback of quiz results & intellectual orientation, economics achievement, college students, 56:1364
feedback schedule & information, judged dissimilarity of schematic patterns, 55:6199
fictitious negative results on intelligence test performance, evaluation of intelligence test & cognitive dissonance, 15–17 yr old high school students, 55:11423
field dependence-independence & internal vs external rewards, learning performance, 6th graders, 55:10867
foreseeability of negative consequences, attribution of locus of causality, male college students, 56:2293
historical outcome knowledge, awareness of effect on perceived probability of occurrence of events, college students, 55:159
immediate electronic feedback on multiple choice or true-false questions through student response systems, students in human communication course, 57:9056
immediate knowledge of results & adaptive testing, test anxiety & test-taking motivation, college students, 57:11547
immediate knowledge of results & adaptive testing, ability test performance, 57:11548
immediate knowledge of results & goal setting instructions, performance on multiple choice test, 7th graders, 55:3294
immediate knowledge of results provided by electric response box system, training for tracking musical form, musically unsophisticated grade 7 children, 54:4129
immediate vs delayed feedback, ratio scores for changing right vs wrong response on test 1 to right response on test 2, reanalysis of J. M. Sassenrath & G. D. Yonge's studies, 55:8417
immediate vs delayed outcomes in associate learning, informational function & memory mechanism, college students, 58:2705
information feedback delay, retention of meaningful connected discourse, college students, 55:1872
information feedback, intertrial consistency of time judgment, male college students, 57:4843
information feedback manipulation, matrices learning, low & middle socioeconomic status 1st & 3rd graders, 56:521
information processing of knowledge of results in motor skills contexts, critical analysis of relevant studies & methodological problems, 58:217
instructions & evaluative feedback & knowledge of results, short term retention, male 9th graders, 54:398
interpolation of motor short term memory task during knowledge of results delay interval, motor skill acquisition, college students, 58:246
knowledge of arithmetic performance, behavior, teachers & educable mentally retarded students, 57:9153
knowledge of perceived learning style, self concept & attitudes toward educational process & achievement, community college students, 56:3007
knowledge of quiz results & achievement & affiliation motivation & test anxiety, persistence & performance & satisfaction in introductory psychology course, college students, 57:6818
knowledge of results & learning task & method, verbal learning, male college students, 55:1883
knowledge of results & reward & punishment & environment as motivation modes, learning, male students, 54:10593
knowledge of results & set & sense modality, RT, college students, 55:1790
knowledge of results & sex composition of group, small group effectiveness on administrative task, 53:9492
knowledge of results & signal regularity vigilance performance, college students, 53:8830
knowledge of results & social reinforcement, acquisition & later performance of novel motor task, female 7th & 8th graders, 55:6001
knowledge of results & social reinforcement, goal setting & performance & satisfaction, college students, implications for cognitive theory of goal setting & task motivation, 57:7510
knowledge of results & task relevant vs irrelevant distractors, serial anticipation vs serial discrimination learning, college students, 53:4469
knowledge of results, adaptive vigilance, college students, 53:4384
knowledge of results, contingent negative variation in RT situation, 18–21 yr old female students, 55:3943
knowledge of results delay, positioning response learning, female college students, 57:203
knowledge of results, development of & relationship between memory & perceptual traces over acquisition & withdrawal trials, 55:8705
knowledge of results in acquisition trials & subsequent feedback withdrawal, recall & recognition in motor learning, students, test of J. Adams's closed-loop theory, 54:2304
knowledge of results, kinesthetic skill learning, 58:8717
knowledge of results, learning in rate-based program, 3rd graders, 55:5513
knowledge of results, motivational effects on rotary pursuit performance, educable mentally retarded vs normal children, 56:10139
knowledge of results, motor learning, male junior high school students, extension of J. Adams's closed-loop theory, 54:2305
knowledge of results, numerosity judgments of sequential light flashes, male mentally retarded adolescents vs normal 3rd graders, 56:8220
knowledge of results, performance of repetitive handwork, female industrial workers, 53:10601
knowledge of results precision level, acquisition & later performance of linear positioning task, female college students, 55:6002
knowledge of results, temporal order perception of visual & auditory stimulus, college students, 56:7119
knowledge of results vs social vs material reinforcement, word recognition learning, inner-city boys vs girls, 55:3058
knowledge of results vs tangible reinforcement while performing intrinsically interesting task, involvement during free choice period, preschoolers vs 3rd graders, implications for education, 56:4879
length of & interpolated activity during post-knowledge of results interval, acquisition of serial-motor task, males, 57:9438
list difficulty, paired associate learning by recall vs anticipation method, male college students, 57:7495
locus of control & presence vs absence of overt influence messages from E & complete vs partial knowledge of correct performance, electric dart game performance, male 5th graders, 57:11872
manipulation of augmented knowledge of results & work surface angle, performance of serial positioning task, 18–45 yr old males, 55:3604
modeling & corrective feedback, conceptual rule acquisition & retention, 3 vs 4 yr olds, 53:9291
modeling & performance feedback, teaching decision making counseling, counselor trainees, 55:5391
modeling vs feedback vs combination skill training strategies, reflecting feeling, business students, 55:3054
monetary incentive & performance criterion & knowledge of results, learned heart rate speeding & slowing, college students, 57:5211
monetary vs non-monetary incentives, motor performance speed & errors, 56:1692
outcome causality & foreknowledge, perceived control over outcome, male college students, 53:11767
outcome knowledge, judgment under uncertainty & perceptions, college students, 54:4552
partial reinforcement, extinction employing augmented knowledge of results as reward, college students, 54:333
patterns of test frequency & delay of test results, calculus achievement, college students, 54:12595
perceived locus of control & self esteem & task outcome, attribution of failure or success to self vs other, college students, 56:9928
performance contingent points & rules with examples & knowledge of correct response, course grade achievement, college students, 57:1923
potentially interfering post–knowledge-of-results verbal task & task duration vs interpolated task later in learning process, acquisition of simple discrete motor response, male college students, 55:92
practice in ballistic timing task with vs without knowledge of results, actual & estimated movement times & memory & perceptual trace analyses, male college students, 57:209
praise vs knowledge of results vs free time vs teacher attention, length of pace in classroom & on special course & head orientation, blind preschoolers, 57:13962
preview &/or voluntary movement, accuracy & consistency in discrete motor response timing, college students, 57:187
prior knowledge of later behavioral criterion measurement, prediction of behavioral intentions & overt behavior, college students, extension of Vroom's model of motivation, 55:3815
providing students with instructor's teaching notes & returning students' examination papers for correction, techniques to improve learning of statistical concepts & operations, college & graduate students, 53:10440
psychological aspects & training using augmented vs tactual knowledge of results vs response-restriction technique, long cane orientation, 53:1561
real vs artificial signals, visual search & detection task performance & stimulus discrimination, male naval ratings, 55:8487
reliability, self-scoring procedures allowing instant feedback on multiple choice test, 53:56
reward vs punishment vs knowledge of results, discrimination learning, 9–10 yr old males, 57:7440
roles of right or wrong & monetary gain or loss as outcomes, storage & retrieval in memory, college students, 56:1807
S self esteem & performance feedback & counselor attractiveness, influence in counseling, college students, 55:5008
self-monitoring correct & incorrect responses & performance feedback, self-rated motivation & matching-to-sample performance, college students, 53:413
specificity of information during feedback, schematic concept formation, college students, 53:345
specificity of knowledge of results, attitudes toward & performance gains on rotary pursuit task, physical education majors, 58:4730
speed vs accuracy measurement of performance & short term memory task demands & knowledge of results, circadian rhythms in step-input pursuit tracking, 18–70 yr olds, 58:4716
stimulus presentation after success or error feedback, role of memory for stimulus in concept identification, female college students, 55:1862
student tutoring program providing knowledge of results with vs without reinforcement with gift certificates for books vs toys, reading achievement, 5th grade underachieving readers, 58:10540
success & failure signals, heart rate regulation, male college students, 55:8867
task characteristics & monetary reward contingency, productivity & intrinsic motivation defined as volunteering for nonrewarded work session, college students, 57:2073
test administration order & time delay differences & knowledge of results, self concept measurement, graduate students, 56:3208
test score feedback methods for interest inventories, 55:45
time-sharing between tracking & monitoring task on same visual display & knowledge of results on monitoring task, performance, college students, 53:12773
timing of knowledge of results, simple motor skill performance, 8–12 yr old males, 53:8759
training in use of behavioral objectives & level of knowledge of results, achievement in mastery learning course in speech communication, college students, 55:10728
trait anxiety & knowledge of results & physical working capacity, amount of learning & final performance of gross motor skill, male college students in physical education classes, 55:13190
variations in feedback formats, response confidence & correct responses & posttest performance, college students, 56:2899
varying access to diagnostic self test answers & permission to & experience in bypassing learner-controlled activities in science instructional modules & ability, validity of activity selection decisions & attainment of instructional objectives & time spent on learning activities, high school students, 57:13748
verbal activity after knowledge of results & time of introduction in learning process, motor task acquisition, male college students, 53:2285
verbal labeling & knowledge of results pretraining, color discrimination, deaf vs hearing preschoolers, 55:10088
verbal praise & results feedback, arithmetic performance, elementary school slow learners, 53:1916
written prepractice & cue sheets & knowledge of test results, improved proficiency in basic addition facts, children, 58:8265

Kohs Block Design Test
teacher- vs student-controlled instructional presentations, Kohs Block Designs Test performance, educable mentally retarded children, 55:13474
test standardization, Kohs block design test, blind, 54:7918

Kolmogarov Smirnov Test
computer program, probabilities for Kolmogarov-Smirnov one-sample test statistic, 53:2186

Korea
compensatory program, culturally deprived Korean children, 54:1932
cooperative & competitive behavior, urban vs rural 8–9 yr olds, Korea, 58:7454
cross cultural differences, managerial job satisfaction, US vs Korean civil servants, 56:2996
culture, childrearing practices & adolescent development, US vs Korean middle class children & adolescents, 55:2260
culture- vs future-oriented counselor education, evaluation of development of counselor education, Korea, 58:4118
demographic characteristics & appropriateness of Wilson-Patterson test, social attitude patterns, Koreans, 53:5139
history of psychiatry, South Korea, 54:3559
ideology of modernization, religious elements of ancestor worship, Korea, 54:2834
small entrepreneurship in developing society, labor absorption & social mobility, city in predominantly agricultural area, Korea, 56:5862

Korsakoffs Psychosis
deficits in primary & secondary memory & sensitivity to interference & semantic & acoustic encoding & storage & retrieval, amnesic Korsakoff patients, 55:10125
distractor activity types, recall, alcoholic Korsakoff patients, 54:9925
imposition of cues at storage & retrieval, attenuation of anterograde amnesia, 52 yr old male with Korsakoff's psychosis, 54:12042
normal vs impaired short-term memory, amnesic patients & alcoholic Korsakoff Ss, criticism of A. D. Baddeley & E. K. Warrington's finding, 53:1316
olfactory discrimination, alcoholic Korsakoff patients, 54:3376
personality patterns, Emotions Profile Index, chronic alcoholics with Korsakoff's syndrome vs chronic schizophrenics vs geriatric patients with chronic brain syndrome, 53:5444
psychophysical scaling of stimulus intensity in visual & auditory & olfactory modalities, male alcoholics with Korsakoff's psychosis, 55:12480
rate vs imagery vs cued learning, recall or recognition of verbal information, Korsakoff patients, 55:10095
recognition of public figures from news photographs, male patients with anterograde amnesia, 54:11913
rehearsal strategies, recall performance of lists of words differing in organizational salience, male alcoholic Korsakoff vs chronic alcoholic vs normal control patients, 56:10087

RT time technique & release from proactive inhibition technique, assessment of verbal encoding ability & deficit, alcoholic Korsakoff patients, 56:6189
short term memory & encoding capacity, patients with Huntington's chorea & Korsakoff's syndrome, 57:3671
short term motor memory, amnesic alcoholic Korsakoff vs chronic alcoholic patients, 54:1343
spatial probability learning using monetary rewards & correction, alcoholic Korsakoff patients vs alcoholic control Ss vs normals, 55:12573
symptoms of stages of Korsakoff's syndrome with retrograde amnesia, 44 yr old female with acute meningoencephalitis, 57:10635
temporal context & material familiarity, recognition memory, amnesic Korsakoff patients vs alcoholic controls, 56:850
verbal encoding deficits, memory disorders, alcoholic Korsakoff patients, 54:1340
verbal retention deficits, aphasics vs Korsakoff alcoholics vs patients with damage to nondominant hemisphere, 56:2445

Kuder Occupational Interest Survey
alternate scoring methods, predictive efficiencies of the Kuder Occupational Interest Survey vs Kuder Preference Record for engineering, engineering students, 57:9347
comparison between arrays of high-interest occupations from Strong Vocational Interest Blank & Kuder Occupational Interest Survey using Holland's occupational codes, male college students, 53:8417
experimental directions, Kuder Occupational Interest Survey scores, females considering reentry into educational system, implications for validity of interest measures, 58:187
factor analysis, Kuder Occupational Interest Survey, male vs female college students, 57:9356
Kuder Occupational Interest Survey scores correlation with rankings of occupational preference, hospitalized veterans, 53:2048
Kuder Occupational Interest Survey DD, ratings of scale score reasonableness, women re-entering educational system, 57:7199
Kuder Occupational Interest Survey, long term profile stability over 12 to 19 yrs, 13–20 yr olds, 57:4780
Kuder Occupational Interest Survey, vocational interests, vocational counselors, 53:12648
predictive validity of Kuder Occupational Interest Survey, males & females, 12–19 yr followup, 56:1671
test validity, Guilford-Zimmerman Temperament Survey & Kuder Occupational Interest Survey, Mexican-American college students, implications for employment testing, 53:12680

Kuder Preference Record
alternate scoring methods, predictive efficiencies of the Kuder Occupational Interest Survey vs Kuder Preference Record for engineering, engineering students, 57:9347
American College Test & Mooney Problem Checklist & Kuder Preference Record & Survey of Study Habits & Attitudes scores & quality point averages, teacher preparation program success prediction, 54:6355
counselor use vs nonuse of Test of Educational Ability scores & Kuder Preference Record-Vocational & test result feedback, programing new registrants, high school counselors, 55:5741
Kuder Preference Record–Form B, prediction of occupations over 25-yr span, 53:4169
vocational guidance validity of Kuder Occupational Preference Record, relationship between occupational choice & orientation according to J. L. Holland's personality types, students requesting vocational guidance, 58:183

Kwashiorkor
psychological aspects of kwashiorkor, African infants, 53:5703

L

L Dopa [See Levodopa]

Labor (Childbirth)
childbirth education & childcare courses, pregnancy–related anxieties & perception of pain in childbirth, primiparas, 54:868
cognitive model of psychological stress & coping, personality traits & choice of childbirth method & anticipatory coping styles & emotional impact of 1st pregnancy, natural childbirth vs "medicated" patients, 57:12800
conflicts regarding reproduction & motherhood & communication of anxiety, time in labor, 18–29 yr old primipara women, 58:5723
early testing & treatment for phenylketonuria & prevention of prenatal infections & professional assistance during delivery & family planning, prevention of mental retardation, India, 53:9984
educational background & attitude toward pregnancy & motherhood & mental disturbance & antenatal training & partner's presence in delivery room, self reports of childbirth pain, primiparous females, 57:8589
fetal heart rate pattern during labor & delivery, mental & motor & behavioral development, 19 mo olds, 57:12500
hostile attitudes toward mother figures & social isolation & biological factors & situational stresses, postpartum depression, new mothers, 57:5994
husband participation, pain & probability of medication, women in labor & childbirth, 55:10405
labor & prepregnancy & postpartum orgasm in intercourse & psychiatric status, women 12 wks postpartum, 53:7172
labor length & medication requirements & overt behavioral signs of pain & subjective reports of pain & experiential childbirth testimonies & philosophy & methodology & successful outcome, obstetrical hypnosis vs natural childbirth, 55:2720
maternal labor medication, sleep–wakefulness & rest–activity cycles after birth, infants, 54:6886
methodology using time-sampling strategy, naturalistic observation of childbirth process & environment, 57:11729
obstetric anesthetics & analgesics administered during labor & delivery, neonate behavior, literature review, 54:2528
obstetrical risk, genesis of vulnerability, 53:5731
orgasm before pregnancy, labor, married primiparous women, 53:8895
parity, comfort during prepared childbirth reported by husbands & physicians & childbirth education instructors, mothers, 54:5672
perceptions of role of husband during his wife's labor, nurses, 56:6616
personality & demographic characteristics & life experiences, psychological responses to use of fetal monitoring during labor, women who delivered healthy infants by caesarean section, 57:1723
prenatal classes, evaluation of prenatal care & attitudes toward labor & delivery experiences, prenatal class attenders vs nonattenders, 54:1505
presence vs absence of medication & episiotomies & forceps, pain experienced during 2nd-stage labor, women trained in prepared childbirth, 57:6461
psychological & physical health, specific complications of pregnancy & labor & delivery, private obstetrical patients, 57:8525
psychological assessment as adjunct to obstetrical screening, prediction of childbirth complications, obstetric patients in 9th mo of pregnancy, 58:3952
reports of experiences during childbirth, analysis of sample bias in questionnaire returns, childbirth education, instructors & students & their husbands & physicians, 54:5671
state-trait anxiety & childbirth attitude & self concept during labor & delivery & presence during delivery, expectant fathers trained vs not trained in natural childbirth methods, 58:5244
telephone monitor system, transmission of intrauterine physiologic data during human labor, 53:2511

Labor Management Relations
allegiance toward employer & union, unionized employees, 53:12734
application of negotiation theory, national & international business & politics & labor relations, book, 55:12094
attitudes toward collective bargaining issues, public community college boards of trustees vs administrators vs faculty unions, 57:13685
behavioral approach, collective bargaining process in state mental health system, 58:12312
chronological record, application of behavioral science to organizational development, large manufacturing plant, implications for labor-management problems, book, 56:8875
collective bargaining variables, real vs ideal perceptions of work role & professionalism, teachers, 57:13584
communication between management levels & work force, management of & reactions to organizational change, 58:8506
content analysis of negotiated contracts, actual & perceived effects on school district instructional media programs, media directors, 57:11280
cultural differences, similarity between simulated & real life strike settling negotiations, European & North American managers, 54:8606
decision making participation & trust & rank & salary & administrative position & academic specialization, attitudes toward collective faculty bargaining at Cornell, full-time faculty, 57:8975
demographic & other independent variables, prediction of role perception in collective negotiations, school superintendents, Alabama, 57:13603
demographics & job satisfaction, collective bargaining perceptions & attitudes, faculty members, 53:10599
employee attitude surveys, labor unrest prediction & change initiation, 54:2077
employee sex & threatening vs pleading appeals, evaluation of grievances, male & female managers, 54:8601
industrial relations, 53:10630
influence of noneconomic factors on negotiators, perceived equitability of contract & perceived achievement & nature of work & favorable recognition & interpersonal relationships among teammates, members of management of union negotiating teams in separate contract negotiations in 1970 & 1971, 53:12709
interpersonal & personal values, perception of desirability of collective actions of professional associations, secondary level teachers, 55:1315
Israeli labor & ethnic conflicts, patterns of conflict generation & conflict absorption, 55:584
job responsibilities & geographic area of work, perceptions of principal's role in collective negotiations, elementary vs secondary school teachers vs principals vs superintendents vs school board members, 57:13671
managing for organizational effectiveness, experiential approach for student training, book, 57:14040
organizational change model involving union-management relations, 58:2297
perceptions of own participation in school system decision making & specified outcomes of collective bargaining, teachers, 58:4157
preparation for group labor negotiations, negotiators' behavior & attitudes, 54:12684
production & quality & cost & job satisfaction of operatives & supervisors & work anxiety & accidents & absence & labor turnover & industrial unrest, interrelationships between organizational variables, 55:3373
psychological contract, management–employee relations, 53:10608
religion & ethnicity & prior socioeconomic status & age & sex & residential proximity to school, attitudes toward & participation in 1968 New York City school decentralization teachers' strike, teachers, 58:1987
representation from school boards & teachers & parents & community, collective bargaining between unions & school systems, 58:1954
span of control, closeness of superior–subordinate contacts, managers & salespersons, 53:4233
state cooperative alcoholism program, employer-worker cooperation, 53:10143
superior–subordinate work relationship, exchange & dissemination of time, 53:6367
techniques & background & present & future state, collective bargaining in university, 55:3371
theoretical constructs application, analysis of athlete–coach social interaction, 53:12760
type & size of manufacturing plant, frequency of strikes, 53:12737
union activities & employee work actions & problems in delivering mental health care, mental health, 55:12852
union-management attitudes & relationships at local union organizational level in federal government, 55:13718
union-management learning encounter in industry, 53:4238
unit membership for collective negotiations, perception of role change, college student personnel workers & faculty organization representatives, 54:6178
upward communication in organizational hierarchy, supervisors & subordinates, 54:2101
views on decision making & governance & collective bargaining, trustees of institutions of higher education vs chief faculty union officers, 57:13660

Labor Relations [See Labor Management Relations]

Labor Union Members
allegiance toward employer & union, unionized employees, 53:12734
demographics measured through Wazee Intake Interview Form, skid row vs Alcoholics Anonymous vs labor union members, 55:9998
job satisfactions & relationships to leisure satisfactions & overall happiness, labor union members, 55:8523
personality traits, hostile vs pro-company employees, 58:7555
union activities & employee work actions & problems in delivering mental health care, mental health, 55:12852
work activity, coronary heart mortality, longshoreman, 54:4295

Labor Unions
allegiance toward employer & union, unionized employees, 53:12734
attitudes toward collective bargaining issues, public community college boards of trustees vs administrators vs faculty unions, 57:13685
attitudes toward unions, nonpostal white collar nonunion government employees represented by union, 53:4144
collective bargaining, advocacy of university faculty unionization & alliance with national labor movement, 54:12499
collective bargaining in education, parent discontent & parent-teacher cooperation, 1975 Boston & New York strike settlements, 56:10529
cost financing system, mental health facility in labor union program, 54:3553
demographic characteristics & attitudes toward collective action & 3rd party representation, faculty members in Florida's publicly-supported colleges, 56:10587
empowerment & degree of commitment to United Farm Workers, locu of control & self esteem & autonomy, Mexican American ma seasonal farm workers, 57:5888
industrial relations, 53:10630
job & organizational attitudes, interest in collective bargaining capabil ty, business & science professionals, 57:14110
organizational change model involving union-management relation 58:2297
social motives as linear combination of self & group interest, unic joining, 57:9401
union activities & employee work actions & problems in deliveri mental health care, mental health, 55:12852
unionization in American teachers' organizations in 1960's, implicatio for Ethiopian Teachers' Association, 58:12467
union-management attitudes & relationships at local union organiz tional level in federal government, 55:13718
utilization profile, cost-financed mental health facility in labor unic program, 54:3554
views on decision making & governance & collective bargainin trustees of institutions of higher education vs chief faculty unic officers, 57:13660

Laboratories (Educational) [See Educational Laboratories]

Laboratories (Experimental) [See Experimental Laboratories]

Laborers (Construct And Indust) [See Blue Collar Workers]

Laborers (Farm) [See Agricultural Workers]

Labyrinth (Anatomy) [See Also Cochlea, Vestibular Apparatus]
frequency of narrow band noise, temporary threshold shift, patien with peripheral facial palsy including unilateral stapedius musc paralysis, 55:937
labyrinthectomy, aptokinetic nystagmus & after-nystagmus, rabbi 56:9503
orientation to sound source, cod, 53:11361
physical exercise, spontaneous nystagmus & locomotor equilibriu squirrel monkeys with unilateral labyrinthectomy, 55:397
role of receptors of labyrinth, orientation without external orientatic clues, reptiles, 55:11529

Labyrinth (Apparatus) [See Mazes]

Labyrinth Disorders [See Also Menieres Disease, Motion Sickness]
dysmetric dyslexia & dyspraxia, defects in sequential scanning & spati orientation & ocular fixation, 58:1445
stimulus waveforms & methods of calculations & reproducibilit temporal integration measured by brief-tone audiometry, normals patients with cochlear damage, 54:12139

Lactation
aggression toward male mice doused with S's own urine vs urine of oth females vs water, lactating female mice, 57:5098
bedding soiled by postpartum lactating female vs adult male conspecific neonates, bedding material preferences, spiny-mou pups, 56:1896
behavior in dual-chambered maternity cage, lactating rats, 53:9196
centrally & peripherally induced anosmia, maternal behavior, lactati female rats, 54:9058
dietary exposure to inorganic lead via mother's milk, consummato behavior, mice, 55:4025
electrical stimulation of hypothalamus, lactation of mammary glan goats, 56:7465
estradiol benzoate & norepinephrine, feeding & locomotion, prepuber & pregnant & pseudopregnant & lactating & ovariectomized fema rats, implications for mediation of weight regulatory behavior, 57:8
estradiol benzoate & progesterone, aggressive behavior toward ma intruder & body weight, lactating mice, 54:2572
estradiol benzoate concentrations & ovariectomy & small vs large litte role of ovary in control of food intake & body weight, lactati female rats, 58:7043
estrous cycle & pregnancy & lactation, sexual preference, female ra 54:11106
ethanol given to lactating mothers, emotionality, male & fema offspring, 54:6981
ethanol received transplacentally & via mother's milk, predato behavior, mice offspring from predatory & nonpredatory strai 58:3043
experience, gathering stimulus materials, pregnant–lactating & ovari tomized & intact female rats, 53:6895
handling of pups & cross fostering of litters, maternal behavior, mothers, 56:9366
hysterectomy on 12th & subsequent days of pregnancy & presence foster young, lactation & maternal aggressive behavior, female mi 53:8981
hysterectomy-ovariectomy & estradiol benzoate & postpartum lactati vs sensitization, pup-retrieval performance in T maze extensi female rats, 57:7715
infant vocalizations & olfactory cues, maternal responses, lactati female rats & mice, 53:2719
interspecific agonistic behavior, nulliparous & lactating Peromysc leucopus & Microtus pennsylvanicus mice, implications for popu tion regulation, 56:5453
intraspecific aggression, lactating females & male mates & bisexual pa of mice, 57:544
kHz level of electronically generated newborn mouse calls, approa responses, lactating female & hormonally primed male & fema mice, 57:9686
late pregnancy & early lactation, feeding & sleep patterns, cows, 56:18
longitudinal analysis, maternal aggression during pregnancy & lactati periods, female mice, 57:5111
manual stimulation of teats or belly, udder rotation & grunting & m ejection & nursing posture assumption, pregnant female vs juven male vs infant pigs, 58:499
maternal ethanol consumption during gestation & lactation, litter size infant brain weight & development & learning performance, fem rats & offspring, 55:4086
maternal ventral skin substances, promotion of suckling, infant ra 57:5026
methylmercury chloride exposure during gestation vs nursing, visi cortex evoked potential latencies in offspring, rats, 57:5420
milk synthesis process & suckling stimulus & lactation hormon hyperphagia & body weight, nursing vs cycling vs virgin female ra 58:4936
mousekilling, virgin vs early vs late pregnant vs early lactating fem rats, 53:2796
nucleus accumbens lesions, lactation & postpartum behavior, fema rats, 56:371
olfactory discrimination & attraction to lactating rats, rat pups, 56:54
olfactory vs experiential factors, maternal behavior, lactating vs virg female rats, 55:3908
order of entry into milking parlors, commercial herds of cows, 56:18
phenothiazines, circulating levels of hormones, female psychiat patients with inappropriate lactation & amenorrhoea, 53:1649
position of creep heater in farrowing pens, lying behavior during week of lactation, sows & piglets, 56:5460
postnatal undernutrition due to placement with nipple-ligated moth body growth & maternal behavior, rats, 56:1965
postpartum mating & depletion of oxytocin by electrical stimulati milk yield & duration of suckling, rabbits, 53:4653
pregnancy & parturition & ovariectomy & lactogenesis & mother-p interactions, maternal responsiveness, rats, 54:4702

presentation of normal & caesarian-section delivered pups, maternal behavior, virgin male & female & maternal female mice, 54:668
progesterone, lactation & nursing behavior, late-pregnant & postpartum female rats, 53:6828
pup age in donor litter, decline in maternal behavior, sensitized virgin & postpartum lactating rats, 54:11277
quality & quantity of food eaten by lactating females, emission & synthesis of maternal pheromone & olfactory imprinting of pups, rats, 54:4675
removal of nipples at various times during pregnancy & lactation, influence of suckling stimulation on postpartum aggression, female mice, 57:12362
reproductive state & social isolation, aggressive behavior, female hamsters, 53:2810
retrieving-related behavior toward pup vs toy, nonmaternal vs maternal virgin vs lactating female rats, 54:667
sequence analysis, nursing behavior patterns, mother-infant monkey pairs, 58:505
spontaneous milk ejection, sucking patterns, infant rats, 55:11600
testosterone vs estrogen plus progesterone & lactation, stimulation of scent marking, low- or zero- marking gerbils, 56:5589
time course of onset & duration of pup attraction to lactating mothers, rats, 58:2785
undernourishment of mother during pregnancy & lactation, activity & exploratory behavior, adult rat offspring, 53:737

Lag (Response) [See Reaction Time]

Landscapes [See Topography]

Language [See Also Adjectives, Adverbs, Alphabets, Anagrams, Antonyms, Bilingualism, Consonants, Conversation, Cursive Writing, Dialect, Ethnolinguistics, Etymology, Foreign Languages, Form Classes (Language), Grammar, Handwriting, Handwriting Legibility, Homographs, Homonyms, Inflection, Initial Teaching Alphabet, Language Development, Letters (Alphabet), Linguistics, Literacy, Monolingualism, Morphemes, Morphology (Language), Multilingualism, Neologisms, Nonstandard English, Nouns, Numbers (Numerals), Orthography, Paragraphs, Phonemes, Phonetics, Phonology, Phrases, Printing (Handwriting), Pronouns, Psycholinguistics, Public Speaking, Semantics, Sentence Structure, Sentences, Sight Vocabulary, Sign Language, Slang, Syllables, Synonyms, Syntax, Transformational Generative Grammar, Verbs, Vocabulary, Vowels, Words (Phonetic Units), Written Language]
adaptive dialogue of words & phrases for classroom use, communication of needs & control of surrounding events, hearing impaired children at demonstration elementary school, 57:13920
adequacy of structural formulation, context as determinant of meaning & historical & ontogenetic meaning change & language flexibility in form of figurative & metaphoric language, 55:4168
"Adictos de la lectura" program, language skills & attitude toward reading & reading vocabulary & comprehension, 7th graders who had participated in program for 3 yrs, Puerto Rico, 56:2901
American vs Gusii administrator & English vs Gusii language, measurement of traditional & modern attitudes, Gusii intermediate & secondary & postsecondary school students, Kenya, 54:7376
antecedent learning of instructional materials varying in ideational inclusiveness & linguistic refinement, subsequent learning, comparison of R. M. Gagne's & D. P. Ausubel's approaches, 58:4799
application of notation to finite state languages, representation of sequential concepts & complexity variance, 53:1127
attitudes toward Afrikaans vs English language, rating tape-recorded voices for positive character traits, black South African students, 56:463
attitudes toward English & Welsh languages, bilingual children vs adults, Wales, 56:3795
attitudes toward English vs French-based creole, bilingual junior secondary school students, West Indies, 56:3897
attitudes, value-laden labels or descriptions, 58:7128
auditory perception, role in language processing, 57:11950
brief & extended similies & metaphors in written persuasive messages, attitude toward message topic & source & evaluation of message style, students, 55:11845
CA & reading level & sex & hearing aid use & parental hearing status & syntatic errors, receptive linguistic competence in use of base structure rules of transformational grammar, deaf children, 55:1528
cerebral dominance, language vs nonlanguage auditory perception, normal-hearing Japanese & Indo-Europeans vs aphasics, 54:5654
Chinese vs English verbal category norms, bilingual Chinese college students, 53:3078
Chomskyan paradigm for language, syntax & semantics & language behavior, 55:11838
class ability level, modification of difficulty of instructional language, high school social studies teachers, 58:10315
class-specific language behavior in psychoanalysis & psychotherapy, 55:10215
clinical general semantics approach, observation & analysis of language behavior, 54:1082
cloze technique combined with high interest & low readability materials & combined with language experience materials, word knowledge & comprehension skills, 4th–6th graders in corrective reading classes, 55:8320
cognitive style, figurative language production, 57:8305
cognitive use of language, disadvantaged vs nondisadvantaged 6th graders, 57:12449
college student tutors & parent participation in behavior modification workshop, deficient language & social behavior, children in day treatment program, 53:12280
communication & roles of language & emotion & communicator credibility, attitude & behavioral changes, 54:3030
communication features of emotions in English & tonal language of Yoruba, social grammar of language, 54:9638
communication formats in language of Communist world, implications for cognitive anthropology, 57:7842
communication training technique, communication skills & perception & cognitive classification & language, educable mentally retarded 7–11 yr olds, 57:9140
computer generation of letter sequences varying in approximation to Japanese, 53:1134
computer model of linguistic segmentation, application to natural language, significance for development of language acquisition model, 58:10795
computer program, algorithm for segmentation of artificial language, 54:5300
computer simulation of natural language processing, cognitive process model of person evaluation & impression formation, 58:6629
computer translator, decoding of source language into target language, 55:11254
conflicts of interest vs misuse of language as explanations of irrational & unproductive behavior & role of competitive economic system, 58:7327
content analysis of language behavior, psychotic vs nonpsychotic adolescent boys, 57:1393
context for use of proto-language & theories of language development, 55:9426
contextual & historical precedents, G. Bachelard's language of space & use of image to articulate lived-in space, 54:2139
control-system theory & performance objectives, significance for language behavior, 57:4643
correlational analysis between goodness-of-example & item dominance in category norms & word frequency, internal structure of natural-language categories, 56:5261
criticism of H. H. Clark's arguments for treating language materials as random vs fixed effects, 56:7091
cultural & language differences, linguistic relativity, 54:3089
cultural & linguistic aspects of pain description, English & Thai & Japanese speakers, 57:2818
cultural background & language & geographic region, ethnic identity formation, Anglo & Franco American high school students, northern Maine, 57:10089
deficiencies in auditory memory for sequential stimuli & disturbances in language, learning ability, children, 55:2521
definitions & theories, meaning in language, 54:3054
detached & dominant & dependent value systems & language choice, GSR to stimuli phrased in designative & perscriptive & appraisive language systems, 57:5433
digital & analog representations of external world, acquisition of knowledge, 53:3
discussion of M. A. Halliday's theory of functions in language & problems in language acquisition & educational implications, 58:5182
distinction between test & nontest techniques & requirement of ease & quickness of test administration, content validity of language assessment tests, 57:4769
dream theory analysis, language in J. Joyce's "Finnegan's Wake", 53:3092
effective usage of modern Hebrew, 53:11673
effectiveness of measures of operativity vs language vs short term memory, prediction of reading & mathematics comprehension, 5–6 yr olds, 1-yr followup, 57:12525
emotion in language of action, 57:7849
engagement of speech production processes in interpolated interfering vs noninterfering task, verbal short term storage & analysis of stimuli by synthesis, 58:10925
English proficiency, prediction of achievement, Mexican American beginning elementary & kindergarten students, 56:1501
English role terms, multidimensional & hierarchical analyses of sorting data, 54:10983
English tests & reviews, monograph of Seven Mental Measurements Yearbook & Tests in Print II, book, 54:8682
examination of Whorfian hypothesis that language dictates thought & behavior, social & psychological implications of grammar & vocabulary, book, 54:3072
factor analytic study, language prejudice for & against adopting Hindi as official national language, 20–61 yr olds, India, 58:929
fallacy of language as fixed effect, criticism of E. Wike & J. Church's comments on H. H. Clark's article, 56:7081
familiarity with Western testing materials & English language exposure, extreme response styles, Bedouin vs Moroccan male adolescents, Israel, 57:5669
family history of handedness, language lateralization measured by recognition of meaningful vs meaningless trigrams & vowel vs consonant strings presented to right vs left visual field, college students, 58:2585
feature-synthesis model, comprehension of metaphorical sentences, 57:11985
figurative language, adolescents, investigation of Piaget's & Erikson's concepts of adolescence, 57:5567
free association norms, French- vs English-speaking Canadians vs French workers vs college students, 57:12460
Freud's hermeneutic in theory & practice of psychoanalysis, 58:7136
functional localization model of cerebral organization of language, reply to O. Selnes' criticism of evidence comparing neurologically intact with split-brain patients & case reports, 57:7656
functional localization model of cerebral organization of language, criticism of M. Moscovitch's evidence comparing neurologically intact with split-brain patients & case reports, 57:7662
functions & affinities of metaphorical proverbs, applications in psychoanalysis, 57:13149
general semantics & Skinner's behavioristic theory of language, 57:9908
goodness-frequency of exposure relation, good-bad ratings of words newly introduced into English language, college students, 56:2103
grade level & sex & language spoken, imitation & comprehension & production of morphological language constructs in native & 2nd language, bilingual public school students, 55:4167
grammar & general-principles-of-language instruction, secondary school English teacher candidates, 58:8229
grammatical class of stimuli words & age, paradigmatic associations as measure of associative structuring in Slovak vs other languages, 1st–9th graders vs adults, 56:7655
hemispheric asymmetry, visual processing of linguistic items, 55:9117
hermeneutical mode of linguistic interpretation & application to psychological research, value of P. Ricoeur's approach to language development & thought processes & content analyses, 57:9905
heuristic analysis, rhetorical devices to highlight & frame in teacher language choices & classroom communication, college professors, 55:8009
historical background & technique & media applications & intentional limitations, proposed international picture language called Isotype, 57:2827
history tutor system using natural language, basic knowledge acquisition, elementary students, 55:10822
human communication processes, design of man machine language, 53:2090
human language, book, 54:7559
hypotheses for contradictory research findings, schizophrenic language, literature review, 57:12872
hypothetical constructs of "semes" & "nemes", group of meanings common to all languages, 56:7571
ideas & categorical structures of thought, language, 54:3063
innate mechanisms & prior linguistic exposure, discrimination of voicing onset of English syllables, infants exposed to Kikuyu language, Kenya, comparison with results of study by P. D. Eimas et al, 57:5496
insertion of lexical unit in sentence as decision process, experimental support for serial scanning vs hierarchical sorting model & relation to memory organization & retrieval process, 58:2695
integration of language exercises into academic curricula, children in self contained language disabilities class, 58:10511
intellectual impairment & role of language, performance on Raven's Coloured Progressive Matrices, aphasics, 55:12511
intensity of nurturer-infant contact, subsequent differentiation of social environment in terms of society's language system, cross cultural sample, 57:7913
interdisciplinary approach, relation between language & early reading processes & need to align materials with research findings, 58:6233
inter-S language differences & message length, communication of personality judgments between people, college students, 53:5179
intersubjectivity of language, importance to anthropology, 57:9906
judgments of social status of adult male French-speaking Canadians, English-speaking college students vs French-Canadian male 10th & 11th graders serving as judges, 57:846
knowledge of patient's language & meanings of words, psychoanalytic goals, 58:3395
knowledge of phonology & lexicon & syntax & semantics of language, learning to read & process of reading, 57:12450
language & auditory discrimination & short term memory abilities, hearing impaired & normally hearing kindergartners to 3rd graders, 55:7436
language & cultural problems, educational counseling & use of behavior modification & Adlerian techniques, Chicano children, 54:6408
language & culture & psychiatric concepts & medical diagnosis, African migrant worker in France, 57:5664
language & familiarity with clay, performance of tasks involving conservation of weight & quantity, Tzeltal-speaking Indian 6–13 yr olds, Mexico, 57:12545
language & memory & thought, theory of & experimental tests of human cognitive functioning embodied in computer simulation model, book, 57:7130
language & nonverbal communication roles, cognitive & affective processes, deaf Ss, literature review, 53:7383
language & perception, psychological study of word meaning, book, 57:2825
language & thought, review of "linguistic dominance" research, 58:7132
language as integrator of human personality, 53:9582
language behavior organization & cognitive performance measured by Stroop Color-Word Interference Test, 31–51 yr old chronic schizophrenic patients, 55:7286
language code & level of cognitive operations, academic achievement, adolescents, 58:4308
language code usages, choice of aggressive interpersonal tactics, 6th grade males, 55:4530
language, development & pathogenesis & psychotherapy, 19th century France, 54:2169
language disorder, role in genesis of autistic syndrome, theoretical discussion, 57:8378
language experience approach to reading education combining student's oral language & life experiences, minority students, 58:4283
language history & attitudes, prediction of use of Hebrew vs non-Hebrew terminology, Israeli psychologists & graduate psychology students, 54:5377
language instruction objectives & procedures, 2 hearing-impaired children, 55:10986
language, interaction with infants in day care center, caregivers, 55:12777
language interdependencies, bilingual Ss, 55:9337
language problems & culture shock, guidance learning center evaluations & counseling Cuban American children, 54:6400
language programs, US, book, 56:1406
language, relationship between discrimination learning & conservation task behavior, 7 yr olds, 56:5256
language sample & short term interventions, diagnosis of mental retardation, 1st graders with Spanish surnames with suspected mental retardation, 55:12368
language signification, assessment of experiencing, college students, 56:2422
language structures, 54:11754
language structures & use of names & syntactic creativity concept & language deficit explanations, language usage in humans vs chimpanzees, 58:11064
language used to describe temporal order of events, deaf 10 & 12 yr olds & hearing 2nd graders, 54:1462
language word order & organization of reference field & Ss' iconic-order coding biases, acquisition of miniature artificial language vocabulary, college students, 54:2335
language-operational-gestalt, processes & systems of library experience, book, 54:10777
language-task assessment using RT, language representation in right hemisphere, right handed college students, 56:1766
lateralization & localization for language representation, aphasia in left handers vs anomalous dextrals vs aphasia in childhood, 56:911
learning & cognitive approaches to language, 53:5286
life of K. Kraus & his work on use & abuse of language by psychiatry & psychoanalysis, book, 58:4554
limited time & space, language deletions, Finnish & Swedish high school students, 53:1158
linguistic & cognitive aspects, speech hesitations, schizophrenics vs normals, 58:9638
linguistic & cultural characteristics, failure of traditional compensatory education to help disadvantaged or black vs middle class or white children to improve standing on academic achievement & postschool success measures, 54:12527
linguistic experience, discrimination of (r) & (l), native speakers of Japanese vs American English, 55:8794
linguistic structure & paradoxical nature of human condition & constraints of language, 55:493
linguistics & language as communication, 55:481
listening comprehension of standard vs nonstandard Hawaiian English stories & teacher evaluations & expectations, standard vs nonstandard Hawaiian English speaking 5th graders, 56:8715
literacy, aphasia & brain specialization for language, focal brain damaged patients, 56:6252
main theoretical positions, thought & speech relationship & recommendations for teaching to develop thinking, 58:5062
maternal language style & prereading activities in home environment, reading readiness test performance, prekindergartners, 58:837
meaningful stimulus pictures & pretesting for comprehension & language production, referential communication, male retarded adolescents, 56:10125
mechanism of perceptual asymmetries & language hemisphere, dichotic listening studies, 54:4522
memory, major attributes & principal experimental procedures employed & role of language, 58:4818
metalinguistics, effects of language on thought & behavior, 54:9667
metaphor, review of psychological literature, 57:12445
methodological approaches, task-specificity & species-specificity in study of language, 56:9624
methylphenidate hydrochloride, psycholinguistic & motor & visual-perceptual abilities, learning disabled hyperkinetic children, 58:1703
misuse & overuse of metaphors in describing psychoanalytic processes, suggestion for adoption of analogies from modern physics & biophysics, 54:12363
model of image formation & expression & role of linguistic structures in perception & performance & communication, 58:7129
model of 2-person interaction based on A. Schutz's phenomenological theory of social relations & computer-assisted metalanguage based on case-grammar theory, analysis of client-counselor natural language patterns, 57:13200
modeling, creative behavior in language & anagram problem solving, divergent thinking, 55:1828
multimodality language vs writing therapy, adult male aphasics, 54:5700
nature & determinants & effects & measurement, language attitudes, 54:5272
Negro dialect vs standard English, listening and reading comprehension, Negro dialect speaking adolescents, educational implications, 55:2135
neuroanatomy underlying language function, modern views on localization & lateralization of language, 57:12254
neurolinguistic model, speech & language & cognition, case of presenile dementia presenting echolalia & completion, 55:302
neurological & anatomical & linguistic & psychological aspects, language disabilities, literature review, 53:9933
neuropsychiatric & neurophysiological research on language disorders, 55:12534

nonverbal memory & language & motor ability & psychomotor problem solving, education-matched young vs old brain damaged vs non-brain-damaged patients, 54:12118
object manipulation & picture identification & sentence completion & sentence repetition in standard vs black English, comprehension & production of linguistic structures, black vs white 4–7 yr old children, 55:9336
operationalizing subjective experience by scaling of metaphoric dimensions, validation of Metaphor Rating Scales & psychophysical devices against Multiple Affect Adjective Check List, 56:5183
ordinary language, approach, cognitive dissonance theory & dissonance reduction, 53:5287
overview of language in behavior, textbook, 56:3791
peripheralism & associationism doctrines of behaviorism, description of educational goals & methods, 53:3931
philosophies of language inherent in modern social scientific & traditional humanistic approaches, human communication, book, 54:1085
physical education program with emphasis on recreational games vs perceptual motor instruction, speech & language, 6–12 yr old speech defected, 54:1940
preferred vs nonpreferred language, RT & translation time in solution of arithmetic problems, English-Spanish bilingual vs English monolingual college students, 57:350
problem of primordial structuring in psychoanalysis, role of language in revealing id level & unconscious, 58:3728
proficiency in 2nd language, ability to estimate word frequency in 2nd language, Spanish speaking learners of English, 58:7137
provision of explicit grammar information before vs during vs after exemplar presentation, implicit & explicit learning processes in artificial language rule apprehension, 58:2673
psychoanalysis & language, 53:10225
psycholinguistic analysis of speech & language, depressed vs manic patients, 57:10423
psycholinguistic approaches to language & thought, 1972 Tokyo symposium, 55:6663
psycholinguistics & language & changing social structures & attitudes, German & Swedish students, 55:6667
psychological & semantic & structural aspects of American English kinship terms, 54:11741
psychological functions & aspects of Japanese language, 58:5059
psychosocial stages of E. Erickson, general development & self-concept, language-disordered children, 53:9901
quantitative & qualitative attributes of deviant spoken segments & behaviors in schizophasia & jargonaphasia, 57:8365
race attitudes & self concept & labeling & language, racial prejudice, blacks & whites, literature review, 56:561
rationalist–empiricist controversy in language, implications for educational & political actions, 54:5287
reading comprehension skill, short term memory capacity & memory for structured language, 3rd & 5th graders, 56:3439
relationship between nature of means & methods or media in instructional theory & nature of mental skills in cognitive theory, 56:1300
religious language, 53:9583
residence in French-American community in Northern Maine, language attitudes toward varieties of English & French, 10 yr olds & high school & college students, 56:3794
role of language in psychopathology & dynamic psychiatry, 58:5493
role of right cerebral hemisphere following left cerebral insult resulting in aphasia, linguistic processing, 55:12571
rural-urban interaction & other sociological aspects, word borrowing in Bemba language of Northern Rhodesia, 54:9647
selective adaptation of English consonants using real speech, college students, 55:3666
semantic analysis, schizophrenic language, 57:3428
semantic constraints & ambiguity resolution, 2-process decision model of language perception, 57:7848
semantic differential technique, attitudes towards speech of children from various ethnic & social groups, teachers, application of latitude model of linguistic attitudes, 54:5298
semantic prerequisites, model of linguistic capabilities of human brain, 56:462
sex & age, understanding & use of affect terms, 6 vs 9 vs 12 yr olds, 58:7190
sex & language & age & difficulty level, imitation & comprehension & production of morphological language constructs, native vs non-native speakers of English of pre-kindergarten vs kindergarten vs 1st grade age, 55:4238
sex differences, codability of verbal & nonverbal language & colors, 54:2332
similarities & differences in lexical & word order & inflectional properties of 2 artificial mini-languages, interference following acquisition, 58:3048
similarity between French & English words, patterns of French-English word associations, bilingual 7th graders & adults, 57:859
similarity of nonsense words to English, use of stress assignment rules in pronunciation, native English speaking college students, implications for teaching reading, 57:845
social class & race & sex & unfamiliarity of testing situation, language test performance & spontaneous speech, 4 yr olds, 57:2920
social group differences, cognition & language, 53:11417
sociocultural factors, individual behavior related to English & French-based creole languages, St Lucia, 56:2209
socioeconomic status & sex, performance on Piagetian-based tests measuring simple & complex learning & language & short & long term memory & intelligence, 5–6 yr olds, support for operativity as measure of cognitive functioning, 57:12526
socioeconomic status, language comprehension, Danish adults, 53:7364
Spanish language & Mexican culture milieu, validity of McCarthy Scales of Children's Abilities, southwestern rural 5–6 yr old kindergartners, 58:4618
spatial order & temporal duration & simultaneity concepts as reflected in linguistic structures, 3 vs 5 vs 7 yr olds, 58:820
speech & language functions in motor vs receptive aphasia, brain-damaged patients, 53:5691
spoken English vs American Sign Language, communication of agents & objects & indirect objects, deaf & hearing college students, 53:11640
standard English reading & comprehension level, oral translation of standard English text into black dialect, black students enrolled in college level compensatory program, 57:854
stimulus equivalence & grammar & internal structure, discussion of N. Chomsky's criticism of behavioral approach to language, 58:3055
stimulus linguistic content & temporal organization, auditory short term memory, learning disabled children, 55:7402
stimulus-response compatibility & extended practice, persistence of rule use in miniature artificial language, 56:1750
structuralist concepts in linguistics & language, personality & mental illness & psychotherapy & Freudian unconscious, 55:12592
structure & use & universality of verbal politeness routines, 57:2819
symbolic language & psychoanalytic interpretation, book, 55:9327
symbolic language, expression of fear of death, terminally ill patients, 54:3485
synchronic heterogeneity, evolution of color term systems, 56:9620
Tagalog as language of testing, cross cultural studies of ethnic stereotypes, bilingual college & graduate students, 54:7309
teacher skin color & use of neutral vs affective group-related language during teaching, test scores, black male 11th graders, replication of I. D. Glick's study, 56:10727
test language & examiner ethnicity, self-concept, 7–15 yr old Mikasuki Seminole Indians, 53:9631
theoretical & clinical meaning of parapraxis, 40 yr old female in psychoanalysis, 58:5792
topical limitation & dominant language & sign principle, language shift ability in process of interpretation, 54:11001
transcriptions of language & paralanguage & body-motion behaviors, structure of speaker–auditor interaction during speaking turns in dyadic & face-to-face conversations, 53:11652
translation of lesson from teacher's personal language to that of students as teaching method, 53:8283
types of sign, implications for theories of origin of language, 57:2828
understanding of intersentence organization, recall of short descriptive passages, 2nd vs 4th vs 6th graders, 56:7629
uniformity of color names among different languages, 54:11735
use of Black vs standard English features in school setting, oral & silent reading & listening comprehension, Black Title I 3rd graders, 57:11450
verbal mediation & language intervention program, visual sequential short term memory, 1st graders, 58:347
vernacular test instructions, cognitive development test performance, highland children of Papua, New Guinea, 54:9346
visual vs audio materials, natural language learning, 53:10916
voice vs face-to-face vs handwriting vs teletypewriting communication mode, language structure used during cooperative problem solving of dyads, male high school students, 57:9910
WAIS performance & cultural test bias, psychiatric patients from Newfoundland vs Kentucky, 56:2471
word meaning & input language, acquisition & forgetting in bilingual episodic memory & information representation, bilingual college staff & students, 57:4978
writing of picture interpretation stories in 2nd language, stimulus binding & polyphasic pictorial perception in responses, Rhodesian vs mixed-race vs Indian upper-primary school students, Rhodesia, 57:1062

Language Arts Education [See Also Phonics, Reading Education, Spelling]
academic grouping plans, academic achievement & personal & social development, 1st graders, 55:3165
academically structured Head Start program, Illinois Test of Psycholinguistic Abilities & Metropolitan Readiness Test, 5 yr olds, 55:5517
analysis of language arts textbooks for 4th & 5th & 6th grades, emphasis on creative thinking, 55:1388
analysis of writing samples, feasibility of early teaching of grammar, 6–10 yr olds, 53:8308
assessment instruments in English Language & Concepts Program, Spanish-speaking children learning English, 55:11029
assessment of children's achievement in High/Scope Foundation Cognitively Oriented Curriculum, rationale & use of Productive Language Arts Test, 58:2242
asssignment to description vs poem vs tale writing form, development & use of figurative language, 4th vs 5th vs 6th graders, 57:11453
attitudes toward choice of topic & time for & act & difficulties in writing, 4th & 6th graders, 58:12665
attitudes toward Hawaii English Project's Language Skills Program, elementary school administrators & teachers, Hawaii, 58:8192
attitudes toward 1st vs 2nd dialect & noncontrastive vs contrastive teaching method, standard English performance, black 3rd graders, 54:6321
auditory vs auditory-visual methods of blending instruction, ability to decode synthetic words, preschool children, 58:12508
automated auditory-visual techniques, teaching strong verbs to black male adolescent dropouts, 55:1389
behavior analysis studies, language training, severely retarded, literature review, 55:5666
behavioral objectives use in poetry teaching, cognitive & affective learning outcomes, 9th graders, 54:8373
behavioral patterns associated with writing process, 7 yr olds, implications for research directions & instructional hypotheses, 55:10854
black English as medium of instruction, motivation to learn standard English, black students, 55:13203
CA & sex & socioeconomic status & family characteristics & number of siblings & training program in intelligence & language abilities, emotional-attentional development, 5.5–6 yr olds, 54:10492
congruence between impulsiveness & theoretical orientation & social extraversion & autonomy, growth in writing skill ability, freshmen commmunity college students & teachers of English, 55:13297
conventional vs programed approach requiring overt response, instructional language arts television unit, 10th graders, 58:12563
creativity, academic achievement in language & arithmetic & science & social studies & spelling, 9th graders, 55:1454
curriculum & emotional climate & methodological choices & class dynamics, teaching English in all-black high school, 53:10454
curriculum & teaching methods & testing, language education at university level, 53:12439
demographic characteristics & educational objectives & liking for English course & English language skills, attitudes toward censorship of reading materials, secondary students, 55:3178
development of sound slide show, motivation to persevere through remedial English courses, pretechnical students, 57:9054
developmental linguistics & operant procedures & behavior modification, language training, mentally retarded children, 53:6206
educational & demographic characteristics & school size, reading & language arts achievement, 9th graders, 57:11438
elective vs conventional English program, achievement & attitudes, high school seniors, 56:2891
enactment-research-reaction method as speech education persuasion unit, attitudes toward & knowledge of social problem-finding behavior, male vs female secondary school students, 57:6753
English-as-2nd-language approach, teaching English, hearing-impaired college students, 54:1937
essay vs objective test, validity for basis of excusing students from composition courses, freshman college students, 55:11007
examination vs expository modes of instruction in composite vs isolated rhetorical principles, achievement in rhetorical analysis of prose, high school students, 56:4822
expressive writing, psychological development & educational setting in new language curriculum, 57:6755
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Ottawa, Canada, 57:4316
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Toronto, Canada, 57:4317
generalizations of phonics in language-experience approach curriculum, comparison of sight & basal reader vocabularies, 58:6209
grammar learning & teaching, brief survey of recent developments & selected bibliography, 54:10416
group-paced instruction vs instruction utilizing individual learning packets, language & work-study skill mastery & attitudes toward language arts & social studies, 4th vs 5th vs 6th graders, 55:13189
hierarchically-ordered questioning technique employed by beginning English teachers, written response to short stories, 10th graders with high vs low reading ability, 58:10346
historical origins & growth & underlying ideology, teaching of English in secondary schools, England, 57:13736
home & cultural background, problems of verbalization, Asian American college students, implications for curriculum design, 55:8273
human development program with group discussion, writing performance, college students, 55:5504
incorporation of visual concepts & skills, secondary language arts program, 56:4804
individual vs peer interaction vs regular classroom instruction in vocabulary, vocabulary development & reading achievement, 5th graders, 57:13721
individualized teaching in mathematics & grammar emphasizing development of successive thought structures, elementary school students, 54:10477
inductive & deductive sequences & cognitive styles interaction, acquisition of higher order concept in English literature, college students, 55:13341
inference use ability development, 6th grade students, 55:3013
initial teaching alphabet vs traditional orthography method of reading instruction in 1st grade, attitudes & achievements in language arts & reading & spelling, 10th & 11th graders, 55:3060
interdisciplinary approach, relation between language & early reading processes & need to align materials with research findings, 58:6235
language acquisition vs language learning theories of language development, relevance to language education, 55:2192
language learning & origins in Hjelmslev vs N. Chomsky, linguistic creativity, 54:9653
language planning, book, 53:1915
language research & training & development, mentally retarded, review, 53:5680
language teaching strategy, retarded children, 53:6216
language training program, communication skills & classroom adjustment, 12–19 yr old nonvocal deaf retardates, 53:1977
letter copying task utilizing self verbalization of errors & potential reinforcer for meeting criterion or recopying for not meeting criterion, measurement of visual-verbal feedback on changes in manuscript letter formation, 6–9 yr olds, 58:10420
linguistically-based programed decoding strategy used on card-reading machine, learning of phoneme/grapheme correspondences, disadvantaged 2nd–5th graders, 55:1337
linguistics vs traditional approach, achievement, students in remedial English program, 55:13480
methods of teaching composition, writing & attitudes of students & teacher's attitudes toward teaching, 55:13253
multisensory discussion program, teaching poetry, 6th graders, 55:1317
neuropsychological aspects, teaching reading & writing, 58:8275
normal language development & theory, language teaching, retardates, critical review of J. F. Miller & D. E. Yoder et al's articles, 53:619
objective & detailed linguistic indicators vs teacher ratings, evaluation of written compositions, 12th graders, 55:3254
objectives & content & methods, theory in Piagetian curricula & theoretical approaches to language curricula in preschool education, 53:8305
oral language instruction, reading achievement, high vs low verbal 1st graders, 58:8262
participation in self selection feedback & self evaluation system in language arts, evaluative feedback choices & self reported attitudes, 6th graders, 55:1409
preferences for arts vs science subjects at 3 stages of schooling, personality differences with reference to thing-person dimension, secondary school students, England & Wales, 56:4861
presence vs absence of interest in literature, perception & appreciation of excerpts from literary texts vs texts rewritten to present only concrete contents, 10th graders, 54:12584
Productive Language Assessment Tasks, assessment of written language production, 2nd & 3rd graders in Follow Through curriculum vs regular curriculum, 57:11349
programed instruction theory & structure, Russian grammar learning, 54:4098
psycholinguistic analysis, oral reading miscues in passages from science & social studies & mathematics & literature, 6th graders, 55:1331
psycholinguistic remedial tutorial program, attitudes toward reading & writing & reading achievement & writing composition, black high risk college students, 55:13495
psychological & pedagogical rationale, process for teaching expressive writing, 58:12549
Quest for Identity Seminar involving remedial English & human relations classes vs liberal arts program, academic self esteem, inner city community college students, 57:6750
rationale & curricula & structured teaching procedures, remedial language training program in hospital, 55:13468
reading & spelling errors, students, implications for education, 54:415
reading achievement level & classroom discussion vs tutorial approach to literature, ego identity development, 9th & 10th graders, 58:1036
reading achievement through grades 1–4, children who participated in 2 yr preschool language arts program vs kindergartners, 6-yr study, 54:1903
remedial composition & reading course stressing vs not stressing practical student & vocational skills relevant to immediate needs, reading & writing skills, community college freshmen, 57:13940
remedial therapy, language arts & reading & arithmetic achievement, learning disabled 4th & 5th & 7th graders, 57:4438
response pattern analysis, subsequent content of written responses to short stories, students in integrated urban high school vs high school in affluent residential vs industrial suburbs, 56:6741
retention of language & composition skills during summer between 7th & 8th grade, junior high school students, 55:13288
seating placement in language experience setting, verbal behavior, disadvantaged kindergartners, 57:13932
selection & evaluation & content & training procedures, language training programs, 53:6168
self directed learning practices, English achievement & attitudes toward English in basic English courses, community college students, 58:4227
self selected vs teacher assigned writing tasks & sex & reading abilities & attitudes toward reading & writing assignments, 4th graders, 56:146
setting generalization in language training, mentally retarded, literature review, 57:6921
sex & language background & language instruction method, school readiness & auditory discrimination & psycholinguistic abilities, disadvantaged kindergartners, 53:1954
sex differences, language arts & social studies & mathematics & science achievement, male vs female 7th & 8th graders, 55:13352
similar sounds "i" & "e" presented separately vs together & cumulative introduction of each sound, acquisition of letter-sound correspondences, preschoolers & 1st graders, 57:1916
special language program, intermediate level mentally retarded deaf students, 57:2014
speech delivery factors, speech effectiveness measured by attitude change & recall-comprehension & "ethos" trustworthiness & objectivity, implications for teaching & grading of speech, 57:5429
successive-concurrent vs concurrent teaching procedure, acquisition & differential responding to individual components of language cue, severely handicapped students, 58:8401
syntax model games & language, early education application, 57:67

task analytic procedures applied to development of individualized self instructional vocabulary learning materials, acquisition of root analysis strategy in vocabulary learning, 6th graders, 55:3059
teacher-clinician in language class, speech pathologist, 53:8355
teachers' attitudes toward independent learning, attitudes toward independent learning in reading short stories, 10th graders, 58:10464
Teams-Games-Tournament classroom management technique, acquisition of language arts skills & classroom social processes, 3rd graders, 54:4073
Teams-Games-Tournament instructional process & development of language arts & reading & mathematics curriculum units, student achievement & attitudes & peer group processes, applicability to elementary & secondary classrooms, 58:8240
Teams-Games-Tournament, language arts skills, 3rd graders, 54:1859
token contingent reinforcement & remediation, acquisition of sentence composition containing prenominal adjectives & adverbs, deaf-aphasic 8–11 yr olds in residential school, 57:13927
traditional vs diversified elective English program, materials & instructional techniques & classroom activities & attitudes toward English & grade received, male vs female 11th & 12th graders in urban vs suburban schools, 56:10613
traditional vs nontraditional instructional methods, self concept & English/Language Arts achievement, black vs white 7th vs 8th graders, 56:10597
training of college students as critical receivers of public persuasion, survey of speech & English department chairpersons & teachers in higher education settings, 58:12492
training strategy, delayed language development, children, 53:4890
transactional analysis & related psychotherapeutic techniques, application in college composition & communication classes, 57:4324
transformational-generative vs structuralist-behaviorist language models, implications for foreign language teaching methods, 54:6230
visual perception training & language training, visual perception & language & reading & intellectual growth, 7–11 yr old educable mentally retarded, 57:11524
visualization of poetically elicited mental images & variables involved in response to reading poetry, 10th and 12th graders of varying academic ability, 57:6822
writing disorders in college English courses, college students with learning disabilities, 55:13515

Language Development

context, use of indefinite & definite articles in discourse, 3–9 yr olds, 56:9705
ability to attach labels to earlier nonverbal experiences prior to establishment of labeling rules, college students, implications for inability to recall early childhood experiences, 56:5325
ability to attend & preferences for & understanding of poetic devices, appreciation of rhyme & alliteration, 1st vs 3rd graders, 58:11455
ability to conserve discrete quantities, use of English conjunction structures, kindergartners, 58:7222
achievement motivation, intellectual & behavioral functioning & language ability, male vs female disadvantaged 3 yr olds, 55:9368
acquisition & usage & attitudes toward, Hebrew slang, 53:11634
acquisition & use of similes, mildly mentally retarded 5th graders, 54:3433
acquisition of "ask/tell" construction in language, normal & retarded & gifted 8–10 yr olds, 58:9730
acquisition of comparatives & superlatives in language, 3–5 yr olds, 55:11976
acquisition of indirect object constructions, 5–10 yr olds, 58:9249
acquisition of initial consonant clusters, phonotactic development, male from age 3–5 yrs old, 58:9240
acquisition of knowledge of direct & indirect object in terms of linguistic marking, test of existence of putative linguistic reversal using artificial language learning task, 7–10 yr olds, 55:4236
acquisition of language & semantic representations, children, 57:2897
acquisition of language, teaching language to mentally handicapped children, 53:6220
acquisition of morphology & syntax, analysis of Hungarian research, 58:9288
acquisition of prepositional motor responses, knowledge generalization & control by prepositional type, retarded preschool children, 57:13005
acquisition of reading, visual hemifield differences in perception of verbal material, 1st vs 3rd vs 5th vs 7th graders, 57:7873
acquisition of related word meanings, preschoolers, 55:4257
acquisition of temporal words, kindergartners & 1st graders, 58:11431
acquisition of understanding of "front" & "back" & "side", nursery school students, 57:944
acquisition similarity, 1st & 2nd language learning, literature review & implications for language teaching, 56:8686
adaptation of R. B. Barker & H. F. Wright's ecological method, behavior-stream organization during early language acquisition, 18–36 mo olds, 56:9694
adjective language development & seriation, 4–8 yr olds, 58:9257
adult-child discourse, developmental interaction between information processing & linguistic knowledge, longitudinal study of children from 21–36 mos of age, 57:5511
adults' verbal intervention, facilitation of syntax acquisition, 2.5 yr olds learning 1st language, 58:7223
affirmative vs negative sentences containing definite vs indefinite articles, sentence interpretation, 4–10 yr olds, 58:5132
age & environment, analysis & synthesis of verbal elements in forming sentence & story containing given words, 9–15 yr olds from rural vs urban environments, 54:7224
age & grade & developmental level, use of perceptual vs conceptual vs syntagmatic sorting strategies in word sorting task, elementary school & college students, 57:12534
age & language level of child, quantitative & categorical dimensions of verbal interaction, 2–5 yr olds & mothers, 55:6778
age & parents' education & sex, paradigmatic associations, 1st–4th graders, 57:953
age & reading ability, coding written letters or words into sound & detection of small visual differences & processing speed, 7–12 yr olds, 54:4501
age & sex & IQ & length of institutionalization & preinstitutional social deprivation & self concept, development of language of emotions, educable retarded children & adolescents, 56:10140
age & sex & IQ & race & diagnosis & adaptive behavior & language level & articulation proficiency, singing ranges, institutionalized mentally retarded 8–26 yr olds, 58:5613
age & sex & school marks & socioeconomic status, elementary grammatical thinking, 8–12 yr olds, implications for teaching foreign language grammar in elementary schools, 57:1928
age & sex, acquisition of color names, 30–53 mo olds, 58:7207
age & sex, comprehension of comparative sentence transformations, 4–8 yr olds, 57:2902
age & sex, syntax development, 2–6 yr olds, 58:841
age & syntactic sentence structure differences, ability to discriminate standard & Black nonstandard dialect forms, Black 6 vs 8 vs 10 yr olds, implications for dialect language programs, 58:9261
age, analysis of word awareness responses as developmental task vs learned behavior, 1st graders vs kindergartners, 58:9271
age at which language training begins & quantity & quality of language stimulation & reinforcement, speech & language development, children, 58:3094
age, attribution of communication failure to listener vs speaker as measure of developmental trend in comprehension of messages, 56:5797
age, comprehension of simple linguistic descriptions of vertical arrays using placement task, 4.5–6.5 yr olds, 58:7198
age differences, production of & preference for appropriate metaphor, 4–19 yr olds, 54:9339
age, discriminative judgments of sentences varying in grammaticality & repetition accuracy of grammatical & ungrammatical items, kindergartners vs 2nd vs 4th graders, implications for reading readiness, 58:9305
age, identification of action role vs word order relational concepts, 6 vs 8 vs 11 yr olds, 58:11452
age, language proficiency & semantic categorization & proactive interference in short term memory, 5–8 yr olds, 58:855
age level, individual difference dimensions in spoken syntax, 5–13 yr olds, 53:4910
age, nonstandard performance of phonological & grammatical forms, black vs white preschoolers, 56:9688
age, order of acquisition of spatial & temporal word meanings, 3–5 yr olds, 58:825
age, phonemic vs syllabic segmentation of spoken word, 4–6 yr olds, implications for reading acquisition, 54:2712
age, reproduction of sentences with relative clauses, 6–11 yr olds, 58:11456
age, semantic relations reflected in language usage, language disordered 3 & 5 yr olds vs normals, 58:9754
age, use of deictic verbs in contrived situations, 4–7 yr olds, 58:5170
age, use of hand & arm movements as nonverbal communication, 4–18 yr olds, 57:7957
age, use of temporal adjoiners to combine 2 constituent sentences, 4–6.6 yr olds, 56:9700
allergies, language &/or learning disabilities, 1st–12th graders, 57:13006
analysis based on interrogation model, mothers' use & childrens' comprehension of question forms & interrogative probes, preschool children & their mothers, 57:2966
analysis of father's speech to language learning child, 55:6742
analysis of interrogative speech types in mother–child interaction, US vs Israeli 2 yr olds & their mothers, 56:5771
analysis of speech patterns, acquisition of concept of time, Dutch children, 55:2166
anthropology & neurology & child development, evolution of language, 53:9592
aphasias as levels in normal language destructuring & correspondence to anatomo-physiological systems, application to aphasic typology & development of lateralization, 57:8505
appearance in vocabulary & modification to adult form & function & stability of meaning of "mummy" & "daddy", Latvian children, 57:972
application of computer-controlled program for stimulation of language behavior, objective measurement of performance & progression toward normal behavior, nonspeaking autistic children, 57:1311
application of Piaget's theory of intellectual development to problems of language development & childhood education, 54:12516
articulation, autistic children vs predominantly subnormal language matched controls vs developmental receptive dysphasic controls, 58:3447
asssignment to description vs poem vs tale writing form, development & use of figurative language, 4th vs 5th vs 6th graders, 57:11453
auditory closure & discrimination, speech & language development, young children, 55:2195
auditory evoked responses to verbal & nonverbal stimuli, lateralization of language function, infants vs children vs adults, 55:4265
auditory presentation, conceptual understanding of spoken word, preschool & kindergarten & 1st grade children, 53:11398
averaged EEG responses to speech related stimuli, infants, 55:9357
background emphasis on perceptual & linguistic & thinking skills, reading success, very young deaf children, 54:3480
behavior modification, language development, autistic children, book, 58:12110
behavioral & generative models, associations & linguistic development, 53:892
behaviorist & nativist viewpoint, reanalysis of B. Lenneberg's "Biological Foundations of Language", 57:9911
Bereiter-Engelmann vs Bank Street preschool programs, verbal & motor functioning, Head Start students, 55:8029
bilingual vs monolingual education, linguistic & academic & attitudinal & cognitive growth, primary school children, 54:1882
brain functions & development in animals & man, implications for language development & communication, 55:322
center-based "relational" vs home-based "behavior modification" programs, intellectual development, 12–24 mo old children referred for social or verbal developmental lags or home-environment problems, 56:470
cerebral lateralization, sex differences in cognitive skills in motor & spatial & linguistic areas, 57:7384
child & reality, discussion of problems of genetic psychology, book, 57:7900
classroom teacher's knowledge about language of children & multicultural education & language of teaching in primary grades, personal account of education professor's experience as teacher of Blacks & Chicanos in urban school, 58:8161
CNS hierarhical principle of recruitment of lower level activities for use by subsequently evolved functions, analysis of speech behavior as foundation of language, 56:9675
cognitive & vocal system development, language learning, infants, 54:11405
cognitive approach & modeling, language therapy treatment program, schizophrenic children, 54:1513
cognitive capacities & semantics, language acquisition, 57:2946
cognitive construction of time dimension, past tense expressions in speech for differing events, 1.6–2.6 yr olds, 57:891
cognitive demands of nominal tasks, word-referent differentiation, 1st & 2nd graders, 57:7968
cognitive development, cognitive & linguistic pluralization rules, 18–28 mo olds, 58:807
cognitive development, language acquisition, black inner-city & white middle-class & rural kindergartners & 1st & 2nd graders, 53:2848
cognitive development, language comprehension, 3 vs 4 vs 5 yr olds, 55:9440
cognitive developmental approach, language & thinking, kindergartners, 57:983
cognitive model of language learning, implications for foreign language teaching, 57:5436
cognitive structuration development, development of concept of "the word," 4–10 yr olds, 53:7037
cognitive vs chronological development, lexical store development, noninstitutionalized retarded children vs normal kindergartners & 4th & 9th graders, 55:4876
cognitive-perceptual factors & word meaning acquisition, children, 53:4895
coherency of referentially based conversations & sound play exchanges, 2 yr old twin boys, 55:11959
combination of psychoanalytic self-object differentiation & representational thought development, acquisition of language & symbolic thought, infants, 58:5120
communication assessment & intervention strategies, alleviating communication problems, developmentally disabled children, book, 57:6211
communication preference & social conditions of language learning, deaf children, 54:1446
communicational analysis, early language development, 53:7045
comprehension & acquisition of syntactic structure, 4–6 yr olds, support for C. Chomsky's study, 58:9294
comprehension & production interrelationship, language acquisition, 53:4913
comprehension & usage of spoken & nonspoken language & inner language development, normal vs autistic children, discussion of relationship of early childhood autism to mental retardation & normal intellectual function, 57:1372
comprehension of & answer responses to questions, 5–9 yr olds, 55:6808
comprehension of intonation patterns, male 7–10 yr olds, 55:11937
comprehension of linguistic reference to past & future, 1–4 yr olds, 57:933
comprehension training vs production via imitation training, acquisition of morphological rules, young children, 58:3098
comprehensive vocabulary development, readiness-to-read vocabulary development, male vs female Black vs White kindergartners, 58:10409
computer model of linguistic segmentation, application to natural language, significance for development of language acquisition model, 58:10795
computerized verbal analysis, contentive categories of verbal language, black 3–5 yr olds, 56:2143
conceptual structures, comprehension of comparative sentences, 2–6 yr olds, 55:9456
conceptual thinking & personality development, deaf 5 yr olds, 58:5708
conceptualization of "middle-size" & acquisition of linguistic comparative, 4.5–10.5 yr olds, 55:4254
concordant preferences as precondition for affective but not symbolic communication, primates, implications for experimental anthropology, 54:1083
concurrent relevent motor activity, sentence production ability, 4 vs 7 yr olds, 55:9439
conservation & language development, 53:11414
context for use of proto-language & theories of language development, 55:9426
context of utterance & S's syntactic system; stress patterns in 2-word utterances, young children, 58:7245
contextually congruent vs incongruent verbal instructions, comprehension of "in" & "on" & "under", 1.6–3 yr olds, 56:7685
contingent reinforcement & imitative prompts, acquisition of simple & compound sentence structure, 8-yr-old autistic male, 53:6221
contingent vs noncontingent feedback, accuracy of imitative production & discrimination with Polish words, children at rural day care center, implications for language development, 56:9702
contingent vs noncontingent reinforcement, auditory receptive language ability, students with developmental disabilities, 57:13954
conversational competence over number of turns, 2.9 yr old male twins, 55:534
creative play, language development, disadvantaged nursery school students, 53:10445
critical analysis, developmental theories of cognitive function & language, 53:7026
critical readiness periods for language & cognitive development, relation to mental subnormalities, 54:3428
cultural deprivation & physical isolation & parental mental retardation, retarded language development, 4 yr old male & 5 yr old female siblings, Canada, 58:3100
culture & English language attainment, rate of semantic development, female college students, 56:5787
cybernetic analogies vs heuristic search in language processes, G. Miller's psycholinguistic concepts & TOTE paradigm, critical review, 54:7579
daily story repetition as educational technique, increased verbal interaction with adult & improved language facility, 6–7 yr old mentally retarded students, 57:4419
deficient language acquisition strategies, conceptual framework for analysis of severe language deficiency, 58:5647
deficit vs difference as function of language proficiency, 55:6792
demographics & socioeconomic status & perceptual skills & intelligence & oral language, good vs average vs poor 1st grade readers, 53:4024
description of apparatus to obtain audio- & videotape recordings of behavior in cognitive-linguistic tasks, young children, 56:19
description within psychoanalytic model, development of language & communication delays & disorders, 55:9407
descriptive language use, thought processes of reasoning & judgment, lower socioeconomic status 5–6 yr olds, 54:11407
development & elaboration of predication in speech, male & female 18–30 mo olds, book, 53:7056
development & preliminary standardization, Peniston Adaptive Behavior Developmental Inventory measuring social competence & adaptive functioning level, 5–46 yr old institutionalized mentally retarded, 58:2567
development & standardization, basic word vocabulary test, 1st–12th graders, 53:2854
development of auditory vocal analysis & synthesis skills, motorically vs nonmotorically impaired learning disabled 108–161 mo olds in special public schools, 56:3017
development of comprehension & use of relative phrases, analysis of research, 57:2887
development of comprehension of complex syntactic structures, 5–10 yr olds, 55:11938
development of lexicon for purposes of symbolic communication, deaf children of hearing parents, 58:11951
development of linguistic action systems & relationship to early childhood autonomy, literature review, 58:794
development of metaphoric comprehension, 6–14 yr olds, 56:5805
development of metaphoric understanding in children, 58:7247
development of phrase & clause decoding ability, children at 3 developmental levels, 54:815
development of regulatory function of language, male vs female 3–5 yr olds, 56:5763
development of semantic differentiation of words & classification of semantic field for nouns & adjectives & verbs, 8 vs 10 vs 12 vs 14 vs 16 yr olds, 56:9671
development of syntactic complexity, 15–20 mo olds, longitudinal study, 58:7225
development of word meaning discrimination, 13–16 yr olds, 55:4262
developmental analysis, nature of linguistic knowledge revealed in spelling during yrs of formal schooling, 2nd & 4th & 6th & 9th & 12th graders, 55:1433
developmental analysis of propositional logical thinking, comprehension of language connectives, book, 56:7666
developmental changes, dichotic right ear advantage & language laterality, 54:4624
developmental changes in semantic structure, concept formation, 6 vs 9 vs 12 yr olds vs college students, 57:7994
developmental differences, comprehension of reversible vs nonreversible passive sentences, 3–8 yr olds, 55:6795
developmental language level, directionality of deletion component in sentential & phrase conjunction reduction, 2 & 3 yr olds, 57:12528

developmental level of listener, verbal productivity & grammatical complexity in verbal interactions, language handicapped vs nonhandicapped 4–6 yr olds in instructional & free-play settings, 58:7743
developmental levels of behavioral responses to common objects, evaluation of cognitive behavior, young nonverbal children, 58:9717
developmental linguistics & operant procedures & behavior modification, language training, mentally retarded children, 53:6206
developmental model, auding & reading & interrelation of adaptive processes & oral & written language skills, book, 54:819
developmental model, auding & reading, implications for reading education & literacy training, 53:11426
developmental rates of change, verbal processes & cognitive & subjective components of imagery, 1st–5th graders, 54:2697
developmental sequence of speech perception & production, acquisition of initial fricatives & glides in English, 1.8–3.11 yr olds, 55:11946
developmental sequence, teaching use of grammatical structures, 5–9 yr olds with language disabilities, 54:8445
developmental study, analyzing spoken language into words & syllables & phonemes, 3–7 yr olds, 55:529
developmental trends in "trick or treat" language routine, 2–16 yr olds & adults answering door, 57:2909
diagnostic reference of psychomotor disorders of speech & language, 58:11994
dialect difference upon school entrance & semantic mastery deficit as explanations, social class differences in school performance, children of poor parents, 54:7184
dichotic word & sentence listening tests, cerebral auditory laterality & language proficiency, Montessori school vs Model Cities vs language &/or speech impaired 3–6 yr olds, 56:9678
differentiation of syntactic & semantic features in empty grammars, evidence from empty form usage, 55:536
direction of causality, assignment of 2nd-clause subject pronouns, college students & junior high school students, 56:7175
discrimination of English & nonsense words measured by habituation & dishabituation of cardiac response, female 16 & 32 wk olds, 58:814
discussion of M. A. Halliday's theory of functions in language & problems in language acquisition & educational implications, 58:5182
disfluency frequency & type, language skill performance, 4 yr olds, 56:10162
divergence & fluency in Black dialect vs standard English & independent & instructional & frustration grade levels & hearing capacity & dominant common learning modality, male vs female Black 4th grade disabled readers, 57:13781
dolls & blocks as objects in naming task, learning of distinction between common & proper nouns & syntactic marking of distinction, 17–25 mo olds, 57:2921
dynamic discourse of parent & child, development of productive control over adult language system, 55:11953
early environmental deprivation, academic performance & intelligence development & language use & social integration, children of ship's masters, 54:7183
early evaluation, speech & language problems, 55:12503
early language acquisition & socialization, book of readings, 55:2160
early maternal linguistic environment, language learning, Down's syndrome & normal 24 mo olds, 53:1465
early parental language model & method of communication, syntactic competence, deaf 10–18 yr olds, 58:7749
early perception & language production, infants, 53:4923
ecological demands, cognitive structures, psycholinguistic profiles of kindergartners & 1st graders from isolated coastal communities, Labrador, 53:11427
Education Development Center vs Learning & Research & Development Center Follow Through instructional models, promotion of language development & school adjustment & academic achievement, Ss in Head Start & kindergarten & 1st grade, 55:13199
educational program for developing language abilities, psycholinguistic development & reading achievement, 1st graders, 58:8282
eidetic imagery, kindergartners & 2nd & 3rd graders with "subnormal" vs normal language skills, 56:8716
elaboration of noun phrase in description of objects, 4–7 yr olds, 54:4996
elicited & spontaneous imitation as learning strategy, acquisition of new words, 14–30 mo olds, 56:5800
elicited imitation effectiveness, language acquisition & clinical assessment & remediation, critical review, 57:3772
elicited imitation vs production of language, linguistic strategies & similarity of involved psycholinguistic skills, severely mentally handicapped children, 58:5603
emergence of differing syntactic styles, universal aspects of psycholinguistic developmental process, 55:11984
emotional trauma & CNS dysfunction, language & speech development, visually handicapped preschool age children, 57:13062
enforced creeping, below normal language & intelligence 2–5 yr olds, 54:5775
enriched early experience & parental personality traits & attitudes, language & speech attainment, congenitally deaf 4–7 yr olds, 55:10138
environment & individual differences, language development, 57:960
environment & intelligence, language acquisition model of B. Bernstein, 57:917
environmental correlates, language development & retardation, middle & lower socioeconomic status European & part-Aboriginal children, 54:5574
environmental experience vs genetic factors, individual variation in language skills, monozygotic vs same-sex dizygotic twin pairs vs their siblings, 56:9681
environment-based language training, rate of verbal behavior, 12–13 yr old mentally retarded, 54:8434
ethno-economic group members & urban geographical location, oral communicative skills, preschool & kindergarten children, 57:2911
etiology & language behavior patterns, educable retarded children in primary level special education programs, 57:3625
evaluation of Distar Language I Program & Beginning Pictures & Patterns Program, development of visual-motor & language readiness skills, disadvantaged kindergartens, 56:10635
explicit specification of relevant attribute vs traditional questioning, comprehension of "same" & "different", 2–3 yr olds vs male college students, 57:7946
factor analysis & age, language & cognitive test performance, Down's syndrome retardates, 58:3575
family size, preschool readiness, disadvantaged 2–3 yr old whites, 54:1823
figurative language use ability, 3rd vs 4th vs 5th graders, 53:4931
first terms of reference & change in meaning of terms with development, children, 57:2889
formation of present & plural & possessive & time extension forms of nonsense syllables in grade 2 vs 4 vs 7, Black vs White students, longitudinal study, 58:5154
French immersion vs regular English program with French 2nd language instruction, French & English language & mathematics skills & IQ, 1st–3rd graders, Canada, 58:10281
function of language & imagery, development of formal operational thinking, 11–12 yr olds, 57:2955
functional analysis of language development, 30 mo old child, 54:11417
functionally- vs perceptually-based conceptual discrimination training procedures, subsequent acquisition of verbal class labels, developmentally delayed vs nondelayed toddlers, 57:5571
general behavior development theory incorporating J. Taylors axioms, for conscious organism, using J. Searle's & M. A. Halliday's functional analysis of speech acts, 56:3824
general concepts & score interpretation & educational objectives, criterion-referenced testing as measurement of language growth, 54:6429
generative grammar approach, early syntax in 2-word utterances of childhood language, review, 54:7219
goals & methodologies of pilot program for language development, 15–18 yr old educable mentally retarded males, 58:10505
grade level & sex & language spoken, imitation & comprehension & production of morphological language constructs in native & 2nd language, bilingual public school students, 55:4167
grammatical structure analysis of spontaneous speech, clinical intervention, children, book, 53:868
grandparent contact & birth order & sex, reading readiness & self concept & classroom behavior & language development scores, white middle class 1st graders, 56:2125
group language development program, developmental factors, normal preschool children in day care centers, 55:13257
hearing & listening behavior & social adjustment & motor coordination & visual-spatial & sequencing skills & nonverbal intelligence & language behavior, progress in language development, 4–6 yr olds with severe receptive difficulties, 55:7421
hierarchical complexity & interruption & role change structural principles, difficulty of strategy in building modeled construction, 2–6 yr olds, implications for cognitive organization common to play & language development, 57:7883
hierarchical ranking of acquired progressively complex phonological distinctions in language development, 3–5 yr olds, 58:815
high vs low language proficiency & demographic characteristics, aggressive behavior in classroom, Black vs Puerto Rican vs White male 4th vs 5th vs 6th graders, 58:10451
higher functioning retardates used as trainers in attendant supervised training sessions, language acquisition by lower functioning retardates, institutionalized mentally retarded & attendants, 55:13501
Hiskey-Nebraska Test of Learning Aptitude & sex & age & race, identification of specific language/learning skill deficits, 2nd & 3rd graders, implications for early identification & remedial program planning, 57:4478
history & current studies, teaching human language, chimpanzees, book, 54:696
home environments & mother–child interactions, language-delayed children across all socioeconomic strata, 53:7059
home language stimulation by teenaged oral readers, language development, disadvantaged 2 yr olds, 55:13195
home-based program with verbal interaction techniques, stimulation of child's cognitive & language development, low income mothers & their preschool age children, 58:8004
hyperkinesis vs hypokinesis, learning disabilities involving psycholinguistic abilities & visual perceptual processes & social introversion-extraversion, 6–10 yr olds with minimal brain dysfunctions, 57:13068
identification & characteristics, marginal language disabilities, immature primary age child, 55:12510
identification & organization & discussion of research suggestions from US Office of Education literature search in reading, contributions in language development & learning to read & reading process, 58:1940
Illinois Test of Psycholinguistic Abilities & Concept Assessment Kit—Conservation, psycholinguistic & conservation abilities, 5 yr olds entering kindergarten, 55:1608
imagery & concreteness & age-of-acquisition & familiarity & meaningfulness values for 205 5-letter words having single-solution anagrams, 58:7130
imitation & production & comprehension, acquisition of passive voice, 3–8 yr olds, 58:9241
imitation & token reinforcement, production of generative sentence usage, 6 & 12 & 32 yr old mentally retarded vs 2.5 yr old normals, 53:6215
imitation in language acquisition & training, implications for intervention deficient children, literature review, 58:6365
imitation vs motivation & situation & creative & generative aspects, acquisition of 1st & 2nd languages, 53:1113
imitation vs novel responding & modeling vs reinforcement, acquisition of language, 54:2728
imitative modeling vs mimicry in language instruction, learning correct usage of personal pronoun "they", language disordered 5–10 yr olds, 58:1717
implicit phonological rules, 40–74 mo olds, replication of S. Messer's study, 54:796
individualized language program, improvement of language skills, trainable mentally retarded vs normal elementary school students, 56:3033
individualized prescriptive teaching program based on task analysis program, reading & mathematical concepts & linguistic development skills, institutionalized retarded children, 58:6376
individualized program of sensory stimulation using interdisciplinary team approach, fine & gross motor functioning & perceptual performance & language development, sensory impaired & multihandicapped 18–36 mo olds, 57:4066
inferential & oral reading & natural learning of language skills, literature interpretation, 55:10630
instruction & language development, hard-of-hearing children, 55:10977
intellectual & language development, reading readiness, kindergartners, 55:10799
intelligence & age of deafness onset & degree of loss & speech & language, sociometric status & reading achievement, hearing impaired 7–12 yr olds enrolled in regular elementary school classes, 58:10557
intensity of psycholinguistic stimulation program, language development, trainable mentally retarded 5–15 yr olds, 58:8382
intensive help in motor & perceptual & verbal development by paraprofessional volunteer tutors, developmental levels measured by Slosson Intelligence Test scores, Head Start 3–5 yr olds, 57:1955
interactionist view of lexical development, syllabic structure & acquisition of consonantal phonemes from beginning of word production, 56:5769
interdisciplinary approach, relation between language & early reading processes & need to align materials with research findings, 58:6233
internal consistency of Northwestern Syntax Screen Test, preschoolers with normal language development vs impaired vs mentally retarded, 54:1424
interpersonal communication & linguistics & language development, book, 54:3092
interpersonal functions of speech to 1.5–2 yr olds vs 3–4 yr olds, teachers, implications for language acquisition, 57:857
interpretation & production of sentences with verbs "know" & "think" & "remember" & ability to recognize contradictions based on factivity, 6–14 yr olds vs college students, linguistic & psychological implications, 57:931
interpretation of marked comparative adjectives, 2–4 yr olds, 58:9313
interpretations of conservation expression instructions, 5 yr olds, 54:11416
intervention program & maternal interaction behavior at entry & end of program, subsequent achievement & psycholinguistic ability at end of 1st yr of formal education, culturally disadvantaged 4 yr olds, 58:2067
intervention programs, preschool children with delayed language development, 53:8358
issues & needs, language development research, 53:7028
judgments of age & linguistic community of Chinese vs US infants vocalizations, college students, 57:855
Kleinian frame of reference, relationship of language to phases o infantile psychosexual development, 58:5092
knowledge of definite & indefinite reference, semantic acquisition children, book, 56:7654
knowledge of own language, relation to production & comprehension & judgment & correction performances in language, children, 54:1139
language & action & perceptual stimulation, preoperational & transi tional stages of cognitive development, 4–6 yr olds, 58:9259
language & cognitive development based on Piagetian concepts 53:9266
language & cognitive development, analysis of J. Bruner's contributions 57:892
language & cognitive development, evolution of J. Piaget's thinking & research, 57:958
language & conceptual development & language comprehension spontaneous development of moral concepts, 57:5609
language & emotionality scales, Thematic Apperception Test, 6–11 y olds, 53:5349
language abilities & short term memory & outerdirectedness & intelligence & hypothesis testing, concept attainment skills, mentall retarded children in special classes, 58:7731
language abilities & verbal vs nonverbal problems, development o understanding of number conservation concepts, 4.5–7 yr olds 58:880
language ability, formation & use of conceptual categories, 1st vs 3rd v 6th graders, 56:7659
language ability, reading development, 53:12442
language acquisition, 55:6661
language acquisition & retardation & intervention, book, 53:4933
language acquisition, blind retarded 9-yr-old female, 53:5678
Language Acquisition Program, severely mentally retarded, book 53:8368
language acquisition vs language learning theories of language develop ment, relevance to language education, 55:2192
language background, morphological rule development, 5–7 yr olds i optimum & average English & Maori & Samoan groups, 54:1138
language behavior & hierarchic integration, schizophrenic boy, longitu dinal study, 56:10057
Language Behavior Rating Scale, teacher assessment of receptive & expressive language, young multihandicapped children, 55:13557
language competence & teacher judgment & age, prediction of readin readiness, kindergartners, 58:2229
language, concept formation, 1st & 4th graders, 55:11918
language concept presentation via videotape playback & sex & socioeconomic levels, language concept learning, 1st graders, clinica implications, 58:10381
language deficit & learning problems, culturally disadvantaged children 54:7909
language development during childhood, 57:9966
language development for interaction sequences, 55:4517
language development from dumping messages to role playing attitude reconciliation of communicative obstacles arising from speaker listener discrepancies, 55:541
language development from dumping messages to role playing attitude & influence of culture & ethnicity, clinical methods of trainin language disordered children, discussion of J. Muma's communica tion game, 55:545
language development, mentally retarded children, review of Englis language literature, 58:11924
language development, numerical concept formation & abstraction & integrative abilities development, 5–19 yr olds with Down's syn drome, 53:3426
language development pattern, operational level of thinking, children 54:9341
language development program vs conventional remedial reading reading ability & word recognition, 2nd graders, 54:8429
language development, 2 preschool age deaf females, 55:10097
language intervention programs, learning basic mathematical concept & vocabulary, linguistically handicapped elementary school children 58:10506
language production as function of formal education, TAT perfo mance, 25–34 yr old high school vs college vs graduate scho graduates, 55:4639
language program based on operant behavior modification strateg verbal behavior, nonverbal emotionally disturbed preschool children 56:2613
language program based on "telegraphic" approach through manua signs, multiply handicapped 10–13 yr old boys, 54:5675
language research & training & development, mentally retarded, review 53:5680
language, role in cognitive development of children, 53:896
language skills, preschool age identical vs fraternal twins, 55:6737
language stimulation program, long term gains in language usage & I & reading & academic achievement, educationally deprived 1 graders, followup evaluations, 56:8763
language structures, 54:11754
language training & language learning ability, 40 mo old fema chimpanzee, progress report, 56:5409
language training program, receptive & expressive language skill language deficient 3–5 yr olds, 58:6382
language usage & role playing ability & concept conservation, 5–6 y olds, 54:7214
language use proficiency, levels of observable aggression, Puerto Rica vs Black vs White 9–13 yr olds, 58:759
latencies in picture-word interference task, semantic processing i reading 2nd & 6th graders & college students, 57:970
learning American Sign Language terms with vocal English words a stimuli, transfer of sign response to appropriate physical object, ma chimpanzee, 57:494
Learning to Learn project as early-childhood intervention progra enhancement of intellectual & linguistic & educational & person development necessary to continue achievement in later form education, poverty children, 56:2915
learning 2nd language, linguistic & operational development, Germa speaking 5–9 yr olds, study of linguistic system for series constru tion, 58:7182
left hemispherectomy for seizures at 5.5 yrs old, development of superi language & intellectual abilities, 21 yr old male, followup studie 56:4544
length constraints & reduction rules & holophrastic processes, wor combinations, children, 53:2823
"less-more" training, "less" comprehension & conservation perfo mance, kindergartners, 57:2917
letter naming & visual & auditory discrimination & oral language & C & MA & sex & environmental & developmental characteristic reading ability, beginning kindergartners, 58:12605
level of descriptive competence & language training seriation, low working class & middle class 5.6–6.1 yr old males, 58:11451
level of expressive speech training & sex of parent-trainer, vocabulary 1 yr of age, male vs female 6–8 mo olds, 58:3113
level of symbolic play & use of spontaneous vocal imitation development of multi-word utterances, 14–19 mo olds, 1-yr longitud nal study, 58:9299
lexical & semantic relation & syntactic word order stages, norm language acquisition, 1.5–5.75 yr olds, 55:11945

linguistic & cognitive development interrelationship, language acquisition, critical review of E. V. Clark et al, 53:4887
linguistic & cognitive development interrelationship, language, children, 53:4934
linguistic & cognitive factors, answering questions about perceived events & pictures & statements, kindergartners vs 2nd graders, 56:3839
linguistic ability & performance, black & white & Spanish-American & Indian children, 54:2701
linguistic competence, psycholinguistic properties of reading & oral language comprehension, children, 58:9296
linguistic deficits & importance of language in diagnosis & prognosis & mother-child linguistic interaction & intervention programs, language in childhood psychosis, 55:7271
linguistic development in English language & social appropriateness of language, meaningfulness of personal constructs articulated in this language, English- & Swahili-speaking males in secondary school, Tanzania, 57:5432
linguistic development level & stimulus string structure, comprehension of telegrahic vs expanded utterances, mentally retarded vs normal children, 56:8212
linguistic development or proficiency on temporal aspects of reading aloud & speaking, frequency & length & location of unfilled pauses & speech rate & phrase length, 56:7647
linguistic experience, discrimination of voicing differences in stop consonants in English vs Kikuyu, American vs Kikuyu infants vs adults, 57:9997
linguistic performance, 6–9 yr olds, 55:11939
linguistic skill in native language & dialect & multilingual status, oral language & reading achievement during 1st 2 yrs of school, Maori vs Samoan vs Pakeha vs White children with professional parents, New Zealand, 58:2226
linguistic structures & contexts as measured by comprehension & imitation task performance, language-delayed preschool children, 56:4307
linguistic subsystems & concrete operations, developmental cross cultural comparison, Geneva data results vs 1st–3rd grade Greek-English bilingual vs English monoglots, Australia, 57:2965
logical relationship of clause & clause similarity, choice of conjunctions, 1st vs 4th vs 7th vs 10th graders vs college students, 57:935
long range diagnostic-prescriptive reading intervention program using Frostig Developmental Test of Visual Perception alone vs with Illinois Test of Psycholinguistic Abilities, oral reading & academic achievement & psycholinguistic growth, language disabled low socioeconomic disadvantaged elementary school students, 55:5668
long vs short term day care enrollment, vocabulary & language comprehension & production, low income children, 57:12514
MA & covert speech, reading ability & achievement, male vs female 1st graders, 58:2079
match-to-sample training with class stimuli, subsequent name acquisition & generalization, developmentally delayed vs nondelayed preschool children, 58:11477
material display & posing questions, verbalization skills in explaining answers to experimental tasks, 3–4 yr olds, 57:899
material level, development of word identification, 3rd & 5th & 7th & 9th graders & college students, 58:5149
maternal & child language variables & child-mother attachment relationship, language development, preschool age children, 58:858
maternal & infant variables, language development, infants, 56:510
maternal linguistic input, linguistic development, Spanish-speaking Down's syndrome & normal children, 54:12090
mathematical theory, language learning process & environment, 54:7208
maturational lags, sensorimotor development & linguistic deficits, 2–18 yr olds with learning disabilities, 57:8486
meaning acquisition, language use & communication theory, 53:1145
meaningful & structured behavioral antecedents of semantics & syntax in language, preverbal infant observed from 6–12 yrs of age, 58:11464
measurement of written syntactic patterns, developmental stages in acquisition of German syntax, college students learning German as 2nd language, 56:1417
melodic units of information as tone groups in language acquisition, 54:11393
mental operations observed through circumstantial complements of time & place & manner & motive & purpose, ability to articulate syntactic constructions, 8–12 yr olds, 55:2175
method of eliciting true/false judgments, 3–5 yr olds, 58:8605
mirrored body image of patient & female psychotherapist, knowledge of language & expression of dissociation fears, male child, 57:10711
mode of stimulus presentation, acquisition & generalization of tacting responses, previously nonverbal children, 55:7482
model of factors influencing native & non-native language acquisition, 55:2140
modeling & imitation training & instruction & reinforcement, imitation of relative clauses, 3–5 yr olds in preschools, 58:8269
modeling & reinforcement, generative use of sentence answers & generalization to similar questions, 15–17 yr old retarded & 3.5–4 yr old economically disadvantaged, 54:12597
modeling for normal vs reversed form of direct-indirect object sentences & comprehension training, selective imitation of sentences, pre-schoolers, test of comprehension-imitation-production hypothesis, 58:5184
modeling using verbal interaction vs observational learning & contingent reinforcement, generative construction of metaphoric sentences to presented nouns, 1st–3rd graders, 55:1429
modified version of Picture Story Language Test, validity & reliability for assessment of language development, 3–7 yr olds, 57:9364
morphological ability, normal vs dyslexic male 2nd graders, implications for reading education, 58:3610
morphological development of language, school age educable mentally retarded, 55:7394
mother child verbal interaction, male upper middle class & female lower middle class 2 yr olds & their mothers, Netherlands, implications for R. Brown's prevalent semantic relations in early language acquisition, 57:893
mother-child interaction, linguistic competence, severely hearing-impaired 4–7 yr olds, 55:7425
mother-child language patterns & language development, schizophrenic vs normal mothers & their 4 yr olds vs normal mothers & their autistic children, 57:1321
motivational variables in mother-child verbal interaction, language acquisition, 1.8–5 yr olds, 56:9680
motor theory, speech development, 54:11410
movement & location contexts, spontaneous use of verbs "come" & "go", 2 yr olds, 57:951
multidimensional scaling analysis, development of semantic structure underlying set of animal names, 1st vs 3rd vs 6th graders vs college students, 58:7204
naming & sorting of drinking vessels, learning vagueness of category boundaries, 3 & 6 & 9 & 12 yr olds, 54:9327
naming vs introjectory single word utterances, subsequent content of 2-word sentences, 1–2.5 yr olds, 57:8002
natural vs formal language teaching programs, grammatical principle usage & language development, deaf 9–16 yr olds, 58:10513
nature-nurture debate, speech development stages in language acquisition process, children, 57:907
nominal predication of nonsense syllable by superordinate term, inferences about attributes of word, 5–7 yr olds, 54:9344
nondirective group play therapy vs group speech lesson vs individual direct speech therapy vs physical motor training, fluency & articulation skills & receptive language development, speech or language delayed preschool children, 56:10395
nonlinguistic stimuli & semantic relations, acquisition of novel & grammatical utterances, 28–40 mo old children, 54:5004
nonlinguistic strategies, acquisition of word meanings of "in" & "on" & "under," 1.5–5 yr olds, 53:848
nonmanual vs manual fathers, vocabulary definition, 6–14 yr old children, 55:9472
nonstandard English & language development & oral language instruction, 53:2853
nonverbal communication & language development, 58:11427
normal language development & theory, language teaching, retardates, critical review of J. F. Miller & D. E. Yoder et al's articles, 53:6196
normal vs deviant language development, comprehension of sentences describing temporal & spatial order, preschoolers through adolescents, 58:1415
normal vs deviant language development, comprehension of spatial adjectives, 4–12 yr olds, 58:1422
normative data of performance on short form of Token Test, middle class school age children, implications for assessment of receptive language skills, 57:11798
observation of events varying in temporal & locative action relations, sentential vs phrasal use of "and" in descriptions, 4 vs 11 yr olds vs adults, 58:838
ontogeny of language, 57:2888
operant conditioning, nonvocal language function acquisition, 8.5–13 yr old aphasic children, 55:4882
operant conditioning techniques, functional language skills, nonverbal children, 54:8442
operant training techniques, establishment & generalization of language, analysis & literature review, 53:3245
oral & non-oral representations of communication & development of social competence, mentally retarded children, 58:5610
oral & written syntactic competencies & syntactic attainment, reading achievement, 2nd graders, 58:2089
oral language development program, receptive & expressive vocabularies, male vs female 5–7 vs 8–10 yr old Mexican Americans, 58:6215
oral language instruction, reading achievement, high vs low verbal 1st graders, 58:8262
oral language performance & syntactical structure, reading readiness, black vs white inner-city kindergartners, 55:3129
oral–manual programs, problems of language development & language teaching of deaf children, 55:1533
order of acquisition & comprehension, polar dimensions of spatial adjectives, 3 & 4 yr olds, 57:895
paradigmatic language training, reading readiness, beginning 1st graders, 53:3993
parent centered preschool education model & program proposal, preschool deaf children, 57:13923
parent sex & child sex & structured vs unstructured parental speech stimulus statements with parents active as testers, measurement of language comprehension, 15–25 mo olds, 58:874
Parent Training Technology System, behavior modification & development of academic & language & motor & social skills, mentally retarded & emotionally disturbed children, 53:5950
parental at-home activities & use of visual aids, language development, hearing impaired children, 54:5644
parental characteristics & environmental stresses, development of infantile autism, 5–10 yr old autistic males vs males with severe developmental disorder of receptive language, 56:9999
parental communication through sign language & finger spelling, oral & manual language skills, 3–7 yr olds of deaf parents, 57:5556
parental involvement in language development training, parents of handicapped children, 54:6337
parental ratings of language development, preschoolers, 55:11967
parent-assisted treatment program, language delayed preschool children with Down's syndrome, 53:9898
parent-child interaction patterns, developmental level of overt private speech & syntactic understanding, preschool age children, 55:4256
parent–teacher–speech pathologist interaction, remedial programs, children with language development problems, 53:8360
participation in longitudinal intervention program using intensive language & cognitive development stimulation, patterning of structured mother-child teaching interaction & maternal & child behavior, black 3–5.5 yr olds, 55:8018
pathological & normal language development, learning disability, 58:3594
perceptual motor & symbolic function development, language development, infants, 2-yr longitudinal study, 58:9256
performance on ability measures & academic gains following perceptual-motor & perceptual-language & language-conceptual training, 1st graders, implications for diagnostic-prescriptive teaching, 58:4292
phonological & lexical & morphological & syntactical & paralinguistic aspects of speech development, Indian-Caucasian female, longitudinal study from 2nd mo to 6th year of age, 55:11906
phonological & phonetic aspects, acquisition of fricatives, children, 55:9447
phonological systems, verbal autistic vs mentally retarded children, 58:3429
phonology & syntax & semantics in language development, 5-yr-olds to adolescents, 53:7036
photographs of familiar vs unfamiliar objects & persons, frequency of owner vs object naming & other expressions of possession, holophrastic 14–32 mo olds, 58:863
phrase-marked & nonphrase-marked cloze scores, Detroit Tests of Learning Aptitude performance, 2nd–4th vs 5th–6th vs 7th–8th graders, 58:6392
physical phonics program, language development, primary educable & intermediate trainable mentally retarded, 57:6912
Piaget language categories & mental ability, spontaneous language, urban 5 yr olds, 55:2164
Piagetian concepts of cognitive development, study of language acquisition, 56:3833
Piagetian theory & perceptual development & socialization & language acquisition & contributions of early European developmentalists & recent Soviet developmental theory, 1973 meeting of International Society for Study of Behavioral Development, selected papers, 58:3076
Piagetian view, thought & language, birth to 2 yrs, 53:4925
Piaget's cognitive development theory, application to explanation of language development, 55:9445
picture sorting according to class labels, development of natural language concepts, 2nd vs 6th graders vs college students, replication of study by E. Saltz et al, 57:2943
play activities, elicited language functions & structure & development, British 5 yr olds in infant schools, 58:5180
play vs verbalization instructions development & prior formal language training, utterance structure & purpose & length & number during mother-child conversation, mothers & their young children with normal vs delayed language development, 58:7742
position of embedded clause & word order in embedded clause & grammatical functions of identical noun phrases, acquisition of relative clauses, 44–65 mo olds, 53:893
poverty, cognitive development & acquisition of selected function words, 6–8 yr olds, 55:6753
pragmatic-communication rule vs Martin's semantic rule, prenominal adjective ordering, children, 55:9458
precusors in prespeech communication acts, language acquisition, children, 56:7626
predicational structures & underlying conceptual notions in language, preschool age children, 55:11916
prenominal adjective ordering, comprehension & production of triple-adjective phrases, adults vs 3–7 yr olds, 57:2951
prerequisite cognitive abilities & role of verbal & nonverbal interactions & types of cognitive strategies employed in oral language learning in early childhood, 58:5138
preschool language development programs, children in Head Start Program, 55:8079
presence of defect in understanding of spoken language, development of infantile autism, 5–10 yr old males, 56:9984
presentation of verbs "can" & "will" in grammatically correct & incorrect declarations & questions, use of verbs in spontaneous speech & imitation & correction of declarations & sentences, 2.5 yr old male, 55:2183
presyntactic & early syntactic speech, use & frequency of word forms & syntactic structures to signal negative semantic categories, children, 58:7180
prevalence of language delay & association with delayed nonverbal mental abilities & general retardation, 3 yr olds, 57:6133
preverbal concepts & acquisition strategies & parental-acceptance patterns, interaction model of language learning process & 1st word acquisition, 1–2 yr olds, longitudinal study, 53:4927
principal-component analysis of tests of language abilities & combinations of input & output modalities, 5–13 yr olds, 56:3822
principles & applications of STYCAR Language Test, pediatric assessment of language-related functions, 54:12093
problems in school achievement & English language usage, deaf children vs minority non-English speaking groups & review of American Sign Language research, 58:6354
problems involving typical vs atypical exemplars, class inclusion performance, 7–10 yr olds, 58:805
process of language acquisition, evaluation of linguistic principles in deaf education, deaf, 55:7432
processes & diagnostic distinctions, receptive language acquisition, mentally retarded, 53:5662
production of generative sentence usage by imitation & reinforcement procedures, retarded vs normal toddlers, 55:6772
production of tense inflections, autistic vs mentally retarded vs normal children, 56:9985
productive language abilities in learning disabled, 12–16 yr old learning disabled, 55:7412
program for development of mutual responsiveness, mother-child verbal interaction, hearing & visually handicapped mentally retarded female 20 mo old & her mother, 56:4488
program of supplementary daily verbal interaction experiences with teacher, oral language development, disadvantaged 1st graders, 57:1974
progression in form & function & meaning of adjectives in spontaneous speech, 24 & 30 mo olds, 56:2144
progressive differentiation of reproducible stereotypes & their arrangement as significant units, children's drawings as writing, 54:7191
prompting & reinforcement, training generalized receptive prepositions, retarded children, 53:10512
psychodiagnosis, delayed speech development, 5.5 yr old female, 54:3418
psycholinguistic abilities & academic achievement, 4th–6th grade hard of hearing students in regular classes, 58:6262
psycholinguistic abilities & creative thinking & expression, 3rd graders, 54:7212
psycholinguistic aspects, bilingual language acquisition measured by production of English plurals, 3rd & 6th & 8th & 10th grade native Spanish-speaking Mexican Americans vs Anglos, 55:11957
psycholinguistics & language acquisition & abnormal language & speech behavior, textbook, 56:7579
psychological processes, role in acquisition of syntax, children, 54:11387
psychosocial deprivation, speech & language development, children, 54:780
pure tone hearing thresholds & auditory responses to speech & auditory training & language development, selection of hearing aid, prelinguistic hearing impaired children, 54:5641
quality & quantity of verbal interaction & parental pressure & exposure to printed material, language retardation, children, 54:5573
quantitative analysis using transformational generative grammar model, linguistic performance, deaf 6–9 yr olds, 55:1580
quantitative study, sentence structure in written language, 3rd–10th graders, 53:9271
reading as part of language acquisition process & inherently subjective activity, implications for teaching, 53:12414
reading skill level & IQ & age, listening & reading comprehension of sentences following vs not following minimum distance principle, 3rd vs 4th vs 5th graders, support for Chomsky's stage analysis, 57:929
reading training, development of covert speech & word analysis & synthesis skill as predictors of reading achievement, 4 yr olds, 57:1931
reception training with novel &/or familiar prepositional construction, modeling effects in subsequent prepositional usage, 1st graders, 57:990
receptive & expressive language developmental relationship, critical review of L. Bloom's & D. Ingram's articles, 53:4892
receptive & productive stages, vocabulary development, 2.5 yr olds, 56:9661
receptive language development, critical review of P. Menyuk's & R. F. Cromer's articles, 53:4937
receptive–productive language development sequences, 10–18 mo olds, 53:864
reconstruction & transformation of disassembled figures of chimpanzee faces, chimpanzees & 5–7 yr olds, 54:2617
referent concreteness as contextual influence, acquisition of passive sentence comprehension through abstract modeling, 3–5 yr olds, 57:5516
reflective vs impulsive conceptual tempos & reading achievement level, language abilities & disabilities, rural 3rd graders, 57:5515
relation of probe word to sentence word, recognition of probe word as included in previously heard sentence, 5 vs 7 vs 9 vs 11 yr olds vs college students, development of semantic future systems, 57:952
relational concepts in language & thought, hearing vs deaf 3–6 yr olds, 55:9460
relationship between knowledge of phoneme-grapheme correspondence & social stratification & non-standard speech & race, 4th–6th graders, 55:6751
relationship between language & learning disabilities & reading as a language-based process, 58:7739
relationship between processes of learning oral language & learning to read, 1st graders & kindergartners, 54:8403
relationships between arithmetic learning & child's preferred learning channel & preskills of attention & language comprehension & graphic motor coordination, 58:4306
repatterning passages based on student's writing syntax patterns, reading comprehension, 53:11670
repeated exposures, acquisition of semantic information from discourse, college students, 54:6759
research & theory on language skills development, communication disorders, 57:8504

research–education interaction, language development, mentally retarded, 53:8371
resource-room vs regular classes, IQ & language development, retarded 1st graders, 53:4051
response patterns to Northwestern Syntax Screening Test, 5.5 vs 6 vs 6.5 yr old boys & girls, 57:13997
role of imitation, lexical acquisition, children, 58:9283
role of language, conservation development, deaf children, 54:12105
role of 1st & 2nd & 3rd person signified by words, order of acquisition of personal pronouns, 20 mo olds, 3-mo longitudinal study, 57:12542
rote memorization & analogic formation & rule-operation, production of plurals, 2–3 yr old Hungarians, 54:9350
scalogram analysis, development of use & comprehension of "because" concepts, 3–7 yr olds, 57:909
self concept & language age & readiness & socioeconomic status & sex & family size & achievement, kindergartners, 58:12620
self concept enhancement & language development intervention program, school readiness skills, inner city preschoolers, 58:10293
semantic & structural analyses of pivot constructions, 15–18 mo olds, 56:9696
semantic aspects in oral language, normal & syntactically deviant 3rd & 4th & 5th grade boys, 55:12528
semantic change in action role relationship & perceptual change in relative position of puppets, visual fixation, preverbal vs early verbal infants, 55:11974
semantic components, errors with pronouns, 3–5 yr olds, 55:2165
semantic constraint vs phonological stress, comprehension of complex syntactic structure, 4–8 yr olds, 58:11424
semantic content of active & passive sentences, comprehension, preschoolers, evaluation of syntax- & semantics-based theories of language, 56:505
semantic development, infants, 55:9417
semantic expectations & exceptional linguistic structure, sentence comprehension, 6–10 yr olds, 55:5555
semantic factors, judgments of active-passive synonymy, kindergartners to 2nd graders, 56:513
semantic mastery of color information, 4 yr olds in Head Start vs 4 yr olds in nursery school, 54:7213
semantic mastery of position information, 4 yr olds in Head Start vs 4 yr olds in nursery school, 54:7209
semantic relations presented in different verbal contexts, verbal comprehension test performance, mentally retarded language disordered vs normal 1.6–7.9 yr olds, 58:1393
semantic relations, stress assignment in 2-word utterances, 1.9–2.5 yr olds, 57:995
semantic support, comprehension of passive sentences, 3 & 4 yr olds, 54:2704
semantic vs syntactic cues, sentence processing, 6–9 yr olds, replication of D. McNeill's study, 53:4899
sensorimotor & holophrastic performatives & presuppositions & sensorimotor intelligence abilities, language disabled vs normal children, 57:6117
sensory-motor intelligence & constraints on expression of relational meanings, concepts of possessive relations between persons & objects & attributes of objects & use of apparently experiential verbs, young children, 53:11399
sentence duration & length, sentence assembly performance, preschoolers, 57:12532
sentence semantics & syntax, processing of sentences contrary to expectations, kindergartners to 2nd graders, 56:496
sentence types, generative-transformational capacities assessed by sentence repetition task, 7–19 yr olds with Down's syndrome, 58:1395
sentences with contingent relations, comprehension, 5 vs 7 vs 9 yr olds, 58:7177
servo theory analysis, language behavior & acquisition & linguistic change, 56:9623
sex & language & age & difficulty level, imitation & comprehension & production of morphological language constructs, native vs non-native speakers of English of pre-kindergarten vs kindergarten vs 1st grade age, 55:4238
sex & race & grade & age & reading comprehension & IQ & reading difficulty of prose passage, comprehension of selected syntactic structures based on responses to systematically deleted cloze tests, 4th–6th graders, 58:816
sex & race, cognitive & semantic mastery of number, 4 yr old Head Start & nursery school children, 54:11403
sex & race, semantic mastery of shapes, lower class Head Start vs middle class nursery school children, 54:11399
shaping paradigm for vocal imitation training, nonvocal 11–13 yr old retardates, 56:8398
short term memory capacity & planning ability, syntactical structure, 4.5–5.5 yr olds, 55:4232
short term visual memory skills, language achievement, children with high frequency vs moderate hearing losses vs deaf, 58:11989
sign language acquisition, linguistic & behavioral improvement, male mute autistic 9 yr old, 57:3437
sign language as verbal/intellectual & nonverbal/nonintellectual modalities, language acquisition, male autistic children, 55:10165
single- vs multiobject picture vs toy vs adult-child conversation procedures, Developmental Sentence Scores & percentiles, 3–5 yr olds in Head Start program, 58:10345
single- vs 2-error choice methodology, comprehension of words "more" and "less", preschoolers, 57:7961
situational context, comprehension of words "same" & "different", college students, 57:2367
social background & language skills, progress in learning to read, 5–7 yr olds, 53:12488
social class & language considerations, compensatory educational preschool programs, 55:13207
social class, acquisition of school language, lower vs middle class Caucasian kindergarten students, 54:10566
social class differences, linguistic & perceptual development, criticism of B. Bernstein's work, 54:768
social isolation & experiential deprivation, language development beyond "critical period," 16 yr old female, 54:2698
sociocultural & linguistic & cognitive characteristics, reading & language & mathematics performance, 1st graders, comparison with kindergarten performance, 58:10443
socioeconomic background, expressive styles of communication, Anglo vs Black vs Mexican American 6–10 yr olds, 58:5136
socioeconomic status & class in school, development of bilingual reading comprehension, Yoruba high school students, Nigeria, 58:6267
socioeconomic status & IQ, auditory-phonetic ability in syllabic analysis, 5–6 yr olds, longitudinal study, 53:11410
socioeconomic status, vocabulary, Negro kindergartners, 55:11988
sophistication of language & sex, arithmetic problem solving, 1st graders, 57:11454
space representation, language development, 5.5- & 6.5- & 8.5-yr-olds, 53:11392
speaker status & conversational meaning & listener processing capacities & linguistic competence, speech of mothers to children & suitability for language acquisition, mothers & their 12–15 & 18–21 & 24–27 mo old infants, 58:9298
special reading program, quantitative & perceptual & language & motor correlates of reading success, 1st graders, 58:12469
specific cognitive training in nursery & home settings, intelligence & linguistic competence, preschool children, 57:1954
speech & language & hearing problems & language development to age 7 yrs & education, mentally deficient clinic patients, 53:1462
speech & language development & incidence of communication problems & hearing losses, 6 mo to 12 yr olds with deaf parents, 57:3726
speech & language development & psycholinguistic abilities & phonological systems & speech therapy methods, children with XXYY chromosome disorders, 54:5610
speech & language development, children with myelomeningocele & hydrocephalus, 53:9972
speech & language development, mentally retarded children, 58:1409
speech act approach, transition from prelinguistic to linguistic communication, infants, 54:9329
speech acts & holophrases & language universals, early language development, 54:9333
speech development, book of readings, 54:11401
speech frequency "recoding," articulation learning & transfer of consonants, partially hearing impaired 7–11 yr olds, 55:7692
speech lexical constituents awareness, preschool & kindergarten pre-readers vs 1st grade readers, 54:9334
speech morphology & function, 2–7 yr old normal vs schizophrenic children, 53:9814
speech pathologist as a resource teacher, language development/learning disabilities, 3rd grade female, 53:8359
speech sound discrimination skills & language abilities, 3.5 yr olds, 55:4218
speech to their young children & to adult interviewer, lower class mothers who spoke black English, significance for process of language acquisition, 56:511
spoken & written language acquisition, child creativity & linguistic innovation, 56:7628
Ss' meanings of "more", incorrect responses to questions about quantity differences, children, 57:902
stage of formal operations, understanding of determination in linguistic material, 10.5–12yr olds, 54:11411
stage of spatial development, comprehension & production of spatial locatives, 2.5–7.5 yr olds, 57:12550
stages of egocentrism, acquisition of words "this" & "that", 4–7 yr olds, 58:9235
stages of language development, children, 54:2693
stimulation format for language clinicians & teachers, teaching directional & relational prepositions to kindergartners having difficulty with complex spatial concepts, 58:10515
stimulus & response item relevancy & feedback ambiguity & self controlled selection vs fixed reception strategy, word learning concept formation task simulating natural language acquisition, college students, 58:2671
strategy stages, acquisition of deictic verbs, 5–9 yr olds, 53:4894
successive approximation approach, development of speaking & reading abilities, 54:6245
suggested activities for use in remedial programs, improvement of skills related to Illinois Test of Psycholinguistic Abilities, 57:13939
suggested psycholinguistic research, pupil language acquisition & teacher language variations & teacher–student verbal contacts, 54:1843
superordinate hierarchical model, developmental shifts in semantic organization, 6 vs 11 yr olds, 56:2153
suprasegmental & grammatical features of simple declarative sentence, telegraphic speech production & imitation of content vs function words, 1.5–3 yr olds, 54:9335
surface & deep structure & syntactical competence & types, dialogues between, 1.1–2.5 yr old different sexed twins, 55:9457
syllable synthesis ability development & learning to read, 5–8 yr olds, 56:7652
synchronic vs diachronic linguistics & language development research designs & criticism of approaches of F. de Saussure & B. F. Skinner & N. Chomsky, 58:11392
syntactic & functional language performance, educable mentally retarded & normal children at MA levels of 6–10 yrs, 54:1421
syntactic & semantic complexity of instructions & cognitive development, Piagetian seriation task performance, normal-language vs delayed-language nursery schoolers vs kindergartners vs 1st vs 2nd graders, 58:10562
syntactic & semantic constraints & age, word choices in abstraction of word meanings represented by nonsense syllables in sentences, 7–11 yr olds, 57:12515
syntactic & semantic structure & word frequency, sentence comprehensibility, 2nd–8th graders, 55:9436
syntactic maturity in oral & written language, reading comprehension of materials of varying syntactic complexity, 4th & 8th & 12th graders, 55:10874
syntactic segments of increasing size & reading material difficulty, word boundary decisions, male vs female 2nd vs 4th vs 6th graders, 58:6272
syntactic structures produced on expressive portion of Northwestern Syntax Screening Test vs spontaneous language sample, 4–6 yr old language-delayed children, 54:1423
syntactical complexity of mother's & child's language usage, 3.5–6.5 yr olds & their mothers, 55:11955
syntagmatic-paradigmatic shift in children's word associations, review of research & theory, 57:12531
syntax & semantics, oral reading, 2nd & 4th graders, 53:12506
syntax discrimination ability, imitation & comprehension of normal & scrambled sentences, 5–7 yr olds, 58:7181
syntax model games & language, early education application, 57:6747
Syntax Teaching Program vs Peabody Language Development Program, oral expressive language, 4–14 yr old low verbal performing children, 55:5662
systematic observation of child in playroom with presence of mother, early speech & language development, 11 mo old normal male, 54:11400
systematic training techniques, acquisition of symbolic nonvocal language form, developmentally delayed nonverbal children, 55:8316
Tactile Auditory Visual Feedback Unit, trisensory language stimulation, hearing-impaired 3–7 yr olds, 53:4052
task complexity & syntactic form & age, acquisition of present perfect "have", 4–6 yr olds, 56:9682
teacher facilitative vs directive verbal behavior in classroom, language change, nursery school students, 57:1972
teacher-child verbal interaction in Spanish & English, language competences, 3–5 yr olds in day care centers, 55:1512
teaching English as second language, comprehension of standard English by speakers of Negro nonstandard English, 53:3980
teaching methods, development of language skills, deaf children, 58:4366
teaching visual language, echolalic children, 53:5740
technique for development of normal language & conversation, children with language learning problems, 54:10622
technology for teaching interpersonal communications skills, application of J. Muma's communication game, 55:538
telegraphic vs nonreduced imitation sentences in language training, mentally retarded children with severe language deficiency, 57:13965
test-teach questioning strategy using multisensory exploration & discovery in learning, development of cognitive-linguistic skills, developmentally retarded children, 58:10516
theories of language development & stimulation & their relevance to education, examination of C. E. Osgood's model of sign learning & N. Chomsky's approach, 57:13577
theory of component-by-component acquisition as alternative t developmental stage theories, conceptual development, 53:2850
theory of lexical semantics, homonemes in learning vocabulary children, 54:11406
theory of natural concepts in human languages & development c logical abilities, children & adolescents, book, 58:5162
therapeutic milieu, establishment & expansion of receptive & expressiv language skills, psychotic 5–6 yr olds, 57:3883
Token Test, identification of perceptual & linguistic factors in languag impairment, 6–9 yr olds with developmental dysphasia, 55:10077
Token Test performance, diagnosis of language-processing deficits learning disabled vs achieving adolescents, 57:8494
Token Test performance, performance on Developmental Gestalt Tes of School Readiness & grammatical concepts test, 5–6 yr olds 58:8437
Token Test vs Northwestern Syntax Screening Test vs Peabod Vocabulary Test as measures of receptive language skills, 5–7 yr olds 54:11386
total communication approach employing oral speech & speech readin & gestures & formal sign language & finger spelling & cursive writin & reading skill training, nondeaf male 4 yr old with head injury subsequent depressed speech & language development, 57:13353
total communication approach vs signing vs reinforcement of vocaliza tion, language development, autistic child, 58:9804
total communication training, development of native language of sign & emergence of English as 2nd language, 3-yr-old deaf female 53:10315
traditional nursery school literature & songs, language skill develop ment, blind preschool children, 53:6200
training in basic skill areas in primary learning center, reading & language development, 1st graders with learning difficulties, 55:1347
training in use of double-function words, understanding & trainabilit of words with visual & tactual referents, 1st–3rd graders, 55:537
training methodology, language development, severely & profoundl retarded children, 58:8374
training strategy, delayed language development, children, 53:4890
training with syntactic structures, generalization to unlearned structures language handicapped 5–9 yr olds, 53:10187
transcoding between spoken & written language structures, aphasi patients, 56:6295
transfer & interference as special cases of induction & substitution theory of 1st language acquisition, 54:7590
transformational-generative vs structuralist-behaviorist language mo dels, implications for foreign language teaching methods, 54:6230
T-unit measures, oral language maturity & Piagetian stage of menta development, 1st graders, 55:11913
twins vs only child, parent-child interaction & development c compliance & attachment & independence & language, 25–35 mo ol male twins vs singletons, 58:7357
type of sentence containing syntactically complex structure & sex grade level, reading & listening comprehension of sentence, 2nd–5t graders, 57:9989
understanding & speech development, language development, 53:488
understanding of system of definite & indefinite articles in story tellin tasks, 3 vs 4 yr olds, 57:2936
understanding of temporal relationships measured by comprehension c sentences containing clauses linked by "before" & "after," 4–5 y olds, 54:2705
universal use of "fronting" strategy in acquisition of CCV syllable criticism of D. Ingram's proposition, 55:11886
use & function of imitation in early syntactic period of languag acquisition, 1.3–1.5 yr olds, 58:862
use of context on aural cloze passages, kindergartners, 56:3847
use of semantic relations in 2-word utterances, language-impaired v normal 2–4 yr olds, 58:1420
use of single-word utterances, description of early language develop ment, 53:7025
use of vocabulary items as sentence constituents, chimpanzee v children, 55:531
value & language codes learned at home, school success, low socioeconomic students, 54:6307
verbal & nonverbal abilities, aggressive vs normal kindergarten throug 2nd grade males, implications for verbal development, 58:11428
verbal & picture sorting concept formation tasks, strategies, low vs hig ability readers in 3rd vs 6th grade, 58:12630
verbal ability & family press for language development, elaborate speech & hesitation phenomena, male 5th graders, 53:5261
verbal behaviors during administration of easy & difficult tasks normal & language delayed preschoolers, parents & teachers, 58:923
verbal elaboration productivity & memory, 5 yr olds, Israel, comparis with American children, 58:6851
verbal imitation &/vs comprehension training & imita tion/comprehension sequence, verbal production, 1st & 2nd grade 58:864
verbal intelligence measures, free word association test of paradigmat shift, 5th & 6th graders, 58:6414
verbal interaction with adult, syntax acquisition, 32–40 mo olds, 53:8
verbal interactions, language teaching & training processes, mothers their 1.9–5.0 yr olds, 58:852
verbal modeling & concreteness of contextual accompaniments, synta tic learning, preschoolers, 58:11426
verbal vs no reinforcement & adult vs peer modeling & syntactic semantic comprehension level, observational language learnin preschool age children, 57:12510
verbal vs nonverbal judgments vs explanations as response criteria & s & age & expressive vocabulary skills, assessment of conservatio kindergartners vs 1st vs 2nd graders, 57:5555
verbal vs performance IQ vs chronological age, prediction of verb control of nonverbal behavior, 4–5 yr olds, 53:899
videotaped vs photographic presentation of novel stimulus, acquisitio of novel phoneme pattern, young infants, 56:2140
videotapes depicting pairs of motions varying in semantic feature developmental trends in comprehension & action-verb naming semantic feature basis of errors, 2.5–5.5 yr olds, 58:3106
visual retention & language abilities, prelingually acoustically impair 7–8 yr olds, 56:4928
visual-motor & language & cognitive educational activities, recomme dations for parents of preschoolers with learning & langua disabilities & mild retardation, 54:7901
visual/oral vs auditory/oral training approach in nursery progra language skills, hearing impaired children, 57:2009
vocabulary development, Czech-speaking boy, book, 53:883
vocabulary growth, psycholinguistics, 54:809
vocabulary item presentation method, recognition of verbal labels pictured objects & events as measure of vocabulary comprehensio 17–30 mo olds, 58:799
vowel letter–sound relationship perceptions, black & white 1st grade 53:1953
word form class labels as verbal cues, production of descripti sentences, 4–5 yr olds, 54:9345
word order & syntactic markers & prosody, comprehension of spok sentences, 4- vs 5-yr-olds, 53:11408
word order distortion & sentence length, relationship between synt discrimination & sentence imitation performance, 1st vs 2nd vs 3 graders, 57:2893
written & spoken words varying in length, recognition of relationship identification of written word, kindergartners to 2nd graders, 54:52
xenoglossy, 37-yr-old female, 53:7628

Language Laboratories
introduction of innovative language learning laboratory, institution's response as illustrated by system communication patterns, public secondary school, 56:2767
listen-response-compare vs listen-response modes, oral/aural comprehension in foreign language laboratory environment, college students, 58:2055

Larvae
atmospheric negative vs positive ionization, spontaneous activity, amphibian larvae, 58:4861
chemical component of exploratory trail deposited during successful vs unsuccessful foraging for food, elicitation of preferential trail following, eastern tent caterpillars, 57:7614
duration & sequence of prey-catching cycles & antennal & tarsal reactions, young larvae, 54:9253
larval diapause, pheromone communication, Khapra beetle, 58:2773
preference for chemical stimuli of brooding female, crayfish larvae, 56:5443
retention of learning during metamorphosis, crested-newt larvae, 53:698
social behavior & pattern of parental care, Elasmucha grisea vs fieberi species, 57:9662
target tracking or approach reactions towards prey, activation of 2 antagonistic locomotor activities, Aeschna cyanea larvae , 58:8952
theoretical study, stereotyped motion during production of cocoon for pupation while spinning thread, insect larvae, 54:2588

Laryngeal Disorders
audiovisual vs auditory presentation of esophageal speech, speech intelligibility rating of male 43–69 yr old laryngectomized veterans, college students, 54:7922
hypnosis, voice quality & larynges, 4–10 yr olds with deviant voices, 56:2653
perceptual dimensions & acoustical correlates of pathologic voices, establishment of classification method, Ss with laryngeal disorders vs normals, 57:10634
personality traits, proficiency of alaryngeal speech at beginning of & during alaryngeal speech therapy, 31–70 yr olds, 57:4032
psychological & educational factors, learning of esophagal speech, male laryngectomized patients, 53:8105
social & vocational acceptability of esophageal & normal speakers, evaluation by members of business & professional men's groups, 53:11974
speaking fundamental frequency, 30–54 yr old female smokers vs nonsmokers, 53:5255
types of vocal initiation, children with vocal nodules & normal children, 57:13026
vocal therapy in lieu of surgery, contact granuloma, 42-yr-old male, 53:10312
voice therapy, learning & shaping of speech behavior, Ss with hyperfunctional hoarse voice quality due to vocal nodules, 57:4034

Larynx [See Also Vocal Cords]
auditory feedback of laryngeal EMG activity, laryngeal motor activity during reading & reading rate & comprehension, college students, 58:11155
modification of Western Electric neck-type electrolarynx to mouth-type instrument, 54:1758
multidisciplinary program for cancer rehabilitation, patients with cancer of larynx, 54:1764
phylogenetic development of laryngeal & supralaryngeal apparatus & differentiation of vocal behavior, amphibians to man, 57:12240

Laser Irradiation
infrared laser radiation, visual sensitivity of eye, 56:110

Latency (Response) [See Response Latency]

Latent Learning
autoshaping with differential conditioning of response key illumination & grain inaccessibility & overt movements, transfer in keypecking with grain availability & acquisition of stimulus-stimulus relations, pigeons, discussion of role of latent learning, 57:2552
latent extinction of partially reinforced response, rats, 53:704
shifts in reward & drive conditions during runway training, acquisition & extinction & latent learning & externalization of drive, rats, implications for theory of instrumental appetitive conditioning, 55:11549

Lateral Dominance
acoustic structure variations of dichotic CV syllables, identification responses, college students, implications for prototype model assuming dichotic integration of information between stages of auditory & phonetic processing, 58:2651
acquisition of reading, visual hemifield differences in perception of verbal material, 1st vs 3rd vs 5th vs 7th graders, 57:7873
adaptation to left-to-right movement, 5–11 yr old left-handers, 53:841
advanced right-left discrimination skills, hemiplegic vs nonhemiplegic Ss with limited intelligence, 54:9997
age & degree of hemispheric specialization & lateralization, reading achievement, 7–13 yr olds, 54:2691
age & ear of presentation, matching of successive auditory stimuli, 18–28 vs 38–54 vs 63–77 yr old right handed adults, 56:3362
age & horizontal linear arrays, right-to-left vs left-to-right visual scanning & hemispheric asymmetry, 3–7 yr olds, 54:9326
age & sex & field dependency & need for approval & handedness & race & feature saliency & facial attractiveness & expression & inversion & prosopagnosia, facial recognition, 56:7132
age & sex & laterality & cerebral dominance, motor coordination development, 5–11 yr olds, 54:793
age & sex & race & socioeconomic class, development of ear asymmetry, children, 56:484
age & sex & spatial ability, development of lateralization in somesthetic functioning, 5–11 yr olds, 58:3102
age & sex, dichotic right ear advantage & phonetic confusions & information processing, children, 53:6994
age & sex, generality of handedness, school age children, 55:11618
amount of commissure section of corpus callosum & task difficulty & overtraining, intermanual transfer of tactile learning, monkeys, 55:2042
amount of information in monaurally presented verbal instructions, ear symmetry, male vs female 5 & 6 yr olds, 57:4910
analysis of speech perception, 37 yr old male patient with word deafness, implications for mechanism of word deafness, 56:907
anthropomorphic measurement characteristics & neurological functions, lateral preference, 14–15 yr olds, 57:9709
apparent size of stimuli presented to dominant vs nondominant eye, right- & left-eyed Ss, 56:3333
assessment method variations, left–right orientation, Hausa 4–11 yr olds, Nigeria, 53:7040
asymmetry on dichotic listening procedure, cross-modal correlations with visual half-field test, right-handed college students with vs without family history of left-handedness, 53:178
auditory cortex ablation, tone pulse detection in one ear while continuous noise pulses were presented to opposite ear, cats, 55:11727
auditory stimuli identification, unilateral learning defect, patients with unilateral neglect, 53:1478
biased electrode configurations & innate hemispheric dominance & overtraining with contralateral hand, prefrontal cortical slow potential shifts during delayed response performance, monkeys, 56:7387
biased vs unbiased environment, paw preference laterality, mice, 53:10988
bilabial verbal material & lingual–alveolar tasks, electromyographic measures of covert oral response patterns, right-handed 11–20 yr olds, 53:6614
bilateral differences, electrodermal activity recorded concomitantly from 2 hands, right-handed students, 54:8935
bilateral differences in skin conductance & body perception, 19–24 yr old Ss, 54:4694
bilateral intracranial arteriogram evaluation, right & left handed patients, 54:2400
bilateral patterning of independent eye movements, chameleon, 55:9014
bilateral tachistoscopic procedures, visual half-field preferences, 19–27 yr old stutterers vs normal controls, 56:10163
bilateral transfer asymmetry, printing inverted & reversed letters using left or right hand, right-handed college students, 54:4669
biological & social & pathological factors, handedness, elementary & college students, Taiwan, 57:5501
body sidedness, Jungian psychological type & value & behavioral preferences, hospital employees, 58:7553
brain damage, subangular alexia without agraphia or hemianopsia, 40 yr old right-handed female, 56:900
brain lesion site or aphasia, visual & auditory & tactile embedded figures task performance, patients with vs without aphasia & right vs left hemisphere lesions, 54:5639
central task technique, lateral differences in tachistoscopic recognition of bilaterally presented verbal material, right handed young adults, 55:1803
cerebral asymmetry dimension, limb & ocular preference measures, dextrals & nonfamilial & familial sinistrals, 53:6710
cerebral dominance & reading habits, errors in questions relating to left-right orientation, right handed Israeli & non-Israeli high school & college students, 56:1681
cerebral dominance genotype, lateral specialization & spatial-perceptual ability, 56:5489
cerebral dominance, handedness & speech development, 55:3973
cerebral hemispheric lateralization, concurrent verbal & unimanual performance, right handed Ss, 55:9104
cerebral laterality & visual & tactile interference, memory for abstract vs concrete words, right vs left handed college students, support for dual systems memory approach, 57:7493
cerebral lateralization, separate modes of consciousness, 54:2391
cerebral lateralization/manual-praxis measures, left hemispheric perceptual asymmetry for nonverbal rhythms, right handed college students, 58:4734
cerebral organization, interference effects in concurrent motor activity situations using bimanual & unimanual finger tapping & bimanual hand & limb coordination tasks, 57:185
characteristics of left vs mixed handedness, 4–9 yr olds with myelomeningocele & hydrocephalus, 58:5695
cognitive activity, ongoing manual task, 9–12 yr olds, 55:8836
cognitive style & hemispheric specialization & finger dexterity & WAIS Digit Span & Digit Symbol subtest scores, males vs females vs preoperative male transsexuals, 57:12962
colored & grey stimuli presented to left & right visual fields, perception of lightness, right- vs left-handed college students, 53:10825
commissurotomy, cognition of figural transformation, 20–48 yr olds, 57:8535
comparison of attentional & control shift models of performance of concurrent tasks, right handed males & females, 55:1896
comparison of studies of dysphasia in right & left handers, origins of hand preferences & implications for distribution of cerebral speech in handedness groups, 57:1458
concurrent verbal memory loads, recognition of stimuli from left & right visual fields, college students, 57:175
concurrent verbal rehearsal, generalized & lateralized effects on performance of sequential finger movements by left & right hands, right-handed college students, 54:10944
consistent & mixed & inconsistent lateral preference patterns, IQ & reading & arithmetic & spelling achievement, 5–12 yr old elementary school students, 58:12632
contact lenses, use in investigation of lateralized hemisphere functions, right handed college students, 55:1753
continuous speech message alternated between left & right ears, intelligibility, college students, 55:8800
continuous vs terminal visual feedback during prismatic exposure, auditory localization & intermanual transfer, right-handed males, 53:119
contralateral masking effect, 55-yr-old female patient with severed right cochlea efferent fibers, 53:1524
coordination of hand preference & manual skill, college students, replication of previous study using 12 yr olds & college students, 58:225
crossed aphasia in illiterate dextral following right cerebral infarction, female right-handed 83 yr old, 56:952
crossed lateral preference of upper & lower limbs, adolescents, 56:7116
cued vs uncued stimuli presented to right vs left visual fields, hemispheric asymmetry, college students, 55:6029
cumulative & arithmetic & repetitive tasks to potentiate expectancy, contingent negative variation, left- vs right-handed medical students, 53:2439
development of ear asymmetry, speech sound discrimination, 7–8 vs 9–10 vs 11–12 yr olds, 58:9297
development of laterality & directionality perception & learning disabilities, 54:7900
development of left side preference for holding & carrying doll representing newborn, 1.5–16.5 yr olds, 58:5086
development of midline behavior during infancy, participation in emerging sense of self & consolidation of emerging ego skills, 57:9958
development of psychomotor test, discrimination between graphic laterality & usual laterality, left & right handed 5–11 yr olds, 58:2540
developmental changes, dichotic right ear advantage & language laterality, 54:4624
developmental changes, lateral differences in responses & assumption of asymmetrical head postures, neonates, 53:11428
developmental parameters, ear asymmetry, 5 & 6 & 7 & 9 & 11 yr olds, 54:5014
diazepam & methylphenidate administration, prediction of localization of EEG activity & amount of information received, derivation of formula based on previous study by K. Hynet et al, 57:9894
diazepam & methylphenidate vs placebo, interhemispheric differences in EEG, right vs left handed volunteers, 57:9842
dichotic & monaural & diotic verbal stimuli, auditory evoked potentials, right-handed males, 53:2452
dichotic competition of simultaneous tone bursts of different frequency, suppression & ear dominance functions, 54:2259
dichotic ear-order effects, identification & storage of nonlinguistic sounds, right handed Ss, 54:4646
dichotic listening of digits & visual half-field presentation of Arabic numerals & digits written as words, 5th–7th grade good- & poor readers, 53:11970
dichotic listening task, cerebral speech lateralization, 3–5 yr olds, 53:11016
dichotic presentation of tones of different frequency vs speech signals, ear dominance for pitch information, native speakers of tonal languages vs musicians vs English speaking Ss, 56:129
dichotic stimulation, weak ear auditory pathway transmission of speech information to cortical processing area, patients with unilateral temporal lobe lesions, 54:5648
dichotic word & sentence listening tests, cerebral auditory laterality & language proficiency, Montessori school vs Model Cities vs language &/or speech impaired 3–6 yr olds, 56:9678
dichotically presented words & digits, ear preference, stuttering vs normally speaking 4.5–48 yr olds, 55:12537
dichotomous stimulation with nonsense shapes vs letters, hemispheric specialization for linguistic & nonlinguistic tactile perception, 8–16 yr old right-handed boys, 53:10794
dimensions of behavioral measures, degree of differentiation in handedness, male college students, significance for motor & cognitive development, 53:4870
direction of conjugate lateral eye movements & visual vs auditory feedback during EEG biofeedback training, auto-regulation of alpha wave production, 55:9132
directionality, block letter printing & reading achievement, male vs female left & right handed 5 vs 7 vs 9 yr olds, 58:2094
dominant direction of conjugate lateral eye movements & sex, responsiveness to facial vs verbal cues, college & graduate students, 56:9826
door position & interviewer & S sex & hemispheric dominance & self esteem, eye contact & direction of gaze aversion & smiling & other nonverbal behaviors during embarrassing situation resembling clinical interview, 58:3299
ear & hand dominance, 8–9 vs 10–11 yr old normal vs retarded readers, 58:3566
ear differences in dichotic listening, phi correlation coefficient as index, 53:6530
ear dominance & age, masking level differences for speech, 5–6 vs 18–24 vs 66–76 yr olds, 57:4899
ear of entry as apparent spatial position, determination of lateral asymmetries in recall of simultaneous speech messages, 15–31 yr old right handed students, 55:145
EEG & evoked potential asymmetry, index of hemispheric specialization of cognitive processes, right-handed Ss, 53:11007
electroencephalic averaging audiometry, lateralization of bone-conducted sound to contralateral ear, 53:182
environmental vs genetic factors, dichotic listening & speech laterality, families, 54:4516
errors in halving a horizontal line binocularly, right vs left hemisphere damaged patients with cerebral focal lesions with vs without visual field defects vs right vs left handed normals, 58:5658
ESP scores, left vs right handed Ss, 58:6551
experimental validation & personality correlates, conjugate lateral eye movements during problem solving as index of contralateral hemispheric activation, right handed males, 56:7392
experimenter location, cerebral activation measured by eye movements during problem-solving, right- & left-handed male college students, 53:11011
exposure duration, matching of abstract shapes across cerebral hemispheres, right-handed & non-right-handed college students, 54:11067
eye & limb laterality correlations & eye dominance, male vs female Ss, 54:8746
eye dominance & preferred handedness, monocular perception in tachistoscopic word recognition, 53:8695
eye dominance & retinal distance of binocular rivalry & stimulus orientation, suppression of conflicting line stimuli in 2 eyes, college students, 53:8688
facing questioner vs questioner sitting behind Ss & solving spatial vs verbal problems, conjugate lateral eye movements as index of hemispheric activation, right handed male college students, 55:2310
familial left handedness, EEG asymmetry during self generated cognitive & affective tasks & biofeedback training, male vs female college students, 56:5535
family history of handedness, language lateralization measured by recognition of meaningful vs meaningless trigrams & vowel vs consonant strings presented to right vs left visual field, college students, 58:2585
field of activity vs field of stimulation, "attraction value" of visual target, 53:228
films presented to right vs left hemisphere only, ratings of films on emotional dimensions, 18–24 yr old right-handed students, 57:442
forced practice & functional depression of hemisphere contralateral to preferred paw, subsequent paw preference shifts, male rats with vs without sections of corpus callosum, 53:8957
fragmentations & disappearances of monocular afterimages, Ss with vs without normal binocular vision, 55:8782
functional & morphological analysis, cerebral hemispheres, 53:2434
genetic & behavioral & neuropsychological analysis, relationship between lateral preference & hemisphere lateralization & reading, 56:3550
genetic & learning & pathological antecedents of human handedness, literature review, 58:234
genetic component in transmission of human handedness, literature review, 57:7642
genetics of handedness, criticism of J. Levy & T. Nagylaki's model, 54:11149
geometric shape reproduction from memory & verbal stimuli recall & reproduction errors, right vs mixed vs left handed college students, 54:4604
hand & eye preferences, psychiatric patients, 57:6033
hand efficiency tests, determination of handedness, 56:1703
hand eye dominance, lateral errors in free throw basketball shooting, female physical education majors, 56:1706
hand preference & familial background, accuracy of perception of direction of tactile stimulation applied to palms of hands, college students, 55:11368
hand preference & thumb-to-finger opposition performance, female manic depressives & schizophrenics vs nonpsychotic patients with CNS diseases vs normal Ss, 58:11785
hand preference for performing manual task, 40–55 yr old schizophrenic vs nonschizophrenic inpatients, 56:10071
hand preference, hand movements which cross body midline, 4 vs 6 vs 8 vs 10 vs 12 yr olds, 58:7233
hand preference, manual skills & asymmetries, right- & left-handed 3–5 yr olds, 53:11015
hand preference patterns, male & female 16–62 old patients with functional psychiatric disorders, 57:3474
hand preference, sequential & spatial abilities in sensorimotor discrimination tasks, right handed Ss, 55:9120
handedness & acquired reading-writing habits, directionality trends in horizontal dimensions, literature review & implications for role of innate vs environmental factors, 58:6767
handedness & eyedness & speech lateralization, visual perceptual asymmetry, 53:6535
handedness & eyedness, intellectual & cognitive performance, 6th graders, comparison with prior studies & implications for concept of cognitive deficits associated with left handedness, 58:4773
handedness & family history & sex, performance of dichotic listening task, right vs left handed college students, 56:3357
handedness & hand posture during writing, cerebral lateralization, 57:5149
handedness & hemisphere localization, perceptual skills of right hemisphere, 55:8724

handedness & presentation speed & position of stimulus in viewing area, recognition memory for projected pictorial stimuli, graduate students, implications for selection of visuals, 57:9523
handedness & responding hand & response force, asymmetry of readiness potential in squeezing task, college students, 53:4553
handedness & sex & age & nationality, verbal vs numerical vs perceptual reasoning cognitive biases, 9–20 yr old English & Scottish students, 57:2371
handedness & sex & familial history of sinistrality, hemispheric asymmetry in dichotic listening task, college students, review of clinical literature, 56:125
handedness & sex-linked genetic effects, spatial performance, high school students, 55:3614
handedness, dichotic ear advantages, adults, 54:4520
handedness, ear asymmetry in RT tasks, left-handed 21–35 yr olds, 54:10859
handedness, lateral distribution of conversion reactions, adults diagnosed as having conversion type of hysterical neurosis, 58:5542
handedness, lateral eye movement, male vs female college students, 58:4714
handedness, right vs left hand motor & tactual-perceptual performance, right handed 6–8 & 12–14 yr olds, 57:7315
handwriting speed, left- vs right-handed children at 5 & 7 & 9 & 11 yrs of age, 54:2661
hemiretinal stimulation, RT, male college students, 54:2383
hemisphere & ear asymmetry in auditory evoked response to musical chord stimuli, college students, 57:585
hemisphere differences, response time to simple auditory stimuli, right & left handed male college students, 54:2388
hemispheric asymmetry of manual reaction times in dichotic verbal discrimination task, 53:10862
hemispheric differences, discrimination of line orientation, right-handed male college students, 53:254
hemispheric dominance & lateral eye movement preference, dichotic listening task performance, college students, 56:9139
hemispheric function, parallel-serial processing for geometric shapes & sets of letters, right-handed Ss, 54:10936
hemispheric specialization for speech perception, white & black 6 yr olds from low & middle socioeconomic classes, 54:4518
hemispheric specialization for speech production & speech perception, right- & left-handed 16–41 yr old stutterers, 53:12028
hemispheric specialization, speech-related auditory–sensorimotor integration mechanism, right handed normals vs stutterers, 54:5588
hereditary dispositions, lateral preferences, 13–35 yr old monozygotic twins, 57:7317
homogeneous vs mixed set presentation of verbal vs numerical vs spatial vs musical questions, lateral eye movements, male vs female right-handed college students, 53:276
incidence of left handedness & patterns of cognitive performance, black & white same-sex adolescent monozygotic & dizygotic twins, 56:3578
induced lateral eye movements, creativity & spatial relations & intellectual tasks performance, male & female Ss, 56:1759
inheritance, lateralization & behavior, review, 56:3567
intensity of dichotically presented digits, right vs left ear digit identification, 53:8674
interaction between left & right central organizations & social pressures, left orientation of drawings, children & adults, 55:2163
interaural time delay & intensity, lateralization of speech stimuli, 24–30 yr olds, 58:271
interdisciplinary treatment approach, rehabilitation of children with laterality problems, 57:3756
intermodality effects, perceptual laterality, right handed college students, 55:6011
interocular generalization of orientation specific color aftereffects, 54:6689
inter-repetition interval in short term motor memory, right-handed male college students, 54:8888
intrahemispheric response competition between vocal & unimanual performance, right handed male college students, 54:418
ipsilateral alpha enhancement in EEGs, left-temporal abnormalities, neuropsychiatric patients, 54:7926
language-task assessment using RT, language representation in right hemisphere, right handed college students, 56:1766
lateral asymmetries in attention, interfield differences in visual perception, 54:4525
lateral asymmetries, letter recognition, young adults, 56:1755
lateral asymmetry in tachistoscopic perception of words, 7 & 8 yr old good vs poor readers, 54:422
lateral asymmetry, retroactive inhibition in psychomotor skill, right handed college students, 56:3419
lateral body sensitivity & reflective question elicited lateral eye movements, college students, 53:268
lateral cerebral dominance, discrepancy between verbal & performance scores on Wechsler intelligence scales, 55:9107
lateral consistency development & eye & hand preference, reading achievement & vocabulary & reversals in writing, 4–8 yr olds, 57:12483
lateral dominance & explosive strength of lower limb, 15–17 yr olds, 57:11883
lateral dominance, music learning, college music majors, 55:8146
lateral dominance vs sequential processing, recognition of bilaterally presented words varying in concreteness & frequency, college students, 56:5315
lateral effects in ESP, 55:5860
lateral eye movement consistency, scholastic aptitude, right-handed college students, 53:1959
lateral eye movements & field dependence & hypnotic susceptibility, female right handed college students, 58:3365
lateral preference & unimanual motor speed & RT to lateralized stimuli & dichotic ear advantage, minimal brain damaged children, 58:5650
lateral preference compatibility in eye-hand system, adolescents, 56:7110
lateral preference relationship in eye-hand system, perceptual promptness under guided peripheral coordination, 8th & 9th graders, 57:9432
lateral preferences & visual & auditory perceptual preferences with verbal & nonverbal stimuli, high school students, 56:9066
lateral stimulus response compatibility effects in oculomotor system, eye movement RT to monaural tones to left vs right ear, right handed 22–39 yr old males, 55:1791
laterality & developmental problems of cognitive & motor functions, review of studies, 56:7601
laterality differences, line orientation recognition, right handed college students, 56:3338
laterality effect, RT to speech stimuli, right handed adults, 56:3358
laterality, graphic activity of 2 hands, summary of 15-yr longitudinal studies, 57:2864
laterality, judgment of identity & position of letters, college students, 56:1773
laterality, mandibular & manual performance of dichoptic visual pursuit tracking, right vs left handed college students, 55:8731
laterality, motor activity & intelligence & mnemonic performance & affectivity & Rorschach organic syndromes, 6–20 yr olds with brain damage vs neurosis, 57:8363
laterality preference & skill & massed & distributed & continuous practice, cross limb transfer of proficiency & reminiscence & warmup in simple motor task learning, college students, 58:8729
laterality, reading attainment, children with reading ages 18 mo or more below their chronological ages, 55:10879
lateralization & localization for language representation, aphasia in left handers vs anomalous dextrals vs aphasia in childhood, 56:911
lateralization development & qualitative differentiation, motor conduct, 57:2847
lateralization in perception of intonation contours, 54:4514
lateralizations of pointing responses to images of self & others & objects, kindergartners vs 2nd vs 4th graders, 55:6727
lateralized colored stimuli, hemispheric hue & saturation sensitivity differences, right handed Ss, 57:2309
lateralized input & dual system of information flow, cerebral hemispheres, 54:2379
lateralized visual presentations in RT paradigm, hemispheric asymmetry function, 6 vs 8 vs 9 vs 10 vs 12 yr olds, 57:7866
left hemisphere competing task, right hemisphere performance on ESP tasks, 58:6545
left parietal-occipital & posterior callosal & right frontal lesions, visual-spatial perceptual deficit & gross impairment of visually guided movement & left hemiparesis, 47 yr old right handed male who underwent coronary by-pass surgery, 55:12542
left visual field recognition superiority for bilaterally presented words, criticism of H. B. Orenstein & W. B. Mighan's study, 57:7343
left visual field recognition superiority for bilaterally presented words, reply to W. F. McKeever's comments, 57:7347
left vs right hand, tactile–verbal braille paired-associate learning, male vs female right-handed 2nd & 4th & 6th & 8th graders, 53:4063
left vs right handedness, RT for bilateral symmetrical movements as measured by EMG, college students, 56:5219
left vs right handedness, spatial ability, male vs female college students, 56:7113
left vs right hemispheric cortical lesions, modalities of apraxia & visuo-constructive functions, right-handed patients, 53:9926
left vs right perioral region stimulation, laterally differentiated cardiac acceleration responsiveness & ipsilateral head turning, female newborn infants, 53:4909
left vs right visual field presentation, recognition of concrete & abstract words, right-handed Ss, 53:6543
left vs right visual hemifield presentation of words vs nonwords, word superiority effect in letter detection, college students, 55:6048
left vs right vs bidirectional eye movement in response to questions, defense mechanism preferences & psychosomatic symptomology, right handed male college students, 54:5313
left–right ear differences, auditory perception of verbal instructions for perceptual-motor task, kindergartners, 53:9250
left–right vs right–left reading–writing habits, directionality in drawing Bender-Gestalt figures, Austrian vs Israeli right-handed 1st–9th graders, 54:9324
letter recognition with partial report procedures, right visual field superiority, college students, 57:11900
letter vs dot stimuli, vocal RT for detection in left vs right visual field, left vs right handed college students, 54:10914
location of auditory source situated on left vs right, spatial constraints on focused attention, college students, 57:313
loci of brain damage, constructional apraxia incidence & severity, 18–29 yr old right handed patients with missile wounds, 58:5659
locus of warning tone, auditory choice reaction time, right handed female college students, 54:6711
low-level pure-tone maskers of varying durations, contralateral threshold shifts, 55:3678
measurement by disjunctive RT, laterality differences to monochromatic stimuli, adults, 55:3634
measurement of ear & visual field advantages independent of S differences in overall performance accuracy, 54:10869
measurement of hand dominance in areas of preference & skills & speed & strength, 57:7323
measurement of handedness, reliability of self report & performance measures, 57:9726
measurement of lateral preferences, determination of genotypes using neurological assessment & J. Vinar's papillary test supplemented with Kovac-Horkovic tests, 57:7324
memory interval & familial handedness, recognition memory for nonsense words in left vs right visual field, 18–29 yr old right handed females, 56:154
mental maturity, motor preference, right vs left handed vs ambidextrous 12–40 mo olds, 57:7879
mixed dominance, learning conflict as reflected in lower academic achievement, male left handed junior college students, 56:10666
mixed vs unmixed dominance, academic cumulative average, male left handed college students, 58:12580
model presence & handedness & relative position of model & copy, directionality in copying, kindergartners & 2nd & 4th graders, 55:11964
monaural ear differences, RTs to speech with many-to-one mapping consonant-vowel paradigm, college students, 56:9137
monaural presentation of consonant-vowel syllables to right vs left ear with vs without noise to other ear, right ear advantage in target identification RT, right handed college students, 57:7360
monaural speech, right ear advantage in reaction time tasks, 53:4344
monaural stimulus presentation, development of auditory figure-ground discrimination & ear asymmetry, male schoolchildren, 55:2179
monocular viewing, recall using visual half-field presentation of letter stimuli, right handed Ss, 56:162
mothers holding infants on left side, origin of right-handedness as predominant chirality in humans, 58:5098
motor learning & retention using left hand, right handed hemiparetic aphasic apraxic patients, 55:7441
motoric laterality concordance, schizophrenics, 58:3461
multiple image presentation rate & GPA & lateral dominance & speed reading & sex, image recognition, college students, implications for design of instructional media, 55:3026
multiple scoring method, Wechsler Memory Scale measurement of lateralized verbal & figural & long & short term memory, brain damaged & normal Ss, 55:8657
neurophysiological aspects, laterality, 57:2631
normally oriented & mirror-image English words in right vs left visual fields, reaction time differences, right-handed college students, support for cerebral dominance hypothesis, 53:221
number of eye movements to right or left in response to verbal & spatial questions, hypnotic susceptibility, male & female right- & left-handed college students, 53:6517
ocular-manual laterality, dual hemisphere specialization & learning ability, healthy adults, 54:4639
pairing of electric shock applied to 1 hand with visual presentation of triangle, establishment of bilateral electrodermal responsivity of skin on digits, male college students, 54:8976
perceptual & motor performances, articulatory defective & normal speaking junior high school students, 55:7420
perceptual abilities, left vs right handed college students, replication of R. D. Nebes' study, 55:11357
performance on dichotic consonant-verb-syllable listening task, aphasic vs non-brain-injured adults, 57:3729
performance on dichotic ear preference & laterality measures & fine motor skills tasks, 5–7 yr olds with articulation disorders & with minimal brain dysfunction, 58:9636
personal & family handedness, WAIS & cognitive factors test performance, right vs mixed vs left handed college students, analysis with respect to J. Levy's theory of hemispheric specialization, 57:11839
personality correlates, left handedness, volunteers, 55:4656
physical & mental relaxation & physical arousal & sensory input & awareness of internal processes & right hemispheric functioning & view of reality, facilitation of parapsychological functioning, 58:1
physical education program & program content emphasis, directional orientation & social development, 6–12 yr old educable mentally retarded students, 55:10984
postural deviation & laterality of symptoms, parkinsonian outpatients, 55:4908
practice & laterality & sex & ongoing activity & speech characteristics, dichotic listening, 55:11400
preferential hand use & fine prehension, 7–12 mo olds, 56:7610
preferred hand, reaction time in flexion & supination movement patterns, 25–45 yr olds, 53:10865
preferred vs nonpreferred hand use, visually controlled aiming task & ballistic rhythmical tapping test performance, left- vs right handed vs ambilateral Ss, 54:4542
presence vs absence of hereditary left handedness in family, visual cerebral dominance in language processing, right vs left handed junior high school students, 57:9488
presentation in right vs left visual field, recognition of upright and inverted faces, right-handed students, 54:8843
presentation of Hirakana letters vs random forms to right vs left hemisphere 1st, same-different judgment times, left handed Japanese college students, 57:4875
presentation rates & number of pairs of spoken digits & attention restriction to right vs left ear, dichotic listening, college students, 58:6812
presentation to left vs right visual field & backward visual masking, iconic musical symbol recognition thresholds & critical interstimulus intervals, college students with formal music training, 58:4707
presentation to right or left visual field, perception of words & faces, 7–9 yr old good vs poor readers, 55:11360
prior knowledge of ear stimulated, monaural differences for same different RTs to speech, 18–26 yr olds, 55:11408
processing of dichotic tonal sequence, separate "what" & "where" decision mechanisms, right-handed college students, 55:8788
prolonged practice, tapping speed of preferred vs nonpreferred hand, 57:7321
pulvinotomy vs ventrolateral thalamotomy, receptive & expressive verbal performances & face-matching, surgical patients, 56:3676
race & sex & social class & familial component & psychological correlates, handedness & eye dominance, White vs Black child sibling pairs & half-sib pairs & twin pairs, 58:772
random forms differing in complexity, visual field superiority, right handed 18–28 yr old males, 56:9096
rate of physical maturation & lateralization & sex, verbal vs spatial abilities, 5th–10th graders, 58:3126
reading & writing habits, asymmetry of visual perception, right vs left handed German & Israeli students, 58:6782
real speech words & human sounds during attention vs vigilance, averaged evoked potentials in left vs right temporo-parietal lobes, right handed Ss, 54:440
reciprocal relations between opponent systems & role of corpus callosum in mediation of interhemispheric opposition, 54:421
reliability of differences between hands, manual speed measures on peg moving task, 53:8756
removal of left hemisphere arteriovenous congenital malformation, maintenance of right hemisphere language dominance, 31 yr old left handed male, 58:5728
requirement to recognize letter sequence vs melody vs singer's voice in sung speech, ear superiority & performance, 54:4513
response accuracy in pointing task, contralateral & ipsilateral eye-hand combinations, split brain monkeys, 54:11177
response bias & hemispheric differences, dot localization, right handed college students, 56:9084
response selection bias, problems with reaction time as measure of memory search, left- vs right-handed college students, 53:8811
response to sound stimulus with vs without warning signal vs self initiated trial, difference in time between left & right arms in initiation of bilateral simultaneous flexion of elbows as synchronization error, left- vs right-handed 20–43 yr olds, 54:9036
retest reliabilities & interrelationship, M. Annett's hand preference questionnaire & Edinburgh Handedness Inventory, 54:4468
retest reliabilities, Hand-Dominanz-Test & Leistungs-Dominanz-Test, slow learners vs normals, 53:7703
review & integration of problems, laterality, book, 57:5127
right hand graphic training activities, left handed children, 57:2882
right hemiplegia & apraxia & agraphia without aphasia, right handed male, 54:5616
right vs left field visual stimulation, local suppression of alpha activity, right handed males, 54:430
right vs left handed counting of Braille dots with middle vs index fingers, right handed young adults unaccustomed to Braille, 56:907
right vs left hemisphere vs no lesions & auditory vs visual stimulus presentation, reproduction of temporal sequencing of digits & words & geometric forms, right handed patients, 57:8534
right vs left lateral eye shifts & use of nouns vs adjective in verbal descriptions, 4–6 yr olds, 56:7405
right vs left visual field, tachistoscopic recognition of words & faces, right handed college students, 56:3428
right-hemispheric dominance, spatial competence & left-handedness, architecture students & teachers, 53:127
right–left & up–down stimuli & vertical misalignment, response times in discrimination task, college students, 53:2274
right–left differences in visual fields & vertical vs horizontal writing, college students, 54:4529
role of right cerebral hemisphere in linguistic perception, dichotic word perception, 23–74 yr old aphasic inpatients & outpatients vs normals, 54:10012
roles of perceptual & memory processes, laterality effect in recognition of nonverbal materials, right handed college students, 57:9415
RT to musical sounds, ear asymmetry, right handed college students, 54:2250
sensory-motor intelligence, structuring role in hand coordination & lateralization, 3–12 mo olds, 53:7000
sentence presentation to left vs right ear & use of spatial vs temporal adverbs, RT in true–false sentence judgment, 54:4521
set for ear & sentence structure, recall of monaurally presented sentences, 56:7278
sex & age & race, right vs left handedness, 1st–6th graders, 57:546
sex & age difference & brain damage & hemispheric dominance, handedness & reading ability, literature review, 54:6525
sex & eye dominance, color discrimination, right handed college students, 58:10904
sex & family history of left handedness, hand preference, college students, 55:9090
sex & grade & lateral dominance pattern, tactual discrimination ability, children, 58:9265
sex, hand preference, Japanese college students & office workers, comparison to results from Anglo-Saxon samples & implications for role of sociocultural factors, 58:4723
shift in gaze during answering affective questions, right hemisphere lateralization for emotion, right handed college students, 55:3970
side choice behavior, mice, 54:9225
sighting vs control vs dissociation tests, identification of eye dominance, 5–55 yr old patients, 56:8095

signal detection analysis & right hand effects & right ear advantage, development of hemispheric specialization for speech perception, right handed 5 vs 7 yr olds, 58:5139
simultaneous bilateral presentation, tachistoscopic word recognition, right-handed college students, 53:10840
simultaneous bilateral task performance, interhemispheric rivalry, commissurotomized patients, 54:5651
simultaneous tone bursts of different frequency, ear dominance for pitch & lateralization & loudness, right-handed Ss, 53:174
spatial & verbal cognitive activity, lateralization of unimanual skill, right- vs left-handed college students, 55:9115
spatial frequency & complexity & contrast of patterns, visuomotor RT to square-wave bar patterns, right-handed college students, 55:8780
speaking vs nonspeaking condition & motor task performed by right vs left hand, interference caused by intra-hemispheric interaction, right handed adults, 56:3300
speech–sound cue, ear asymmetry in dichotic listening, right handed male college students, 54:10879
spelling ability, bimanual response asymmetry as indicator of speech dysfunction, college students & faculty, 54:6837
spreading depression, saccharin aversion lateralization, rats, 55:3857
stability of dichotic listening test as measure of ear preference, right handed college students, 54:4519
stimuli tachistoscopically presented to right vs left of fixation, lateral preferences & discrimination, 1st–4th graders, 54:2685
stimulus presentation first to left vs right visual field, functional hemispheric asymmetries in perception of digit & line orientation, right handed Ss, 58:2618
stimulus presentation in same vs opposite visual field, perception & identification of mirror-reversed patterns, college students, 56:5230
stimulus presentation to right vs left ear, evaluations of emotional tones of voice & verbal content of passages, 58:2654
sung vs spoken voices, recognition of dichotic voice, college students, 53:10798
T maze spatial preferences using foot shock, dopamine & norepinephrine content in striata & teldiencephalic regions, rats, 53:498
tachistoscopic presentation of target to 1 hemisphere & pattern mask to other, sensory processing, 55:8758
task difficulty, right ear advantage for processing of linguistic stimuli in sentence recall task & verbal & nonverbal interference tasks, 57:340
temporal intervals, comparative judgments of pitch, right- & left handed Ss, 54:4517
temporal precision of coding, laterality effects in retention of dichotically presented verbal auditory stimuli, 54:362
temporal stimulation with 2-handed responding vs nasal stimulation with single-handed responding, crossed & uncrossed response latencies to lateralized visual stimulation, acallosal 2-yr-old girl, 53:1557
test complexity, handedness on Dotting & Tapping-on-squares tests, 3rd & 4th graders, 54:281
tests of lateral asymmetry & determination of constitutional predisposition to CNS disease, right handed college students, 58:11940
theory-independent experimental method, ordering results in terms of laterality, 56:3199
threshold detection of tone signals of different duration, right handed hallucinating schizophrenics, 55:12364
Token test, auditory verbal & nonverbal sequencing span, left–brain-damaged aphasics, 56:4287
tonic neck posture, grip strength of preferred & nonpreferred hands, institutionalized moderately & mildly mentally retarded, 56:4276
trapezoid illusion of A. Ames, apparent reversal of direction of rotary motion, right handed & right eye dominant & normal visioned males, 55:1801
typeface, visual hemifield differences, college students, 56:93
unilateral & bilateral ECS therapy, therapeutic effect & memory & EEG, endogenous depressives, 54:12196
unilateral anterior cortical lesions in infancy, preference for paw contralateral to intact hemisphere, rats, 54:569
unilateral cerebral activation, perception of gaps, right handed college students, 56:3336
unilateral control of bilaterally symmetrical movement, application of model to lateralization of speech, 56:7400
unilateral ECS therapy on left or right side of head, scores on Word Associate Learning subtest of Wechsler Memory Scale & cerebral dominance, left- & right-handed psychiatric patients, 54:12170
unilateral ECS therapy with varying electrode positions, changes in immediate & delayed memory & forgetting, depressed patients, 58:5738
unilateral electrical stimulation of caudate nucleus, side preference changes, female rats, 55:388
unilateral stimulation of left prefrontal cortex during 1st vs final 2 sec of delay period, lateralization of response during delayed-response performance, monkeys, 57:7724
unilateral superior colliculur & amygdaloid lesions, sensorimotor responsiveness, rats, 57:7738
unilateral tectal lesions, anatomical basis for behavioral observation of interhemispheric reversal of left-right mirror-image patterns in optic tectum, pigeons, 55:6526
unimanual performance, speed of verbalization, right handed male college students, 54:4545
validity & reliability of Sherman-Kulhavy Laterality Assessment Inventory, assessment of fine & gross motor activities, college students, 57:4771
ventriloquism, right side advantage for recall of 1 of 2 simultaneous messages, right handed 15–28 yr olds, 55:11407
verbal & nonverbal subtests of WISC, lateral dominance & development of cerebral specialization, left- vs right-handed 5–6 yr olds, 53:11400
verbal & spatial questions, initial gaze shifts, right-handed adults, 53:1122
verbal stimulation of unattended channel & its processing of material for meaning, non-interference between attended & unattended information processing in dichotic listening, college students, 53:10809
verbal vs nonverbal warning stimuli, left vs right hand RTs, right handed college students, 56:3373
verbal-numerical analytical tasks vs visual imagery tasks, electrodermal activity in right vs left hand, male graduate students, 55:6435
visual & kinesthetic control in 2-handed graphic activity, 5 & 6 yr olds, 58:2599
visual dominance & manual & tactile & pedal & auditory lateral dominance, high vs low achieving 4th & 8th & 12th graders, 57:11443
visual dominance, experimental study of H. Jasper's methodology, 53:230
visual field of presentation, differential conditioning & RT performance, 56:1922
visual hemisfield effects, perception of verbal stimuli with dichoptic presentation of digits, right-handed students, 54:8782
visual pathways & acuity dominance, visual half-field recall of verbal stimuli, right handed male college students, 57:7349
visual perception of line direction, patients with lesions of left or right hemisphere, 55:7428
visual similarity judgments among rectangles varying in form & area, right handed controls & right vs left brain damaged patients, 58:5657
visuo-perceptual performance & verbal intelligence, left- vs right-hemiplegic 6–9 yr old achievers, 53:12001
warning signal & elbow angle, EMG assessment of RT for preferred vs nonpreferred hand, left & right handed Ss, 56:9077
word length & exposure time, recognition of bilaterally presented words, college students, 53:4360
writing hand of biological parents vs stepparents, hand preference, college students, support for genetic theory of handedness, 56:5463

Law (Government) [See Also Criminal Law]
abolishment of practice of untouchability, subsequent use of public places & educational & religious institutions, Bhangis, India, 57:10083
attitudes & laws, special education, England, 53:8381
constitutional considerations, predictions of "dangerousness" by psychiatrists as criterion for involuntary civil commitment, 55:9643
cross-disciplinary training in psychiatry & law, 53:1312
decision making ability in areas of legal issues of appropriate educational placement & treatment of exceptional children, graduate students in school administration vs counselor vs special education vs psychology, 58:8187
definitions of political crime & criminals & justice, 54:5143
drinking patterns & alcoholism & social prevention methods, Russia, 58:5587
federal & state legislation, treatment & voluntary commitment, mentally ill, 53:10361
history & criticism, British legal concept of dyslexia, implications for education & treatment, 54:3449
intrusion of order & conscience & society, international law & psychology, book, 53:1028
law & income & maintenance & housing & employment & social services, findings of Britain's Committee on One-Parent Families, 54:9503
law as a function of social order, applications to specific problems in Philippines, 57:12660
perspectives of D. Bazelon & T. Szasz on impact of new legal standards on psychiatry, 55:4421
publisher pressure & court permissiveness prior to repeal of law on pornographic literature, production & consumption of erotic literature during 1963–1968, Denmark, 54:2893
role of social science data, constitutionality of capital punishment, 54:11651
Vocational Rehabilitation Act of 1973, role played by National Rehabilitation Association as political interest group, 56:591

Law Enforcement Personnel [See Also Parole Officers, Police Personnel, Prison Personnel, Probation Officers]
applications of psychodrama & sociodrama theory & role conflict in criminal justice education course, inservice law enforcement & correctional & probation & parole officers, 54:7291
applications of psychology, day-to-day police work, book, 55:11062
aspects of violence encountered by police & in prisons & conflict management methods & violence reduction, book, 58:3232
attitudes toward drug laws & drug offenders, criminal justice personnel, 55:8446
attitudes toward drug use & users, judges & police & parole & probation officers & social workers vs drug users, 54:2894
bureaucratization of organizational management, perception of organizational effectiveness & role performance, lower & middle management personnel from law enforcement organizations, 55:8502
conceptual issues & programs, cooperation between social scientists & police, book, 58:8098
counselor's role conflict & resolution, employment-related attitudes & job performance, counselors vs other community-based correctional staff & work releasees, 58:6042
cultural & attitudinal gap between law enforcement agency & addiction treatment center personnel, recommendation for staff & police training & interagency contact, 58:1833
degree to which accused was tied to area & prior criminal record & district attorney's recommendations, setting of bail, municipal & superior court judges, 55:6977
diversion & situation-centered & person-centered theoretical orientations, juvenile justice system vs youth service bureau staff members in counseling roles, 58:1812
employer's recognition & appraisal of performance, employee's perception of organization morale & client opinion, law enforcement personnel, 53:4151
evaluation of Alcohol Safety Action Project Law Enforcement/Driver Control subsystem, alcohol-related traffic enforcement & project vs regular patrol performance & frequency of drivers contacted & total traffic enforcement contact, 56:8819
film of handicapped children in police-oriented situations & investigator-designed programed booklet, attitudes toward handicapped children, law enforcement community college students & Ss in inservice training program, 56:3005
Herzberg's motivation-hygiene factors & Holland's personality patterns, job satisfaction-dissatisfaction, male law enforcement personnel, 57:7059
higher education & ethical practice, law enforcement officers, 58:8455
historical analyses, development of police professionalism from 1920 to present, 55:8444
history & orientation of psychologists vs social workers vs law enforcement agencies, diagnosis & rehabilitation of juvenile & adult offenders, 58:1827
job satisfaction & self concept, professional institutional vs community corrections workers, 58:10726
judicial attitudes toward "law & order" & offender attributes, disparities in disposition, incarcerated offenders & sentencing judges, 54:11573
link analysis procedures development & evaluation, integration of collected information & development of hypotheses for prevention & control of organized crime, teams of law enforcement intelligence analysts, 54:6438
matched pair design comparison of EPPS & F Scale & 16PF scores, convicted felons vs law enforcement officers, 57:9348
normative judgment analysis technique, capturing policies of pornographic pictorial representations, lawyers & police officers & psychology doctoral students as judges, 56:75
objectives & methods, performance assessment, law enforcement agents, 53:8477
personality patterns, correctional officer applicants vs inmates, implications for adaptive & maladaptive occupational behavior, 58:3381
police decentralization program, law enforcement techniques, 53:8498
police department organizational style, crime control effectiveness, 55:8532
police intervention with vs without intervention by mental health paraprofessionals in response to family disturbance, crisis resolution, Black vs White families, 57:8844
prisoner dispersal program, segregated units & increased security & new facilities & increase in staff, 53:8153
probation laws & services, India, 53:8186
professional opinions concerning resocialization of recidivists, judges & penal personnel, 53:3201
psychoanalytically-oriented program, recidivism rate for clients, corrections officers interested in agency rehabilitation systems, 54:3919
psychological adjustment & personality characteristics, male law enforcement officers & students majoring in law enforcement, 55:9826
psychological test battery & psychiatric interview, development of performance criteria, law enforcement officer applicants, implications for role as community caretakers, 54:6465
psychometric analysis of US Supreme Court & individual judge's policy development, 1946–1969, book, 53:5123
questioning & interviewing of children & adolescents by police & legal authorities, interviewee reactions & impressions & improvement of techniques, 58:7390
questioning of children & adolescents by police, anxiety-creating aspects & formulation of code of ethics, 58:7381
questioning of children & adolescents by police & legal authorities, types of situations & status & rights & age of interviewees & selection & training & specialization of interviewers & procedural methods, 58:7391
rehabilitation vs incarceration & behavior modification during probationary period & ambivalence toward counseling, semantic differential assessment of attitudes toward concepts regarding delinquency, juvenile court officers, 54:1765
stigmatized role & deviance, interaction with law enforcement & health professionals, skid row people, 54:9508
stress managing tactics & recipient support, occupations involving delivery of bad news, analysis of deputy US Marshal's role, 57:4505
Tarasoff vs Regents of University of California decision, implications for therapists to warn authorities specified by law & potential victims of dangerousness of their patients, 58:6088
training & personality & attitudes toward law & punishment, sentencing behavior, male & female British magistrates, 53:5100
vicitimization & perception of neighborhoods & feelings about police & characteristics of crime, nature & correlates of fear, survey of American city residents, 56:2182
Whitehorn-Betz A-B variable & personality correlates, success rate with juvenile offenders, correctional personnel, 58:12309

Laws [See Also Abortion Laws, Drug Laws, Marihuana Laws, Marihuana Legalization]
administrative problem solving technique, implementation of mandated legislation for handicapped children in resource room settings, 57:11228
age & sex differences, knowledge of & attitudes toward law, urban vs suburban vs rural 6th vs 9th vs 12th graders, 55:8236
analysis of state hospital population subject to release under Florida law, community resources for meeting patients' needs, 55:12760
analysis of 1975 Supreme court decision in O'Connor v. Donaldson, implications for right to treatment ruling, 58:8115
analysis using group dynamics, school system regulation by school organization & curriculum laws, Austria, 55:13056
application of law of effect & differential association to prediction of legal & illegal earnings, models of classification & treatment of delinquency, 54:12053
behavior control through psychiatric treatment & behavior therapy & drugs, legal & ethical aspects, psychiatrists, 54:1496
biographical data, prediction of job turnover & fair employment practice, minority vs nonminority female clerical personnel, 57:7039
change of compulsory school attendance laws, 53:8221
civil & due process rights of mental patients, law & procedures at hearings concerning further retention of mentally ill patients, role of psychiatrists & attorneys, 54:5361
Community Mental Health Centers Act, evaluation & services & expansion of community mental health centers, 1963–74, 57:11010
confidentiality of therapist-client relationship & therapist's public responsibilities, implications of Tarasoff decision, 57:1815
consitutional rights of civilly committed nondangerous mental patients, US Supreme Court ruling in O'Connor vs Donaldson, impact in states, 57:1108
constitutional right to treatment or release of involuntarily hospitalized mental patients, implications for hospital psychiatrists, 58:1905
counseling of citizens & feedback to city administration & compliance review by federal officials, compliance behavior in response to federal law following negotiation of conciliation agreement, US cities, 57:12586
court-set standards for psychiatric treatment & professional role definitions, implications for occupational therapy & occupational therapists, 56:4648
critical analysis of content & process models of legal socialization & alternative model based on rule-following image of man & use of law as social reform instrument, 58:5198
dangerous aspects of practice of hypnosis as entertainment & need for legislative regulation, 57:8125
deinstitutionalization & amniocentesis usage & legislation & other current issues & trends, future of mental retardation, members of professional associations on mental retardation, 58:9723
development of special education programs & services for handicapped children prior vs subsequent to passage of mandatory legislation, Illinois, 58:2209
discriminatory laws & practices & current reward practices in business & industry, expectancy & instrumentality beliefs & job reward valences, White vs Black clerks, South Africa, 58:2331
drug addiction treatment & rights of psychiatric patient to pharmacotherapy & use of antipsychotic drugs on criminal offenders' symptoms, legal implications in psychopharmacology, 57:8784
equal employment law, technical implications for manpower planning, 56:6916
euthanasia, legal considerations, Canada, 58:3171
evaluation & management & prevention & legislation, study of developmental deviations & learning disabilities in children, book, 58:5630
expansion of legislation for federal funding, barriers to financial self sufficiency for community mental health centers, 58:10021
expansion of sheltered workshop, replacement of nonpaying jobs terminated by Souder vs Brennan decision, psychiatric patients, 56:8541
federal & state legislation & judicial decisions, privacy, implications for school counselors, 55:7803
federal antibias laws, sex differentials in academic reward system, male & female faculty members, 1968–1969, 54:12478
group definition & evidence of risk & leader competency criteria & measurement, argument against statutory regulation of encounter groups & human relations training, 53:5169
historical development & implementation issues, constitutional right to treatment of involuntarily committed persons & institutionalized retarded, 57:13541
historical perspective & current attitudes, compulsory education beyond elementary school, elementary & junior & senior high school teachers & counselors, 57:13656
history of legislation, involuntary sterilization, mentally retarded, Canada, 53:3434
history of public attitudes & law, prostitution, 53:7208
homosexuality & law, 53:11514
impact of legislation curtailing use of patient workers in institutions, 55:10608
implementation & implications, provisions of Rehabilitation Act of 1973, 54:8208
implementation of California's new mental health law, development of community mental health programs, 54:3840
implementation of federal law setting up Health Systems Agencies on regional basis, impact on participation by psychiatric & mental health services, 56:6472
implications for manufacturers, Medical Device Amendments of 1976, 57:4676
implications of Medical Device Amendments of 1976, 57:4668
individual salience toward law, lawful behavior, 7th–12th graders, 53:5062
judicial decisions & effectiveness of law, organization change in public schools & implications for school administration, 53:8233

justification for use of male & female versions of APU Occupational Interests Guide in light of Sex Discrimination Act, 57:9233
juvenile delinquency, analysis of legal codes in US, 53:5625
law regulating surgical & legal measures required for sex reassignment, transsexuals, Sweden, 56:7818
learning theory & behavior modification techniques & issues concerning coerced therapy, prisoners & mental patients, 53:10182
legal contract elements, role in implementation of Individualized Written Rehabilitation Program as therapeutic contract, rehabilitation counselor, 55:7834
legal problems of transsexualism, 57:12971
legal provisions, protection of rights of children in disturbed family situation, 58:7392
legal right to treatment as derived from 14th Amendment of US Constitution, 55:2283
legal rights & federal legislation & finance, hearing impaired & mentally retarded, book, 54:11906
legal rights of mental patients, role of mental health professionals & services, 57:1852
legal rights of mentally retarded citizen, book, 56:8211
legal status of exceptional children as defined & interpreted in case law, court actions & legal issues & significance for special education, 57:10170
legal status, social psychology & naturalistic experimentation, 54:8673
legalization of sale of package liquor, automobile accident rates & arrests for driving while intoxicated & public drunkenness, counties in Tennessee, 54:9518
legislation & public controversy, transition from institutional care to community-based programs for mentally ill, 55:1120
legislation implementation for periodic evaluation of mentally retarded patients in state institutions, 53:12338
legislation involving psychiatry, legal processes, 54:11628
legislation regarding sale of beer in rural areas, drinking habits, male alcoholics, Finland, 58:1344
legislative regulation of mental health protection, 57:6471
mental disability & criminal responsibility & civil commitment & rights of institutionalized patients, symposium, 56:10074
mental health laws, emphasis of drug therapy over sociopsychological treatment of mentally ill, literature review, 58:9837
moral & legal aspects & opinion poll results, euthanasia, literature review, book, 54:5642
National Health Insurance legislation, private psychiatric hospital care, 56:6533
National Health Planning & Resources Development Act of 1974, implications for local level mental health planning in health systems agencies, 56:4553
National Health Planning & Resources Development Act of 1974, implications for planning & administration & delivery of mental health services, 56:4556
new psychiatric commitment law, Colorado, 56:6619
origins & status & constitutional & judicial bases of public support & nonsupport, subcollegiate public & private schools, 54:10417
past laws & present legislation, changing prostitution laws, Great Britain, 53:9445
phosphate detergent ban vs brand continuity, demographic characteristics & attitudes toward laundry detergents & phosphate regulation laws, housewives, 53:1008
premarital counseling required by California law for minors, 54:9524
presence of violating model &/vs uniformed authority figure & S's age & sex, violaton of prohibited right turn, drivers, 57:10240
product liability law & standards, safety in use of psychological devices, 55:674
provisions & implications of Rehabilitation Act of 1973, vocational evaluations & training practices, mentally retarded, 56:8537
provisions in civil law guaranteeing rights of children in disturbed family situation, US & 20 other countries, 58:11595
provisions of 1974 Narcotic Addict Treatment Act & other treatment regulations & standards, treatment of narcotics addiction with narcotic drugs, physicians, 57:1792
psychoanalytic view, law & pacifism, 55:9539
psychological scaling, attitudes toward Title IX guidelines related to sex discrimination in school athletic programs, college level athletic directors, 58:10245
psychometric analysis of US Supreme Court & individual judge's policy development, 1946–1969, book, 53:5123
public knowledge, family laws, 54:2927
reactions to desegregation laws, Boston citizens, 56:5932
recent litigation & legislation & legal issues, future education, handicapped children, 54:11531
recognition of age 18 as legal adulthood, attitudes toward university's parental role, college freshmen vs their parents, 57:6872
reduction in legal age for drinking & purchasing alcoholic beverages, collision behavior, young male drivers, 55:4471
Rehabilitation Act of 1974, implications for job opportunities, deaf, 54:6077
Rehabilitation Act's lack of guidelines for determination of severity within categories, issues in rehabilitation of severely handicapped, 54:8197
respect for law & nonconsideration of role partners on road & peer pressure for risk-taking behavior, proneness to accidents, male manual workers with vs without accident records, 57:2112
right to privacy & recent legislation, student records, 54:11543
"right to treatment" question of Wyatt vs Stickney litigation, role of state residential facilities for mentally retarded, 55:5269
shoplifter's appearance & attitudes toward law & order, reactions to rigged shoplifting incidents, citizens, 57:5832
similarity of violator's life style to Ss, decision making process in hypothetical air-traffic violation, 27–61 yr old accident prevention specialists, 53:8524
social & legislative development, shaping of social-political philosophies of blacks, 1955–75, 56:5876
social psychological dimensions of intergroup consensus & conflict in law enforcement process, interpretation of police-minority group relations, 57:10167
socio-legal concern with special education practices, due process protection for exceptional children, 57:13916
special education component of law-related education project, knowledge & skills in exercise of rights & participation in legal processes, 12–15 yr old mentally retarded students, 58:6378
special education practices, importance & implications of Massachusetts law designed to meet needs of all children, 56:1469
state legislation promoted by private organizations, involuntary termination of parental rights & foster care review board system & subsidized adoption, 54:9464
statutes & case precedents protecting communications, legal issues in privileged communications in clergy-penitent relationships, 57:8921
support for state-enforced punishment & opposition to unregulated direct pleasure, rationale for voting on law & order issues supporting reinstatement of capital punishment & decriminalization of marihuana, 54:5124
Supreme Court reversal of Souder decision, loss of federal wage controls for patients working in nonfederal institutions, 58:3991
wage-&-hour legislation, perspective on patient work under Fair Labor Standards Act, 56:8522
work & influence of Carey Committee Hearings, evolution of special education, 57:11531
zoning codes & court cases & legislation, development of group homes & halfway houses in community for former mental patients, 58:10014

Lawyers [See Attorneys]

Lay Religious Personnel
historical analysis & role of power, development of status & equality for professionally trained women in Presbyterian Church, commissioned church workers & congregation members, 58:5235
school environment, authoritarian personality, faculty & administrators & students in Catholic operated colleges, Philippines, 55:2994
teaching method employing psychodrama & feedback by group, adult education theology course, 20–30 yr old lay people, 55:13224

Lead (Metal)
dietary exposure to inorganic lead via mother's milk, consummatory behavior, mice, 55:4025
exposure of parents to lead acetate, learning ability, rat offspring, 55:6536
lead administration in neonatal stage, body growth & activity & brain catecholamines, rats, 53:11087
lead exposure during nursing vs post weaning period, morphine-seeking behavior for reinforcement in operant conditioning, rats, 58:3026
lead-chelating medication & patient medical history events, 6–10 yr old hyperkinetic students with elevated lead levels, implications for etiology & treatment of hyperactivity, 57:6385
residence in lead-polluted vs unpolluted areas & closeness to pollution source, mental capabilities, 11 yrs olds, England, 57:7086
subclinical lead levels, cognitive & sensorimotor ability, black preschoolers, 55:7257
tetraethyl lead dosages & intragastric intubation vs ip injection, food & water intake, male rats, implications for lead poisoning research methodology, 58:676

Lead Poisoning
blood lead levels, cognitive & perceptual performance functioning, black 3–5 yr olds, 53:9962
chronic lead ingestion, acquisition of visual discrimination reversal problem & open field behavior & shuttle avoidance problem performance, rats, 56:9554
lead poisoning, cognitive functioning & activity level & neurological development, children with elevated lead levels, 56:8255
lead-chelating medication & patient medical history events, 6–10 yr old hyperkinetic students with elevated lead levels, implications for etiology & treatment of hyperactivity, 57:6385
neuropsychological impairment, children with chronic asymptomatic increased lead absorption, 54:5591
postnatal lead acetate exposure, responsiveness to amphetamine & learning performance, male rats, implications for etiology of minimal brain dysfunction, 53:528
subclinical lead poisoning, urinary catecholamine metabolites, mice & asymptomatic & mildly symptomatic 16–40 mo old children, implications for diagnosis of lead intoxication, 56:2082
tetraethyl lead dosages & intragastric intubation vs ip injection, food & water intake, male rats, implications for lead poisoning research methodology, 58:676

Leadership [See Also Leadership Style]

teachers' perceived participation in decision making & perception of principals' leadership & principals' leadership behavior & perception of teachers' participation, secondary school teachers & principals, 57:13618
T-Group Interaction Analysis System, use of self disclosure & feedback & leads & impersonal communication during T groups, participants & leaders, 57:3902
therapeutic task group leadership, group climate & task productivity & leader & member behavioral responses, members of First Church governing board, 58:7467
traditional group norming techniques vs pregroup norm setting, encounter groups, 55:10300
trainer's leadership style, members' level of dominance/submissiveness interaction in sensitivity groups, 56:10279
training program, leadership behavior & perceptions of college environment, male vs female college students selected to work in orientation program, 58:2144
trend toward democratic supervision & teacher participation in vocational agricultural schools, Philippines, 57:8970
type of reinforcement set, leader's reinforcement behavior for performance, Ss acting as supervisors, 55:8506
typology of individual training styles, trainers of encounter groups, 58:9925
validity, leader behavior descriptions obtained from subordinates, male college students in simulated work groups, 57:4682
values of leaders, community developmental change, India & US & Poland & Yugoslavia, conference study, 53:2948
verbal interaction & personality correlates of participation & effects of leader feedback in sensitivity training groups, college students & teachers & group leaders, 57:3897
videotaping, relationship between task accomplishment & emotional behaviors in leadership context, college students, 58:9490
work group size, leadership maintenance & performance functions, industrial organization groups, 58:1102
work unit size & role clarity & consideration & stress, relationships between leader behavior & subordinate satisfaction & job performance, Black counselors & people-helping workers, 57:7071
worker performance levels & task complexity in simulated leadership situation, leader behavior style & flexibility, male college students, 56:10863
worker productivity & job satisfaction & group cohesiveness, computer simulation study of leadership style & worker orientation, 55:13699

Learning (Programed) [See Programed Instruction]

Learning Ability
activity & conceptual tempo & diagnostic category, concept learning & transfer task, hyperactive 8–11 yr old males, 53:7665
analysis & critical evaluation of US educational psychology research, individual differences in learning ability & individualized instruction, USSR, 54:6146
application of Budoff & Friedman's learning potential paradigm, severely mentally retarded adolescents, 55:1520
brief starvation in infancy due to pyloric stenosis, subsequent learning abilities, 5–14 yr olds, 55:11880
category size & number of categories to be distinguished during learning, abstraction of prototypical information & classification of new exemplars, college students, 54:10995
cues, discrimination learning ability, 5th graders with high vs low WISC picture arrangement scores, 56:1789
deficiencies in auditory memory for sequential stimuli & disturbances in language, learning ability, children, 55:2521
development of learning sets, 8 & 12 yr old adequate vs retarded readers, 54:5581
educational program with curriculum in each area of learning ability, improvement of learning abilities, educationally vulnerable pre-schoolers, 58:8395
elaboration learning skill training program, reading comprehension & free & paired associate & serial recall, 9th graders, 58:8295
evaluation of learning abilities, 6–13 yr olds in classes for mentally retarded, 54:4202
examination procedure, rating behavior in communication & adjustment & learning skills, deaf-blind children, 54:5599
exposure of parents to lead acetate, learning ability, rat offspring, 55:6536
extradimensional shift problem performance, evaluation of relationship between learning abilities & indices of cerebral development, kindergartners vs rats & vs monkeys, 57:7661
extradimensional shift problems, relationship between learning ability & indexes of cerebral development, pacas, 57:580
factor structure of McCann Entrance Policeman Test, measurement of learning ability & police aptitude, applicants for patrolman position, 58:10691
feedback & social praise, stability of learning & retention, 1st graders, application of diagnostic teaching approach to study process of learning as indicator of academic learning ability, 56:4971
genetic variance, learning ability, bees, 55:3876
heart rate changes in temporal auditory conditioning & individual differences on Brazelton Neonatal Behavioral Assessment Scale, learning ability, newborns, 58:823
hierarchical learning of graphical interpretation skills, 8th graders, support for R. M. Gagne's model, 54:296
homogeneity of free recall ability domain & generalizability of free recall measurements, 5th graders, 57:78
hypotheses evaluation, difficulties in conditioning newborn infants, 53:7046

imaginal-concreteness value of words & associative ability level, paired associate learning, Level I vs Level II learning type, high vs low socioeconomic status 8th graders, 55:4275
intelligence test & learning potential & diagnostic teaching & paired associate learning, cognitive prediction of achievement, black 1st graders, 55:13608
intentional & incidental learning capabilities, mentally retarded, literature review, 54:3427
language training & language learning ability, 40 mo old female chimpanzee, progress report, 56:5409
learning ability & educational program planning for aged, 57:9050
learning ability for programed learning material, 16–32 yr olds vs 67–84 yr olds, 57:981
learning ability, self-control, 9th graders, 53:11769
learning potential assessment, institutionalized moderately & severely retarded 12–22 yr olds, feasibility of M. Budoff & M. Friedman's paradigm, 53:3438
malnutrition during infancy, learning capacity, rhesus monkeys, 57:12144
meaningfulness & familiarization in associative learning task performance, paired associate learning ability as predictor of 1st grade reading achievement, kindergartners, 57:13820
measurement of Jensen & Rohwer's views of intellectual deficit, disadvantaged 8th graders, 54:10598
ocular-manual laterality, dual hemisphere specialization & learning ability, healthy adults, 54:4639
origins & effects of prejudices concerning age-induced changes in working abilities & trainability of adolescents & older persons, West Germany, 57:7956
physostigmine & initial learning ability, Y maze discrimination retention, male rats, 56:3766
prenatal porcine growth hormone, cortical neuron number & learning ability, offspring of female rats, 53:9106
prenatal vs perinatal vs neonatal protein deprivation, learning capacity with motivation controlled, rats, 55:3878
preset transfer problem & overtraining on initial task, blocking of incidental information & learning efficiency, 4 & 7 yr olds, 57:7931
pyrithioxine vs pyridoxine, open field behavior & social interactions & learning ability, nutritionally rehabilitated adult male rats malnourished in early postnatal life, 56:5712
race & sex, free recall of organized vs unorganized lists & digit span performance, black vs white 1st graders, test of A. Jensen's theory of racial differences in conceptual & associative learning abilities, 55:1437
rate of development of electrically kindled convulsions vs audiogenic seizures, learning ability, mice, 55:4045
relationship between Jensen's 2 level hierarchical theory of basic learning ability & intelligence & Kendler's 2 stage developmental mediation theory based on optional shift choice behavior, kindergartners, 56:5804
relationship between learning strategies & cognitive abilities, rural 3rd–12th graders, 54:10996
self estimates of foreign language ability & performance on French achievement test, Nigerian 5th formers, 57:1963
serum uric acid as biochemical factor, learning, 55:9169
sex & eye darkness & social class, perceptual motor & cognitive & associative & verbal learning abilities, male & female & lower & middle class Ss, 55:87
sex differences, free-operant directional head turn response differentiation, 10 wk olds, 53:900
silence vs white noise conditions, immediate vs delayed overlearning transfer effect, fast vs slow learning 17–20 yr old high school & college students, 56:5277
social class differences & IQ, associative vs conceptual learning & retention, 5th graders, test of A. R. Jensen's corollaries, 56:4836
socioeconomic status, basic & conceptual learning ability differences, educable mentally retarded students, 55:3218
structuration of space & learning potential, normal & mentally retarded children, 54:3425
teacher education program, pupil learning potential & achievement & self concept & concept of teacher, 1st & 2nd & 5th graders & intern teacher & student teachers, 55:13049
teaching methods & abilities involved in visual learning, pupil readiness for learning to read, 57:13830
test-train-test procedure vs training embedded within testing procedure, performance on learning potential measures, institutionalized moderately & severely mentally retarded adolescents & adults, 56:10129
training with decreasing vs increasing learning assistance & age, maze learning & retention, 1 day to 20 wk old quails, implications for existence of age-specific learning abilities in animals, 57:12148
verbal & perceptual aspects of learner aptitude, inspection behaviors while learning from written materials with inserted questions, 55:10883

Learning Centers (Educational)
construct validity of J. L. Holland's Vocational Preference Inventory for potential school dropouts, high school students in special learning center vs college students, 58:10521
description of college & university learning centers, 55:7877
design & implementation of US Air Force learning center programs, handbook, 57:14087
development of counseling & guidance program for adult community education center, 58:8286
Free Adult Career Counseling & Tutoring center, Ss aged 17 & over, 58:8175
innovative living/learning center vs regular curriculum, self actualization & psychosocial maturity, entering college freshmen, 56:6716
instructional media for air force learning center programs, overview, 58:8283
proposal & description of experimental learning how to study center in university setting, improvement of self tuition & study skills, 58:8291
self instruction in learning resource laboratory vs tutorial instruction, acquisition of behavioral objectives for audio-visual equipment operation, students enrolled in college summer school, 55:8004
training in basic skill areas in primary learning center, reading & language development, 1st graders with learning difficulties, 55:13477
use vs nonuse of learning resources center, personality & academic characteristics, freshman college students, 55:5586
visual motor programs vs language experience approach vs basal approach, reading readiness, kindergartners, 56:10629

Learning Disabilities [See Also Dyslexia]
academic & social milieu & functions of schools of observation, socially maladjusted 12–17 yr old poorly behaving slow learning male students, 56:3022
academic achievement & self concept, 1st–3rd grade learning disabled in special education classes, 57:4437
access to recess as reinforcement, development of self management skill during quiet period without teacher supervision, 9 yr olds labeled learning disabled, 57:2004
acoustical vs associational errors on verbal retention test, learning disabled 114–132 mo olds vs normals, implications for remedial teaching programs, 56:3023
adaptive vigilance task training & task difficulty, number of signals detected & false alarm rate & decline rate of correct detections & latencies, learning disabled vs nondisabled 7–8 vs 10–11 yr olds, 57:3633
admission opportunities & programs for learning disabled students, 4-yr colleges, 58:4377
age & dimensional saliency, nonverbal serial recognition task performance, learning disabled children, 58:7735
age & intelligence & socioeconomic status & scholastic characteristics, self concept & academic achievement, learning disabled 1st–9th graders in educationally handicapped program, 58:8389
age & weight & height, size of human figure drawing, learning disabled 6–12 yr olds, 57:3622
age, presence of a body & head-related items in human figure drawing, learning disabled vs normal 7–15 yr olds, 54:10001
allergies, language &/or learning disabilities, 1st–12th graders, 57:13006
analysis of differences between fields of remedial reading & learning disabilities of J. W. Lerner, alternative developmental approach to reading problems, 56:4265
analysis of similarities & differences between fields of remedial reading & learning disabilities, children with reading probl ems, criticism of J. W. Lerner's article, 56:4284
analysis of verbal interactions in summer school setting, learning disabled 3rd–5th graders vs peers, 57:13842
applied behavior analysis research method, curriculum development for learning disabled children, 55:5655
applied behavioral analysis approach, vocational development, learning disabled, implications for lifelong learning, 57:4157
areas of unique difficulties on verbal portions of aptitude tests, learning & language disabled children, 56:8781
arithmetic computation & reading achievement & measured intelligence, patterns of achievement, children with specific learning disabilities, 53:6205
art experiences, evaluation & development of cognitive skills, children with language & hearing impairments & learning disabilities, 58:6380
art therapy in remedial reading clinic, learning disabled 8-yr-old boy, 53:10511
artificial food colors & flavors, hyperkinesis & learning disabilities, 57:6105
artificial food colors & flavors, hyperkinesis & learning disabilities, criticism of B. F. Feingold's conclusions, 57:6120
assessment using language & intelligence measures, problem solving vs judgment making abilities, 9–12 yr old learning disabled vs normal children, 55:4868
assignment to learning disability vs remedial reading classes, types & frequency of oral reading miscues, poor readers, 57:13909
assistance in filling in scoring sheets according to S's verbal responses, score improvement on machine-scored tests, learning disabled children, 56:4992
attention to & classification & rehearsal & imagination of experiences, recall of information chunks, learning disabled children, 57:13016
attention to & retention of relevant vs irrelevant stimuli, modeling performance, 9–14 yr old learning disabled males, 56:2515
attitudes toward children with learning problems, educational vs medical orientation & relationship to treatment requests & perception of agency effectiveness, public & private school & hospital staff & parents, 57:6104
attitudes toward programs for educationally handicapped & educable mentally retarded, teachers & administrators, 54:4195
attitudes toward school psychologist, teachers of learning disabled children, 58:8200
attitudes toward speech & language programs in public elementary schools, classroom teachers vs learning disabilities specialists vs school principals, 58:10256
auditory distraction level, task attention & concentration, minimally brain damaged with primary learning deficits only vs additional behavior disorders vs normal 8–13 yr olds, 57:2017
auditory perception & imperception at perceptual & conceptual level, role in childhood learning disabilities, 54:1432
auditory perception skills, learning disabled vs culturally different nonlearning disabled school age children, 58:11919
auditory stimuli identification, unilateral learning defect, patients with unilateral neglect, 53:1478
auditory vs visual presentation of temporal patterns, pattern recognition & vocal reproduction, normal vs learning disabled children, 55:888
auditory vs visual stimulation, intrasensory vs intersensory discrimination, 4th graders in regular vs learning disabled classes, 58:12722
auditory-receptive model, picture naming & matching in oral reading & reading comprehension development, language handicapped vs nonhandicapped preschoolers, 56:3038
background & standardization & administration & scoring & result interpretation, scanning instrument for identification of potential learning disabilities, kindergarten & 1st graders, book, 57:4772
background noise conditions, auditory speech discrimination test performance, learning disabled vs brain damaged vs normal boys, 57:1290
background-demographic variables as indicators of discontinuity between school & home, academic performance, elementary school children with learning &/or behavior problems referred for psychological evaluation, 58:8301
Bayesian approach, identification of learning disabilities, children, 54:5582
Bayesian approach, use of test data for identification of learning disability, school age children, 55:10970
behavior modification, learning & perceptually disabled children, review, 54:1673
behavioral & academic characteristics, learning disabled 1st & 2nd grade boys & girls, 57:8478
behavioral child management group training for parents & training leader as social model, increased production of targeted desirable parent-child behaviors, parents of learning disabled &/or emotionally handicapped child, 57:6346
behavioral intervention with vs without medication, disruptive classroom behavior & academic performance, 8–12 yr olds in classes for learning disabled, 56:3025
behavioral model, remedial treatment, learning disabled students, 53:8361
behavioral reinforcement program, hyperactive behavior & attending/participating behaviors, learning disabled children, 56:4933
behavioral rigidity measured by modified WISC-R & Coding B subtest & Raven Standard Progressive Matrices, normal vs learning disabled 6th & 8th graders, 57:6122
behavioral strategies vs etiological labels & misconceptions about use & purpose of experimental designs, learning disability treatment & research, 56:6224
biobehavioral correlates of WISC subtest performance, diagnosis & prescription in learning situation, disadvantaged southwest Indian junior high school students, 55:11002
biofeedback training, external & self control of breathing patterns, male learning disabled 11 yr old, 56:10136
biological & social factors, school & social adaptation & academic achievement, 10 yr old girl with learning problems due to severe allergies, 57:3649
brain-behavior relationships, learning disabilities, children, review, 55:4869
career attitudes & self esteem, male 6th vs 9th–10th graders with & without specific learning disabilities, significance for career education, 58:4364
categorization of problem of children with reading problems into fields of remedial reading & learning disabilities, criticism of J. W. Lerner's article, 56:4292
categorization of reading disabilties into learning disabilities & reading fields, criticism of J. W. Lerner's article, 56:4283
central adrenergic functioning, role in normal cognitive functionin learning disability & depression & drug addiction & stress, impl tions for therapeutic use of gonadal steroid hormones, 57:5190
central auditory dysfunction, learning disabled & normally achievin 11 yr olds, 54:1430
central-incidental task, verbal rehearsed strategies & selective attent & serial recall & primacy vs recency effect, 8 vs 10 vs 13 yr learning disabled vs normal males, 57:8502
cerebral dominance function disorders, reading & writing achievem learning disabled children, 58:9728
child learning disabilities, reported levels of incidence as functio defining criteria, literature review, 57:6115
child service demonstration centers & technical assistance proj specific learning disabilities program, 57:11538
children labeled as emotionally disturbed vs learning disabled mentally retarded vs normal, halo effects in expectations of c behavior & objective evaluation ability, elementary & spe education teachers, 58:4174
child's past & present development, diagnosis of learning difficulties psychological testing, 54:1979
classification using configuration frequency analysis of achievement performance, learning deficient 2nd graders, 55:13585
classroom behavioral styles, learning disabled vs non-learning-disat 3rd & 4th graders, 58:8355
classroom noise vs testing room quietness, auditory discrimination performance, learning disabled vs normal children, 56:1456
clinical psychological assessment techniques & experimental measures, delineation of learning disability subgroups, 58:7727
CNS involvement, performance on Administration A vs D of Ben Visual Retention Test, 12–14 yr olds with learning disabili 58:5607
cognitive skills & style as measured by specialized brain hemisph processing abilities, learning disabled vs normal male 7–12 yr o 57:8490
cognitive structure hypothesis for learning disabilities, validity formulation of Myklebust & Bannochie & Killen for reading disat children, 55:896
cognitive tempo & selective attention, reflective vs impulsive learn disabled children, 56:10138
cognitive tutoring, remediation of maladaptive & deficient cogni skills used to cope with environment, school age children v learning problems referred to mental health clinic, 57:13392
comic strips, remediation, children with learning disabilities, 55:13
competency measurement in acquisition & proficiency & maintena stages of teacher training program, teachers with MA degree train to work with emotionally disturbed & learning disabled, 57:6674
composite psychoeducational profile, learning disabled child 54:4245
comprehension of expanded & normal & compressed speech, learn disabled primary school students with identified auditory vs vis strengths, implications for use of advantaged auditory instruct 57:13907
comprehension of syntactic structures & critical verbal element listening comprehension, learning disabled children, 53:11963
comprehensive approach, remedial education programs, learning abled children, 53:8353
computer assistance, diagnosis of learning disabilities, children, 55:4
computer estimated alpha attenuation during mental arithmetic immediate recall, 10–12 yr old boys with learning disabili 58:11911
concept usage & concept formation, educationally handicapped normal achieving 7 & 9 & 11 & 13 yr olds, 57:8491
conceptual problems & experimental methodology, learning disab research & treatment, criticism of S. A. Cohen's report, 56:6233
conceptual similarities & differences between fields of remedial reac & learning disabilities, children with reading problems, reply criticism, 56:4285
conceptual structure of measurement of length, normal & learn disabled 1st graders, 58:9725
concurrent validity, Kahn Intelligence Test, intellectually & emotion & learning impaired children, 57:9166
contingency contracting vs positive behavior check list, negative h & classroom behavior & self concept, educationally handicap children, 56:2622
contingent vs noncontingent reinforcement, auditory receptive langu ability, students with developmental disabilities, 57:13954
Copy Designs Test, screening for learning problems, children, 58:3
corrective prescription glasses, alleviation of learning disabili children with nystagmus, 56:10172
correlations between perceptual-motor & academic readiness measu socioeconomically disadvantaged learning disabled preschoo 53:8380
correlations between Token Test scores & WISC Verbal & Performa & Full Scale IQs & subtest scores, 6–17 yr olds with learn problems, 58:3605
counselor directed role playing sessions, self concept & interpers relationships, learning disabled students, 58:10627
counselor role, high school programs for learning disabled stude 55:8402
creation of environment for stimulation of creative thinking abilitie activation of S's evaluative effort, academic achievement & sc performances, learning disabled children, 57:13910
creative dramatics program, social adjustment & social traits & rea ability, learning disabled 2nd & 3rd graders, 58:8397
creative dramatics, self expression & development & academic val learning disabled children, 54:4182
criteria, definition of learning disability for educational progran purposes, 58:4426
critical flicker fusion perimetry, differential diagnosis, learning disa children with possible cerebral dysfunction vs children with ed tional deficits & no evidence of cerebral dysfunction, 57:8496
cross cultural research & attitudes concerning learning disabilitie preconditions for successful special education, 58:6362
cross validation of Johnson-Kenney Screening Readiness Test, pre tion of learning difficulties, beginning 1st graders, 56:8799
cue word form class, solving of arithmetic word problems, men handicapped children in special classes, 55:3213
Cuisenaire rods & math manipulatives, special education, learn disabled children, 54:4212
current academic & social & emotional status, effectiveness of spe educational program, learning disabled children, followup st 56:4889
curriculum planning & implementation, career education, lear disabled secondary school students, 54:8461
defective attention & strength of verbal fluency on WISC, differe tion of learning disabled from normal & educable mentally retar 7–9 yr old boys, 56:10144
definitions of learning disabilities & approaches used in operationa tion, state departments of education, 56:6822
demographics & IQ & educational & reading achievement & disab degree & school's areas of remedial emphasis & teaching meth learning disabled children enrolled in child service demonstra centers, 56:1476
description of Applied Behavior Analysis methodology, research curriculum for learning disabled children, 56:1479
description of Illinois Project SCREEN, early identification of lear disabilities in children & provision of teachers with broader basi making educational decisions about each pupil, 56:3083

development & evaluation of systematic screening method, identification of learning disabilities, black 1st graders, 55:5683
development & implementation of early intervention motor-language program, identification & remediation of potential language disabilities, kindergartners, 55:10803
development & implementation of instructional models & scheme for assisting placement decisions, students with learning & behavioral problems, 56:6827
development & validation of developmental history questionnaire, learning disability screening, preschoolers, 58:10831
development & validity, teacher's observation scale for identification of learning disabilities of 6–13 yr olds, 57:2238
development of auditory vocal analysis & synthesis skills, motorically vs nonmotorically impaired learning disabled 108–161 mo olds in special public schools, 56:3017
development of diagnostic-prescriptive program to identify early learning disabilities, kindergartners, 57:4469
development of laterality & directionality perception & learning disabilities, 54:7900
developmental differences in conceptual tempo preferences, regular class vs learning disabled vs slow learning 4th vs 6th graders, 58:9721
Developmental Indicators for Assessment of Learning procedure, identification of potential learning problems, prekindergartners, 54:6409
developmental sequence, teaching use of grammatical structures, 5–9 yr olds with language disabilities, 54:8445
diagnosing learning disabled children, book, 56:6222
diagnosis & treatment, learning disabled, literature review, 54:8431
diagnosis of computer-simulated cases, training of learning-disabilities specialists, 53:6117
diagnostic potential of vigilance task as measure of effect of methylphenidate or amphetamines on behavior, learning disabled hyperactive children, 54:3650
diagnostic usefulness of selected perceptual tests, differentiation between normal & learning disabled Ss, 8–10 yrs old, 56:4972
differences in learning patterns, diagnosis of learning disabled child vs slow learner, 58:5636
differential classification & instruction of culturally disadvantaged & learning disabled children, 58:6132
differential diagnosis & treatment considerations, learning disabilities & hyperactivity & minimal brain dysfunction in children, 56:894
differential diagnosis, true innumeracy vs number difficulties related to neurosis or poor motor coordination, children, 58:3582
differential diagnostic & treatment processes & psychiatric implications of symptoms, learning disabled children, 53:11961
differential verbal & performance IQ scores, discrimination of subpopulations, 6–9 yr olds with academic problems, 58:9734
digit span performance & achievement problems, 1st–4th graders with learning disabilities vs psychogenic learning disorders, 58:10646
direct & daily measurement of performance, rate of learning, learning disabled 6–9 yr olds, 53:10518
discussion groups co-led by school counselor & learning disabilities specialist, childrearing attitudes & parent-child relationships & personality traits of parents & children, school age children & parents, 56:2601
distractibility & hyperactivity & impulsiveness & attention deficits, learning disabled children, literature review, 53:9910
distractibility, learning disabled children, 54:1416
distraction & attention deficits, vigilance task, male learning disabled 8–12 yr olds, 55:10055
dynamic auditory tracking ability, learning disabled vs normal children, 57:6101
dyssmbolia, inferential vs abstract thinking abilities, 9–25 yr olds, 53:5684
ear asymmetry, screening for congenital central nervous system defects, mentally retarded & learning disabled & delinquent children, 53:7698
early evaluation, speech & language problems, 55:12503
early identification & implementation of relevant educational programs, children with learning difficulties, 55:5643
early identification of potential learning problems & determination of need for modifications in curriculum, kindergartners, 56:4684
early identification program, potential learning difficulties, kindergartners & 1st graders, 53:1988
educational judgment & Bayesian algebra, description of learning tasks and prediction of failure rate, 3rd grade vs learning disability teachers, 55:13484
educational specifications, development of comprehensive educational program for learning & behavior disabled students, 58:8371
educational therapy techniques, learning disabled children with varying degrees of emotional instability, 58:3717
effectiveness evaluation, learning disabilities inservice training program, elementary school teachers, 55:7895
effectiveness, perceptual motor programs, learning disabled children, 53:10531
egocentricity & attainment of sociocognitive perspectivism, 9–11 yr olds with identified learning disabilities, 57:10585
elaborative facilitation & cognitive & psychometric abilities, paired associate learning, 8–9 yr old boys with vs without learning difficulties, 58:1404
electromechanical toys, teaching eye-hand coordination & perceptual motor skills, learning disabled children, 54:1935
elimination of learning & reading disabilities as separate categories, concern for child's perceptual & emotional & educational needs, 58:2170
emotional & psychiatric problems, role in reading disorders & language disabilities, treatment implications, 57:13000
emotional factors in learning disabilities & counseling of parents, children with minimal brain dysfunction in day care center, 54:10019
emotional indicators in human figure drawing scores, children with difficulty in school environment & symptoms of visual problems vs normals, 58:1389
empathy, male 7–12 yr olds with visual perceptual problems & learning disabilities vs normals, 57:8479
enhancing self concept, language & learning disabled students, 57:6947
enrollment in resource rooms, school dropout rate & academic achievement & development of special talents, learning disabled students, 10-yr followup, 57:13917
environmental & nutritional deprivation, children with learning disabilities, 54:1411
environmental conditions in classroom & teacher's behavior, performance problems, students, 55:5589
etiological factors, learning difficulties, book, 54:1415
evaluation & management & prevention & legislation, study of developmental deviations & learning disabilities in children, book, 58:5630
evaluation, evening clinic, learning disabled children, 54:8433
exclusion & discrepancy criteria, identification of learning disabilities, 9–10 yr old regular & special class students, 56:4923
experimental reading instructional program, retarded & learning-disabled children, summary of research activities, 53:6225
factor analysis of classroom screening instrument, screening for learning disabilities, 1st–3rd graders, 54:6359
factor analysis, semantic differential measurement of acquisition of learning disabilities concepts, college students, 57:1448
factor structure, Rhode Island Pupil Identification Scale for early detection of learning disabilities, 57:4764
factorial structure of Illinois Test of Psycholinguistic Abilities vs WISC subtests, 6–10 yr old normals vs language/learning disabled vs mentally retarded, 58:6713
family dynamics & learning disabilities, children, 54:3432
family role as social institution, learning disabled children, 54:1429
family therapy program with remediation & behavior modification techniques, learning disabled 6–13 yr olds & their parents, 55:5053
field dependence, male 8–11 yr olds with visual-perceptual vs nonvisual-perceptual learning disabilities, 57:6099
focusing attention & application of newly acquired skills, teaching basic skills to learning disabled, 54:8428
formal psychometric testing vs rating scales vs direct behavior measurement methods, effects of psychoactive medication, children with learning disabilities, 53:10088
formation of equivalence class groupings & strategies used in seeking information about E-chosen stimulus & subsequent questioning strategies used in rationalization of E-established stimuli groupings, male learning disabled vs normal 10–12 yr olds, 57:13002
FR vs VR reinforcement schedule, modification of deviant classroom behavior & attitude change, educationally handicapped male adolescents with emotional & behavioral problems in residential setting, 57:6933
free recall & subjective organization in performance, learning disabled vs normal 4th–5th graders, 58:5644
geometric form drawing as method of teaching writing & as therapeutic tool, mentally retarded & perceptually handicapped, rationale for R. Steiner's technique, 56:4919
goals for integration of children with learning handicaps into society, 57:4418
goal-setting procedure, motivation for learning tasks, learning disabled students, 56:4906
graphogestalt design copying technique, visual-motor perceptual processes, learning disabled vs EMH-organic vs EMH familial children, 55:6003
group parent training program using lecture & role playing followed by feedback & self recording, verbal reinforcements & commands & questions, mothers of learning disabled children, 58:3820
guidelines, writing instructional sequences for learning disabled children, 54:8454
handwriting vs typewriting reading worksheets, reading vocabulary, learning disabled 7–10 yr olds, 58:6353
haptic process with tactual & kinesthetic modalities, perceptual disturbances, learning disabled children, 54:4214
hearing & listening behavior & social adjustment & motor coordination & visual-spatial & sequencing skills & nonverbal intelligence & language behavior, progress in language development, 4–6 yr olds with severe receptive difficulties, 55:7421
hierarchical factor patterns on WISC, learning deficit areas, learning disabled males, comparison of S-data at 8–11 yrs of age & 4 yrs later, 58:5597
hierarchical grouping & discriminant analysis, interpretation of model of learning problems, 6–12 yr old learning disabled students, significance for remedial procedures, 57:9136
historical description from inception through implementation, Adjusted Studies Curriculum, children of average intelligence with learning problems, 56:1475
history & current programs, special education, children with learning disabilities & hearing & visual disturbances & mentally retarded, USSR, 54:4220
Hoffman Learning Problem Indication Index, identification of learning disabilities, children, 54:4276
hyperkinesis vs hypokinesis, learning disabilities involving psycholinguistic abilities & visual perceptual processes & social introversion-extraversion, 6–10 yr olds with minimal brain dysfunctions, 57:13068
identification & characteristics, marginal language disabilities, immature primary age child, 55:12510
identification & measurement of academically relevant disturbed classroom behaviors, clinically diagnosed mentally retarded & learning disabled & emotionally disturbed 80–142 mo olds, 55:13496
Illinois Test of Psycholinguistic Abilities average deviation & Stanford-Binet Intelligence Scale scores, preschoolers, implications for use of average deviation as learning disabilities index, 57:2020
Illinois Test of Psycholinguistic Abilities scores & proportion of learning disabilities, children with petit mal epilepsy vs mixed seizures vs nonepileptics, 58:7784
image-evoking quality of embedded noun pairs & syntactic complexity of stimulus sentences, oral language comprehension & paired associate recall, adequate readers vs reading & learning disabled Ss, 57:12993
immediate recognition of letter trigrams, slow-learning vs normal children, 53:5661
inability to learn reading, definition of learning disabilities, preschool & young school children, 55:2515
incidence & profile of learning disability, kindergartners & 2nd & 4th & 6th graders from suburban school vs referred to clinic, 56:4277
independence among reward preference categories, learning disabled children, 57:10579
individual & family psychodynamic contributions, childhood learning disabilities, significance for psychotherapeutic modalities, 57:12998
individual need & public school approach, learning disabilities, 53:6217
individual remediation by learning disabilities teacher vs classroom remediation by regular teacher, academic achievement, 3rd–5th graders, 55:3221
individual tutoring & parent counseling, academic achievement & self esteem & psychomotor performance, 2nd–5th graders with learning disabilities, 58:4413
individualized learning approach, 4–6 yr olds with specific learning disabilities, 53:10507
individualized vs cooperative goal structures, reading achievement & social skills & social status, learning disabled vs normal 5th & 6th graders, 58:12512
individually & group administered visual & auditory & visual-motor screening tests, prediction of multivariate achievement, 1st graders, implications for early identification of potential learning problems, 57:6958
informal diagnostic techniques for assessing children's learning disabilities, 55:7389
informal inventory for disability identification, learning disabled adult students, 56:2511
information-processing model of learning, problems of learning disabled child, 58:5615
inservice education, assessment of children's educational disabilities, teachers of kindergarten & transitional 1st grade, 55:5467
inservice education program evaluation, recognition & accommodation of children with learning problems, kindergarten to 3rd grade teachers & students, 55:5471
in-service teacher training program, responsiveness to variety of needs in classroom with regular & learning disabled children, 53:10406
inservice training, acceptance of classroom integration of children with learning disabilities, primary teachers, 55:10686
inservice training package, teachers of children with learning disabilities, 58:10274
inservice training using simulated reading activity, understanding needs of learning disabled children, classroom teachers, 58:4159
instructional strategies, industrial training & rehabilitation, Ss with individual learning disabilities, 58:12250
integrated free flowing learning center vs self contained classroom, reading & arithmetic achievement & attitudes toward school, educationally handicapped & educable mentally retarded elementary school students, 55:8330
integration into core curriculum program, learning disabled junior high school students, 58:6387
integration of language exercises into academic curricula, children in self contained language disabilities class, 58:10511
integration of touch & vision in learning process, implications for teachers of learning disabled, 54:1955
intellectual characteristics, school-labeled learning disabled children, 58:7733
intelligence & achievement & visual-motor test performance & EEG findings & adaptive behavior level & parental concerns & special education services & grades repeated & diagnostic terminology, learning disabled 7–10 vs 12–15 yr olds, 58:9738
intelligence & achievement factors, academic achievement grades, developmentally & functionally retarded low income black 7th graders, 55:4864
intelligence & perceptual & motor & projective tests, 11–14 yr olds with learning problems, 54:7890
interaction behaviors, teachers of classes for severely retarded/multiply handicapped vs trainable mentally retarded vs learning disabled vs normal children, 57:4422
interaction of environmental & situational variables & individual characteristics, teaching children with learning disabilities, 57:6697
interdisciplinary approaches to intervention, learning disabilities, book, 58:9732
interdisciplinary evaluation of educational & psychological & neurological characteristics, learning disabled 7–12 yr olds with minimum neurological dysfunctions vs normals, 56:2507
interdisciplinary team, role in education of learning disabled children, 56:10758
interdisciplinary treatment approach & similarities & differences, learning disabled & juvenile delinquents, 54:3605
internal & external causes of nutritional deprivation, learning disabilities, 54:7892
interpersonal needs on inclusion & control & affection variables, learning disabled 2nd–6th graders, 57:6098
interrelated educational & psychiatric studies, school age children, Isle of Wight, 1964–74, overview & bibliography, 57:3417
intersensory transfer & word recognition, neurologically impaired & communication handicapped children, 55:7381
intra-class peer tutoring, word recognition, learning disabled elementary school students, 58:12711
IQ & reading score, visual vs spatial vs temporal matching tasks, normal vs learning disabled 7–12 yr olds, 56:4295
isolation of meaningfulness & color information, word list learning, 9–12 yr old learning disabled children, 57:6103
issues in use of pharmacological treatments, learning disabled children, 58:9978
issues relating to roles of interdisciplinary professionals working with learning disabled children, 57:11540
KDS super TM-14 teachers' rating scale, identification of unusual aggression & learning difficulties & shyness & withdrawal, public school children, 56:8786
KeyMath Diagnostic Arithmetic Test vs California Arithmetic Test, evaluation of learning disabled children, 54:5575
kindergarten screening for school readiness & potential learning problems, follow-up study of achievement & school progress at end of 2nd grade, 53:10481
kindergarten teacher as resource in providing visual-motor & academic & behavioral information, identification of learning disabled children, 57:13943
Knoxville Initial Detection Screening inventory & teacher & parent ratings & demographic data evaluated by social worker, earlier detection of Ss at risk for learning handicaps, rural Appalachian kindergartners, 58:8440
labeling as perceptually handicapped, self concept & social acceptance & teacher attitudes related to treatment, 1st graders, 56:4927
learning & behavior problems, 9 mo to 16 yr old epileptics, implications for school placement & special education, 56:10210
learning disabilities & delinquency & evaluation of intervention programs sponsored by schools & community agencies & other institutions, 58:9634
learning disabilities, adolescents, annotated literature review, 1962–73, 57:12992
learning disabilities educational program, special class 6–12 yr olds, 5-yr followup, 58:6368
learning disabilities in children, conceptual issues & review of recent research, 58:5642
learning disabilities, issues & considerations in special education, 57:13950
learning disabilities, need for medical research to establish neurological & biochemical & nutritional status, 56:6234
learning disability as symptom & treatment strategies & mechanisms involved in learning process, 56:4280
lecture vs lecture plus active participation in group learning experience, awareness of feelings & behaviors of children with learning disabilities, teachers & parents, 56:4796
locus of control & motivational conditions, performance on cognitive tasks & achievement motivation, 3rd & 4th graders with learning disabilities vs behavior disorders, 56:6120
logico-grammatical sentence comprehension, 12–16 yr olds with learning disabilities vs normals, 53:1501
long range diagnostic-prescriptive reading intervention program using Frostig Developmental Test of Visual Perception alone vs with Illinois Test of Psycholinguistic Abilities, oral reading & academic achievement & psycholinguistic growth, language disabled low socioeconomic disadvantaged elementary school students, 55:5668
long term assessment in outpatient or residential centers by interdisciplinary treatment staff, therapeutic effects, children with severe learning difficulties, 57:13368
Madison Plan residential treatment education, learning disabilities, 54:4180
malnutrition, brain cell development & learning disabilities, suggestions for preventive program, 55:2517
masochistic exhibitionism, psychoanalytic interpretation of pseudostupidity, 55:2512
material organization & difficulty, recall performance, 7–17 yr olds with organic brain syndrome & learning disabilities, 53:3430
maternal perceptions of children & mother-child interaction during play, normal vs noncompliant vs learning disabled children & their mothers, 56:6115
mathematics instruction by learning disability specialist vs regular classroom teacher in resource room vs classroom, mathematics achievement, 3rd graders with arithmetic disabilities, 58:8400
maturational lags, sensorimotor development & linguistic deficits, 2–18 yr olds with learning disabilities, 57:8486
measurement of maturation of instrumental functions, application of new DL 4-5 test, 5 yr olds, Brussels, utility for identification of learning problems, 58:143
medical vs psychological vs educational approach, assessment & intervention & evaluation for learning disabled & behavior disorderd children, 57:3764
megavitamin treatment, reading & spelling performance & hyperkinesis & sleep disturbance & nystagmus & perceptual dysfunction symptoms, 7–14 yr olds with learning difficulties, 58:3706
megavitamin treatments, learning disabled children, 57:4009

mental regress learning deficiency, diagnosis & academic manifestations & corrective teaching methods, 57:2002
method of equivalence, individual diagnosis & remediation of educational handicaps, learning disabled children, 57:13947
methodological & conceptual problems, learning disability research & treatment, criticism of S. A. Cohen's report, 56:6225
methodological & conceptual problems, learning disability research & treatment, criticism of S. A. Cohen's paper, 56:6227
methods of conducting initial interview & usefulness of therapeutic contract, families with learning disabled child, 57:3882
methylphenidate, psychological vs achievement test performance, learning disabled children, 56:6439
methylphenidate hydrochloride, psycholinguistic & motor & visual-perceptual abilities, learning disabled hyperkinetic children, 58:1703
minimal neonatal brain damage, inadequacy of attention & motor control & emotional & thymic control & learning deficits, 7–12 yr olds, 53:9949
misconceptions & clarification of concept of learning disabilities in children & related educational issues, 58:4368
misconceptions & inadequacies in learning disability research, reply to criticisms, 56:6223
model designed to differentiate etiology of reading retardation, quantitative evaluation of learning disabilities, emotionally disturbed children in psychiatric hospital, 55:7392
monitoring of self generated & externally generated errors in school-related tasks, differentiation of learning & non-learning disabled, high school students, 57:6100
Montessori method application, learning disabled elementary age children, 54:8441
multidisciplinary approach for evaluation & treatment, learning disabled children, 53:11949
multidisciplinary approach to assessment of & intervention in nonverbal learning disabilities, 58:9733
multidisciplinary evaluation & care, children with visually related learning disabilities, 55:10058
multidisciplinary systems study of educational problems of disadvantaged children, physical & mental growth retardation, 55:4856
multiple discriminant analysis, prediction of rationally determined categories of learning disability, 6–7 yr olds, 55:12515
multiprocess multimodality information-processing conceptual framework, organization of diagnostic assessment of learning disabilities, 2nd graders, 58:10579
nature of emotional problems & family dynamics, differential treatment approaches & intervention, learning disabled children, 58:3668
neural efficiency analyzer, assessment of learning disabilities, 58:1396
neurological & anatomical & linguistic & psychological aspects, language disabilities, literature review, 53:9933
neurological dysfunctions during period, subsequent learning difficulties in reading & computational skills, children in primary school, followup of J. M. Francis-Williams' 1974 study, 57:10604
neurological examination results, 8–11 yr old males with learning &/or behavior problems, 54:7904
neuropsychological & psychosocial implications, spelling disability, 43 yr old male, 56:4296
neuropsychological assessment, children with learning disabilities, 56:6235
neuropsychological techniques, use of left hemisphere in learning to read, learning disabled adolescents, 58:4396
neuropsychology of learning disorders, textbook, 58:3586
nonpunitive use of string seat belts, attitudes toward seat belts & reduction of hyperactivity, hyperactive primary school students with learning problems, 57:13924
normal & dysfunctional child development & learning processes, book, 54:1413
normal vs impaired auditory discrimination ability & age & sentence construction, sentence imitation differences, 5 vs 6 yr old learning disabled vs normal Ss, 58:8381
observational learning & attention, mentally retarded vs learning disabled vs normal children, 57:8499
observations of successful camp experience concerning psychological & emotional & learning needs, learning disabled child, 54:4225
occupational & physical therapy test scores, children with learning disabilities associated with perceptual deficits, 56:6557
odor preferences as reinforcers, mastery of mathematics tasks, learning disabled children, 58:8379
open-ended classroom meetings, verbal participation & impulsive behavior & hyperactivity, learning disabled 10–11 yr olds in special education class, 56:4936
operant training procedure, rapid treatment of errors of orientation & sequence in handwriting, disadvantaged 5 yr olds in Head Start class, 56:2873
order of comprehension & rote methods of mathematical instruction & mathematics related abilities, mathematic concept acquisition & transfer, learning disabled 7th & 8th graders, 57:13921
organization of material & level of difficulty, free recall performance, learning disabled children, 54:9971
orientation of test items in spatial figure-completion test, perceptual response accuracy, 2nd vs 6th grade males from regular vs learning disabilities classes, 58:6358
paperwork & time & effort & money spent for care, diagnosis of retardation & borderline normal & other diagnoses, 21 yr old girl with learning disability, 54:12082
parent & teacher perceptions, personality traits of students selected for learning disabled classes, 5–13 yr olds, 55:1521
parent education group, knowledge of & empathy with learning disabilities, parents of children with learning disabilities, 55:12517
parental characteristics & environmental stresses, development of infantile autism, 5–10 yr old autistic males vs males with severe developmental disorder of receptive language, 56:9999
parental frequency ratings of physical punishment & of completing household tasks, learning disability, learning disabled 1st & 2nd graders, 55:4875
parental involvement with staff in treatment services for children with learning disabilities, 54:6343
parental television or personal instruction, differences in developmental abilities, learning disabled 3–5 yr olds, 55:4873
pathological & normal language development, learning disability, 58:3594
Peabody Individual Achievement Test vs California Achievement Test vs Wide Range Achievement Test vs teacher ratings of academic performance, learning disabled 7–12 yr olds, 55:5678
peceptual & cognitive skills, prediction of academic achievement, low & average & high achieving 3rd grade males, 55:8389
pedagogical argument, reorientation of education from treatment of learning disabilities to improvement of teaching abilities, 54:1948
pediatric evaluation, identification of learning disabilities, children, 53:11952
peer popularity in classrooms, learning disabled 4th & 5th graders, 56:6810
peer popularity of learning disabled children, 3rd & 4th & 5th graders, 53:9886
perception of psycho-educational characteristics of children labeled learning disabled, survey of graduates of college learning disabilities certification program, 58:10556
perception of role of teacher of educationally handicapped child, teachers & administrators & parents, 58:8205
perceptions of emerging role of learning disabilities teacher consultant, elementary school principals vs psychologists vs learning disabilities teacher consultants, 58:6156
perceptions of teacher's expectations, able vs specifically learning disabled 4th graders in regular vs special classrooms, 56:6800
perceptual & conceptual development & achievement levels, male children with specific learning disabilities, educational implications for early diagnosis & treatment, 58:9746
perceptual ability, associational learning, normal vs learning disabled 2nd & 3rd graders, 58:11907
perceptual training program, school performance, female visually learning-disabled 9.5 old, 56:4913
perceptual-motor training therapy, reversal confusion tendencies, underachieving children, 56:10746
performance on nonverbal auditory perception tasks, learning disabled 1st–6th graders, 55:1542
perspectives of fields of learning disabilities & remedial reading, problem of children with reading problems, criticism of J. W. Lerner's article, 56:4297
physical activity & perceptual-motor & recreation programs, learning disabled children, 53:8379
physiological & socio-environmental & developmental models of learning disabilities & intervention programs in schools, 58:10549
physiological arousal as measured by GSR, male learning disabled pupils labeled as hyper- vs normo- vs hypokinetic, implications for diagnosis & treatment, 58:1411
Piagetian cognitive task performance, selected subtests from WISC, achieving vs learning disabled 1st–3rd graders, 58:12729
Piagetian seriation operations vs sequencing skills, academic achievement prediction & differentiation between learning disabled & normal Ss, 6 vs 7 vs 8 yr old special education students, 57:6975
Piaget's theory, behavior modification & development of Learning Behavior System, learning disabled adolescents, 53:12396
play disturbances as precursors to learning difficulties, children, 53:7709
position & evolution & reform in transition classes in educational system, schoolchildren with educational difficulties, France, 56:4900
Precision Referral Form, accurate description of classroom behavior & learning problems & behavioral objectives, learning disabled children, 54:8443
prediction of learning disability by computerized pattern analysis & comparison with clinically classified sample, implications for special education student selection procedures, 57:11564
predictors of self concept, learning disabled elementary school children, 55:7408
Prescriptive Modulation Retrieval System, attention & concentration & memory as measured by WISC & arithmetic achievement, learning disabled elementary school students, implications for differential diagnosis, 58:6347
presence of defect in understanding of spoken language, development of infantile autism, 5–10 yr old males, 56:9984
present status of "family etiology hypothesis," etiology of infantile autism & learning disabilities, troubled children & their families, implications for clinical social work practice, 56:775
prevalence & characteristics of language deficits, learning disabled adolescents, implications for diagnosis & remediation, 56:4301
prevalence & factor structure of behavior symptoms, 1st–7th graders in regular vs special education classes for emotionally & learning disabled, 56:6818
problems & experiences & resources, parents of learning disabled children, 57:1447
problems of & methods for aiding in learning of mathematical concepts, learning disabled children, implications for training teachers of learning disabled children, 57:4449
problems of labeling & classification procedures, learning disabilities field, criticism of S. A. Cohen's paper, 56:6219
productive language abilities in learning disabled, 12–16 yr old learning disabled, 55:7412
professional differences reflected in current state legislation definitions of learning disabilities, roadblocks to effective service, 56:877
professional reference & teaching text & review, reading & learning disabilities, book, 56:2522
program evaluation, early detection of learning problems & educational intervention in Oklahoma City Public Schools, 1st graders, 55:3189
program plans & evaluation, learning disabled children, 54:4185
proportion of variance in Pupil Rating Scale, screening for learning disabilities, 57:14015
provision of professionals & parents with communication skills & assertiveness training, assisting children with learning &/or behavior problems, 58:7724
psychodiagnostic approach to individualized instruction vs concentration on particular sense modality, ability gain & academic achievement, learning disabled 6 & 7 yr old students, 55:1523
psychoeducational viewpoint, teaching of children with learning disabilities, Japan, 55:8305
psychoneurological learning systems, implications for intervention programs for learning disabled children, 58:9727
psychosocial stages of E. Erickson, general development & self-concept, language-disordered children, 53:9901
puppetry workshop, communication, withdrawn children, 54:4208
questions, teacher-pupil verbal interaction in remediation of auditory-verbal learning disabilities, 53:4060
race & social class & maternal employment, correlations between reading performance & central information-processing abilities as measures of conduct problems vs learning disabilities, black vs white 3rd grade males identified as conduct problems, 56:4935
racial composition, placement in educable mentally handicapped vs learning disabled classes, white & black middle & high school students, 54:4181
radical behaviorist view, environmental causes of learning disabilities & environmental modification, 58:5641
rational-emotive approach, teaching self help & problem solving skills, learning disabled children with self concept problems, 58:4382
reactions to artificial food flavors & colors, hyperkinesis & learning disabilities, 56:4319
reading & learning disabilities perspectives, children with reading problems, criticism of J. W. Lerner's article, 56:4289
reading & school readiness & learning disabilities screening techniques & evaluation instruments, preschool & early school children, literature review, 53:8388
reading instructional procedures, attainment of reading skills, mentally retarded & learning disabled children, 54:12612
reading vs learning disabilities perspective, reading disabilities, children, 56:4286
real & ideal self concepts, nondisabled 4th graders vs language &/or learning disabled children, 56:4874
referral form rating scale developed by clinical team, identification & referral of potentially learning disabled students, 58:10546
reflective training, impulsivity & academic performance, learning & behavior disordered children in residential school, 58:10512
regular vs integrated special education programs, academic achievement & classroom behavior & self esteem, emotionally disturbed & educable mentally retarded & learning disabled students, 56:3015
rehearsal skills, short term recall deficits measured by effect of proactive interference, learning disabled 8–13 yr olds in 4th–6th grades, 58:9718
reinforcement contingencies, arithmetic acquisition & proficiency, 8–11 yr old learning disabled boys, 55:13506
reinforcement of verbalization, size discrimination & reversal sh learning, high vs low language comprehension ability 34–79 mo ol 57:1453
relationship between language & learning disabilities & reading as language-based process, 58:7739
reliability & validity of Visual-Aural Digit Span Test administered teachers, instructional planning & detection of potential learni disabilities, 2nd graders, 57:9171
remedial instructional strategies based on results of Illinois Test Psycholinguistic Abilities, children with learning disabilities, 58:22
remedial reading methodology, linguistic code breaking, learnin disabled children, 53:10503
remedial therapy, language arts & reading & arithmetic achieveme learning disabled 4th & 5th & 7th graders, 57:4438
remedial visual perceptual program, visual perceptual discrimination academic & drawing behavior, perceptually impaired vs nonimpair learning disabled children, 58:2197
research & theory, perceptual & learning disabilities in children, boo 54:1412
research evidence vs opinion of "sight" words & reading, implicatio for teaching, learning disabled children, 54:4191
responsibility of physician, diagnosis & care of children with learni disabilities, 53:3427
reversal vs intradimensional shift paradigms, discrimination learnin normal vs drug-treated vs non-treated learning disabled 7–9 yr old 53:1475
review & analysis in perspective of changing school practices, interve tion models for learning disabilities, 54:6335
review of efficacy studies of psycholinguistc training, criticism of D. Hammill & S. C. Larsen's approach, 55:10985
review of efficacy studies of psycholinguistic training, reply to criticis of E. H. Minskoff, 55:10987
reward alone vs with penalty, learning strategies on 2-choice si discrimination task, learning disabled vs educable mentally retarde vs normal children, implications for special education curriculu 58:9745
Ritalin, visual vs auditory vs social perception, children diagnosed psychoneurologically learning disabled, 55:12733
role & contributions of physician, diagnosis & treatment of childr with academic difficulties, 55:5189
role & responsibilities of learning disability specialists in public schoo 57:11529
role analysis, teachers of children with learning disabilities vs educab mental retardation, 55:13041
role of cognitive & emotional development, failure to perform normal in various task situations, learning disabled children, 58:3609
role of parents, intervention programs for learning disabled childre 58:10508
scores on WISC, scores on subtests of Illinois Test of Psycholinguisti Abilities, learning disabled children, 56:4300
scoring & assessment & age correction procedures, synchrocephal graph, screening of learning disabled children, 55:11279
screening instrument for early identification of learning disabilities, 6 graders, 55:1607
selection criteria, identification of learning disability, kindergartne 54:6356
selective attention, recall of incidental materials presented duri primary reading-like card-sorting task, 11–13 yr olds with learni disabilities, 58:5611
self concept & achievement, 8–13 yr old male vs female minimally bra injured students in self contained classrooms vs language &/ learning disabled students in special education resource roon 57:13911
self concept & locus of control, kindergartners to 4th graders wi learning-related problems, implications for special education plac ment & evaluation, 58:6386
self confrontation techniques, self concept, children with emotionali based learning problems, 55:3190
self instructional techniques vs guided-learning, mathematics achiev ment in one-to-one tutorial situation, learning disabled childre 55:10981
semantic aspects in oral language, normal & syntactically deviant 3rd 4th & 5th grade boys, 55:12528
semantically vs syntactically varied sentences, immediate recall, lea ing disabled 12–16 yr olds, 54:1433
seminar with experiential & multidisciplinary approach to teaching learning disabilities, college students, implications for social scienc curriculum development, 58:2026
sex & ethnic group & diagnostic group, test profile & factorial structu of Illinois Test of Psycholinguistic Abilities, language & learni disabled & mentally retarded children, 58:184
sex & ethnic group, constructs measured by Kindergarten Screeni Inventory, male vs female Anglo vs Negro vs Mexican kindergar ners, 55:8335
sex & ethnic identification & teaching methods, concurrent validity Peabody Individual Achievement Test & Metropolitan Achieveme Test, learning disabled vs non-learning disabled Negro vs Caucasi vs Mexican American 4th graders, 56:4943
sex & ethnic variables, Illinois Test of Psycholinguistic Abilities WISC profiles, 6–10 yr old black vs Mexican American vs Ang American mentally retarded vs normal vs Ss with diagnosed learni or language problems, 56:893
sex & physical attractiveness, referral rates for psychological assessme & speech & reading & learning disability, 3rd graders, 53:9733
sex differences & self esteem, learning disabled vs nonlearning disabl 3rd–8th graders, 56:8205
similarities & differences between fields of learning disabilities remedial reading, criticism of J. W. Lerner's article, 56:4282
similarities & differences in underlying conditions & psychoeducation repertoire, educable mentally retarded & learning disabled childre 55:5658
social perception, learning disabled vs normal 3rd–6th graders, 57:84
social perception processes, normal vs learning disabled 7–12 yr ol 57:8488
socioeconomic status & intelligence, Illinois Test of Psycholinguis Abilities performance, learning-disabled & emotionally disturbed 10 yr olds in special classes vs normals, 53:1978
sociomedical & socioenvironmental background variables, readi achievement, 1st–5th grade educable mentally retarded vs learni disabled children, 57:9152
special class education & methylphenidate, hyperactivity & acaden achievement, children with learning disabilities, 55:12725
special instructional needs, learning disabled children, implications integration into regular classrooms, 57:4431
specific perceptual-motor physical education program, self concept motor task performance, learning disabled 7–9 yr olds, 58:6370
specific visual perceptual dysfunction, sex & class placement & correlates, handicapped & normal children, 58:6377
speech pathologist as a resource teacher, language develo ment/learning disabilities, 3rd grade female, 53:8359
speech pathologists, intervention for children with learning proble 57:11539
standard unshielded vs full-spectrum fluorescent lighting, hyperactiv & classroom behavior & learning disabilities, 1st graders, 57:68
stimulus linguistic content & temporal organization, auditory short te memory, learning disabled children, 55:7402
stimulus modality & elaboration, paired associate performance, learni disabled male students, 56:8213

timulus presentation method & shifts & strategies, concept learning, normal vs language-learning disabled 9–13 yr olds, 58:11909
ugar & caffeine intake & restriction, behavioral effects, learning disabled children, 57:12413
uggestions for teachers, assistance in early number acquisitions, children with learning problems in mathematics, 58:4267
ummated ratings & pair comparisons, hyperkinesis measurement, learning-disabled children, 53:5658
ummer compensatory arithmetic education program, learning disabled 1st & 2nd & 3rd graders, 55:5654
ummer compensatory education program, academic achievement & self concept, primary grade learning disabled children, 55:13488
ummer school program, severely learning disabled children, 54:4187
ystematic neuropsychological approach, written spelling disorder diagnosis, 10 yr old learning disabled boy, 55:7409
ask analysis, learning difficulty diagnosis, clinicians, 54:5580
ask complexity & instructions, ability to regulate conceptual tempo as predictor of school success, kindergartners, implications for early detection of learning problems, 57:6809
ask difficulty, 2-choice size discrimination learning, learning disabled vs educable mentally retarded vs normal 7–9 yr olds, 58:9630
eacher & peer attitudes & achievement, self concept & status, learning disabled & nondisabled 2nd & 3rd graders in regular classrooms, 58:6366
eacher accountability, academic achievement, learning disabled kindergarten through 8th grade students, 58:12723
eacher bias, evaluation of retarded children & resistance to use of test results for identification of learning problems, review of major research, 58:4455
eacher expectations of pupil academic achievement, verbal & nonverbal communications, pupil acting out behavior, teachers of learning disabled children, 55:13476
eacher observations & use of geometric drawing test, identification of learning difficulties, educationally handicapped & educable & institutionalized mentally retarded & normal 6–10 yr olds, 58:1158
eacher ratings & reading readiness & reading achievement test scores, prediction of 1st grade reading achievement, kindergartners, implications for early identification of potential learning disabilities, 58:4423
eacher ratings of specific behaviors & WISC & Illinois Test of Psycholinguistic Abilities & Bender Gestalt subtest scores, learning disabled 5.5–9.5 yr olds, 58:8412
eacher reinforcement of desirable affective person-oriented behavior vs cognitive task-oriented performance, self concept & academic achievement & school-related behavior & attitudes toward school, learning disabled 10–17 yr olds, 56:3031
eacher's role, identification of learning disabilities in classroom, 53:3424
eaching methods using cross-modal transfer vs visual vs tactile-kinesthetic intramodal methods alone, discrimination training, children with visual perceptual deficiencies, 55:3215
eam approach with school physician as coordinator, location of children with learning problems, 58:3573
echnique for development of normal language & conversation, children with language learning problems, 54:10622
elevision method employing videocassettes vs traditional face-to-face procedure, evaluation of immediate memory characteristics & visual motor integration, normal vs learning disabled 7–10 yr olds, 56:1634
elevision Reading Program, motivation & achievement, learning disabled children, 58:4393
est of syllabication & teacher rating scale as predictive measures, classification of students as learning handicapped vs non-learning handicapped, 3rd graders, 54:10650
esting & teaching & prevention method, parents & teachers of children with learning disabilities, book, 54:3441
heoretical monograph on definition of learning disabilities, screening & identification practices in Illinois, 55:4871
heoretical positions vs Bayesian estimations, understanding of bases of probability estimates, learning disability specialists, 56:2818
herapeutic self directive play, self concept & motivation, educationally handicapped 6–13 yr olds, 55:3220
hermal biofeedback, control of fingertip temperature, 7–9 yr old learning disabled vs normal children, 57:13007
hermal biofeedback, fingertip temperature control performance, learning- vs non-learning-disabled male vs female 7 vs 8 yr olds, 58:1397
nts of red & values of gray on block design from WISC, motor performance, children with learning disabilities, 55:2509
ken reinforcement, divergent responding as measured by Wallach-Kogan Creativity Test, average vs gifted vs learning disabled children, 57:8730
oken Test, identification of perceptual & linguistic factors in language impairment, 6–9 yr olds with developmental dysphasia, 55:10077
oken Test performance, diagnosis of language-processing deficits, learning disabled vs achieving adolescents, 57:8494
raditional class instruction vs computer-managed instruction program & age & intelligence & sex & ethnic group, Peabody Individual Achievement Test performance, learning disabled students, 57:6924
raditional psychodynamic vs parent-child involvement vs behavior modification short term parent counseling, mother-child relations & child's behavior, 1st–9th grade learning disabled boys & their mothers, 58:1532
raining in basic skill areas in primary learning center, reading & language development, 1st graders with learning difficulties, 55:13477
raining in visual constancy & role playing, reading skills, 3rd & 4th graders & children with learning disabilities, 55:8313
raining program, ability to identify 4 yr olds with potential learning problems, teachers, 57:8981
raining vs no training in pupil question-asking behavior, question types & pupil responses, student teachers in learning disabilities classroom, 58:12466
ransition model, placement in regular & special classes following psychiatric hospital discharge, emotionally disturbed & mentally retarded & learning disabled children, 58:4373
rial teaching learning prescriptions, reading performance, educationally handicapped male elementary school students, 55:8295
utorial program, academic achievement & attitudes & study skills, learning disabled elementary school students, 58:8391
utoring location & teacher supervision, cross-age tutoring, learning disabled 3rd graders, 55:10982
V sight word presentation effectiveness vs no presentation, recognition of sight words, learning disabled children, 53:12521
ype of comprehension & oral vs silent reading & oral reading intervention, ability to answer comprehension questions, 9–12 yr old learning disabled males, 58:10530
nderstanding of teacher role & use of specific referral form & use of same theoretical approach to learning disabilities, successful communication, teachers & school psychologists, 56:6864
se of black vs orange underlining to aid either attention focusing or memory, reading comprehension, learning disabled vs normal students, 57:13951
se of reading tests & concept of reading level in defining learning disabilities, 58:3604
tility & comparative performance, Wide Range Achievement Test vs Peabody Individual Achievement Test, learning disabled 7–11 yr olds, 54:12617
alidity & generalizability of traditional experimental designs in field of learning disabilities, criticism of S. A. Cohen's report, 56:8216
alidity, concept of "learning disabled child", 54:5565
varying incentive conditions, word acquisition abilities, potential language disabled 1st graders, 55:1538
verbal self instruction, latency of response & number of errors & quality of performance, impulsive elementary school males in learning disability classes, 58:4363
videotape recording in group therapy, self concepts, children with learning disabilities, 55:2614
visual aid treatments, eye movement performance during reading, educationally handicapped elementary school students, 55:1527
visual distractor, vigilance task performance, learning disabled vs normal 8–12 yr olds, 55:12504
visual perception, cerebral palsied & physically disabled & minimally brain-injured & learning disabled 7–10 yr olds, 53:7769
visual perception dysfunction, mentally retarded &/or learning disabled children, 56:10151
visual-motor & language & cognitive educational activities, recommendations for parents of preschoolers with learning & language disabilities & mild retardation, 54:7901
visual-motor & linguistic performance during combined task, diagnosis of learning disabilities, 1st–5th graders, 54:1426
vocational interest patterns, learning disabled vs normal 9th vs 12th graders, implications for vocational counseling, 58:3578
voice &/vs pause cue auditory highlighting of recorded passages, listening comprehension, 5th & 6th graders with learning &/or reading problems, 57:13919
ways in which teachers conceptualize problems of Ss & perceptions of appropriate types of intervention, 1st & 3rd & 5th graders with learning & behavior problems, 57:13996
white noise, short-term memory, learning disabled 9–11 yr old boys, 53:9891
WISC IQ & Peabody Individual Achievement Test scores, identification of learning disabilities in cognitive domain, learning disabled children, 57:9125
WISC scores, differentiation of learning disabled from emotionally disturbed & normals, children, 58:1301
WISC scores, 9–12 yr old elementary school students attending classes for learning disabled vs remedial reading classes, 58:6360
WISC verbal performance IQ differences, motor & psychomotor abilities, learning disabled 9–14 yr olds, 56:10156
WISC vs WISC-R full scale IQs, elementary school students with learning difficulties, 57:2216
WISC-R scores & profile scatter, learning disabled 6–15.5 yr olds, diagnostic implications, 57:9156
WISC-R subtest pattern scores, analysis of cognitive abilities, learning disabled 6–15 yr olds, 57:9206
within & between subtest scores intercorrelations, WISC & Illinois Test of Psycholinguistic Abilities, learning disabled children, 55:5943
Word-Finding Test adapted for children, discrimination between normal & learning disabled, male 9–10 yr olds, 56:7052
work-study program emphasizing educational approach to employment & acquisition of problem solving skills, learning disabled high school students, 56:4926
writing disorders in college English courses, college students with learning disabilities, 55:13515

Learning Disorders [See Also Dyslexia, Learning Disabilities, Reading Disabilities]
application of general system theory to understanding learning disorders, improvement in achieving long term maintenance of remedial reading growth, children, 58:8393
attentional problems, children with learning disorders, implications for educational remediation & diagnosis, 56:6232
behavior modification program, classroom behavior, children with behavioral & learning problems at child development center, 58:1650
categories of potential etiologies of learning disorders, use as basis for considering management strategies, 54:12086
characteristics of students eligible for severe learning & behavior problem services, 10th & 11th graders, 58:2173
cognitive approach & modeling, language therapy treatment program, schizophrenic children, 54:1513
cognitive tutoring program for children with learning problems as experiential-based educational opportunity, college students, 55:13119
compensatory mechanisms, dysmetric dyslexia & dyspraxia, 58:3577
comprehensive education program development, children with learning & behavior problems, book, 53:6211
conflicts in values & attitudes of acceptance or rejection toward their children, parents of 8–13 yr old males with learning disorders vs emotionally disturbed vs normal males, 56:576
definitions & contributions of epidemiology, learning disorders, 54:3448
developmental-interactional educational program, learning problems & related emotional factors, socioeconomically deprived "vulnerable" 4 & 5 yr olds, 54:8449
diagnostically & developmentally oriented kindergarten program, early identification & programing of children with learning problems, 53:10443
differential classroom interactions, 1st grade teachers & students subsequently identified as learning disordered, 58:12643
digit span performance & achievement problems, 1st–4th graders with learning disabilities vs psychogenic learning disorders, 58:10646
early diagnosis of vestibular disorders, modification of learning environment, learning disabled children, 55:13469
early hospital admissions, behavior & learning disturbances in adolescence, 55:5251
encephabol, CNS development & maturation & somatic symptom reduction & side effects, children with dyslexia & dyscalculia & dysorthography, 57:10962
evaluation, learning resource room program, students with learning difficulties, 54:4201
factor analysis of Rhode Island Identification Scale, explanatory model of learning problems, elementary school students, 56:4291
general systems theory approach, diagnosis of emotional & behavioral & learning disorders of childhood, 58:9828
guidelines for naturalistic assessment of neurological diagnoses & drug treatment of learning & behavior problems, 56:4515
hierarchical grouping & discriminant analysis, interpretation of model of learning problems, 6–12 yr old learning disabled students, significance for remedial procedures, 57:9136
high vs low environmental stimulation, activity & performance on voluntary inhibition of movement & visual tracking tasks, younger vs older hyperactive children with learning or behavior disorders, implications for classroom environment, 57:13967
Hiskey-Nebraska Test of Learning Aptitude & sex & age & race, identification of specific language/learning skill deficits, 2nd & 3rd graders, implications for early identification & remedial program planning, 57:4478
home/school token economy program, improved home–school communication & child's behavior or learning problems, 2 case reports, 57:9131
hydraulic parfait model, symptom production & diagnosis of minimal brain dysfunction & behavior & learning disorders, 56:763
incidence of lateral phoria, 2nd & 3rd & 5th graders with vs without school learning difficulties, 57:1446
individualized learning systems analysis & synthesis model & prescriptive treatment, reading & mathematics achievement, 1st graders with deficiency in body awareness & control or auditory-perceptual language, 57:11534
interdisciplinary treatment approach, reading & spelling & speech & coordination & stamina problems, 7 yr old male 1st grader, 58:3689
issues in field of children's minimal brain dysfunction & hyperactivity & learning disorders, 58:5459
kindergarten screening for school readiness & potential learning problems, follow-up study of achievement & school progress at end of 2nd grade, 53:10481
language deficit & learning problems, culturally disadvantaged children, 54:7909
learning vs emotional disorder classification, 10–13 yr old mental health clinic clients, 53:5579
long term effects of therapeutic drug use, hyperkinetic 13–19 yr olds with learning disorders, 55:12719
mixed dominance, learning conflict as reflected in lower academic achievement, male left handed junior college students, 56:10666
model description of school psychologist-led process group, elementary learning disabled students, 58:6371
modeling procedure, use of grammatical structures, language, handicapped children, 55:7690
mother-child client-centered counseling vs behavior therapy, academic achievement & personality traits & school behavior, educationally handicapped children & their mothers, 58:1504
motor-perceptual training rationales & training model, intelligence gains, mentally retarded nervous system & learning disordered students, 58:4387
neuropsychological evaluation as adjunct to behavioral interventions, school age children with behavior & learning disorders, 57:1665
oculomotor equilibrium & amplitude of fusion in quality & capacity of binocular vision, 6–11 yr old normal vs learning problem children, 54:3443
"open" concept middle school, assimilation into regular classes, learning & behaviorally disordered children, 54:4197
parent counseling, role in development of programs for educationally handicapped child, overview, 57:14001
personality inventory questionnaire, application in etopedic diagnostics, socially maladjusted youth with educational problems, 57:8362
power & affiliation & conflict & teaching style in family relations, 9–11 yr old males with psychogenic learning problems & their families, 57:1445
praise & reasons & reproofs, effects & generalized effects on academic behavior, 8th graders with learning problems, 58:10529
prediction of WISC scores from Illinois Test of Psycholinguistic Abilities scores & reciprocal prediction, 7–10 yr olds in multiple handicap clinic, 58:3434
principles & procedures of psychoeducational diagnosis & use of interdisciplinary approach to identification of learning & behavior problems, book, 58:2267
psychological aspects, school maladjustment, 53:12496
psychological distance between family members, parents & their normal vs emotionally disturbed vs learning disordered male 8–13 yr olds & siblings, 58:5461
Purdue Motion Picture Screening Tests of Visual Perception, identification of perceptual disabilities & relationship to achievement test performance, rural Appalachian 4th graders, 56:10153
rationale & techniques of part-time therapeutic program, part time attendance in regular classrooms, children with behavior & learning disorders, 56:4564
reading & writing difficulties, 11–15 yr olds hospitalized for psychological disorders, 57:3619
secondary school treatment intervention model, students with moderate to severe learning & behavioral handicaps, 58:4380
selection procedures & program format, halfway house, children with learning & behavior disorders, 54:3792
selective & restrictive reminding methods, evaluation of storage & retention & retrieval patients with disordered memory & learning, 53:7695
sex bias, likelihood of referring learning or behavior disordered male vs female child for special help, elementary school teachers, 58:12411
social-affective classroom climate, teacher-perceived learning & behavior problem students, 3rd grade classes, 58:6351
spatial functioning & alternative conceptualizations of space, educational & clinical implications for learning problem child, 56:10154
structured vs informal parental instruction & degree of involvement, academic performance, learning disabled elementary school students, 58:4379
subconvulsive epileptiform discharge vs nonepileptic lesions vs long-term changes in background EEG activity & cortical steady potential shifts, learning & memory deficits, 53:3459
systematic observation as screening technique, children with learning & behavior problems, 54:9961
teacher attitudes & teaching methods & record keeping & curriculum content & school organization & special education services, children with special learning problems, 53:8354
token reinforcement & teacher enrichment, modification of auditory processing skills, learning disordered & educable mentally retarded children, 54:10613
unreliability of early testing, screening for learning problems, young children, 54:4258
Vane Kindergarten Test, temporal stability & ability to predict behavioral criteria, prekindergartners & kindergartners, implications for early detection of learning handicaps, 58:4648
vocational evaluation & exploration, task-specific self-concepts, high school age reluctant learners, 53:10552
working with parents of children with learning disorders, 54:12436
Ypsilanti-Perry Preschool Project, preschool educational program to prevent learning deficits, 54:10463

Learning Rate
stimulus-reward component sequences, autopecking acquisition rate, pigeons, 58:11088
achievement standards & tangible rewards & self dispensed achievement evaluations, achievement strivings & task mastery, 4–5 yr olds, 58:6867
acquisition rate of conditioned blink reflex, chronic decerebrate rats, 54:9110
activity & conceptual tempo & diagnostic category, concept learning & transfer task, hyperactive 8–11 yr old males, 53:7665
adrenaline output, serial learning, high vs low adrenaline secreters, 53:475
age, immediate visual memory & perceptual efficiency & numerical ability & learning speed, 18–45 yr old soldiers, 57:7999
age, learning rate of conceptual vs half-conceptual vs nonconceptual sorting task, 3–6 yr olds, 58:7238
algebraic & geometric symbolic mode preference & task mode, rate of learning & strategies employed in mathematical structure tasks, college students, 57:4914
analysis of conditioned inhibition & excitation in free-operant successive situation, rats, 57:2585
associative learning rates, hearing vs hearing impaired 4th–6th graders, 58:9771
auditory vs visual vs simultaneous auditory & visual information in classification task & stimulus exposure duration, bisensory facilitation & interference & learning rate & amount & transfer, college students, 53:8782
bisensory signal presentation & learning rate research apparatus, 53:4266
categorized vs unrelated pictures, free recall, lower & upper class 5th graders, 55:6745
classroom noise & presentation methods, learning rate of dissimilar words, male & female kindergartners, 55:5618

conceptual ability, learning rate of conceptual vs half conceptual sorting tasks, kindergartners, 58:6878
congruence level of self concept with parental perception, awareness of response-reinforcement contingencies & conditioning rate, 5th & 6th grade males, 55:3781
contingent incentive level, academic achievement rate, prison inmates, 56:10452
delayed reinforcement, rate of acquisition in paired associate task, incarcerated groups of sociopaths & heroin addicts vs normal Ss, 56:2490
deprivation & reward stimuli experienced separately vs in combination, subsequent maze running speeds, male rats, 57:484
development & evaluation, technique for prediction of rate of progress in self paced instruction, students, 58:12772
developmental & individual differences, rate of conditioning to turn heads towards source of milk & learning rate & latency length, neonates vs 1 mo old infants, 58:7209
dextroamphetamine, Bovet-Gatti profile changes & avoidance response acquisition, male rats vs guinea pigs, 53:2602
direct & daily measurement of performance, rate of learning, learning disabled 6–9 yr olds, 53:10518
discrimination between stimulus arrays with ABA & BBA configurations, learning & transposition of sameness-difference learning sets, fast vs slow learning monkeys, 57:5065
epinephrine, activity level & Y maze learning & relearning rate, goldfish, 54:9185
experimentally induced changes in levels of self concept regarding ability to learn foreign language, rate of learning on paired associates task, college freshmen, 56:741
exploratory behavior, learning-set performance, cross species study of mammals, 56:9324
fading vs standard discrimination training, discrimination learning rate & generalization & transfer, preschoolers, 53:8800
frequency & total exposure time for lists of paired associates, associative learning process, 17–30 yr olds, 56:145
general & specific learning effect for completion of sequential number patterns, solution time & minimal completion time, 53:10895
generalized learning curves, concept attainment strategies, college students, 55:3755
guidance amount & instructional sequence & attribute-treatment interactions, learning speed & retention & transfer of hierarchically ordered skills commonly taught in high school physics, 57:1953
heavy marihuana usage in past, paired-associate learning rate & recall, males, 53:2619
housing in spring water with vs without magnesium pemoline, learning rate of conditioned responses, planarians, 53:2652
individual differences, cardiac components of orienting reflex & learning rate on 2-choice tactual discrimination task, 9–11 yr old males, applicability to 2-stage interpretation of learning process, 57:5199
induced internal vs external attribution of learning rate & punishment delivery by partner according to instructions vs personal choice, paired associate learning rate, female college students, 58:7512
initial task criteria of learning & task difficulty, mediated-shift learning speed on verbal discrimination task, college students, 58:357
instructional information on principle of refraction, transfer of previous learning to subsequent task, Black 6th grade male, 58:8782
intertrial interval, acquisition rate in Y-maze learning task, C57BR vs C57BL/6 vs BALB/c male mice, 56:7371
intra- vs extradimensional conceptual shifts with same vs different materials, learning rate, 5 & 7 & 11 & 15 & 22 yr olds, 53:2856
IQ & activity level, learning rate, 4 yr olds in day care center, 58:8313
IQ vs MA, prediction of learning rate for dimension-abstracted oddity task, mongoloid vs nonmongoloid retarded 7–20 yr olds, examination of E. Zigler's & M. Weir's opposing hypotheses, 55:4870
knowledge of results, learning in rate-based program, 3rd graders, 55:5513
lateral & up-down mirror image discrimination, learning rate & reversal & indication of stimulus control, young children, 55:3726
learning of hierarchically vs non-hierarchically structured concepts, 55:8858
learning rate of colored vs black letters, elementary school students, 57:1959
learning rates of EEG alpha rhythm, 55:9182
list length, learning time per item of 720-item paired associate list using progressive parts method, college students, 56:7240
MA vs IQ as measure of learning rate, Mexican American 1st–4th graders with differing socioeconomic backgrounds, 56:1636
magnitude & stability of individual differences, amount of time required to achieve criterion level of performance, 8th graders, 56:8710
magnitude of skin conductance response to noxious stimulation & during avoidance task, rate of learning to avoid electric shock or money loss, college students, implications for theory of development of sociopathic behavior, 57:2675
material vs social incentives, learning of spelling words, 4th graders, 55:8138
mediator words of high imagery & motor arousal capacity, choice of mediator word in paired associate learning & subsequent learning rate, 57:12061
memorization of positions associated with common objects & their pictures & names, learning rate, adult females, 55:3729
mother-child interaction, cognitive ability & attachment & contingency learning, 7 mo olds, 55:9389
nonverbal discrimination of cards with more vs fewer elements, 50–61 mo old prekindergartners & kindergartners, 56:5783
paired associate learning rates, White 5th graders of high vs low socioeconomic status, 58:317
paired associate list lengths & learning lists in order of increasing length vs reverse order, list learning speed, college students, 58:356
partial vs continuous schedules of reinforcement, rate of acquisition & resistance to extinction of circle size estimation in covert reinforcement paradigm, 57:395
pattern of dominance in dyadic interaction & completion rate of learning task, 1st graders in individualized learning program classroom, 58:4336
Personalized System of Instruction, learning rate, naval training program in propulsion engineering, 54:10696
phonemic similarity of CCVCs to American English, prediction of effort ratings & rates of auditory paired associate learning of foreign words using extension of O. W. Smith & C. W. Koutstaal's scale, college & graduate students, 58:2699
physiological readiness, rates & efficiency of learning 3 gross motor skills, 5–9 yr olds, 55:11911
platformed 1- & 2-way avoidance apparatus, identical acquisition rate for both tasks, male rats, 54:11295
positive reinforcement &/vs punishment, learning rate of 16-picture paired associate task, 4th graders, 55:6208
presentation modes utilizing increasing degrees of imagery/verbal mediation, learning rate & retention of sight words, 2nd graders, 57:6770
presentation of instances belonging vs not belonging to common category, errors in & rate of discrimination learning, male vs female 2 yr olds, 57:2898
presentation rate, paired associate learning, young & elderly adults, review, 55:6712
programed texts with small vs large steps, learning time, male vs female education majors, 54:12545
prototype vs common feature vs distinctive feature models of learning & generalization, learning rate & abstract category learning, college students, 54:10980
provident vs decomposition methods of subtraction, speed & accuracy & performance smoothness & understanding & transfer to untaught processes & time length to mastery, good vs poor 3rd graders learning to subtract, 58:8297
recall vs anticipation method, paired associate learning rate, female postgraduate students, 54:11006
reward pretraining, discrimination learning set formation, monkeys, 53:6932
self pacing vs setting of deadlines & pairing vs working alone & intelligence, learning rate, junior high school students in individualized science program, 58:2024
self vs teacher pacing of study, attitudes toward & mastery of learning package containing consumer education material, 8th graders, 57:1933
serial vs delay vs trace autoshaping procedures, acquisition of keypeck, pigeons, 56:3510
signal-shock interval, rapid acquisition of discrete-trial leverpress avoidance, female rats, 55:11544
size of print & loudness of sound & presentation rate modifications at input level, learning rate of task simulating word learning, 1st graders, implications for classroom learning, 58:10979
stimulus duration & masking & learning rate & specific detail vs general visual information, recognition of pictures, college students, 53:10949
stimulus-specific learning rate parameter, associability of stimuli with reinforcement, theory of selective attention, 54:6802
structure of artificial categories & frequency of presentation of category items, typicality effects in ease of item learning & classification speed & ratings of typicality & learning order & priming, college students, 57:2393
student selected & assigned instructional sequencing with vs without behavioral task analysis, achievement & learning time & rate of acquisition, police recruits, 56:10828
tangible vs social rewards vs no reward, self concept & achievement expectations & learning speed, educable mentally retarded children, implications for educational programs, 56:10149
task complexity & sequence, speed of rule learning & problem solving, college students, 58:359
teacher- vs learner-control of learning activities in geometry classes, immediate achievement & progress rate & delayed recall & attitudes, high school geometry students, 55:8028
teaching strategy with behavioral task analysis as curriculum approach & with Ss & teacher sharing responsibility for control & decision making, learning rate, trainable mentally retarded, 58:6363
time spent in learning, differences in learning achievement, discussion of learning mastery instructional approach & human variability, 57:11414
total presentation time, total learning time in connected discourse learning, 53:4430
total presentation time, trials to criterion in connected discourse learning, 53:326
training time as selection criterion, entrants to individualized training programs, 56:1531
unilateral frontal or nonfrontal lesions, acquisition time & false "go" responses in go–no-go learning, patients, 54:9994
unusually high shuttlebox avoidance performance in previous training, subsequent avoidance performance, rats, 53:727
validity & reliability, Adult Learning Rate Test, functionally illiterate adult education students, 58:2546
verbal format & reading ability, performance & learning time in principle learning, 10th–12th graders, 55:13317
white noise as UCS, Kamin effect in avoidance responses & escape latencies, male rats, 56:9316
within-trial interval, recall vs anticipation methods of paired associate learning, college students, 55:183
2- vs 4-choice task & verbal reinforcement for correct responses vs punishment for incorrect responses & complete vs incomplete instructions, discrimination learning, 4th–6th graders, 54:2716

Learning Schedules [See Also Distributed Practice, Massed Practice]
amount of continuous practice & length of rest following practice, reactive inhibition in continuous inverted-reversed printing, college students, 54:10943
auditory vs visual input mode, cumulative vs active-passive vs free rehearsal strategy, college students, 53:333
backward-paired experience with classical conditioning, acquisition performance, male rats & rabbits, 53:2768
blank with overt feedback, response strategies & transfer, 55:3731
brief training with constant vs partial delay of reward, extinction persistence, male rats, 55:247
criterion of learning & number of lists learned, nonspecific transfer, college students, 54:327
discrete-trials/fixed interval method, discrimination training, 53:2781
feedback schedule & information, judged dissimilarity of schematic patterns, 55:6199
frequency & duration of study trial & total duration of exposure to slides of female nudes, judgments of attractiveness, college students, 55:759
learning schedules, 53:281
presentation of stimulus–response pairs, rule matrix before vs during vs after learning, paired associate learning, college students, 53:10891
previous conditioning & reinforcement history vs exhaust system conditions, control of double-alternation responding, rats, 54:7129
repetition & duration & spacing, memory for pictures, paid volunteers, 54:8880
time schedule in human relations training, learning outcomes & durability, T group participants, 55:12671
timeouts separating components in multiple schedules, performance, pigeons, 55:6312
VR schedules of direct vs vicarious reinforcement & amount of acquisition training, resistance to extinction, 2nd graders, 55:8967

Learning Theory
adequacy of stimulus-response learning models to represent finite automata vs noninitial state input-output automata, 55:3439
analysis of learning theories on neurophysical mechanisms & stress, changes in thinking processes, application in educational setting, 58:307
analysis using learning theory framework, drug addiction, implications for behavior therapy, 55:12825
application of stochastic linear learning model, patterns of TV program selection, TV audiences, 58:6746
applications of psychology of learning, understanding & rehabilitation of abandoned child of Colombian cities, 55:12809
axiomatic bases, stimulus sampling theory, 53:4305
basic concepts & theoretical approaches, O. H. Mowrer's 2-process theory of learning, book, 54:4897
basic issues in humanism-mechanism controversy & scientific explanation & overview of humanistic "logical learning theory" & research evidence, 58:6575
behavior & learning theory research & field & Gestalt theories of perception & motivation in current psychoanalytic research, literature review, 58:6536
behavior theory approach, psychological thought development, 53:8529
behavior theory, experimentation & literature review, 56:3158
behavioral formulations of depression, review & critical analysis & integration of theoretical positions, 56:10006
behavioral model, remedial treatment, learning disabled studer 53:8361
behavioral theory, impulsiveness & impulse control & review, 54:7
behaviorism vs neobehaviorism, 55:3444
behaviorist concepts & learning theory principles of neurosis, 57:12
choice times measure, confirmation of K. W. Spence's discriminat learning theory, 54:4899
classical & contemporary approaches, learning, book, 53:6620
classical & operant conditioning & learning theory models of clini depression, implications for behavior therapy, 53:9811
classical conditioning vs cognitive or motivational explanation, cov sensitization effectiveness, smokers, 53:1708
classical theories & current developments, animal learning, bo 54:2599
clinical use of operant learning approaches, 53:1732
cognitive vs behavior theory, conditioning process, 54:315
coincidence of learning theories & educational practice, development basic learning unit applicable to open education, 58:2010
combined learning theory & psychoanalytic concepts & triadic conc of J. L. Moreno & French School, "tetradic system", 53:1754
concept of reduced reinforcement in analysis & modification depression in behavior therapy, model based on learning theo therapeutic implications, 57:8709
conceptual analysis, fact vs statement learning, 53:4434
conditioned & latent inhibition in taste-aversion learning, rats, 54:
conditioned excitation of neutral stimulus, rats, test of R. A. Rescorl A. R. Wagner's linear associative learning model, 53:669
content analysis of selected educational psychology textbooks fr 1970–74, trends in application of learning theories to teachi 58:8566
contributions to learning theory & role in education & mod behaviorism, E. L. Thorndike, 54:10807
conversational theory, computerized investigation of learning comp structured subject matter with strict demonstration of understandi 57:416
cue-overload theory & method of interpolated attributes, recall retrie cues, college students, 56:5332
cuing with word meanings, word recognition improvement, coll students, test of modified version of generation-recognition theo 58:4834
current practices & methods, study of learning theories with empha on cognitive processes & material, 57:362
delayed shock as UCS taste aversion learning, male rats, implicati for generality of laws of learning, 54:692
demographic characteristics & classroom practices & knowledge learning theory & academic specialization, outstanding vs randon chosen college teachers, 55:1284
descriptive theory, structure of memory traces, 54:6816
development of instructional model, optimization of instructi 57:4355
discrimination shift paradigm utilizing conceptually related words bidimensional cues, intra- & extradimensional shifts, support for stage discrimination learning theories, 58:2687
discussion of active organism conceptions, comments on models of F. Overton & D. M. Baer & S. H. White, 58:62
double-loop learning model from action theory perspective, ad learning including effective leadership, instructors & students entrepreneurs & company presidents, application to adult educati 57:6725
equipotentiality vs preparedness theory, phobias, 56:10044
etiological models according to psychoanalytic & behavioral theor school phobia, white children, 55:10021
excitatory & inhibitory conditioned responding due to backwa conditioning, test of information theory predictions, 58:8576
experiential learning model in group counseling, self concept & scale performance, male & female incarcerated delinquents, 57:6
experimental model, development & modification of ethanol administration, alcoholics, 55:10004
features of flavor aversion learning in animals that appear to contrad traditional learning theory, 57:5072
finite automata, stimulus response models & asymptotic behavi 57:2156
formalized learning theories, lack of influence on educational practic ideology vs technology learning approach, 58:4144
frequency theory & feature analysis models of verbal discriminat learning & interstimulus intervals, differential eyelid conditioning related words, college students, 56:5318
frequency theory of verbal discrimination learning, transfer from ver discrimination to paired associate learning, Spanish-speaking coll students, 54:4583
frequency theory, verbal discrimination & acquisition & transfer retention, literature review, 53:2303
Freudian & behavioral & humanistic & transpersonal psycholog educational theory & practice, book, 54:12472
Freudian regression, experimental analog based on learning the model, preschool age children, 57:8326
generative model, cognitive model of human learning, 54:4592
goals & goal definition & treatment methods & efficacy & theoreti foundations, behavior therapy evaluation, 53:1770
hermeneutic view of curriculum process employing hierarchical "eff tor" taxonomy, observation research of teacher-student interactio 57:13573
heuristic devices & step-like procedure of P. J. Galperin's learn theory, learning to play chess, 54:4589
hierarchical learning of graphical interpretation skills, 8th grad support for R. M. Gagne's model, 54:296
human learning, review of theory & research, book, 56:5091
human learning theory & educational psychology, textbook, 57:13
hypothesis testing & continuity-noncontinuity controversy, bo 54:8850
image & classically conditioned associations, theory of instrumer conditioning, 53:11285
individual differences, all-or-none vs incremental learning controve 54:8811
information processing psychology & educational process, 54:1815
instinctivist & learning & analytic theories through cybernetic proaches & historical roots, motivation, 53:10983
instructional effectiveness of random vs logical vs ordering the generated learning hierarchies, high school seniors, 58:10358
integration or segregation of theoretical frameworks in psychia education, 57:4236
intellectual & motor skills & attitudes & verbal information vs cognit strategies, framework for viewing task analysis, 53:1874
intelligence testing objectives & learning theory, 53:7405
interpretation of learning set data, use of matrix problem & modifi tion of stochastic theory of discrimination learning, 57:9515
interruption of learning task with recognition task, stored pai associate information after varying degrees of learning, test Underwood's & Greeno's 2-stage theories, 56:7223
learned helplessness, behavioristic analysis of the Old Testament Bo of Job, 54:11519
learning & cognitive approaches to language, 53:5286
learning & conditioning & behavior theories, implications of anir studies for human learning & behavior, book, 56:1569
learning & trait & self-theory integration & application, counse education, 53:1306
learning material & theories of knowledge acquisition & instructio sequence, teaching program development, 54:4106

learning models, maximum likelihood & likelihood-ratio tests, 54:6613
learning models, obsessional compulsive disorder, 54:1323
learning principles & findings, training & development programs, 53:4198
learning schedules, 53:281
learning systems & models & theories, college textbook, 57:2465
learning theory & behavior modification techniques & issues concerning coerced therapy, prisoners & mental patients, 53:10182
learning theory & implosive therapy, treatment of frigidity, 55:5105
learning theory & measurement & validity, book, 53:6632
learning theory & psychoanalysis & cognitive developmental theory, concepts of justice, 55:9546
learning theory & scientific method, contributions of behavior therapy, 53:10158
learning theory application, establishment & persistence of phobic responses, 54:9854
learning theory, application to ESP performance, criticism of C. T. Tart's monograph, 58:35
learning theory, application to ESP performance, reply to R. Stanford's criticism, 58:37
learning theory approach, ESP research, book, 58:38
learning theory as explanation for anxiety neurosis, 55:2447
learning theory constructs of J. S. Bruner & M. Gagne & J. Piaget & B. F. Skinner, applications in classroom management, 54:4092
learning theory, counselor practicum supervision, 53:1260
learning theory, development of optimal instructional sequences in mathematics, 54:10535
learning theory model of neurosis, 56:10007
learning theory principles & procedures in behavioral group counseling, drug abuse prevention, 54:3809
learning theory viewpoint, analysis of Gestalt therapy, 57:1560
learning theory views of psychopathology & nature of behavior modification & treatment of neuroses & schizophrenia & depression & alcoholism & drug dependence & sexual disorders & child psychopathology & mental retardation, 56:2632
learning types of R. Gagne, application to learning at 4 levels of retardation, 54:7898
mathematical models of learning & their empirical tests, literature review, 56:9024
mathematical theory of instruction, application to instructional pacing & class size, 55:13116
measurement of Jensen & Rohwer's views of intellectual deficit, disadvantaged 8th graders, 54:10598
metasubjective problems of constructive cognition & forms of knowing & their psychological mechanism, 56:5265
model of learning, information processing with multiple transformations of original inputs, adults, 57:7982
motivation learning limitation & mechanistic concept of man, study of motivational psychology in educational field, 54:6160
parameterizations of Markov models for 2-stage learning, discussion of J. G. Greeno's model, 57:7264
perceptions of social environments, psychological models of learning, research on instruction & classroom learning, 54:6159
phenomenological viewpoint, analysis of Skinner's learning theory, 57:9312
phobic conditioning, laboratory analogue study for experimental treatment & research, 58:9660
physiological & self-report correlates, phenomenological & learning models of affective arousal in therapy, college students, 54:5763
prepsychoanalytic psychiatry & psychoanalysis & family communication theory & labeling & social learning theory, role of symptoms in psychopathological states, 57:8392
probability learning & mathematical learning theory, young students, 54:12573
psychoanalytic theory of resistance, application to resistances to meditation during meditation process, Ss with obsessive vs hysterical character, implications for alternative education & concept of learning, 57:10471
psychology of learning, educational practices, US, 58:10194
psychology of learning, introductory textbook, 57:4646
qualitative vs quantitative differences, learning processes, animals, 54:7094
quantitative analysis, acquisition of conditional discrimination, pigeons, 55:271
questionnaire based on Rotter's social learning theory & Skinner's operant psychology, assessment of perceptions of classroom contingencies & reinforcers, college teachers & students, 56:10716
reinforcement theory of cognitive learning, 53:4465
relative contribution of specific learning theory principles, weight reduction, obese Ss, 58:12115
schema theory, motor skills learning & performance phenomena, 54:6710
self administered rating scale & observational schedule, assessment of beliefs & practices in relation to Piagetian cognitive developmental & operant learning theories, early childhood teachers & programs, 54:8321
"set" as organizing idea for consideration of learning theories, 58:6556
similarities between 16th century theological debate & B. F. Skinner vs R. May & C. Rogers, 53:8566
Skinnerian vs Piagetian approaches to teaching classification, competency-based teacher training, 53:12385
social learning from electronic media, A. Bandura's vs H. B. & J. L. Gewirtz's theory & implications for educational technology & mass communication research, 53:5243
social learning theory framework, learning from modeling & imitation of animals, 56:7209
social learning theory, implications for understanding adolescent development, 58:11410
S-R learning theory of J. Dollard & N. E. Miller, dynamic structure & development of personality & psychopathology, 55:3432
stimulus differentiation training with vs without feedback, hypothesis sampling systems, preoperational vs concrete operational kindergartners, 56:495
stimulus distortion, Piaget's conservation of number paradigm, normal & educable mentally retarded kindergartners & 1st graders, extension of discrimination-learning theory based on stimulus intensity as mechanism of cognitive development, 53:876
stimulus-specific learning rate parameter, associability of stimuli with reinforcement, theory of selective attention, 54:6802
structural organization & processing & coding information, generative model of mathematics learning, implications for teaching mathematics, 58:11026
structural specificity of semantic memory & experimental replication with different material & new variable, complementary relationship between H. P. Bahrick's theory of associative continuity & E. Tulving's theory of encoding specificity, 58:324
systematic application & teacher implementation, behavioral analysis in elementary & secondary schools, book, 54:1886
task-induced learning algorithm, erosion effect on nonverbatim learning, 19–36 yr old students, 57:403
teaching process vs evaluation procedure in educational research, discussion of Skinner's & I. Illich's learning theories, 53:3922
theoretical basis, individualized instruction model, 53:12431
theoretical basis, instructional device of "solution & dilution," application to nurses' training program, 54:5383
theoretical behaviorism, contributions of elaborated work of learning theory movement to active organism concept, 58:71
theoretical survey, principles of human learning & memory, book, 56:3406
theories & new trends in study of human learning, book, 58:11023
theories of imitation learning & role of cognition, infants, 56:9683
theories of learning, introductory textbook, 56:5089
theory & concepts & applications, operant conditioning & behaviorism, 54:48
theory & principles, operant conditioning, book, 54:47
theory & research methodology, aversive conditioning in alcoholism, 53:3723
theory of learning with sensitization as basic construct, neurophysiological processes in conditioning & sensitization, 58:2431
time constant learning curve model describing performance improvement in repetitive tasks, transfer function models, 58:2305
time spent in learning, differences in learning achievement, discussion of learning mastery instructional approach & human variability, 57:11414
trends in behavior theory & fundamental questions, 56:3163
universal functional education, functional approach in mathematics & science & approach benefits in elementary education, book, 57:9021
validation stages of learning hierarchy, support of F. Gagne's postulate, 53:2364
visual vs auditory modes of presentation, paired associate learning, 3 vs 8 yr olds, comparison of cognitive developmental & learning theories, 57:7922
Y maze & place learning, garter snakes, 54:4920

hyperthermia, prenatal retardation of brain growth & learning capacity, guinea pigs, 53:11085
implications of state-dependent learning for process of becoming addicted & addict treatment & taking prescribed medications, 54:5879
individual differences in field dependence, learning & memory, literature review, 56:6077
individual differences in neurochemistry, measurement of learning behavior, animals, literature review, 58:9004
information theory, learning & memory, 56:9225
information-processing model of learning, problems of learning disabled child, 58:5615
input order & grouping presentation, organization in free recall learning, college students, 54:4569
integrated learning strategy program emphasizing connection technique employing questions & answers, 55:10745
integrated learning strategy program emphasizing connection technique employing visual imagery, 55:13130
inter- & intracellular mechanisms, learning & memory, literature review, 58:9002
interpersonal challenge, experiential interpersonal style learning, 54:7441
item difficulty & familiarity & trial & error method & hesitation & interference & quantity of material learned, negative acceleration of learning curves, 54:10987
lack of vocabulary & use of tactile-kinesthetic & tactile-motor means of communication, learning behavior, deaf-blind children, 54:6330
learning & animal learning & learning & behavior modification, textbook, 57:4983
learning & behavioral plasticity & modification of learning through environmental interaction, protozoa & coelenterates & turbellarians & annelids, book, 56:202
learning & conditioning research, resistance to rehabilitation applications, rehabilitation personnel, 58:6602
learning & instruction, book, 53:1872
learning & memory, introductory textbook, 56:1783
learning & memory, pain, 56:2119
learning & plasticity & behavior modification through environmental interaction, arthropods & gastropod mollusks, book, 55:11548
learning model, recognition of patterns having multiple meanings due to ability to grasp situation, 54:2015
learning model, signal detection theory–temporal invariance of learning parameters, 55:5956
learning processes & motivational structures & psychodynamics, determination of therapeutic goals of learning, psychiatric patients, 53:5835
learning strategies, literature review, 54:4570
learning strategies, review & synthesis of psychological & educational research, 56:10698
learning systems & models & theories, college textbook, 57:2465
lifelong learning, curriculum development, research project of United Nations Educational Scientific & Cultural Organization, 55:5487
locus coeruleus & alterations in phosphorylation within cerebellum, learning & memory of movements, implications for P. F. Gilbert's model, 56:1818
locus of control & length of illness, disease related learning & disease control problems, 25–60 yr old diabetics, 56:6269
long-range value of token reinforcement, behavior change & learning, 53:7966
marginal learning set formation, crows, 54:4903
marihuana smoking, learning & attention & time estimation, young adult male volunteers, 53:6880
mathematical interpretation, levels of learning, 53:6621
mathematical model using learning & fatigue components, analysis of the Uchida-Kraepelin Psychodiagnostic Test work curve, 55:3532
mathematical models & Markov chains, learning & conditioning, 53:4417
mathematical models of learning & their empirical tests, literature review, 56:9024
microwave radiation & dosage, discriminative performance & behavior acquisition, male rhesus monkeys, 55:2011
modalities of intellectual activity, acquisition of knowledge, 4th graders & college students, 53:8802

model biological systems & more or less intact behaving animals as research strategies, nature of engram as set of physical processes & changes in brain that forms basis of learning, review of literature, 57:553
model of intracellular regulation of synaptic connectivity, cellular mechanisms of learning & memory, 58:11132
models of different forms of learning in connection with problem solving computer programs, 57:348
modification of teaching styles of mothers, effects of task arrangement on match-to-sample task performance, preschool age retarded children, 57:13001
neural mechanisms of learning & memory, book of papers, 56:7403
neurophysiology of learning, review of electrophysiological studies of invertebrates or simple vertebrate preparations, 54:2381
nicotine, discrimination learning & consolidation & learned behavior, inbred strains of mice, 58:9110
nonverbatim learning, theoretical & methodological notes, 56:9219
odors & generality of discrimination & cue effects & pheromonal effects & agonistic postures, performance on appetitive learning tasks, animals, literature review, 53:4827
order of presentation of complex stimulus components, perceptual learning, assembly operators, 54:4510
orienting reflex, reinforcing properties during learning task, elementary school students, 55:8893
perceptions of learning of task, college students as actors vs Os, 54:3033
personal & interpersonal & intellectual & emotional aspects, motivation & learning experiences, implications for school environment, 55:12963
pharmacological observations, role of hippocampal & autonomic pharmacology in performance & learning, 54:4711
physostigmine, learning & memory, stable & labile 23 yr old, 57:5392
pituitary peptides, motivational & learning & memory process, 57:5313
play & learning interrelationship, book, 56:5741
positive & negative consequences & orienting responses, discrimination learning, children, 55:3732
predictive validity of linear change vs functional learning model, learning on response continuum, college students, 56:9022
preexposure to nonattended stimulus, subsequent learning & latent inhibition, college students, 54:321
preshift training & type of shift & temporal factors, stimulus organization, college students, 54:4586
principles & research, animal & human learning, book, 54:324
procedures & results & analysis, animal learning & conditioning book, 53:11296
protein synthesis, bases of learning & memory, 54:2427
psychoanalytic conceptualizations of dynamic & genetic & economical & structural & adaptively defined behaviors within learning perspective, 54:10992
psychological aspects, learning & memory, adults, review, 55:11878
psychological &/or biological problems & issues surrounding learning paradigm, reports of workshop on Behavioral & Physiological Definitions of Learning, 54:8829
psychology of learning, introductory textbook, 57:4646
punishment & high- or low-value reinforcement, 2-choice discrimination learning, 4th & 5th graders, 53:828
qualitative vs quantitative differences, learning processes, animals, 54:7094
quantitative & qualitative changes in macromolecular metabolism of neurons, learning & memory, literature review, 54:451
repeated exposure to stimulus, learning & affect, 53:8797
response-contingent vs response-independent social stimulation as operant associative learning, infant vocalization rates, 81–103 day old infants, 54:4988
retention of learning during metamorphosis, crested-newt larvae, 53:698
serum uric acid as biochemical factor, learning, 55:9169
sex role learning, symbolic representations of time, 18–22 yr old naval trainees, 54:9683
social isolation & strain differences, genetic effects on behaviors related to solution of detour learning task, purebred lines of quail, 57:7640
social vs nonsocial stimuli, attention & learning, psychotic children, 53:11852
socioeconomic status & sex, performance on Piagetian-based tests measuring simple & complex learning & language & short & long term memory & intelligence, 5–6 yr olds, support for operativity as measure of cognitive functioning, 57:12526
spatial learning & progressive exclusion, dogs, 55:11554
statistical properties of length of 1st run of incorrect responses in learning process, implications for effects of drugs on learning process, 57:9399
stimulus & environmental preexposure, subsequent learning, kindergartners & male rats, 56:1873
stimulus pre-exposure, latent inhibition in subsequent learning, literature review of deleterious effects & new hypothesis, 58:366
superordinate vs coordinate topic sentence & presence vs absence of superordinate retrieval cue & grade level, learning & retention, 3rd vs 5th graders, 54:4992
tabular classification of 2-item conditional connections in learning, 57:4968
task format & presentation order of 2 structurally related learning tasks, degree of learning of mathematical group structures, graduate students, 55:11469
teacher & parent behavior, motivation for lifelong learning & achievement motivation & emotional stability, 4th-yr primary school students, West Germany, 54:10456
temporal separation between trials, double alternation learning, monkeys, 54:7132
test development & validation, intelligence measured by information acquisition & creative problem solving, adults & 10–11 yr olds, 58:4651
theories & new trends in study of human learning, book, 58:11023
time of day, circadian rhythms in tactile & visual discrimination learning, octopus, 54:2421
training to associate optical patterns with spatial relations, birds, 58:2748
training to swim upright, leucine transfer RNA of brain, goldfish, 55:344
transcendental meditation, anxiety & decision making related discriminative capacity & attention & resistance to environmental stress & efficient nervous system activity & enhancement of learning efficiency & job adjustment, 54:10714
transcortical polarizing current, electrophysical & behavioral effects compared with those in learning, rats, 56:1979
transfer suppression phenomenon, reversal-learning proficiency following discrimination learning-set formation, rhesus monkeys, 53:4802
true hypothesis behavior estimation from inconsistent response patterns, discussion of B. R. Williams's model, 53:4435
true hypothesis behavior estimation, probability of cue-defined choice combination in M. Levine's method of blank trial probes, 53:4470
uncontrollable vs controllable shock on choice RT task, learned helplessness, college students, 54:353
visual field of presentation & stimulus characteristics, visual discrimination learning, college students, 54:329
within-stimulus & extra-stimulus prompting, discrimination learning, autistic children, 54:3348

Leary Interpersonal Check List

self evaluation vs evaluations made by immediate family members using Leary Interpersonal Checklist, patients in psychiatric treatment center, 56:2484

Least Preferred Coworker Scale

cognitive complexity, least preferred coworker leadership style, male middle- & upper-level managers & civil service engineers & college & business graduate students, 53:2078
dimensional analysis, least preferred co-worker scales, tax examiners & US Marines & British managers, 53:4136
factor analysis & retest reliability, Least Preferred Coworker scales, 56:1645
German version of Leader Behavior Description Questionnaire & Least Preferred Coworker scale, test of F. Fiedler's contingency model of leadership effectiveness, West German Army groups, 53:8501
integrative factor analysis, tests measuring leadership orientations, male employed part-time college students, 54:3168
leader's cognitive complexity, opinion of least preferred coworker, adults with industrial experience, 55:8508
leadership style measured by least preferred coworker score, leadership training effects on group performance, non-ROTC & ROTC college students, support for contingency model analysis, 54:995
Least Preferred Co-Worker Scale, prediction of leadership effectiveness, 58:9449
Least Preferred Co-worker score & group climate, group performance, insurance company personnel, test of F. E. Fiedler's model of leadership effectiveness, 55:13725
least-preferred coworker score & psychological measures, subordinates' satisfaction with manager, managers, 53:8503
personality & situational determinants, leader behavior in 3-person groups, test of F. Fiedler's interpretation of least preferred co-worker, 53:12733
stability & interpretation, Fiedler's Least Preferred Co-Worker Scale scores as measure of leadership style, 54:6486
success vs failure & leaders' least preferred coworker scale score, group member reactions, female high school students, 55:2354

Lecture Method

academic aptitude & locus of control & anxiety & social desirability, academic performance in personalized vs lecture instructional systems, male vs female students, 56:8732
academic discipline & professorial rank, attitudes toward effective teaching in lecture-discussion course, faculty, 55:13072
access to taped summaries of week's lecture, midterm & final examination scores, junior nursing students, 55:2887
adjunct questions & lecture vs review & question conditions, relevant & incidental learning, college students, 55:10748
amount & distribution of study, F. S. Keller's Personalized System of Instruction vs lecture course, college students, 53:6141
auto-instructional vs traditional classroom lecture methods of instruction, cognitive & affective learning outcomes, graduate students, 55:13219
behavioral vs lecture-discussion approach, premarital counseling, engaged couples, 58:12215
case study vs lecture method, teaching principles of management, college students, 55:5536
classroom lecture simulation, serial position & isolation effects in learning, graduate students, 56:2866
computer-managed individualized behavioral objective instructional units vs lecture-demonstration methods, achievement in geometry, high school students, 55:3031
content & operational & organizational aspects, student summaries & representational diagrams of instructor lectures & text readings, 54:8400
cooperative group interaction vs frontal teaching vs independent learning, teacher attitudes & student achievement, review, 58:6197
course content & lecture vs group discussion method, attitudes toward student-teacher relationships, college students in educational psychology course, 55:8035
descriptive &/or explanatory lecture method & accompanying picture & question & key point & topic title outlines, assimilation of complex verbal content, secondary school students, 57:11314
educational set & subsumption theories & sequencing of receptive lecture materials, learning & retention, college students, 57:4338
elementary music methods classes using teaching techniques of contingency-managed instruction &/vs lecture discussion vs independent study, course attitudes & achievement & teaching skill performance, college students, 58:2048
essay vs multiple choice response modes to lecture material, performance reflecting knowledge & comprehension & application & analysis, college students, 57:6810
expert speakers on legal vs pharmacological vs sociopsychological effects of drug abuse, drug attitudes & knowledge, 10th graders, 58:4220
expressiveness of lecture delivery & variation in substantive teaching points covered & incentive to learn offered before vs after lecture, validity of instruction ratings, college students, 55:8285
flip book vs lecture & discussion vs group discussion method effectiveness, agricultural information dissemination, respondents from Nepalese villages, 54:6442
game vs lecture methods & mediation by cognitive/conceptual orientations, positive attitude change toward urban poor, white high school students from large metropolitan area, 55:12667
group size & lecture vs structured vs unstructured discussion, drug usage attitudes, US Army basic trainees, 54:12546
guided self instruction vs conventional lectures in neuroanatomy, medical students, 58:10112
human relations training through structured group laboratory vs group counseling vs traditional classroom lecture, development of & changes in interpersonal attitudes & personality, preservice teachers, 57:11268
humorous lectures including related &/vs unrelated humorous examples, immediate comprehension & retention, college students, 58:6225
individualized vs lecture-discussion modes of instruction, mastery of course objectives & self reported tendency to facilitate self directed classroom learning, preservice teachers, 55:10678
instructional pace of lecture, attentiveness, college students, 55:8034
laboratory vs reading-lecturing vs audiovisual teaching methods, science education, 6th graders, 56:2845
learning modules & classroom lecture, acquisition of 2 counseling strategies, students in introductory counseling courses & counselor trainees, 56:1247
lecture & written handout alone vs with videotaped model vs practice, decision making counseling, counseling graduate students, 58:4126
lecture demonstration approach to individualized teacher instruction, science teachers, 55:5434
lecture method, concept mastery, medical students, 56:6592
lecture method vs programed instruction, achievement, adult students in short concentrated management courses, 55:7998
lecture method vs self paced instruction & exam frequency & grading methods, academic performance, college students, 55:10802
lecture method vs small group teaching & media teaching, active student involvement & enhanced content & social learning & improved university student–faculty relationships, West Germany, 54:4075
lecture only vs lecture/laboratory biology instruction, achievement & attitude toward science, community college students, 58:12491
lecture seduction & content coverage, lecturer ratings & test performance, college & graduate students, 56:2916
lecture style, validity of instructor competence evaluations, college students, 56:4841
lecture vs F. Keller psychology course, achievement, college students, 53:12398
lecture vs independent study combined with small group discussion v audio-visual methods in sex education, knowledge gain & attitud change, college students, 56:10655
lecture vs lecture & reading vs lecture & reading & model presentation in counselor restatement training, verbal behavior change, fema student counselors, 55:5367
lecture vs lecture plus active participation in group learning experienc awareness of feelings & behaviors of children with learning disabil ties, teachers & parents, 56:4796
lecture vs personalized instruction, achievement & anxiety, colleg students, 56:6723
lecture vs programed instruction, mental factors & thinking intere factors & algebra success, college students, 56:2849
lecture vs reading study methods & method preference, comprehensio of verbal material, college students, 57:13713
lecture vs readings vs model presentation components of trainin program & Ss' need for social approval, verbal behavior chang female counselor students, 57:11140
lecture vs slide-tape method, physical fitness instruction, colleg students, 58:6229
lecture vs small group method, knowledge & attitudes about alcoh usage, workers from community mental health centers, 56:2714
lecture with independent group projects vs group enounter, self esteer & reduction of alienation from US society, college students wit Asian ethnic backgrounds, 55:10836
lecture–discussion vs independent study, factual context acquisition attitudes & student motivation & satisfaction & classroom climat college students, 53:6140
lecture-discussion vs self pacing teaching methods & aptitude, learnin & retention, female college students, 56:6718
lecture-laboratory vs audio-tutorial method for teaching biolog achievement & attitudes, nonscience major college students, 55:14
lecture-laboratory vs lecture-lecture vs lecture-research-discussio methods & weekly vs midterm-final testing, achievement & evalu ation of course, college students, 56:2857
lectures about women's roles vs participation in consciousness-raisin groups, career & homemaking interests & personality & femini behaviors, female nursing students, 55:4433
lectures varying in substantive teaching points & seductiveness satisfaction ratings & achievement test performance, college graduate students, 54:1893
lectures vs requests vs teacher praise vs access to play area contingen cies, increasing creativity in written stories, 4th–6th graders, 55:1077
live vs filmed lecturer using vs not using nonverbal expressive behavio attitudes toward instructor performance, college students, 58:6246
locus of control & expository vs discovery teaching method, retention transfer of science principles, 9th graders, 55:13129
mastery vs lecture-discussion teacher education programs, 53:1917
modeling vs lecture instructional procedure, verbal behavior, clients i vocational counseling, 58:10670
noncredit lecture course in human sexuality, precursor to regular cours at colleges, 57:11316
note taking vs listening only during lecture & review & immediate v delayed testing, retention of information, college students, 55:613
notes & lecture rate & informational density, memory for lecture college students, 54:4054
optional vs mandatory brief prelecture quizzes, performance o regularly scheduled tests & class participation & student evaluatio of lectures, college students, 57:11369
participation of parents in lecture-oriented vs goal-directed vs group centered intervention group, attitudes toward childrearing practice & subsequent adolescent self esteem, parents of 8th graders, 55:308
personality & cognitive variables, prediction of achievement usin traditional lecture approach vs individualized instruction, students i high school biology, 57:13806
personality traits & Individual Paced Instruction vs Lecture-Discussion Demonstration methods, academic achievement, college students 56:4771
programed self instruction vs tutored programed instruction vs lecture discussion methods, teaching basic algebra, 56:2889
radio quiz show for delivery of useful information to parents vs tape lecture, college students, application to home-based programs 57:13769
school-based or peer microteaching vs observation & lecture-discussio treatments, acquisition of questioning skills, prospective teachers 55:13067
self instructional basic psychiatry course vs traditional lectures, learnin outcomes, medical students, 57:11161
serial position & list length, immediate recognition of classroo instructional material in lecture form, college students majoring i elementary education, 55:202
short term training utilizing programed instruction with genera relationship improvement program vs traditional subject matte lectures vs on-the-job experience only, helping relationship respons modes, rehabilitation workshop paraprofessionals, 58:1892
simulation gaming & modified lecturing, open-mindedness, colleg students, 55:8066
simulation vs lecture-discussion teaching method, cognitive retention affective perception of learning experience, high school histor students, 55:8087
small group discussions vs large lecture groups & instructor vs S se course content, personal learning & personality changes, educationa psychology, 57:1918
specificity & position in lecture of written instructional objectives intentional & incidental learning from audiotaped lecture, colleg students, 58:6243
specificity & position of written instructional objectives, intentional incidental learning from lecture, 58:8268
student-centered vs traditional lecture-discussion teaching methods academic performance & self concept, college students in chil psychology course, 56:6735
teacher vs self paced group vs traditional lecture-discussion group written vs oral evaluation groups, examination performance withdrawal rate & long term retention, college students, 58:1027
teacher-centered vs class-centered vs self directed teaching approaches learning accomplishment & satisfaction, high school students 56:2861
teacher-dominant vs student-dominant teaching methods, class perfor mance, introverted vs extroverted high school students, 55:7983
teacher-student verbal interaction, critical thinking ability & achieve ment, college students in introductory biology course, 55:1476
teaching methodology in large lecture classes, objective examinatio scores, college students, 54:8360
teaching style, attitudes toward extension education, students in schoo of agriculture, 58:12520
teletutorial instruction vs conventional lecture method, achievement attitudes & personality & preference for learning, college students i teacher education program, 57:13770
topic statements vs details vs extraneous remarks, recognition memor for classroom lecture statements & verbatim & meaning aspects college students, 58:2698
traditional lecture-examination teaching method vs individualize instruction, performance on multiple choice vs short answer vs essa tests & attitudes toward method, college students, 56:2870
traditional teaching vs learning modules, academic achievement, colleg students, 56:1378

videotaped lecturing &/vs modeling, teaching to correctly choose behavioral categories of praise & ignore & timeout, college students, 56:4491
written vs lecture vs videotaped presentation in parental training, knowledge of time out procedures, mothers of 1–10 yr olds, 54:1685

Leg (Anatomy)
deafferentation of left hindlimb, kinematics of locomotion, cats, 56:9526
endurance running, dynamic muscular leg strength measured by Cycling Strength Test, military conscripts, 57:7314
lateral dominance & explosive strength of lower limb, 15–17 yr olds, 57:11883
leg strength & body movement speed, 6th & 7th grade boys, 58:249
unilateral hindlimb deafferentation, locomotor recovery, cats, 58:4994

Legal Arrest
age & race & occupational status & incarceration record, type & severity of postarrest dispositions, arrested males, application of L. A. Goodman's log linear analysis, 57:10518
aptitude & prior schooling experiences & arrest history & personality characteristics, degree of volunteer participation in longitudinal survey, enlisted students at US Naval school, 56:3982
arrest & conviction records & drug usage history & formal education & irrelevant formal examinations, employment & hiring-discrimination, exaddicts & exoffenders, 58:6468
arrest & juvenile court treatment & institutionalization, violation of civil rights of girls, delinquents, 53:3376
arrest histories & family characteristics, juvenile delinquency patterns, black urban-born males & their 17 yr old & older children, 54:3395
arrest rates & crime & violence, patients discharged from psychiatric hospital, implications for aftercare, 57:1402
arrest rates for serious & minor crimes, test of displacement vs dragnet hypothesis of police behavior, 55:12045
arrest rates 1 yr prior to vs after admission for treatment, 21–25 yr old male drug addicts, 58:6056
assignment to nonaddict vs ex-addict counselors, retention in program & drug use & employment & arrest rate, heroin addicts, significance for counselor training, 57:11069
average gain & probability of arrest & conviction, number of crimes & criminal behavior, implications for crime control programs, 56:6211
biasing influences on drug arrest records, implications for deviance research, 54:9472
biological & psychological & sociological variables, violent vs nonviolent criminal arrest rates, discharged alcoholic vs nonalcoholic psychiatric patients, 58:12234
childhood bereavement, adult emotional distress & major illness & divorce & arrest-conviction, test of behavior disorder hypothesis, 57:6048
community-based evaluation & treatment program, disposition & rearrest patterns, White male 18–71 yr old offenders, 2-yr followup study, 57:4141
crime & demographic variables, prediction of recidivism & seriousness of rearrest, male delinquents, 58:1360
criminal patterns, nonprostitute vs prostitute female narcotic addict arrestees, 53:3381
crisis intervention counseling, rearrests & use of probation services & days detained & costs & family satisfaction, 1st & 2nd time juvenile offenders, 57:1758
cumulative arrests during 1964–73, male vs female psychiatric patients admitted to state hospital vs general population, Wyoming, 58:3431
detoxification centers, number of arrests for public inebriation, Canada, 55:12821
education & experience level & age, number of arrests, police officers, 53:4209
empirical analysis, experimental pretrial release program for arrested indigent defendants, 54:3882
examination of factors influencing decision making processes at initial police contact vs juvenile probation department vs juvenile court levels of juvenile justice system, 58:1002
federally funded Alcohol Safety Action Project, change in drinking behavior, individuals arrested for driving while intoxicated, 58:1819
frequency of arrest charges, male felony defendants found incompetent to stand trial vs all felony arrests, 54:1391
legal principle of discretion as basis of interaction of social psychology in criminal justice system, selective review, 56:3931
legal stigma, career deviance, labeled homosexuals, 54:916
methadone vs drug-free treatment, arrest & conviction & incarceration rates & correctional status during pretreatment vs intake vs postintake periods & employment rates, drug treatment clients, 58:6055
problem drinking symptoms & problems, high-risk problem drinkers arrested for driving while intoxicated, 55:7029
psychopathy, excretion of adrenaline & noradrenaline in real stress of court trial & laboratory simulation, arrested males, 58:7701
relationship between opiate use & criminality, incarcerated detoxification candidates, 54:9954
short term effects of reinforcement contingency management system, chronic public drunkenness offenders, 54:10240
uniformity of juvenile arrest definitions & operations, police chiefs & clerks & officers from rural & suburban & urban police stations, 54:7397

Legal Detention
Canadian Criminal Code & fitness hearings & detention without judicial hearing, mentally ill defendants, 58:7374
empirical analysis, experimental pretrial release program for arrested indigent defendants, 54:3882
jailing & detention & characteristics of facilities, juveniles, 54:8237
length of pretrial detention & crime severity & juror attitudes, simulated jury decisions, 55:4417
personal characteristics & attitudes, discretion in petty theft & malicious mischief dispositions with juvenile offenders, police personnel, 55:665
probation vs detention, recidivism, male juvenile offenders, 53:6036
problems in application of treatment of preventive detention programs, Patuxent Institution, 56:4599

Legal Processes [See Also Adjudication, Adoption (Child), Commitment (Psychiatric), Expert Testimony, Incarceration, Legal Arrest, Legal Detention, Legislative Processes, Parole, Probation]
accuracy & reliability & right to privacy, legal & social problems in computerization of hospital records & Automated Multiphasic Health Testing, 54:5389
adjudicator activity & trial outcome & Ss' role in social structure, reactions to adjudicated conflict resolution, US vs French college students, 58:3227
admission of minority vs nonminority students to law school, summary of Justice Douglas's minority opinion, 55:662
adolescent developmental psychology, implications for consent to treatment & psychiatric hospitalization & court's role in assuring adequate treatment in residential psychiatric facilities, 58:4010
age & race & occupational status & incarceration record, type & severity of postarrest dispositions, arrested males, application of L. A. Goodman's log linear analysis, 57:10518
age & sex differences, knowledge of & attitudes toward law, urban vs suburban vs rural 6th vs 9th vs 12th graders, 55:8236
age restrictions & perceived degree of pornographic content, evaluation of pornographic material, male college students, support for commodity theory prediction, 53:12617
aggressive behavior, 45 yr old male diagnosed as having bipolar affective disorder, implications for legal meaning of dangerousness & consequences of criteria for involuntary hospitalization, 58:3441
alternative types of family formation, legal consequences, 56:2236
American Bar Association's activism program insuring legal services to mentally disabled citizens, 54:11634
analysis of 1975 Supreme court decision in O'Connor v. Donaldson, implications for right to treatment ruling, 58:8115
application of judicial concepts to educational evaluation, improvement of evaluation practices in education, 56:2777
attitudes toward & reactions to procedures involved in legal inquiries of suicides, surviving spouses of suicide victims, 57:3127
attitudes toward capital punishment, assignment of death penalty, college students, 54:1055
attitudes toward components of legal & judicial systems, male prisoners in 1st days of incarceration, 58:8057
attitudes toward crime & punishment, psychological basis of legal system, 56:595
behavior modification in public institutional programs, legal problems & trends & annotated table of relevant court cases, book, 57:3939
behavioral jurisprudence, 55:8596
behavioral science application, jurisprudence, review, 55:12142
case of Kremens vs Bartley, challenge of parents' right of involuntary commitment of their children to institutions for mentally ill or retarded, 57:10151
case of Kremens vs Bartley, legal protections for children prior to commitment to mental institutions, 57:10155
case of Kremens vs Bartley, state's arguments for preservation of parents' rights of commitment of their children to mental institutions, 57:10172
cases involving clients with brain or neurological damage, guidelines for lawyers, 58:1467
changing characteristics & size of offender population, alternatives to incarceration, female offenders, 54:3865
changing laws concerning patients' rights & professional dilemmas, ECS treatment without permission, 43 yr old severely depressed suicidal patient, 58:6116
child abuse recognition & treatment & prevention, book, 58:3538
child advocacy, school psychology training & practice, 53:1287
children's rights & welfare in psychiatry & law, discussion of symposium, 56:1265
civil & due process rights of mental patients, law & procedures at hearings concerning further retention of mentally ill patients, role of psychiatrists & attorneys, 54:5361
civil commitment & legal rights, mental illness & retardation, volume 1, book, 53:1469
civil liberties vs mental health care, imposing treatment & punishment in court clinic setting, juvenile delinquents, 54:3876
civil malpractice & drug therapy & commitment & undue influence & transference & criminal conduct, risks involved in psychiatric practice, 53:5387
claim of sexual advance by former therapist, psychological & ethical & legal issues, patient in brief psychotherapy, 55:7504
clinical & social variables, differentiation of suicide & open & accident verdicts, cases presented to Brighton coroner, England, 57:6063
collaboration between social casework & legal aid, 54:10324
collaborative programs between community mental health centers & criminal justice system, resolution of problems in criminal justice system, 57:11005
conceptual framework & research methodology, rehabilitation institute on attitudinal & legal & leisure barriers to disabled, 57:11058
conflict & interactionist & organizational perspectives on criminal justice, presentencing process, 55:6980
conflict resolution & social control, support for adversary system, Japan vs US, 54:5099
consitutional rights of civilly committed nondangerous mental patients, US Supreme Court ruling in O'Connor vs Donaldson, impact in states, 57:1108
constitutional considerations, predictions of "dangerousness" by psychiatrists as criterion for involuntary civil commitment, 55:9643
constitutional ramifications of enforced treatment & rights of institutionalized, 54:942
consumer impressions & expectations resulting from advertising vs legal analysis of advertising message, control of deceptive advertising, 54:1069
continuing litigation & growth in numbers of right to treatment suits, 56:2735
contributions of former Supreme Court Justice W. O. Douglas, provision of equal educational opportunities for severely & profoundly handicapped, 56:6820
control vs treatment model of administration, staff's decision to continue vs terminate indefinite commitment, psychopaths in mental hospitals for criminally insane, 54:5544
controversial issues related to patients' rights & their interpretation, 57:8129
cooperation between local court system & mental health consultants & community mental health agencies, reduction of involuntary commitments to mental hospitals, 57:11025
coroner's officers & pathologists, influence on suicide verdicts in cases of unnatural death, 56:10485
court decisions, delivery of social services in state mental & penal institutions, 55:4416
court review of foster care status, foster children in 2-mo voluntary placement, 54:5114
creation & application of delinquent labels in juvenile justice system, Manchester, New Hampshire, 55:12464
crime & response of judicial system, United States, book, 53:7686
criminal justice–mental health systems intercommunication, implications for staff trainings & therapeutic procedures, 53:7230
criminal process & mental disorder, report of Law Reform Commission of Canada, 57:10535
criminal process problems, mentally ill offender, 58:7382
current medico-legal issues & conflict between medical paternalism & health consumerism, 54:9804
current trends & problems, forensic psychiatry, 53:11789
"dangerousness to others," legal–public policy & mental health concerns in civil commitment of mentally ill, 54:3970
decentralization of forensic services, mental health service availability to persons in criminal justice system, 58:4030
defense strategy & race & criminal history & demographic characteristics, variance in felony sentence length, state penal system convicts, 57:10159
definition & medico-legal aspects of automatism, 56:2745
determination of continued dangerousness of sex offenders committed as dangerous, observation by legally trained O, 55:9640
development of legal theories in child advocacy, 57:8123
development of model of components in decision making process of consent or refusal of psychiatric treatment, patients, 58:5756
disciplinary distinctions & demographic characteristics & mother/father equity, criteria employed in child custody legal proceedings, lawyers vs psychiatrists vs psychologists vs social workers, 58:5266
divorce & child custody decisions in middle class families, reply to publication by Goldstein & Freud & Solnit, 57:8114
double standard treatment in American juvenile correctional system, transactional analysis, female juvenile delinquents, 55:954
drawing up of recommendations for legal practice & court proceedings in custody disputes, suggested guidelines for child psychologists, 56:1277
drug addiction treatment & rights of psychiatric patient to pharmacotherapy & use of antipsychotic drugs on criminal offenders' symptoms, legal implications in psychopharmacology, 57:8784
early education & behavior modification & legal rights, mentally retarded, 53:6204
empirical analysis, experimental pretrial release program for arrested indigent defendants, 54:3882
empirical problems, utilization of insanity defense, lawyers, 56:594
erosion of individual rights during conflict with groups & institutions, 57:10061
estimating degree of alcoholic intoxication for use in court testimony, 54:5126
ethical & legal accountability, behavioral engineering, 55:12861
ethical & legal considerations of research concerning children believed at high risk for schizophrenia, 54:5446
ethical & legal dilemmas, psychological assessment & client rights, applied psychologists, 54:3228
ethical & legal issues, new techniques, sexual dysfunction treatment in social work, 54:3906
euthanasia, legal considerations, Canada, 58:3171
executive vs judiciary control of correctional system & community- vs university-based prisons, 53:7171
expectations of trust, belief in Senate Watergate Committee, college students, 56:2239
experimental & observational data banks & specific experimentation for production of expert evidence, forensic psychology, 58:3225
family-centered consultation program of court clinic to juvenile court, 57:11008
federal & state legislation & judicial decisions, privacy, implications for school counselors, 55:7803
forensic psychiatry, subspecialty of psychiatry & application to legal issues for legal rather than therapeutic purposes, 54:5694
functions of "living wills", personal instructions for care in case of terminal illness, 57:1712
goals & procedures & system & client needs, role of lawyers vs mental health professionals, 53:7222
group dynamics in criminal cases, German courts, 55:4415
growth of psychiatry in 19th century & relationship to legal medicine & medical law, 56:958
heroin maintenance programs & legal implications, Britain, 56:2707
historical & philosophical & legal antecedents, right to treatment vs personal liberty, 53:10342
historical background & current court trends, interparental child custody disputes, 57:10153
historical development & recent trends, law & psychology relationship, review, 56:9779
history & legal issues & current status, psychosurgery, 1935–1973, 54:8176

praise vs knowledge of results vs free time vs teacher attention, length of pace in classroom & on special course & head orientation, blind preschoolers, 57:13962
predictions about life-styles & leisure time use & economic security in year 2000, aged, 54:865
preretirement education, learning & adjustment, aged, 53:9318
problems of innovation in interdisciplinary programs & multi-institutional research project, school buildings for leisure & school activities, 57:4271
questionnaire content & personal variables, job- & leisure-related changes due to 4-day workweek, predominantly white-collar employees, 53:12595
questionnaire data, analysis of mental health in work & family & leisure, married & unmarried & divorced or widowed employed females, 55:7221
recreation & leisure, rehabilitation for handicapped & disabled, 58:10082
recreational activities & institutionally based leisure program & teaching of selection skills, leisure activity behavior, institutionalized multihandicapped retarded Ss, 58:12237
reinforcement vs teacher instruction, constructive utilization of free time for vocational exploration, 5th & 6th graders, 55:11020
relationship of self concept to reading achievement, school attendance behavior & leisure reading, 7th graders reading below grade level, 57:4373
release time from classroom vs free time in classroom as reinforcement, reading achievement, 4th graders, 58:10288
role of leisure, family relations, 54:5049
segregated recreation programs for disabled, guidelines for maximizing transfer benefits & preparation for integrated environments, 57:10409
self reported health behavior & attitudes, 12–17 yr olds, 56:968
sex differences in role orientation & utilization of leisure time, impact of hospitalization on posthospital social adjustment, Worcester Scale of Social Competence, psychiatric patients, 53:10376
social psychological thinking, potential problems in family vacation travel, 54:5050
socioeconomic characteristics, leisure behavior patterns, residents, lower Brazos Valley, Texas, 55:12060
sociological analysis, tourists & tourism & new theory of leisure class, book, 57:5629
sociology of leisure, 54:11610
study & measurement & interpretation, leisure, book, 53:2959
traditional vs dual-career families, self perception & interests & leisure time activities, husbands & wives, 57:8105
trait & implicit personality approaches, research developments & theoretical relationship between personality & leisure, 57:1255
treatment team approach in therapeutic community, preparation for utilization of solitary free time, mental health center patients, 54:3951
values-oriented career & leisure counseling, leisure attitudes & preferences & self concept & career preferences, 11th graders, 58:2247
work & leisure activities, families in London area, book, 58:11591
work-leisure orientations, predictions of involvement in sports on behavioral vs affective vs cognitive level, adult survey respondents, 56:4135

Lemurs
ablation of area 17, sensory loss, bushbabies & monkeys vs squirrels or tree shrews, 55:6488
activity patterns, bushbabies & thick-tailed galagos & lesser mouse lemurs, 53:9134
development of extrastriate visual system, ability to learn visual & spatial reversals, opossums & hedgehogs & rats & squirrels & tree shrews & bushbabies, 54:6861
discriminative conditioning of vocalizations, male lemurs, 54:11307
electrophysiological & architectonic study, middle temporal visual area, bushbabies, 54:427
group formation, bushbabies, 53:780
marking & sexual behavior development, adolescent Lemur fulvus, 54:2625
maternal care patterns, lemurs, 57:12207
observational study of free ranging groups, birth & development, Propithecus verreauxi, 57:9581
occipital & temporal & parietal lesions, visual discrimination of patterns, Galago senegalensis, comparison to results with tree shrews & monkeys, 57:672
olfactory & visual & auditory communicative behaviors, feral lemurs, 58:6978
olfactory communication, Lemur catta, 57:7620
posterior neocortex lesion, cross-modal transfer of rate discrimination, bushbabies, 56:5630
prefrontal cortical ablation, delayed alternation & spatial reversal learning, bush babies, 58:659
sniffing response to male antebrachial & brachial secretion, discrimination of individuals, male lemurs, 55:233

Lens (Eye)
eye lens nuclei protein pattern bands, desert woodrats, 55:296
meridional disparity, depth perception, 58:10915
visual imagery, accommodation changes in empty field, male 17–25 yr olds, 56:7141
wearing of -9 diopter contact lens, voluntary monocular accommodation in absence of adequate stimulus & in presence of blurred stimulus, 16–18 yr old females, 54:251

Lesbianism
attitudes toward female homosexuality, psychiatrists, 53:3193
biological & psychological bases, male & female homosexuality, book, 53:11537
birth order, lesbians, 58:5275
causal theories & treatment approaches, male & female homosexuality, literature review, 53:11493
factor analytic conceptualization, attitudes toward male & female homosexuals, male vs female heterosexual college students, 57:10187
female homosexuality, review, 53:11528
female homosexuality, review of theory & research, 56:2259
female identity & lesbian preferences & feminist orientation, 2 male-to-female transsexuals, 57:10180
feminist therapy, identity, lesbians, 53:10050
formal organizational structure & social functions, gender-integrated gay community, male vs female homosexual participants, 56:2254
Freud's vs H. Deutsch's interpretation, cases of female homosexuality, 55:2417
group therapy, compulsive homosexuality, male & female patients, 55:12660
group therapy, compulsive homosexuality, male & female patients, discussion of H. Gershman's study, 55:12665
hypocrisy & misinformation & contradictory theories & historical figures, lesbianism, book, 53:3390
identity change & changing consiousness in social movement groups' setting & transition from deviant to minority group identification, lesbians, 57:5741
lesbianism & male homosexuality, annotated bibliography, 55:10029
lesbianism, evaluation of R. H. Gundlach & B. F. Riess's & M. T. Saghir & E. Robins's perspectives & methodology, 54:11627
marriage counseling, lesbian couples, 55:10292
medical & psychiatric differences & violent & suicidal behavior, female prisoners who were homosexuals prior to prison detention vs who became homosexual in prison vs nonhomosexuals, 58:1800
membership in gay community, sexual beliefs & attitudes & preferences, male vs female homosexuals, 57:12679
MMPI, differentiation between female heterosexuals vs homosexuals, development of female homosexuality scale, 55:9667
MMPI, differentiation of homo- & heterosexuals, females, 53:9638
new viewpoints, female homosexuals, 53:9432
origin of inmate social system, homosexuality, female prisoners, 56:6562
perceptions of & interaction & conflicts between lesbians & general community, Puerto Rico, 58:9421
perceptions of cohabitation, married couples vs heterosexual vs gay male vs lesbian cohabitants, 58:11616
positive & negative attitudes toward lesbianism & male homosexuality, 17–35 yr old heterosexual male & female college students, 54:951
psychological adjustment & style of life, single lesbian vs heterosexual 20–45 yr old females, 57:12680
psychotherapy, homosexual & self destructive tendencies, 17 yr old female, 55:987
responses to projective & nonprojective tests, female homosexuals, critical & comparative review of literature, 54:1161
self acceptance & demographic & self report characteristics, lesbians, 57:12666
self concept & concepts of men & women as reflected in Draw A Person test & Adjective Check List, 21–42 yr old homosexual & heterosexual females, 54:3123
self report of being a lesbian & oppression of & myths about lesbians, book, 58:11615
sexual object choice & ego development & neuroticism & conscious & unconscious sexual identity, homosexual & heterosexual & bisexual women involved in women's liberation movement, 58:11611
social & sexual relationships & partner's socioeconomic background, lesbians, 54:7360
treatment approaches & self-perception & problems & interpersonal relations, homosexual women, literature review, 53:11505
types of interactions & relationships & women in male homosexual community, male homosexuals & lesbians & female heterosexuals, 56:3952
validity of Draw-A-Person sign prediction vs clinical prediction, female homosexuality, 17–42 yr old homosexuals vs 19–47 yr old heterosexuals, 56:6313

Lesions [See Also Brain Lesions, Hypothalamus Lesions, Neural Lesions]
ablation of antennular filaments, chemically mediated host location behavior, symbiotic shrimps, 54:9087
ablation of portions of CNS & their inhibitory or facilitative effects, physiological mediation on segmental plexus fissioning system, isolated vs grouped planarians, 55:390
anesthesia of vibrissal pad vs vibrissae removal, shock-elicited fighting, male rats, 53:4676
antennule ablation & prey species solutions & seawater & fish muscle extracts, olfactory response, lobsters, 53:568
anterior ganglia removal & light intensity, escape from light source, earthworms, 56:5605
anterior sense organ removal, fighting behavior in intra- & interspecific encounters, nereid polychaetes, 53:552
auditory cortex ablation, ability to localize sound, cats with 1 cochlea destroyed, 58:2961
bilateral olfactory bulbectomy or destruction of olfactory epithelium, thermoregulation & water/food intake, rats, 58:7066
blinding, long-term gonadal function, male rats, 53:564
blinding with opaque eye covers & cuts of lateral lines at opercula, schooling, saithe, 57:7749
catastrophic behavior, focal lesion in adults & level of demential deterioration in elderly, 55:2445
chronic daily administration of estradiol benzoate vs dihydrotestosterone propionate vs testosterone propionate & progesterone, lordosis duration & male & female sexual behavior, male & female gonadectomized golden hamsters, 54:6940
clinical electroencephalography, diagnosis of organic & functional ophthalmic lesions, literature review, 53:7752
conditioning, spinal vs intact turtle, minimal model system of basic neuronal mechanisms subserving classical conditioning, 56:3672
contralateral masking effect, 55-yr-old female patient with severed right cochlea efferent fibers, 53:1524
deafening by tympanum destruction & natural vs induced estrus & presence of caged vs uncaged castrated vs copulating males vs diestrus females, lordosis & proceptivity, female hamsters, 58:2897
deafferentation with vs without intact vision & role of auditory & somesthetic feedback, recovery of forelimb function, monkeys, 58:2954
delta-9-tetrahydrocannabinol & other drugs, responses evoked in frontal lobe, polysensory areas, squirrel monkeys with postmesencephalic or high spinal sections, 56:7494
desalivation, fluid preferences, rats, 55:3914
destruction of Barth's myochordotonal organ, use as acoustic sensor, ghost crabs, implications for intraspecific communication, 53:8987
development of spinal spasticity following mid-thoracic spinal cord transection, gamma-aminobutyric acid levels in lumbar cord dorsal grey matter, female dogs, 57:12361
diphenylhydantoin, self mutilation of forelimbs following multiple cervicothoracic dorsal rhizotomy, female rats, 58:4962
early eye removal, excessive bilateral branching of axons, rats, application of cobalt filling method, 57:9720
ejectable electrode in syringe holder for lesioning, mice, 53:8534
enucleation vs deafening vs olfactory bulbectomy & scenting of mice with lavender oil, mouse-killing, male rats, 53:8999
enucleation, 2-way avoidance behavior, rats & hamsters & chinchillas & BALB/cJ mice, 54:4740
eye enucleation, territorial aggression, olfactory bulbectomized vs nonbulbectomized hamsters, 56:7486
eye removal & remaining eye deprivation, binocular competition & development of visual field of normal extent, cats, 57:12329
forelimb deafferentation, pointing at target without visual feedback, monkeys, 54:561
foveal lesions, visual discrimination following foveal prestriate lesions, monkeys, 56:350
functional visual deprivation procedure, splitting upper & lower lid margins from medial to lateral canthus, 53:11142
genital denervation by transection of pudendal & genito-femoral nerves & estrogen, mounting & intromission behavior, spayed female rats, 56:9475
glossopharyngeal nerve transection & resultant taste bud denervation vs decentralization of receptor organs, electrophysiological changes in taste receptors, cats, 58:2951
gonadectomy, development of age-dependent polydipsia & intake of NaCl solutions, mice, 54:11209

gonadectomy, operant responding for saccharin, male vs female hamsters, 55:399
graded acquisition of instrumental avoidance response, female spinal rats, 55:11725
headless roach preparation as system for physiological analysis of instrumental learning, criticism of G. Horridge's model, 58:2948
Horridge paradigm acquisition & retention of instrumental avoidance conditioning, spinal rats, 57:677
inability to produce species-typical song produced by sectioning of hypoglossal nerves, ability to maintain territory & mate & raise young, male red-winged blackbirds, 57:12360
isolation from conspecific contact & mystacial vibrissae removal, aggressive social encounters upon contact with conspecifics, male mice, 56:9469
labryinthectomy, aptokinetic nystagmus & after-nystagmus, rabbits, 56:9503
lesions of auditory pathway, waveform alteration of very early part of auditory evoked potential, cats, 55:11733
lesions of large mystacial vibrissa follicles on 1st vs 5th postnatal day, development of central neural organization, mice, 55:407
lid suturing vs eye enucleation, electrophysiological analysis of binocular competition & striate cortex development, cats, 58:11181
locomotor exploratory activity, blind vs normal guinea pigs, 53:4662
magnitude of reward & magnitude shift, runway performance, normal & sham-operated & surgically anosmic male rats, 55:6498
modality of stimulation & position of facial nucleus electrode & transection of sigmoidean gyrus, evoked potentials in facial nucleus, cats, 58:628
morphine & haloperidol & propranolol, precipitation of abstinence syndrome of morphine physical dependence, chronic spinal dogs, 56:7527
nialamide & levodopa, generation of forelimb locomotor movements coordinated with hindlimbs by spinal cord, high spinal cats, 56:5573
olivo-cochlear bundle transection, conditioned visual performance with intense white noise, cats, 53:560
optic enucleation, avoidance acquisition & closed field activity, retinal degenerate mice, 54:4739
optic nerve regeneration, interocular transfer of monocularly learned pattern discrimination, goldfish, 58:2952
ovariectomy & hormone-induced nipple growth & thelectomy, effects of suckling stimulation on aggression, virgin mice, 56:1972
overlapping retinal-striate lesions, cortical vision, monkeys, 56:7482
partial subdiaphragmatic left cervical vagotomy, osmotic & volemic thirst, nephrectomized male rats, 56:9529
pelvic & pudendal nerve transection, erections & intromission & ejaculation & mounting behavior & temporal patterning of mating behavior, male rats, 56:9515
penile deafferentation & mating experience, sexual motivation, male rats, 57:12357
physical exercise, spontaneous nystagmus & locomotor equilibrium, squirrel monkeys with unilateral labyrinthectomy, 55:397
priming duration & tympanic membrane perforation, development of seizure susceptibility, 13 vs 26 day old mice, 58:9041
production of torsional rotation of right eye & suturing closed of left eye & craniotomy, directional selectivity in cortical neurons with stimulation of inverted eye, cats, 58:2969
proprioceptive deafferentation, visuomotor tracking task, monkeys, 57:679
pudental nerve transection & social restriction, sexual activity, male rats, 56:9504
quantitative & comparative analysis, wakefulness-sleep cycles, semi-chronic encephale isole cats, 54:6960
removal of nipples at various times during pregnancy & lactation, influence of suckling stimulation on postpartum aggression, female mice, 57:12362
removal of normal eye after critical period in monocular deprivation, responsiveness of striate cortex cells, kittens, 56:5570
removal of upper cervical sympathetic ganglia, effect of sustained nociceptive stimulation on adrenaline & noradrenaline contents in brain areas & adrenal glands, rats, 57:2709
retention of conditioned reflexes of previous experience after regeneration planaria, 54:9074
section of dorsal funiculus vs lesions of spinothalamic vs spinocervical systems, tactile discrimination, monkeys, 53:11111
shock stimulus location & response measure, acquisition & retention of instrumental avoidance conditioning of leg withdrawal, spinal rats, 56:5627
sodium & calcium deficiency, conditioning taste aversions to sodium or calcium, adrenalectomized & parathyroidectomized rats, 55:4016
spinal & bulbar lesions & occluded vision, role of dorsal column medial lemniscus & spinocervicothalamic system in tactile reactions & placing & vocalization, cats, 57:7740
spinal transection & decerebration & hypophysectomy, acupuncture analgesia effect on electrophysiological & behavioral responses to noxious stimuli, cats & mice, 58:4974
stress & central nervous system lesions, thymus-derived lymphocytes & cell–cell interaction & release of mediators from reacting lymphocytes, 53:2520
suprachiasmatic nucleus lesions & ocular enucleation, sleep-wakefulness rhythms, male rats, 58:2958
surgical severing of tongue, prey attack behavior, garter snakes, 54:4733
technique for torsional rotation of 1 eye, development of visual cortex, cats, 56:1982
tetrabenazine vs iproniazid vs iproniazid & ethinyloestradiol vs iproniazid & progesterone, noradrenaline & 5-hydroxytryptamine concentrations as monoamine synthesis in forebrain & middle- & hind-brain, ovariectomized albino mice, 53:6825
transneuronal degeneration in lateral geniculate nucleus & tarsorrhaphy, lateral geniculate cell growth & binocular interaction, monkeys, 57:698
tympanic membrane perforation, development of seizure susceptibility, mice bred for spontaneous vs priming-induced audiogenic seizure susceptibility, 56:9454
unavoidable shock, instrumental avoidance conditioning, female acute spinal rats, 54:9092
unilateral blindness vs split optic chasm, role of retino-hypothalamic pathways in re-entrainment of drinking rhythms after 12-hr phase shift in light/dark cycle, male rats, 57:9816
vagotomy &/vs coeliactomy, regulation of food intake, female rabbits, 56:3674
vestibular nuclei lesions, vestibulo-ocular reflexes & posture, monkeys, 53:586
vibrissal amputation vs anesthesia, open field rearing behavior, male rats, 56:3636
water deprivation & chronic intragastric fistulas & intragastric preloads of water & saline, oropharyngeal controls of drinking, rats, 57:2676

Lesson Plans
behavioral objectives & instructional sequence & test & state anxiety in computer-assisted instruction, score achievement, students, 53:8315
classification system, terminal behavioral objectives for reading, 53:12448
diagnostic-prescriptive training, multisensory imagery & lesson planning & competence of mathematics teaching to handicapped children, college students in performance-based teacher training program, 57:11275
epistemic vs non-epistemic content & maturity levels of material content, instructional question-formulating behavior, preservice teachers, 55:10687
experiential taxonomy, planning of educational objectives & sequencing classroom activities, teachers, 54:8377
guidelines, writing instructional sequences for learning disabled children, 54:8454
laboratory & individual projects & field trips & creative assignments, development of practical skills in schools, 54:12559
learning theory, development of optimal instructional sequences in mathematics, 54:10535
lesson plan, rational living principles used at Living School, 53:8275
modification of presentation of unsuccessful lesson for reteaching, 55:13263
structure of instructional content for classroom use, 54:4105

Letters (Alphabet)
acoustic similarity of letters & patterned & random alphanumeric visual displays, written serial recall, female 22–62 yr olds, 58:212
age & left vs right half-field presentation of letters, discrimination capacity, 8 & 9 yr olds vs adults, 58:11479
age & phonological coding & letter position, visual task performance, 2nd–12th graders, 57:2956
array pairs varying in visual configuration vs item identity & instructions to remember items & ignore configurations, recognition performance for Hebrew letter arrays, kindergartners vs 3rd vs 6th graders vs college students vs employees, 58:5176
ascending &/vs descending letters & single letters vs whole words, perception of lower case letters & basic sight vocabulary words, 4th–5th graders, 56:1421
auditory & visual & abstract coding, recognition & recall errors using presentation of long strings of letters, 55:6137
bigram & trigram cues varying in letter frequency & versatility & cue position in word, retrieval processes in selection of word using cue letters from unrestricted vs E-restricted pool, 58:2684
bigram frequency counts tables & anagram lists, 56:1772
bilateral letter presentation & partial report, recall of letters in right visual field, right handed adults, 55:8709
brief instruction in letter direction orientation & directional markers, discrimination of reversible direction letters, prereading nursery school students, 58:3107
brief vs extended tachistoscopic exposure duration, serial position functions for letter identification, female college employees, 56:9092
carbon monoxide, letter thresholds under binocular & interocular masking, smokers vs nonsmokers, 58:7101
cognitive strategy manipulation utilizing name vs shape instructions, hemispheric dominance in letter memory performance, 57:12056
color cuing, performance on target letter recognition tasks, adults, 53:10947
computer generation of letter sequences varying in approximation to Japanese, 53:1134
computer program, readability measurement of textbooks using optical scanning device to count letters & sentences, 54:2007
conceptually identical stimuli vs lower & upper case forms of same letter vs different letters, visual search times for presence of both of 2 physically similar stimuli, male college students, 55:88
context & target stimulus, schema theory for recognition of reversed letters, 53:2251
context & word frequency & stimulus quality & letter case, RT for judgment of visually presented letter strings as words vs nonwords, 57:4947
context meaningfulness as interlocking letter vs word vs city associations & problem length, integration of information during problem solving, college students, 57:7400
continuous & intermittent reinforcement, maintenance of accuracy of responding in extinction following errorless discrimination training using alphabet letter discriminations, black male kindergartners, 56:9199
detection errors on word "the" during reading of passages, college students, evidence for reading units larger than letters, 57:339
development of evaluative overlays as objective & reliable method of measuring manuscript letter formation, 6 & 7 & 9 yr olds experiencing difficulty in letter formation, 56:6849
developmental differences, perceptual differentiation of letterlike forms, prereading 3 vs 4 vs 5 yr olds, 58:7212
different letter styles, sight word reading success, 4th graders, 53:10449
differential associative strength between letters vs differential difficulty of response-sequence imitation, RTs for naming 1st next & 2nd next letters of alphabet, college students, 56:1760
discrimination training mode & letter similarity, paired associate learning, 1st graders, 53:9288
display luminance & retinal target locus & target positions & stimulus degradation by superimposition of dot grid, identification RT in tachistoscopic speeded letter recognition task, graduate & college students, 58:6749
dissociation between short-term retention of letters & meaningful sounds, patients with specific deficit of auditory verbal short-term memory, 53:9974
distinctive feature analysis for printed capital letter forms using curvature & horizontal & vertical linearity & diagonality, prediction of confusion pattern in visual confusion matrices, 54:10899
distinctive features analysis of letters employing choice & generation of ambiguous characters, perception of letter attribute "leg", 57:273
dot pattern symmetry & letter string approximation to English, verbal & spatial organization, 2nd vs 4th graders vs adults, 57:7925
errorless discrimination training vs traditional reinforcement-extinction methods, alphabet letters discrimination, preschool children, 53:10424
errorless training with vs without distinctive feature highlighted vs traditional reinforcement-extinction approach, discrimination of letters of alphabet, 4–5 yr olds, 54:6755
exposure time of letter matrices differing in size, recall of letter identity & position information, college students, 57:9518
familiar letters vs letter-like forms & simultaneous vs successive stimulus presentation in visual matching task, accuracy & latency & basic RT, educable mentally retarded vs nonretarded 6th graders, 57:6940
familiar vs unfamiliar characters as target & background stimuli, visual search RT & accuracy, college students, 57:2324
familiar vs unfamiliar letters, same-different RTs, college students, 57:172
familiarity of letter sequences & display configuration & letter orientation, same & different judgments of letter strings, college students, 54:6704
familiarity, visual processing of words, college students, 55:6061
feature configuration of letter stimuli & feature repetition at same trigram position vs variation between trigram sets, letter recognition, college students, 58:10851
fixed vs absent vs mutilated target letter, letter search time through words vs nonwords & elimination of word superiority effect, college students, 57:178
forward & backward masking & spatial position of letter within word & letter reversal & interval between test & masking stimulus, vibrotactile letter recognition, implications for tactile reading, 57:11866
frequency of reward & practice period length & sex differences, letter discrimination & alphabet sequencing task performance & task preferences, 1st graders, implications for educational instruction, 55:8012
global attributes in visual word recognition, length perception of letter strings, 57:4889
high & low confusion capital vs lower case letters vs frequently reversed letters, errors in response to letter stimuli, kindergartners vs 1st vs 2nd vs 3rd graders, 57:7978
horizontal vs vertical letter arrangement & sex differences, recogniti of Hiragana vs Kanji Japanese written symbols, 5–14 yr olds, 53:8
identity, RT in same-different judgments of letter arrays, colle students, 57:288
initial capital letters, graphic & semantic-syntactical factors in readi process, alexia patients, 57:3668
instruction using matching geometric patterns vs letters & wor English orthography discrimination, kindergartners, implications f development of reading readiness activities, 58:6216
intraserial repetition & acoustic contrast in letter strings & presentati lag & retention interval of random digits, short term memo performance, adults, tagging hypothesis interpretation, 57:7469
irrelevant letter color & case changes, visual recognition speed for let names following short retention intervals, college students, 53:3
lag between presentations, detection of repetitions in letter sequences short term recall of repeated items, young adults, 55:8914
lateral asymmetries, letter recognition, young adults, 56:1755
laterality, judgment of identity & position of letters, college studen 56:1773
learning letter-names for critical stimuli & critical stimulus location trigram, acquisition of identical vs different noncritical word nar associations, kindergartners, 58:5126
learning rate of colored vs black letters, elementary school studen 57:1959
left-to-right vs ends-first vs peripheral-foveal order of scanning of let &/or digit configurations, test of visual information processi hypotheses, 57:11858
letter & word visual discrimination training, learning to read, l graders, 53:8319
letter degradation & spacing & word length, word recognition, colle students, 57:12073
letter discrimination task performance, mildly retarded vs normal l graders, implications for learning to read, 58:1405
letter display of different vs repeated nontargets & presence vs absen of target letter, RT in processing of repeated letters in search matching tasks, college students, 56:9125
letter fragments embedded in letter contexts & familiarity & preexp sure cuing, recognition, college students, 56:7098
letter frequency & sound & word familiarity, lexical decision ta performance, adults vs children, 58:6831
letter identity & phonemic processing in word comparison, relati ordering, 57:7415
letter position saliency, short term recognition memory for graph patterns, prereading kindergartners & reading 1st graders, 58:1146
letter probability vs conditioned probabilities of letters & lett combinations, word recognition, 19–43 yr olds, 53:4412
letter recognition difficulty & word frequency & length, visu recognition latency for words, college students, 57:375
letter recognition with partial report procedures, right visual fiel superiority, college students, 57:11900
letter segmentation of cursive scripts, kindergartners without knowledg of alphabet, segmentation model simulated by digital compute 55:4266
letter shapes & meaningfulness of vocabulary, word recognition usin simultaneous vs successive visual discrimination procedures, kinde gartners at different reading readiness levels, 58:10428
letter similarity & interactions in visual display, representation identification of letters available briefly in iconic storage, 56:168
letter space & retinal position, response latencies in letter processin Swedish college students, 54:2290
letter vs configuration cues, word recognition, retarded vs nonretarde 6–7 yr olds, 53:3458
letter-digit combinations, copying errors, female 21–64 yr olds, 54:210
letter-matching RT task, memory & encoding, college students, 54:38
letter-reversals training, letter discrimination posttests, mentally retard ed elementary school children, 54:10615
letters presented in word context vs embedded in nonwords vs alone identification processes, 55:157
letters vs Arabic numbers vs Roman numerals, visual serial searc performance, female college students, secondary school teachers 53:233
letters with distorted line segments, holistic & analytic processes i same-different judgments of letter pairs, college students, 57:9468
level of feature similarity in visual display of letters, representation identification in iconic storage, 58:8739
level of letter confusability & relation to interletter distance & retina location & stimulus duration & visual field, letter report from briefl presented visual displays, college students, 58:10892
level of required organization & size of set & position & spacing of lette set in alphabet, RT in organization of randomly ordered letters college students, 56:1770
location & viewing time of bar indicator prior to multiletter displa presentation & proximity to test bar indicator, letter-naming RT & programing of selective encoding, 57:2355
masking package employing multiple rapid re-presentations, recognitio of masked letters, test of integration & interruption theories, 58:260
matching stimuli of 1 vs 4 letters & auditory vs visual probes, capacity limitations in information processing, college students, support fo perceptual & postperceptual limitations, 57:11998
meaningful vs nonmeaningful diagrams vs single letters, perceptua thresholds, implications for model of feature analysis in paralle processing of incremental visual information, 58:260
measured word lengths & syllables, short term memory for words college students, 56:5309
memory set size for letter vs dot-pattern stimuli, analysis of number o memory representations for perceptual concepts, college students 57:11994
methods of prediction of Luce choice-model similarity measure measures of interletter similarity between capital letters, 55:480
midyear alphabet knowledge, prediction of 1st grade reading failure, 1s graders, 57:6853
mixed list of digits & letters & probe category precue & repetition memory search of list for probe presence/absence, college staff & students, proposal for partially selective search model, 57:7433
normal vs left-right mirror image orientation of letters, naming time above- & below-average readers in 3rd & 5th & 7th grade, 55:612
number & position of letters different, visual comparison of words & random letter strings, college students, 53:10871
number of dots per symbol in dot matrix characters, legibility of 2 newly designed fonts vs Lincoln/Mitre font, college students, 58:8533
number of letters & spacing of stimuli, discrimination of letter combinations, good vs poor readers in 2nd & 3rd & 5th grade 56:6764
number of letters & syllables in word & word frequency & concreteness & conformity of nonwords to orthographic & phonic rules, latency of word recognition, college students, 56:9233
number of nontargets, response time in visual search for embedded target letters, 17–39 yr old paranoid & nonparanoid schizophrenic inpatients vs normals, 58:5536
number of targets & retinal location & direction & distance of simultaneously presented targets, identification & localization of target letters & blanks, college students, implications for limited capacity attention mechanism, 57:11911
orientation of fragmental letters, effect of familiarity in same-different RT task, male college students, 57:11902
orthographic & phonotactic rules, tachistoscopic recognition of letter strings, high school & college & graduate students, 53:10882

orthographic structure defined as single letter positional frequency & practice, letter search time using varying word & letter string contexts, good vs poor 6th grade readers, 58:2629
overt vs covert recitation times of ordered letter pairs separated by 2 vs 4 vs 6 positions, college students, 57:332
perception & memory of spatial orientation of simple forms vs spatially confusable letters, 10–11 yr old readers, 54:4961
perceptual discrimination training, naming of Katakana letters, Japanese nursery school students, 56:7681
perceptual grouping of letters & digits, short term memory, 58:11009
perceptual vs physical vs functional attributes, psychophysical techniques for ambiguous character recognition, 57:204
personality traits & stress, random letter generation styles, 54:1134
position of critical letter in reading order & retinal location & memory set size, RT in visual search, college students, 58:2636
positional uncertainty of individual letters, lateral masking & perceptual superiority of words in trigram targets, college students, 57:2313
practice & stimulus quality, accuracy & RT of same-different judgments of letter & form pairs presented to center vs left vs right visual field, college students, 57:11899
presence of irrelevant letters on letter comparison RT & distraction similarity to target word effect on word comparison RT,, 56:3446
presence vs absence of acoustic or visual similarity & durations of initial presentation & comparison interval, feature analysis & auditory synthesis in recognition & naming of alphabetic stimuli, 57:329
presentation of Hirakana letters vs random forms to right vs left hemisphere 1st, same-different judgment times, left handed Japanese college students, 57:4875
presentation of word parts with single letters vs letter clusters vs whole word & semantic equivalence of picture word pair task, development of word recognition strategies, adults vs children reading on 1st & 2nd & 5th grade levels, 58:5172
pretraining & stimulus presentation method & type of stimuli, simultaneous & successive discrimination of similar letters, kindergartners, 54:9318
prior information & masking, disruptive effects on perceptual recognition of letters using tachistoscopic task, college students, 57:286
prior knowledge of letter alternatives & strongly vs weakly constraining contexts, visual perception of letters in words, 58:2622
prior presentation of upper- vs lowercase letter & interval between prior & test letters, test letter classification accuracy, female college students, support for internal image generation, 57:9495
probe position, identification RT & accuracy in briefly presented letter arrays & search processes, 57:257
reading level, mental processing to segment words into letter & sound components, normal & reading disabled Ss, 55:8813
recall for acoustically similar vs dissimilar letters, normal vs deaf 16–17 yr olds vs deaf 9 yr olds, 57:1508
reflected vs rotated alphabetic characters, recognition, 57:225
reflectivity-impulsivity & field dependence vs independence & spatial orientation & density arrangements of stimuli, discrimination of letterlike symbols, 1st graders, 55:6124
retinal locus & string position, tachistoscopic letter recognition, college students, 53:10857
reversal shift phenomenon, acquisition of discriminations among letters b & d & p & q, kindergartners, 55:6809
role of letter stems, analyses of processes in identification of printed words, college students, 55:6668
RTs for physical identity & name & difference matches with individual letters & word & nonword strings, normal reading & reading deficient 5th grade boys, 57:8501
same vs different conceptual category of target & field letter & digit items, visual search performance, college students, support for partial processing hypothesis, 57:11844
same vs mixed case word vs pseudoword vs unrelated letter string stimuli, accuracy of perception & role of preliminary letter identification, 58:8772
sequential letter position & inter-letter interval, spatial localization, college students, 55:8761
short term memory factors, word superiority effect in letter recognition, college students, support for positional uncertainty hypothesis, 57:363
similar sounds "i" & "e" presented separately vs together & cumulative introduction of each sound, acquisition of letter-sound correspondences, preschoolers & 1st graders, 57:1916
simultaneous presentation of letter vs word vs letter/1st letter of word pairs & presentation delay & physical identity of stimuli, same/different RTs, college students, implications for levels-of-processing hypothesis, 58:4781
simultaneous vs sequential schedules for presentation of letter trigrams, recognition accuracy, 57:12002
simultaneous vs successive visual presentation of letters & number of letters, response latency & content of immediate memory, college students, 57:12020
stimulus exposure time & shape vs letter comparison & standard multidimensional stimuli, number of dimensions used in same-different classifications, 1st vs 3rd vs 5th graders, 58:875
stimulus luminance & duration, iconic encodability & free recall of letter matrices, college students, 57:11841
stimulus position as encoding variable & interval length between stimulus offset & tone, recall of letters briefly presented tachistoscopically, adults, 58:353
stimulus presentation modes, tactile letter recognition, 53:8646
stimulus probability & quality, encoding processes in memory scanning tasks using alphanumeric characters & nonsense figures, college students, 57:7402
stimulus probability, same-different classification time in letter judgment task, 56:9163
strength of letter's vertical aspect, number of letter reversals, kindergartners, 54:801
successively presented stimuli & drive & incentive level, serial discrimination reversal performance, pigeons & chickens, 57:327
summary & index, scaled verbal material studies, 57:2
symmetrical & asymmetrical letter arrays, tachistoscopic identification, college students, 55:3628
systematic variation of retinal locus & spacing & array position, perturbation model for letter identification, 56:1738
table of numerical values for shared distinctive features, judgment of confusability of uppercase visual letters, 56:8982
tabulations of letter & letter-combination versatility & frequency in English language, 56:8960
tachistoscopic letter presentation & retinal location, developmental trends in ability to process graphic information in periphery, school age children & 20 & 55 yr olds, 57:2938
tachistoscopic presentation of normal vs mirror image with order-of-report factor excluded, directional scanning during letter vs word detection, college students, 56:5232
tachistoscopic presentation of numerals imbedded in words, pronounceable nonwords & random letter sequences, numeral recognition, college students, 53:6554
tachistoscopic presentation of pairs of letters, recognition of both vs 1 letter of pair, 57:7330
tachistoscopic recognition of words & nonpronounceable trigrams & judgments about 3-letter sequences, test of unitization hypothesis of word apprehension effect, 55:3580
tactile presentation of letters varying in phonetic similarity & spatial location, recall error rates, college students, support for shape coding in short term memory, 57:7465
tactual & phonological similarity, recall of braille letters, blind children, 54:5632
target & context feature similarity & target rotation & rotation similarity of target & context, visual search times in alphanumeric character recognition, 57:7356
target letter position & context characteristics & practice, letter identification performance, adults, 56:7127
target set size & sameness vs differentness of probe & last rehearsed target item, letter probe identification time with vs without rehearsal, college students, implications for role of generative processes in probe encoding time, 57:11997
target word vs letter presented simultaneously vs 3 sec apart with display word in same vs different case, identification of words & letters within words, 58:8771
teaching letters discriminations with stimulus fading vs reinforcement-only procedure, errorless performance, nursery schoolers, 58:6218
teaching methods, ability to doubt reading materials & control guessing & focus on discrimination-relevant letters & stimulate preplanning, impulsive misreaders, 55:5499
teaching methods using sandpaper forms involving color & texture & tracing vs plain forms involving tracing, letter form discrimination, 4.5–6 yr olds, 56:8652
temporal integration of letters into words, accessibility & deferred response, 7 vs 9 vs 11 yr olds, 58:11468
temporal presentation of letters across columns in vibrotactile & blurred visual arrays with masking stimulator, spatially dependent masking effect, adults, 57:11876
"tip of the tongue" and "don't know" states, letter serial position effect in letter detection from inaccessible word, 55:6104
transformation of letters & groups of letters from visual representation to form usable by memory, 55:8852
transition letter probabilities & letter moves & word frequency, anagram solution difficulty, college students, 53:2345
type & amount of familiarization training, learning to discriminate letters, 1st & 5th graders, 55:6191
typographical cuing & pretesting, test performance, college students, 58:6271
unilateral vs bilateral presentation, short term memory recall of letters from left vs right visual half-fields, college students, 58:4702
unit size in reading, speed of acquisition & generalization, 3.5–5 yr olds, 56:4821
use of stimulus-response error matrices to study visual & auditory & acoustic confusions, error reduction in alphanumeric code transmission, 57:2115
vertical vs horizontal arrangement of common vs rare word vs nonword lists, target letter search time, female college students, 55:11388
vertically symmetric vs asymmetric letter pairs, RT in letter matching & importance of structural diagnostics, adults, 57:235
visual & auditory perceptual ability & letter discrimination pretraining, word recognition, kindergartners, 55:2181
visual field location, single letter recognition, college students, 56:9129
visual perception of words, criticism of N. F. Johnson's study, 55:8762
visual serial search time for numbers vs letters, female college students, 57:4881
visual vs auditory presentation of equivalent letter sequences varying in complexity & meaningfulness, response speed & errors, good vs poor readers in 2nd vs 6th grade, 58:3130
visual vs kinesthetic training program under feedback conditions, letter discrimination, learning disabled children, 55:1519
visual vs verbal stimulus set, letter classification task, college students, 56:1758
visually &/vs acoustically confusable letter matrices & duration of poststimulus interval, recognition vs recall performance, college students, 58:4832
within- & cross-modal reliabilities, dichotic listening & visual half-field recall tasks using concrete words & letters, college students, implications for speech laterality predictions, 58:4720
word & nonword & single-letter displays, letter identification, college students, 53:8711
word length & grade level & featural & letter dependency, word recognition, elementary school children, 55:11428
word length & part-whole relationships, word & letter identification, college students, 54:2317
word vs letter stimuli, recognition performance & memory code processes, 58:4800
words vs pseudowords vs nonwords with mixed upper- & lowercase letters vs same-case stimuli, tachistoscopic perception, college students, role of preliminary letter identification, 55:6053

Leucine
brightness discrimination, incorporation of labeled leucine injections into brain cells, male rats, 53:6864
diazepam, incorporation of leucine into neurons of locus coeruleus & other nerve cells, stressed rats, 58:11287
plasma ratio of alpha-amino-n-butyric acid to leucine, hospitalized ambulatory alcoholics & patients with nonalcoholic liver disease & methadone patients & alcohol-fed baboons & baboon controls, 57:12982
reversal training, protein alterations & leucine incorporation in hippocampus & sensorimotor cortex, rats, 58:2829
shock avoidance conditioning, protein content in neuraxes & incorporation of 3-H-leucine into presumptive protein, myelencephalic grass frogs, 56:287
training to swim upright, leucine transfer RNA of brain, goldfish, 55:344
tritiated leucine & proline injections into dorsal bank of principal sulcus, autoradiographic demonstration of projection from prefrontal association cortex to superior colliculus, rhesus monkeys, 57:5241
tyrosine concentration & intraperitoneal tryptophan & leucine & parachlorophenylalanine, control of brain catechol synthesis, rats, 53:638
undernutrition, metabolic compartmentation of glutamate & incorporation of radioactive leucine into protein in brain, rats, 55:4027
uridine-5-monophosphate, incorporation of radioactive leucine injected into hippocampal neurons during brightness discrimination, male rats, 56:2067

Leucocytes [See Also Lymphocytes]
chlorpromazine, correlation between clinical responses & Histocompatibility Leucocyte Antigenic-SD antigen classification, schizophrenic patients, 57:13341
injection on 5th day of pregnancy with saline vs normal leukocytes vs normal plasma vs schizophrenic leukocytes vs schizophrenic plasma vs LSD, offspring sex ratio, female mice & offspring, 57:7791
lithium carbonate, red & white blood count & plasma concentration of electrolytes & thyroxine, manic-depressive psychotic patients, 57:3993
Migration Inhibition Test, immunological alterations, schizophrenics, 53:5478
neuroleptic drugs & concentration of doses, cytotoxic action on leucocytes in vitro, healthy Ss, 57:9856
outpatient phenothiazine use & bone marrow depression, psychiatric & medical & surgical & gynecological patients, 56:5711
relationship between pyknotic index in aging leucocytes & severity of mental disturbance measured by MMPI & psychiatric diagnosis, middle aged psychotic & neurotic psychiatric patients, 55:4735

Leukemias
content interpretation, impromptu paintings, 4–12 yr old terminally ill leukemic vs hospitalized vs healthy children, 55:7438
experience of childhood death due to leukemia, psychological followup of families & implications for provision of support services, 56:4337
interpersonal distance as a measure of isolation, 6–10 yr olds dying from leukemia, 53:9978
isolator therapy, anxiety & acceptance of diagnosis & prognosis, adults with acute leukemia, 57:4115
leukemia & life-threatening illness of health professional, clinical-medical issues, 53:9983
levoasparaginase treatment of acute leukemia, psychiatric symptoms, adult patients, 54:3672
patient-doctor relationship & family & other supportive relations & coping behavior, 20 yr old female during terminal phase of leukemia, 58:1444
"prophylactic" cranial or craniospinal irradiation, neuropsychological functions, 2–16 yr olds with acute lymphocytic leukemia, 54:10319
psychological adaptation to isolation therapy, patients with acute leukemia, 56:1155
psychological features, isolator treatment, acute leukemia patients, 55:10440
psychological intervention, conflict of adolescent developmental tasks with death acceptance, hospitalized 16 yr old male dying of leukemia, 54:10008
role of nurse as mediator, placement in regular classroom, child with leukemia, 54:10002
social implications, advances in treatment, children with acute leukemia, 54:12412
spontaneous pictures, indication of condition of total personality & mind & body for use in diagnosis & prognosis & therapy, leukemic children, 54:5590

Leukocytes [See Leucocytes]

Leukotomy [See Psychosurgery]

Levodopa
acetylcholinesterase & butyrylcholinesterase activity, 14- & 20-day-old chick embryo cerebellar explants cultured in levodopa vs estradiol, implications for central nervous system development & function, 53:6746
alpha-methyl-p-tyrosine & levodopa & disulfiram, brain concentrations of tryptophan & 5-hydroxytryptamine & noradrenaline & dopamine & tranylcypromine & tryptophan-induced hyperactivity, rats, 53:9062
alpha-methyl-p-tyrosine methyl ester & subsequent levodopa & peripheral decarboxylase inhibitor, temporal summation in neural substrate for reinforcement effect in self stimulation, rats, 58:2905
amantadine hydrochloride & levodopa vs placebo, Parkinson's disease, outpatients, 53:3633
amantadine vs levodopa & pretreatment with Ro-4-4602 vs disulfiram, self stimulation & negative reinforcing effects of hypothalamic stimulation, male cats, 57:5374
amphetamine & levodopa, upward jumping resembling narcotic-withdrawal syndrome, male mice, 53:11197
amphetamine & subsequent neuroleptic drugs, levodopa-induced jumping, male mice, 57:9850
apomorphine & atropine & neostigmine & physostigmine & alpha-methylparatyrosine & benztropine & chlorpromazine & levodopa & fenfluramine & 2-dimethylaminoethanol, motor activity & reactivity & neurochemical analyses, lead-treated hyperactive mice, 54:7057
apomorphine & dextroamphetamine & methamphetamine & levodopa & piribedil & amineptine chlorydrate, unilateral lesioning in entopeduncular nucleus producing ipsiversive circling behavior, cats & rats, 58:11169
apomorphine & levodopa & amphetamine, turnover rate of acetylcholine in vivo in various areas of brain, rats, 55:472
apomorphine vs levodopa & Ro 4-4602, copulatory behavior, sexually sluggish male rats, 53:9116
atropine vs phentolamine vs propranolol vs methysergide vs cinanserin vs nicotine vs oxotremorine vs pimozide vs levodopa, dextroamphetamine-induced discriminative responding, male rats, 57:745
benserazide &/or levodopa therapy, abnormal involuntary movement, parkinsonism patients, 54:12270
bilateral 6-hydroxydopamine injected into substantia nigra vs lesion of dorsal or ventral noradrenergic pathways, locomotor & stereotyped responses induced by amphetamine & sensitivity to apomorphine & levodopa & response to cocaine, male rats, 55:364
blocking of biosynthesis of serotonin or dopamine or their receptors, behavioral syndrome induced by levotryptophan vs levodopa & pretreatment with pargyline, male rats, 53:6837
central catecholamine activity, sensitivity to tonic extensor seizures & response to anticonvulsant effects of levodopa, spontaneously hypertensive vs normotensive rats, 55:4019
cerebral & peripheral absorption of levo-5-hydroxytryptophan & levodopa, manic depressive & psychotic patients, 54:3296
chronic levodopa, blockage of alpha-methyltyrosine induced supersensitivity to apomorphine, male mice, 54:4811
decarboxylase inhibitor, levodopa & 5-hydroxytryptamine induced changes in locomotor-like discharge pattern of hind limb nerves, rabbits, 54:651
decarboxylase inhibitors, levodopa-induced circling behavior & conversion of dopa to dopamine in brain, male mice, 57:2749
dextroamphetamine & apomorphine & levodopa & haloperidol & scopolamine & alpha-methylparatyrosine & diethyldithicarbamate & pilocarpine, drug-induced rotation & dopamine & norepinephrine levels, female rats, 58:9128
dextroamphetamine & levodopa, anorexigenic effects, male rats, 53:11224
diphenylhydantoin, levodopa therapeutic effects, parkinsonism & chronic manganese poisoning & Huntington chorea adult inpatients, 53:12155
dopamine & levodopa & diethyldithiocarbamate & haloperidol, aggressive behavior & spontaneous bioelectrical activity, ants, 54:11243
dopaminergic drugs, influence on serotonergic neurons resulting from primary dopamine stimulation, 58:702
drugs activating or blocking dopamine receptors or increasing release of endogenous dopamine, spontaneous firing rate of neurons from dopaminergic input in prefrontal cortex, male rats, 57:7810
ECS, behavioral responses to brain 5-hydroxyindoleacetic acid & 5-hydroxytryptamine or tryptophan concentrations & tranylcypromine & levodopa, rats, 56:9460
etiology of aphagia & reinstatement of eating by dopamine agonists, male rats with adipsia & aphagia after bilateral intracerebral injections of 6-hydroxydopamine, 56:420
fusaric acid, parkinsonism, untreated & levodopa-treated idiopathic parkinsonian patients, 53:1656
imipramine vs benztropine vs levodopa, open field behavior, rats, 53:9075
inhibitors of dopamine-beta-hydroxylase, modification of levodopa reversal of reserpine akinesia, male mice, 56:9553
intellectual impairment & levodopa effects on cognitive performance, patients with chronic hepatic encephalopathy, 55:4909
intraperitoneally injected dextroamphetamine vs cocaine vs levodopa vs desipramine vs apomorphine, catecholaminergic mechanisms in alpha-methyl-para-tyrosine precipitated morphine withdrawal syndrome, medium- & highly-dependent male rats, 53:6829
levo- vs 5-hydroxytryptophan vs levodopa dosages, amine repletion & effect on ponto-geniculo-occipital wave activity & REM sleep, reserpinized cats, 58:2978

levodopa & amantadine, plasma concentrations of levodopa & 3-methoxydopa & clinical ratings & motor performance, parkinsonian patients, 54:5871
levodopa & apomorphine & pimozide & disulfiram & dextroamphetamine, catecholaminergic neurotransmission & aggression, mice, 54:606
levodopa & carbidopa, Parkinson's disease, patients, 56:1105
levodopa & chemotherapy, Parkinson's disease & psychological manifestations, 53:7914
levodopa & clonidine & apomorphine, acoustic startle reaction, male rats, 53:11175
levodopa & intracranially injected dopamine & haloperidol, suppression of ethanol withdrawal, mice, 57:9829
levodopa & levodopa with carbidopa vs anticholinergic drugs &/or amantadine, mood & relationship between physical disability & mental state, patients with Parkinson's disease, 57:10924
levodopa & levotryptophan, clinical improvement, hospitalized depressives, 54:1598
levodopa & peripheral decarboxylase inhibitor, reversal of impaired learning due to destruction of dopaminergic nigro-neostriatal projection, male rats, 53:2702
levodopa & peripheral dopa decarboxylase inhibitor, Sydenham's chorea, male patients, 55:11814
levodopa & Ro 4-4602, copulatory behavior, male rats, 53:2641
levodopa & Ro 4-4602, patients with Parkinson's disease, 53:7891
levodopa & RO-4-4602, mechanisms of central hypotensive activity, desoxycorticosterone acetate hypertensive rats, 55:457
levodopa & Ro-4-4602, night sleep organization, parkinsonian patients, 54:12269
levodopa & R0 4-4602, hyperreactivity induced by septal lesions, female rats, 56:9461
levodopa alone or in combination with decarboxylase inhibitor, "long-term syndrome", parkinsonism patients, 58:12146
levodopa alone or in combination with decarboxylase inhibitor, patients with Parkinson's disease, 5-yr study, 58:12166
levodopa, alpha-methyltyrosine suppression of ethanol-induced locomotor stimulation, mice, 53:2632
levodopa, brain levels of serotonin & tryptophan, rats, 53:2594
levodopa, chronic schizophrenic patients, 56:4497
levodopa, concept formation, parkinsonian patients, 55:1063
levodopa, conditioned avoidance responding after behavioral suppression by alpha-methyltyrosine vs reserpine, female mice, 53:4686
levodopa, cortical average evoked responses & learning & behavioral changes, depressed inpatients, 57:6398
levodopa, development of psychotic behavior patterns, parkinsonian patients, 53:10104
levodopa dosages, metabolism, Parkinsonian patients, 53:5866
levodopa dosages, suppression of successive discrimination-conditioned avoidance task induced by alpha-methyltyrosine methylester hydrochloride vs tetrabenazine, rats, 53:9029
levodopa doses, average evoked potentials to light flashes in visual & association & cerebellar vermal cortices, cats, 57:9845
levodopa, human growth hormone, postmenopausal vs unipolar depressed postmenopausal females vs unipolar & bipolar depressed males, 54:3699
levodopa in combination with other drugs, 17–53 yr old schizophrenic inpatients, 57:6409
levodopa, IQ & memory, hospitalized parkinsonian patients, 53:1660
levodopa, plasma dopa levels & patterns of clinical response, Parkinson's disease, patients exhibiting symptom fluctuations, 54:3716
levodopa, psychiatric & neurological symptoms & cerebrospinal fluid, 2 female patients with Huntington's chorea, 57:13330
levodopa, selective field potential changes, rats, 55:6552
levodopa, sleep onset & duration & stages & frequency & duration of facial paraspasms during sleep, 40–72 yr old inpatients, 54:12280
levodopa, symptoms, 53 yr old catatonic schizophrenic female, 58:3910
levodopa, testicles & seminal vesicles & prostate, male rats, 53:11216
levodopa therapy & clinical symptomology & differential diagnosis, Hallervorden-Spatz, sisters, 53:3640
levodopa therapy, Parkinson's disease, review, 55:1067
levodopa, visual spatial performance deficits, patients with Parkinson's disease, 54:10170
levodopa vs adenosine monophosphate vs choloroamphetamine vs reserpine vs 5-hydroxytryptophan,following swimming skill training & drug dosages, subsequent skill performance & protein synthesis in brain, goldfish, 58:5030
levodopa vs apomorphine, growth hormone responses, normal vs schizophrenic young males, 58:11839
levodopa vs levoamphetamine, 3–6 yr old schizophrenic patients, 55:10396
levodopa vs serotonin, behavior & biochemistry & cardiovascular system, rats & dogs, 55:9263
levodopa, 25–35 yr old outpatient schizophrenics under neuroleptic treatment, 55:7649
levotryptophan, psychotic side effects of levodopa, parkinsonian patients, 53:1650
light & electrical cutaneous stimulation in central & occipital areas of cerebral cortex before & after ablation of thalamic nuclei or levodopa administration, analysis of evoked potentials, parkinsonian patients vs normals, 55:2528
lithium chloride, potentiating effect on aggressive behavior induced by nialamide plus levodopa & clonidine, male mice, 55:4142
long range levodopa therapy, cognitive & perceptual effects, parkinsonian patients, 56:8450
long term levodopa therapy, psychometric test performance for memory & cognition & perception, 48–82 yr old parkinsonian patients, 56:1127
long vs short term levodopa therapy, psychological & psychosocial aspects, parkinsonism patients, 55:5154
long- vs short-term levodopa therapy, critical flicker frequency, parkinsonian patients, 53:1679
low vs high levomethionine intake, clinical effectiveness of levodopa, idiopathic parkinsonian patients, 53:1685
melanocyte stimulating hormone release-inhibiting factor & thyrotropin releasing factor & angiotensin II, behavioral effects of levodopa & 5-hydroxytryptophan in male mice & levodopa antagonism of harmine tremors in rabbits, 54:4820
metoclopramide & pimozide, parkinsonism & levodopa-induced involuntary movements, patients with Parkinson's disease, 54:8075
morphine vs levodopa vs tetrabenazine, bradykinin-induced activity of lamina V cells of spinal dorsal horn, rabbits, 54:11264
neurochemical mechanisms of levodopa therapy, Parkinson's disease, 54:1586
nialamide & levodopa, generation of forelimb locomotor movements coordinated with hindlimbs by spinal cord, high spinal cats, 56:5573
nigra lesions & subsequent N-propylnoraporphine vs apomorphine vs levodopa, rotatory behavior, rats, 54:6936
norepinephrine & dopamine manipulation by 6-hydroxydopamine alone vs with haloperidol vs levodopa following alpha-methyl-para-tyrosine, hypothalamic vs preoptic self stimulation, rats, 56:7445
parachlorophenylalanine & parachloroamphetamine pretreatment, tranylcypromine- & levodopa- & methamphetamine-induced locomotor activity & brain 5-hydroxytryptamine & levodopa & dopamine concentrations, rats, 56:9567
para-chlorophenylalanine vs alphamethylparatyrosine with vs without 5-hydroxytryptophan vs levodopa pretreatment, sexual activity in response to testosterone propionate & brain monoamines, castrated male rats, 57:7713
phenoxybenzamine & haloperidol & pimozide & FLA-63 & clonidine, reversal of reserpine-induced & alpha-methyl-para-tyrosine-induced motor activity reduction by levodopa & apomorphine, mice, 57:2738
pimozide & pargyline & dopamine, levodopa-induced facilitation of sexual behavior, castrated male rats, 56:7450
pimozide vs phenoxybenzamine, normalization of levodopa-induced abnormal behavior in discrimination avoidance task, male rats, 58:11223
plasma concentrations of levodopa during mobile & dyskinetic vs akinetic & tremulous episodes, Parkinson's disease patients, 53:7923
pretreatment with peripheral decarboxylase inhibitor, time & dose, locomotor activity & behavioral effects of levodopa & 5-hydroxytryptophan, male mice, 54:4810
pretreatment with reserpine or alpha-methylparatyrosine, levodopa effects on cerebraldopamine & noradrenaline levels, mice & rats, 58:679
psychosis following levodopa & carbidopa, 53 & 75 yr old male parkinsonian patients, 56:8454
radio-immunologic analysis of blood samples during levodopa administration, gonadotropic anterior pituitary activity, 18–42 yr old mongoloids, 53:1694
reserpine & FLA-63 & spiramide & alpha-methyltyrosine, levodopa induced gnawing after decarboxylase inhibitor Ro-4-4602 administration, male mice, 54:626
reserpine vs levodopa vs 5-hydroxytryptophan, cerebrospinal 5-hydroxyindoleacetic & homovanillic acids & behavior & EEG, cats, 56:9541
role of catecholamines, effects of amphetamine & levodopa on cerebral energy metabolism, rats, 54:4833
sexual & intimacy needs, elderly parkinsonian patient in counseling, consideration of levodopa effects on libido, 58:1438
trihexyphenidyl hydrochloride & levodopa vs levodopa & placebo, Parkinson's disease patients, 53:7903

Liberalism
age & sex & liberal vs conservative self images & parish vs nonparish clergy & Protestant vs Roman Catholic affiliation, attitudes toward sexual involvement of adults with minors, current vs former theological school students, 56:9755
aggregate structure of social attitudes, British 17 yr olds, support for F. N. Kerlinger's theory, 55:12058
amount of knowledge about liberalism-conservatism, organization of political belief system & positions on issues & candidates, 18–24 yr olds, 55:12153
apparent possession of characteristics antithetical to own liberal or conservative values, conceptions of harmful groups & attribution of characteristics, adults in Colorado & New Zealand & Japan, 54:9614
attitudes toward Women's Liberation Movement & female liberalism & social role, black women, 55:9558
college satisfaction & psychosocial orientation & academic achievement, male vs female part-time evening college students, 58:12571
dogmatism & liberalism-conservatism & environmental attitudes, glass & can recyclers vs nonrecyclers at shopping center, 57:11672
dogmatism & liberalism-conservatism, prediction of attitude intensity & latitude of acceptance-rejection, college students, 54:9712
intensive human sexuality workshop, degree of sexual liberalism, college educators, 58:6158
liberal psychology & liberal political theory, book, 55:9645
liberal vs conservative socioeconomic values & beliefs, 11th & 12th graders & their parents & teachers in independent vs public high schools, 55:12959
liberalism of sex role attitudes, male vs female demonstrators in support of JoAnn Little, 57:3138
minority vs fraternity & sorority organization membership & dogmatic orientation, conservative-liberal characteristics of value positions & preferences, college students, 56:10696
moral judgment, validity of Defining Issues Test & relationship to moral comprehension & law & order orientation & intelligence & liberalism, adults, 58:5388
open-closed mindedness & theological conservatism-liberalism & job satisfaction & dogmatism & personal orientation, Christian ministers, extension of A. C. Webster's work, 57:10111
parental attitudes toward childrearing, attitudes toward social change, adolescents, 55:647
psychological involvement with TV, acceptance of conventional social attitudes & values, adult residents of New England town, 58:5228
satisfaction with faculty & administration & social class & liberalism, junior college native vs transfer students, 53:1944
scale development, measurement of conservatism–liberalism, college student activists, 54:1141
self estimated IQ scores, correlations with liberalism-conservatism & birth order & locus of control & parent-child ideological agreement & introversion & GPA, college students & adults, implications for validity of self estimated IQs & intelligence testing, 58:1236
sex differences, conservatism-radicalism, postgraduate students, India, 56:2438
traditionalism & progressivism & authoritarianism, child placement in classes for mentally retarded, school psychologists, 55:5691
Women's Liberation Movement & perceived childhood socialization experiences, liberal-conservativeness & sex role stereotypes in attitudes & behavior, mature female students vs housewives, 55:12162

Liberalism (Political) [See Political Liberalism]

Libido
clarification of libido concept & development of S. Freud's definition of humanism, 54:4414
combination of libidinal & aggressive drives with narcissism, illustrations of growth & destruction of civilizations, 57:8068
early object loss & denial, libidinal & ego development, woman who lost father to concentration camp at 4 yrs of age, 56:5826
economy of libido & situational relevance of cerebral seizures, 58:1482
Freud's writings on cathexis & libido, application to empathy & identification development in oedipal period, 57:10039
mirror as metaphor for mind, narcissistic & libidinal conflicts, & role of psychoanalysis, 53:8026
Oedipus complex & castration anxiety & castration complex & developmental stages of libido & object relationships & infantile masturbation in psychoanalytic theory, illustrations using case material on neurotic patients, 56:6154
primary & secondary narcissism & libido of ego & object, Freud's 1914 essay "On Narcissism: An Introduction", 53:3158
psychopathology & conflict over unconscious libidinal & aggressive wishes, ongoing research program results employing subliminal presentation of wish related stimuli & hypnotic stimulation of wishes, clinical & normal Ss, psychoanalytic theory validation, 57:5955
romantic quest & hero's search for libidinal fulfillment & release from life's anxieties, H. James' "The Beast in the Jungle" & "The Ambassadors", 55:6675
sexual & intimacy needs, elderly parkinsonian patient in counseling, consideration of levodopa effects on libido, 58:1438

Licensing (Professional) [See Professional Licensing]

Lidocaine
anesthesia of glans penis, mating behavior, male rabbits, 57:9824
chronic lidocaine, progressive behavioral changes & relationship to kindling, male rats, 55:4148
digital block by anesthetization of mid-interphalangeal finger join proprioceptive space perception, college students, 56:9056
electrical stimulation of gums & mucosa inside mouth with vs witho xylocaine infiltration of inferior alveolar nerve, exteroceptive su pression of EMG & motor control of masseter & temporalis muscle 19–32 yr olds, 55:368
estradiol & dihydrotestosterone & genital anesthetization, mounting receptive behavior, ovariectomized female rats, 53:516
lidocaine anesthesia of vibrissal pads vs removal of all vibrissae, fightir behavior, male rats, 54:9082
lidocaine HCl application to vibrissal pads & intranasal mucosa, shoc elicited fighting, male rats, 55:4158
lidocaine infusion into lateral septum or surrounding structure hyperactivity & aggressiveness, male rats, 57:7766
lidocaine injections into vibrissal pads, aggressive behavior durir encounters with unfamiliar male intruders, established colonies rats, 56:5657
local anesthesia of mystacial vibrissae with lidocaine, suppression mouse killing & apomorphine-induced social aggression, male rat 53:9119
peripheral & central anosmia producing techniques, spontaneou behavior patterns, male rats, 53:4609
xylocaine-induced oral-sensory deprivation, consonant productio young adults, 54:148

Life Experiences
academic aptitude & school motivation measures & life histor prediction of nonacademic accomplishments, high school senior 54:3996
academic risk level & life changes & locus of control & need fo achievement, academic achievement, college students, 58:10433
adult listener's amount of knowledge about discussed experience modification of communicative behavior when relating experience 3.5–5 yr olds, 57:8036
age & degree of self actualization, aftereffects of negative experience 17–26 vs 37–46 vs 62–71 yr olds, 57:8299
age & sex & life experiences, conceptual style & classification, middl aged vs elderly, 53:5005
age & sex & race & parental & marital status & socioeconomic status past & present experiences & satisfactions with environment attitudes about macro-proximal environment, employees of larg industrial firm & college faculty members & students, 55:13743
age & sex, discrepancy between real & ideal self concepts & related lif satisfaction, 20–25 vs 30–35 vs 40–45 vs 50–55 vs 60–65 vs 70–75 y olds, 57:3307
age, crisis resolution in body attitude & ego, long & short ter prisoners, 58:11868
age differences & social-ecological background experiences, develop ment of person perception & attributions of social causality, 6 vs 7 vs 9 vs 12 vs 15 yr olds vs adults, 57:5603
alternative life-style experiences, academic commitment & self accep tance, re-enrolling college students, 55:8218
amitriptyline maintenance treatment & psychotherapy, life events & depressive relapse, recovered depressed females, 57:6411
analysis of critical life incidents, female college students, US vs Lati America, implications for counseling, 58:4416
antecedent life history, behavior in college, male college students longitudinal study, 58:6301
anticipation training employing planning & anticipation of pleasant & reinforcing activities, reduction of depression, 57:10678
application of game theory, solution of everyday life problems, book 55:12187
Army service, perceived quality of life, 30 yr old veterans, 56:1089
art therapy using life review, reexamination & resolution of pas conflicts & reconstruction of present experience in face of impendin death, aged patients in home for aged, 56:1017
assumptions of crisis theory, prediction of life satisfaction & rol changes following retirement, 53–72 yr old males, 55:2238
attempts at integration of personal & historical life cycle & discussion o literary works, J. P. Sartre, 55:796
attitudinal indicators, quality of US Army life assessment, 1st-ter enlisted men, 53:12598
background aspects, academic achievement, students at teacher college, 56:2832
behavioral measurement of social competence in context of structure interview vs Social Experience Inventory Scores, adolescents, 58:9319
canonical correlation analysis, 16 PF responses & life history inventory gifted high school juniors & seniors, 54:4242
change in individual life circumstances & perceived rate of socia change, anxiety, 17–66 yr olds, England & US, 58:3172
changes in life conditions, onset of neurotic illness, 54:3346
changes in self esteem & perception, perception of autobiographica past, 57:5864
childhood & educational & occupational & marriage & parenthood role loss, male suicide victims vs homicide offenders vs nonviolen hospitalized males with psychoneurotic complaints, 58:9689
clinical approach, life stress & psychiatric disorder, 53:5548
clinical technique for investigation of experienced reality & unreality qualities connected with everyday life experiences, psychotic vs nonpsychotic patients, 56:6134
concentration camp experience of parents, emotional development o children, 54:9363
conceptual & methodological problems, resistance resources & stressful life events, 53:5300
conceptualization & errors in measurement & improvement in data analytic procedures, relationship between life events & stress & illness onset, literature review, 57:12866
concern with threat of illness & health sophistication & orientation toward health professionals & experience with illness, health maintenance & health-seeking activities, aged, 55:12091
construction of biographies highlighted by bleak life events, classification into pathological categories by judges, college students, 54:7796
content of waking experiences & subsequent dreams over 1 day, dream-waking state relationship as continuous & congruous, 58:2737
continued involvement in historically developed system of roles, life satisfaction, aged referred to social service agency for assistance in home management & health care, 57:8859
contrived roleplays vs real life experiences in human relations training practice trials, facilitative communication & self confidence as helper, nursing students, 58:10119
coping with life crises, book, 55:11889
correlation between Social Readjustment Rating Scale & anxiety & its somatic concomitants, 53:11744
counseling effectiveness, meaningful direction & purpose in life, 54:7986
cross cultural differences, Social Readjustment Rating Questionnaire data, New Zealand university medical school personnel vs American sample, 57:8073
cross cultural differences, Social Readjustment Rating Scale data, Cuban exiles living in US vs US standardization sample, 57:8090
daily self reports on activities & life events & moods & somatic changes during menstrual cycle, females taking vs not taking oral contraceptives vs males, 58:2873
death-related attitudes & feelings & experiences, thanatology students vs national sample, 56:545
demographic & clinical & life history characteristics & personality traits, nonsuicidal vs suicidal psychiatric inpatients, 54:7838
demographic characteristics, life crisis events & social-psychiatric symptomatology, adults, 58:11826

emographic factors & personal life experience with retarded child & internal vs external locus of control, psychological adjustment, fathers of retarded vs normal children, 57:6102
emographic history, past experiences & emotional problems, college student helpseekers, 55:9979
epression & anxiety & life experience differences, females with benign vs cancerous breast lesions, Israel, 57:8555
escription & applications, Life History Questionnaire, 53:10707
esirable vs undesirable life events, relationship to stress & mental distress, male drivers, 57:3422
evelopment & interpretation of biographical questionnaire, analysis of correlations among biographical variables & anxiety & past experiences, college students, 58:10837
evelopmental status & life experiences, infants & elementary school children of schizophrenic mothers, 55:9980
iagnostic classification, number of stressful life events precipitating 1st admission vs readmission to psychiatric hospital, male vs female psychiatric patients, 57:6511
ducational & occupational & personal experiences & perceptions of district's curriculum & guidance program, 1967 high school graduates, 5-yr longitudinal followup study, 56:2971
lective off premises activities, quality of life, nursing home patients, 56:6540
empty nest" life span transition & accompanying stress, emotional & physical health, women, 58:1232
nvironmental & inhabitants' characteristics, mental illness incidence, isolated new mining towns, Australia, 55:4709
nvironmental influences & significant experiences, adult personality development, 57:12569
pidemiological assessment, stressful life events & depressed mood & psychophysiological symptoms, 53:5527
pidemiological studies of life changes & illness, 57:8550
thnocultural & developmental & personal factors, experience & mastery of pain & relating of others to sufferer, 53:11701
thnopsychoanalytic perspectives, life history & creative psychopathology of shaman, 57:12607
tiological implications of sociocultural & social-psychological factors, occurrence & distribution of functional psychiatric disorders, 55:12380
tiology & common life history themes & treatment, pseudo-mental illness, 54:9877
veryday life & daily routine, young deaf children & their families, book, 56:8240
xistential-phenomenological study, structure of alcohol addiction revealed through life-historical drinking situations or alcohol related situation, self confirmed male alcoholics, 58:11883
xistential-phenomenological view of lived body, 57:4619
xits from social field & undesirable events previous to illness onset, depressives vs schizophrenics, 54:3312
xperience with life events & ethnicity, ratings of readjustment to life events, 16–43 yr old college students, 54:3152
xperiences & characteristics, correctional institution inmates with patterns of chronic assaultive behavior vs no history of assault, 56:10114
xperiences & thoughts & feelings, aging in ghetto, older blacks living in northern industrial city, 56:536
xperiences during maturation, US vs Panama adolescents, 54:9319
xperiences of elusiveness vs anticipation & grief, 57:8325
xperiencing" as mode of actualization of becoming & learning, children, 53:4947
xperiential & cognitive approach to education & teacher characteristics, whole person learning, 54:8416
xperiential research, life in nursing homes, patients, 55:10489
xperientially advantaged vs disadvantaged, differences in conceptualization, 3rd graders, 55:12004
amily & social & emotional experiences, expression of reactive behavior during sports activities, athletes, 58:5447
emale life experiences & psychology of women, book, 57:5633
ree response description approach, analysis of stability & variance in behaviors & feelings according to situational characteristics, college students, 57:10381
estation period of identity change as result of critical life experiences, 57:12833
rief & guilt & confusion, creative awareness & growth, book, 55:12340
abitual presence vs absence of visual imagery in relation to childhood & adult abilities & behaviors & experiences & attitudes & academic specialization, college student visualizers vs nonvisualizers, 57:12849
ealth habits & social assets & psychologic well-being & life change, alterations in health status, city residents aged 18 yrs & older, 55:7258
ermeneutic approach, psychology of human experience, book, 57:4633
igh vs low life satisfaction, adaptation to widowhood, widows aged 45 yrs old & over, implications for therapeutic counseling, 55:7245
istorical review, stressful life events research, 53:5436
istorical setting & social change, timing of & adaptation to major life events & social expectations regarding age-appropriate behavior, 57:10029
mportance of cumulative personal experience, educators helping developmentally retarded children, 57:4310
mproved public housing facility, morale & life satisfaction, elderly residents, 56:7752
nclination to reimmigrate, experiences abroad & future expectations, Israelis residing in France & in US, 57:12579
ndividual differences in life change scaling, myocardial infarction patients & controls, 54:5628
ndividuation-transcendance of Jungian types & life change & health status, college students, 58:5381
nsight, understanding trauma & amelioration of pain, aged, 56:7613
ntegration of negative experiences, high vs low functioning career of professional women, 58:9580
ntegration of roles & settings & life events, life career development, 55:3325
ntense experiences, black & white female prisoners, 55:12493
nteraction of state of defensiveness during hospitalization & experience of adverse life events after hospital discharge, suicide following psychiatric hospitalization, male psychiatric patients, 57:3603
nternal vs external locus of control, perceptions of stressful life events, black vs white college students, 56:2418
nterpersonal & economic resources, evaluation of resources & quality of life, students, 58:7502
nterrelations of Life Events Record & General Anxiety Scale for Children vs Social Desirability Questionnaire & Missouri Children's Picture Series scales, investigation of recent life changes & psychological dysfunction, male 3rd & 5th graders, 57:2202
nterview analysis, life history & runaway behavior & family & childrearing values, 13–18 yr old runaways who made contact with residential center for runaways, 58:3548
nterview analysis, perceptions of experiences of disruption & change in middle years, White middle class suburban Protestant females in 5th decade, 58:768
nterview method, religious history & significant experiences, development of self-concept & world view & ultimate concern & religious commitment, case histories, 53:2825
ntrinsic vs extrinsic religious orientation, purpose in life, college students, 54:11496
ssues relating to quality of life, mentally retarded in residential facilities, 58:6007
ob & life stresses & job involvement, prediction of job-related strain, male vs female government employees, 58:10728
language experience approach to reading education combining student's oral language & life experiences, minority students, 58:4283
language signification, assessment of experiencing, college students, 56:2422
length of time on job & type of program & sex & socioeconomic status & related life experience & level of professional preparation, attitudes toward narcotic addicts in rehabilitation program, professional & paraprofessional rehabilitation workers, 55:10552
level of & reasons for disclosure of experienced problems in marital relationship, husbands vs wives, 56:3903
life change & relative autonomic balance, college students, etiological significance for illness onset, 56:8796
life change & trait anxiety & dogmatism, academic performance, college freshmen, 55:13276
life change, attitudes toward self & others & mental health & academic role performance, college students, 57:5942
life change events & personal construct systems, readjustment stress & adjustment, male vs female Ss, 58:11760
life change events, adjustment & relation to anxiety & defensiveness, 6 yr olds, 58:9339
life change events, onset of breast concern symptoms, women newly admitted to cancer clinic, 58:1455
life change, health status & relationship to ego functioning, college students, 57:5939
life change, illness susceptibility, 53:5440
life change patterns prior to ischemic heart disease caused death, male death-discordant mono- vs dizygotic twins, 57:6181
life change, self concept, 10th & 11th & 12th graders, 55:9865
life change unit scores immediately preceding hospitalization vs 7–12 months prior, newly admitted patients, 53:12354
life changes & adjustment & subjective & physical stress & aggression & alcohol abuse, traffic accidents, normal & alcoholic male drivers, 53:1453
life changes, absenteeism & transfer requests & continued education & grading distribution, high school teachers, 53:1866
life changes before & during pregnancy, delivery, postpartum females, 55:3996
life changes, hospitalization, reply to H. J. Wershow & G. Reinhart's criticism, 57:8518
life crises, social diagnosis & therapy, patients admitted to day hospital, 53:10364
life events & anxiety, realistic problem solving as measure of coping ability, 5th & 6th graders, 58:11743
life events & prior treatment & family relations, decision to accept vs reject mental patient role, mental health center patients vs Ss who resisted treatment, 54:8008
life events & stress, depression & attempted suicide, implications for crisis intervention, 57:3414
life events & subjective stress & traffic accidents, male drivers, 58:8461
life events before & after premature myocardial infarction onset, 53:5754
life events inventory, measurement of life change & stress caused by life events, urban Ss, Australia, 56:5194
life events, personality change over 5 yrs, New Zealand high school students, appendix, 55:9822
life events, personality change over 5 yrs, New Zealand high school students, 55:9823
life events, stress as precipitating factor in psychiatric illness, psychiatric vs medical vs surgical patients, 58:5538
Life Experience Scale development, measurement of social competence, adult males, 53:4293
life experiences & emotional states & stress, changes in amount of sleep required, 57:2648
life experiences & leadership qualities, ability to conduct counseling & growth & therapy groups, group leaders, implications for training & education, 55:2858
life experiences & subjective experiences of moral development & psychodynamic conflict, moral development, social work students, 58:7271
life histories, use in psychology of personality course, 54:10556
life history & mood, prediction of adjustment in training, US Navy recruits, implications for counseling & remediation programs, 58:4486
life history technique, students working with elderly, 56:7715
life history type, maze learning styles & performance, college students, implications for instructional technique appropriateness, 55:3764
life stress, attempted suicide, males, 55:7337
life stress in community context, mental health, 57:8277
life threatening events vs self rated symptom severity, decision to consult physician regarding new illness episodes, 57:4052
life-cycle variations in patterns of close relationships, adults at different stages of life cycle, 56:5922
life-stress & locus of control, illness-related treatment-seeking, college students, 55:4959
limitations of Social Readjustment Rating Scale, measurement of life changes & illness, 55:924
locus of control & risk taking capacity & past-future associations, institutionalized vs noninstitutionalized psychiatric patients, 56:10432
locus of control & success-failure experiences, information seeking behavior, institutionalized adolescents, 55:7228
magnitude & number of life crises, mental deterioration in old age, mentally deteriorated vs normal elderly women, 53:4998
major change in lifestyle, changes in speech communication behavior & self concepts, Ss assessed before & after retirement, 58:735
major life events, sorting of post high school age people into subjective age categories, adults, 56:4032

male experience, book, 56:5947
meaning & measurement, stress of life events, 53:5433
meaning & value & uses of life-span education, gerontology & adult education, 55:5404
means of solving real-life problems, psychiatric patients vs female controls vs culturally disparate normal females, 56:8134
metatheorical model, relationship between life events & illness, 53:5434
MMPI & life history, choice of substances, young vs old hospitalized chemically dependent veterans, 58:9697
need achievement level revealed by recalled childhood stories, academic achievement, female college students, 58:8309
need for conceptual development, stressful life events & illness research, 53:5442
neuroticism & extraversion, recall speed for pleasant vs unpleasant experiences, adult volunteers, 53:383
norms & intercorrelations, short form of Life History Questionnaire of Radloff & Helmreich, 56:8996
number of life changes, illness, 20–60 yr old male vs female Portuguese immigrants, 57:8552
Observable Behaviors Checklist & 16PF scores & personal involvement experiences, classroom effectiveness in pre-student teaching activities, students majoring in education of mentally handicapped, implications for student selection instrument, 57:13598
observations & conclusions relative to mind's dedication to survival based on theoretical concepts of Erhard Seminars Training, 55:2374
overall psychological status & nature & number of life crises within previous year, probability of tranquilizer use, adults, 54:7874
perceived latitude of choice & self concept & life satisfaction scores, 68–75 yr old institutionalized vs noninstitutionalized females, 57:4117
perceived risk & comparison with values given by discounted earnings, method of estimating monetary value of life to be used for evaluation of safety precautions, 53:11541
percept–genetic model, individual methods of formation of new patterns of experience, 54:2148
perception of amount of adjustment to common life events, 65–84 yr olds, 54:5068
perception of life crisis events, rural vs urban samples, 53:5347
perceptions of effectiveness & social appropriateness of solutions in solving real-life problems, clinical psychologists & psychology research associates vs clerical workers, 56:8600
perceptions of elementary school experiences, women, 55:10622
perceptions of students' problems in living, 8th grade disadvantaged males vs school counselors vs principals, 55:13402
personal account of life in mental hospital, female psychiatric patient, 54:1808
personal catastrophe & depression, medically ill adolescents, implications for retrospective life event studies, 53:5717
personal history variables & personality traits measured by MMPI performance, Overcontrolled-Hostile personality constructs & scale performance, highly vs mildly violent vs nonviolent female offenders, 58:9685
personal life history & self perception & school problems, delinquent vs non delinquent 13–17 yr olds, 55:883
Personal Satisfaction Form, semistructured interview procedure for psychotherapeutic outcome evaluation, 17–18 yr old outpatients, 54:10059
personal vignettes of meaningful life events, human development, textbook, 57:5472
personality & demographic characteristics & life experiences, psychological responses to use of fetal monitoring during labor, women who delivered healthy infants by caesarean section, 57:1723
personality & number of surviving children & precipitating events & deafness & social class & family history & other premorbidal characteristics, patients aged 50 & over with paranoid vs affective psychosis, 57:8398
personality & symptom correlates, life change, male vs female psychiatric patients, 55:7290
personality characteristics & life history patterns, sexual partner surrogates for psychotherapist referrals, 26–52 yr old females, comparison with data on prostitutes from earlier study, 58:9572
personality, depressive functional shift features & outlook on life values, patients with depressive illness, 55:4779
personality traits & childhood housing history, housing style preferences, 58:11748
personality traits & life experiences & family history of mental illness, incidence of psychiatric illness, physicians, review, 54:7826
personality traits & prior experiences & cognitive abilities, RT & commonality scores & idiodynamic response sets of word associations, female college students, 54:316
phenomenological study of interpersonal trust as experienced in everyday life, developmental & clinical & social psychological implications, 57:5877
philosophical & relativistic & psychological & transactional & phenomenological approaches, meaningfulness in life, Personal Orientation Inventory & Purpose in Life Test & validation of Life Regard Index, 53:5302
post-immigration & resettlement experiences, Chinese immigrants in San Francisco, 55:9541
predictive validity of model, frequency & pattern of life events, coping with interpersonal conflicts during & after hospitalization, male psychiatric patients, 57:3448
preferences for information about person's traits vs specific past behavior & temporal span covered by available information, prediction of future behavior, college students, 53:7327
prevalence of epilepsy & school experience & subsequent adult social integration, 6–14 yr old epileptics, Italy, 58:3649
problems in defining & sampling, population of stressful life events, 53:5315
problems in design & administration & analysis, Holmes & Rahe's Readjustment Rating Scale ratio measurement of life stress, 56:5180
proximity to retirement, perceived need satisfaction & need importance & overall life satisfaction, managerial & nonmanagerial individuals prior to retirement, 55:4660
psychohistorical life themes, young adult children of concentration camp survivors, 58:7361
psychological characteristics & life experiences, acceptance of Hinduism & guru, devotees to American guru, 54:879
psychological profiles & life histories & attitudes toward freedom, displaced Russian men who escaped to Western Europe, 56:7737
psychosocial transitions in adaptation to changes in individual's world models, implications for care-giving professionals, 56:6095
qualitative study, prolonged positive states of being, 20–40 yr olds, 58:11730
quality of American life, perceptions & evaluations & satisfactions, book, 57:5650
questionnaire data, analysis of mental health in work & family & leisure, married & unmarried & divorced or widowed employed females, 55:7221
race & age & socioeconomic & marital status & perceived health & social participation, life satisfaction, 18–60 yr old & older residents of US in 1973, 56:9732
race & sex & social class & mobility & dependency & guilt & locus of control & stressful life events, depression, Black vs White adults, 58:5541
ratings of factors influencing psychological stress during pregnancy, pregnant low income females, implications for use of life event scales, 57:3392
reading & interpersonal values & life satisfaction & background characteristics, educationally vs noneducationally active adults 50 yrs of age & older, 58:6139
real life experiences, subjective effects on self esteem, college students, 56:2421
recent life change magnitudes, coronary heart disease, males, East vs West Finland, 58:1479
recent life change, perception of body symptoms & near-future illness reports, 53:5445
recent life changes & ballistocardiographic data, survivors vs nonsurvivors of myocardial infarction, 55:931
recent life changes indicating stress, automobile accidents, 30–40 yr old drivers who had vs did not have accidents during 1969–71, 55:4590
recent life changes, performance under prolonged competitive stress, long distance sled racers, 57:9763
recent life changes, reporting of psychological traits, 30–60 yr old men, 54:5429
recent life events categorized as undesirable, normal Ss vs acute schizophrenic patients, 57:3459
recent life events, 18–65 yr old suicide attempters vs depressives vs normals, 54:1377
recent life experience, health behavior, college students, 54:5427
religiosity & life-threatening experience, belief in afterlife & stress reaction, college students, 53:5024
reminiscence & life reviewing as adaptation to severe life change & dissatisfaction with past life, elderly people living in sheltered housing, London, 54:2785
research programs, stressful life events & physical illness, 53:5730
retrospective reports on affectively significant vs neutral affect life stresses, locus of control orientation, college females, 56:9895

role of experienced & mature adult who returns to school, change & growth of university & humanization of scientific progress, 55:5628
role of psychosocial stimuli in disease, need for experimental evaluation as guide to rational health action, 54:1247
role of stress as life changes in prognosis of mental illness, 17–66 yr old psychiatric inpatients, 55:9946
saints & demons & dreams & life history material, psychological idiom to evaluate reality, Morrocan Arabs, 55:1711
sample size characteristics, Social Readjustment Rating Scale scores, aid-seeking vs non-aid-seeking college students, 57:7170
satisfaction in major life areas as factor in enjoyment in life, avoidance of depressive affect & psychophysiological problems, adults, 55:7275
satisfaction in stages of life cycle & levels of general happiness & frequency of peak experience, college students, 57:10395
scaling & factor analysis, objective methods for evaluation & categorization of peak experiences, college students, 58:5399
scaling of life change events, 32–64 yr old myocardial infarction vs neurotic vs lower back pain patients, 56:6124
scaling of life events, male psychiatric patients vs normals, 57:12896
self actualization & age & sex, meaning of critical experiences, college students & middle aged & aged Ss, 57:3002
self concept & life change experiences, lung cancer vs emphysema patients vs controls, 53:11993
self imposed alienation & cultural neurosis & self defeat in adapting to reality of life, different reality of black experience, 55:6928
semantic cuing as alternative to exhaustive free recall, measurement of long term episodic memory, college students, 57:376
sensation seeking, adaptation to stress resulting from life change, hospitalized medical patients vs healthy relatives & friends & recently hospitalized or injured evening students vs healthy students, 58:7774
severity of physical & psychological symptoms & life experiences & social support, individuals recently vs not recently consulting their general practitioner, 58:5758
sex & age & marital status & education & race, perceived desirability of life events, adults aged 18 yrs & older, 53:9324
sex & school achievement & self concept & musical experience, perceived similarities between pairs of selected musical compositions, college freshmen, 56:4842
sick role tendency, stress & frequency of medical visits & biographical data factors, male college freshmen, 58:5972
size & structure of local economy & structural changes & proportion of population at high risk due to stressful life events, rate of health & behavioral problems exhibited by a community, 57:8050
social & medical & psychological histories, life-space experiences, academically successful vs nonsuccessful 4th & 5th grade Mexican American migrant males, 56:1409
social background variables & referral sources & problematic life events, male vs female alcoholics in rural state hospital, 56:4236
social class & life events, psychiatric symptoms, adult community residents, longitudinal study, 53:5537
social intelligence & general & verbal abstract intelligence & extraversion & reported past experience, predictive accuracy of interpersonal perception, 58:3321
Social Readjustment Rating Scale, perceptions of stressful life events, emergency unit patients, 53:7724
social suicide, study of missing persons, 55:9544
sociobiology of everyday life, steps to analysis of Cambodian crisis, 55:6861
socio-demographic & medical characteristics, life events & social integration & psychiatric symptomatology, adults, 2-yr longitudinal study, 55:7311
state of psychological health & experiences regarding topic of death, theory of death anxiety, treatment implications, 58:3417
stressful life change events & locus of control attributions, cognitive aspects of mother-child interaction, black mothers & preschool age children, 55:12003
stressful life events, physical illness & mental disorders, book, 53:5437
stressfulness of life events, psychological & behavioral impairment, 11–23 yr olds, 53:5438
stress-value of events, estimation of degree of social readjustment, Italians & Americans, 53:11726
study of common life experiences, adolescent development, introductory textbook, 57:5468
subgroup & individual differences employing Owen's quasi-actuarial assessment of behavior, longitudinal prediction of college experiences from life history data, applicability to industrial & educational & clinical prediction settings, 57:7256
subjective measures of life experiences & patterns of well-being, American population, 56:3875
success & failure experiences & expectancies, selective memory for positive vs negative personality information about oneself, college students, 55:9880
suggestions for dealing with crisis situations in adolescence & adulthood & guide to professional help, book, 58:7148
survey of most negative & positive life experiences, male junior college students, 53:3051
temporal setting, likelihood judgments of past & future events, college students, 54:6718
time of transformation as fundamental shift in life out of despair, 54:11797
time perception & aging & life experiences, 56:5764
transfer to new job & community, utilization of health services, professional vs production & clerical employees, 54:1511
transformation of author's life experiences into art, psychoanalytic interpretation of J. Joyce's "A Portrait of the Artist as a Young Man", 55:2146
traumatic & lasting life changes, cancer determinant, 53:9961
treatment of acute behavior problems resulting from traumatic changes in living conditions, 14-yr-old girl & boy, 53:12056
understanding of black experience & behavioral characteristics, establishment of workable treatment & intervention modalities for black alcoholics, 55:7777
use of dissatisfaction indices to measure quality of life, 54:11490
validity of double self reports of social & drinking history, male alcoholics, 54:9951
view of significance of life events, hospitalized depressed patients, 53:9810
wilderness living experience, locus of control, 11–15 yr old boys, 55:2371
work & extra-work-place variables, job satisfaction & life satisfaction, 58:8515
5-stage model of emotional crisis based on life stress patients with severe emotional disturbances, 57:10435

Life Saving [See Artificial Respiration]

Life Style [See Personality Processes]

Light [See Illumination]

Liking [See Affection]

Limbic System [See Also Amygdaloid Body, Gyrus Cinguli, Hippocampus, Olfactory Bulb]
acoustic conditioned reflex elaboration & re-elaboration rate & RNA content of neurons & interneurons & glia in limbic system, mouse-killing male rats, 53:10995
antipsychotic drugs, responses of noradrenergic & adenosine dependent systems in limbic forebrain, rats, in vitro study, 56:9539
brain function & structure & revival of dilemma of Darwin vs Church, discussion of books by J. E. Eccles & R. E. Ornstein & R. L. & R. K. S. Schwitzgebel, 56:5481
carbamazepine, dyscontrol syndrome associated with limbic system dysfunction, 58:1701
centrally acting drugs, 3,4 dihydroxyphenylacetic acid & homovanillic acid in corpus striatum & nucleus accumbens & tuberculum olfactorium, rats, 58:11371
chlordiazepoxide & diazepam & chlorpromazine, conditioned emotional behavior & conditioned neuronal activity & limbic & hypothalamic & geniculate regions, male rats, 54:7067
chlorpromazine & subsequent placebo & drug reinstatement, evidence for lateralized temporal-limbic dysfunction in auditory & electrodermal responses & WAIS performance, 35–57 yr old chronic schizophrenics, 57:1686
chronic LSD-25 treatment & dosages, morphological changes in cerebral areas belonging to limbic circuit, frogs, 54:9168
convergence of descending pathways of motor & visual & limbic cortex in structures of di- & mesencephalon, cats, 57:7663
daily repeated electrical stimulation of limbic structures, seizure activity & characteristics, rabbits, 54:4749
dendritic system changes with aging & senescence in pes hippocampus & dentate gyrus & entorhinal cortex, 69–102 yr old senile patients, 57:9736
dextro-LSD, dopamine-(DA)-sensitive adenylate-cyclase in striatum & other limbic areas, male rats, 55:2113
dopamine, properties of adenylate cyclase activity in homogenates of anterior limbic cortex & subcortical limbic regions, monkeys, 55:4000
electrical activity of limbic & hypothalamic structures simultaneous with vs following amygdaloid defense response, cats, 53:9005
elevation of gamma-aminobutyric acid levels in nucleus accumbens region by ethanolamine, dopamine-dependent behavioral effects, rats, 58:11337
emotional reactivity & food intake & prandial- & non-prandial drinking & weight regulation & spontaneous activity & sensorimotor capacity, rats with lesions of medial vs lateral septal nucleus vs medial vs basolateral amygdaloid nucleus, 55:9221
frontolimbic lesions, social behavior, male rats, 53:4649
function of temporo-limbic systems, memory process, patients with temporal lobe epilepsy, 54:10016
function of ventromedial hypothalamus & limbic system, avoidance behavior & fear conditioning & aggression, literature review, 55:291
functions of hippocampus & limbic structures, information storage, nonanesthetized rabbits, 58:11146
intracerebral dopamine applied to dopamine-containing areas of mesolimbic system, behavioral effects, male rats, 54:6958
kindling of motor seizures from hippocampal commissure, male rats, 56:342
lesions in limbic system pathways, wheel & stabilimeter & open field & rearing activity, male rats, 57:5277
lesions of dorsal & median & lateral raphe nuclei, tryptophan hydroxylase activity, rats, 56:7481
lesions of raphe nuclei, tryptophan & tyrosine hydroxylase activity, locomotor activity & startle responses & maze learning, rats, 56:7480
limbic dysfunction & EEG abnormalities, 28 yr old instruction female in fugue state & with sexual promiscuity, 55:7310
limbic lesions, drinking & rearing & locomotor behavior, male vs female rats, 55:4066
limbic lesions in infancy, weight gain & CER & conditioned avoidance, male rats, 55:402
limbic lesions, social attraction with conspecifics & mice & rabbits & cats, rats, 57:7754
limbic system, interface between cerebral isocortex & thalamus, 53:4557
limbic system, memory & olfaction & autonomic nervous system & emotional components of behavior & bias, 56:3541
limbic system-adrenal cortex regulation, depressed vs schizophrenic inpatients, 57:5974
midnight dexamethasone suppression test, escape from suppression & hypothalamopituitary-adrenal function, depressed & personality disordered patients, 57:5975
neocortical vs cerebellar vs limbic forebrain lesions, card displacement response, male rats, 57:9817
olfactory bulb, modulatory function & limbic system, 53:2433
pargyline & desipramine pretreatment & selective 6-hydroxydopamine induced destruction of mesolimbic dopamine neurons, abolition of dextroamphetamine- & cocaine-induced locomotor activity, rats, 57:5247
psychic factors & cerebral cortex & limbic systems & hypothalamus, puberty & ovulation & menstrual cycle & genital functions, human females, 56:7380
radiofrequency lesions in ventral mesencephalic tegmentum, mesolimbic dopaminergic cells & behavioral syndrome, male rats, 57:685
reproduction of conditioned reflex reactions, noradrenaline content of limbic system & anterior hypothalamus, male rats, 57:2651
septal lesions, acetylcholinesterase & choline acetyltransferase activity in amygdala, male rats, 56:7488
septal nuclei lesions & age of testing, DRL performance & spontaneous alternation & spatial reversal & passive avoidance, male rats, 58:2956
stress, brain cyclic adenosine monophosphate, male rats, 55:366
temporal lobe epilepsy as manifestation of limbic system dysfunction, 55:2539
thioridazine & clozapine & sulpiride & metoclopramide & typical neuroleptic agents, hyperactivity induced by intracerebral dopamine to extrapyramidal &/or mesolimbic systems, male rats, 57:5308
time-scheduled stimulation during anxiety & adaptation & exhaustion stages, changes in respiratory & cardiovascular systems & electrical activity of limbic structures, rats, 57:5117
tricyclic antidepressants, labeled dopamine uptake into striatal & mesolimbic cortical area synaptosomes, male rats, 58:7089
unilateral 6-hydroxydopamine lesions of mesolimbic dopaminergic or nigrostriatal system, drug-induced circling, male rats, 55:9231
ventromedial & anterolateral hypothalamic lesions vs tegmental & interpeduncular & habenular lesions, emotionality & social cohesiveness, male rats, 55:11730

Limen [See Thresholds]

Linear Regression
computer program based upon mathematical relationships between variables, creation of unique multiple linear regression problems for each student, 56:65
cooperative motivation in Prisoner's Dilemma game & normative vs attitudinal communication advocating competition, behavioral effects & application of Ajzen & Fishbein's linearity index, 57:10302
correcting for unreliability in linear & nonlinear models of attitude change, 53:10734
cross-validated comparison of linear & nonlinear models, prediction of graduate admissions committee decisions, applicants to graduate industrial relations program, 57:4821
general Bayesian linear model & derivation of Bayesian analysis of covariance, application to academic prediction & comparison of average achievement gains among schools, 56:1679
general linear regression methods, multivariate analysis of variance computer program, 54:2216
linear equation model vs analysis of variance, 54:6614
linear regression & correlation, introductory textbook, 56:5199
mechanical synthesis approach, judgmental accuracy & inference components via Brunswick Lens Model & linear vs nonlinear approaches to clinical vs statistical prediction, judges on law school admissions committee, 57:4719
methodological issues, linear regression models for study of human dynamic multivariate decision processes, 55:5969
modification of Johnson-Neyman technique accommodating inequa ties of variance in comparing 2 regressions, application to treatme effects dependent on baseline levels, 57:4811
multiple linear regression of raw vs factor scores vs single best predic vs 9-point decision rule index, predicting counseling succe vocational counseling clients, 53:4194
multiple linear regression technique, testing of research hypothes book, 54:10855
multiple regression & analysis of variance techniques for use w prepared computer programs, book, 57:11834
multiple regression models vs human judgments on nonlinear vs line tasks, reply to L. R. Goldberg's criticism, 56:5205
nonlinear multiple logistic model vs standard multiple linear regressi model, statistical advantages for fitting binary outcome criteri from multiple predictors, 55:5963
path analysis & linear regression model, estimation of expected increa in crime, usefulness to criminal justice planners, 55:8447
predictive accuracy, multiple regression models vs human judgmen criticism of R. Libby's study, 56:5201
symmetric generalization of vector correlation, relation to canonic correlations between independent & dependent variables, 53:2164
unit weighting schemes, formation of composite variables fro components in decision making, 54:2202

Linguistic Analysis [See Etymology]

Linguistics [See Also Adjectives, Adverbs, Alphabets, Antonym Consonants, Ethnolinguistics, Etymology, Form Classes (La guage), Grammar, Homographs, Inflection, Letters (Alphabe Morphemes, Morphology (Language), Nouns, Orthography, Par graphs, Phonemes, Phonetics, Phonology, Phrases, Pronoun Psycholinguistics, Semantics, Sentence Structure, Sentences, Syll bles, Syntax, Transformational Generative Grammar, Verbs, Vo els, Words (Phonetic Units)]
abstract syntax & islands & nondiscrete grammars, proposed researc areas for cognitive psychology, 54:301
age & sex & intelligence & social class & auditory & visual association sequential memory, word groups & definitions & associations, 6–9 olds, 55:4288
analysis of strategies of interpretation on process, psycholinguist reality & linguistic theory, 57:2816
analytic philosophy vs phenomenology, language theories, 53:8528
application of psychoanalytic theory & Chomskian linguistics to Freud "Interpretation of Dreams", criticism of M. Edelson's theorizin 57:7122
application of structural linguistic analysis to behavioral developmen 54:7562
association of sex-linked lexical forms with male & female attribute male vs female adults, 56:7566
biases of sociolinguists toward black English, reading approaches reading problems, disadvantaged black children, 55:3052
caserecords register & language, deviance labeling & placement offenders, 53:9556
categorized vs nonword labeling training for set of figures, recall b drawing shapes, test of Whorf-Sapir hypothesis of linguistic influenc on visual memory, 55:1880
classification of illocutionary acts, implications for ethnography ethnology, 56:3798
code-switching ability & jargon use in story telling & sexual orientatio male homosexual & heterosexual dyads, test of B. Bernstein sociolinguistic theory, 57:5737
cognitive aspects, determination of pronoun antecedents, colleg students, 58:10957
color & line orientation & numbers as cognitive reference point linguistic & spatial metaphorical tasks, college students & adult 55:6118
conceptions of narrative analysis, critical discussion of work of C Bremond & A. J. Greimas, 57:2820
constructive theory & linguistic perception & analysis-by-synthesis, tac vs explicit perceptual identification, 54:307
context & comprehension & semantic flexibility, theoretical & method ological implications, 57:2351
critique of epistemological backgrounds, formal semantic analysi 57:9907
cultural & language differences, linguistic relativity, 54:3089
cultural & linguistic aspects of pain description, English & Thai Japanese speakers, 57:2818
cultural & linguistic differences, values & attitudes toward early learnin of literacy skills, 14 countries, 54:11559
cultural & linguistic factors, reading disability, 53:11943
current theoretical approaches, linguistic assessment of aphasic speech 55:7423
deductive verbal simulation models, organizational behavior, 56:693
defective semantic analysis, metaphor, 54:3058
deficit theory & difference theory of linguistic competence & dialect o black children, implications for educational methods & testing education & social functioning of congenitally deaf children, 56:624
detector model, speech perception, infants, 53:4897
developmental differences, rating structural importance of linguisti units of prose passages, 8 vs 10 vs 12 vs 18 yr olds, implications fo problem of metacognitive development, 58:7183
dichotomous stimulation with nonsense shapes vs letters, hemispheri specialization for linguistic & nonlinguistic tactile perception, 8–16 y old right-handed boys, 53:10794
differences in perceptual strategies for determining grammatica relations in perceived clauses, acceptability of dative questions college students & professionals, New York City, 53:11663
dogmatism, ratings of stereotyped & actual language of videotape children & latitude of attitudes, college students, 54:9669
eye movements & linguistic structure relationship, visual selectivity i reading, 55:1819
feedback of incorrect answers, linguistic strategies used for interpreta tion of complex comparative questions, 3–6 yr olds, 55:11998
folklore & ethnography of speaking & sociolinguistics & literar stylistics, verbal art as performance, 54:7546
formal & descriptive & analytic methodology from linguistics, spread t cultural anthropology & semiotics, 54:2821
formal grammars, linguistics & psycholinguistics, Vol 1, book, 53:526
formal grammars, linguistics & psycholinguistics, Vol 2, book, 53:526
fundamental frequency different at stress & over terminal guide psychophysical & linguistic judgments of intonation contours Swedish & American college students, 53:3110
grammar & general-principles-of-language instruction, secondar school English teacher candidates, 58:8229
hypothetical constructs of "semes" & "nemes", group of meaning common to all languages, 56:7571
inductive reasoning, information coding & linguistic communication & perception, 54:5269
information-processing vs linguistics based approaches, sentence com prehension, 56:9150
interpersonal communication & linguistics & language development book, 54:3092
interpretation & production of sentences with verbs "know" & "think" & "remember" & ability to recognize contradictions based o factivity, 6–14 yr olds vs college students, linguistic & psychologica implications, 57:931
interpreting meaning of behavior, implications of linguistics fo psychology, 54:7552
language & thought, review of "linguistic dominance" research, 58:713

nguage learning & origins in Hjelmslev vs N. Chomsky, linguistic creativity, 54:9653
nguistic & cognitive development interrelationship, language acquisition, critical review of E. V. Clark et al, 53:4887
nguistic & cognitive development interrelationship, language, children, 53:4934
nguistic & microgenetic coding model, infant speech perception, literature review, 53:4926
nguistic & perceptual & attitudinal & assumptive aspects of interview as communication-in-depth, sinology, 54:9652
nguistic & psychological theories of speech based on empirical speech error data, book, 53:7355
nguistic analysis, intonation of American English & problems of intonation in all languages, book, 55:4172
nguistic analysis of language patterns of standardized reading comprehension test & test passages rewritten using oral patterns, comprehension performance, 4th graders, 54:8407
nguistic analysis, verbal responses to teachers' questions, disadvantaged kindergartners, 56:10725
nguistic approach of F. de Saussure, application to verbal productions, schizophrenics, 53:7554
nguistic areas vs linguistic concept of structuralism as proposed areas of research for cognitive psychology, 54:298
nguistic behavior, schizophrenics, 58:11843
nguistic competence & performance factors & pragmatics of communication, speech, 2–4 yr olds, 58:9285
nguistic complexity & imagery of proverb & presentation with conceptually related vs unrelated interpretation & prompting with interpretation vs subject-noun vs brief story, recall, college students, 55:1864
nguistic determinants, choice reaction time, Aboriginal vs white matching-response male adolescents, 53:5027
nguistic development in English language & social appropriateness of language, meaningfulness of personal constructs articulated in this language, English- & Swahili-speaking males in secondary school, Tanzania, 57:5432
nguistic diversity & presentation medium & perceived situational formality, judgments of communicator attributes & message effectiveness, college students, 56:6025
nguistic experience, discrimination of (r) & (l), native speakers of Japanese vs American English, 55:8794
nguistic features & disease concepts, Eskimos vs Navahos vs Chinese, 57:5440
nguistic method, examination & description of structure of syntactic knowledge, 10 yr old deaf female, 57:8533
nguistic microcontext, perception of monosyllabic Romanian words based on visual cues of phonic mimicry, 20–25 yr old Romanian-speaking high school students, 55:110
nguistic nature of communication, chimpanzees & apes, 56:245
nguistic performance, 6–9 yr olds, 55:11939
nguistic principles, application in treatment of long-standing severe dysphasia, male patient, 55:7415
nguistic statement of control strategy & its implementation for steam engine & boiler combination, 54:2112
nguistic structure & paradoxical nature of human condition & constraints of language, 55:493
nguistic structures & contexts as measured by comprehension & imitation task performance, language-delayed preschool children, 56:4307
nguistics & language as communication, 55:481
nguistics concepts, objective translation criticism, 54:5299
nguistics vs traditional approach, achievement, students in remedial English program, 55:13480
anipulation of linguistic variables in premise of sentences, interpretation of premises & truth inferred & inference processing, 55:8853
anipulation of stimulus attributes & facilitation vs suppression of visualization & spatial reasoning ability, solution of 3-term problems, college students, exploration of linguistic principles vs visual-spatial imagery theories of problem solving, 55:8848
athematical theory, language learning process & environment, 54:7208
eanings of general vs psychological linguistics, 57:7841
nemonic integration of linguistic sequences, 53:375
onte Carlo procedures for estimation of Type I error rates, tests of treatment effect in experiments with linguistic materials, 56:3275
ultiplicative effect of negative "nai," positively evaluative & negatively evaluative adjectives in Japanese, Japanese students, 54:5295
ature of suprasegmental prosodic feature of rhythm in sentence-length units of discourse, test of pattern distribution vs word distribution hypothesis, male college students, support for information processing model of speech production, 55:8821
etwork model, representation of logical & semantic structure of knowledge acquired from discourse, 55:161
eurological & anatomical & linguistic & psychological aspects, language disabilities, literature review, 53:9933
europsychological & psychophysiological approaches, language & brain relationship, 54:2382
onlinguistic vs linguistic stimulus variation, levels of processing in phonological fusion, 55:6082
bjective linguistic analysis & creativity, evaluation of essay quality, 53:10555
thographic-linguistic familiarity, immediate visual recall, poor vs normal readers, implications for reading disability, 53:7715
ilosophical defects, N. Chomsky's hypothesis of inherited nature of linguistic structures, 55:9341
onic/linguistic approach, reading & instruction, book, 53:1929
evalence & characteristics of language deficits, learning disabled adolescents, implications for diagnosis & remediation, 56:4301
ocess of language acquisition, evaluation of linguistic principles in deaf education, deaf, 55:7432
onominal usage & cohesion & explicitness in speech & development of evaluative technique, 16–17 yr old working class apprentices, 58:5058
ychological & linguistic & historical definitions, symbol, 53:5248
ychology of B. F. Skinner vs linguistics of N. Chomsky, 54:9650
ualitative & linguistic aspects of process of simultaneous interpretation, 58:9191
uestions & question asking in verbal discourse, form & function classification taxonomies & descriptive analysis approaches & suggested approaches, cross disciplinary literature review, 57:7844
mantic expectations & exceptional linguistic structure, sentence comprehension, 6–10 yr olds, 55:5555
mantic prerequisites, model of linguistic capabilities of human brain, 56:462
milarity vs uniqueness of language processing mechanisms to other cognitive processing strategies, reply to M. M. Richards' critique, 57:333
ow-wave & fast-wave sleep, verbal material recall & linguistic organization, 20–25 yr old students, 53:2409
cial class, functional & linguistic aspects of speech to 10–38 mo old children, Dutch-speaking mothers of working vs lower middle vs academic middle class, 57:858
ciolinguistic & transactional analysis, theoretical foundation of foreign language teaching, contribution to J. W. Ney's article, 53:6157
ciolinguistic concepts, relation to counseling process, 57:847
ciolinguistic oriented instruction module, attitude change toward nonmainstream language, prospective teachers, 55:7975
speech lexical constituents awareness, preschool & kindergarten pre-readers vs 1st grade readers, 54:9334
spoken & written language acquisition, child creativity & linguistic innovation, 56:7628
structural & transformational & stylistic linguistic factors, reading difficulty of varying science classroom materials, 7th graders, 58:8244
structuralist concepts in linguistics & language, personality & mental illness & psychotherapy & Freudian unconscious, 55:12592
synchronic vs diachronic linguistics & language development research designs & criticism of approaches of F. de Saussure & B. F. Skinner & N. Chomsky, 58:11392
syntactic & semantic & linguistic analyses, personality development & defense mechanisms, 53:5322
tense logic as candidate semantic structure of temporal specification in generative grammar, illustration through encoding of predicates of sentences into event space & predictability of recall errors, 57:12451
theories of language of N. Chomsky, critical essays, book, 53:5257
theory of meaning based on components & capacities of signs, philosophical & linguistic views of problems in seminology & semantic theories, 56:9625
therapy with deblocking techniques, 62 yr old aphasic male with severe auditory comprehension impairment, support for theoretical constructs of linguistics, 56:6461
transformation of letters & groups of letters from visual representation to form usable by memory, 55:8852
transformational methods, linguistic measure of sentence acceptability, 53:1117
transformational-generative linguistic theory, research hypotheses in foreign language acquisition theory, 54:5274
visual & linguistic codes for short term storage, backward & forward recall, deaf & hearing 14 yr olds, 56:1808
visual-motor & linguistic performance during combined task, diagnosis of learning disabilities, 1st–5th graders, 54:1426
vowel-consonant ratio & lexical density & sentence length, visual speech reception, normal vs hearing impaired 17–20 yr olds, 55:4899

Lipid Metabolism
acute alcohol load, biochemical parameters of lipid metabolism in blood serum, alcoholics vs healthy nonalcoholics, 54:7031
lateral hypothalamic lesions, serum glucose & free fatty acid levels & mobilization rates & carcass composition, rats, 58:11214
palmitic acid infusions vs lighting vs pent-4-enoate vs insulin vs propranolol, fatty acids & feeding behaviors, male rats, 56:3687
ventromedial hypothalamic lesions, independence of food intake & obesity, male rats, 53:9004

Lipid Metabolism Disorders
coronary prone behavior pattern, Type II hypercholesterolemic patients, 58:5653
lipoproteinemia, anxiety, male patients with vs without obesity, 55:7463

Lipids [See Also Fatty Acids, Phosphatides]
caloric intake & compensatory hypertrophy, regulation of adiposity, mice, implications for obesity, 56:283
cross perfusion of food deprived Ss with obese vs normal weight vs lean partners, food consumption, male rats, support for humoral factor in regulation of body weight, 58:2914
dust deprivation, frequency & analysis of dust bathing components, Bobwhite quail, discussion in terms of lipid regulation model, 57:12189
emotional stress & high-fat diet, coronary heart disease, 53:3519
genetic analysis, shock-induced motor activity changes & adrenal lipid depletion & brain weight, mice, 56:3647
glucose & amino acid & lipid infusion, dietary self selection, rats, 55:6458
lipid & fatty acid compositions & ganglioside patterns in brain, 64-yr-old senile dementia male & 36-yr-old encephalopathic female & 46-yr-old chronic schizophrenic male, 53:7506
long term lithium treatment, glucose tolerance & serum lipids, patients with Meniere's disease, 56:2651
morphine, plasma lipids, rabbits, 53:9105
organization of components & test of lipid regulation model, dustbathing, Bobwhite quails, 55:3902
prenatal lipid malnutrition, motor reflexes & electrocorticographic activity maturation rate, mice, 58:11168

Lipoproteins
lipoproteinemia, anxiety, male patients with vs without obesity, 55:7463

Lipreading
auditory–visual presentation at various signal-to-noise ratio & auditory- & visual-only conditions in quiet, perception of consonant-vowel syllables, normal-hearing 20–42 yr old lipreading teacher-students, 53:10769
comparative discriminability of elements of speech during auditory vs visual perception, deaf adult lipreading experts, implications for teaching lipreading, 56:10201
conditioned reinforcement, lip reading development, 9-yr-old deaf multiply handicapped male, 53:6208
EMG & lipreading, detection of verbal rehearsal during memorization, female college students, 54:2358
extraction & description & verification of visual perceptual features underlying vowel lipreading performance, normal hearing viewers, 58:236
hypnosis, reduction of cigarette smoking, deaf lipreading 51 yr old, 57:6438
lipreading ability, profoundly deaf 15–16 yr olds vs hearing Ss deafened by white noise masking, 58:11947
lipreading screening test, visual intelligibility of consonants, female college students, implications for aural rehabilitation, 57:11863
lipreading vs signs vs auditory presentation alone vs in combination, nonsense syllable learning, deaf 8–10 yr olds, implications for total communication teaching approach, 58:10514
operant techniques using tokens & social reinforcers, acquisition of lipreading, 9 yr old deaf multihandicapped male, 56:4473
presence of manual cues with speech, speechreading performance, prelingually deaf adolescents, 58:3638
psycholinguistic abilities & academic achievement, 4th–6th grade hard of hearing students in regular classes, 58:6262
sentence context, noun recognition through lipreading, profoundly deaf 13–16 yr olds, 57:1478
spontaneous speech & lipreading & nonsense syllable reading, derivation of phonology rules, congenitally deaf children, 56:2531
total communication vs oralism, reading & mathematics & lipreading & general communicative abilities & parent/teacher impressions, deaf rubella 9 yr olds in 3rd grade, 57:2003
transformational structure, speechreading accuracy, hearing impaired Ss, 54:12098
visual & audiovisual speech perception, hearing disorders, papers from 6th Danavox Symposium in Denmark, 55:948
visual message-related cues, speech reading performance, 51–59 yr olds with hearing impairment vs normal-hearing 19–26 & 52–61 yr olds, 53:5737
visual perceptual features of vowels & dipthongs, lipreading performance, college students, 57:12452
visual synthesis/visual closure skill & visual training, speechreading performance, college students, 58:2169
vowel-consonant ratio & lexical density & sentence length, visual speech reception, normal vs hearing impaired 17–20 yr olds, 55:4899
vowel-consonant ratio & sentence length, lipreading ability, hearing impaired vs normal Ss, 57:6141

Lips (Face)
bilabial verbal material & lingual–alveolar tasks, electromyographic measures of covert oral response patterns, right-handed 11–20 yr olds, 53:6614

Liquor
catecholamine excretion & blood alcohol level, alcohol-induced changes in mood & activation, males vs females, 56:429

Listening [See Auditory Perception]

Listening Comprehension
adaptive processes & "languaging" precursors, auding & reading developmental model, 53:7051
age & economic environment, comprehension of "merely spoken" adult verbalizations, 5–8.11 yr olds from rural lower income vs urban middle income environments, 55:11954
age & sex, critical reading-listening ability & reading achievement, 2nd vs 3rd graders, implications for curriculum, 57:11426
age, auditory comprehension as measured by Sentence Verification Test, 7–12 yr olds, 57:5525
age, levels of comprehension & response modes to poems, 10 vs 12 vs 14 yr olds, 58:3120
analysis of speech perception, 37 yr old male patient with word deafness, implications for mechanism of word deafness, 56:907
auditory & visual ability & instruction via reading vs hearing unit on tape, identification of learning styles based on objective test performance, community college students with academic problems, 58:4269
auditory comprehension, severely impaired aphasic patients, 54:5566
auditory verbal comprehension, aphasics vs nonaphasics vs 4–6 yr olds, 54:5625
auditory vs written presentation of literary characters shown speaking Southern White vs Black dialect vs standard English, comprehension & attitudes toward dialects, 6th graders, 57:13844
aural vs oral vs silent reading, comprehension of temporally reversed syntactic structure, 2nd vs 4th vs 6th graders, 58:8315
black vs white tester, listening comprehension & elicited divergent English, black 3rd graders in middle vs lower class schools, 54:6387
CA & MA & vocabulary & reading comprehension & social class, musical conceptual listening skills, middle vs lower class 4th graders, 54:6316
clinical experience, bias in comprehension of speech ascribed to schizophrenic sources vs nonschizophrenic, clinical psychologists, 56:1243
comparison of listening skills & performance in mother tongue vs second language, English-French bilingual college students, 55:8182
comprehension & complaints & needs, adult aphasics with recovery speech, 58:3661
comprehension & production interrelationship, language acquisition, 53:4913
comprehension & usage of spoken & nonspoken language & inner language development, normal vs autistic children, discussion of relationship of early childhood autism to mental retardation & normal intellectual function, 57:1372
comprehension of & answer responses to questions, 5–9 yr olds, 55:6808
comprehension of expanded & normal & compressed speech, learning disabled primary school students with identified auditory vs visual strengths, implications for use of advantaged auditory instruction, 57:13907
comprehension of heard story, 1st graders with delayed psychological development, 56:4299
comprehension of syntactic structures & critical verbal elements & listening comprehension, learning disabled children, 53:11963
comprehension strategy adaptation, decode deviant speech, mothers of children with deviant speech vs nonmothers, 53:3466
comprehension errors due to lexical vs syntactic incompetence, Ss with Broca's vs Wernicke's vs conduction aphasia, 58:5645
conceptual tempo & verbal comprehension & achievement motivation, level of moral development, high school students, 58:1212
conceptual vs associative abilities, learning & recall of factual vs inferential information based on listening comprehension & social studies lesson, 10–11 yr olds, utility of A. R. Jensen's dual process theory of cognitive functioning, 57:12548
concrete objects form of Token Test for evaluation of verbal comprehension, aphasic patients with left vs right hemisphere lesions vs nonaphasics with right hemisphere lesions vs normals, 57:13033
content variables, comprehension & recall of text, college students, 54:6730
contextual cues, reported verbal transformations, college students, 56:126
contextual information & recall instructions & age, comprehension & retention of orally presented prose, 1st vs 4th graders, 57:5520
contralateral white vs speech noise & continuous vs pulsed presentation & loudness level, speech detection & reception thresholds, normal hearing young adults, 53:8664
control of ability to reread sentences & phrases & reading level, reading & listening comprehension, college students, 55:11831
coorientational states, differential listening performance to speakers, 53:3061
creative movement procedure, development of listening & reading comprehension, 54:4094
definition of listening comprehension levels based on reading comprehension levels, male vs female 5th vs 6th vs 7th vs 8th graders, 57:13974
development & validation, listening comprehension tests, kindergartners & beginning 1st graders, 53:4123
development & validity & reliability of empathic listening test, selection & training of telephone crisis workers, college & graduate counseling students & telephone crisis workers, 57:1835
development of Literacy Assessment Battery, utilization of reading vs listening in language comprehension, adults, 58:4655
developmental model, auding & reading, implications for reading education & literacy training, 53:11426
dialect & socioecomic status & ethnicity, listening & reading comprehension, black vs white 5th graders, 55:8175
educational development & reading levels & listening skills & cognitive style, Mexican American & Puerto Rican 4th & 5th graders in bilingual program, 55:8136
elaborative vs directive communication style of teacher, performance on matrix tasks, female kindergartners, 55:1413
empathy & tolerance toward patients, listening & understanding client, social workers, 55:5230
error patterns on sentence comprehension test, aphasic vs normal adults, 58:5713
experience in listening to deaf speakers, speech perception & comprehension, normal hearing Ss, 54:3082
factor analysis, Progressive Achievement Tests: Listening Comprehension Tests, 53:12568
factors affecting comprehension performance in message presented by clinician or teacher, listeners, 58:12362
foreign-language comprehension exercises based on 3 levels of comprehension, 53:3996
formation of mental picture of story vs looking at text illustrations vs background picture of story scene, developmental differences in comprehension of prose, 1st vs 4th graders, 58:4311
fully vs partially imposed imagery, oral prose learning, kindergartners vs 2nd vs 3rd graders, 57:2913

general listening ability vs conditional reasoning ability, critical listening ability, 6th graders, 55:11411
group testing system, evaluation of listening comprehension of spoken American English, children, American Samoa, 56:6863
Hayes Early Identification Listening Response Test, prediction of school readiness & early grade achievement by classroom teachers, kindergartners, 57:9159
hearing syntactically clear vs distorted sentences & listener "what" query vs explicit request to clarify sentence, construction of response sentences, application of relative derivational theory of construction, 56:9626
humorous lectures including related &/vs unrelated humorous examples, immediate comprehension & retention, college students, 58:6225
image-evoking quality of embedded noun pairs & syntactic complexity of stimulus sentences, oral language comprehension & paired associate recall, adequate readers vs reading & learning disabled Ss, 57:12993
imitation & comprehension & production of grammatical contrasts, kindergartners from high vs low socioeconomic classes, 53:4896
inclass programed instruction vs traditional teaching, melodic & harmonic dictation skills, freshman music majors, 54:6243
inquiry training, reading & listening skill development, 5th graders, 56:8651
instruction in technique for self evaluation of oral reading performance, listening & reading test scores, reading underachievers, 55:13499
instruction using motor commands of increasing complexity, foreign language learning, college students, 53:3961
instructional activities, listening behaviors, preschool children in day care center, 55:8083
intelligence & comprehension of persuasive messages containing vs not containing supporting arguments, opinion change, high school students, 56:9828
intensity & content variations of signal vs distraction auditory messages, diotic listening, preschool to 3rd graders, 53:860
interpersonal attraction & emotional styles, listening patterns, 58:1088
interpolated silences surrounding phonemes, speech sound comprehension, aphasic veterans under vs over 50 yrs old, 55:4878
irrelevant concurrent psychomotor activity, ability to comprehend compressed speech, 58:8751
learning rate & recall & listener confidence as criteria for evaluation of speech communication systems & assessment of effects of acoustically distorted speech stimuli, normal hearing 18–30 yr olds, 54:11752
lesion site & auditory comprehension defect severity, critical reading of words & phrases, male aphasic patients, 56:921
level of teacher instructional talk, listening comprehension & auditory cloze test performance, 5th graders, 57:13832
linguistic competence measured by syllogism comprehension, reading competence & oral language processing, 2nd & 3rd graders, 57:12457
linguistic competence, psycholinguistic properties of reading & oral language comprehension, children, 58:9296
linguistic competence & natural language functions & effectiveness of visual communication therapy program, 21 yr old male with severe head trauma, 57:1459
listener's background & variations of temporal & syntactic & lexical & suprasentential properties, 2nd language comprehension, native French speakers, 54:1077
listening comprehension of experience stories presented in standard English vs Negro nonstandard English, kindergarten & 1st grade speakers of Negro nonstandard English, 55:10736
listening comprehension of standard vs nonstandard Hawaiian English stories & teacher evaluations & expectations, standard vs nonstandard Hawaiian English speaking 5th graders, 56:8715
listening comprehension of time compressed speech, reading comprehension using speeded reading, junior college students enrolled in speed reading, 58:6277
listening comprehension test as predictor of reading readiness, 1st grade students, 55:3122
listening skills curriculum, listening & reading achievement, 6th graders, 57:11366
listening skills training program, development of reading readiness skills, kindergartners, 55:8011
listening to accompanying expanded or compressed speech tapes related to normal reading rate, comprehension & eye movements, incarcerated undereducated adults, 58:9691
listening to compressed speech, WISC & listening ability & improvement in abstraction, lower socioeconomic status 3rd & 6th graders, 55:3712
listening to Northern vs Southern Irish vs standard English accents, retention scores, Catholic vs Protestant school children, Northern Ireland, 58:3190
listening vs reading mode, errors in cloze tests, 9–10 yr olds, 53:10561
live vs recorded storytelling, retention of words & themes in retelling performance, low socioeconomic status preschoolers, implications for use of instructional recordings, 57:1915
mechanism of perceptual asymmetries & language hemisphere, dichotic listening studies, 54:4522
memory for inferential relationships in prose, developmental progression in performance & underlying cognitive operations, school age children, 57:5562
message interestingness & extrinsic incentives, listening achievement test scores, college students, 55:494
methods for facilitation of aural reception, prose comprehension & recall, educationally subnormal 9–16 yr olds, 53:10533
Negro dialect vs standard English, listening and reading comprehension, Negro dialect speaking adolescents, educational implications, 55:2135
network model, representation of logical & semantic structure of knowledge acquired from discourse, 55:161
new classification of aphasia by performance on semantic & phonemic differentiation & generalization & P. Marie's Three Papers tasks, Ss with pure aphasia, 54:5602
normal recorded speech vs compressed speech vs oral speech as presentation mode, comprehension of content material, children with visual perceptual handicaps, 55:3191
normal vs misplaced vs scrambled word order of interrogative sentences, language listening performance, 3 yr olds, 56:482
notetaking & stimulus difficulty & prior knowledge of test, immediate & delayed aural comprehension of meaningful verbal material, male cadets in US Air Force Academy, 57:13813
oral directions given in native vs non-native dialect, comprehension accuracy, intermediate grade children speaking standard vs nonstandard English, 58:12621
passage presentation in standard vs nonstandard English, aural comprehension accuracy, Black vs White male vs female lower vs middle class 3rd graders, 57:13834
passive vs direct approach to teaching listening, reading & listening skills, Black 4th graders, 58:2042
pause time, auditory comprehension, aphasics, 55:10085
performance on cloze tests, context in reading & listening, 9–10 yr old good vs poor readers, 57:13816
poststroke English language therapy conducted in Japanese language environment, improvements in auditory & reading comprehension & oral language & writing abilities in both languages, 65 yr old male bilingual aphasic, 57:13363
presentation conditions using oral renditions of prose passages accompanied by pictorial illustrations vs printed versions of text, aural comprehension, white & black 4th graders, 54:2339
presentation rate of time-compressed speech, information retained, junior college students, 56:5302
presupposition of knowledge of listener, discrimination of nominals in topic vs comment by "a"/& "the," college students, 53:3071
programed training task based on token test, teaching comprehension skills, left-brain damaged adult aphasics, 53:11998
pronunciation & phoneme perception & vocabulary & word construction & grammar & syntax problems, writing disorders in dictation task, 1st–4th graders, 54:3080
pupil relationship enhancement program & counselor guidance, development of speaking & listening skills in dyadic interactions, 56:8780
rate of aural message, reading & listening comprehension, 11–12 yr old girls vs boys of normal reading ability & remedial readers, 55:10786
rate of presentation & introduction method, comprehension of time-compressed speech, college students, 55:6087
rate-altered speech, auditory comprehension scores, 5–8 yr olds with normal language vs disordered language abilities, 57:6124
reading & listening comprehension in black & standard English, disadvantaged black 1st & 2nd graders, 55:13343
reading & reading-listening & listening, eye movements & comprehension, 7th grade remedial readers, 55:3204
reading ability & story familiarity & reading vs listening as presentation modes, meaning comprehension, 6th graders, 54:10608
reading ability, reading comprehension vs comprehension of spontaneous speech, 11th graders, 57:7417
reading skill level & IQ & age, listening & reading comprehension of sentences following vs not following minimum distance principle, 3rd vs 4th vs 5th graders, support for Chomsky's stage analysis, 57:929
Reading Versatility Test in braille vs normal reading vs compressed speech forms, comprehension, 14–21 yr old blind braille readers, 53:1574
reading vs audio vs audio/slide as mediated approaches in learning, comprehension & retention, rural 5th graders, 55:13247
reading vs listening as instructional techniques, comprehension of social studies material, 6th graders, 54:6228
reading vs listening as instructional techniques to facilitate comprehension of social studies material, 6th graders, 55:1336
receptive & expressive language developmental relationship, critical review of L. Bloom's & D. Ingram's articles, 53:4892
reciprocal comprehension of written & spoken neighbor languages, soldiers, Denmark vs Norway vs Sweden, 57:853
selective frequency filtering of sidetime noise, comprehension of rate-controlled recorded speech, college students, 57:324
self & mutual speech comprehension, 4–6 yr olds with speech difficulties vs normals, 56:905
self concept & interpersonal & personal values & listening discrimination, process- vs product-oriented elementary teachers, 58:1979
semantic redundancy & rate of presentation, auditory word comprehension, aphasic males, 55:10084
sentence voice & overt rehearsal & auditory & visual sentence presentation & sentence position in paragraph, interaction of process & structure in sentence comprehension, 58:8767
serial vs story grammar structure of orally presented narrative prose, fact recall, college students, 57:4971
severity of verbal comprehension vs speech vs reading vs writing impairments, adult aphasics, 57:1462
sex & age & IQ, auditory acuity & discrimination & memory & blending & comprehension & reading achievement & relationships among auditory test profiles, 2nd graders, 56:10676
sex, verbal transformation for auditory stimuli, male vs female college students, 56:127
short term memory & reading & listening comprehension, 6th graders, 58:10415
signal/noise ratios of amplification, comprehension of connected discourse, adults with sensorineural hearing loss, 58:9770
signs of semantic impairment in language production vs auditory comprehension, aphasic patients, 56:4275
simulated nonfluencies, comprehension of verbal passage, college students, 57:4901
simultaneous listening & speaking, comprehension & recall of prose, trainee simultaneous interpreters, 53:2382
simultaneous translation, interference between receptive & productive processes of speech, postgraduate students, 55:6086
social communication of descriptions of designs, listener's determination of design, adult vs nursery school vs kindergarten speakers, 58:9280
speaking rate & sentence difficulty & listener age, comprehension of spoken language, normal children, 55:9466
speaking rate & sentence difficulty & listener age & sex, spoken sentence comprehension, 5–9 yr olds, 56:7662
specific instructional strategies in listening, reading comprehension, 1st graders, 55:13234
speech pauses in spoken commands, auditory comprehension, adult aphasics, 57:13071
subjective organizational processes, listening & reading comprehension of paragraphs with no vs distinctive vs distorted pausal cuing, educable mentally retarded vs nonretarded 9–12 yr olds, 57:13905
summer communication skills program & grade & sex & entry level, reading & listening achievement & self esteem & identification, disadvantaged black 2nd vs 5th graders, 55:13097
symbolic gesture & verbal comprehension & reproduction of symbolic gestures, aphasics vs nonaphasic left vs right brain damaged patients, 56:10182
syntax & semantic content level & written vs spoken presentation & coded vs uncoded story version, comprehension & storage & recall of connected discourse, college students, 54:9632
syntax complexity & Ss' spontaneous speech syntax complexity, reading & listening comprehension, 6th graders, 55:6666
teaching method for how to follow rudimentary verbal instructions, severely handicapped 5.5–10.5 yr old students, 56:4925
telegraphic prose & compressed speech & modality, comprehension, college students, 55:11410
thematized vs non-thematic concepts, speed & accuracy of verifying information in discourse, 57:2362
therapy with deblocking techniques, 62 yr old aphasic male with severe auditory comprehension impairment, support for theoretical constructs of linguistics, 56:6461
time-compressed speech, listening rate preferences & listening comprehension skills, 57:315
time-expanded speech, listening comprehension of French, high school students, 58:10310
training procedures with characteristics analogous to prompts & feedback of programed instruction, comprehension of compressed speech, 55:10761
training techniques, listening skills development, hearing impaired children, 54:6334
transcoding between spoken & written language structures, aphasic patients, 56:6295
type of sentence containing syntactically complex structure & sex & grade level, reading & listening comprehension of sentence, 2nd–5th graders, 57:9989
understanding & drawing deductions from conversationally conveyed requests, college students, 54:3061
understanding & speech development, language development, 53:4886
understanding of own phonological forms & adult speech & other childrens' speech, 2–4 yr olds, 54:7201
understanding of passage topic organization, passage recall & awaren of effect of topic understanding, 2nd vs 4th vs 6th graders, modif replication of A. A. Smirnov's study, 57:7938
understanding of relational words, 45–53 yr old male aphasic patien 53:3451
use of Black vs standard English features in school setting, oral & sil reading & listening comprehension, Black Title I 3rd grade 57:11450
use of grammatical morphemes in sentence recall & speech producti & comprehension, good vs poor beginning readers, 58:739
verbal comprehension experience derived from boy-chosen commerc TV programs, verbal comprehension, male 1st graders differentiat by school entrance age, 55:1387
verbal stimulation of unattended channel & its processing of mater for meaning, non-interference between attended & unattend information processing in dichotic listening, college studen 53:10809
verbal vs pictorial organizing material, listening comprehension paragraphs & inferences & recall, 2nd vs 5th graders, 57:11412
visual imagery vs incentive instructions in reading or listening, pro comprehension, middle school students with decoding & vocabula deficits, 58:8380
visual vs auditory presentation of simple vs complex digits, defects auditory immediate memory & comprehension of system langua patients with Broca's vs conduction aphasia, 56:901
voice &/vs pause cue auditory highlighting of recorded passag listening comprehension, 5th & 6th graders with learning &/ reading problems, 57:13919
volume or speech distortion, context of message & perception of spee 54:3088
word frequency & time of day of session & practice, consistency auditory-visual pointing task, male aphasics, 58:3618
word order & syntactic markers & prosody, comprehension of spok sentences, 4- vs 5-yr-olds, 53:11408

Literacy

art therapy, usefulness in alleviating difficulties arising from sociocultu al integration, poor & illiterate people in Chile, 54:12252
classification training & language ability & age, style of thinking classification, lower class 5–7 yr olds, 55:6811
color preferences, illiterate Nigerian, 54:9711
complexity & incongruity in line drawings, verbal responses to visu patterns, illiterate Indian villagers & Indian college students, cro cultural study, 55:12096
construction of vignettes describing psychological situations as simp projective technique, conversations concerning causes & treatment patient described in story, 30–50 yr old illiterate & unsophisticat male Indians, 56:8974
cultural & linguistic differences, values & attitudes toward early learni of literacy skills, 14 countries, 54:11559
development & validation of materials for reading program, readi fluency & speed, functionally illiterate adults, 56:4776
development of Literacy Assessment Battery, utilization of reading listening in language comprehension, adults, 58:4655
discharge information & attrition rates, neuropsychiatric risk, illitera vs literate Naval recruits, validity of W. A. Hunt & C. L. Wittson 1951 conclusions, 53:5502
literacy, aphasia & brain specialization for language, focal bra damaged patients, 56:6252
mental ability level, performance on visual literacy-related photograph exercise task, black vs white vs Spanish schoolchildren, 55:5533
methods & effectiveness, literacy training programs, Armed Service 53:4190
oral reading patterns, functionally illiterate adults vs development readers, 55:10870
programed instruction vs traditional method, functional literac Persian sugar beet farmers, 54:12540
relationship between nature of means & methods or media instructional theory & nature of mental skills in cognitive theor 56:1300
reliability & validity of PGI Locus of Control Scale adapted fro Rotter's Internal External Locus of Control Scale, illiterate mal from lower socioeconomic status, India, 56:9004
status & methods, illiteracy programs & remedial lifelong educatio adults, 53:8316
value orientation research instrument developed by F. Kluckhoh preliterate society of Papua New Guinea, 53:7202

Literature [See Also Autobiography, Biography, Poetry, Prose]

accentuated personality types, excerpts from writings of F. M Dostoevski as illustrations, 57:2839
Adlerian interpretation of H. G. Wells' "The Invisible Man", 55:215
age, appreciation of literary style, 7 & 11 & 14 &19 yr olds, 55:217
analysis in terms of Jungian archetypes & unconscious, real allegorical deaths in "Huckleberry Finn", 57:9926
analysis of cross generational changes & relationship to psychology latency child, world view & psychodynamic profile of Superman comic book stories & reflection of actual crimes of social aggressio in stories of 1940's & 1970's, 57:7861
analysis of English Restoration literature, desire for learning creativity among women, 54:9643
analysis of father-son relationship & expressions of sexual impotence anxiety, writings of F. Kafka, 53:3074
analysis of key stages of Oedipus' life which support Freud's concept Oedipus complex, 57:9924
analysis of male & female sex roles, award winning adolescent literatur 1922–45 & 1955–75, 58:9202
analysis of mythological symbolism on psychological & psychoanalyt cal & psychic & archetypical level, oldest tale in "The Mabinogian book, 57:5445
analysis of Raskolnikov's relations with his mother in "Crime an Punishment", critique of W. D. Snodgrass's analysis, 57:7858
analysis of writings, conflict between inner & outer realities, wome writers, 56:7582
appraisal of K. R. Eissler's "Discourse on Hamlet & 'Hamlet'", 54:756
archetypes of death & renewal, H. Green's book "I Never Promised Yo a Rose Garden", 55:11855
articles & poems & graphics & letters on mental health issues, boo 53:9991
assessment method, family life & parent–child relations as expressed fiction, 54:9384
attempts at integration of personal & historical life cycle & discussion literary works, J. P. Sartre, 55:796
attitudes toward characterization of women in literature & toward ro & position of women in society, 12–15 yr olds, 56:7824
attitudes toward physical aggressiveness, type & intensity of response to literature of violence & attitude change, 11th & 12th grade 57:861

Lithium

abrupt lithium withdrawal following 6 wks of therapeutic administration, side effects, adolescents & young adults, 55:7669
active efflux of lithium from erythrocytes, manic-depressive patients, 57:3490
acute vs chronic lithium administration, self stimulation of barpressing facilitated by morphine vs amphetamine, 56:2047
alpha-methyl-p-tyrosine & lithium chloride, scopolamine-induced stimulation of maze activity, female rats, 53:4750
amnesic doses of cycloheximide & anisomycin & lithium chloride, conditioned gustatory aversion & memory, male mice, 54:9201
amygdala lesions, amphetamine- & lithium chloride-produced taste aversions, male rats, 56:7441
anisomycin & lithium chloride inhibition of cerebral protein synthesis, responsiveness to loud auditory stimuli during drinking, male mice, 55:6637
biogenic amines & short-term lithium administration, open field activity, male rats, 54:4854
biology & pharmacology of lithium, bibliography, 58:11349
bone mineral content & incidence of osteopenia & hypercalcemia & hypermagnesemia, lithium-treated manic depressive patients, 58:12147
characteristics, failure to respond to long term lithium maintenance therapy, manic-depressive patients, 58:5940
chlorpromazine & lithium, 39 yr old chronic alcoholic male with psychotic depression & obsessive compulsive personality, 57:10891
chronic lithium application, mineral content of bone & soft tissues, female rats, 54:4777
chronic lithium treatment, microvillous processes of choroid plexus cell surface, male rats, 56:2050
clinical psychopharmacology of affective disorders, review of studies, 54:5822
cocaine vs lithium uptake & conversion of tryptophan to serotonin & tryptophan hydroxylase & enzyme activity in lateral midbrain cell bodies & striate nerve endings, male rats, 57:2762
depamide in addition to lithium or haloperidol or chlorpromazine & ECS, adult inpatients with manic excitement, 58:12172
dipropylacetamide & lithium in combination, treatment of manic depressive psychoses, 54:10172
distal visual cues vs proximal taste cues, lithium-induced prey aversions, hawks, 56:7287
duration of access to saccharin following lithium injection & percentage of saccharin in solution, lithium-induced backward taste aversion conditioning, rats, 58:8882
ECS therapy vs lithium vs neuroleptics vs tricyclic antidepressants, cyclic adenosine monophosphate in cerebrospinal fluid, manic melancholic patients, 58:12003
erythrocyte membrane cation carrier & relapse rate & response to lithium, manic depressive patients, 57:3496
erythrocyte to plasma lithium ratio & clinical status pathophysiology of affective illness, 58:9653
fat cell size & number & weight gain correlations, patients under long term lithium treatment for manic-melancholic disorder, 56:10389
feeding with flesh from prey treated with lithium chloride, taste aversion conditioning, coyotes & wolves & cougar, 56:7291
food vs fasting, side effects & absorption of lithium sulfate vs citrate, healthy male Ss, 54:7017
genetic aspects of lithium concentration ratio in blood cells & in plasma, manic depressives treated with lithium, 57:10515
gradual development of lithium intoxication, lowering of renal response to sodium-retaining hormones, rats, implications for prevention of lithium poisoning, 58:723
habituation to lithium chloride or sodium chloride, taste aversion learning, rats, 57:5333
incubation in vitro, red blood cell lithium ion concentration, monozygotic & dizygotic twin pairs, 53:4701
lithium & haloperidol, epinephrine-induced rise in plasma cyclic adenosine monophosphate, 24–55 yr old volunteers & psychiatric patients, 58:12138
lithium & neuroleptics, psychiatric assessments, chronic schizophrenic patients, 55:10417
lithium & other alkali metals, brain glutamic acid & gamma-aminobutyric acid, male rats, 56:403
lithium & other alkali metals, intracranial self stimulation, male rats, 56:396
lithium & physostigmine, brain acetylcholinesterase activity, male rats, 53:2682
lithium & scopolamine & methamphetamine, automatically determined effects on motor activity, male rats, 54:11266
lithium & serotonin & noradrenaline & gamma-aminobutyric acid & electrical stimulation of pyramidal cells in locus coeruleus, electrical activity & neurochemical responses, rats, 53:6871
lithium & thiazide in combination, dangers & potential thiazide-lithium synergy for improved mood control in manic-depressives, 58:3911
lithium acetate vs sulfate therapy, lithium levels in cerebrospinal fluid, manic depressive patients, 54:3687
lithium, aggression, male prisoners & 16–23 yr old delinquents, 54:5885
lithium, amphetamine hyperactivity, male rats, 58:11254
lithium, behavior & catecholamine biosynthesis, male rats, 55:11810
lithium, biological action within context of "conditional" stability constants, 57:5320
lithium, blood pressure & plasma renin substrate & renin, male rats, 54:4823
lithium, brain glucose metabolism, rats, 57:2780
lithium, brain water content & binding ability & macromolecules, male rats, 58:2987
lithium carbonate therapy, relationship of plasma to erythrocyte lithium levels, patients with affective disorders, 55:10408
lithium chloride & methylatropine nitrate & phenylacetic acid, modification of mating behavior by taste/odor aversion conditioning, male hamsters, 57:2680
lithium chloride & parathyroidectomy & thyroparathyroidectomy, serum calcium & magnesium & phosphate, female rats, 58:11189
lithium chloride, acetylcholine content & synthesis in CNS, rats, 55:6619
lithium chloride administered following novel coffee solution ingestion, enhancement of flavor neophobia, male rats, 58:9108
lithium chloride administration by different routes, lithium concentration & effects, male rats, 58:11328
lithium chloride antagonism of stimulant drug effects on serotonin synthesis & behavioral effects of other drugs, indoleamine hypothesis of affective disorders, 56:807
lithium chloride, complex schedule & time-out extinction performance & barpressing performance & water consumption, male rats, 56:5647
lithium chloride, conditioned aversion to morphine, morphine-dependent male rats, 54:4800
lithium chloride, development of conditioned food aversion, 25 vs 35 vs 45 day old chicks, 58:11285
lithium chloride dosage, serum lithium levels & clinical response, manic inpatients, 57:6422
lithium chloride, lithium & monoamine oxidase inhibition-induced hyperactivity, 5-hydroxytryptamine synthesis, rats, 53:9060
lithium chloride, muricidal behavior, male rats, 55:11809
lithium chloride poisoning & taste stimulus novelty vs conditioned taste aversions, neophobia & enhanced neophobia, rats, 58:11234
lithium chloride, potentiating effect on aggressive behavior induced by nialamide plus levodopa & clonidine, male mice, 55:4142
lithium chloride, social behavior in familiar & unfamiliar situations, male vs female rats, 53:9115
lithium chloride, suppression of cricket killing & eating, male mice, 57:9853
lithium chloride, suppression of drinking novel vs familiar solutions, rats, 57:12376
lithium chloride, temporal & regional differences in brain & peripheral tissue concentrations of lithium, male rats, 58:9149
lithium chloride, 1-trial passive avoidance learning, rats, 56:9576
lithium chloride-alone exposures, interference with acquisition & retention of taste aversion, female rats, 58:9145
lithium citrate vs lithium sulphate, self assessment of frequency & intensity of side effect variables, 22–71 yr old uni- & bipolar manic depressives, 57:10966
lithium clinic, treatment of manic depressive disorders on outpatient basis, 55:7647
lithium, consumption of sodium chloride as quantitative measure of sodium requirement, male rats, 56:285
lithium, cortical evoked potentials to peripheral somatosensory stimulation, male rats & cats, 57:742
lithium, course of manic depressive recurrences, patients, 56:8452
lithium, diurnal rhythm of plasma phosphate & calcium & magnesium, lithium-treated patients with manic-melancholic disorder vs other psychiatric patients vs healthy persons, 56:10382
lithium dosages, food intake & body weight, rats, 58:3011
lithium during illness vs remission phase, clinical effectiveness, manic depressives with hereditary indications of psychosis, 58:1698
lithium, electrolyte & biogenic amines, hypothesis for manic-melancholic disorders, 56:820
lithium, euphoria & morphine-induced euphoria, male drug-free opiate addicts, 58:3915
lithium, glucagon-stimulated cyclic adenosine monophosphate excretion, male rats, 54:4837
lithium glutamate, affective psychosis, adolescents, 57:3971
lithium levels in blood samples, prediction of dosage requirements, psychiatric patients, 2-yr followup, 57:1678
lithium, LSD-induced psychotic reaction, adolescent females, 55:1073
lithium maintenance therapy, Parkinson-like side effects, psychiatric outpatients, 57:1676
lithium, morphine self administration, addict male rats, 54:7065
lithium, open field behavior, stressed vs unstressed male rats, 58:9121
lithium orotate carbonate vs chloride, development of polydipsia & polyuria, rats, 56:9485
lithium, periodic catatonia, 64 yr old female, 57:10935
lithium, pharmacology & toxicology, animals & humans, literature review, 57:9881
lithium primary & maintenance treatment, manic & depressive & schizo-affective & character-disordered patients, review, 57:10938
lithium prophylaxis, depression, bipolar I vs bipolar II vs unipolar outpatients, 57:1682
lithium prophylaxis, red blood cell lithium to serum lithium ratio, patients with affective disorders, 53:10127
lithium responsiveness, abnormality in cell membrane properties normally regulating movement of electrolytes across plasma membrane, depressed patients, 53:5873
lithium, rise in plasma adenosine monophosphate induced by adrenaline, lithium treated vs control Ss, 57:9486
lithium sulfate, affective phases & days ill, patients with ma depressive psychoses & schizophrenic affective disorders, 53:3699
lithium sulphate vs carbonate ingestion, lithium serum concentra persistence, patients, 53:1692
lithium therapy, depressive patients, Iran, 54:8050
lithium therapy, inhibition of amphetamine effects, implications treatment of amphetamine abuse, 53:1661
lithium therapy, lithium red blood cell/plasma ratio, cycloid psych & unipolar & bipolar patients, 58:12176
lithium therapy, manic depressive patients in psychiatric centers, Isr 58:1686
lithium therapy, prognostic factors in favorable outcomes, patients v acute affective psychoses, 57:10955
lithium therapy, toxic manifestations, woman with periodic depressi 53:10147
lithium, treatment of manic depressive illness, review, 57:10951
lithium treatment vs placebo exercise on treadmill, plasma dopam beta-hydroxylase activity, outpatients with unipolar vs bip affective disorders & 12–80 yr old normal siblings, 57:1693
lithium, vertical rearing activity, rats, reply to criticism of D. F. Sm 58:7098
lithium vs chlorimipramine vs FG-4963 dosages, potentiation nialamide-induced hypermotility, female mice, 57:9851
lithium vs imipramine vs placebo, reduction of severity of prim affective illness episodes, review of studies, 53:7907
lithium with vs without antidepressants, red blood cell cholineste activity, male vs female bipolar vs unipolar depressive patie 56:4503
lithium, 24–58 yr old outpatients with manic depressive psych 54:1592
lithium-induced loss of body sodium, development of severe intox tion, male rats, 54:7064
lithium-induced prey aversions, mouse killing, rats & ferrets, 56:7
long term lithium treatment, glucose tolerance & serum lipids, pati with Meniere's disease, 56:2651
long term lithium treatment, side effects & long term effects, depres & mania & other affective disorders, 54:10168
long-term lithium & sodium intakes, intoxication, rats with heredit hypothalamic diabetes insipidus, 53:632
long-term lithium treatment, brain fumarase activity, male m implications for treatment of manic-depressive psychosis, 53:9028
long-term lithium treatment, EMG recordings, 28–65 yr old ma depressive female outpatients, 54:5848
maintenance therapy with antipsychotic drugs & lithium & tricycl schizophrenia & affective disorders, review of clinical literat 56:8441
masking of salty taste cues & direct pumping of fluid into stoma discrimination of toxic & safe solutions following drinking of lithi & sodium chloride & onset of lithium illness, rats, 56:3641
molecular & cellular action of lithium & therapeutic effects of lithi carbonate on manic depressive disorders, 58:671
morning serum lithium concentration as unreliable indicator, lithie 24-hr cycle, patients, 55:2725
olfactory bulb removal, lithium-induced taste aversion to almond, m 56:5608
oral administrations of lithium carbonate vs single intraperitor injection of lithium chloride, serum ceruloplasmin oxide activ mice, 57:700
pentylenetetrazol (Metrazol), lithium chloride–induced saccharin av sion, male rats, 54:4831
polydipsia & polyuria due to long-term lithium administration, wa deprivation effects, male rats, 54:4782
potassium, lithium-induced growth retardation & polyuria, male r 54:633
preconditioning exposures to lithium chloride UCS, subsequent cor tioning of taste aversion to saccharin solution, male rats, 58:6
preexposure to lithium chloride UCS & water deprivation, taste avers conditioning, male rats, 57:12429
pretraining procedure in which Ss drank vs tasted vs did not taste su water, lithium-induced aversions to novel NaCl or vinegar or alco or familiar alcohol, rats, implications for chemical aversion thera 56:7456
pretreatment with chronic lithium or rubidium, resultant hyperactiv response & role of noradrenaline & dopamine & 5-hydroxytryp mine, male rats, 54:7018
prolonged lithium ingestion, glucagon & parathyroid hormone respo es, rats, 54:4836
prolonged lithium ingestion, morphine actions, male rats, 54:4821
prolonged lithium therapy, plasma levels of antidiuretic hormone, ma depressive patients, 58:9982
propranolol, heart rate reduction & anxious depressive syndro affective psychotic outpatients during prophylactic lithium thera 57:10902
psychological stress, lithium prophylaxis failure, 58:5911
radiation vs lithium chloride, conditioned suppression of mouse killi rats, 56:9480
reasons for refusal of prescribed lithium treatment, patients with sev manic-depressive disorders, 56:4526
red blood cell lithium index in vitro with vs without ouabain, patie with affective disorders in manic & depressive states & remissi 57:12922
relapse-preventive lithium treatment, role in daily routine, mar melancholic 22–73 yr old outpatients, 56:4496
saccharin flavored vs plain water reinforcers for leverpressing subsequent delayed lithium chloride injections, conditioned ta aversion patterns, rats, 57:5406
serum & saliva lithium estimations, lithium monitoring, patients w affective disorders, 58:9988
single & multiple lithium doses, lithium pharmacokinetics in plasma erythrocytes, adult males, 57:2782
starvation & lithium & glucose, correlations between tryptoph concentrations in brain & cisternal fluid, rats, 56:1937
survival following prolonged coma & grand mal seizures, patient w lithium intoxication, 54:5862
therapeutic & prophylactic use of & administration methods & ser determination & preparations & dosages & cautions & toxicity lithium, 56:4524
thymoleptics & neuroleptics & shock therapy & lithium prophyla cyclothymic 13-yr-old boy, 53:3634
voluntary lithium intake, antidotal effect & ambulation & rearing grooming & aggression, rats, 57:764

Lithium Carbonate

acute symptomatologic picture & response to lithium carbonate thera & followup studies & family history & genetics, schizo-affecti states, literature review, 57:6020
advantages of thioxanthene or phenothiazine vs lithium carbon therapy, depressed patients, 55:2703
amphetamine with vs without lithium carbonate, visual average evok responses & self ratings of mood & behavior, 20–61 yr old depres inpatients, 58:12143
antidepressant effect of lithium & methodological deficiencies, pressed patients, literature review, 53:12158
chlorpromazine & triftazine & phthoracizine & lithium carbona dehydrogenase activity of brain structures, rats, 55:2093
chronic lithium carbonate treatment, plasma & erythrocyte magnesiu concentrations, patients with bipolar or unipolar primary affecti disorders, 54:10089

ronic therapeutic oral lithium carbonate, lithium levels in brain areas & body organs, male monkeys & manic depressive patient, 58:718
›mipramine plus lithium carbonate vs clomipramine plus placebo, 42–80 yr old depressed patients, 57:10931
ntinuing group treatment program, outpatients on lithium carbonate, 56:6493
xtro- & levoamphetamine with vs without lithium carbonate pretreatment, sleep, depressed patients, 55:7651
se & dosage schedules of trihexyphenidyl & lithium, plasma chlorpromazine levels, acute psychotic inpatients, 56:6450
creasing dosage of lithium carbonate, plasma renin activity in supine position & after upright stance, 30–50 yr old inpatients with endogenous depression, 56:1101
uid vs solid lithium carbonate, blood levels & side effects, non–manic-depressive prisoners, 56:2028
hium & psychotherapy, bipolar mentally ill patients, 55:7494
hium & slow-release vs conventional preparations, plasma lithium levels, normals vs patients with bipolar & unipolar affective disorders & schizophrenia, 57:8804
hium, antiaggressive & side effects, assaultive antisocial 34-yr-old female, 53:12163
hium, antiaggressive effect & red blood cell lithium values, mentally deficient aggressive non-manic-depressive female patients, 56:10392
hium carbonate & haloperidol, brain damage & dyskinesis, agitated patients with mania, 53:12136
hium carbonate & imipramine hydrochloride, depressed patients, 54:5894
hium carbonate & placebo, affect & mood & personality traits, normal male Ss, 58:9130
hium carbonate administration, genetically determined properties of erythrocyte membranes, distribution of lithium ion across erythrocyte membranes, Cheviot sheep, 54:488
hium carbonate, affective disorders & alcoholism & chemical dependence, 53:3648
hium carbonate, aggression, 27 yr old mentally retarded male with cyclic impulsive outbursts, 54:3677
hium carbonate, attenuation of euphoriant & activating effects of dextro- & levo amphetamine, depressed patients, 55:10421
hium carbonate, balance of sodium & potassium & water, patients in remission from manic depression, 57:6418
hium carbonate, chronic intractable psychiatric patients, 55:5167
hium carbonate, diabolical behavior & conversion symptoms & diffuse violence & cruelty, 20 yr old female with hysteria, 58:12174
hium carbonate, disruptive manic behavior, 15 yr old mildly mentally retarded manic depressive female, 56:1117
hium carbonate dosages & serum lithium levels, prevention of recurrent depression, psychiatric patients under 60 yrs of age, 56:1125
hium carbonate efficacy, prediction using family history of affective disorders & age of symptom onset & catechol-O-methyl transferase activity & average evoked responses & unipolar vs bipolar illness, hospitalized depressed patients, 55:5135
hium carbonate, erythrocyte & electrolyte & urinary amine metabolism concentrations & interactions, depressed patients, 54:1597
hium carbonate, evolution of hyperthymic psychoses, manic & melancholic patients, 3 yr longitudinal study, 54:5831
hium carbonate, favorable therapeutic response, schizo-affective father & son, 56:10385
hium carbonate, human platelet monoamine oxidase activity, 18–63 yr old patients, 54:583
hium carbonate, hypomania following organic brain dysfunction, 57 yr old male, 55:7670
hium carbonate, hypomanic episodes & depressive attacks, bipolar manic depressive patients, 56:2642
hium carbonate in health maintenance program, manic-depressive & recurrent depressive patients, 53:7920
hium carbonate injections into cisterna magna, brain tissue concentration, dogs, 58:5026
hium carbonate, locomotor activity & plasma & red blood cells & cortex concentrations, male inbred mice, 58:716
hium carbonate maintenance therapy, cogwheel rigidity reaction, outpatients, 54:3703
hium carbonate, manic behavior, 34 yr old female with multiple sclerosis & agitated depression, 58:9980
hium carbonate, opiate addiction, 17–28 yr old addicts, 55:10539
hium carbonate &/or phenothiazines & ECS therapy, bipolar affective disease, case study of identical twins, 56:10214
hium carbonate, plasma & erythrocyte lithium concentrations & EMG & EEG charges, unipolar & involutive depressed patients, 56:6452
hium carbonate, prolongation of succinylcholine & pancuronium bromide neuromuscular blockage, dogs, implications for drug therapy, 58:3021
hium carbonate prophylactic effect for depression, bipolar & unipolar affective patients, 56:4516
hium carbonate prophylaxis failure, manic depressive patients, 56:10373
hium carbonate prophylaxis therapy evaluation, patients with bipolar manic-depressive illness, 53:3688
hium carbonate, psychotic depressives showing consistent syndrome, 57:10930
hium carbonate, red & white blood count & plasma concentration of electrolytes & thyroxine, manic-depressive psychotic patients, 57:3993
hium carbonate responses & depressive & elation ratings during manic episodes, manic patient subgroups, 53:9791
hium carbonate, serum gastrin level, psychiatric patients, 53:3698
hium carbonate, serum protein-bound iodine, manic depressives, 3-yr study, 58:12132
hium carbonate, sleep, depressed patients, 54:3660
hium carbonate, sodium pentobarbital-induced subjective state changes, 21–35 yr old males, 56:412
hium carbonate, spontaneous motor activity & symptom intensity, female & male 25–67 yr old patients with mania & depression, 58:12154
hium carbonate, synthesis rate of brain serotonin & 5-hydroxyindoleacetic acid, rats, 53:2671
hium carbonate, tempo perception & symptom improvement & relationship to mania diagnosis, psychotic patients, 58:12170
hium carbonate therapy, CSN toxicity, case reports, 56:6443
hium carbonate therapy, EEG patterns, patients with affective disorders, 57:13350
hium carbonate therapy, plasma aldosterone levels, manic depressive patients in manic phase vs schizoaffective patients in excited phase, 54:10167
hium carbonate therapy, relationship of plasma to erythrocyte lithium levels, patients with affective disorders, 55:10408
hium carbonate, thyroid functioning, psychiatric patients with emotionally unstable character disorder, 54:3694
hium carbonate treatment & diagnosis, 19 yr old Black male with manic depression, 58:5947
hium carbonate treatment, urinary cyclic adenosine monophosphate before & during treatment, 31–67 yr old manic depressives, 57:6420
hium carbonate, unipolar depressed patients, 3-mo to 4-yr followup, 55:7648
hium carbonate, unipolar vs bipolar depressive female patients, 53:3695
hium carbonate vs chlorpromazine vs haloperidol, 21–68 yr old severely ill hospitalized manics, 54:1613
lithium carbonate vs chlorpromazine vs placebo vs imipramine, reduction & prevention of affective episodes, manics & schizo-affectives & depressives, 53:3687
lithium carbonate vs chlorpromazine, 13–65 yr old endogenous manic psychotics, 55:7677
lithium carbonate &/vs haloperidol, excessive irritability & impulsivity, female patients with Huntington's chorea, 55:5152
lithium carbonate vs maprotiline, plasma levels & morbidity, patients with affective disorders, 56:10372
lithium carbonate vs placebo, aggressive behavior modification, nonpsychotic incarcerated 16–21 yr old delinquents, 56:10381
lithium carbonate vs placebo, cognitive functions, normal male Ss, 58:9129
lithium carbonate, weight gain, patients with anorexia nervosa, 58:12136
lithium carbonate, 46–67 yr old patients with tardive dyskinesia, 54:3693
lithium carbonate-induced atrioventricular block, 21 yr old female, implications for importance of EKG monitoring during treatment, 58:3914
lithium chloride & haloperidol alone vs in combination & lithium in combination with chlorpromazine vs trifluoperazine vs promazine vs flurazepam, toxic interaction effects, rats, 57:5298
lithium chloride, inhibition of septal lesion-induced hyperexcitability & muricidal behavior, male rats, 57:5365
lithium chloride, sleep patterns, male rats, 58:5015
lithium, impulsive aggressive behavior, 16–24 yr old prisoners, 57:13340
lithium intoxication, side effects, patients receiving lithium therapy, 53:1674
lithium maintenance treatment, weight gain, manic-melancholic patients, 57:1704
lithium, moderately & severely depressed patients, literature review, 57:1695
lithium orotate carbonate vs chloride, development of polydipsia & polyuria, rats, 56:9485
lithium prophylaxis intoxication, 20- & 45-yr-old females, 53:3700
lithium therapy induced hypothyroidism, patients, literature review, 57:3991
lithium treatment, manic symptoms & monoamine metabolite levels in cerebrospinal fluid, 18–69 yr old manic depressive patients, 55:10402
lithium treatment, transvestism, 24 yr old manic depressive male, 55:5170
lithium use during pregnancy, cardiovascular anomalies, infants, 54:3717
long term lithium carbonate therapy, prophylactic effectiveness, patients with affective disorders, 57:10942
long term lithium carbonate therapy, reduction in admissions & symptoms, patients with cyclophrenia & unipolar depression, 57:10943
maintenance levels of lithium carbonate vs drug-free state, warned RTs, manic depressive patients, 56:2472
mean annual medical cost of treatment with vs without lithium, bipolar manic depressive patients, 58:9974
MMPI delineation, depressed patients refractory to lithium carbonate therapy, 54:5851
molecular & cellular action of lithium & therapeutic effects of lithium carbonate on manic depressive disorders, 58:671
need for more precise diagnostic system, prediction of therapeutic success, patients treated with lithium carbonate, 56:8469
oral administrations of lithium carbonate vs single intraperitoneal injection of lithium chloride, serum ceruloplasmin oxide activity, mice, 57:700
parachlorophenylalanine & alpha methyltyrosine, hyperactivity in open field behavior induced by tranylcypromine stereoisomers & lithium carbonate, male rats, 58:3033
perphenazine & lithium carbonate, postpartum delirium, human females, 57:10948
potential difference across rectal mucosa during depression & lithium carbonate therapy, manic depressive patients, 55:5159
practolol vs propranolol as beta-blocking agents, lithium-induced tremor, patients with affective illnesses, 55:7655
pre- & posttreatment phases & lithium carbonate therapy, levels of psychomotor activity, manic & bipolar depressive patients, 53:5890
prolonged lithium carbonate therapy, manic depressive psychotic patients, 55:10399
reliability of saliva lithium levels, monitoring lithium salt treatment patients, 53:10121
renal tubular concentrating & acidification ability, female patients on long-term lithium therapy, 53:10146
sodium intake & excretion patterns, lithium carbonate toxicity, 72-yr-old manic depressive female under lithium therapy, 53:1669
sustained-release lithium carbonate, side effects & serum lithium levels & antiaggressive effect, 17–24 yr old incarcerated males, 57:8793
toxic reaction to lithium carbonate, patient with symptoms resembling organic brain syndrome & patient with CNS signs of acute intoxication, 55:2710
X-linked dominant mode of inheritance & lithium carbonate treatment, manic depressive patient, 58:11807

Liver
biochemical & physiological processes of energy metabolism in intestines & adipose tissue & liver, hunger & satiety, 58:559
brain acetylcholine & liver tryptophane-pyrrolase & glycogen, rats selected for high & low activity & defecation rates, 57:5173
brain N-acetyltransferase, substrate specificity & distribution & comparison with enzyme activity from liver & pineal gland, rats, 57:5264
ethanol, hepatic microsomal drug-metabolizing enzymes, male & female rats, 53:11201
food & light, daily rhythms of glycogen synthetase & phosphorylase activities in liver, male rats, 58:563
handling & etherization, incorporation of radioactive lysine into brain & liver protein, male mice, 58:608
in vivo & in vitro metabolic O-demethylation of 1-(2,5-dimethoxy-4-methylphenyl)-2-aminopropane, rabbits, 56:5590
LSD derivatives, metabolism by rat liver supernatant, 53:6858
perinatal & prenatal dietary folic acid restriction, brain & liver tissue folate concentrations & S-adenosyl-levomethionine & behavior, mice, 58:624
phenobarbital & ethanol, liver aldehyde dehydrogenases, male rats, 54:7066
psychoanalytic investigation, existence of hepatic erotogenic zone & hepatic vs oral fantasies, 53:9609
sensory stimulation & behavior, brain protein metabolic correlates, mice, 55:3991
stress &/or ethanol, liver hexobarbital metabolism & plasma hexobarbital disappearance & sleep time, male rats, 56:407

Liver Disorders [See Also Cirrhosis (Liver), Hepatitis, Jaundice, Toxic Hepatitis]
abnormal liver function, psychiatric patients in military hospitals, 54:1451
cyclic adenosine 3 prime, 5 prime-monophosphate concentrations in ventricular vs lumbar cerebrospinal fluid & effects of pretreatment with phenobarbitone & promethazine, patients with hepatic comas vs undergoing radiological vs neurosurgical procedures, 58:9797
diazepam, neuroleptic effects related to single dose kinetics & liver function, patients with impaired liver function vs normal Ss, 58:9124
hepatic deterioration in delirium tremens, 57:3736
hepatic morphology, Huntington's chorea patients, 55:12546
intellectual impairment & levodopa effects on cognitive performance, patients with chronic hepatic encephalopathy, 55:4909
metabolite levels, mentally retarded with vs without epilepsy vs normal Ss & retarded sib pairs vs Ss with idiopathic epilepsy, implications for epilepsy diagnosis & role of liver damage in ammonia intoxication of brain, 58:5458
plasma ratio of alpha-amino-n-butyric acid to leucine, hospitalized ambulatory alcoholics & patients with nonalcoholic liver disease & methadone patients & alcohol-fed baboons & baboon controls, 57:12982
toxicity of tricyclic antidepressants, isolated hepatocytes, rats, 53:11146

Lizards
angle separating discriminanda & intertrial substrate temperature & visual attentional characteristics of apparatus & difficulty of maze choice points, black–white discrimination learning & orienting responses, desert iguanas, 53:694
basking & perching & feeding & foraging behaviors, thermoregulation, blue spiny lizards, 58:560
castration & androgen replacement, male facilitation of ovarian activity, lizards, 53:4621
castration & estradiol benzoate & testosterone propionate, social behavior, male & female lizards, 56:321
comparative aggressive behavior after introduction of conspecific, 3 species of lizards, 54:11339
components of male courtship behavior, environmentally induced ovarian recrudescence & mating preferences, female lizards, 54:11311
courtship & aggression, social factors associated with male in control of reproduction, female lizards, 55:6329
CS-UCS & intertrial interval & temperature & natural appearing escape route, avoidance conditioning, desert iguanas, 56:7334
daily activity & social behavior patterns, blue spiny lizards, 55:9072
descriptive analysis & social correlates, agonistic displays, iguanid lizards, 57:9651
display analysis of signature display, iguanas, 57:12205
distance between predator & prey & opportunity to escape, tonic immobility, lizards, 57:7544
electrical stimulation of midbrain sites, elicitation of vocalization, lizards, 55:2032
estrus periods & courtship patterns & reproductive condition, lizards, 54:7157
field observations, functional significance of ability to change color & extreme nonsociality, chameleons, 54:9223
insolation level in environment, critical flicker-fusion frequencies, anoline lizards, 53:6986
melanocyte stimulating hormone & melanocyte stimulating hormone/ACTH sub 4-10 & melanocyte stimulating release inhibiting factor & corticosterone, tonic immobility & body temperature, lizards, 56:9601
population phenetics & behavioral ecology, Florida scrub lizard, 55:3912
presence & size of potential snake predator, defensive behavior using original vs regenerated tail, western banded geckos, 57:9655
social behavior, hatchling green iguanas, 58:6953
sound, intracellular electric responses from single hair cells & supporting cochlear cells, alligator lizards, 53:8879
yawning behavior, lizards & tortoises, 55:1941

Lobotomy [See Psychosurgery]

Local Anesthetics [See Also Cocaine, Lidocaine, Novocaine, Quinine]
curare- vs succinylcholine- vs local anesthetically-induced paralysis, visual perceptions, human Os, 55:11816
digital indentation during local digital anesthesia, somatosensory evoked response, 17–45 yr old normals & monkeys, implications for clinical diagnosis, 57:5168
eye movement responses to auditory stimuli & cardiac responses to somesthetic stimuli, rapidity & consistency of habituation, infants whose mothers had obstetrical general anesthesia vs local anesthesia or analgesic medication, 53:9085
local anesthetic, pure-tone air conduction & speech detection thresholds under earphones or with conventional hearing aid, 12–17 yr old profoundly deaf, 58:11969
local anesthetics, possible adverse effects & their treatment & need for preparedness by optometrists, 55:5185
local anesthetization induced bilateral hypoglossal nerve block, speech, implications for speech pathology research, 53:2613
oxethazaine HCl, control of food & water intake, male rats, 53:11214
vibrissal amputation vs anesthesia, open field rearing behavior, male rats, 56:3636

Localization (Perceptual) [See Perceptual Localization]

Localization (Sound) [See Auditory Localization]

Locus of Control [See Internal External Locus of Control]

Logic (Philosophy)
behavioral observations & binary argumentation, empirical logic, 53:4272
concepts of logic, analysis of hypothetico-deductive method of evaluation of psychological theories, 58:8603
dialectical psychology & social logic, 55:11873
formal logic, resolution of ambiguity in concept of tragedy, 58:6554
overview of L. Zadeh's theory of fuzzy sets & reasoning, 58:198
probability & propositional logic, model of belief systems, college students, 53:1191
systematization of dialectical logic, behavioral & social science studies, literature review, 58:8573
systematization of dialectical logic, study of development & change, 58:9279

Logical Thinking
ability to control experimental variables, 7–13 yr olds, implications for teaching, 55:6699
ability to distinguish tautological from contingent statements, logical thinking, children, 55:11982
academic aptitude, logical reasoning with general vs singular propositions, 5th vs 7th vs 9th graders, 55:13291
acceptability of independence principle of L. Savage underlying expected utility theory, college students, 53:8796
activation & enrollment in various mathematics courses, logical inference performance, part-time college students employed as police officers, 55:7871
age, development of formal operations in logical & moral judgment, 10–50 yr olds, 58:7210
age, development of logical search behavior & concept of critical search area, 5–10 yr olds, 57:2901
age, structure of Piagetian logical & infralogical groupings within concrete operational period of cognitive development, male vs female elementary school children, 58:813
aim-conscious training of basic thinking operations, development of general rational abilities, 5 yr olds, 56:8678
analysis of propositional logic game by ordering theory, sequence of acquisition of formal operational thought, 14 yr olds, 54:788
analytic & intuitive dimensions of cognitive functioning, selection of college major, college students, 55:10841
automation & competence variables, performance on Piagetian logical tasks, 1st & 2nd graders, 55:4286
basic rules of inductive logic, inductive strategies in reasoning, college students, 57:11977
CA & MA, understanding logical rules of conjunction & disjunction, mentally handicapped & normal children, 55:7386

causes or consequences as point of departure, construction & regeneration of logical temporal sequences, kindergartners vs 2nd vs 4th graders, 58:803
classification & seriation operations with problems concerning inanimate objects & social events, female 60–120 mo olds, 54:807
cognitive conflict vs concept formation vs didactic training & logical similarity between tasks, transfer of formal thinking, college students, 56:5321
cognitive processes & age, ability to plan series of real-life events in logical fashion, kindergartners vs 2nd vs 4th vs 6th vs 8th graders, 56:7616
cognitive style & logical deductive reasoning, Matching Familiar Figures Test, 6- & 7- & 11-yr-olds, 53:6175
conceptualization of logical competence based on dimensions of principles & content & complexity, taxonomy for formulation & testing of hypotheses, 58:818
concrete operations & MA & sex, sensitivity to logical contradiction & perceptual decentering, educable mentally retarded & nonretarded children, 58:9741
congruence & negative information, answers to questions of entailment, college students, 53:4402
creativity & task complexity, intuitive vs analytical problem solving, college students, 55:3710
cue conditions from hypnotist as to appropriate trance logic response & real vs simulating condition, toleration of logically incongruous behavior, hypnotically responsive vs unresponsive Ss, 57:2523
development of classificatory performance, 3–6 yr olds, 53:9277
development of hypothetico-deductive thinking, cross cultural study of validity of Piaget's model, book, 54:2692
development of logical inclusion & exclusion of multiple variables in natural experiment situation & Piaget & Inhelder's pendulum problem, 4th–6th graders & college students, 58:844
development of play & logical thinking, 4 & 5 & 8 yr olds, 58:7173
developmental analysis of propositional logical thinking, comprehension of language connectives, book, 56:7666
difficulty of reasoning & logical operations required in reading materials instructions, 6 yr old beginning readers, 58:2043
distinction between logical & illogical & nonlogical behavior in matching bias, reformulation of problems in psychology of reasoning, 53:347
diurnal variation, grammatical transformation & logical syllogism tasks of logical reasoning, college students, 54:6758
double hallucination & hallucination transparency, trance logic, tranceable vs simulating college students, 53:10876
encoding & comparison vs capacity sharing models, attentional demands of negation in recognition memory, college students, 54:8882
endorsement of A. Ellis's 11 irrational beliefs, 18–62 yr old neurotic vs 16–54 yr old personality disordered psychiatric inpatients vs normal college students, 55:12426
equivalent inference patterns in class vs conditional logic, 4th vs 9th graders, 55:544
familiarity with content, conditional reasoning, graduate students, 54:8851
functional & structural aspects of visual components, intuition in problem solving, 53:10878
generation & falsification of superordinate & encoding of instance, making negative semantic memory judgments, college students, 53:8805
grade level & positive direction & reading achievement, logical thinking ability & syntactic comprehension, lower class 3rd & 4th graders, 56:5775
home location & differential schooling, logical thinking & reading achievement & conservation, 2nd & 4th graders, 58:12603
hypothesis for difficulty in ability to evaluate contradictions & tautologies, 1st–3rd & 6th & 10th graders, 56:7665
inconsistent remarks to justify incorrect solutions to difficult deductive problem, college students, 53:10917
individualized science program with student selection of project goal & apparatus, logical thinking skills, 5th graders, 56:8684
induced disequilibrium, changes in logical thinking, college students, 56:3371
induced learning of logical concepts, review of research conducted by Piagetian group, Geneva, Switzerland, 56:5304
instruction in sentential logic, growth of logical thinking abilities, junior high school students, 55:1335
instructions & premise order, errors in syllogistic reasoning, female college students, 54:10986
instructions for deductive reasoning, discrimination between positive statement & its converse, college students, 53:2343
irrational beliefs, likelihood of becoming emotionally aroused in examination & interpersonal & public speaking situations, college students, 54:6824
irrational thinking, uses in American politics & political appeal, 55:2289
Kohlbergian vs Rogerian treatment, moral development & logical reasoning, 14–16 yr old females, 57:3000
linear ordering vs set inclusion structure of paragraph, recognition memory for term pairs, college students, 58:4770
location of negation in major premise, disjunctive reasoning abilities, graduate students, 56:5268
logic, perceptual development, preschoolers to 5th graders, 54:11423
logic relations, integration of ideas & memory of disjunctive & other relationships, 55:8845
logical abilities measured by Piagetian tasks & verbal intelligence, performance on intra- & extradimensional shift problems, 3–12 yr olds, 55:4248
logical foundations for teaching & testing conceptual relations & overcoming discipline problems, 58:1929
logical operational limitations, development of moral judgment, 11–13 yr olds, 55:6692
logical processing of set inclusion relations in meaningful text, college students, 57:11973
logical reasoning, middle aged paranoid schizophrenics, 54:11969
logical statements, difficulties encountered in solution of 4-card problem, elementary & high school students, 57:2359
logical vs arbitrary & E vs self composed sequences, recognition & reconstruction & recall of narrative sequences, preoperational kindergartners & 2nd graders, 57:901
mathematics achievement, assessment of disjunctive syllogisms with positively vs negatively worded premise statements, 8th & 9th graders, 54:4151
mathematics teachers' use of conditional logic language, conditional reasoning ability, 7th graders, 56:2939
maturation & negatively vs positively worded hypotheses, error patterns in sentential logical reasoning ability, 2nd vs 3rd graders vs prospective elementary school teachers, 58:11437
measurement & description, class of individual mental reasoning processes, 55:3498
mental processing capacity & anticipatory & retroactive abilities & development of concrete-operational structures as measured by performance on criterion logic tasks, 1st & 2nd graders, 57:9969
methods following Piagetian theory in classroom learning process vs traditional teaching methods & age & GPA & aptitude for accounting & logical reasoning & IQ, formal operations ability, 15–19 yr old high school accounting class students, 55:13104
negation & syntactic ordering in given conditional &/or assertion form of proposition to be inferred, inference of valid conclusions/logical equivalents from given conditional assertions, 4th & 8th & 12th graders, 55:9429
negation, comprehension of fallacious conditional & disjunctive arguments, adults, 53:6623
negation of terms in sentences used in deductive problem, terms used in response justification, students, implications for dual processes in reasoning, 55:11438
no instructions & meaning & interpretation instructions & negation & syntactic variation, conditional & biconditional reasoning performance, college students, relevance of conditional perfection & premise misinterpretation hypotheses, 58:2668
novelty in choice context, consistency in inconsistent intransitive preferences, preschoolers & 4th & 8th graders, 53:7017
perceived & objective item difficulty, perception of logical principles in reasoning ability test, 16–49 yr olds, 53:6626
perceptual-motor skills & conservation ability, school readiness, kindergartners & 1st graders, 53:842
performance on logical discovery task, deaf vs hearing school age children, 53:11982
physiognomic responsiveness, primary process thinking & creativity, art vs accounting students, 57:8312
Piagetian logical thinking tasks, subtraction ability, 1st–3rd graders, implications for teaching, 53:11423
Piagetian logical thinking tasks, subtraction ability, 1st vs 2nd vs 3rd graders, 55:6807
Piaget's model of sequential strategies for deductive reasoning vs P. N. Johnson-Laird & P. C. Wason's model of natural "thought," deductive reasoning, 53:2337
Piaget's theory of number & use of class logic as basis for mathematical education, reply to C. J. Brainerd's criticism, 57:7964
Piaget's theory of number, criticism of J. Macnamara's analysis & conclusions concerning inadvisability of using class logic as basis for arithmetic instruction, 57:7926
pragmatic & grammatical factors, comprehension of universal affirmative propositions, 6 & 7 & 8 vs 11 & 12 yr olds vs adults, 57:7928
preexperimental experience with conjunctive concepts, rule difficulty order & error distribution in learning conceptual rules, college students, 53:2359
preferential speaker processes, male vs female process vs reactive schizophrenics, 54:7801
prescriptive vs traditional teaching approach, change in stages of logico-mathematical thinking & spatial development, exceptional children, 56:1487
principle of causality as fundamental to human thinking, complex hypothesis formation in solution of acausal problems, 56:9153
Principle of Linguistic Marking of M. Clark vs Osgood's Psycho-logical Theory of Meaning, semantic coding in reasoning specific to 3-term series problem solution, 58:286
problems requiring formal operations for solution, determination of level of logical thinking, female vs male 1st yr college students, 55:4278
propensity automaton, mathematical model of inductive learning & behavioral learning, 56:9044
proselytizing rational living, rationality scores & personal happiness, college students, 53:7389
psychological theory, rational behavior, book, 54:6529
rationality & assertiveness, psychiatric patients, implications for therapeutic approaches of mental health, 54:8043
relevant vs irrelevant transformations, survival of concept, 53:8530
rule satisfaction beliefs, belief in evidence using rule learning task, students, 58:10964
semantic memory tasks involving linear ordering & artificial set-inclusion, similarity of findings to those obtained in real information studies, college students, 57:7485
sentences with dichotomous & continuous antonyms, recall of logical & pragmatic implications, college students, 54:8873
seriation level & arbitrary vs logical features of stimuli & evocation repetition, operational level & memory organization, 5 vs 6 vs 7 yr olds, 57:936
sex & content & context of arguments, development of ability to assess validity of conclusions of deductive arguments in class & conditional logic, 3rd vs 5th vs 7th vs 9th vs 11th graders, Ethiopia, implications for mathematics instruction, 55:11914
socioeconomic status & age, usage of logical conjunction & disjunction, low vs middle class kindergartners & 2nd & 4th & 6th graders, 55:9414
Socratic effect, criteria used in judging belief inconsistencies & belief saliency & role of intersession interval, college students, 58:1233
spatial paralogic & spatial images & linguistic processes in deductive reasoning, normal vs educable mentally retarded 7th graders, 57:12990
stress, rate & error scores on tests of discrimination & memory & logical thinking, college students with anxiety neurosis, 55:2471
structure underlying types of set operations & relations & concepts & patterns & logical connectives, relationship to studies of concept formation & logical thinking, 53:8779
symbolic logic training, grouping strategies, male vs female 8-yr-olds, 53:9254
tactics training exercises &/or strategical instruction, logical proof problem solving, 57:2390
teaching methods, acquisition of analytical ability to distinguish between warranted & unwarranted assertions, children, 57:13735
test development & validity & reliability & IQ & socioeconomic background, conditional logic abilities, urban 5th graders, 56:3081
theory of individual differences employing genetically-based creative & constructive logic patterns, implications for learning & education, 56:8728
theory of natural concepts in human languages & development of logical abilities, children & adolescents, book, 58:5162
therapist understanding of "alcologia" thinking process of actively drinking alcoholic, therapy success, 54:5815
understanding of logical connectives, 14–19 yr old students, 56:7618
understanding of logical quantifiers "all" & "some", male vs female 8 vs 9 vs 10 vs 11 yr olds, 57:927
use of E. A. Peel's logical game to study rules of implication & incompatibility, 1st–6th graders, 57:12001
verbal deficiency, logic problem solving, 11–16 yr olds, 53:11403
videotape observation study, logical operations in nonverbal behavior, kindergartners & 2nd & 4th & 6th graders, 53:11416

Logotherapy
existential analysis, psychoanalytic view & spiritual dimension of man, writings by V. Frankl, 55:4381
intrapersonal vs communal conceptions of salvation & logotherapeutic effects of encounter-type group experience, church congregation, 57:1067
logotherapeutic technique of paradoxical intention & behavior therapy techniques, short term psychotherapy, 54:12226
logotherapy & degree of drug dependency, self actualization & purpose in life, rehabilitation center residents with pretreatment high vs low self actualization & will-to-meaning, 58:7864
logotherapy & existential analysis, 57:1554
logotherapy, death anxiety & purpose-in-life evaluation, terminally ill patients, 58:12061
logotherapy methods, use as tools in pastoral treatment, 55:964
logotherapy techniques, phobic & obsessive compulsive patients, 58:5837
paradoxical intention & dereflection as logotherapeutic techniques, 54:3582
philosophical & religious aspects of logotherapy & its acceptance psychotherapists, 58:5822
Talmudic & logotherapeutic affirmations, role of death in life, 54:2

Loneliness
anxiety & loneliness & affection & guilt & punishment & frustrati drug abusers, 55:695
causes of loneliness, adolescents, 54:409
development & evaluation of social skills training program us contract management, changes in social activity & competer socially withdrawn male college students, 55:12714
family relationships & personality characteristics & interperso relationships, homesickness, college males vs females, 57:4416
housing types vs contentment with housing, loneliness, elderly, 53:2
institutional involvement, psychological well-being, college stude 53:12481
loneliness & family relationships, terminally ill cancer patients, 56:4
loneliness experiences, mood levels & self concept & social appro motivation & affect stability, men vs women, discussion in terms object relations theory, 56:6084
loneliness, interpersonal relations, female college students, 53:1069
need for human contact & social self constructs defining alienat syndrome, theory of loneliness, college students, 58:7588
perceived level of interpersonal communication & identity as religiou coping with celibacy & years in religious life & loneliness friendship, retention in religious institute, Roman Catholic prie 57:9219
personality & self discrepancy & demographic variables, lonelin female college students, 55:7224
phenomenological analysis, experience of loneliness, 56:9925
problems of mental illness & addiction & unwanted pregnancies unemployment & family conflicts & loneliness, trends in requests services received by Travelers Aid Society, 54:970
psychology of loneliness, book, 56:8017
psychotherapy & loneliness–aloneness distinction & other aspects loneliness, 53:1617
self perception discrepancies & father's income & mother's educat level & number of changes in residence, loneliness, 1st-yr coll females, 58:3393
self-reported loneliness, self-actualization, college students, 53:3147
validity, Belcher Extended Loneliness Scale, college students still in never in psychotherapeutic counseling vs Ss who had comple therapy, 56:7030
validity of Rotter's Internal-External Locus of Control Scale & revis of R. Bradley's Loneliness Scale, chronic alcoholic male vetera 57:2239

Long Term Memory
ability to attach labels to earlier nonverbal experiences prior establishment of labeling rules, college students, implications inability to recall early childhood experiences, 56:5325
accurate long term memory for events, 4–7 yr olds, investigation Piaget's vs Bartlett's hypotheses, 56:7672
acquisition cues used in reinstatement training, maintenance of lo term memory of light–dark discrimination, female rats, 56:9290
additional incidental practice, long term retention of intentiona learned paired associates, 57:4957
adjunct programing techniques & form & frequency of self questions in adjunct program, short & long term retention of writ material, ROTC students, 54:4336
age-related changes, short- & long-term memory, 18–40 yr olds, 53:93
aging, remote memory for public events, 50–89 yr old medical inpatie & highly educated 60–89 yr olds, 53:9330
alcohol intoxication during learning, 2–50 min & 1–14 day retention rate of forgetting, college students, 55:2123
amphetamine, acquisition & retention of appetitively motivated succ sive brightness discrimination maze problem, male mice, 55:4094
amygdalectomy, long-term retention of undertrained classically con tioned fear response, male rats, 53:11123
anesthetics, recovery of search functions in long term memory, healt male volunteers, 58:5003
asparaginase, avoidance learning & memory & role of protein synthe in long term memory, mice, 54:11239
associative relationship, significance of functional organization in lo term memory for verbal materials, students, 54:11045
auditory similarity of consonants in long & short term memory defin by stimulus duration, long & short term memory performan college students, 56:9188
case grammar relations, long term memory for connected discour 58:8788
circadian placement & sleep vs wakefulness during retention interv long term verbal & visual memory, college students, 58:2694
clustering & level of abstraction, long term memory retrieval usi spontaneously produced materials, college students, 54:11049
conditional research process in long term recognition, suggested mo & validation procedures, 57:2471
connectedness of propositions & propositional fan, probe RTs & er rates for positive/negative responses, college students, support intersecting activation process in long term memory search, 58:47
context, transfer from short-term to long-term memory, college studen 53:412
cortex vs cerebellum & conversion of short to long term memo movement learning, 56:5386
cue availability, short & long term recall of familiar objects vs project color photographs of objects, mentally retarded children of compa ble MA, 56:10155
cues, response latency in retrieval from long-term verbal memo 53:10953
cuing recall technique, short & long term memory, organic amne patients, 57:1503
cultural & personality characteristics, temporal placement of past eve & quality of memory for those events, Moroccan vs American 58:944
cumulative rehearsal instructions vs no instructions & degree overlearning, acquisition & transfer of rehearsal strategies from sh to long term memory, 1st graders, 57:7949
cycloheximide & aminoglutethimide & exogenous corticostero dissociation of adrenal steroidogenesis & amnesic effects af training, male mice, implications for protein synthesis inhibition long term memory, 57:5396
cycloheximide vs aminoglutethimide vs corticosterone, adrenal steroi genesis & long term memory after passive avoidance & discrimin tion training, male mice, 57:2799
degree of arousal of words, short & long term retention, paid Ss, 55:61
delay interval before recall & computation &/vs rehearsal delay ta serial position effects in free recall & short term vs long term retriev 57:2477
delayed auditory feedback & immediate vs delayed testing, retention difficult prose, college students, 53:411
development of questionnaire based on well known public even measurement of episodic long term memory, 27–74 yr olds, 57:22
development of short & long term storage mechanisms, free rec performance, 2nd vs 4th vs 6th grade high vs average acaden achievers, 55:9390
developmental differences, spontaneous seriation, kindergartners vs vs 2nd vs 3rd graders, implications for past long term memo research, 54:806

ficulty of distractor task within retention period, allocation of vailable processing capacity to short & long term components of nemory, 55:8963
plays varying in seriation level, long term memory recall vs ecognition & role of operative knowledge, 4 vs 5 yr olds in nursery chool, 58:5185
G & EMG characteristics, individual differences in immediate & delayed motor recall, 58:597
G alpha activity & skin potential during onset of word presentation, ecall at immediate vs delayed retention interval, male college tudents, 54:11047
mposed organization, long term forgetting, college students, 54:8869
troconvulsive therapy, amnesia for remote events, depressed sychiatric inpatients, 53:3858
troconvulsive therapy, remote memory impairment, 38–72 yr old sychiatric inpatients, 53:11143
trodes implanted in dentate gyrus of hippocampus, long- & short-erm memory in avoidance task, male mice, 53:6767
trolytic lesions of various hippocampal subfields, long & short term nemory, male mice, 54:2493
nded conditioning, foot kick rate & duration of attention to visual onjugate reinforcer, 3 mo olds, 56:512
ling semantic similarities & differences in related & unrelated word airs, cued recall performance immediately after incidental learning ask & at 5 & 21 day delay intervals, college students, 56:9193
ed processing between initial presentation & recall, coding into long erm storage, chronic high-frequency marihuana using vs nonusing ollege students, 56:5661
reproduction of memory contents, long term memory achievement, 7:12068
quency of instance as concept exemplar & semantic similarity of oncepts & context, judgments of logical propositions & limits of D. E. Meyer's 2-stage theory of long term memory information retrieval, 7:11961
mmatical category manipulations in active & passive sentences, mmediate vs delayed recognition test performance, college students, 7:419
ituation training, long term retention of habituation of tonic mmobility, chickens, 56:5402
rarchical structure variables, acquisition & forgetting of information n long term memory, college students, 54:367
erbaric air, learning rate & recall in short term & long term memory asks, 57:2682
gery, long term retention in free recall task, college students, 3:11463
ipramine or amitriptyline hydrochloride dosages, short & long term nemory, hospitalized depressed patients, 56:2480
nediate free recall vs no recall of auditorily vs visually presented lists, delayed recall, college students, 58:325
nediate vs delayed free recall, isolation effect, college students, 3:371
dental vs intentional memory instructions & interpolated task & tudy & test list presentation modality & list word concreteness vs requency, memory for modality & recognition decisions, support for propositional code hypothesis, 57:4977
rmation retrieved about events & processing rules reflecting order vents occurred, memory for temporal sequence, 57:7425
ructions for category organization, long term retention, college tudents, 55:3784
grated learning strategy program using visual imagery connection echnique, long term retention of factual material, 55:1343
grated learning strategy program using paraphrase connection echnique, long term retention of factual material, 55:1344
grated learning strategy program using question & answer connec-ion technique, long term retention of factual material, 55:1346
rpolated tasks & exposure to chess positions vs nonsense trigrams sing Brown-Peterson paradigm, recall performance & interference ffects, support for chunk encoding & storage & retrieval basis for nterference, 57:7430
rstimulus interval, interference measure of category access time in ong term memory, college students, 54:378
nation grouping & meaning relations between words, free recall, umans, 56:5290
acerebral levo-proline 1 min vs 1 vs 4 hrs after avoidance training, nemory 24 hrs later, cockerels, 56:7499
wledge of conservation, immediate & short & long term recall of ideotaped children's conserving vs non-conserving judgment of ength, 4–7 yr olds, 57:7995
wledge that proper names & professions referred to same individual iven before vs after learning facts, identity verification latencies in nemory, college students, 53:6643
rning & recall of word lists, structure & function of long term emantic memory vs learning, adults & military recruits & technical chool students, 56:7217
rning of constant words, recall variation of new words, high school tudents, 56:9197
rning-injection interval & strychnine dose, facilitation of long term etention, female mice, replication & extension of H. Alpern & J. Crabbe's study, 57:736
el & type of processing, repetition effect in free recall, high school & ollege students, 55:8885
el of specificity, short & long term recall of categorized word lists, tudents, 58:11022
ited capacity of short & long term memory, organization of free ecall lists, 57:7476
categorization & cueing, long term linguistic memory under ecognition vs recall, 10th & 11th graders, 55:11487
items presented in blocked vs random order & frequency of ssociation, immediate & delayed free recall of categorically related ist items, college students, 56:1799
length & serial position, RT in recognition retrieval from short & ong term memory, 55:8937
g & short term memory, immediate vs delayed recall & proactive nhibition, mentally retarded, 55:4872
g & short term memory, initial utility & retention of distinctive eatures & schemas in perceptual learning, kindergartners, 57:378
g term memory, book, 54:6797
g term retention of early Pavlovian fear conditioning, infant rats, 6:1862
g-term recognition of well organized materials, retrieval processes, 3:4500
thematical model, recognition memory, 53:4474
morization of names of stimulus persons & identifying attributes, rganization & retrieval processes in long term memory, college tudents, 58:2713
mory dynamics, single-trace fragility theory, 53:4520
mory, experience of duration in retrospect, 55:6135
mory span & short & long term recall of familiar objects, educable vs rainable mentally retarded vs normal student of comparable MA, 7:13014
emonic picture-type sequence & context, immediate & long-term etention of connected discourse, Swedish high school students, 3:6675
ltiple scoring method, Wechsler Memory Scale measurement of ateralized verbal & figural & long & short term memory, brain damaged & normal Ss, 55:8657
ltiple vs single retrieval paths, long-term free recall, 53:393
ltiple word meanings, lexical search speed, college students, 55:8907
multiple-trial free recall, acquisition & long-term retention of concrete vs abstract words, college students, 53:4510
natural vs artificial experimentation conditions, long term memory & retrieval of geographical information, 57:9540
neurological maturity at time of original learning & age, long-term memory development using active escape & passive avoidance tasks, rats vs guinea pigs, 53:680
nicotine vs caffein dosages, disruption of long-term memory storage & proactive facilitation of maze learning, mice, 53:4760
number & type of word attributes, list acquisition & long term retention, 55:8934
number of modifying elements presented over successive trials, cumulative learning & long term retention of sentences, college students, 54:8816
number of pairs per trial & positive vs negative trials & display position of mismatched pairs, RT in symbol-element recognition task, female college students, implications for sequential search processes in long term memory, 57:2379
number of repetitions of short term memory contents, long term memory word retention & storage & retrieval processes, 57:9539
operative level in comprehension of horizontality & correct vs incorrect stimulus characteristics, correctness of long term memory of horizontal stimuli, male vs female 5th graders, 57:2933
order of synonym & antonym production & use frequency, lexical content in long term memory, 53:6651
organization of complex pictures, immediate & delayed recognition & reconstruction of descriptive & spatial formation, college students, 56:1803
overt rehearsal frequency, recall from long term memory, 57:12057
pacing & mode of adjunct questions, short & long term retention of written materials, 55:10835
pacing & mode of adjunct questions, short & long term retention of written materials, literature review, 57:2478
paired associate task, short vs long term recall of stimuli & responses, 18–24 yr olds, interference interpretation of failure of stimulus availability, 56:5283
paired associates recognition & free recall & recognition tasks, items retrieved from long term memory as function of items presented, college students, validation of L. Standing's power function, 57:12055
pairs of pictures vs words, memory size & pronounceability comparisons between & within conceptual categories, college students, 55:11479
paradoxical sleep deprivation, ECS induced retrograde amnesia & prolongation of fixation phase of memory consolidation, mice, 54:9070
physostigmine preceded by methscopolamine bromide, short & long term memory & mood, 21–55 yr olds, 58:11245
picture & word triads followed by visual &/or acoustic distraction tasks, short term & long term retention, college students, 56:9230
posttrial hippocampal & amygdaloid & lateral hypothalamic electrical stimulation, long & short term memory of appetitive experience, male rats, 56:334
preference & memory for food odors, snails, 58:8879
presentation modality, long term memory of sentences, 55:1855
presentation of pictures involving seriation & horizontality & verticality & level of operational development, long term memory for pictures, kindergartners & 4th graders, 55:6769
presentation rate & incidental vs intentional learning instructions & retention interval & type of orienting task, immediate vs delayed recall of word list, college students, 58:11004
primacy effects, long term retention of mathematical algorithms presented in classroom, college students, 55:11473
primacy/recency shift & expectations, sequential processing of information from short to long term memory, college students, 56:1802
processes of linguistic inference, sentence comprehension, 55:8849
processing multiple recognition probes, long & short term memory, female college students, 54:4603
propositional information amounts, retrieval from long-term memory, college students, 53:6644
questionnaire technique, assessment of forgetting in very long-term memory, high school & college students & 26–71 yr olds, 53:10965
reading occasions & new vs reread typographically inverted text & time between readings, reading speed & classification of pages as to reading occasion, college students, 56:9212
recall of menarcheal age after 39 yrs, women, 53:8903
recognition & recall & short & long term recognition, research overview, 56:5330
recognition & recall instructions, short & long term retention of unfamiliar visual information, college students, 58:326
recognition vs recall learning, deep structural components of long term sentence memory, 55:8927
rehearsal & serial list position, free recall from long term memory, college students, 54:8874
rehearsal, long term storage & retention, 55:8940
rehearsal of information before storage in long term memory, rejection of concept of short term memory as buffer, 55:11493
rehearsal role, long-term storage & retention, college students, 53:398
rehearsal type & presence & level of monetary incentive, overt rehearsal & immediate & long term recall of word lists, 5th & 8th graders & college students, 55:4189
remember vs forget instructions, short & long term recognition & recall, college students, 54:2360
repetition & lag & identification of positive & negative search sets, recognition reaction time in long-term memory, college students, 53:10941
retention interval, decay functions for recall of single dot & 5 randomly positioned dots, amnesic & neurological patients, 53:1578
retention interval length in Brown-Peterson paradigm trials & overt rehearsal vs rehearsal prevention, long term memory performance, college students, 57:4964
retention interval with high vs low upper bound, recognition memory & short & long term storage strength functions, college students, 57:2458
retroactive interference due to "junk" problems during interval between training trials on multidimensional problems, facilitative effects of forgetting from short term memory on growth of long term memory, 14–20 yr old educable retardates, 56:6239
retrospective tests, plots & temporal order of television programs broadcast 1957–1972, measurement of remote memory, 11–13 & 24–70 yr olds, 55:199
saliency & specificity of noun properties, sentence verification time as measure of semantic retrieval from long term memory, 8 & 11 & 13 yr olds & college students, 55:6785
scaling words on degree of arousal, long- & short-term retention, college students, 53:6669
searching for attributes vs names, semantic memory, graduate students, 53:2386
selective reminding of items not recalled on preceding trial, free recall verbal learning as learning by retrieval from long-term storage without presentation, 5 & 8 yr olds, 53:9255
self dispensed vs externally dispersed model contingent rewards vs punishments, acquisition & spontaneous vs oppositional imitation & long term retention, preschoolers, 56:7234
self- vs E-controlled selection of repetition lags, acquisition & long term retention of nonsense trigrams, college students, 56:9187
semantic constraints vs orthographic restrictions & position & letter cues, production of words from semantic memory, college students, 53:2394
semantic cuing as alternative to exhaustive free recall, measurement of long term episodic memory, college students, 57:376
semantic vs physical features of stimuli, intentional learning & retention, college students, 54:8884
set size & set relation of information held in long term memory, RT for making universal affirmative & particular affirmative decisions, 56:130
set size & word types & list structure & dimension & temporal cues, selective vs tagging strategy in long term recognition memory of probe in cued set, 58:2686
set size, response time to decide whether probe is member of recently rehearsed set, female college students, discussion of multiple entry search in long term memory, 54:2345
severe head injury, auditory vocal digit span & free recall performance as measure of short & long term memory, patients, 57:1473
short term & long term & incidental memory for visually presented stimuli, dream recall frequency, college students, 56:9047
short term memory performance, long term memory, 54:387
short term memory vs short & long term memory, recency component in free recall, 57:411
short term vs long term verbal memory tests, discrimination of brain damage from control patients, hospitalized patients, 58:1481
short term vs long term vs intermediate term memory, concept formation, task performance, high school seniors, 56:1814
single-trial free recall from temporal search sets in long term memory, college students, 54:11017
socioeconomic status & sex, performance on Piagetian-based tests measuring simple & complex learning & language & short & long term memory & intelligence, 5–6 yr olds, support for operativity as measure of cognitive functioning, 57:12526
speaker's voice & source location & incidental vs intentional attribute retention instructions, long term free recall of sentences & attribute recognition, college students, 57:7453
statistical nature of chemical transmission at synapses, theory of short & intermediate & long term memory of neural network, 54:6801
stimulation seeking vs manipulated arousal in choice of reading materials, learning facilitation & long term retention, 7th graders, 58:11016
storage of words vs nonwords in long term memory, males & females, 55:8889
strength/resistance theory, memory storage, 53:4521
structure of word storage in long-term memory, young nonpsychotic schizophrenic vs nonschizophrenic psychiatric patients, 53:9778
task complexity & list segment positions, free recall after single presentation, males, 54:6814
task demands, pupillary size change during information retrieval from long term memory, 55:11661
temporally grouped vs ungrouped list items, order & account of free recall, college students, implications for short & long term memory, 58:330
uncertainty of prequestions & information feedback, short & long term retention of prose materials, college students, 58:11013
unilateral ECS therapy with varying electrode positions, changes in immediate & delayed memory & forgetting, depressed patients, 58:5738
verbal memory functioning, model & implications for neuropathology, 57:2405
verbal paired associate learning vs free recall vs perceptual-motor performance, long term memory, amnesia patients, 56:4313
visual symbols of Kahn Intelligence Test vs verbal stimuli of WAIS Digit Span, immediate & delayed recall, adults, 56:5308
visual vs verbal vs thematic coding of pictorial material, long term recognition memory, 55:6162
vocabulary size & ease vs difficulty of retrieval cue & word frequency, graphemically cued retrieval from long-term memory, college students, 53:10955
vocabulary size & word frequency, semantically vs graphemically cued retrieval of words from long term memory, college students, 56:5313
word length & semantic &/vs graphemic cues, anagram solution times, college students, 56:1805
word vs outline drawing probe, short & long term recognition memory for words & drawings, college students, 58:4836
years since graduation, memory for high school classmates' names, college students & staff & faculty, 54:4593
2- & 4-state vs 3-state self terminating memory-scanning models, choice RT, college students, 54:11030

Longevity [See Aged, Physiological Aging]

Longitudinal Studies
relevance of direct observation of mother-child interactions & longitudinal study of child from infancy through latency in training psychoanalysts, 57:8923
ability & motivation aspects, peer conflict in play situations, kindergartners, 3-yr longitudinal study, 53:11459
academic ability & socioeconomic status & geographic region, attitudes toward school & educational plans & school experiences, high school seniors in class of 1972, longitudinal study, 58:4134
accidents & poisoning & violence & suicide, causes of death 10–15 yrs after hospital admission, male vs female alcoholics, 53:5634
achievement & personality measures of sons over 10 yrs, socioeconomic & educational resource utilization, migrant mothers & sons, 54:5039
adaptability scores & behavioral change in unstructured free play & structured test taking, twin children, longitudinal study from 9–30 mos of age, 55:6841
adaptation to expectations & pressures of bureaucratic environment & job performance conflicts, psychiatrists employed by US Army, 2-yr longitudinal study, 57:4264
adult-child discourse, developmental interaction between information processing & linguistic knowledge, longitudinal study of children from 21–36 mos of age, 57:5511
advantages & limitations of longitudinal investigations of psychological development, case report of study with children born between 1961 & 1964, 58:4576
affective expression & cognitive development, Down's syndrome infants, longitudinal study, 58:1391
age & education, magnitude of differences & changes in intelligence, aged, 7-yr longitudinal study, 56:9685
age & presence of young children & education & wage potential & husband's income, changes in rates & patterns of labor force participation from 1940–1960, married women, 56:6878
age & schooling, mental age & intelligence, nursery school children, longitudinal study, 53:8335
age at school admission, academic aptitude & achievement, emotionally disturbed 5–13 yr old males in special school, 3-yr longitudinal study, 58:8399
aging, individual differences & social & psychological & physiological indicators, adults, 13-yr longitudinal study, 53:948
amount & patterns of religious activities over time & correlates of religion, 60–94 yr olds, longitudinal study, 56:5806
analysis according to developmental principles of differentiation & articulation & integration, object representation on Rorschach, adolescent & young adult psychiatric patients vs normals, longitudinal study, 56:9990
analysis of spontaneous remission of articulatory deviations, 1st graders with articulatory deviations, longitudinal studies, 55:4883
annual unemployment rate & consumer price index & economy, authoritarianism in television programs, 1950–1974, 56:3789

antecedent life history, behavior in college, male college students, longitudinal study, 58:6301
anxiety & extraversion, academic achievement, 6th & 7th graders, longitudinal study, 53:8329
application of Celia Stendler Lavatelli Preschool Curriculum, gain in measured intelligence & basic concepts, 4 yr olds, 1-yr longitudinal study, implications for special education placement, 57:6828
athletics vs other extracurricular activities, role in educational attainment process, male vs female high school sophomores, longitudinal study, 57:11424
attitudes toward issues & concepts relevant to higher education, college students & parents, longitudinal study, 55:3172
background characteristics & academic performance & interest trends in primary care specialties, medical students selecting family medicine vs other specialties, 58:8119
behavioral & personality developmental traits, development of infantile behavioral patterns, chronic alcoholics, 2.5-yr longitudinal study, 57:6083
behavioral-economic methodology for assessment of quality of work life & organizational effectiveness, assembly plant workers, longitudinal study, 56:6873
biographical & psychological & attitudinal variables, successful police performance prediction, deputy sheriffs in Los Angeles County, 20-yr longitudinal study, 53:4206
body scheme development, longitudinal study from 6 to 10 yrs of age, 53:7067
brand attribute evaluation, brand choice, housewives, longitudinal study, 53:2024
career choice patterns, female 2-yr college students, 1969-73, 56:4945
causes & misconceptions concerning hyperventilation syndrome, 10-yr longitudinal study, 56:938
cerebra-asthenic disorders caused by parental syphilis prior to S's conception, 1–30 yr old patients, 54:10030
change & sameness in personality development, participants in Oakland Growth Study & Guidance Study, longitudinal study, 53:5327
change in explicitness & attitudes toward sex roles & sexual behavior & problems in mass circulation magazines, longitudinal study, 54:3069
changing population characteristics in a university general hospital, psychiatric inpatients, 6-yr longitudinal study, 55:10502
characteristics & diagnoses & outcomes, behavior disorders developed before & during adolescence, longitudinal study of Ss from infancy, 56:868
characteristics, aged reinterviewed vs lost-to-followup vs dropouts of longitudinal study, 58:4582
choice of tubal ligation vs contraception to achieve infertility, females, longitudinal study, 58:3688
chronic stress, prediction of family health action & health status, low income persons, US, longitudinal study, 57:8366
climate-setting & immediate feedback & motivating & control & discipline behaviors, "best" vs 1st-yr vs typical inner city junior high school teachers, 1-yr longitudinal study, replication & expansion of G. Moskowitz & J. L. Hayman's study, 56:1339
clinical differentiation & referral & frequency of occurrence of speech disorders, children, 3-yr longitudinal study, 56:10159
clinical vs self-rating methods, evaluation of depressive states in longitudinal studies, 53:5589
cognitive development as measured by Piagetian reasoning assessments, mentally retarded 6–22 yr olds, longitudinal study, 57:8481
cognitive development, respect for human dignity & ethnic judgments, urban & suburban 7–13 yr olds in schools with bussed-in Black children, 3-yr longitudinal study, 57:11466
coin value, perceived size, college students, longitudinal study, 55:3608
coital experience, unmarried college students in 1968 vs 1972, 53:9370
college admission offer, decision to attend vs to decline, transition from high school to college, high school students, longitudinal study, 54:12492
community mental health centers, decrease in use of state mental hospitals, 5-yr longitudinal study, 57:13404
compensatory work-study program, attendance & punctuality & GPA & teacher rating & achievement & personal & social adjustment & self concept & study habits & attitudes & continued school enrollment, secondary students identified as potential dropouts & underachievers, 4-yr longitudinal study, 56:10602
components of sustenance organization & population change in US nonmetropolitan counties, 10-yr longitudinal study, 58:9347
consistency & stability over time, home environment variables related to IQ, upper middle class children tested at 0–3 & 4–6 & 7–10 yrs of age, 57:2915
constancy of interests during vocational training, manual vs clerical workers, longitudinal study, 55:11077
consumer evaluation research & model for linking social science research & public policy, participant observation of experimental citizen evaluation group, longitudinal study, 57:4503
correlation between Bayley Scale of Infant Development & home environment inventory, infants from 6 through 36 mos old, 57:916
correlation between 3 assessment modes, prevalence of speech problems, 11 yr olds, longitudinal study, 56:10158
correspondence between needs & perceptions of job reinforcers in occupation, prediction of job satisfaction, police recruits, longitudinal study, 55:8539
course of illness & treatment & outcomes, young schizophrenic patients followed for more than 10 yrs, 57:10664
cross cultural comparison, ego development, Apache vs Anglo adolescents, longitudinal study, 55:9481
cross cultural education, attitudes & personality, Japanese male graduate students, longitudinal study, 58:8340
cross-sectional & longitudinal vs sequential sampling techniques, age change or differences research, 53:4262
demographic & preschool social-emotional variables, 1st grade social-emotional & intellectual achievement variables, children tested in preschool & 1st grade, 54:11433
development during 1st 8 yrs, children of schizophrenic mothers or fathers, implications for identification of especially vulnerable children in high risk group, 56:7599
development from infancy to adolescence, 3 brain damaged 14–16 yr olds, longitudinal study, 54:3508
development of color & form concepts & discrimination, 3 yr olds, 2-yr longitudinal study, 58:866
development of formal operations thought, 3rd–6th graders, longitudinal study, 54:7221
development of peer group supervision on family therapy, enhancement of insight & professional growth, social workers, 2-yr longitudinal study, 56:1019
development of Piagetian reasoning & moral judgment & conduct, nonretarded & retarded 6–20 yr olds, longitudinal study, 53:3454
development of program in clinical psychological consultation in pediatric hospital, 3-yr study, implications for consultation strategies in health care settings, 56:1250
development of self concept & attitudes, economically & educationally disadvantaged vs advantaged male vs female college students, 1968–72 longitudinal study, 55:9512
development of self concept, elementary school students, 4-yr longitudinal study, 55:574
development of syntactic complexity, 15–20 mo olds, longitudinal study, 58:7225
development of visual acuity, young kittens, longitudinal study, 57:468
developmental analysis, distress reactions to stranger, infants, longitudinal study from 4–12 mos of age, 57:5595
developmental changeovers from REM sleep onset to NREM sleep, infants, nonintrusive longitudinal home study, 55:4201
developmental changes, arm-hand responses to viewing object in varying locations & analysis of coordination processes in reaching, 3.5 mo old infants observed for 2.5 mo, 58:822
developmental changes, social & individual motivation in conflict situations, 1st & 2nd graders observed naturalistically over 2 yrs, 58:891
developmental task approach, aging, West German aged persons, 54:9410
diagnostic rates of routine hospital 1st & total admissions over 40-yr period in various categories of mental illness, K. Schneider-oriented psychiatric clinics, West Germany, 58:3470
divorce patterns, elite, Lagos, longitudinal study, 57:1087
dogmatism, graduates of teacher preparation program tested as seniors vs 4 yrs later, 57:11217
drinking frequency & quantity & problem drinking in early adulthood through middle age, 20-yr follow-up study, 53:5075
drug & treatment trials & symptom rating scales & sedative & antipsychotic effects, long-acting neuroleptic drugs, longitudinal study, 53:11212
drug usage, 9th grade dropouts & continuing students, longitudinal study, 56:9798
early childhood indicators of sociability, future social service occupational choice, Ss studied over ages 2–18, 57:7026
early face-to-face interaction between infants & their mothers vs unfamiliar figure, subsequent infant-mother attachment, longitudinal study of infants between 6 & 15 wks of age, 58:7255
early home environment, mental test performance stability, children from 6 to 36 mo, longitudinal study, 55:11930
early identification of prosocial or aggressive-disruptive behavior in school, prediction & development of delinquency, 3rd & 6th & 9th graders, longitudinal study, 54:5525
early school-age measures of coping & imagination & verbal development, coping with experimental barrier situation, 2.5-yr-olds, followup study at 7.5 yrs of age, 53:2876
education in resource room vs self contained classroom vs separate facility, self concept & achievement over 3 yrs, male emotionally disturbed 9–10 yr olds, 57:13908
educational & occupational & personal experiences & perceptions of district's curriculum & guidance program, 1967 high school graduates, 5-yr longitudinal followup study, 56:2971
educational attainment & occupational status of mother & projected sex role definitions within family, subsequent role enactment, female high school seniors, 8-yr longitudinal study, 58:11607
educational attainment process, Black vs White males in 2nd yr of college, comparison with 1969 study, 58:8314
educational program for academically talented, academic achievement & financial success, 4th graders, longitudinal study, 57:11519
empirical assessment of stepwise sequence & irreversibility of stages in model of moral judgment development, adolescents & adults, 3-yr longitudinal study, implications for construct validity of L. Kohlberg's model, 56:9718
environment & life history & outcome factors, long-term schizophrenic psychotics, longitudinal studies, 53:7522
epidemiology & family characteristics, severely-abused children, England, longitudinal study, 55:12457
excessive stress, mortality & morbidity, non-Jewish Norwegian Nazi concentration camp survivors, 1945–1966 follow-up, 54:5419
expectancy theory predictions of work motivation & job performance, design & development engineers, longitudinal study, 57:4523
experience in residential home prior to vs after age 7, school attainment, 7 vs 11 yr olds, longitudinal study, England & Wales & Scotland, 58:1781
experimental nursery school program based on Piagetian theory vs conventional nursery school, development of logical operations abilities, 3–5 yr olds, 2-yr longitudinal study, 57:11308
explanations for declining admissions test scores, college-bound students, 10-yr longitudinal study, 56:1299
exposure to Western-type collegiate setting, changes in authoritarianism, Arab college students, 4 yr longitudinal study, 55:10899
factor analysis of Adjective Check List & self concepts, college freshmen, 1965–73, 57:1278
familiarization, data interpretation during longitudinal study on child growth, 53:8532
family history data vs socioeconomic status, prediction of intellectual & educational functioning from ages 4–7, longitudinal double cross validation design, 56:9643
father- vs mother-infant interactions, infants observed at 7 & 8 & 12 & 13 mo of age, implications for personality development, 58:7275
formation of present & plural & possessive & time extension forms of nonsense syllables in grade 2 vs 4 vs 7, Black vs White students, longitudinal study, 58:5154
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Ottawa, Canada, 57:4316
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Toronto, Canada, 57:4317
frequency of psychiatric illness & treatment in childhood, psychotic & borderline psychotic adolescents, longitudinal study, 55:4695
freshmen interests & curricular group, subsequent vocational interests & academic ability, college seniors, 4-yr longitudinal study, 58:8343
functionalist & conflict theories of social stratification, rankings of occupational prestige, college students, 1925 vs 1947 vs 1968, 55:13554
genetic influences, organization & development of personality, twins studied at adolescence & at 27.9 yrs of age, 58:7262
habituation of attention in auditory & visual tasks, infants at 2 & 4 mo of age, short term longitudinal study, 58:3089
haptic perception & residual vision & hand movement during reading & verbal intelligence, reading achievement, 6–15 yr old normally sighted vs braille reading blind students, 3-yr longitudinal study, 57:6848
high ability vs attitudinally similar groups, group performance & cohesion, college students, 3-mo longitudinal study, 57:12757
high school grades & intelligence & efficiency reports, college achievement prediction, college freshmen, longitudinal study, Germany, 57:6825
high school grades & socioeconomic status & interests & vocational maturity during adolescence, occupational stability & change, 25–35 yr olds, longitudinal study, 58:8471
Holtzman Inkblot Technique developmental indices, reading achievement, 2nd & 4th graders, 3-yr-study, 53:2877
home & family variables & other preschool influences, occupational knowledge, 1st graders, longitudinal study from birth, 56:471
home environment, urban 7 yr olds & parents, longitudinal study, England, book, 56:2122
imitation & lexical & grammatical variation in imitative & spontaneous speech, longitudinal study between ages of 18 & 25 mo, 53:845
impaired cranial nerve function, aged females with senile dementia, 3-yr longitudinal study, 53:12031
incidence & prevalence rates & causes & prognosis, epileptics in Minnesota, 1935–1967, 54:7940
incidence of diagnosis of hysteria & hysterical fits & mental conver symptoms & mixed conversion symptoms, 1948–50 vs 1958–6 1969–70, Greece, 57:1386
incidence of psychoses & neuroses following war, patients f Nigerian Army, 3-yr longitudinal study, 56:4170
individual differences & early work challenge, participation in conti ing education, engineers, 14-yr longitudinal study, 54:4346
individual differences, development characterized by oriented toward animate vs inanimate world, 2 boys followed from 4.5–6 yr age, 58:5186
infant intelligence scales, prediction of intellectual developm multiply handicapped 6 yr olds, longitudinal study, 58:4619
informal or open-area vs traditional formal classrooms, reading mathematics achievement & personality, 6 yr olds, 4-yr longitud study, 57:13700
innovative vs traditional curricula, academic achievement, longitud study, 53:4012
intelligence & cognitive development, 2nd & 3rd graders, longitud study, 55:2186
interaction analysis vs global faculty ratings, measurement of change ability to relate to patients during interviews, medical stude observed during sophomore & senior years, 57:4254
international investment & debt dependence, aggregate econo development & income inequality, longitudinal study, 58:9345
interpersonal components of therapy, cerebral-palsied preschooler their mothers & therapists, 2-yr longitudinal study, 53:3879
interunit differentiation, administrative behavior following reorgan tion of interdependent management roles, longitudinal investiga of housing division within large university, 56:6924
intraindividual variability of development of human figures & drawings, 4 & 6 & 8 & 10–12 yr olds, longitudinal study, 58:7
IQ trends, longitudinal study of children at ages 3 & 5 & 8 & 11 58:7202
issues & methods, longitudinal studies of attitude change, 56:6980
job performance, satisfaction relationship, enlisted US Air Force airn in 8 occupational specialties, longitudinal study, 56:5028
knowledge & attitudes & achievements, social work students, longitu nal study, 58:8116
laissez faire vs restrictive vs stimulating maternal techniques & posi vs negative maternal effects, locomotor & manipulative & vis abilities, infants & mothers, longitudinal study from 12–20 mos age, 56:5765
language behavior & hierarchic integration, schizophrenic boy, long dinal study, 56:10057
laterality, graphic activity of 2 hands, summary of 15-yr longitudi studies, 57:2864
Learning to Learn project as early-childhood intervention progr enhancement of intellectual & linguistic & educational & perso development necessary to continue achievement in later for education, poverty children, 56:2915
leisure time behavior, 60 yr olds & older, 5 yr longitudinal stu 54:9408
level of symbolic play & use of spontaneous vocal imitation development of multi-word utterances, 14–19 mo olds, 1-yr longitu nal study, 58:9299
levodopa alone or in combination with decarboxylase inhibitor, patie with Parkinson's disease, 5-yr study, 58:12166
life events, personality change over 5 yrs, New Zealand high sch students, appendix, 55:9822
life events, personality change over 5 yrs, New Zealand high sch students, 55:9823
life table, method for analysis of data from longitudinal stud followup data on manic depressive patients, 56:1605
lithium carbonate, evolution of hyperthymic psychoses, manic melancholic patients, 3 yr longitudinal study, 54:5831
long vs short term scout membership vs nonmembership, differences intelligence & scholarship performance profiles, Ss during element & secondary school yrs, longitudinal study, 56:1438
longitudinal analysis, social-psychological response to watershed dev opment in rural community, community residents, 57:7093
longitudinal change in preferred age of retirement, 35–81 yr old m workers, 58:12786
longitudinal investigation of mental health, normal population southern Sweden, 1947 & 1957 & 1972, identification of vulnerabil to mental disorders, 57:1333
longitudinal research methods, methodological problems & interpre tion problems & suggested guidelines, 57:9331
longitudinal studies of depression from 1st admission into old a 54:7763
loss of control over intake, progression of heavy drinking & drink problems, 21–59 yr old male alcoholics, 4-yr longitudinal stu 57:10519
measurement of criterion at different points in time, validity assessment center variables in prediction of managerial performan managers attending assessment center, 57:4524
medical & dental & psychological characteristics, Growth Study, 4- yr olds, longitudinal study, 53:11387
menstrual cycle symptom subtypes & test of exacerbation explanati of symptomatology, adult females, 5 mo longitudinal study, 55:46
mental development, preterm 27–31 vs 32–34 vs 35–37 vs 38–44 wk ol 1-yr longitudinal study, 58:7205
mental health intervention, IQ scores, Caucasian & Puerto Rican Negro & Latin American 1st graders, 4 yr study, 53:1808
metadimensions of work value concepts & systems, early car establishment & satisfaction & reflection in career choice, male tested in 8th vs 9th & 12th grades & followed up for 7 yrs after hi school, 56:8826
methods & concepts, hearing screening program, neonates, longitudi study, 53:2228
mother-child relations, subsequent relations with mother & predicti of risk for later adjustment problems, longitudinal study of moth child pairs ending with child at age 5, 57:2985
motor & affective & autonomic & verbal anxiety as precursor to clini psychiatric symptoms, schizophrenic & stress-suffering patien longitudinal study, 53:3316
multidimensional measurement of adolescent role orientation dimensions of adult & peer satellization & adult orientation over 4- period, high school freshmen, 58:3146
neonatal prematurity as measured by low birth weight or he circumference, development, infants from birth till 3.5 yrs, 54:7
neuroleptic drug maintenance therapy managed by short-stay doct chronic schizophrenia, long-stay patients, 53:3678
nomogram application, prediction of psychomotor development, 3– mo olds, 54:7200
object permanence using Piagetian tasks, profoundly & severely moderately retarded 1–6 yr olds, longitudinal study, 54:3452
organizational & administrative changes, student attitude & perfo mance changes, 2-yr longitudinal study, 55:1242
organizational commitment & job satisfaction, turnover, psychiat technician trainees, longitudinal study, 53:6351
originality of verbal responses to onomatopoeic stimuli, 8-yr-olds, 4- longitudinal study, 53:11405
parent–child relations, children of mentally retarded parents, longitu nal study, 54:7893
parent-child separation, psychological effects on children, longitudi study of patients' families, 55:12357
patterns of aging, Ss born between 1890 & 1865, longtudinal study fro 1965–73, book, 57:2877

terns of heritability of personality traits & development, adolescent
wins tested 12 yrs later, longitudinal study, 57:10007
terns of language recovery, aphasic patients, longitudinal study, 55:7416
/ & job status & promotion & job security, retention, hard-core unemployed, 18 mo longitudinal study, 55:11164
ceptions of parents' drug usage, drug use patterns, 7th graders, 1-yr ongitudinal study, 53:7218
ceptual motor & symbolic function development, language development, infants, 2-yr longitudinal study, 58:9256
ceptual-humanistic vs traditional elementary education program, teacher attitudes & beliefs, elementary school teachers, longitudinal study, 57:8988
iodic psychotic episodes associated with menses, longitudinal case study of 15 yr old girl, 55:7469
sistence in school & GPA, college student users & nonusers of counseling & psychiatric services, 5-yr study, 54:8481
sonality & environmental & behavioral variables, time & variation in time of onset of marijuana use, 7th–9th graders, longitudinal study, 55:9679
sonality & incidence of attitudes toward cigarette smoking & GPA, drug usage in 11th & 12th grades, 7th & 8th graders, 5-yr longitudinal study, 56:3965
sonality & perceived environment & behavioral measures, transition from virginity to nonvirginity, high school & college students, 4-yr ongitudinal study, 54:4972
sonality characteristics & choice of major, freshman & senior college students, 4-yr longitudinal study based on J. L. Holland's theory of vocational choice, 55:5769
sonality development, pair of male identical twins, longitudinal comparison from birth to age 9, 57:10042
sonality dimensions, college students who make early vs late decisions regarding majors or vocational choices, longitudinal study, 58:10465
sonality traits, academic major & vocational choice, college students, 8-yr longitudinal study of Holland's theory, 56:4951
losophy & advantages & problems, closed ward treatment, longitudinal study, 53:1858
onological & lexical & morphological & syntactical & paralinguistic aspects of speech development, Indian-Caucasian female, longitudinal study from 2nd mo to 6th year of age, 55:11906
ysical & personality development, identical twin boys, 9-yr longitudinal study, 57:12496
ysical condition at birth, intellectual & motor development, 7 yr olds, ongitudinal study, 55:6709
ysiology & psychology of visual vs tactile reading, 35-yr study, book, 53:2208
getian reasoning task performance, mentally retarded vs nonretarded Ss, longitudinal study, reply to J. R. Weisz's & W. E. Kappauf's methodological criticisms, 58:3580
getian reasoning task performance, mentally retarded vs nonretarded Ss, longitudinal study, criticism of B. Stephens & J. A. McLaughlin's use of covariance adjustments for CA & MA, 58:3584
getian reasoning task performance, mentally retarded vs nonretarded Ss, methodological criticism of B. Stephens & J. A. McLaughlin's longitudinal study, 58:3611
nned stopping out in terms of opportunity to have off-campus experiences in chosen career areas, academic major change & standing, college students, longitudinal study, 58:4275
ice socialization, longitudinal study of job attitudes in urban police department, 54:10721
itical orientation change between university entrance & departure, Canadian male college students, 53:1018
oling of longitudinal studies of aging during last 20 yrs in West Germany, 55:1755
stsecondary learning alternatives for meeting educational needs, adults, California, 1-yr study, 57:11210
- vs post retirement planning program, attitudes toward retirement & activity involvement, longitudinal study, 56:10598
ecollege aptitude & achievement & interest measures, prediction of GPA & credits earned & major field & graduation in 4 yrs, longitudinal study of college students entering as freshmen, 58:8424
edictability of history opinion inventory, adaptability to military service, basic airmen, 2-yr longitudinal study, 56:10804
ediction using prekindergarten tasks vs teachers' ratings, individual differences in cognitive development & scholastic achievement in 1st–3rd grades, prekindergartners, longitudinal study, 56:8729
eferences for arts vs science subjects at 3 stages of schooling, personality differences with reference to thing-person dimension, secondary school students, England & Wales, 56:4861
ognosis, ego defense patterns, manic-depressive inpatients, longitudinal study, 53:1320
oject Talent, identification of latent talent & educational & manpower planning & development of psychological measures, youth, Sicily, longitudinal study, 56:5002
oject using college student companions, avoidance of hospitalization, 3–11 yr old psychotic children, 4-yr longitudinal study, 55:12450
operties of neural biological clock regulating sensory perception, normal 24–55 yr olds & 20–74 yr old psychiatric inpatients, longitudinal study, 58:2858
ychiatric study, hospitalized alcoholics, 2-yr study, 53:3415
ychological & social prognosis, mongoloid children, 10-yr longitudinal study, 53:7711
ychological development at yearly intervals, longitudinal study of 3 boys from age 4 to puberty, 57:7878
ychological development characteristics, premature children through 1st 3 yrs of life, 54:4974
ychological growth & self regulative behavior, 7–10 yr old schizophrenics, longitudinal study, book, 54:1283
ychological maturity & personality traits, prediction of vocational adaptation & satisfaction in early 30s, males entering college, longitudinal study, 57:2098
ychological test performance following hospitalization & several years later, patients diagnosed as having LSD psychosis vs acute schizophrenic episode, longitudinal evaluation, 57:8404
ychological tests & evaluations & psychosocial & behavioral variables, normal white middle-class adolescent males, longitudinal study of high school to college years, 53:7004
ychotherapeutic-type interviews, clinical skills assessment, Psychology Learning Center students, longitudinal study, 58:8118
iet & active REM & indeterminant sleep, infants, longitudinal study over 1st postnatal yr, 57:5463
e attitudes & attitude changes during & after academy training, black & white police officers, 55:6900
oid development of nondoctoral programs in departments other than traditional psychology departments, survey of graduate training programs, 56:1239
ding habits, sensitivity to literature & critical reading, elementary school students, 3-yr longitudinal study, 57:13804
ationship between happiness & social participation, 62–89 yr old females, 4-yr longitudinal study, 55:7068
ationship between Piagetian theory & fluid & crystallized intelligence, cross sequential assessment of quantitative & qualitative changes in cognitive behavior across life span, 57:2963
iability & validity of self reported illicit drug usage, longitudinal survey of public secondary school students, 55:7033
iability of portable rod-&-frame test & stability of field independence over 3 yrs, 7–10 yr olds, 58:7290
reproductive data & population characteristics, colony of rhesus monkeys, 10-yr study, 53:6961
retest interval of 8–12 yrs, hypnotic susceptibility level, former college students, longitudinal study, 53:3148
retest on Defining Issues Test, directional change in moral judgment development, 16–20 yr olds, 55:6845
role of 1st & 2nd & 3rd person signified by words, order of acquisition of personal pronouns, 20 mo olds, 3-mo longitudinal study, 57:12542
Rorschach test results, research scientists, 10-yr longitudinal study, 53:5318
school performance & IQ, long term divergence of associative vs nonassociative responding, 5th & 6th graders, 4-yr longitudinal study, 55:520
seasonal patterns over 3 yrs, male plasma testosterone levels & copulatory activities & births, rhesus monkey breeding colony, 56:7290
secondary sex characteristics development, physical androgyny & relationship to spatial abilities & fluent production verbal ability, longitudinal study of Ss at 13 & 16 & 18 yrs of age, 57:9953
sedative vs intense vs convulsant Sedac electrotherapy, psychoneurotic symptoms & acute psychosis, psychotic & psychoneurotic outpatients, 10-yr longitudinal study, 58:1512
seeking vs not seeking counseling help, college students, longitudinal study, implications for student development research & counseling impact, 55:7519
selected anxiety-processing indicators observed in human figures drawing, elementary school academic achievement, kindergartners, longitudinal study, implications for detection of Ss needing remedial assistance, 57:6858
selective dropout & retesting, assessment of ontogenetic changes in mental abilities, adolescents, implications for internal & external validity of longitudinal designs, 57:2927
sensorimotor development, infants, longitudinal study, 53:2834
sequential & longitudinal research in adolescence, methodological note, 57:9329
sequential stages of involvement in drug use, high school students, longitudinal study, 55:12179
sequential strategies in developmental research & distinction between description & explanation of developmental changes, 57:4701
sequentiality of L. Kohlberg's developmental stages of moral judgment, 5–8 yr olds, short term longitudinal study, 55:12023
sex & college class, stability of attitudes toward women's roles in society over one year, college students, 54:7371
sex & ethnic group & paternal education & high school program, attitudes toward school & educational plans & school experiences, high school seniors in class of 1972, longitudinal study, book, 58:4136
sex & social class, mother-infant interaction & attachment in home & playroom laboratory situations, mothers & infants at 3 & 12 mo of age, longitudinal study, 58:5078
sex as defined by sex-typical experiences, persistence in higher education, college freshmen, 4-yr longitudinal study, 56:1436
sex, patterns & frequency of usage of university health care services, college students, 4 yr longitudinal study, 55:10453
sexual attitudes & behavior patterns, middle class adolescents followed from infancy, 57:8137
social & physical & psychological variables, aging & terminal decline & terminal drop, longitudinal examinations of persons over 60 who died of natural causes, 55:11893
social class & life events, psychiatric symptoms, adult community residents, longitudinal study, 53:5537
social environment & factors, symptoms & severity of condition, hebephrenic vs cyclophrenic schizophrenic patients, longitudinal study, 55:12430
social functioning & adjustment & behavior patterns, depressed women, 20 mo study, book, 53:3366
social interaction & perception, male infants up to 1 yr old, longitudinal observations, 54:855
social mobility, psychiatric morbidity & hospital admissions, high school graduates in Norway, 50-yr longitudinal study, 55:4763
social relations & interpersonal attraction & stages of acquaintance, friendship pattern development, longitudinal study, book, 53:919
social status composition of high school, subsequent attendance at selective institution of higher education & educational attainment, college students, longitudinal analysis, 57:8957
social stimulation presented by mothers & female strangers, smiles & vocalizations, infants, longitudinal study, 56:533
socialization & mobility processes, educational & early occupational attainment, male 12th graders, 5-yr longitudinal study, 56:4693
sociocultural change, personality & ability development, adolescents, 1970–1972 longitudinal study, 53:7072
socio-demographic & medical characteristics, life events & social integration & psychiatric symptomatology, adults, 2-yr longitudinal study, 55:7311
socioeconomic status & IQ, auditory-phonetic ability in syllabic analysis, 5–6 yr olds, longitudinal study, 53:11410
spatial ability scores in elementary & high school, students, longitudinal study, 54:497
spontaneous remission of articulation defects, 1st & 2nd & 3rd graders, 55:2523
spontaneous remission of articulation disorders, 1st & 2nd & 3rd graders, 55:2522
stability of mental health attitudes as measured by semantic differential, college students, 1962 vs 71, 56:5864
stability over time, student ratings of teacher rapport, 3rd & 4th graders, 54:10438
statistical methods, consistency of results for measurement of growth patterns in school achievement, low & high socioeconomic status children tested in grades 4–6, 55:8386
structural & interpersonal & intrapersonal constructs as models for educational choice, high school students, longitudinal study, 55:5573
structure of preschool high activity levels, later cognitive & social functioning, children tested at 2.5 & 7.5 yrs of age, longitudinal study, 55:11875
success & failure in community, male schizophrenics, longitudinal & follow-up studies, 53:3538
successful methods, longitudinal study of marihuana use, 53:11539
suicides directly linked to homocides, 15-yr study, Finland, 53:9878
survey of suicide attempts, hospitalized medical & surgical patients, 7-yr longitudinal study, 56:2495
systematic errors in 4 vertical algorithms in arithmetic, primary through junior high school students who were handicapped in special classes vs normal Ss in regular classes, 2-yr longitudinal study, 58:10519
task structure, relationship between leader behavior & subordinate performance & work attitudes, managers & steel workers, longitudinal analysis of path-goal theory, 56:8877
teacher-student kindergarten classroom interactions, expectations concerning achievement, academic achievement prediction, 1st graders, 54:10434
temporal stability of Milwaukee Academic Interest Inventory test items & validity of prediction of extracurricular activities, 10th graders originally tested in 8th grade, 56:6834
token economy system, work & social behavior, 34–67 yr old passive & socially withdrawn schizophrenic patients, longitudinal studies, 53:1718
traditional vs independent types of psychological health in middle aged & patterns of personality development, comparison of personality Q sorts performed at early vs late adolescence vs 40 vs 50 yrs of age, females, 58:5202
training & counseling effects, retention, hard-core unemployed, 18 mo longitudinal study, 55:11069
treatment values & evaluation of helpfulness of actual group practice in therapeutic community, staff members vs entering patients, 18-yr longitudinal study, 57:13431
trends in academic performance & American College Testing program test scores, high school & college students, 10-yr longitudinal study, 56:2936
unsuccessful job search experience, propensity to withdraw from labor force as discouraged worker effect, male youths, 2-yr longitudinal study, 53:12674
uses of applied behavioral science for professional & organizational & community development, West Virginia, 6-yr longitudinal study, book, 57:7001
utilization of data assessing student mental health problems for outreach program planning, college students, 3 yr longitudinal study, 54:12643
validity of career intent & job attitude statements, prediction of reenlistment rates, airmen, 6-yr longitudinal study, 56:3132
variability in clinical course & body weight & biological measurements & responses to neuroleptic agents, chronic schizophrenics, 10-yr longitudinal study, 57:1392
variations in IQ test performance & association with developmental level & life events & adjustment reactions, limitations of standard IQ tests, adopted & nonadopted & boarding home children, 16-yr longitudinal study, 56:5168
vertical dyad linkage approach, organizational leadership & role making process, managers, longitudinal study, 57:14098
visual evoked responses, children with cortical blindness following head trauma or meningitis, longitudinal study, 53:7734
visual recognition memory measure, prediction of reading achievement, 1st graders, longitudinal study, 53:4073
vocational career & education & training & performance prediction, commissioned army officers, longitudinal study of recruitment to promotion stage, 58:4468
vocational needs & extent of extracurriculur activities & vocational need stability, 8th & 10th graders, 1970–73, 57:13853
Vocational Preference Inventory high-point code & major field of study at graduation & present or most recently held occupation & graduating class, stability of J. L. Holland's personality types, college alumni, 10–35 yr longitudinal study, 56:52
voluntary school desegregation, scholastic achievement, 1st–3rd graders, longitudinal study, 53:4032
WAIS subtest performance, intellectual impairment & recovery rates, hospitalized heavy drinkers vs normals, 1-yr longitudinal study, Ireland, 56:10088
weight & height, development of abilities, children, longitudinal study, 53:840
WISC IQ & race & sex & socioeconomic status, prediction of high school GPA, Black & White students tested at pre-1st & 1st & 3rd & 5th grade levels, 58:12734
work environment & job content & personal factors, absenteeism, female hard-core unemployed who had completed training program, 2 yr longitudinal study, 54:8584
work-training experience, academic preparation & career development & perceptions of assistantship characteristics, graduate student assistants employed in divisions of student affairs & housing, 1-yr longitudinal study, 56:10556
youth culture, high school success & access to adult success, male high school sophomores, longitudinal study, 58:12594

Lorge Thorndike Intelligence Test

battery composed of Lorge-Thorndike Intelligence Test & Brown-Holtzman Survey of Study Habits & Attitudes & Dunham's Scale, academic achievement prediction, high school students, 58:4462
culture & linguistic background & Hebrew translation of Lorge-Thorndike Intelligence Test, factor structure of intelligence & test & item validity, Israeli 4th–6th graders, 55:3531
intercorrelations & factor analysis, scores of 76 individually administered structure-of-intellectual tests intended to represent 76 structure-of-intellect abilities & Lorge-Thorndike Intelligence Tests, 9 yr olds, 55:11295
race & sex & grade, performance on Lorge-Thorndike vocabulary test vs Black Intelligence Test of Cultural Homogeneity, Black vs White urban high school students, 58:6696
Revised WISC vs Lorge-Thorndike Intelligence Test IQ scores, black disadvantaged elementary school students, 56:8787

Loudness [See Also Noise Levels (Work Areas)]

acoustic stimuli varying in sensation level & sound pressure level, cortical response, adults, 55:3955
amplitude information, perception of speech sounds, 58:10923
attention conditions, detection of intensity & frequency increments within trains of pure tone bursts, 56:5244
auditory frequency & intensity discrimination ability, cerebral palsied 7–11 yr olds vs normals, 56:4318
auditory stimuli enhanced in loudness by conditioning tone, electrophysiological responses from cat's 8th nerve & from human brain stem & vertex, 57:559
auditory stimulus levels & intervals, adaptation of cochlear & brainstem auditory evoked potentials, normal hearing Ss, 55:3974
contralateral white vs speech noise & continuous vs pulsed presentation & loudness level, speech detection & reception thresholds, normal hearing young adults, 53:8664
decline in loudness of pure tone, criterion of perstimulatory suprathreshold auditory adaptation, normal-hearing 7–14 yr olds & 15–18 yr olds & Ss under 15 yrs old with conductive hearing loss or sensorineural hearing loss, 54:8771
frequency & intensity & rate of modulations of frequency modulated signals, response magnitude of neurons of inferior colliculus, 58:2850
frequency response & loudness reduction at varying frequencies, side-branch vs laterally vented earmolds, 54:2244
hearing aids with amplitude compression, word intelligibility, normally hearing vs Ss with sensorineural hearing impairment, 58:12014
high-intensity uncontrollable elevated train noise, reading ability & attitudes toward noise, 2nd & 4th & 6th graders attending class on noisy vs quiet side of building, 56:1562
"ideal"–white noise conditions, quantification of loudness, college students, 53:2235
individual differences, magnitude estimation of loudness, 15–31 yr olds, 57:2341
instructional set, most comfortable listening for speech loudness vs intelligibility, 18–26 yr olds, 53:8667
intensity differences between right & left ears & absolute sound pressure level decrease & tone duration increase & frequency increase, suppression function magnitude, 54:2247
intensity differences carried on formant transitions varying in extent & duration, intensity discrimination in speech perception & psychoacoustic vs phonemic effects, college students, 57:7361
interaural intensity, phase angle discrimination, monkeys, 53:11363
loudness & spectrum of noise stimuli, stuttering frequency & reading rate & vocal level, adult male stutterers, 53:11972
loudness balancing, complex sound localization, college students, 57:4906
loudness quality & intensity, habituation of conductance response magnitude, college students, 56:298
loudness-contour spectrum shaping, speech intellegibility, hearing impaired Ss, 57:8519

low-level pure-tone maskers of varying durations, contralateral threshold shifts, 55:3678
Modified Simultaneous Dichotic Loudness Balance test without 4-sec rest periods, loudness adaptation & decrement, 53:8678
multidimensional & unidimensional scaling of noise bands, anatomy of stimulus domain, 54:2243
noise masker duration & noise level, detectability of gap vs click placed in center of noise & persistence & integration, 55:146
noise spectrum & bandwidth & intensity, Lombard voice reflex, 54:10876
noun lists presented at the same decibel vs 11th item at higher decibel vs items repeated at same decibel using D. Rundus' induced passive rehearsal & von Restorff phenomena, free recall, normals vs noninstitutionalized retardates of equal MA, 55:2519
operant conditioning using increased intensity auditory feedback, articulation of "r", 6–11 yr olds with misarticulation, 54:10255
personality traits, estimation of short time intervals filled with acoustic stimuli of varying strength, 18–20 yr old industrial school students, 58:8758
pitch & loudness level & repetition rate, prediction of multidimensional channel capacity, 20–45 yr old males, 55:8795
presentation level, auditory discrimination, normal hearing 18–24 yr old females, 56:3366
presentation of rock music via earphones, selection of most comfortable & uncomfortable listening levels, self-identified 18–25 yr old rock music listeners, 55:11406
prestimulus activity & sound pressure level & bandwidth & rise time of sound stimuli & videotapes of whole body vs head only, O identification of stimuli responses, 6 wk old infants vs neonates, 57:4661
prestimulus activity level & variations in sound pressure level & rise time & band width, auditory testing using behavioral responses, 6 mo olds, 57:298
processing interaction between intensity & tone pip of nonphonetic auditory signals, RT for each dimension, college students, test of C. C. Wood's hybrid serial-parallel, 57:320
sex & exposure to loud sounds & differing levels of loudness, discrimination of pitch & rhythm & duration & loudness & tonal memory, male vs female music vs nonmusic majors, 54:8770
short sound burst pairs, loudness enhancement & summation, 53:2238
signal/noise ratios of amplification, comprehension of connected discourse, adults with sensorineural hearing loss, 58:9770
significance factor, reactions to signals of different intensities, 54:10880
simultaneous differences in pitch & loudness of stimuli, absolute identification of 2-dimensional tones, college students, 55:6085
size of print & loudness of sound & presentation rate modifications at input level, learning rate of task simulating word learning, 1st graders, implications for classroom learning, 58:10979
sound pressure level, cardiovascular response, 21–23 yr old females, 58:10919
sound pressure waveform, brain stem auditory evoked responses, 20–31 yr old adults & 2–12 yr old children & autistic children, 55:2464
speech frequency "recoding", articulation learning & transfer of consonants, partially hearing impaired 7–11 yr olds, 55:7692
stimulus duration & frequency & intensity, reflex threshold-duration function, normal hearing vs cochlear hearing loss adults, 53:8679
strongly frequency modulated tones, loudness & excitation patterns, 54:214
synchronous & delayed auditory feedback & bone-conduction blocking by volume intensity variation, performance task, 12–15 yr old male stutterers vs nonstutterers, 53:1592
sleeping newborns, 56:3289
visual & acoustic exposure to noisy toys & sound pressure level & estimated loudness, anticipatory middle ear reflex, 5 yr old & young adults, 55:539
volume or speech distortion, context of message & perception of speech, 54:3088

Loudness Discrimination
audiological & clinical applications, nature of auditory intensity discriminations & methods for measurement of auditory intensity difference limens, 54:6648
individual differences & reliability of information transmission, absolute of loudness & brightness & line lengths, 17–27 yr olds, 56:1725
information processing model, perceptual independence of pitch & loudness in 2-alternative temporal forced choice experiment, college students, 55:181
intensity & frequency & interval of initial tone burst, loudness level of 2nd tone burst, 53:2237
intensity differences carried on formant transitions varying in extent & duration, intensity discrimination in speech perception & psychoacoustic vs phonemic effects, college students, 57:7361
loudness as power function of sound pressure, greater loudness difference comparisons of tone pairs, 53:8676
loudness judgments resulting from auditory adaptation & heterophonic vs homophonic listening conditions, monaural auditory evoked potential characteristics, normal hearing Ss, 58:6813
magnitude estimates vs direct comparisons of loudness ratios, perceptual basis of loudness ratio judgments, graduate students, 56:3367
masking level differences & localization & temporal integration & central masking & difference limen for intensity, measurement of auditory processing capability, normal hearing Ss, 54:6653
order of tone intensity change, estimated difference in loudness, college students, 53:4347
reinforcer type, auditory sensitivity & equal-loudness, squirrel monkeys, 54:4958
sex & exposure to loud sounds & differing levels of loudness, discrimination of pitch & rhythm & duration & loudness & tonal memory, male vs female music vs nonmusic majors, 54:8770
short sound burst pairs, loudness enhancement & summation, 53:2238
simultaneous tone bursts of different frequency, ear dominance for pitch & lateralization & loudness, right-handed Ss, 53:174
sound source distance, particle velocity auditory sensitivity, 55:8787
syllable context vs vowel vs isolated transition conditions, discrimination of intensity differences of formant transitions, adults, 53:2223
tone duration & attenuation & fixed vs increasing vs decreasing intensity levels, loudness discrimination of suprathreshold signals, 53:175
1- vs 2-interval forced-choice task, intensity & frequency discrimination processes, college students, 53:179

Loudness Perception [See Also Loudness Discrimination]
accurate vs unreliable vs no feedback, absolute judgments of loudness, college students, 54:8773
acoustic reflex, possible involvement in loudness shifts resulting from remote masker, US Army enlisted men, 54:8769
adaptive procedures, psychometric functions for loudness discomfort level & most comfortable loudness level for pure tones & speech, normal & hearing impaired listeners, 58:1440
auditory stimuli enhanced in loudness by conditioning tone, electrophysiological responses from cat's 8th nerve & from human brain stem & vertex, 57:559
continuous pure tones & 1/3-octave bands of noise, aversion levels, college students, 53:184
cross-modality matching of money against loudness & bitterness, 54:164
decruitment & growth of loudness in ears, patients with temporal lobe damage, 53:7756
experience in category rating of tone loudness, exponent in Steven's power law, untrained Ss, 57:9476
experimental instructions & variable tone to right side with constant intensity to left & same vs different sound pressure levels, functional changes in perceived loudness, 58:275
functional measurement & 2-stage models analyses, magnitude estimations of average loudness, students, 55:11402
hypothesized proportionality between loudness & driven spike rate from whole auditory-nerve bundle, examination using auditory nerve data, 54:443
"ideal"–white noise conditions, quantification of loudness, college students, 53:2235
individual conformity to deliberately erroneous majority judgments of pitch & loudness, university music students, 55:147
levels of pure tones & speech which elicit acoustic reflex, loudness discomfort, 18–28 yr olds, 54:8775
loudness as power function of sound pressure, greater loudness difference comparisons of tone pairs, 53:8676
loudness balances vs midplane localization judgments before & after auditory stimulation of 1 ear, sensory adaptation, 20–32 yr olds, 54:10894
low pitch auditory perception, far-field recorded frequency-following responses, 54:2407
magnitude estimates vs direct comparisons of loudness ratios, perceptual basis of loudness ratio judgments, graduate students, 56:3367
magnitude estimation instructions & numerical examples, variability of power exponent in estimated pulse rates & loudness, college students, 56:9140
magnitude production technique, interval estimates for loudness & area, students, 55:8791
middle-ear-muscle action, psychophysical correlates, 54:210
midline loudness balance test, normals with blocked ear canals & conductively deaf with limited loss, 54:10884

type & onset of father absence & stepfather presence, cognitive development, white lower-class 3rd & 6th graders, 53:7121
underlying factors contributing to therapeutic treatment dropout & dropout reduction suggestions, lower class families, 57:1606
using indigenous vs middle class interviewers & interviewer education & experience, performance in interviewing low-income populations, researchers, 54:9619
value & language codes learned at home, school success, lower socioeconomic students, 54:6307
verbal vs tangible reinforcement with middle vs lower class male vs female Ss, 2-choice discrimination task, preschoolers, 55:11890
violence & aggression in fantasy, delinquency, American vs Japanese lower class youth, 54:1350
visual & auditory components of short term memory & perception, prediction of vocabulary & reading comprehension achievement, rural low socioeconomic 2nd–5th graders, 57:13782
white vs black & middle vs lower class & urban vs rural environment & sex of child, child discipline, mothers of 3 yr olds, 54:863
word comprehension of frequently employed medical terms, lower working class users & underusers of maternity services, Scotland, 54:3957
workshop employing affective dissonance & simulations/games, awareness of attitudes toward low socioeconomic status groups, educators, 56:1316
2- vs 3-dimensional stimuli & representation mode & age, match-to-sample task performance, lower class Black 2–5 yr olds, 58:824

Lower Class Attitudes

attitudes toward unemployment & low wages & expectations for future economic status, return to reservations & drinking behavior, Navajo urban migrants & former migrants, 53:7145
knowledge of & attitudes toward & contacts with Manpower vs vocational rehabilitation vs Job Corps vs Youth Corps, black low-income urban households, 53:12633
neighborhood racial characteristics, attitudes & social behavior & health, female adult low income housing residents, 56:7755
present vs absent husband, self concept & satisfaction, low income

women, 53:1171
purposes of & attitudes toward housing & environmental threats, lower class, 54:2019

Lower Income Level
achievement motivation training workshop, hours worked at school & job performance & attendance & school grades & attitudes, adolescents from poverty level income families, 57:7030
age, differences in Full Scale WISC IQ, low income Black vs White 6–15 yr olds referred for psychometric assessment, 58:5130
availability of legalized abortions, discrimination against poor, implications for social work, 58:1726
behavior modification program, parent-child & marital relations, parents of emotionally disturbed 6–12 yr olds from blue collar or low income families, 55:7614
chronic stress, prediction of family health action & health status, low income persons, US, longitudinal study, 57:8366
college choice characteristics & goals, low-income college students, 53:12492
continuities in delinquency & riot patterns, Black youth & adults in low income residential areas, 57:3575
counseling approach utilizing humanistic & behavioral principles, self confidence, low income Black families with inadequate education, 58:7888
curriculum & assessment of parent-group model of intervention, infant enrichment skills, mothers from low income area, 57:13119
definitions & perceptions of & accommodations to mental illness, low income black ghetto residents, 55:608
descriptive profile of academic & demographic characteristics & counseling aid vs academic aid vs no treatment, grades & reading scores & attrition, low income college freshmen, 56:1416
development & use of assessment instruments, determination of effectiveness in working with low income families in nutrition education program, paraprofessionals, 55:2913
discussion groups led by teacher vs trained vs untrained students, active participation & performance level, elementary school students from low income urban areas, 57:13778
dominance & individuation in storybook teaching & social class, mother-child verbal & nonverbal interaction, White mother in rural low income working class families vs professional middle class families & their 4–5 yr olds, 57:8094
examiner's race, IQ scores, 47–69 mo old low-income blacks, 53:4105
family occupational level, perceptions of world of work, 9th grade inner-city blacks attending school in lower income community, 54:12657
father absence, reading achievement, black 4th graders from low income families, 54:4168
father absence vs presence, personal adjustment & conceptual differentiation of sex role attributes, 4th grade low income Mexican Americans, 57:1011
home-based program with verbal interaction techniques, stimulation of child's cognitive & language development, low income mothers & their preschool age children, 58:8004
individual differences in adaptive coping, numerical conservation understanding, kindergartners vs 1st vs 2nd graders from low income Mexican American families, 58:11472
integrated vs segregated school, immediate recall of standard vs nonstandard English sentences, black & white low & middle income 3rd & 4th graders, 54:1848
interpersonal influences & institutional treatment & policies & patient's demographic characteristics, use of family planning services during 1st 8 mo following childbirth, low income teenage mothers, 58:12183
issues underlying "doctor shopping" & change of physicians, upper & lower income households, 58:7982
labeling performance on 3 forms of test stimuli, low & middle income 4 & 5 yr olds, implications for testing & educational materials, 54:12640
mathematical model, determination of low income family residential preferences & location decisions, Texas families, 57:128
motivator-hygiene theory, prediction of job turnover, poor black workers, 53:6342
neighborhood racial characteristics, attitudes & social behavior & health, female adult low income housing residents, 56:7755
New York state's 1970 liberalized abortion law, perceptions of abortion vs genocide myth, low income pregnant blacks & Puerto Ricans seeking abortion & prenatal care, implications for educators & social engineers, 55:4369
parity, family well-being, low income urban females, 56:5889
participation in community action program, changes in power locus perception & feelings of alienation, low income adults, 55:12092
perceptions & conceptualizations about their mothers' psychosis, lower socioeconomic status 5–12 yr olds, 58:5521
perceptions of role expectations of elementary teachers, principals & teachers in low income schools, 57:13592
perspectives on fertility control & social influence, use & nonuse & consistency & effectiveness of contraceptive methods, low income married women who recently delivered babies, 55:686
physical & cognitive development, children of low income working vs nonworking Black mothers, 8-yr followup, 58:7149
positive human relations program utilizing lay counselors, academic advancement & achievement, high school students from low income homes, 58:10619
predictive ability of Ss in assessment of children's perceptions of family relationships, low income Black parents in 1- vs 2-parent families, 57:5695
present vs absent husband, self concept & satisfaction, low income women, 53:1171
program planning & staff development activities, store-front walk-in mental health clinic, low income black & Spanish-speaking adolescents, 54:3805
reinforcement consequences & sex, standardized test performance, lower income Black 4th graders, 58:10814
relationship model &/vs behavioral paradigm counseling approaches, intensity of depression, moderately depressed rural females of low socioeconomic status, 58:3737
relative reward uncertainty, improvement of Bender Gestalt Test scores, lower socioeconomic status 2nd–4th graders, 57:11589
retrospective & present & projective self-perceptions, transformation of Negro-to-black identity, low-income black college students, 53:11722
self administered treatment technique encouraging self disclosure, self concept, group of low income college student clients in human skills training program, 58:9927
self-concepts, low-income Chicano vs Anglo kindergartners through 4th graders, 53:1212
senior community service project, work experience & training, lower income elderly in public service jobs, 54:8548
socioeconomic status, mental health needs & treatment, low income groups, 58:1751
speech to peers & inferiors & superiors, cultural patterns of role enactment, blue collar low income whites in urban neighborhood, 54:3085
subsidized homeownership, attitudes, black families of low & moderate income, 55:12065
teacher praise in behavior modification procedure, self esteem improvement, low income Black & Puerto Rican 3rd–5th graders, 58:12545
training to make behaviorally defined statements, problem solving behaviors in board meetings, lower socioeconomic adults participating as policy board members in rural community project, 54:7447
work-related training program, alienation & self esteem, low income black & Puerto Rican nurses aides, 55:1639

Loyalty
dependency & cognition & loyalty–guilt transactional binding modes, psychoanalytic approach to family theory of schizophrenia, 54:12007

LSD (Drug) [See Lysergic Acid Diethylamide]

Lumbar Spinal Cord
development of spinal spasticity following mid-thoracic spinal cord transection, gamma-aminobutyric acid levels in lumbar cord dorsal grey matter, female dogs, 57:12361
electrical stimulation of lumbar sympathetic outflow from spinal cord, axonal transport of noradrenaline & dopamine-beta-hydroxylase, rats, 54:2503

Lumbrosacral Plexus [See Spinal Nerves]

Luminance [See Illumination]

Luminance Threshold [See Brightness Perception, Visual Thresholds]

Lunar Synodic Cycle
artificial moon, experimental inhibition of activity in natural habitat, kangaroo rats, 54:7083
full moon, incidence of criminal offenses, 56:4263
lunar cycle, homicides, epidemiological study, 53:1449
lunar cycles, state mental hospital admissions, Texas, 55:5281
positive relation between lunar phases & deviant human behavior, analysis of previous research involving Type I errors, 55:7263

Lung
physiological aging of lungs, respiration regulation, aged, 53:943

Lung Disorders [See Also Pneumonia, Pulmonary Emphysema, Pulmonary Tuberculosis]
chronic pulmonary & renal failure, self image, patients with chronic obstructive lung disease & renal dialysis patients, 57:8511
health beliefs & knowledge of chronic obstructive lung disease, prediction of compliance with prescribed medical regimen, male patients, 56:2547
perceptions of specific influences of health team on adjustment to chronic obstructive pulmonary disease, patients in rehabilitative program, 55:10154
surgery, sarcoidosis presenting as mediastinal mass & improvement of myasthenia gravis, female 30 yr old, 58:3656

Lupus
phenothiazines, antinuclear antibodies & lupus erythematosus, psychotic & senile dementia patients, 54:12282
psychiatric disorders, patients with systemic lupus erythematosus, 56:10196

Lying [See Deception]

Lying (Pathological) [See Pathological Lying]

Lymphatic Disorders [See Blood and Lymphatic Disorders]

Lymphocytes
anti-human lymphocyte-antigen antibodies, sensitivity to chlorpromazine, chronic schizophrenics & normal volunteers, 56:2084
exposure to moderately stressful conditions, adrenal cortical & medullary hormones & ability of lymphocytes to produce interferon & phagocytosis, 23–44 yr old females, 57:7671
lymphocyte stimulation & antibody response, immune response to herpes simplex virus, sarcoidosis patients & asthmatic persons & nonatopic Ss, 55:10160
lymphocyte-antigen distribution, schizophrenics vs normals, 53:3273
lymphocytotoxic factor in serum, schizophrenics, 55:4743
phytohemagglutin addition to cultures, RNA in lymphocytes, schizophrenic patients vs healthy donors, 53:5465
stress & central nervous system lesions, thymus-derived lymphocytes & cell–cell interaction & release of mediators from reacting lymphocytes, 53:2520
T & B lymphocytes & serum immunoglobulins, children with Down's syndrome vs normals, 56:4294

Lysergic Acid Diethylamide
acute & chronic single doses of LSD-25, performance on increasingly difficult visual discrimination trials following frontal cortex lesion, rats, 58:609
apomorphine vs LSD, sexual behavior, ovariectomized female guinea pigs rendered sexually receptive hormonally, 56:5650
body temperature changes & LSD, firing rate of serotonin-containing midbrain raphe neurons, male rats, 57:7717
chlorpromazine, experimental psychosis caused by LSD, dogs & baboons, 54:4830
chronic administration & dosage of N,N-dimethyltryptamine vs LSD, tolerance & cross-tolerance in food-rewarded FR barpressing, rats, 56:7524
chronic LSD-25 treatment & dosages, morphological changes in cerebral areas belonging to limbic circuit, frogs, 54:9168
deep muscular relaxation techniques in crisis intervention, young male experiencing LSD crisis, 54:8151
delta-9-tetrahydrocannabinol vs LSD dosages, active avoidance learning, male rats, 56:3775
dextro-LSD & noradrenaline & dopamine & serotonin, agonist & antagonist actions at central dopamine receptors, male rats, 57:9895
dextro-LSD & pargyline & proniazid & 5-hydroxytryptophan & parachlorophenylalanine & atropine, monoaminergic system, tonic immobility, chickens, 54:7028
dextro-LSD & serotonin antagonists, catecholamine-sensitive adenylate cyclase system in brain, rats, 55:9313
dextro-LSD, dopamine-(DA)-sensitive adenylate-cyclase in striatum & other limbic areas, male rats, 55:2113
discriminable properties of LSD, behaviorally induced sensitivity, male rats, 55:436
discriminative control of behavior by electrical stimulation of dorsal raphe nucleus, generalization to LSD, male rats, 54:9067
drug abuse education, attitudes toward glue & marihuana & barbiturates & heroin & LSD & amphetamines, 7th graders, 55:1364
extra water & para-chlorophenylalanine methyl ester, brain serotonin concentrations & behavioral effects of LSD on barpressing for water reinforcement, male rats, 57:2758
flashbacks, frequency & seriousness & relation to cannabis & LSD & other drug usage & degree of clinical & social incapacitation, young drug abusers receiving psychiatric hospital treatment, 58:7696
fluid serotonin secretion & changes in transepithelial & intracellular potentials & increase in cyclic adenosine monophosphate, hallucinogenic activity of LSD, 53:9035
Freudian interpretation & extension to sociopolitical analysis, LSD experiences with emphasis on perinatal experiences, 58:9122
frontal cortex lesions & subsequent LSD-25, visual discrimination task performance, rats, 54:11164
haloperidol vs thioridazine, apomorphine- vs LSD-induced hyperthermia, male rabbits, 55:9300
injection on 5th day of pregnancy with saline vs normal leukocytes vs normal plasma vs schizophrenic leukocytes vs schizophrenic plasma vs LSD, offspring sex ratio, female mice & offspring, 57:7791
lateral & 3rd ventricle administration of LSD, rapid development of tolerance, male rabbits, 58:2979
lithium, LSD-induced psychotic reaction, adolescent females, 55:1073
long term use of cannabis vs cannabis plus hallucinogens vs mescal vs LSD, personality correlates, drug users, 54:7668
LSD & dextroamphetamine, chromosome damage, 24–45 yr olds, 53:2647
LSD & dextroamphetamine, verbal behavior in monologues & the peutic dialogues, patients, 56:421
LSD & dibenamine, orienting response & pseudoconditioning & 2-w avoidance conditioning in shuttle box, female rats, 55:4123
LSD & parachlorophenylalanine, rapid flicking movements of limbs abortive attempts at grooming, adult cats, 56:2090
LSD & probenecid, cerebrospinal fluid 5-hydroxyindoleacetic acid serotonergic neuronal activity, measured activity & rated agitati schizophrenic patients, 56:780
LSD & psilocybin & mescaline & amphetamine & cold water swimm stress, metabolism of norepinephrine in brain, rats, 56:448
LSD & psilocybin & mescaline & ditran & phencyclidine, discriminat stimulus properties, review, 57:12394
LSD & reserpine & 5-hydroxytryptophan, audiogenic seizure inciden & severity, audiosensitive male mice, 57:701
LSD & 2-bromo-LSD, inhibition of serotonergic neurons vs neurons amygdala & ventral lateral geniculate receiving serotonergic inp male rats, 57:5293
LSD, blood flow to specific areas of brain, rats, 54:7006
LSD, cerebral dopamine receptors, male rats & cats, 55:9262
LSD, copulatory behavior, female rats, 58:2988
LSD derivatives & mescaline & amphetamines, amphetamine psychos 57:12874
LSD derivatives, metabolism by rat liver supernatant, 53:6858
LSD doses & related hallucinogens, limb flick & abortive grooming animal model for behavioral effects, female cats, 57:7793
LSD, fixed-interval bar pressing responding, male rats, 54:4772
LSD following neurotoxic unilateral lesioning of nigro-striatal do amine system, circling behavior, male rats, support for activation striatal dopamine receptors, 57:9871
LSD, genetic mosaic mutations, Drosophila melanogaster & rats mice, 53:9104
LSD, habituation & sensitization of acoustic startle reflex, male rats raphe-lesioned rats, 53:6815
LSD, locomotor activity in 6-hydroxydopamine pretreatment of nucle accumbens, male rats, 56:413
LSD, lymphoid cell chromosome aberrations, psychiatric patien 53:7913
LSD, physiological effects & resistance of progeny, 3 generations Pieris brassicae, 53:11243
LSD, plasma creatine phosphokinase levels, male rats, 55:6602
LSD, raphe neurons & presumed serotonergic raphe synapses, rat 56:5645
LSD, reassociation of dream about sexual conflicts, 40 yr old moth with depression complicating severe eczema & asthma, 58:9969
LSD, selective blocking of inhibitory dopamine receptors, rats, 55:662
LSD, shock elicited fighting, rats, 58:7112
LSD, spontaneous ponto-geniculo-occipital wave activity & REM slee cats, 55:6539
LSD therapy vs conventional institutional treatment, severe chron neurotics, 53:1695
LSD treatment, 30 yr old male with incapacitating compulsive neurosi 58:12142
LSD vs dimethyltryptamine vs saline vs chlorpromazine vs dextroam phetamine sulfate vs bromo-LSD, perceptual-motor & explorator behavior, blind monkeys, 57:5390
LSD vs 2,5-dimethoxyamphetamine, flexor & stepping reflexes respiration & pupillary dilation & body temperature, chronic spin dogs, 58:3038
LSD-induced behavioral syndrome reflecting increased central serot nin receptor activation, male rats with destroyed serotonin ner terminals, 57:5407
LSD-induced peak experiences during psychotherapy, 20-yr-old hosp talized college student, 53:1624
LSD-25 & BOL-148 & imipramine & 1-LSD & parachlorophenylalanin & atropine & reserpine & chlorpromazine, chemical correlates tonic immobility, chickens, 56:397
LSD-25 & psilocybin & placebo, psychic sensitivity, essential headach sufferers, 54:5606
LSD-25 & 1-methyl-d-lysergic acid butanolamide, cerebral serotoni levels & conditioned behavior, male rats, 54:4863
LSD-25, enhanced reversal learning & concomitant rise in brain hydroxytryptamine levels, rats, 54:2552
lysergic acid diethylamide, serum creatine kinase levels, 53:11184
marihuana & LSD usage & attitudes, 9th–12th graders, 1967–7 57:12702
massive LSD overdose, coma & hyperthermia & bleeding, 8 cas reports, 56:417
mescaline vs dextro-LSD vs ditron vs tryptamine vs dextroamphe amine, antagonization of 2,5-dimethoxy 4 methylamphetamin syndrome, cats, 53:6881
mescaline vs LSD-25 vs amphetamine, FI responding, male ra mescaline, 55:2120
model psychoses vs psychotic-like symptoms & hallucinatory experienc induced by psychodysleptic drugs & mescaline & LSD, biochemic & neurophysiological & psychopathological processes & interdepen dency of emotional & cognitive structure, 58:5006
morphine & LSD stimulus properties, generalization to narcoti analgesics varying in subjective effects, male rats, 58:11282
negative reinforcing properties of chlorpromazine vs LSD vs pentoba bital, avoidance escape behavior, drug-naive monkeys, 56:2030
neuropsychological assessment & alcohol usage, college student mar huana & LSD users, 53:9380
obsessive-compulsive personality, etiology & treatment of prolonge LSD flashbacks, 20 yr old male, 57:10758
personality & demographic traits, marihuana & LSD abusers nonusers, 54:11633
poor interrelationships & self-dissatisfaction & alienation & inadequac feelings & sense of moral worthlessness, LSD ingestion, colleg students, 53:7239
psilocybin vs LSD vs pentobarbital vs methyl atropine nitrate as UC paired with light as CS, conditioned suppression, male rats, 57:7
psychological test performance following hospitalization & several year later, patients diagnosed as having LSD psychosis vs acute schizo phrenic episode, longitudinal evaluation, 57:8404
recurrent marihuana usage & LSD, immediate & short term memory 18–28 male drug users, 55:9285
repeated doses of LSD & apomorphine, cross-tolerance & frequency o lordosis responding & locomotor activity, ovariectomized & hor mone-treated female rats, 58:11171
scopolamine vs amphetamine vs LSD vs chlordiazepoxide vs physostig mine vs chlorpromazine, pharmacological analysis of processe underlying differential responding, male rats, 57:5321
stereospecific binding of dextro-labeled LSD to brain membranes relationship to serotonin receptors, male rats & monkeys, 55:206
topographical distribution of dopaminergic innervation & dopaminergi receptors in striatum, characteristics of dopamine adenylate cyclas & interaction of D-LSD with dopaminergic receptors, rats, 56:3
treatment program description, LSD-induced psychosis, male psychotic 54:10117
tyramine vs dibenamine vs LSD plus dibenamine vs diazepam elicitation of shuttle responses to buzzer, male rats, 57:5340
use of defense & coping mechanisms, acute adverse reactions t marihuana & LSD, male drug users, 54:11817
use of LSD in psychotherapy, expression of affect, patients, 57:624
1-methyl-1,2,5,6-tetrahydropyridine-N,N-diethyl-carboxamide, block age of LSD binding at its high affinity site on synaptosoma membranes, rats, 55:6545

The term **Husbands** has been inadvertently omitted from *Psychological Abstracts* volume and cumulative indexes since its creation as a valid thesaurus term in 1972. The following listing therefore includes all references posted under this term for the period 1972–1975 as well as the current cumulative period, 1975–1977. The records omitted from the index term **Husbands** have been correctly referenced under other pertinent terms.

usbands

solute & relative levels of education & relative wage rates, division of labor between husbands & wives, 57:3093

e & education & husband's occupation & parity, childrearing attitudes, mothers of newborns, 58:979

e & health & education & occupation & community participation, household task performance, young husbands vs wives, 55:9622

itudes toward husband's retirement, 30-77 yr old wives with 50 yr old or older husbands, 55:4346

ief sex therapy, characteristics of treatment failures, husbands with secondary impotence, 58:9898

anges in life pattern 1 yr after injury & symptoms of low mood, wives of brain injured vs paraplegic vs uninjured husbands who fought in Yom Kippur War, Israel, 58:3655

hesiveness of marriage, treatment outcome, alcoholic husbands & their wives, 56:1232

llege environment, marital stress & satisfaction, graduate student husbands vs wives, 58:3218

njoint art therapy with verbal therapy, husband with sensory apraxia & his wife, 54:10103

unseling approaches, reaction to husband, wives of alcoholic husbands, 54:3793

uple's pregnancy-related problem solving skills & husband's empathy for wife, adjustment to 1st pregnancy, wives, 57:12655

oss cultural differences, sharing bedroom, husbands & wives, 55:6972

ltural change & analysis of husband's current role & lifestyle & associated problems & benefits, book, 58:1007

cision making differences, preferences for cars, husbands vs wives, 51:7007

screpant views of marriage, husbands vs wives seeking marital vs sexual dysfunction therapy, 57:10657

npirical test of Parsonian hypothesis, mutual destructiveness of dual-career marriages, sociologist husbands & wives, 56:5915

ctors influencing remaining with violent husbands, abused wives, 57:12634

mily counseling process, loss of employment by husband & acceptance of role of family supporter by wife, 57:13261

male role concepts, anxiety, employed vs nonemployed mothers of preschoolers & their husbands, 50:8713

oup psychotherapeutic approaches, problems occuring when alcoholic husband becomes sober, 31-60 yr old White middle class wives, 58:3760

alth counseling, husbands of hospitalized schizophrenic wives, 49:7584

mogeneity vs heterogeneity in husband-wife social status, social psychological well-being, married suburban women, 58:987

sband & wife perceptions of marriage role enactment, children's locus of control, middle class families, 58:3206

sband involvement vs partial involvement vs no involvement in behavioral treatment, weight loss, overweight wives, 57:1653

sband participation, pain & probability of medication, women in labor & childbirth, 55:10405

sband's corporate success & frequent moves & extramarital sexual affairs, identity loss & loneliness & alienated children, corporate wives, book, 51:6049

sband's educational level, family functioning & size & attitudes toward sexual equality, immigrants from Africa vs Asia vs Europe, Israel, 57:12656

sband's presence in delivery room & childbirth preparation classes, perceptions & emotional reactions in childbirth experience, husbands & wives, 55:9608

sband's share of parenting, equal opportunity in work world, wives, 54:11624

pothetical marital & personal situations, persuasiveness ratings of arguments for having & not having 1st or another child & choice of arguments to persuade spouse, married males vs females, 56:7799

fertility, neuroticism, infertile vs fertile women & their husbands, 49:858

influence in purchase decision process for houses, husbands vs wives, 56:9767

involvement & empathy & recognized authority, resolution of preference conflict in family automobile purchasing, husbands & wives, 58:4520

leisure activity patterns, marital satisfaction over marital career, upper middle class husbands & wives, 55:648

letters written to dead husband, stresses of & coping with losing spouse, female geriatric patient, 54:5488

level of & reasons for disclosure of experienced problems in marital relationship, husbands vs wives, 56:3903

locus of control & knowledge of contraception & social background, contraceptive behavior, married male military personnel, 58:9432

marital life & characteristics, husbands of hospitalized psychotic female patients, 58:9650

marital status & satisfaction & male attitudes & family size & husband's income & wife's educational level, work status, women, 54:2037

marriage affection & domination as measured by Ryle Marital Patterns Test & neurosis, neurotic females & their husbands & normal spouses in residential suburbs, 57:8394

mental illness & psychodiagnosis & personality of husband & wife & marital relationship, physicians' wives who were psychiatric patients, 57:10477

natural childbirth training & age & gravida & education & menstrual pain & 1st menstrual experience & sexual desire & wanting husband's presence & medication expectation & overt pain reactions, childbirth pain, women, 52:11603

need for achievement & career patterns, actual & ideal participation in marital decision making & husbands' actual & ideal performance of domestic activities, wives, 58:9394

parity, comfort during prepared childbirth reported by husbands & physicians & childbirth education instructors, mothers, 54:5672

perception of father's work integration, perceptions of parents' marital satisfaction & conjugal power relations, college students, 57:12639

perception of similarity to one or both parents & selection of marital partner perceived as similar to parents, married Ss, 58:9388

perceptions about relative influence in subdecision making, home purchasing decisions, husbands & wives, 54:4291

perceptions of role of husband during his wife's labor, nurses, 56:6616

perceptual & preferential agreement regarding purchase of family automobile, husbands & wives, 55:11199

personal & normative attitudes about having another child, family planning decision making process, husbands vs working vs nonworking wives, 58:7369

personality characteristics & husband-wife similarity & J.L. Holland's occupational types, adoptive parents, 58:10682

personality characteristics & interpersonal relations, spouses in 1- vs 2-career families, 57:3085

personality factors, predictors of own & partners' marital dimensions, married graduate students, 50:4649

personality self perceptions, 30-60 yr old male heart patients & their noncardiac wives, 58:1439

post-childbirth episodes of psychiatric illness, single & married females & their husbands, England, 57:3461

postpurchase situation, quality & price perceptions & interrelationship, wives vs their husbands, 57:11692

power structure, Mexican & Mexican American farm labor families in California, 56:5903

pre- vs postabortion MMPI scores, husbands vs wives, 49:11002

preparation for childbirth classes, attitudes toward pregnancy & parenting & concerns about baby & feelings of preparedness for birth & responses to postpartum, 3rd-trimester primiparas vs multiparas & husbands, 58:997

present-day fatherhood, 36-63 yr old fathers & husbands, criticism of J.W. Maxwell's paper, 57:10118

primary & secondary validity of predictiveness of probabilistic purchase intentions, individual & joint responses of husbands & wives, 54:4285

psychological & sociological aspects & interpersonal perception in marriage, female alcoholics, 55:2492

psychological correlates of family size & son preference & birth control, husbands & wives, Taiwan, 58:11568

psychological mindedness & language usage & age & education & husband's presence & environmental stress, experience of time & relationship to infant's cognitive development, Black mothers of infant sons, 57:5685

reports of experiences during childbirth, analysis of sample bias in questionnaire returns, childbirth education instructors & students & their husbands & physicians, 54:5671

role development & adjustment to postpartum family life & preparation for parenthood, husbands attending childbirth preparation classes, 57:10119

role in development of positive treatment motivation with alcoholic husbands, wives of treated alcoholics, 58:10089

roles & self perceptions & other perceptions, marital adjustment in institutional vs companionship marriages, couples, 55:6960

self vs husband's responsibility for oral contraceptive use, successful birth control, Iranian women & husbands, 49:2295

separate group therapy, marital problems, wife with psychosomatic problems & her husband, 54:12324

sex & alcohol-related vs nonalcoholic related topics, verbal & nonverbal marital interaction patterns, wives vs alcoholic vs nonalcoholic husbands, 58:1349

sexual aspects & satisfaction of wife's neurotic needs, married male alcoholics, 50:11576
